

Texas is known all over the world as a big state (the biggest) where big men do things in a big way.

They tell of our great buildings and lengthy highways. And while we do have them we never brag.

In pioneer days we had some pretty big ranches, though they have been gradually cut up into farms.

This particular ranch is larger than some states in area, yet we do not brag about it.

Of course you would naturally turn to a Texan if an order like this was to be filled.

Herefords were good, but anybody could raise them if they had a barn full of corn to go with them.

The King Ranch bunch got busy, and for twenty years have been trying to perfect the "perfect type" for Texas.

It takes several cowboys to operate a ranch the size of the King. In fact we notice that they are now raising their own mounts down there.

Now we are not bragging when we say it takes a large number of "pecks" to handle the cows. Just how they are grazing a little more than 65,000 head.

This is not bragging—just go see for yourself. In some states 3 acres of land makes a ranch, but not in Texas.

Clear, Warmer, No Rain Today For County Area

A bone-dry Eastland County warmed up today under a sun that beat down through virtually cloudless skies.

The cold wave that chilled the region earlier this week, says United Press, is being gradually pushed away as hot air rises from the sun-baked ground.

11 Die In B-29 Crash

Portland, Ore., Oct. 9 (UP)—Eleven Air Force crewmen from a B-29 bomber were dead Thursday after their giant craft, which "seemed to come apart" in the air, crashed and burned in the Tualatin Valley 20 miles south of here.

Capt. Robert H. Mitchell, operations officer at Portland Air Force Base, said the four-engine plane was on a "round robin" flight from Travis AFB at Fairfield, Calif. when the crash occurred late Wednesday.

At Travis, public information officer Maj. Tom Barbour said the plane was attached to the first bomb squadron of the Ninth bombardment wing.

The dead included two Oklahoma Airmen: 2-C Glenwood P. Dailey Jr., 22, radio operator from Muskogee and William E. Cullen, 22, gunner from Oklahoma City.

RANGER HITCH-HIKER BEATEN BY TRIO OF THUGS WEDNESDAY; OFFICERS HUNTING ASSAILANTS

Ranger officers and other law enforcement officers over this area were on the look-out today for three men who assaulted Alfred Dupree, about 33, of Ranger, just outside the city limits of Stephenville on Highway 281 Wednesday afternoon.

Dupree, who was hitch-hiking to Ranger from the Erath County seat city, was picked up by three men in a gray 1952 Ford.

The Gold Trophy will be on display in the window of Carl Johnson's store on the north side of the square.

About 300 fire fighters and their families were in Weatherford for the meeting and barbecue at Weatherford Fire Hall, after the races. The Eastland Volunteer Fire Department team was composed of Sam Herring, Elton Simpson, M. G. Cartwright, Billy Johnson, Mert Mueller, Jack Willis and Team Captain Guy Robinson.

Schools Observe Fire Prevention Week: Get Prizes

Fire Prevention Week is being observed all over the city, but especially in the school children's bodies at our various schools are considered.

These youngsters make the "week" one long to be remembered. Essays are written, posters are made and a general observance is an annual affair.

All these posters and essays will be on display in the high school library all day Friday, and parents are not only invited, but urged to visit the schools and see them.

Fire Fighters Of Eastland Win At Weatherford

Eastland Fire Department won first place at Weatherford, Tuesday night, in pumper race competition, at the quarterly meeting of the North Central Texas Firemen's Association.

The Eastland' County's time was 28 seconds. Runners-up in order of time, were from Ranger, Stephenville, Mineral Wells, Dublin and Aledo.

Jumping back into the automobile after Dupree had collapsed at the edge of the pavement, they were unable to start the car, so they fled to the nearby brush abandoning the vehicle.

Officers said the ignition of the car had been wired-around, and today were beginning a check to determine identification. The vehicle is believed to have been stolen.

In their haste to flee from the scene, the trio of assaulters neglected to rifle Dupree's pockets. When found by Sheriff George, some pocket change and a billfold, also containing money, were in the victim's clothing.

Wednesday night at midnight, Ranger Police Chief W. G. Pounds said, a trio of youths were picked up and held for investigation. Two of them, one 19 and the other 22 years of age, were from Ranger, and the third, a 24-year-old man, was from Denton.

