Mrs. Robertson Attends Dallas Spring Market

Mrs. Floyd Robertson, Altman's Style Shop owner, attended the American Fashion Association's Resort and Advance Spring Market in Dallas this week. Nearly 5,000 buyers from the great Southwest filled the Dallas hotels to capacity for the quarterly apparel market, Oct. 25-30. Approximately 1200 lines of Women's and Children's apparel was displayed by the more than 400 manufacturers' representatives who comprise the American Fashion Association, at the Adolphus and Baker Hotels.

Market highlight was the presentation of the popular Breakfast Clinic Style Shows held Oct. 27 and 28 in the Ballroom of the Baker Hotel. The theme of the shows, "Tides of Fashion Sweep In From the Gulf" set the tempo for a colorful array of early spring fashions chosen from lines shown at market. Mrs. Evelyn Lambert is the director and commentator of the clinics.

The next market week will be held in Dallas Jan. 17-22 and will feature Spring and Summer Fashions.

Stamps-Baxter Quartet To Be In Cisco Show

The Stamps-Baxter Quartet of Dallas will be the highlight of the Cisco Jamboree Saturday night at the Cisco high school auditorium. The Kendrick Quartet is also expected to be on the program. Drucilla Townsend will also be around to add charm to the show. A new feature will be the Aloha Trio and their Hawaiian music. Another star will be Shorty Kendrick, drum major of Tarleton State College, with his Hawaiian steel guitar. A number of other entertainers will also be on the show.

The Cisco Jamboree was originated last February. Gospel, western, popular and spiritual songs and music are featured. The show is produced by J. H. Kendrick and sponsored by the Cisco Volunteer Fire Department.

Prices for the show are adults 60 cents and children 35 cents.

Truckers Are Fined Record Amount In '53

Truckers arrested last year for highway violations jumped to more than 23,000, according to the annual report released this week by Kent Odum, Chief of the License and Weight Division of this Department of Public Safety.

The report for the fiscal year ending Aug. 31, shows truck law violators paid \$516,842 in fines. This is an increase of more than \$100,000 over the previous year. These fines were paid into the road and bridge funds of the county in which the truck operator was arrested.

A sharp increase in the number of trucks arrested is shown by the report. The 23,319 arrested last year exceeded the previous year by more than 2,200. The offenses consisted principally of operating overloaded trucks, failure to pay sufficient registration fees and operating faulty and unsafe equipment upon the highways of the State.

Of the total fines and additional registration fees of \$1,866,734.90 collected by the counties in law violations, more than \$249,000.00 was for the payment of additional registration fees.

When a truck is apprehended upon the highway with a gross weight in excess of the amount for which it is registered, the law requires that the operator must pay license fee to the county tax collector.

Major Odum's report covers the activities of only the 65 men in the Department of Public Safety who are charged with the duty of protecting the 44,179 miles of the State highway system from unlawful and unwarranted abuses. Under Texas laws, sheriffs and constables are not permitted to stop or arrest the driver of an overloaded truck.

Doggies Seek Crown In Game At Gorman

Coach Wayne Brock's Eastland Junior High Doggies will be trying to wrap up the Oil Belt Junior Conference tonight when they take on the Gorman Juniors in a game to be played in Gorman. Game time is 7:30 p.m.

The Doggies, undefeated in conference play, will face a formidable opponent in their final conference tilt of the season. Gorman has yet to be scored on this season and also has a perfect record.

The Doggies have a season record of four wins and one loss. They beat De Leon 12-6, Dublin 32-

13 and Cisco 13-6 in conference tilts. In a non-district game they were edged by Ranger's Pups 20-7. The Doggies will have a chance to revenge that setback Nov. 5 when they entertain the Ranger Juniors.

Last week the Doggies rode over Rising Star 20-14 in a game played there. Virle Lee, Charles May and R. I. Stuard accounted for the three Eastland TDs.

Coach Brock has been putting the Doggies through rugged workouts this week in preparation for the big tilt and spirit up on the hill is high.

The starting Doggies line-up will probably read like this: At left end it will probably be Virle Lee, a 120 pounder. Rex Webb, 165 pounds, will be at left tackle; John Lively, left guard, 116 pounds; Kenneth Watson, center, 116;

Henry Van Geem, right guard, 108; Johnny McMahon, right tackle, 147; Charles May, right end, 122; Clint Humphreys, quarterback, 90; Mike Manning, left half, 110; Saul Pullman, right half, 111; and Weldon Walton, fullback, 125.

Others expected to see lots of action are R. I. Stuard, Delton Shirley, Larry Hollis, Hampton Stamey, Dwayne Brown, Elton Williams, Donald Carline, Larry Aldridge, Gene Reagan, Allen Miller, Philip Rodriguez, Kinsey Arthur and Stanley Reed.

Runnels County Attorney To Head Law Enforcement Group

Jack Moore, county attorney from Ballinger (Runnels county), was elected president of the West-Central Texas Law Enforcement Officers Association Wednesday at the group's organizational convention held in Brownwood.

Countries represented at the meeting were Eastland, Brown, Coke, Coleman, Concho, McCulloch, Menard, Nolan, Runnels, Sterling, Taylor, Tom Green, Calahan, Comanche and San Saba.

The 100 peace officers at the convention heard W. A. Morrison, judge of the Court of Criminal Appeals at Austin, deliver the principal address at a dinner at 7 p.m. on the Roof Garden of the hotel.

Judge Morrison spoke on the things that do and do not constitute self incrimination and what a defendant can or cannot be compelled to do based on decisions of the Court of Criminal Appeals since its organization in 1891.

Temporary plans for organization of the association were made last June at Ballinger and were adopted here Wednesday, Moore said.

Other officers elected include Coleman County Sheriff H. F. Fenton Jr., vice president; and Ballinger area Highway Patrolman Joe Perry, secretary-treasurer.

