Mavs Face Dublin In Important 7-A Clash

Moore... ABOUT Eastland

By VIRGIL E. MOORE

Old Moore About is about to be squeezed off of page one again by local news. We will put in two bits worth in these four in of type, however.

Eastland and Gorman both have a pat on the back coming their way. We are proud to say we live here after seeing the large crowd at that Junior High play-off tilt in Cisco Tuesday night. We heard one fan, who was from Cisco, say that it was one of the largest crowds to be in the Cisco High Stadium this year. Both sides were almost filled. Things would have been better if a PA system had been installed, but as it was we sure enjoyed it. Too bad Wayne Brock's charges had to lose. They gained our respects in doing so, however. They played hard but clean.

Poppy Sale Success, Says Mrs. Murphy

Mrs. Pat Murphy, president of the American Legion Auxiliary, said Thursday the 1953 Poppy sale in Eastland was a financial success. Mrs. Murphy said the Auxiliary members wanted to express their gratitude to the general public for the response to the sale. Mrs. Murphy said the results of the sale showed that the apathetic tendency which threatened to envelope people generally toward the needs of the veteran is giving way to a genuine interest in their welfare.

Diesel Tractor On Display At Perkins

The new Fordson diesel tractor now gone on display at Perkins Implement Co., 116 East Main, Bob Perkins, owner, said today. The 3-4 plow diesel tractor is available in the same price range as gasoline tractors of similar power, for the first time, Perkins said. Perkins urged farmers to drop by to see the new Fordson diesel tractor.

Bennett Charged With Negligent Homicide Here

Negligent homicide charges have been filed against M. C. Bennett, driver of one of the vehicles involved in a crash which took the lives of Saule Perlstein and Mrs. M. C. Bennett. Bennett is still in Ranger General Hospital from injuries suffered in the mishap. Mrs. Perlstein, who was also injured in the accident, has been transferred to Baylor Hospital in Dallas, for treatment by specialists. The accident took place on U. S. Highway 80 Nov. 1, during a heavy fog. At the time of the crash Highway Patrolman Ray Hatton said the accident occurred as the Bennett car, going west, passed a second car in the heavy fog and ran head-on into the Perlstein car.

No change In Weather

No headlines for the weather today. The weatherman says things will stay about the same in Eastland county for the next day or so. His prediction called for fair weather with little change in the next few days. High today and Friday near 70 with the low both nights near 40.

Weather FREYSCHLAG INSURANCE AGENCY No. Side Square Phone 173 Presents the Weather Report

JOY LYNNE ROBINSON ... to be crowned Football Queen at Maverick game Friday night

WINNER OF TILT WILL GAIN DISTRICT RUNNER-UP HONORS

The Eastland Mavericks and the Dublin Lions meet Friday night at 7:30 p.m. at Maverick Stadium in a game that will decide which team can claim runner-up honors in District 7-A. Both teams have only one loss in district play, Ranger being the team to upset both. The Mavs put up the best show against Ranger, however. Adding color to the activities, Jay Lynn Robinson will be introduced as the football sweetheart between halves of the game. Coach Ed Hooker's Mavs will be riding a four game win streak and played their best game of the season last week against Santa Anna in registering a 52-0 victory. On the strength of that win

the Mavs will probably go into the game as favorites. Still out of the line-up will be Carl Freese and Neal Tankersley. Freese, who earned a starting berth at left guard is out for the season with a broken collar bone. Tankersley has a broken hand, and is expected to see very little if any action, the rest of the year. Charles Collins, Mav right guard who was sidelined last week with an ear infection, will probably be back in the line-up this week. Eastland now has a record of five wins, two losses and a tie. Ranger and Coleman beat the Mavs, and DeLeon held the Hooker-men to a 7-7 tie. Ranger belted the Mavs 27-0 while double-A Coleman was lucky to get out with a 14-0 victory. The four touch-down loss to Ranger isn't so bad when you consider the fact that Ranger's Bulldogs now rank number one in the state in class A. Eastland holds wins over Cisco 7-0; Wylie, 25-12; Bangs' 23-12; Rising Star, 13-0; and Santa Anna 52-0.

