

Eastland county people are consuming more beef today than they have for several years, and from the best we can learn, this will also apply to the nation as a whole. Fact is the President of the American Meat Institute says "Americans are eating more meat now than at any time in history."

This is a reflection of current record beef supplies, and the figures are impressive. During the first half of the year, per capita consumption amounted to 74 pounds on an annual rate basis. This compares with annual rate basis of 58 pounds during the same period last year, and is slightly above the record rate reached way back in 1909.

Total meat production for 1953 is forecast at the huge figure of 23,700,000,000 pounds which includes an 18 per cent increase in beef and veal production over last year, along with a 10 per cent pork decline. And the outlook is still for further increases in total production in 1954.

This is good news for the consumer — we are a nation of meat eaters, and medical research has proven that a diet with a high meat content has a definite favorable bearing on mental and physical vigor so far as a majority of people are concerned.

This is a great change-over, but it will be noted that most real livestock producers have shown no inclination to ask for government aid. They realize that the long-term interests of all will be served best by a free market.

### Oil Patch Reports—

## 4 New Tests Are Announced

### Rockets Win In Clash With The Olden Hornets

Don Pierson's Rockets, Eastland, defeated the Olden Hornets in a 7-inning game Tuesday evening, with a final score of 7 to 5.

This was the Hornets' first game for the season, and lack of experience showed up very heavily at times. Rockets took advantage of this lack of experience all the way through the game, though the Hornets kept them interested all the time.

It was a pitcher's duel for the first five innings, when Smith gave way to four runs, putting the Hornets in the lead by a score of three and five. This lead did not last long as Rockets rocked back to take the lead with a score of 7 to 5, in the last half of the sixth. They held this lead for the remainder of the game.

Carroll Nelson was on the mound for the Hornets and Smith for the Rockets.

### 199 New Oil Wells Finished

Oil and gas drilling declined in Texas last week, but oil discoveries increased.

The Railroad Commission reported that 199 new oil wells were completed during the week, 63 more than the week before. New fields increased from ten to fourteen. Wichita Falls district office reported six successful oil wildcats.

Gas completions dropped from thirty to four, with one successful exploration in the Panhandle.

Oil drilling requests decreased from 398 to 370 for the week.

The addition of two days to the July schedule of nonflaring wells in the Spraberry field helped boost the average daily allowable.

The quota increased 19,836 barrels daily, to average 3,146,576 barrels. About 15,000 barrels of this gain was assigned to the Midland and San Angelo districts.

### Emergency Funds Are Available—

## New Loan Plan Is Explained By Benson

The Eastland County unit of the Farmers Home Administration of the U. S. Department of Agriculture today issued a detailed emergency loan program to aid drought-stricken farmers and stockmen.

The emergency loan plan as offered as a result of new legislation is explained thus:

Methods of making emergency livestock loans to farmers and cattlemen who need Federal credit to buy feed and pay operating expenses were outlined today by Secretary of Agriculture Ezra Taft Benson. The special loans were authorized by Congress in new disaster credit legislation approved by President Eisenhower. This credit will be extended only to established producers and feeders of cattle, sheep and goats, who have a reasonable chance of working out of their difficulties but cannot obtain the funds they need from private or cooperative credit sources. Loans will not be made to enable a man to go into the livestock business or to carry on commercial feed lot operations.

Heaviest demand is expected in the drought-stricken Southwest, but loans to cattlemen are not limited to the disaster area.

Application blanks will be available from the Farmers Home Administration offices within a few days. In areas of heaviest demand, banks, production credit associations, national farm loan associations, as well as the local offices of the FHA will have the blanks. All applications will be passed on by special livestock loan committees to be appointed by Secretary Benson.

Four new tests in the area highlighted today's oil news.

An Eastland County wildcat location has been set three and one-half miles northeast of Desdemona as Panuco Oil Leases, Inc., of Houston No. 1 S. D. Howard.

The test is scheduled for 3,500 feet and will be put down with rotary equipment.

Location is 550 feet from south and 740 feet from east lines of V. Souza Survey.

Spotted as a wildcat 11 miles west of Graford, in Palo Pinto County, was Dr. L. J. Hartnett of St. Louis, Mo., No. 2 E. P. Costello.

Contracted for 1,800 feet with rotary, site is 4,700 feet from the southwest and 2,650 feet from the southeast lines of Peter Miller Survey, A-312.

Location for a 4,000-foot rotary wildcat was set nine miles southeast of Breckenridge in Stephens County as Henry A. Robinson, Breckenridge, No. 1 Dalton Williams.