Taylor County Sheriff Ed Powell was named as association director as were McCulloch County Sheriff J. P. Williams, San Angelo, Policeman W. A. Gunn, San Angelo Liquor Control Board Agent T. R. Gholson, Brown County District Attorney Bill Alcorn of Brownwood, Sterling County Sheriff Bill Green, and Texas Ranger C. R. Nordyke of Brownwood.

Abilene was selected as site of the group's next convention to be held in February, the exact date to be announced later.

Moore said the association was organized for the purpose of advancing and promoting better law enforcement in its area through the cooperation of its agencies, education, instruction and coordination of effort.

Juan Jay Smith Honored By Music Magazine

An Eastland 12-year-old piano student was honored in this month's Junior Magazine, a publication published by the National Federation of Music Clubs.

He is Juan Jay Smith. Juan's picture and the following article appeared in the Junior Magazine.

"An accomplished sheet for Juan Jay Smith, gifted 12-year-old president of the Drago Music Club of Eastland. A charter member of his club, Juan recently won his fourth consecutive Superior in piano, in Texas Festivals. He is a student at Eastland Junior High, and a cornetist in the Senior High band. As cornet soloist, the young president won high honors and rating in an All District Band Festival."

"Mrs. F. L. Drago is Juan's counselor and teacher of piano."

Brother Of Mrs. Green Stroke Victim

A. D. Carr of Wichita Falls died of a stroke in Lingleville Tuesday. Carr was a brother of Mrs. Lewis Green of Ranger and a brother-in-law of J. J. Kelly, also of Ranger.

Funeral services were held this afternoon at 2:30 p.m. at the Assembly of God church in Wichita Falls. Owens-Brumley Funeral Home was in charge of services.

Texas Electric Quarter Century Party Nov. 3

Texas Electric Service Co. will honor the Quarter Century Club members at an annual Quarter Century Club party in Eastland's high school gym Tuesday, Nov. 3.

Guest speaker at the party will be Jeff Williams, who is often described as "Oklahoma's ambassador of good will."

New members of the Quarter Century Club who will receive gold watches at the Eastland dinner are Hubert R. Jones, Eastland and H. C. Swindell, Leon Plant. They bring the total number of Quarter Century Club members in the Eastland area to 27.

White Elephant Will Re-open Here Saturday

The White Elephant Cafe will re-open Saturday after being completely redecorated, Victor Cornelius, owner, said today.

Cornelius said the White Elephant has been enlarged to handle the heavy load of customers. It has also been redecorated throughout.

Cornelius said the same good food and efficient service could be expected at the new White Elephant.

NEW, REDESIGNED CHRYSLERS GO ON DISPLAY HERE TODAY

Blevins Motor Co. will put the new 1954 Chrysler on display today in Eastland for the first time. A. J. Blevins, owner of Blevins Motor Co. said today.

The new, completely redesigned Chrysler for 1954 introduces a new 235-horsepower FirePower V-8 engine, plus many major engineering advancements combined with the most beautiful styling in Chrysler's 29-year history.

Engineering features include the new PowerFlite fully automatic transmission, a new Airtemp air-conditioning unit, full time power steering and power brakes, new anti-roll front suspensions and a new "solid feel" ride.

Jimmie Crawley Honored By Midwestern U.

During an impressive ceremony before the Midwestern-McMurray football game at Wichita Falls last Saturday evening, one of Ranger's war heroes was honored. A flagpole on the Midwestern Football field was dedicated to Cpl. Jimmie Crawley, who was killed in Korea October 15, 1952.

Dr. James B. Boren, president of Midwestern University, made the dedication address. The 169th American Legion Post of Wichita Falls and the ROTC drill team took part in the ceremonies.

Cpl. Crawley attended Ranger Junior College and Midwestern University before going into service.

Cpl. Crawley's parents, Mr. and Mrs. Roy Crawley, and sisters, Beverlie and Dena, were accompanied to Wichita Falls by Mr. and Mrs. Doyle Poyner and daughter, Mr. and Mrs. Jack McWhorter and Mr. and Mrs. Jack Mace.

RUSSIAN DIRECTED—US delegate to UN, Dr. Charles Mayo, left, addressing United Nations charged many American prisoners in Korea were tortured to death in Russian-directed attempts to obtain false germ warfare confessions. Answering the charge, Jacob Malik, right, intimating some Americans have repudiated such confessions to save themselves from punishment for treason or other crimes.

WILDCAT IS SCHEDULED NEAR CISCO IN TOP AREA OIL NEWS

A 4,000-foot wildcat in Eastland county, 15 miles southwest of Cisco, 330 feet from the south and west lines of the northwest quarter of Section 115, Block 3, H&TC Survey is scheduled by the Gray Drilling Co. It will be No. 1 Anderson Brothers and McCrea.

J. E. Connally, Abilene, and associates No. 1 Susie P. Wharton, et al, No. 11, Harvey Kendrick Survey, A-340, has been completed.

A Marble Falls lime discovery well nine miles north of Gorman in Eastland County.

No. 1 Wharton during the daily potential test gauged 94.22 barrels of 41.8 gravity oil. It is pumping from 40 perforations at 3,024-32 feet. The casing is set at 3,150 feet and the hole bottomed at 3,335 feet. Operator treated the well with 3,000 gallons of acid.

Requested name for the new area is the Walton Marble Falls Field.

Other area oil news:

Charlie Grace Production Co., Fort Worth, will drill No. 1 R. L. Stringer as a wildcat in Palo Pinto county wild cat to 3,000 feet. It is 330 feet from north and east lines of W. D. Nicklas Survey, A-2-25.

Southern Oil Co., Breckenridge, No. 3 J. N. McMeen, et al, is a wildcat one mile southwest of Caddo.

Contracted for 2,995 feet with cable tools, it is located 330 feet from the north and east lines of the northwest quarter in Section 46, Block 5, T&P Survey.

Cannon Drilling Co., Abilene, No. 1 E. A. Hancock was spotted as a 2,050-foot rotary project five miles southeast of Wayland. Site is 2,908 feet from the north and 717 feet from the east lines of Section 7, Block B, T&NO Survey.

