UNITED PRESS WIRE SERVICE

EASTLAND, TEXAS, WEDNESDAY, OCTOBER 22, 1952

NEA FEATURE SERVICE

PRICE FIVE CENTS

### Around The Square

With Mack

Thursday night will be high school night at the Majestic Theatre, according to Wendell Seibert, high school principal.

It all came up a few days ago when high school students were about to abandon their plans for a school annual. Prices are high and money is scarce, and the youngsters were not finding it an easy task to raise the money. Then along came Siebert Worley, of the Majestic Theatre, who told the workers that the annual could be possible and that he would help. So if you are asked to buy a ticket to the Majestic, just know that it is a kind of 50-50 show. The program will be paid for and after that the money will be equally divided between the theatre and high school.

So help the kids, and see a good show at the same time.

Politics have reached the boiling point in most sections of the United States, and Eastland is no exception. Eisenhower forces here are making themselves felt, with meetings being called all over the county, and with the distribution of many thousands of pieces of campaign literature.

The campaign is one of education. People may know the truth. They may know just what a president they are in—thanks to Harry. They may learn all about the Korean war, and why it is started and why it is continued. They may learn the truth about MacArthur, and why he was fired. They may learn about high taxes, which is little less than confiscation.

When all the truth gets to the people, you will know why millions of perfectly good Democrats are going to vote for Eisenhower. You will also be glad to know that these people are still good Democrats, but honest enough to refuse to be a part of "shady happenings" now going on in Washington. They want no part of the Truman administration or any other administration so closely affiliated with Truman.

They have joined hands with Eisenhower forces and will help them sweep Washington clean. When this is done their job will have been completed and they will revert back to usual customs.

We, as Democrats, know that we do not have a Democratic administration in Washington at this time. It is operated on socialistic lines, closely akin to the communistic plan. This cannot and will not be countenanced by God-fearing citizens of America, regardless of party connections or affiliations. There is nothing wrong with Jeffersonian Democracy—only it has been sold down the river, and it is now powerless. It has no official head or standard-bearer.

By working with the Eisenhower forces we may be able to retrieve and restore it to an everlasting power and glory where it rightfully belongs.

The Truman Party is outspoken against our ideals. Harry is guilty of the theft of our lands (value \$3 1/2 billion) and Adlai insists that he will make an effort to hang on to all the booty captured by Harry in his plunder.

Will you vote for a man who looks you in the eye and tells you that he thinks stealing is all right, and that he will continue his plunder?

We are only asking for that which is right, and we also know that there are millions of people who will vote for Adlai for purely mercenary motives, to the hurt of multiplied millions of others.

Things are no longer normal, but the sooner we clean up Washington, the better off we are going to be. We hold no ill will toward any individual, but when we see the handwriting on the wall, as did old Belshazzar, we are not going to be foolish enough to pass it off as a joke. We are going to do something about it. And may the Good Lord give you light that you may learn the truth before it is too late.

**CAMPAIGNER**—President Harry S. Truman, accompanied by Mayor James V. Kenny, right, waves to crowd who greeted him on his arrival in Jersey City as the President carries his whistle stop campaign for the Democratic presidential nominee into New Jersey.

### J. R. Farnsworth, Former Ranger Resident, Dies

Joseph Ross Farnsworth, 71-year-old resident of Amarillo who lived in this area during the fabulous Ranger oil boom era, died in a hospital in the Potter County City Monday morning at 8 o'clock. It was learned here this morning.

Mr. Farnsworth, who had resided at 4520 N. E. 8th Street in Amarillo since 1945, spent most of his life in the oil industry as an accountant and bookkeeper. He spent many years in the Ranger and Albany area.

A member of the Episcopal Church and a 32nd degree Mason who also was a member of the Consistory, Mr. Farnsworth was a bachelor. He was a native of South Lincoln, Mass.

His body will be shipped to Concord, Mass., from Amarillo Wednesday afternoon and funeral rites there are pending arrival.

Survivors include a sister, Mrs. Grover Powers of New Hampshire, Conn.; a brother, Murray P. Farnsworth of S. Lincoln, Mass.; a half-brother Dr. Joseph S. Hart of Concord, Mass.; and a niece, Miss Olive B. Floyd, the noted writer, of S. Lincoln, Mass.

### R. D. Duncan, 72 Dies Tuesday In Ranger Hospital

Ransom D. Duncan, 72-year-old retired farmer and Eastland County resident for 10 years, died in a Ranger hospital Tuesday.

Funeral services will be held at the Killingsworth Funeral Home Chapel in Ranger Thursday afternoon at 2 p.m. with the Rev. Garland Lavender, pastor of the First Methodist Church of Ranger, officiating.

Killingsworth Funeral Home is in charge of arrangements and interment will be in the Evergreen Cemetery.

Mr. Duncan, born at Junction, Tex., on Jan. 19, 1880, married the former Miss Nellie Pope in Menard County in 1915.