Last Rites For Crash Victims Set At Cisco

Funeral services for two young Cisco men, who were fatally injured in a truck-train crash between Cisco and Eastland at a railroad grade crossing Tuesday afternoon, will be held at Cisco, Thursday and Saturday.

Last rites for Samuel B. Mize, Jr., 22, native of Cisco, will be conducted at 3 p.m. Thursday at the Pentecostal Church with the pastor, the Rev. Mrs. J. E. Blackwell, officiating.

Services for Sam Fenton Moran, 27, resident of Cisco for the past eight years, is scheduled for 11 a.m. Saturday at the East Cisco Baptist Church. The Rev. F. C. Bradley, pastor, will officiate.

The two crash victims will be buried in Oakwood Cemetery there. Mize was killed instantly about 1:15 p.m. Tuesday when the truck loaded with telephone poles in which the pair was riding collided with a T & P passenger train about six miles west of Eastland.

Moran was taken to Eastland after he was released from the wreckage under which he was pinned for half an hour. Mize, who resided at 600 West 12th St., had lived in Cisco all of his life. He was born here on Dec. 14, 1929. He attended public schools at Cisco.

Moran, who lived at 614 East 12th St., moved to Cisco eight years ago, coming from Amarillo. He was born Aug. 30, 1925 in Gorman.

Both men were employed by the Cisco Transfer Company, connected with the C&B Transportation Company with central offices in Midland. Both men worked out of the Cisco branch office.

Survivors of Mize include his wife; two children, Samuel B. III and Ronnie; his parents, Mr. and Mrs. S. B. Mize, Sr., of Cisco; five sisters, Mrs. R. G. Stull of Grand Island, Neb., Mrs. Frances Reeves of Eastland, Mrs. E. L. Rice of Carbon and Norma Sue Mize and Mary Lou Mize, both of Cisco.

Surviving Moran are his wife, his mother, Mrs. Lucy Newbar of Belvid; a sister, Mrs. Sol Kennedy of Cisco; three brothers, O. G. Moran of Cisco, H. L. Jernigan of Amarillo and L. B. Jernigan of Albany.

YANKS WINNING KOREAN AIR WAR BY RATIO OF 15 TO 1

WASHINGTON, Oct. 9 (UP)—U. S. Air Force Sabrejet pilots now are destroying 15 Russian-built MIG-15 jets for every plane they lose in Korean air battles, reports to the Pentagon disclosed Wednesday.

Almost double earlier victory margins, the 15-to-1 ratio has been sustained for the past three months. In that period, the enemy has lost 106 MIG's in encounters with Sabres and has downed only seven F-86s.

It also was revealed that total United Nations aircraft losses of all types since the war began are now estimated at more than 2,500. Probably close to 95 per cent are American.

A precise, up-to-date loss total cannot be given because there is no standard system of reporting to the Defense Department. The Air Force does not report "operational" losses—those not directly attributable to combat. The Navy gives all losses but its reports lag. Both services include shore-based marine aviation in their reports.

Total enemy aircraft destroyed since the war started now number 704 of all types based on Air Force claim of 614 destroyed through Oct. 3, and a Navy claim of 90 including four MIG's through Sept. 28. How many "operational" losses should be added is not known.

Demo Answers Ike's Bitterest Verbal Attack

WASHINGTON, Oct. 9 (UP)—Gov. Adlai E. Stevenson countered Thursday Dwight D. Eisenhower's bitterest attack on the administration by ridiculing Republicans as a "do-nothing, care-nothing, know-nothing party."

The Democratic presidential candidate borrowed a page from President Truman's "give 'em hell" tactics in a speech prepared for delivery in Kansas City, Mo. Stevenson praised Mr. Truman as "certainly a man of independence" and said the GOP "either believes that we can't do anything about our troubles" or does it "too late."

Eisenhower's campaign train rolled into Southern California following the retired general's charge that "the administration in power has failed to bring into line its cross-cutting, overlapping and jealous departments, bureaus and agencies." The Republican nominee told a nationwide television audience Wednesday night America has been "dozing at the gate" while the "psychological strategists of communism have crept into our citadel."