Presents the Weather Report

No Important Change Due In Weather

It will remain about the same during the next few days as far as the weather is concerned, the weatherman said today.

His prediction for Eastland county was fair with no important temperature changes for Thursday and Friday. A high of 75 was predicted for today and a low of 50 for tonight.

Friday's high will range between 75-80, the U. S. Weather Bureau forecast.

Former Ranger Oil Man Dies In Mississippi

Word was received in Ranger Tuesday morning that Jack Clements, former resident of Ranger, had passed away Sunday at Jackson, Miss., where he had made his home for the past few years.

Mr. Clements came to Ranger in the early part of 1919 from Coffeyville, Kans. For many years he was engaged in the refining business. Later he engaged in the oil business in company with John D. Gholson.

In the latter part of 1939 he left Ranger to go into the oil business in Jackson.

The last rites of the Catholic Church were read by the Reverend Father Byrnes, a friend of Mr. Clements, while both lived in Ranger.

Mr. Clements is survived by his wife and son of Coffeyville, and a sister of Greely, Colo.

Interment will be in Jackson.

The total oil energy used in farming is about 750 million horsepower, which is more than that used by all other American industries.

COACH ED HOOKER'S CHARGES FAVORED IN 7-A GRID CLASH

Coach Ed Hooker's Eastland Mavericks will be seeking their third straight district victory Friday night when they take on the Rising Star Wildcats in a District 7-A clash at Maverick Stadium. Kick-off time is 7:30.

The Mavs will be favored in this one and should have a comparatively easy time. The Cats have proved tough on occasions, however, and this might be one of those occasions.

Eastland has defeated Wylie and Bangs in 7-A play and also holds a victory over AA Cisco. The Mavs have lost only to two powerhouses—Coleman and Ranger. The Ranger setback was the only district defeat the Mavs have suffered this season.

Coach Hooker has had his charges going through contact work all week in preparation for the tilt. The Mavs still have hopes of winning, or at least tying for the district crown. That could take place if Dublin defeats Ranger this Friday and the Mavs beat Dublin in their game to be played in Eastland Nov. 13. There are a lot of "ifs" involved, but this is football.

The Cats held Wylie to a tie last week, but in the three weeks preceding that tilt they fell to De Leon 18-0, Cross Plains 12-7 and Ranger 46-7. Both teams have something in common. Rule out their games with Ranger and neither has suffered a bad defeat.

Eastland, with all the bad luck in the world, put up a much stronger show against the Bulldogs from Ranger than the Cats did, however, and that fact alone would set them up as the favorite this Friday.

The Mavericks are in fairly good shape for the tilt and reports from Rising Star show that the Cats will be at full strength.

Here is the probable starting line-ups:

EASTLAND — Clyde Moore, 152, left end; Neal Edwards, 170, left tackle; Carl Freese, 154, left guard; Stanley Harris, 175, center; Charles Collins, 156, right guard; Bobby Cooper, 165, right tackle; Doug Williamson, 153, quarterback; Fred Williams, 125, left half; Jimmy Morton, 145, right half; and Vern Meroney, 165, fullback.

Reserves—George Harris, 160,

Lions Club To Sponsor Penguin Show

Through arrangements completed this week the Lions Club will bring to Eastland for one day, Monday, Nov. 2, "Billy" the penguin and his pals, a trio of real live penguins from St. Louis, the exhibit will be on display on the square, and will be open from 9 a.m. to 9 p.m.

The exhibit coming here is the only one of its kind in the U. S. and has been on tour in the northwest this summer, the public is invited to visit the exhibit of strange birds from the Antarctic which are traveling in a special built van, equipped with blocks of ice and a small swimming pool for their daily dips.

No regular admission prices are scheduled, but donations will be accepted as the Lions are sharing in all receipts.

Unlike other wild life that changes mates each season, the penguins take their vows seriously and stay "married" for life, according to Art Rich, who is in charge of the exhibit. He further stated their penguin are of the Humboldt variety, second largest known to exist. They swim like a dolphin, propelling themselves with their flippers and guiding with their feet. They can average 20 miles an hour and up to 100 miles per day.

Rising Star Dairy Snak Burns Tuesday

Fire early Tuesday morning destroyed the Dairy Shak, an eating establishment across the street from the Rising Star High School.

The firm operator, Tom Lewis, is in Colorado on a hunting trip and amount of the loss has not been determined. Nell Carmichael of Cisco was the owner of the business.

and Neil Van Geem, 153, tackles; Paul Herrera, 152, guard; John McAllister, 155, Clyde Evatt, 155, and Neal Tankersley, 145, ends; Terry Warren, 142, center; and Fred Williams, 125, and Charles Cook, 151, backs.

RISING STAR—Jim Walker, left end, 152; Larry Anderson, left tackle, 204; Phil Horton, left guard, 153; Jerald Maynard, center, 156; Jimmy Connor, right guard, 181; Doyle Edmiston, right tackle, 193; John McDonald, right end, 167; Buddy Barton, quarterback, 158; Wesley Moore, halfback, 155; Jerry Millington, halfback, 158; and Rolland Atwood, fullback, 175.

Reserves — Durwood Fussell, end, 140; Vernon Walker, end, 171; Bert Agnew, end, 145; Howard Barton, end, 140; Jack Shultz, tackle, 175; Edwin Schaefer, tackle, 222; John Joyce, guard, 140; Lewis Barton, center, 145; Woody Chambers, back, 140; Marion Sheffield, back, 140; Delwin Chambers, back, 166; Clay Witt, end, 135; Joe Butler, back, 120; Howard Walker, back, 140, and Jack Kaltenbaugh, back, 120.

Big-Big-Big Crowd, Success Loud-Loud-Noise, Much Money At Hallowe'en Carnival

The Hallowe'en Carnival sponsored Tuesday evening by the Ward School Parent-Teacher Association was called a huge success by those in charge, who reported a large attendance and a good time by all.

They especially wished to thank the fathers who helped and also the different business concerns who made donations.