His survivors include the widow of Ranger; four sons, W. H. of Fort Worth, Ruben of Amed, Neb., Charles of Midland, and E. T. Ransom of Dallas; three daughters, Mrs. N. J. Phillips of Indian Gap, Mrs. L. A. Franklin of Dallas, and Mrs. Earl Florie of Cisco; three brothers, Ben of Brady, W. S. of Menard, and Henry Ransom of Ranger; and two sisters, Miss Philo D. Ransom of Brady and Mrs. Annie Kelly of Houston.

### Harrison Rites To Be Held At Ranger Today

John Williams Harrison, 57-year-old Morton Valley grocerman and resident of Eastland County for 28 years who died suddenly at his home Monday night, will be laid to rest in the Evergreen Cemetery near Ranger this afternoon.

Funeral services for the Eastland Countyman who owned and operated a grocery store in Ranger for 11 years prior to moving to Morton Valley in 1945, will be held at the First Methodist Church in Ranger this afternoon at 2:30 o'clock.

The Rev. Garland Lavender, pastor of the church, and the Rev. W. C. Simpson, formerly of Morton Valley and now pastor of the First Baptist Church of Starns, will officiate during the rites. Killingsworth Funeral Home, Ranger, is in charge of arrangements.

Mr. Harrison was born in Oklahoma on May 30, 1895, and on July 17, 1926 he and the former Miss Annie Pearl Glanton were united in marriage at Desdemona.

Pall bearers at the funeral today will be D. D. Franklin, C. T. Brookman, John H. Nix, F. E. Tankersley, H. C. Thompson and C. B. Harris, all of Morton Valley.

Survivors of the deceased include the widow of Morton Valley; two sons, John Mack of Morton Valley and Bobby Gene of Kermit; two sisters, Mrs. F. D. Harrison of Caddo and Mrs. Sam Jones of Rising Star; and one brother, O. A. Harrison of Carbon.

### We Apologize!

A thousand apologies to our readers.

Your newspaper was late Wednesday. And we weren't exactly proud of its appearance.

However, for the past two weeks, machinists have been giving our duplex press—in between daily runs and on weekends—a much-needed overhaul. Most of the mechanical details have been completed and the reconditioning is nearly complete except for several important adjustments and necessary regulations which are in progress of being made.

So shortly, if you'll continue to bear with us, you may expect your newspaper to be well printed and up to our usual high standard.

Thanks to all for your cooperation—and your understanding.

### RIC Students To Elect Queen This Afternoon

Ranger Junior College students today will ballot to elect their Homecoming Queen for 1952.

Identity of the co-ed who'll be honored this year will probably be known later this afternoon.

The Homecoming Queen's coronation will proceed the kickoff of the big 1952 Homecoming football game, a Pioneer Conference battle, between the Rangers and the Tarleton State College Plowboys at Bulldog Stadium in Ranger Saturday night.

The junior collegiate grid clash is slated to get under way at 8:15 p.m.

The 1952 Homecoming, sponsored by the Ex-Students Association, will open Friday night with a banquet at the Gholson Hotel. Highlight feature during the day Saturday will be a gala downtown parade at 4 p.m.

### Dry Weather To Continue

The mercury in the Eastland County area skidded down into the mid-thirties during Wednesday's pre-dawn hours, but warmed up slightly by noon today. At 8 a.m. the mercury reading was 41 degrees.

In the meantime the area continued in the grip of a drought that has parched crops and cut water supplies to dangerously low levels.

Continuing fair skies and no rain were forecast by the weatherman at noon today.

### REPORTER FINDS ANSWER—

# Adlai Has Victory Won, It Says Here

By GROVER LEE  
Who Should've Stayed Home Saturday Night

"Well, what do you think about the election?"

Or—

"Do you really think Ike can win on Nov. 4?"

Or—

"Can Stevenson carry Texas with many of the state's top Democrats backing the Republican nominee?"

That sort of jabber—strictly American political palaver—began to wag tongues last summer after both major parties completed their inner-party harangues and finally emerged with their respective presidential nominees, Dwight D. Eisenhower for the Republicans and Adlai Stevenson for the Democrats, in power for 20 years and currently holding forth in the nation's capital.

And as election time—Tuesday, Nov. 4, just two weeks away—draws nearer, speculation mounts. So now the coming presidential battle and its outcome is the No. 1 topic of the day everywhere, in drug stores, in dry goods emporiums, on street corners, in church foyers, in theatre lobbies, even coffee cups, work benches, desks and canasta tables.

Being a working (using the term loosely) newspaperman, we hear it, see it and read it hour after hour every day. It jumps from the front pages of the several gazettes which hit our desk and we scan thousands of words of political news copy that pour in on our United Press wire.

So by the day's end, obviously and understandably, we're mighty weary of politics.

And usually we seek escape from reading almost anything—running the gamut from light humor and private eye opuses to long-haired literature, the latter but seldom.