Mr. Truman, in an address prepared for a Cleveland audience, told housewives Republicans would "murder what is left of price controls if they ever get hold of the government." He said the GOP won't let Eisenhower say anything "positive about price controls because the special interest lobbies who control that party are against them."

Elsewhere on the political front: Gov. Thomas E. Dewey of New York charged that Stevenson and his running mate, Sen. John J. Sparkman, are campaigning under the battle cry of "white supremacy." Dewey told a state-wide radio-television audience that while Gov. Stevenson serves up honeyed words about the rights of minorities in one part of the country, he proudly advocates that you elect as his running mate and possible successor as president, a man who has spent his whole public life fighting to suppress the rights of American citizens.

Sparkman, asked at a news conference in Columbus, O., to comment.

Funeral Rites For Boles At Ranger Today

Funeral services for Henry W. Boles, 62-year-old Eastland County farmer and ranchman who resided on Rt. 2 near Ranger, will be held at the Killingsworth Chapel in Ranger today at 3 p.m.

The Rev. Lee Casey, pastor of the Primitive Baptist Church, Cisco, will officiate, assisted by Rev. D. C. Foster of Atwell. Interment will be in Nimrod Cemetery with the Killingsworth Funeral Home, Ranger, in charge of arrangements.

Pallbearers will be C. C. Bearden, Bill Mills, John Nicks, Harvey Thompson, Fred Harrell and W. H. Cooper.

Mr. Boles, who had lived in and around Ranger most of his life, passed away at 7 o'clock Tuesday evening in a Waco hospital. He had been in ill health for some time.

Survivors include the widow of Ranger and three sisters, Mrs. R. F. Hall of Floydada, Mrs. C. E. Ledbetter and Mrs. J. B. Cunningham, both of Ranger.

USDA Warns Housewives Of Spud Shortage

WASHINGTON, (UP) — The Department of Agriculture has warned housewives they may face another potato shortage next spring.

Bad weather has cut down yields in Maine and other "late crop" areas which normally furnish the bulk of the potatoes that go on sale in the spring.

Despite these ominous symptoms, government experts are hopeful that potatoes won't be quite as high priced and hard to find as they were early this year.

They point out that farmers in "early crop" potato-producing states may increase their plantings enough to offset the fall losses in Maine and other late crop areas.

USDA Forecasts '52 Cotton Crop 14,400,000 Bales

WASHINGTON (UP)—The Agriculture Department has forecast a 1952 cotton crop of 14.4 million bales, up 524,000 bales, or four percent, from last month's estimate.

The October forecast compares with a 13.9 million bale estimate of a month ago, 1951 production of 15.1 million bales, and a 10-year average output of 11.8 million bales.

The department said gales during the month were caused chiefly by improved conditions in Texas and the central cotton belt with most areas holding their own or showing some improvement.

The crop reporting board said the condition of the crop on Oct. 1 was 71 per cent of normal. Last year at this time it was 74 per cent of normal while over the 10-

11 NEW RECORDS ARE SET, 13 MORE TIED, DURING '52 WORLD SERIES, UP SURVEY SHOWS

By NORMAN MILLER
NEW YORK (UP) — A few new pages of records, many of dubious distinction, were written into the books for the 1952 World Series, which many baseball men rated one of the most thrilling of all time.

A total of 11 significant records were set and 13 more were tied, in addition to the cumulative marks which the Yankees automatically establish every time they participate in a World Series, a United Press check showed.

Duke Snider of the Dodgers set the most noteworthy individual mark, breaking one record and tying two more. His 24 total bases on four homers, two doubles and four singles broke the old record of 22 set by Joe Harris of the Washington Senators in 1925.

Shades of Babe Ruth
Snider's four homers tied the old mark set by the immortal Babe Ruth in 1926 and Lou Gehrig in 1928, and his six extra base hits tied the old record made by Ruth in 1928 and Pete Fox of the Tigers in 1934. The Dodger outfielder's two homers in the sixth game also was a new high.

Lowest batting average of winning slug in seven-game series—216, Yankees.