The Dogs have only one game left on their '53 schedule after the Friday night game. Eastland will have to find a way to stop the passing of Dublin's smooth man-ander in the T formation, Quarterback Dick Johnson. James Berna also does a bit of passing from his left half position. Add to that combination the power running of Fullback Jerry Daniel and the cross bucks of blocking back Jack Cook and Dublin looks pretty terrific. The Lions are coached by Bill M. Smith, Ray Isaacs and Charles Williams. The Williamson grid ratings show that Dublin has a 75 rating and Eastland a 73. Williamson therefore predicts Dublin will beat the Mavs. Dublin's line will outweigh Eastland's 14 pounds to the man, but the Mavs will have a six pound man advantage in the secondary. Dublin's starting line averages 174 pounds a man and their backfield just over 152 pounds a man. Eastland's backs average 158 pounds a man and the men up front average an even 160 pounds. One of the largest crowds of the season is expected to witness the tilt providing that the weatherman comes through with non-freezing weather. Eastland's starting line will have Clyde Moore, 152 pounds, at left end; Neal Edwards, 170, at left tackle; Paul Herrera, 152, left guard; Stanley Harris, 175, center; Charles Collins, 156, right guard; Bobby Cooper, 165, right tackle; and Doug Williamson, 153 right end. In the backfield it will be Vern Meroney, 165, quarterback; Pearson Grimes, 135, left half; Jamie Jessop, 160, right half; and J. D. Hanson, 170, fullback. Reserves include George Harris, 160, and Neil Van Geem, 153, tackles; John McAllister, 155, Clyde, Evatt, 155, ends; Terry Warren, 142, center; Fred Williams, 125, Bobby Pittman, 135, Charles Cook, 151, and Jimmy Morton, 160 backs. Dublin's starting line-up will have Kenneth King, 160 pounds, at left end; Thomas Crank, 222, left tackle; Roger Crocker, 160, left guard; James Cowan, 165, center; Wallace Reed, 150 pounds, right guard; David Hancock, 200, right tackle; Gordon Nelson, 165, right end; Dick Johnson, 150, quarterback; James Berna, 150, left half; Jack Cook, 150, right half; and Jerry Daniel, 160, fullback. Reserves include Don Brannum, 175, end; Durwood Strube, 155, end; John Templeton, 175, tackle; Harry Bradberry, 200, tackle; Tommy Humphries, 140, guard; Dwight Tatum, 150, guard; Tommy Mitchell, 160, guard; Mackey Herod, 165, guard; and Buford Shaffer, 155, back.

GET WATCHES—Two new members of Texas Electric Service Company's Quarter Century Club were presented gold watches at the company's dinner honoring employees who have completed 25 years or more of continuous service. J. B. Thomas, president of the company, at left, is shown presenting a gold watch to Hubert R. Jones, Eastland Transmission Division. H. C. Swindell of Leon Plant, who also received a watch, is at right. The dinner was held in Eastland at the high school gymnasium, Tuesday, November 3.

Dogies Fall 13-7 To Gorman's Cubs

Gorman's Junior High School Cubs used nine plays to travel 62 yards for a fourth quarter touchdown Tuesday night to down Eastland's Junior High School Dogies 13-7 and win the play-off game for the Oil Belt Conference's 1953 grid crown. The game was played in Cisco. The Cubs had to come from behind to down Coach Wayne Brock's spirited team. Eastland had jumped out front in the second quarter when Phillip Rodriguez, the Dogies' 179 pound fullback, raced over from the Cubs' 22 and then ran over the extra point to go out front 7-0.

The second quarter was the only period that the Dogies outplayed the rugged Cubs. The Dogies rolled up 86 of their 106 yards in that quarter. In the last half the men couldn't get started and ended the half with only 16 yards rushing. Both teams had big quarters. Gorman's came in the third stanza when they rolled up 76 yards and one TD. The Cubs continued to roll in the final period gaining 46 yards on the ground and 31 in the air. Gorman completed three of five passes for the night. The game was brought about when the two teams fought a 6-6 tie in the final regular season game. It was decided that a play off game would be held to determine the winner. The Cubs gave up only 13 points this season — Eastland scoring them all.

Making the dedication speech, A. A. Tuggle told the group, "We have come here to dedicate a roll of honor of men of this county who went forth as the living strength of our flag. They were the soldiers, sailors and Marines who fought on land, on the sea and in the air. Some of them did not return. They are the honored dead whose resting places are found in many foreign lands and waters around the world. These American defenders left our shops, our schools and our farms to take up arms against the foe. They left their loved ones with confidence in

over the extra point to tie up the score at 7-7.

Then in the fourth period the Cubs struck for paydirt to wrap up the game. Eastland was forced to punt when they bogged down on their own 45. Rodriguez' kick carried to the 25 when Abbe returned it to the 38. From there the big fullback raced for a first down to the 49 and then Harrison made another on Eastland's 39. Corky Brown, quarterback, sneaked down to the 36 and then Abbe passed to end Tom Welch down to the 20. The Cubs were penalized back to the 25 and then Abbe passed complete to Right Halfback Joiner on the 10. Harrison failed to gain, then Abbe took it to the three and then went over. Harrison failed to carry over for the extra point and the score was 13-7.

MEMORIAL SERVICES WELL ATTENDED AT COURTHOUSE

Eastland honored the city's war dead Wednesday in celebrating Armistice Day. Taking the lead, the Veterans of Foreign Wars sponsored memorial services on the courthouse lawn Wednesday morning. Gene Rhodes gave prayer and the band played "America." As the fire siren sounded the Officer of the Day, Clarence McCoy, gave the command Post Face West and Claude Levy, senior vice commander of the VFW, placed a spray on the Memorial Fountain. Then Carl Mills, commander of the VFW, placed "our flag" on the fountain. Then the officer of the day ordered the firing squad to give a rifle salute of three volleys. Boy Scout Juan Smith then played taps and it was echoed by another bandsman in the background. Then the band played a military march and the post marched off. One of the largest crowds to ever attend memorial services here attended.