At least once a week we manage

to slip in a visit to the heavily-stocked newsstand in the Connellee Hotel building in Eastland. We browse around, leer, look and squint like a woman trying on a dozen hats, finally make our selections—and that's our reading stock for the week.

Saturday night, right on schedule, we sauntered in and looked around.

And the friendly woman behind the cash register asked us how we liked the weather. We told her it was fine.

Then came the inevitable. The always inevitable, "Well, how's the election coming?"

We bent around the bush with half a dozen mumbled words. Shucks, we know about as much of politics as we do the unpredictable mind of a green-eyed blonde. Sort of confused. And we've a suspicion our ignorance is dyed-in-the-wool.

But back in our feeble brain we kept toying with the thought of how nice it really would be to know the answer to the proverbial election-question stumper.

If a guy just knew the answer to that one—

**ADLAI STEVENSON**  
No wonder he's grinning—a two-bit astrology magazine says he's got the Nov. 4 presidential election in the bag!

Our optics roved over row after row of feminine torsos and magazine titles and paper-backed novels of plander, passion and private eyes.

Then—

We held our breath. The words on a simply designed blue and white cover jumped at us, caught our attention.

They screamed—

"WHO WILL BE PRESIDENT? Astrology Answers a Waiting World."

We grabbed it off the rack.

"Here," we said to the gal behind the counter as we fished a quarter out of our pocket. "I've just bought the biggest bargain in the U. S. today!"

We moved over into a convenient corner and began thumbing the pages.

There was a bunch of Greek—to us—about the old Saturn and the new Uranus. And it said that these planets conjoin only about every 45 years—and then blooey. "The actual square of Saturn and Uranus takes place Oct. 15 with Saturn lying in the Sign of the Balance, Libra, and Uranus lying in the Home Sign, Cancer."

A few paragraphs later it said that "Dwight D. Eisenhower is October born with his Sun, Mercury, and Uranus in Libra." Whatever that means.

And "Adlai Stevenson is February born with his Sun, Mercury and Mars in Aquarius."

Still gibberish to us.

But we kept reading—hot on the trail of the answer. We hoped it would be understandable, concise and in plain old English.

This paragraph told us we were near the climax:

"It is usual for astrologers to consider the exact time when nominations are granted by conventions. In this way two charts of exact timing can be compared. The nomination for Eisenhower shows Libra ascending, while that of Stevenson shows Taurus rising. Saturn lies near the ascendant of

# 300 Attend TESCO Banquet At Eastland

By RAY B. McCORKLE

Texas Electric Service Company's Presentation Dinner, honoring members of the Quarter Century Club, was held in the Eastland School Gymnasium Tuesday evening, and was attended by more than 300 individuals.

The great group was composed of officials, workers and other of the Texas Electric Service Company, members of the press, and others.

This is an annual affair, and one that will always be remembered. Nothing was half done in order to make it the success it was, and no expense was spared.

Buck Pickens of Eastland acted as toastmaster and in his own affable manner put everybody at ease, and prepared them for the enjoyable hour still to come.

Naturally, the first thing was the dinner which was served cafeteria style, and price was no object when the menu was planned. It consisted of Eastland County Barbecue Turkey, spiced peaches and crab apples, whole green beans, olives, giblet gravy, candied sweet yams, vegetable strips - assorted, pickle, French bread, fruit sundae cup, coffee, milk and soft drinks. The dinner, of course, did not go begging, but rather, was greatly enjoyed.

J. B. Thomas of Fort Worth, president of the company, was introduced by Mr. Pickens, and in his own inimitable style, Mr. Thomas told the hearers of the water problems in West Texas, along with some things about the progress which is being made by his own company. The past year has been a good one, he said, and it was all the result of the imagination of men who had been, and still are, looking into the future.

Utility companies can grow only with the assistance of others, though they may lead in this growth. That is why the Texas Electric Service Company is interested in water. They want to see our soil built up, and protected from the ravages of erosion. He mentioned East Texas farms he had known in bygone days, that once produced a bale or more of cotton per acre. But from the lack of proper care many of these farms have been washed away, and today they do not produce more than one fourth that amount.

At the conclusion of Mr. Thomas' address he presented watches to eight new members of the Quarter Century Club. They are as follows: Raymond Alvarado, G. A. Barker, J. L. Kuhn, C. L. Little, Wayne Caton, J. L. Funderburgh, S. B. Harrison and J. M. Taylor. These men are all of the Eastland area, and have been employed by Texas Electric Service Co. for 25 years.

After the awarding of watches the toastmaster introduced the speaker of the evening, Dr. James W. Fifield, Jr., of Los Angeles, California. Dr. Fifield is a dynamic speaker, a Congregational minister, and was master of his subject, "What Can I Do To Help Save Freedom?"

The speaker has visited many sections of the world, and is fairly well acquainted in China, Russia, Switzerland, England and other nations, and has been associated with numerous outstanding American citizens.

His address was based, in a general way, around what might be "God-fearing Christian Faith" and he is alarmed with our present day situation.