The carnival was well under way by 6 p.m. with plenty of food, hot dogs, home made pies, cakes, hot coffee, cold drinks, pop corn, balls, candied apples and home made candy. It was held in the

high school gymnasium, and an added feature was hand made aprons and pot holders in the country store.

Shrieks from the spook house gave evidence the spooks were really out and getting their spooky work done early.

Judy Lewis and Judy Frost were winners in the doll contest. The committees who worked long and faithful were Mmes. James Wright, E. E. Garner, E. E. McAlister, J. R. Powers, Food Booth; Mmes. McClesky, Louise Anderson, Country Store; Mmes. Mable Garrett, Johnson, Grab Bag; Mmes. Jerry Horton, Tommie Nichols, Doll Show; Mmes. Mary Sargent and D. C. Hardin, Fish Pond; Mmes. Mary Sargent and Jack Brannon, Hallowe'en Booth; Jerry Horton and Tom Lovelace Jr., Bean Bag; Mmes. Oletha Foster and R. M. Sneed, Spook House; Mmes. Horner and Dalton, Coca-Cola Booth.

Coffee for the carnival was made by Rev. Otto Marshall. About \$132.77 was made by each of the schools, the reporter said.

1954 CHRYSLER NEW YORKER CLUB COUPE

1954 CHRYSLER—The 1954 New Yorker models feature smart new exterior styling, color-coordinated interiors and are powered by the new, 195-horsepower Chrysler Fire Power V-8 engine. They are available with Power Flite transmission—the industry's newest and smoothest transmission—and power brakes as standard equipment. Power steering is an available option. They have a wheelbase of 125 1/2 inches. Models of the new Chrysler may be seen Thursday at Blevins Motor Co. in Eastland.

Mrs. Pierce Hosts Pleasant Hill Club

Mrs. A. C. Pierce was hostess in her home October 22 for the semi-monthly meeting of the Pleasant Hill Home Delegation Club.

Roll call was answered by "How I Clean and Care for Paint Brushes." The council reports were given and it was announced that the club had secured the permission of Albert Reed to use one of his buildings for a clubhouse and work will begin soon to get the building ready for use.

Mrs. Mildred Crow, county agent, was present and gave a demonstration on a background for the living room. She stressed location, natural light, and size.

Refreshments of ritz crackers, devils food cake, peanut brittle, and grape punch, were served to Mes. Burnard Campbell, Roy Tucker, Marshall Berry, Leonal Hale, Weldon Baker, Carl Stroebel, Ola Boles, Cecil Bostick, Mrs. Roson, Mrs. Crow, Mrs. Pierce, and three children.

Legion Auxiliary Holds District Meeting Here Sunday Afternoon

The Auxiliary members of the American Legion here for the district convention Saturday and Sunday, gathered at the lodge room of the American Legion Hall Sunday afternoon for their business meeting.

Mrs. Pat Murphy, president, presided and introduced Mrs. E. T. Redels, 17th District president, from Abilene, who presided throughout the meeting. Other officers in their places were Mrs. W. A. Hazelwood of Sweetwater, secretary; Mrs. L. B. Elliott, department chaplain from Colorado City, who presided as chaplain and gave an inspirational message.

Mrs. George I. Lane gave the welcome with Mrs. Jane White of Mineral Wells giving the response.

Mrs. P. R. Hewitt of Fort Worth, Fourth Division president, and department vice president, was the afternoon speaker. Short talks were also given by Mrs. Ro-

land Deford of Gordon, past 17th District president, and Mrs. Daisy Carter of Breckenridge, past assistant president of 17th district. Mrs. A. J. Treadwell of Houston, president of 8th district, and Mrs. Ima Cotton Jennings past president of 17th district.

Convention chairmen were Mrs. Henry Pullman and Mrs. Edna Mae Hatcher, registration. Assisting were Mes. Charles Freyschlag, Earl Francis, C. C. Cornelius and George I. Lane.

About one hundred and fifty men and women registered.

HANDY HOME HINTS

Soap Rope Trick
If rope is too stiff for use, the Gas Appliance Manufacturers Association suggests you soak it for a few minutes in hot soapy water and let it dry. The soap will lubricate the fibers and make the rope softer and more pliable.

Ash Tray Care
Ash trays are always in need of attention. Hot sudsy water makes them clean and shiny—but a suggestion from the Gas Appliance Manufacturers Association gives you a new remedy. Sprinkle a little baking soda in the bottom of your ash trays. It helps eliminate the stale cigarette smell, and makes the tray easier to clean.

Dual-Fuel Heating System
Rapidly gaining in popularity is a "dual-fuel" system in areas where house heating by natural gas has been restricted because pipelines are unable to supply the local demand. Natural gas heats the home except when the temperature drops to a certain low mark, when an outside thermostat switches the heating system over to LP or bottled gas, stored in tanks on the premises.

Hallowe'en Party
Planning a Hallowe'en Party? Orange frosted cupcakes or layer cake made from your own recipe or packaged mix is just the thing to serve. The Gas Appliance Manufacturers Association offers this recipe: Combine 2 unbeaten egg whites, 1½ cups granulated sugar, 5 tablespoons orange juice, 1½ teaspoons white corn syrup and 1 tablespoon grated orange rind in the top of a double boiler, beating by hand until thoroughly mixed. Place over boiling water, and whip with hand beater for about 7 minutes or until icing forms a peak on the beater. Remove from boiling water and beat until thick enough to spread.

Enrollment At Mary Hardin College Jumps

Enrollment is up 40 per cent this year at Mary Hardin-Baylor college, Dr. A. C. Gettys, the acting president, announced today in releasing final registration figures for the fall semester.

"We have 400 students," he said "as compared with 285 last year, exclusive of correspondence students. They come from 16 states, also Hawaii, the District of Columbia, and four foreign countries - China, Greece, Korea, and Mexico. Eighty-two towns and cities of Texas are represented in the student body."

The increase of 115 students exceeds the goal of "100 more by 1953-54" set by Dr. Gettys early last fall. The freshman class, he pointed out, is nearly twice the size of last year's.