Drill site is 931 feet from the south and 362 feet from the west lines of Section 8, Block 6, T&P Survey.

In the regular field seven miles south of Caddo, G. B. Butterfield of Olney No. 1 Frank Bargsley is a 2,800-foot rotary try.

Location is 350 feet from the south and east lines of the north-south and east lines of the northeast quarter in Section 68, Block 6, T&P Survey.

**PROPERLY TITLED**  
HARTFORD, Conn. — Patrons at a local movie were forced into the street when a defective oil burner in the boiler room filled the place with dense smoke. Forty minutes later, they returned to see the rest of the movie, "Trouble Along the Way."

**CANDLE GUESS**  
PEERWICK, Pa. — Mrs. Angelo Magrone is the recognized authority here on burning the candle—at least at one end. Her guess of 138 hours five minutes was right on the nose in a contest to determine how long a giant candle would burn. The candle was lit in honor of the 50th anniversary of the Berwick Bank.

### Lions Club Has Good Meeting; Taylor Speaks

Hood King had charge of the program at the Lions Club Tuesday, and he saw fit to bring our new City Manager Taylor along to do the talking.

Mr. Taylor admitted that he was favorably impressed with Eastland on his first visit here, but admits that his fondness has been growing since the City Council named him as city manager.

He has noticed that extra "friendliness" you get in this city, and is thriving on it. Since being here for only a few weeks he had had many office visits from local citizens.

He did not go into detail about the city's future program, but did state that our water problem seems to have been cared for, and that we can expect some paving work in the near future. He mentioned the City Park and said that some improving was being done at this time, and that additional improvements will follow. It is large, attractive and well located and has possibilities, he said.

He complimented both the Police and Fire Department, and stated that members were doing a good job.

His remarks were well received. The editor got the "booby" attendance prize, which turned out to be a gift for the wife. A prize is given each week, and if your name is drawn and you are present you get the prize you may give to the wife. If absent a committee from the club will make the delivery.

Attendance was good and a splendid meeting was enjoyed by all.

### Little Items Of Local Interest

Tuesday was peach day so far as this writer is concerned. During the day three individuals brought in sample peaches, all grown in Eastland county, and they were simply luscious. The largest peach was a Texaberta from the J. E. Spencer farm in Flatwood community.

**WRENTHAM, Mass.**—A truck driver, Al Gilpatrick, won accolade on a traffic charge, thanks to an enterprising photographer who took three-dimensional pictures at the accident scene.

## RODEO OPENS TODAY

### O. O. Mickle Is Heart Victim, Buried Thursday

O. O. Mickle, 63, long-time resident of Eastland, passed away at his home at 4:15 p.m. Tuesday, following a heart attack.

Mr. Mickle was well known in this section, and has many friends who will regret to learn of his sudden passing. He came to Eastland some 25 years ago from Amarillo, and had engaged in the cattle business and farming during the time.

He was a member of the Eastland First Methodist church and the Masonic bodies, including the Shrine.

Funeral arrangements are pending, though services will likely be conducted in Eastland Thursday, with Hamner Funeral Home in charge of arrangements.

Immediate survivors include: His widow, Mrs. Mickle, of the home address, one daughter, Mrs. R. C. Lanford of Temple, and a son, Bill, of Odessa.

### NEWSPAPER ADS GAIN DURING YEAR

National advertising in newspapers will shoot up to an estimated \$600,000,000 this year, according to a forecast made by William A. Green, assistant director of the Bureau of Advertising, American Newspaper Publishers Association.

In a special message to the bureau's 1,099-plus member newspapers, Green said the forecast was based on media and economic conditions "that give us an unusual sense of security as prognosticators."

Pointing to heavy advertising space gains made by newspapers in the first five months of the year, he noted that if the January-May national space sales rate continues through 1953, "we'll strike pretty close to the \$600,000,000 figure, give or take a couple of percentage points." This, he said, would be "far and away" the best newspapers have ever had in national advertising, and "the best any national medium has enjoyed up to now." Last year's national total for newspapers was \$526,000,000, marking the seventh consecutive all-time high mark.

Although he predicted no actual figure for total advertising including national, retail and classified, Greene declared that 1953 revenue would "top by a wide margin" the estimated \$2,300,000,000 invested in the newspaper medium by all advertisers last year.

### State Board Leaves Tax Rate At 42c

The state automatic tax board met Monday and set the state's property tax at the rate already fixed by law.

The rate is 42 cents per \$100 evaluation statewide and 72 cents in 19 counties entitled to a 30-cent remission.

State Comptroller R. S. Calvert, board member, told the board he knew of no way the rate might be reduced. He said statutes control the rates in each of the four categories making up the levy.