He feels that certain national leaders are largely responsible for the predicament we are now in, and that some of them are too close to Communistic influence.

In simple words he let it be known that the Korean war is not what we may have been thinking it is, and that it is useless and unnecessary, and a war we can not hope to win. He told of restrictions our fighting forces must face, and of the low morale over there.

Governments that govern the least are the successful ones, implying that we have too much centralized government power at this time. Americans do not go in for regimentation, but covet freedom and free enterprise. There is a lot of trouble in this world today, he said, and even though we do our best to combat the evil forces, victory has not been assured.

It is the violation of our natural laws that causes this trouble, implying that men have undertaken to substitute man-made laws for the natural, God-given laws.

(Continued on Page 3)

### New Dodge Car Shows Many Drama Changes; Motor Listed At 140 H. P.

The most dramatic changes in the 38-year history of Dodge passenger car will be unveiled here Thursday, October 23, when Dodge Division of Chrysler Corporation introduces its sensational 1953 "action car."

The new, completely restyled Dodge with a powerful 140-horsepower Red Ram V-Eight engine goes on display in the showroom of McGraw Motor Co.

Sweeping changes in both styling and chassis, features plus the unprecedented efficiency of the new engine were announced by L. E. McGraw Motor Co.

New beauty and smooth flowing effect were achieved, McGraw revealed, by favoring the lower, softer lines and increased glass area with a touch of continental design. These attractive styling changes are being offered in the entire 1953 Dodge line which consists of 10 different models, McGraw said.

The 140-horsepower Red Ram V-Eight engine is featured in the Coronet series, while the popular and dependable six cylinder engine is retained in the Meadowbrook and Meadowbrook Special series. The Wayfarer is not included in the 1953 Dodge line.

The highly-touted new Dodge Red Ram V-Eight engine is compact in size and light in weight. It produces more horsepower per cubic inch of displacement than any other automobile engine in volume production today.

Dodge's efficient new power plant is based on design principles used in high output aircraft engines. Its horsepower is 140 at 4,400 r.p.m. Displacement is 241.1 cubic inches. It develops this high power output on regular grades of fuel despite its high-compression ratio of 7.1 to 1.

Outstanding features of the Red Ram V-Eight engine are its highly efficient hemispherical combustion chamber with centrally-located spark plug, an ingenious lateral valve arrangement, and a "square" design with exceptionally short stroke and large bore.

More than a dozen other major changes were listed by McGraw.

"Body beautification and the Red Ram engine are definitely highlights of the all-new 1953 Dodge," McGraw declared. "But there are many other significant features such as the wide choice of transmissions. And there is a new steering ease and maneuver."

(Continued On Page 3)

### Rangers Prep For Plowboys

Things aren't exactly rosy today out at the grid war camp of Ranger Junior College's Rangers.

The injury epidemic, which has plagued the Purple & Whites since the season's start in mid-September, is still an ominous threat.

Latest victim is Buddy Hamrick, ace quarterback, who is limping around on a damaged foot and ankle. Maybe he'll be ready and maybe he won't—when the kickoff whistle blasts the crisp night air out at Bulldog Stadium in Ranger, Saturday night for the homecoming classic of 1952 which features the Rangers vs. the highly-touted Plowboys of Tarleton State College in a crucial Pioneer Conference contest. Hamrick was hurt in the fourth quarter of the non-conference contest with North Texas State's "B" squad last week.

Stiff daily-drill sessions are continuing out at RJC this week as Coaches Boone Yarbrough and Dick Henderson have been getting their Purple & White machine well-oiled and ready for Saturday night's fracas which is expected to be witnessed by the largest stadium crowd of the year.

Kickoff time is 8:15 p.m. sharp. Coaches Yarbrough and Henderson, springing most of their offensive power off the dazzling spread formation are due to announce a tentative list of probable Ranger starters sometime late tomorrow or early Friday.

### Plowboy Starters

- Early today—from Stephenville came this starting lineup for the Plowboys:
- Left end—(88) Bill Mims, 185, Cleburne.
  - Left tackle—(72) Jerry Barber, 195, Mineral Wells.
  - Left guard—(62) Bob Harden, 170, Fort Worth.
  - Center—(55) Norman Lowrie, 235, Denton.
  - Right guard—(65) Laadie Bitten, 175, Waco.
  - Right tackle—(77) Jim Bomar, 195, Pangald, Ark.
  - Right end—(85) Bill Lutz, 176, Fort Worth.
  - Quarter—(22) Joe Bill Fox, 160, Fort Worth.
  - Left Half—(50) Guy Hill, 165, Grandview.
  - Right half—(29) Walter Bryan, 170, Olney.
  - Fullback—(19) Franklin Earnest, 170, Breckenridge.
- As Pioneer Conference teams turn their attention to the league title chase this week following a record of 20 victories and 6 defeats with non-loop competition, the Arlington State Rebels stand out as the leading offensive team (Continued on Page 2)

### Legionnaires Of Eastland Attend Hamilton Meet

A delegation of Legionnaires from Eastland, composed of Henry Pullman, Earl Francis and Burl Lee, and Berry Greenwood of Carbon, attended the 17th District American Legion convention held in Hamilton Sunday and Monday of this week, according to F. L. Plock, post commander.