Records Tied
Most homers by player in series—4, Snider ties Babe Ruth and Lou Gehrig.

Most extra base hits by player in series—6, Snider tied Ruth and Pete Fox, Tigers.

Most home runs in one game by National League player—2, Snider.

Most consecutive world championships by club—4, Casey Stengel, Yankees ties Joe McCarthy Yankees 1936-39.

Most consecutive world championships by club—4, Yankees ties own record.

Most home runs in consecutive games—7, Yankees.

Most putouts by catcher—59, Yogi Berra.

Most assists by National League first basemen in one game—3, Hodges, first game.

Most errors by third baseman in series—4, Gil McDougald, Yankees.

Most times at bat without hit—21, Hodges.

Fewest two base hits by one club in seven-game series—5, Yankees.

Fewest assists by one club in seven-game series—66, Yankees.

Fewest runs scored by player participating in seven games—none, Roy Campanella and Andy Pafko, Dodgers.

Cumulative Club Records All Set by Yankees
Most World Series—19.
Most series victories—67.
Most world championships—15.
Because the Yankees have participated in more series than any other team in baseball, their cumulative marks for homers, hits, runs, bases on balls, etc., all are records too numerous to list.

for a National League player in a single contest.

The Yankees tied the record of four straight world championships set by their 1936-'39 predecessors and Casey Stengel equalled the mark of leading a team to four straight world titles set by Joe McCarthy.

There were also a few records which the players involved would like to forget. Gil Hodges of the Dodgers became the first regular player ever to go through a seven-game series without a hit, and Gil McDougald of the Yankees set a new high for errors by a third baseman by committing four.

Here is a rundown of the most significant marks set or tied during the seven-game series:

New Series Records
Most total bases—24 by Snider four singles, two doubles, four homers.

Most home runs one club—10, Yankees.

Most home runs by both clubs—16, 10 Yankees and 6 Dodgers.

Most extra bases on long hits one club seven-game series—39, Yankees.

Most extra bases on long hits by both clubs seven-game series—64, 30 Yankees, 25 Dodgers.

Most chances accepted by catcher—67, Yogi Berra, Yankees.

Fewest one-base hits in seven-game series—33, Yankees.

Fewest two-base hits by both clubs in seven-game series—12, five Yankees, seven Dodgers.

Fewest sacrifices one club in seven-game series—2, Yankees.

Fewest hits by player in seven-game series—none, Gil Hodges, Dodgers.

has handled literally thousands of disconcerting legal entanglements for servicemen. Members of the group say that many of these difficulties could have been avoided if the soldiers involved had taken a few simple precautions before leaving civilian life.

After you enter the service, keep in mind that this group, the State Bar committee on Legal Assistance to the Armed Forces, stands ready to help when necessary. Every county in the state has a legal Assistance Chairman whose responsibility is to look into local matters when requested by a serviceman. The committee and the county chairmen may be contacted through State Bar of Texas, Austin 15, Texas.

But before going into service, here is a partial list of things to do to protect yourself and your family.

Execute a power of attorney in recordable form if you want someone to be able to act for you in your absence.

Rent a safety deposit box, collect your important documents and store them in it.

Have a will prepared, or revised

to suit any changed conditions.

Arrange for payment of outstanding bills or loans. The Soldiers and Sailors Civil Relief Act protects you against entry of judgment while in service.

Check your life insurance. Be sure the beneficiaries are correct—if the beneficiary is to be paid in monthly installments, is the amount now adequate in the light of the present deflated dollar? Arrange for premium payments.

If you have a lease on your business or residence arrange to cancel or sublet; provide for getting premises back when you return. If you give proper notice the Soldiers and Sailors Civil Relief Act may save you from further liability under leases after your departure.

Check your fire and personal property insurance policies for expiration dates, proper coverage and address. Get a rebate if you cancel.

Be sure your automobile license and insurance are available and in the name of the proper person. If your car won't be used for business purposes you may be entitled to a reduced premium.

Leave with some person, other than your wife, complete data as to yourself, where you are, how you are to be reached. Keep that person informed of changes while you are away, so he can reach you in an emergency.