The 42-cent rate includes 35 cents for the public free school fund, 5 cents for college buildings and 2 cents for Confederate pensions. The additional 30 cents included in the 72-cent rate is levied for paying off indebtedness on flood control projects and the like.

The tax, which becomes due Oct. 1, will raise an estimated \$26,000,000 to \$27,000,000 for state purposes. Assessments were figured at \$7,277,635,231, up \$185,000,000 over a year ago.

Counties in which the 72-cent rate applies are Aransas, Austin, Brazoria, Brazos, Burleson, Calhoun, Cameron, Coke, Fort Bend, Grimes, Milam, Robertson, San Patricio, Tom Green, Waller, Washington, Jefferson (precinct 2 only), Matagorda (precinct 3 only), and Dallas (Dallas County flood control district only).

### THOUSANDS JAM RANGER FOR OPENING PARADE; SHOW TO OPEN TONIGHT

The big 8th annual Ranger Roundup Rodeo—sponsored annually since 1946 by the Ranger Junior Chamber of Commerce—was formally opened, boisterously and colorfully, this afternoon at 3 o'clock with a gala parade in downtown Ranger.

One of the largest crowds in recent years began pouring into Ranger shortly after noon and by parade time thousands of men, women and children—jammed streets under a sizzling mid-July sun to watch the procession marked with all the color, gaiety and tradition of the old west and of one of the Southwest's most popular of all sports—rodeo!

The big show itself—scheduled to run through Saturday night—opens at 8 p.m. at the big Ranger Jaycee arena located west of downtown Ranger on old U. S. Highway 83. Barring rain, the 1953 RCA-approved presentation is expected to draw a record-breaking number of spectators during the four thrilling performances.

Highlight attraction, in addition to the usual action-packed arena action, will be the "Sons of the Pioneers" radio, TV, movie stars and RCA-Victor recording artists direct from Hollywood, Calif.

In addition to bareback and saddle bronc riding, calf roping, bull riding, steer wrestling, barrel races and cutting horse contests, there'll be extra special thrills, fun and entertainment by John Lindsay, ace rodeo clown and his wonder horse; cowgirls trick and fancy riding by Dorien Morris of Baker, Mon., Ruth Marlam of Ranger and Don Wilcox of Tulsa, Okla.

Homey Todd of Fort Smith, Ark. is producer and stock contractor. And Frank Mariani of Ranger is managing director of the big '53 show.

Chip Morris is the announcer, and music will be furnished by the Ranger High Band.

Officials include George Brown of Eules and G. K. Lewellyn of Hico, Judges: Sig Faircloth of Eastland and Alex Fambro of Breckenridge, cutting horse contest judges. Mary Keeney of Stephenville is arena secretary.

Advance tickets for the show may be purchased at the rodeo ticket office located in the lobby of the Gholson Hotel in downtown Ranger.

Contestants in the first show tonight:

Bareback bronc riding: Bob R. Simms of Santa Rosa, N. M., Leland Maples of Coleman, Harold Watson of Belton, Paul Gould of Sweetwater, Buck LaGrande of Ponca City, Okla., Bob Wegner of Ponca City, Okla., Jack Wilkerson of Bl Reno, Okla., and Les Hood of Killeen.

Calf Roping — Tom Baker of Ranger, Lucien Kruse of Cameron, Jack Riggs of Sanderson, C. C. Evans of Dublin, Edwin Aaron of Eastland, M. R. Kover of Cameron, John Hosea of Haskell, Geo. Brown of Eules.

Girls' Barrel Race — Wanda Harper of Mason, Jo Ewing of Coleman, Jannette Rye of Arlington, Fannie Mae Cox of Spicewood, Sena Barton of Clyde, Betty Lamb of Dallas, Phyllis Lamm of Abilene, Sally Taylor of Brady, Bea Hill of Breckenridge, Billy McBride of San Angelo, and Margaret Ballard of Abilene.

Saddle Bronc Riding — Les Hood of Killeen, Paul Gould of Sweetwater, Bill Federson of El Reno, Okla., Tex Martin of Sanderson, Clyde May of Deming, N. M., Don Federson of El Reno, Andy Curtis of El Reno, L. E. Weakes of Abilene, Alfred Cox of Spicewood, Bob R. Simms of Santa Rosa.

Steer Wrestling — Tex Martin of Sanderson, Les Hood of Killeen, Jake Monroe of Fort Smith, Ark., Bud Hawkins of Dallas, Doyle Cobble of Fort Worth, C. C. Evans of Dublin, Clyde May of Deming, N. M., Jack Wilkerson of El Reno, Okla., James Durham of Pilot Point.