The local post was commended for the good work it is doing, and for its large membership. It will be remembered that the Legion is now in the midst of a membership drive which will close Nov. 11.

the Republican nominee, while Jupiter lies near the ascendant of the Democratic candidate. If there were only these two factors to be considered one might judge that the person with the Jupiter favored ascendant would win, but on the other hand one can but notice that the nominee of the Democratic Party has practically every planet below the horizon, so that one would feel that there is something ineffectual about their publicity campaign. The Republican

nominee has the Sun and Venus favoring his 10th house—the house assigned to public honor. If the elections could have been held close to the nomination date there is no doubt but that the general election would have been sure. The nomination chart shows that his popularity tends to decrease somewhat towards late October, thus the Republican Party cannot afford to relax in their efforts if they wish to win. The transit of Saturn close to the general's Sun warns his party against being too sure. Only strenuous campaigning can overcome the effects of Saturn.

of the league with a total of 2,177

net yards gained from scrimmage. The Rebels lead both in running and passing. In six non-Conference games they have piled up a total of 1,891 yards running and 786 yards passing for an average of 363 yards gained offensively per game.

**Rangers Lead Defense**  
The Ranger Junior College Rangers are the leading defensive team allowing six opponents a total of 32 points. The Ranger defensive platoon has intercepted a total of 22 passes.

Bud Hamrick of Ranger is now leading the league in running with 53 carries for 356 yards, an average of 6.7 yards per carry. He is trailed by Gene Henderson, San Angelo, quarterback, who has a total of 387 yards in 49 carries.

Arlington State's big quarterback, Sam Howard, still leads the passing department by a handsome margin. He has completed 42 of 95 passes for 735 yards, an average of 19 yards per completion. Runner up is Bobby Bowmer of Schreiner who has completed 31 of 65 passes for 382 yards.

Kenneth Vavra of Arlington State continues to pace the field in pass reception. He has caught 9 for 246 yards, an average of 27.4 yards per catch. His nearest rival is Jubs Hecher, San Angelo, who has caught 14 pitches for 291 yards.

Leading the Conference in punt line is Joe Bill Fox of Tarleton State who has kicked 20 times for

796 yards, an average of 39.8 yards per punt.

Gene Henderson, San Angelo, Cozy of ASC leads in punt re-

quarterback, leads in kick-off returns, 5 for 165 yards, an average of 33 yards per return. Johnny

Kenneth Vavra of ASC continues to be the leading scorer with 5 touchdowns and 21 conversions for 51 points.

### Obituary Column

#### IN MEMORIAM

Honorable John Williams Turner Resolution of the Eastland County Bar Association

John W. Turner passed away at his home in Eastland, Texas, September 24, 1952. He was born in Hillsboro, Texas, December 12, 1886. In 1927 he was married to Miss Margaret Ragland of Paris, Texas. There was born to them a daughter, Miss Jeanne Turner and two sons, Jack Turner and Dick Turner all of whom survive. He attended the Hillsboro high school and the University of Texas, graduating from the law school of the University in 1910. While attending the University he was a member of the Phi Delta Phi legal fraternity. As a young man he was a member of the Texas National Guard.

He was a member of the Eastland County, Texas and American Bar Association. He had served as City Attorney of Eastland, Commander of the local American Legion Post, Chairman of the Board of Trustees of the Eastland School District and Chairman of the draft board during World War II.

In 1919, he began the practice of law in San Antonio, where he was a member of the Order of the Alamo. In March, 1918, he enlisted in the U. S. Army. He received an officer's commission during World War I. While in the army, he met Hon. Virgil T. Seaberry, Sr. At the close of the war they came to Eastland and formed a law partnership, known as Turner and Seaberry, and they practiced law together continuously until his death, a period of nearly 34 years.

John Turner was a great student of the law. He enjoyed the respect of the Judges before whom he appeared and the admiration of his fellow lawyers. As a lawyer, he was thoroughly familiar with the law of his case, courteous, gentlemanly and sincere. He was a successful lawyer, who will be missed by the Bench and Bar of Texas, by his clients and many friends. But, he was more than a great lawyer. He was always a gentleman. He was a courtly and cultured Christian gentleman. He lived a strenuous but pure and blameless life and there was never need to defend his conduct.

Your Committee recommends that copies of these resolutions be presented to Mrs. Turner and the children and to the survivors of his law firm, and request that the 91st District Court and the Court of Civil Appeals of the Eleventh Supreme Judicial District of Texas order these resolutions placed on the minutes of said Courts.

Clyde Grissom  
George W. Davenport  
B. W. Patterson  
Committee.

The foregoing resolutions are ordered entered on the minutes of the 91st District Court.