"It is significant," Dr. Gettys observed, "that our increase runs far ahead of the 5 per cent which was predicted last summer, would be the nationwide increase in college enrollment this year."

Dr. Gettys was called from retirement a little more than a year ago to head the 109-year-old college which he had served for 30 years as a teacher of Bible.

Mary Hardin-Baylor is a Southern Baptist college for women offering the B. A., B. S., and B. M. degrees and is the only Protestant four-year college women in a six-state area of the Southwest.

Buzz Foster Is R Club President

A meeting of the "R" Club, the Ranger Junior College lettermen of 1952-53, was held Tuesday, October 27.

The following officers were elected: Buzz Foster, president; Joe Angell, vice president; Jim Cole, secretary-treasurer-reporter; Fred Sanders, wheeler of mercy; and Charles Brazil, student council representative. Coaches Henderson and Aills are the sponsors.

During the business meeting, plans were made for initiation of the new lettermen. Joe Angell was appointed as social chairman and a social was planned for after football season.

Other members present were: Sonny Planton, Lee Otis Clayborn, Johnny Wilson, Ross Nall, Floyd Gibbs and Jerry Harvey. All meetings of the "R" Club will be called by the president.

By applying the right fertilizers to a legume crop which preceded this heavy growth of sorghum, the grower was able to double his yield of silage. To know just what is needed in the soil to produce the heaviest yields, it is necessary to have a soil analysis made. This analysis shows just how much nitrogen, phosphorus, potash and lime may be needed to bring the soil to full production. A legume reduces the amount of nitrogen which must be added to the soil, for legumes make nitrogen from the air. These two make a combination that can't be beat—fertilizers and legumes.

Couples Now Can Have Long Married Life

Couples marrying today can look forward to a longer lifetime together than those who married in years past, but at the same time the likelihood that the wife will eventually become a widow has increased materially, the Metropolitan Life Insurance Company's statisticians report.

The explanation is that while average length of life has increased for both sexes, the increase has been greater for wives than for husbands. One result of this, the statisticians note, is a growing excess in the number of widows as compared with widowers.

Currently in the United States about 660,000 marriages are broken by death each year, and in two thirds of these families the wife is the survivor. Fifty years ago the corresponding proportion was close to one half.

The chances that a wife will outlive her husband, it is pointed out, depend essentially upon the difference in their ages. Where husband and wife are the same age, the chances that the wife will outlive her husband are 60 in 100, but the chances rise to 70 in 100 where the husband is five years older and to almost 80 in 100 if he is 10 years older.

The statisticians state the median age at which wives enter widowhood is about 56 years, and point out that most women still have many years of life before them after their husband dies.

"Three quarters of the women who are widowed at age 50 will live 20 years longer," the statisticians observe, "and the same number of years of life also remain for nine out of every ten wives who lose their mates before age 40. Even at age 65, fully one half of the widows can expect to survive for 15 years, and almost one third for 20 years."

Mineral Wells To Host Social Welfare Convention November 16

Social welfare problems of a complex age, including those of a atom bomb and disaster relief, will receive the attention of more than 700 social workers at a meeting in Mineral Wells Nov. 16-18.

The three-day sessions will be the 43rd annual conference of the Texas Social Welfare Association and affiliated groups, representing all fields of social welfare activity in the state. Attending the meetings, which will be held in the Baker Hotel, will be social workers of municipal, county, state and federal government, as well as many private welfare agencies, according to James A. Lands of Austin, association president.

Principal speaker for the first day will be Miss Savilla Mills Simons of New York, general secretary of the YWCA. Second day's speaker will be John H. Winters of Austin, executive director of the Texas Department of Public Welfare and president of the American Public Welfare Association. John C. Kidneigh of Minneapolis, director of the school of social work, University of Minnesota, will be speaker on the third day.

Officers will be elected at a dinner on Nov. 16. Olin LeBaron

of San Antonio is chairman of the nominating committee.

In addition to the three brief general sessions, the conference will hold sectional meetings daily on five specific sections of social welfare work.

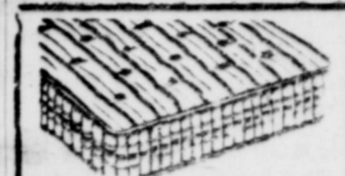

Problems of relief during and after disaster will be probed by speakers in an affiliated group meeting to be held by the American Red Cross on Monday and Tuesday, Nov. 16 and 17. Other affiliated groups that will hold special meetings during the convention are the Association of Social Service Exchanges, the American Association of Group Workers, alumni association of the Workmen

School of Social Service, alumni association of the school of social work of the University of Texas,

State Department of Public Welfare, and the Youth Development Council.

EASTLAND COUNTY'S LARGEST VETERANS ORGANIZATION

Overseas Veterans, we welcome your membership and ask that you check the FACTS.

Rumor has no place in the American way of life. Various bonified Veterans Clubs have been the scape goat of un-informed.

THE TRUTH IS

Our membership roster contains some of our most respected citizens. A rich man cannot buy membership, he must fight for it by serving our country overseas during a period of hostility.

We are a non profit organization, our small income is used for the support of our work of veterans assistance not provided by Uncle Sam, service to fallen comrades, and their widows, and orphans.

We are non political, Christian, but a non-denominational group.

We need your membership to serve our country as citizens, and our brothers in arms as only those can do who themselves have borne the brunt of battle.

Pythian Sisters Entertain Grand Chief of Texas, Who Held School Of Instruction; Presented Awards

A school of instruction, beginning at 2 p.m. Monday in Castle Hall informally conducted by Mrs. Margaret Wofford, Grand Chief of Texas of the Pythian Sisters, opened activities here for an afternoon and evening of Temple and social sessions.

Mrs. Wofford told of her travels to various temples over the state and concluded the school with questions and answers.

Mrs. H. A. Freeman, chairman, served hot spiced punch and fancy cookies during a social hour following the school. The refreshment table was laid with a white Madiera linen cloth and decorated with an arrangement of red roses. Silver and crystal appointments were used.