Cutting Horse Contest — A. R. Knight of Breckenridge on Old Taylor, Earl Albin of Comanche on Royal King, and Sue Granger on Sulphur, La., on Eighty-Eight.

Brahma Bull Riding — Jake Monroe of Fort Smith, Ark., Grant Smith of Tahlequah, Okla., Clyde May of Deming, N. M., Harold Watson of Belton, Buck LaGrande of Ponca City, Okla., Bob Wegner of Ponca City, Don Manikin of Coleman, Allen Sparks of Robert Lee, and Les Hood of Killeen.

### Bureau Says Showers Due Eastland Area

Showers were forecast for the Eastland County vicinity today and Thursday, according to the U. S. Weather Bureau.

Partly cloudy skies of warm, moist clouds were forecast by weathermen with widely scattered showers due late this afternoon and tonight. Late afternoon and night rains also have been predicted for tomorrow.

But—it'll be red-hot both days. The maximum mercury readings for today and Thursday are scheduled for between 95 and 100 degrees.

For North Central and West Texas: Partly cloudy Wednesday and Thursday. Widely scattered thundershowers afternoons and evenings. No important temperature changes.

The five-day forecast of the weather bureau today called for locally heavy precipitation from widely scattered thundershowers for West Texas and the Eastland County vicinity through Sunday.

Some areas of Eastland County were sprinkled with very brief showers, netting only bare traces of moisture, late yesterday afternoon.

### Mrs. Vick, 81, Buried Tuesday At Bullock

Funeral services for Mrs. Sallie Louise Vick were held at the Methodist Church in Wingate Monday morning at 10 o'clock with Rev. Paul Hood, pastor, officiating, assisted by Rev. Guy Birdwell, formerly of Wingate and now of Brownwood.

Mrs. Vick, an 81-year-old former resident of Eastland County, died Saturday night at 10:30 o'clock in a Winters hospital. She had been in failing health for some time.

Following the funeral rites, a Wingate, Mrs. Vick was buried in the Bullock Cemetery north of Ranger Monday afternoon following brief services held at the nearby Bullock Church at 3 o'clock.

Burialbearers were Thomas Crawford, Claude Carwile, Jim King, Henry Adcock, Clarence Huckaby, H. L. Bryan, J. D. (Bud) Brice, and H. L. Doggett.

The deceased was born Sallie Louise Morton and was the daughter of Mr. and Mrs. William Marshall Morton, pioneer couple of the state of Alabama. Having lost her mother when a child, she was brought to Texas with her father and other family members and their first settlement was in Lee County. She was later married to Mr. R. A. Vick in Eastland County on August 28th, 1904. The couple lived in that vicinity for the following 18 years, then moved to Merkel, Taylor County. A later location was made at View before moving to the final place in the Wingate community in January of 1934.

Mrs. Vick had been a long-time active member of the Methodist Church and was converted in early childhood.

The companion of Mrs. Vick passed away near Wingate on August 26, 1937.

She is survived by three sons, B. W. Vick of Hale Center, R. A. Vick Jr. and D. B. Vick, both of Wingate; three step daughters, Mrs. E. M. Mansell of Wingate, Mrs. E. M. Collins and Mrs. J. B. Richardson, both of Baldwin Park, Calif.; three grandsons, Carl, Bob and Clifford, including 20 step-grandchildren; also other relatives.

### Truce Will Cut Draft Quotas

A truce in Korea may make it possible to cut draft calls by 5,000 to 8,000 men a month, Defense Secretary Wilson said today.

It would still be necessary to call up between 15,000 and 18,000 a month, Wilson told a news conference, in order to maintain the nation's armed forces at from 3 to 3 1/2 million.

As for prospects of a truce, the secretary said, "I think it looks reasonably good, perhaps as good as it has any time in the past two years."

Draft calls are now running about 23,000 a month. More than 1,450,000 men have been called up since selective service was resumed in September, 1950, soon after the outbreak of fighting in Korea.

Wilson estimated it would be about 90 days after a truce is signed before draft calls could be cut substantially.

THE HISTORY OF THE ABRASIVE INDUSTRY is almost as old as the history of mankind. The cave man used abrasive materials to fashion weapons and tools, according to Electro Refractories & Abrasives Corp.

## Pythian Sisters Conduct Regular Meeting Monday

Pythian Sisters met Monday night at 8 p.m. for their regular meeting at Castle Hall. Mrs. C. L. Noble, presiding officer, announced that the initiation would be postponed due to the fact that the Baptist Youth Revival is being held this week. The new date for the initiation was set for August 3.