George W. Davenport  
District Judge.

The foregoing resolutions are adopted and ordered entered on the minutes of the Court of Civil Appeals.

Clyde Grissom,  
Chief Justice.  
Milburn S. Long,  
Associate Justice.  
Cecil C. Collins,  
Associate Justice.

### NEW DODGE—

(Continued From Page 1)

Dodge windshield has a more uniform curvature, eliminating much of the distortion normally associated with curved windshields. Total glass area has been increased by 4.7 percent to 23.7 square feet. Ornamentation on the 1953 Dodge has been completely changed. The hood is one-piece without a center-crease. In order to retain some continuity of Dodge identification, the grille styling, while entirely different from 1952, still incorporates a touch of the previous model. To promote greater engine efficiency on V-Eight models, the hood medallion combines identification with the functional feature of an air scoop to supply cooler air for the carburetor.

The rear-end styling of the 1953 Dodge has a low, sleek continental appearance. Unusual features include a stern-side gasoline filler pipe cap, mounted directly below the left-hand corner of the trunk lid. Counter-balanced trunk lid hinges are further apart to avoid squeezing baggage. For ease of operation and greater convenience,

a push-button lock is part of the deck lid. The lid can be closed without locking.

In keeping with the trend toward sports cars, Dodge will offer wire wheels and a continental-type rear mounting on the Diplomat hardtop at extra cost.

No easy-to-operate pull-type door handles retain rotor-type latches. On the inside there is a redesigned instrument panel with new style control knobs. Interior styling on all models is highlighted by new fabrics with smart stylist patterns for seat cushions. Door panel trim has a new, modern touch. Both hiproom and headroom have been further increased. Vent-wing latches are redesigned for easier operation.

A wide range of bright, new colors and two-tone combinations are available to complement the beauty of the 1953 Dodge.

# SATURDAY IS DEADLINE FOR PURCHASE OF TICKETS FOR RJC GRID TRAIN TO ARLINGTON

Round-trip tickets for the special train scheduled to carry area football fans to the Pioneer Conference grid clash between the Ranger Junior College Rangers

and the Arlington State College eleven on Saturday, Nov. 8, are on sale at the Chamber of Commerce office in Ranger.

Final deadline for purchase of the train tickets—priced at only \$3.16 round-trip with tax included—is Saturday.

The train is scheduled to leave Ranger Saturday, Nov. 8, at 12:45 p.m. It will arrive in Fort Worth at 3 p.m., depart half an hour later and arrive in Arlington at 3:50 p.m.

The game is scheduled for 8 p.m. The train will return to Ranger following the game. However, departure will be delayed while members of the Rangers grid squad dress and eat following their Pioneer Conference bat-

tle. It is expected that the special will have at least 275 passengers will arrive in Ranger Saturday at about 2 a.m.

Approximately 100 college students are expected to ride the special train, it was reported today. In addition, there'll be 50 musicians, members of the Ranger Junior College and Ranger High School bands, aboard.

H. C. Henderson is general chairman of the special train arrangements which were completed during a joint meeting of the Ranger Chamber of Commerce directors and members of the board of regents of Ranger Junior College Monday night.

R. V. Galloway, secretary-manager of the chamber, is in charge of the train ticket sales, and President Grover C. Boswell and W. W. Smith of Ranger Junior College will handle ducaats at the college.

Alvis Woods is in charge of arrangements for raising funds for transportation of the band groups aboard the special.

Unless at least 275 reservations are secured on or before Saturday, Galloway said, it will be necessary to cancel plans for the special train.

Present at the Monday night session was Charlie Joe Owens, C of C president, who presided, James Ratliff, B. A. Tunnell, Dr. Boswell, Carl Page, Wood, Henderson, A. W. Warford, Pete Brashier, Dave Pickrell, E. F. Arterburn, T. C. Wylie, Buck Wallace, Morris Newnam, Galloway and Coaches Boone Yarbrough and Dick Henderson of Ranger Junior College.

# 38 RHS Band Members Enjoy Trip To Austin

Thirty-eight members of the Ranger High School band attended the 17th Annual Band Day at Austin Saturday.

The RHS bandsters, led by Band Director Fred Steffy, left aboard two school buses Saturday at 3 a.m. and arrived in the state capital city at 9 a.m.

A total of 139 junior and senior high band units from all sections of the Lone Star state were in Austin and participated in the big music meet, an annual affair.

During the day, the Ranger high schoolers participated in the big downtown parade and saw the University of Texas Longhorn grid machine in action at Memorial Stadium.

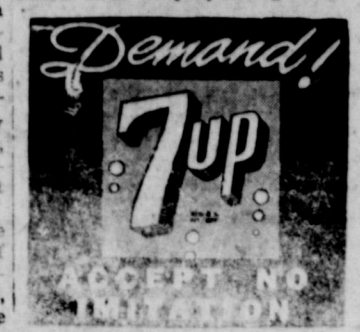

They also enjoyed a tour of the state capital building, had a picnic lunch on the grounds, visited the University of Texas campus and were conducted through the interesting Texas Memorial Museum.