Consolidate your bank accounts and open a joint account. Arrange for statements, allotments, etc. Check your credit resources and arrange for your family to obtain credit or loans in emergencies.

If you are under 26 and called in the reserves, notify your draft board. File a change of address card with the post office and have your mail forwarded to some responsible person.

If you have a mortgage or land contract arrange with the lender for deferment of principal payment, if necessary. Check GI loan provisions and the Soldiers and Sailors Civil Relief Act.

(This column based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law)

Every speeder should have his picture taken so a newspaper can use it when he's injured in a smashup.

Featherbrained Actress Says To Act Helpless And Incompetent

By Aline Mosby
 HOLLYWOOD, Oct. 8 (UP)—Our "efficient" American women would generate more sex appeal if they'd play helpless—especially about money, helpless Billie Burke decided Wednesday.

Females of this country, she thinks are "too sharp." She says they should realize their job in life is to make men happy, and this they can do best by playing featherbrains.

For any women who wish to learn the gentle art of being featherbrains, what should they be helpless about?

"Money," Miss Burke said firmly.

As There's The Rub
 "Women should pretend to be inefficient. The man should be the banker, if he can be trusted. It helps to be petite, and well-to-do, but even large women without money can be helpless to a degree," she reflected.

"A real man does not want to be dominated. He wants a woman who is sweet, domestic and clinging. A clever woman will hide her ambitions and always appear to be frivolous."

"A woman should be a woman, and a man a man," Miss Burke announced slowly.

The blonde and still giddy actress admitted she won her late husband, Flo Ziegfeld, through helplessness.

"That includes being feminine and concentrating on loveliness," she smiled. "That way I was able to keep him home in the evening."

"Our home was so attractive that with all the temptations he got, he weighed them heavily against what he enjoyed at home."

Other lessons in Miss Burke's old-school charm include no liquor, not many cigarettes, "always smelling pretty and keeping the bedroom immaculate and charming."

Miss Burke sighed that, at 67, she's "still the same character, only older, still the featherbrain."

During our lunch at the Brown Derby she seven times brushed back her hair with her fingers in the way of the lettuce on her fork. She also spent ten minutes ploughing through an amazing handbag looking for a box of sacarine tablets while the waiter watched in fascination.

"I don't know whether I appear to be helpless or whether I was just born that way," she chirped.

Homecoming For McMurry Set For Oct. 17

The curtain goes up Oct. 17 and 18 at McMurry College in Abilene for a repeat performance of the 1951 Homecoming of ex students and alumni.

For the second year in order to carry out McMurry's Indian theme, a teepee village will be erected on the north side of the Radford Memorial Student Life Center. The 1951 homecoming, using for the first time the teepee village, was so successful that the students voted it a tradition.

One large wigwam will serve as the main assembling spot for exes to register while 15 smaller teepees, placed in a circle around the wigwam, will form the remainder of the village.

The exes go up Oct. 16 and the crowd fire will be lighted. The coronation ceremonies of Chief McMurry and Reservation Princess plus the ritual to begin the tom-tom beating and pep rally are scheduled for Oct. 17.

The majority of the exes will begin arriving on the Reservation the morning of Oct. 18 to various coffees, luncheons, group reunions, exes' association meetings and a down-town parade featuring the 55-piece Indian Band and its steam calliope. The McMurry-Abilene Christian College football game at 8 p.m. that night at the Fir Park will conclude the \$52 homecoming.

ter going through the plant with W. H. McAnally, district supervisor, we marveled at the many things that we did not know.

You will not learn it all during one visit, but you will learn a

great deal.

Going into the business office on the ground floor, you will be greeted by Mrs. Ernestine Pierce, who is in charge. That's where you go to pay bills, and transact any other business. From there you move on to the second floor, and if your eyes are good you will see several million wires, and other gadgets, but all to make your telephone service better. A. A. Tuggle is in charge of this department, and he must be something of a combination man, for with his wires, books and other articles he must be of the robot type to keep up with them.