Others present were Miss Winona Davis, Mmes. Bill Darr, J. F. Brock, J. C. Poe, A. M. Hearn, Frankie B. Flowers, Tim Spurrier, Lee Campbell, Tom Lovelace and Frank Williamson.

A banquet in the annex building of the First Christian church at 6 p.m. honoring Mrs. Wofford and fourteen past chiefs of the order followed the school of instruction.

The harvest theme, was used with the white linen laid tables, decorated with peanuts, pyraecantha berries and persimmons, with an arrangement of bronze and yellow chrysanthemums and baby pumpkins used on the speaker's table. A shock of feed, peanuts, pumpkins and persimmons artistically arranged formed the display within the triangle, made by the table arrangements. Other decorations were arrangements of marigolds and the colorful place cards, made in form of a shock of feed and containing the menu and the program.

Mrs. Otto Crabb was mistress of ceremonies and used as her theme, "Faith, Love and Loyalty". She presented James Wright, who sang two numbers playing his own accompaniment. She presented Mrs. C. C. Street, who gave a brief history of the Pythian order, and Ina Jordan, who gave the invocation. She introduced the fourteen past chiefs and then presented Mrs. J. C. Poe, Most Excellent Chief, who introduced Mrs. Wofford, honor guest.

Past Chief's Banquet

The group retired to Castle Hall for formal initiation, which opened in ritualistic form with the most excellent chief presiding and all other officers in their places. Members of the drill team were resplendently dressed in their new royal blue taffeta formal.

With Florence Crabb, degree team captain directing the officers and team exemplified the obligatory and initiatory work, obligating J. C. Poe and E. K. Henderson and initiating Rev. Otto Marshall.

Introduced preceding the initiatory work were all guests, including Mrs. Wofford, Grand Chief of the Grand Jurisdiction of Texas, who was making her official visit; Mrs. Eltrude Lively, district deputy, both of Brownwood district number 6; Bill Darr of Cisco, District Deputy Chancelor Commander; C. C. Street, Eastland Temple Deputy No. 459 and Mrs. H. A. Freeman, Temple Deputy No. 72.

Mrs. Wofford gave her message and commented on the work of the Temple. Mrs. Lively also gave a short talk and several of the local members gave brief talks.

The fourteen past chiefs of the Temple presented a large white Bible to the Temple in an impressive ceremony, with the Grand Chief taking part.

She placed the new Bible upon the altar and returned the old one to the Most Excellent Chief. She then awarded certificates of Proficiency to Mrs. C. C. Street in the station of Guard; to Mrs. J. C. Poe in the station of Protector; Mrs. Bill Darr in the station of secretary;

The temple was closed in ritualistic form and was followed by a social hour during which refreshments were served.

The table was laid with a Madiera linen cloth and decorated with an arrangement of pink and red roses. A large white cake, inscribed with the name of the Grand Chief also graced the table. Silver and crystal appointments were used. Mrs. H. A. Freeman served the cake after it had been cut by the honoree and Mrs. Curtis Koen poured. Tea, coffee and toasted nuts were served with the cake.

Others present not here to fore mentioned were J. P. Lively of Brownwood, Mrs. Ola Allman of Brownwood, and Mrs. E. E. Herzing of Mineral Wells.

Christian Science

How to gain freedom from sin and the fear of its results—sickness and death—is emphasized in the Lesson - Sermon entitled "Everlasting Punishment" to be read this Sunday in Christian Science churches. The key to this freedom is indicated in the Golden Text from James (4:8): "Draw nigh unto God, and he will draw nigh unto you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded."

Mary Baker Eddy, the Discoverer and Founder of Christian Science, pointed out the necessity of loving good more than evil, wrote: "Christian Science commands man to master the propensities,—to hold hatred in abeyance with kindness, conquer lust with chastity, revenge with charity and to overcome deceit with honesty. Choke these errors in their early stages, if you would not cherish an army of conspirators against health, happiness, and success" (Science and Health with Key to the Scriptures, p. 405). This Bible citation will also be included in the Lesson - Sermon: "Let us search and try our ways, and turn again to the Lord" (Lamentations 3:40).

A bright outlook is shown in this quotation which will be read from the Christian Science textbook (p. 323): "Through the wholesome chastisements of Love, we are helped onward in the march towards righteousness, peace, and purity, which are the landmarks of Science."

Bishop Mason To Preach At Holy Trinity

Eastland's Holy Trinity Episcopal Church, 710 South Seaman, will be honored by the presence of the Right Rev. C. Avery Mason, Bishop of the Diocese of Dallas, Sunday, Rev. Arthur E. Hartwell, Rector, said Thursday.

Sunday is All Saint's Day. Bishop Mason will be making his annual official visitation.

Morning service will be at 10 a.m. at which time Bishop Mason will administer the Apostolic Rite of Holy Confirmation followed by the Holy Eucharist at which he will preach.

Vespers will be read at 7:30 p.m. Monday is All Souls' Day. The Holy Communion will be celebrated at 9:30 a.m. on behalf of souls of the faithful departed.

Friends and visitors are welcome at all times. Rev. Hartwell said.

PERSONALS

Mr. and Mrs. Jasper Smith of Veneta, Okla. were the guests here Sunday of Mrs. W. T. Rutherford in the home of Mrs. L. C. Harlow.

Mrs. James Lefan and children, Loris and Mike of Temple accompanied by Mrs. Catherine Berry of Kilgore spent the week end here in the home of Mrs. Lefan's parents, Mr. and Mrs. Jack Lusk.

Loris remained for a longer visit and will be returned home Friday when Mr. and Mrs. Lusk and their son Dwin go on a fishing trip near Temple.

Hallowe'en Traffic Goblins Are Reality; Watch Out For Them

"Hallowe'en is just around the corner, and the traffic goblins will get you if you don't watch out!"

This isn't an idle threat from the kindergarten set, it's a deadly serious warning from, of all people, Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation.