Band members making the trip

included Luwain and Patsy Shaffer, Shirley Wagner, James Grice, Cynthia Hull, Donnie Doolley, Duke Dixon, Jerry Bob Greer, Billie Fox, Kay Vaughn, Stan McAnally, Ann Doris, Donna Blackwell, Rosa Morales, Madeline Bond, Diane Edwin, Claude Koenig, Barbara Long, Margaret Melinda Hedham, Sonny Needham, Delores Cox, Mary Lou Wright, Carol Weaver, Johnny Gay, Joe Charles Lawson, Barbara Nichols, Dorothy Needham, Paul Reed, Billy Mack Nichols, Jimmy Don Foster, Ray Falk, Elpidia Gonzales, Caroline Flores, Acker Everett, Robert Maddox and Patsy Entler.

Chaperoning the group were Mr. and Mrs. Raymond Long of the school board, Miss Betty Pemele of the high school faculty, Band Director Steffy, and the bus drivers, Lynn Gentry and A. G. Koenig.

Right down to the smallest model  
**Only GMC builds 'em "Big-Truck" rugged!**  
GMC is the only manufacturer to engineer its lightest-weight models with all five of the "heavy-duty" features most other manufacturers reserve for "big trucks only."  
Even in the lightest GMC pickup truck, you'll find a sturdy truck-built engine protected by many of the same extra-value features that go into the big 200-horsepower GMC's: Tocco-Hardened crankshaft, airplane-type main and rod bearings, full-floating piston pins, rifle-drilled connecting rods and full-pressure lubrication all the way to the piston pins. There's the same "extra" engineering that means extra years of trouble-free service in the chassis, too—a deep, rigid frame riding on long "pillow-action springs," and real "truck-size" brakes that respond to a nudge of the pedal.  
Why not come in and drive one? Even the steering mechanism—which operates in a bed of recirculating ball bearings—is the best in the business. Whatever size truck you need, you can't beat a GMC!

**300 Attend—**  
(Continued From Page 1)  
The speaker is really alarmed, and did not try to hide the fact. He feels that certain powers that be, have double-crossed some of our friends and allies—that they sold China down the river and delivered that friendly empire into

the hands of Communist Reds. He was very frank when he said that our State Department was directly responsible for this betrayal.

This is a perilous hour and it will take men of the Lincoln and Jefferson type to save us in our extremity of peril, was his view. He also fears that America's moral attitude needs bolstering, for we are becoming too prone to take the easy route, rather than demanding right and justice. He stated that America moral stamina is at the lowest ebb since the days of Carpet Buggers.

Dr. Fifield suggested that possibly our leaders who serve as referees, may be playing on the other team.

He told of Freedom Clubs, now being organized all over the land, who are insisting on better government. They do not promote the activities of any political party. These clubs operate on the basis of Freedom under God, and not on the basis of party endorsement. Edwin Burke was quoted: "All that is necessary for the triumph of Evil is for good men to do nothing." He warned us to make our decision now. And in this perilous hour we should return to the Natural Law and believe in God.

**BREAK THE STRANGLE HOLD**

Our nation is caught in the coils of a giant monster whose greedy, grasping tentacles reach into every corner of our land. Today, in place of government of the people, by the people and for the people, we have government by crook and crony—government of a rapacious political monopoly infested with crime, corruption and communism. The record is plain for all to see—blunder on blunder—waste upon waste—scandal after scandal. Despite high-level white-washes and cover-ups, corruption has even been traced to the executive office of the White House itself. Never has our country been taken over by such a crowd of bunglers, spenders, traitors and wasters. These graduates of the most corrupt political machine in the history of any State have transferred Pendergast politics to the national level. The mink coat and the deep freeze have become the symbols of the miserable mess in Washington. Never in our history has an administration been guilty of such dastardly and wholesale

abuse of Federal power for personal and private gain. Worst of all is the record of the tax-collecting agency—the Bureau of Internal Revenue. With total tax collections reaching an estimated total of close to \$90 billion this year—with pay envelopes being tapped by the tax collectors for \$1 out of every \$4—the public has a right to expect that the men who collect these taxes will be above reproach. Instead—thanks to the efforts of Congressional investigators—the public is learning the truth about the present Administration's tax collections: how knowing the right people, or greasing the right palms magically ends the tax troubles of those "in the know"—not forgetting the syndicate gangsters who got away with tax "settlements" of 11¢ on the dollar. Already eight tax collectors and nearly two hundred assistants have been indicted, jailed or forced to resign. And sordid new scandals continue to break almost daily as tax-collecting officials are exposed with their hands in the taxpayers' pockets.