We spent 3 minutes with him and knew less when we came out than when we went in. To us it was a kind of Chinese puzzle, but it's worth seeing. We learned how to allow six or eight people to talk over one wire at the same time, and you feel that you are using a private wire. We learned that there are three alarm systems. The first and largest gets the operators attention, but if this machine "goes out" turn to the second, which is a direct current, also, but large enough to do the "ringing" until the large machine is repaired. Maybe it falls down on the job also, there is still another "ringing" apparatus, only this one has to be turned something like cranking a model T.

It's their job to see that all the mechanical contrivances function properly, and that you get perfect service. In the twinkling of an eye they can have you talking with New York or San Francisco.

That's their job. They are courteous and say "thank you" to all customers, when if the customer were doing the talking they would likely say "darn you."

We found the little hole that has a wire in the bottom that goes to our home. Thought about ringing the wife, but had a better thought. First we didn't know how to plug in or turn the juice on, and even if we had would have been afraid to have done it. Maybe some of those girls began talking and she would have wanted to know where we were and who we had with us. She would never have believed the truth.

We enjoyed the visit, and will

Fierce Fighting Continues Over On Korean Front

SEOUL, Korea, Oct. 9 (UP)—Hard-fighting South Korean infantrymen clawed and battled their way to within 70 yards of the crest of bloody White Horse Mountain Thursday where 5,000 Chinese Communists fought desperately under order to win or die.

The battle-weary South Koreans of the Ninth division already have knocked an entire Chinese division out of action, killing and wounding an estimated 8,000 veteran Communist troops.

As they inched their way up the rock-marked slope in the face of tremendous artillery, mortar and machinegun fire, Americans

can advisory officers watched in open-mouthed amazement. "It's Oriental against Oriental and that means the most savage of hand-to-hand fighting," one officer said.

Costly to Chinese
 The three-day battle for White Horse and the nearby French-defended Arrowhead ridge northwest of Chorwon on the central front has been costly for the Chinese.

"We can safely say," an Allied spokesman said, "that one Chinese division has been decimated."

Young Lawyers Hold Forum On Citizenship For First Meeting Of Civic League and Garden Club

Cyrus Frost, Jr., Virgil Seaberry, Jr., and Charles Freyschlag conducted a forum on Citizenship, stressing the vote, and gave instructions in voting properly Wednesday at noon at the luncheon, opening meeting of the Civic League and Garden Club on the Connellee Hotel roof garden.

They brought out in their discussion, "That it was not a duty to vote but a privilege to do so." They gave instruction in voting a straight ticket or a split ticket. Mr. Frost, in his subtle way, managed to bring an interesting fact from history in a delightful manner.

Mrs. Samuel Butler, president, presided, introduced the speakers who are young lawyers of Eastland. The program committee, under the direction of Mrs. Butler is continuing the featuring of Eastland's young people, who are practicing their chosen professions here.

Mrs. Butler presented Mrs. Frank Castleberry, who in turn introduced members of the year book committee all of whom were hostesses for the afternoon. They are Mmes. E. E. Freyschlag, R.

E. Sikes, Pearson Grimes, E. M. Grimes and Mrs. Castleberry. Also Mmes. James Horton and W. W. Linkenhoger, ticket committee, were introduced.

Decorations on the long tables, laid with white linen were arrangements of crepe myrtle with queen's wreath trailing along the center joining the colorful bouquets. An arrangement of red roses centered the speaker's table. Mrs. M. H. Hagaman of Ranger, gave the invocation.

Following the program Mrs. Butler held a short business session and had each member introduce their out of town guests including Mmes. Dan Childress and Bob Gilchrist of Abilene, Mrs. J. P. Morris of Ranger and Mrs. Fred Hagaman of Conway.

Mrs. Grace Reed, superintendent of the Eastland Memorial hospital, was presented by Mrs. Butler, and told of the duties and the need for a hospital auxiliary, which will be organized in November and sponsored by the club.

More than a hundred women were present, including several new members.

Yvonne Green Is Honored On 9th Birthday, Tues.

Mrs. Howard B. Green entertained a group of children Tuesday afternoon during the hours 3 till 5 honoring her daughter, Yvonne Green on her ninth birthday, with a dessert party in their home 902 West Plummer.