The Temple Deputy, Mrs. Bertha Freeman, who was officially introduced, gave a talk to the group.

Mrs. Noble made another announcement for all interested parents to be present Thursday night, 8 p.m., at the City Hall for the purpose of organizing a Youth Center in Eastland.

The meeting closed in ritualistic form with the following members present: Mmes. C. C. Street, Bertha Freeman, W. L. Darr, Myrtle Dry, Bill Coppock, M. L. Campbell, Tim Spurrier, Frankys Flowers, C. L. Noble, Sam Herring, F. C. Williamson, and Guy Robinson.

Mr. and Mrs. W. W. Carney visited their daughter and son-in-law, Mr. and Mrs. E. E. Paschall of Arlington.

### Surprise Shower Honors 3 Zeta Pi Members

Three women, Mmes. Jack Kuykendall, Fehrman Lund, and Burl Lee, were honorees at a surprise baby shower Tuesday evening at a lawn party at the home of Mrs. W. P. Leslie, 507 Hill Crest.

Hostesses were Mmes. J. W. Eidson, John Goode, W. A. Leslie, Percy Ervin, Truman Brown, H. C. Cage, and Jack Germany.

Guests were members of the Zeta Pi Chapter of Beta Sigma Phi Sorority. Honorees had been invited to the Leslie home to attend a "call" meeting of the organization.

Gifts were brought from the house in large white baskets decorated with pink and blue satin ribbons. After the gifts were opened, they were displayed on three tables provided for that purpose. Pink and blue decorations were used throughout.

White cake squares laced with pink and blue rosebud decorations and home-made ice cream were

In Charge  
800 W. 6th St. Cisco

SAUCY SAUCER PILOT—Sky-riding flying-saucer-driver gets a quick look at Eau Claire, Wis., Union High School which leaves him goggle-eyed. Seems so many Earthlings have been spotting saucer-men that the boys who ride crockery through the clouds have become bolder and bolder until now they're brave enough to swoop down and be "pictured" by a gag-loving photographer.

### New Booklets On Dog Care Are Available

Do you know how to train your dog to heel? Treat him for electric shock? Stop him biting the post-man? If your knowledge of these or other dog care and training problems is limited, you will want to get the series of pamphlets prepared by Swift & Company for distribution by veterinarians. Prepared by leading authorities.

WORLD'S LARGEST SELLING MOTOR OIL

W. Q. VERNER  
Phone 64 Eastland

ties in the fields of dog care and training, and veterinary medicine, the series is composed of five folders, each of six pages, illustrated with line drawings and done in two colors. Titles are: "The Care and Training of Puppies," "Your Dog's Care and Breeding," "Your Dog's Obedience Training," "Correcting Your Dog's Bad Habits," and "Keeping Your Dog Healthy."

### "Suffered 7 years - then I found Pazo brings amazing relief!"

Although the series has been out for only a few months, it is already stocked by over 2,500 veterinarians and more than a million and a half of the booklets have been distributed. They are free and in communities where they are not otherwise available they can be secured by writing to Pard Department, Swift & Company, Chicago, Illinois.

Reason for the surprising popularity of the series may lie in its simple presentation. Designed for use by school children as well as adults, the booklets are realistic in their approach and the writing is light and easy to read. One example of the sensible attitude taken can be gathered by reading the opening paragraph of the pamphlet on "Care and Breeding."

### The Asset that is Most Valued—

... from the business man's point of view, is the satisfied customer. It is the satisfied customer who comes back and tells others where to go. The satisfied customer knows what he wants and where to get it. And an institution that has had satisfied customers for more than a quarter century is usually one that is strong and dependable and fully capable of rendering a worthwhile service.

# Greyhound

now operates the amazing new "Highway Traveler" bus with

## Air Suspension Ride

on the new thru bus service to MEMPHIS via Ft. Worth, Texarkana  
2 Thru Buses Daily (no change of bus en route)

No metal springs! You float along, completely relaxed, on cushions of air - - - the S-M-O-O-T-H-E-S-T ride in all transportation!

Here's how rubber-nylon air cushions completely replace metal springs!

Here's the greatest innovation in a quarter century of motor bus transportation! The new Highway Traveler coach with Air-Suspension Ride, is in regular daily service NOW.

This revolutionary new coach "floats" passengers on cushions of air which completely replace conventional metal springs. Result: The smoothest, easiest, most restful ride in modern travel.

All these new coaches have perfected air conditioning, extra-roomy new type seats, double size observation windows. Always far ahead in comfort, convenience, low travel cost, Greyhound leads again - with the new Air-Suspension Ride.