**What Can You Do About It?**  
You must realize that the mess in Washington cannot be cleaned up by the handpicked candidate of the present Administration. Actually, no Democrat, regardless of his intentions, can do a thorough job of rooting out corruption throughout the octopus of Federal bureaucracy. There will always be certain "untouchables" in his party who will not be dislodged. What our country needs to break the stranglehold is a brand-new Administration—an Administration free of any ties with entrenched corruption. What we need is a clean, efficient, business-like Administration that will cast out the incompetent, the unfit, the cronies and the chiselers—an Administration that will restore honesty and integrity to our Government. What we need is an overwhelming vote on November 4 for Dwight D. Eisenhower, Richard Nixon and the complete Republican slate.

**SHULTZ STUDIO**  
EASTLAND

Mrs. W. P. Leslie, president, presided and opened the meeting with the ensemble singing of the National WSCS hymn, "The Kingdom Comes," with Mrs. L. C. Brown at the piano.

Mrs. James Horton announced that next week's meeting would be the "Week of Prayer Service" and had been scheduled for 7:30 p.m. Monday, instead of the usual 2:30 p.m. meeting.

Members of the "Lamplighter's Circle" will participate in the program, which is under the di-

rection of Mrs. Ina Bean. Special music will be presented by Mrs. Don Doyle.

Mrs. J. A. Doyle and Mrs. A. E. Cushman were presented on the afternoon program. Mrs. Doyle gave the devotional and Mrs. Cushman talked on "Respecting the Minority."

Mrs. Anderson told a story on "Brotherhood" taken from the Readers Digest.

The service was closed with the "Lord's Prayer" repeated in unison.

Present were Meses. Bean, Anderson, Doyle, Horton, Milburn S. Long, T. L. Fagg, Ora P. Jones, A. E. Cushman, Lane, Leslie, Harrell and Brown.

## Hospital Report

Patients in the Eastland Memorial hospital are Mrs. J. Morris Bailey, Mrs. James Ward and Mrs. F. A. Phillipsbaum, 1413 South Seaman, all surgical patients.

Recently dismissed were S. S. Faircloth, Jr., Charles Douglas Brinkley, seven-year-old son of Mr. and Mrs. J. I. Brinkley; Cecil Funderburg, accident; G. W. Seaborn, accident; Mrs. Bob Blair DeLeon, surgical; E. A. Rollins, Breckenridge, surgical; Mrs. Lucy Gristy, accident; Mrs. Irene Hena, medical; and Mrs. E. R. Trout, surgical.

## LOOK WHO'S NEW

Mr. and Mrs. Trufan Brown of Eastland have announced the birth of a baby girl born October 20 at the Ranger General hospital. The baby, named Carol Nan, weighed six pounds and ten ounces.

Mr. and Mrs. Durwood Wheat of Ranger are the parents of a baby girl born October 20 at the Ranger General hospital. The baby, named Carol Nan, weighed nine pounds and one ounce.

Mr. and Mrs. Truman C. Brown, 214 South Nebbett are the parents of a daughter, born Sunday, Oct. 19, in the West Texas Clinic in Ranger.

She weighed six pounds and 10 ounces and has been named Nida Ann.

Mrs. Brown is the former, Miss Alline Reuser of Ranger. Grandparents are Mr. and Mrs. J. F. Reuser of Ranger and Mr. and Mrs. George Parrock of Eastland.

## Union Center HDC Reports Active Monthly Meet

Two new members were welcomed into the Union Center Home Demonstration club at their meeting Oct. 17, in the Union Center Home Demonstration Club house. They are Meses. W. A. Stewart and G. Stephenson. Mrs. Stephenson is a newcomer to the community.

Mrs. B. H. Hearren, chairman, presided during the business session during which the club voted to assist the 4-H club in their financial project. She presented Miss Mildred Daniel, home demonstration agent, who demonstrated the matching of plaids and stripes. She also showed the group how to "slip baste". She demonstrated the different type of plaids and stripes suitable to the different types of figures.

## Las Leales Club Studies Politics At Their Monday Evening Meeting

"The American Way" was studied by members of Las Leales Club at their meeting Monday evening at the Weman's Club.

Miss Eunice Nall was hostess and introduced Mrs. Don Parker, who spoke on "Woman's Role in the Political Scene" and Mrs. Guy Patterson, who talked on "Prominent Women in American Life."

Mrs. Patterson told of the lives of Mrs. Eisenhower and of Mrs. Elizabeth Ives, sister of Gov. Adlai Stevenson, and of their part in the presidential campaign. Mrs. Parker told of the importance of women taking part in the political world and gave statistics on the decline of the voting population of the nation.

Roll call was answered with "Selling America Short" and consisted in portraying the many ways in which we fail our government daily.

Mrs. H. L. Hassell, president, presided and the group voted to provide a box of clothing to be sent to the Austrian orphans in cooperation with the Texas Federation of Women's Clubs.

Other members present were Meses. Anna Grace Bumpass, F. P. Hanna, Hozace Horton, I. E. Luckabay, Rudolph Little, Wendell Siebert, Joe Sparks, Thurn Taylor, W. Q. Verner, Hubert