"Sure, I believe in goblins," Col. Tilley said today as he discussed the dangers that lurk in Texas streets and highways on Hallowe'en. "But don't get me wrong, I'm not talking about the spooks that bring scared squeals from the youngsters. The goblins I fear, are the traffic goblins who victimize unwary kids as they go about their 'haunting' on Hallowe'en."

He spoke in support of the Nights Traffic Hazards program which the Texas Safety Association and the Texas Department of Public Safety are conducting during October.

Col. Tilley pointed out that youngsters are likely to let safety rules go by the board in the excitement of scaring and being

scared on Hallowe'en. He said, "Many of the child fatalities and injuries that occur on this holiday are caused by youngsters gashing out into the street, often dressed in dark costumes and wearing masks."

"Masks prevent the children from seeing clearly," he said, "and dark costumes prevent the motorist from seeing them. It would help a lot if parents would try to get the kids to take off the masks when they go outdoors. Parents should also see that the youngsters wear only light colored costumes or outfits trimmed with white or reflectorized materials."

"The best way to keep the kids safe," Col. Tilley said, "is to keep them off the streets. I know this isn't easy, but if parents plan home or community parties, it can be done."

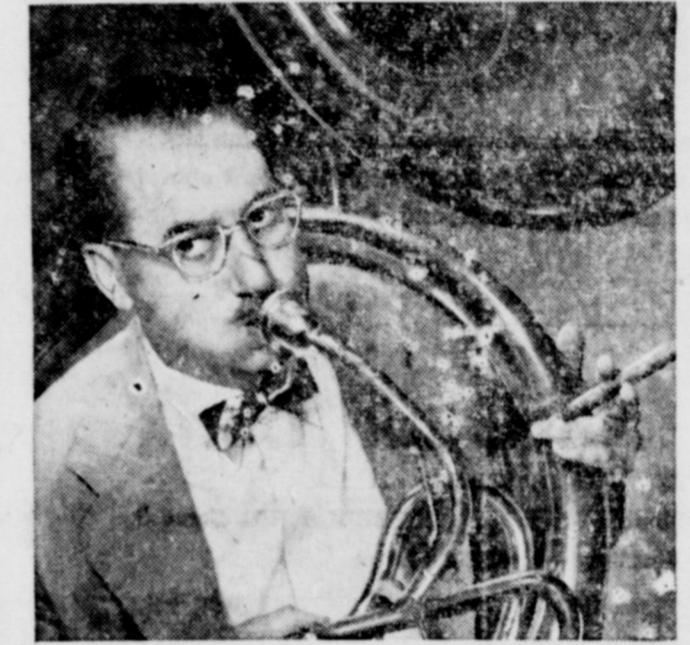

He urged parents to band together to see that sufficient parties and gatherings are provided in their communities to keep youngsters entertained. If this is done, he said, there will be little inducement for them to go roaming the streets.

A Lot Of Fish
WELLINGTON, N. Z. — New Zealand fishing grounds produced over \$4,700,000 for the 1952 season, the marine department of the government announced. An important part of this was contributed by the frozen crayfish tail exports, amounting to over \$1,316,000.

Safeguard Your Health!

A safeguard of health in every community is proper disposal of garbage. Application of the red "condemned for use of garbage" sticker (circle) to uncovered, overloaded, fly-infested receptacle at left points up the wrong, disease-inviting method of disposal. Health departments throughout the country are using the stickers in an effort to encourage wider use of the correct garbage disposal containers (right), rustproof galvanized steel cans with tight-fitting covers to keep in the refuse and keep out rats and flies.

Hamburger For Sunday Dinner With These Sumptuous Recipes

Hamburger used to be rated as plain fare, but nowadays it is special enough to be a Sunday-Best meal. Whether you serve it "as is" in meat cakes, or in some of the festive ways that Food Editor Helen McCully tells you about in McCall's for September, you will want to make it a permanent part of your Sunday—and holiday—menus:

RICH HAMBURGER LOAF

- 1/4 lb. salt pork
- 1 small onion
- 4 sprigs parsley
- 2 eggs
- 1/2 lb. lean ground beef
- 1/2 dry bread crumbs or cracker crumbs

QUALITY renovating on any type of Mattress. No job too large or small.

Jones Mattress Company
 703 Ave. A. Ph. 861 Cisco

- 1/2 cup prepared horseradish
 - 1/2 cup tomato catsup
 - 1 teaspoon prepared mustard
 - 1/4 teaspoon marjoram
 - 1/4 teaspoon thyme
 - 2 teaspoons salt
 - 1/4 teaspoon black pepper
- Cook the salt pork in a little boiling water for about 5 minutes, then drain off the water and grind or chop salt pork very fine. Grate the onion, chop parsley fine, beat the eggs slightly.

Now mix all ingredients for the loaf (including ground salt pork) in a large mixing bowl. Pat mixture into a loaf shape and put it into a shallow, greased baking pan—we used a 12" x 8" size. Start you oven at 350F or moderate.

Mix up a sauce using 1/4 cup tomato juice and 1/2 cup bouillon or meat stock. Pour this over loaf. Put a bay leaf, about 4 sprigs of celery tops, a small onion cut in half, a little clove of garlic chopped fine or crushed in with the loaf. Top loaf with 4 strips of bacon and bake 1 hour. Baste occasionally with the sauce during the baking period.

Come dinnertime, transfer the loaf to a hot serving dish. Spoon a little of the excess fat off the sauce and thicken the sauce with

a smooth mixture of 1/2 cup bouillon or meat stock and 2 tablespoons flour. Cook, stirring constantly, until sauce thickens. Pour over loaf and serve to 6.

HAMBURGER AND POTATO PATTIES

- 2 large potatoes
- 2 small or 1 medium onion
- 1/2 green pepper
- 2 eggs
- 1 1/2 lb. ground beef
- 2 teaspoons salt
- 1/4 teaspoon salt
- 2 teaspoons Maggi seasoning
- 1/4 teaspoon oregano
- 1/4 tablespoons shortening or salad oil
- 2 cups tomato juice or tomato puree

Peel and grate potatoes on a medium grater—you should have about 1 1/2 cups. Chop onions and green pepper fine. Beat the eggs slightly.