Each child was given a plaster of paris animal, which the honoree had made for them from a modeling craft set given to her by her brother, Ben.

The children colored their animals and were awarded a prize. Games were played.

The group gathered around the table, displaying the birthday cake and sang "Happy Birthday" as the candles were lighted.

Many gifts were received and displayed. Among them were greetings from the grandparents of the honoree, Rev. and Mrs. Asa Hoskins of Greenfield, Wis., Mr. and Mrs. Irwin Rush, Romeo, Mich., Mr. and Mrs. Henry Burham, Armada, Mich., Mrs. Frank Moran, Richmond, Mich., Miss Nellie Green, Detroit, Mich., Mr. and Mrs. William Demmin of Merrill, Wis.

Gold, Fushia and ivory cup cakes were served with ice cream and grape punch, were served, and movies were made of the party.

Children present were Kay Culbertson, Kathy Jones, Nancy Grubb, Frances Cogburn, Alice Frazer, Mickey Horner, Mike Anderson, Roger Taylor, Otis Green and the honoree.

The evening was spent in the Green's home showing movies made by the late Howard B. Green, father of the honoree.

FIRST STEPS AFTER POLIO—Pretty, two-year-old Loretta Temple of Dallas, one of more than 3,700 polio victims in Texas this year, takes her first post-treatment steps with the support of two officials of agencies that aided her. On the left is Arthur P. Dyer, secretary of the Dallas chapter, National Foundation for Infantile Paralysis, while Mrs. Irmadine Mitchell, superintendent of the Texas Scottish Rite Hospital for Crippled Children, at Dallas, supports Loretta on the right. Funds from the Infantile Paralysis Foundation have helped the Scottish Rite Hospital care for scores of polio victims this year.

Mrs. House, Mrs. Boren Conduct Federation Workshop In Eastland

Mrs. A. J. House of Yoakum, president of Central Region districts 4-5-6, of the Federated Club Clubs, told the Federated Club Women of Eastland and the surrounding area, that "Service Should Come First" in the purpose of a Club. Speaking on Americanism-Federation Mrs. House urged each club woman to act as if she were proud of her American heritage and to stress American citizenship in her way of living and to teach it daily to her children.

She gave a resume of the history of Federation from its organization in 1897 in Waco until its present time. She presented Mrs. J. F. Boren, sixth district president of Abilene, who accompanied her.

Mrs. Boren gave instructions on making club reports and spoke briefly on other matters that will be brought to the attention at the annual 55th State Convention to be held November 10-13 in Austin.

Mrs. Arthur Murrell, president of the Thursday Afternoon Club, presided and introduced the speakers.

A tea was held following the program honoring Mrs. House and Mrs. Boren. The table was laid with a green linen cloth and appointments were of pottery, in a darker shade of the same color, and crystal. Mrs. Murrell presided and was assisted by Mmes. W. E. Braashier, H. L. Hassell, George I. Lane, Cecil Collins, H. C. Westfall and Carl Jones.

Attending were Mrs. C. B. Pruet of 1920 Club, Ranger, Mrs. Bill Tucker, president of the Eastland County Federation, Ranger, Mrs. C. G. Stubbfield, Mrs. W. J. Greer, and Mrs. B. B. Junior High Elects Good Citizens

A good citizen of Eastland junior high school is one who comes to class on time, with lessons prepared, with all necessary supplies on hand, is courteous at all times and in general behaves himself as a teen-age boy or girl should.

It is interesting to note, says one of the teachers, that when a student is nominated who is not eligible, he voluntarily declines the nomination for that time, which action, is commendable and effective. Those who were elected for the "Citizen of the Month" for September were as follows:

6-A, Mike Manning; 6-B, Clinton Humphreys; 7-A, Gene Thompson; 7-B, Kathryn Scott; 8-A, Dale Slatton, a new pupil from Olden; 8-B, Lupe Herrera.

Daphne Du Maurier; "The Hidden Flower," Pearl Buck; "The Doctor Takes a Wife," Elizabeth Siefert; "Divine Average," Kirkland (Early Texas Story).

The Carbon Study Club was awarded a prize for the visiting club having the most members present, by Mrs. House.