Now mix potatoes, onions, green pepper, eggs, beef and all seasonings together thoroughly. Shape meat into 8 large patties and fry in hot shortening or salad oil about 5 minutes on each side or until temptingly brown. Use a medium heat.

At this point lower the heat, pour over the tomato juice or puree, cover tightly and cook 20 to 30 minutes longer. Serve with sauce to 6 or 8.

HAMBURGER ROLLS AND CABBAGE

BEEF ROLLS:

- 5-oz. can small shrimp (18 to 20)
- 1 cup cooked rice
- 1/2 lb. ground beef
- 1/4 cup evaporated milk
- 1 teaspoon salt
- Dash pepper
- 2 teaspoons lemon juice, fresh frozen or canned
- 1 egg
- 4 tablespoons butter or margarine

CABBAGE:

- 2 medium onions
- 3 stalks celery
- 1 medium head cabbage
- 1 teaspoon ground ginger
- 1/2 teaspoon nutmeg
- 1 teaspoon salt
- 1/2 cup water

Mash or chop very fine about 10 to 12 shrimp (save remaining for garnish). Mix shrimp with rice, beef, milk, salt, pepper, lemon juice and slightly beaten egg. Shape into 12 sausage-like rolls and brown on all sides in 2 tablespoons of melted butter or margarine in large skillet.

Now cut onions in slices, celery in chunks, cabbage in fine shreds. Remove meat rolls from skillet, melt remaining butter or margarine and cook onions and celery for about 10 minutes or until onions are golden. Toss in the cabbage, season with ginger, nutmeg and salt. Pour in water, cover tightly and cook over a low heat for 10 minutes.

Poke remaining shrimp into meat rolls, give cabbage a good stir and add the brown meat rolls to cabbage mixture. Cover and continue cooking for another 10 to 15 minutes. Serve piping hot to 6.

EYES' RIGHT—AROUND THE CLOCK

Your glasses are your most important fashion accessory. Just as you need a variety of clothes to meet all your needs, so you need several pairs of glasses. Choose them carefully to fit your personality, enhance your beauty, match your costumes and activities around the clock. For your morning's work and for casual wear, sturdy, attractive plastic frames; for your life in the sun, chic sun glasses with prescription-ground lenses; and for evening, glamorous, modern rimless mountings, trimmed with finest gold. This basic eyewear wardrobe will see you through an action-packed schedule in style, comfort, and safety.

Workshop Set For Teachers

An art education workshop for elementary teachers, sponsored by the Howard Payne College art club, will be held on the HPC campus Saturday, Oct. 31.

The workshop will begin at 8:30 a.m. Saturday in the art building with a short discussion period conducted by Charles A. Stewart, head of the HPC art department.

The workshop will include several art education color films, to be followed by discussion periods. Elementary teachers from throughout this area of the state are invited to attend this free workshop.

At 10:45 a.m. Saturday those attending will see a demonstration given by a visiting art consultant.

A folio of art projects, recipes and ideas—enough to last the average elementary art teacher for an entire year—will be offered to visiting teachers at a nominal cost.

Modern as Tomorrow

SAFETY
 The Seiberling Safe-Aire Tire was designed for modern high-horsepower cars! It was built for SAFETY First! . . . Designed to be up-to-date TOMORROW as well as today. A tread that really takes hold when you want to stop in a hurry . . . heat vents to make it cooler running. These things add up to greater SAFETY . . . "peace of mind" driving for you and those who ride in your car.

QUALITY
 The Safe-Aire Tire is built "up to" a high QUALITY . . . not "down to" a PRICE. Modern methods, modern compounds and modern craftsmanship build QUALITY INTO EVERY SAFE-AIRE TIRE! You can be sure that your Safe-Aire Tires will give you MORE, SAFER miles of Dependable Service.

EYE-APPEAL
 Seiberling's "Modern Design" comes closer to giving a tire "glamour" than any design yet perfected. ALL tires are similar in appearance . . . yet the Safe-Aire is distinctive even when compared to other tires of similar appearance. And, the modern "Scuff-Bar" helps prevent unsightly curb scuffs . . . protecting the sidewall for the life of the tire. The Safe-Aire with "Scuff-Bar" is a fitting complement for the modern motor car!

GIVE YOURSELF A BREAK!

A part of every dollar you spend with a local merchant or dealer returns to you, directly or indirectly, in better Churches, Schools, Homes, streets, county roads and better merchandise and service from our local merchants.

Eastland is "Your Baby" and as your dollar goes, so goes the town and county.

You say "but, I saved 2 cents on this article by ordering by mail or by driving to the city for it."

YOU KNOW BETTER THAN THAT — How much did it cost you to drive there? Did you get the same quality of merchandise? Will you get the same personal service, or will you get the same consideration or understanding if you should suffer financial reverses?

Is a mail order house or an exclusive shop in the city interested in that long, heartbreaking financial fight you've had with that illness in your family, or the price of beef, or whether it rained, or whether that article stood-up to expectations.

The next time you ask your local merchant to co-operate or donate on some school, church or other worth while project in your community, ask yourself — "Am I giving him his share of my dollar" or does it go out of this territory to help build a better town and community somewhere else?"

"Brothern and Sistern" the truth is, and has always been, We're going to have to hang together or the chances are we will hang separately.

Your local merchants have stocked-up for you with the best merchandise and prices.

Buy at home — save money — save time — make your two-bits worth or dollars worth count in building a better community to live in and rear your family in.

Sincerely,

The Eastland Telegram

The Fellow Who Sees Flying Saucers—

... may reason somewhat like the man who doesn't carry insurance. He gazes at the creatures from his window and believes them to be real. But he has never been hit, so why worry? Neither has he ever had a fire or windstorm, so why insure? That line of reasoning is fine for the dreamer but it is dangerous business. True, the law of averages is with the saucer man until the law goes haywire. Then the saucers disappear, so does the saucer man and out the window go his empty dreams.