With time running out Rodriguez fumbled and the Cubs recovered on the Dogie 30. They picked up a first down on the 10 then lost back to the 18 as the game ended. Dogies who took part in the game were R. I. Stuard, Henry Van Geem, Mike Manning, Delton Shirley, Clinton Humphrey, Larry Hollis, Charles May, Hampton Stamey, Verle Lee, Dwayne Brown, Elton Williams, Donald Carlisle, Paul Pullman, Kenneth Watson, Larry Aldridge, Gene Reagan, Rex Webb, John Lively, John Mahan, Weldon Walton, Al-

their hearts and assurance upon their lips. They were aware of the dangers before them, yet they responded without hesitancy to the call of duty." Gene Rhodes gave prayer and the band played "America." As the fire siren sounded the Officer of the Day, Clarence McCoy, gave the command Post Face West and Claude Levy, senior vice commander of the VFW, placed a spray on the Memorial Fountain. Then Carl Mills, commander of the VFW, placed "our flag" on the fountain. Then the officer of the day ordered the firing squad to give a rifle salute of three volleys. Boy Scout Juan Smith then played taps and it was echoed by another bandsman in the background. Then the band played a military march and the post marched off. One of the largest crowds to ever attend memorial services here attended.

Pessimism's Annoying

(An Editorial) Pessimism is always annoying. When it comes when the outlook is brighter than at any time during the last several years it is disgusting. We are prone to overlook the fact that our city is in the path of a new nearly completed four lane highway; that the drought that could have ruined us has been broken; that our city will soon have the best water supply per capita in the state; that the city is considered one of the leading railroad centers in the city; that the prospect of good grain crops is wonderful; that our city is located near enough, yet far enough from big cities to attract new industries; that the oil business in the county is reviving; that we have a new hospital; that our bank deposits are higher than at the same time last year; that unemployment is almost nil; and that we are still a God-fearing city. The Telegram has faith and trust in Eastland and we feel that we are in position to give you a better newspaper now than at any time in recent years. We strive to print the truth and the truth is that Eastland's future is bright, that the future of this nation is bright. Do not misunderstand. We are not content to let our city rock along at its present rate. We feel that Eastland citizens must work to make the city better. We must throw away our mail order books and our false idea that buying in the big city is smart. The man or woman who says he can't buy it in Eastland insults our businessmen. Perhaps it is not in his stock. Have you thought to ask your merchant to get it for you. He can, and will. Eastland's hopes for the future are in your hands. Let's make it grow and prosper . . . so that we can.

Texas Baptist Church Press Meet Today

The 60th annual Texas Baptist Church Press Relations Conference for pastors, ministerial students, newspaper editors, and others interested in religious news media will be held at Howard Payne College, Brownwood, Thursday. The state-wide conference, sponsored jointly by the college and the public relations department of the Baptist General Convention of Texas, will be conducted by Leonard L. Holloway of Dallas, director of the State Baptists' public relations department. The conference will include discussions by Thomas E. Turner of Waco, chief of the Central Texas Bureau of the Dallas Morning News; Cullum Green, Sunday editor, Fort Worth Star-Telegram; Mack Boswell, editor, Brownwood Bulletin; and Walter Knight, associate editor, Baptist Standard. Also on the program will be Rev. Sterling Price, pastor, University Baptist Church, Abilene; Dr. Paul Brooks Leath, pastor, First Baptist Church, Brownwood; Art Johnson, Hazel Rodgers and Mr. Holloway, all of the Baptist General Convention public relations department in Dallas. Those attending the conference will be welcomed by Dr. Thomas H. Taylor, HPC president.

COUNTY JUNIOR RED CROSS DRIVE WILL END SATURDAY

The Eastland County Junior Red Cross drive got under way this week and will continue through Saturday. Mrs. H. H. Durham, Eastland, drive chairman released the following statement Tuesday: "As the earth grows smaller, as speeds increase, as remote foreign villages make American headlines, it is no longer enough to teach youngsters the perennial three R's, and the fundamental facts of the arts and sciences. They must learn of the dynamics of human affairs, both in their own communities and abroad, and of their obligation to their fellow men next door or next continent. "One of the principal vehicles a teacher may employ to bring her classroom into closer relationship with the community and the world is the Junior Red Cross. The goal of JRC is service for others, providing boys and girls an unexcelled opportunity to serve communities in this country and other lands with individual and group projects conducted under school supervision. "The boys and girls who make up this organization, working under the Eastland County Junior Red Cross Chapter and school authorities, are making a real contribution to the ideal of service to others. Approximately 2,000 of Eastland County Junior Red Cross members, ranging from first grade to high school age, are just a part of the 19,000,000 Juniors enrolled over the nation. "Their program of national correspondence, music, and art is creating the kind of good will that only an informal, personal kind of diplomacy can achieve. The work they do in providing comfort items and entertainment for patients in local hospitals, in making tray number cards and Thanksgiving and Christmas nut cups is a highly valued part of the volunteer service given through the Red Cross organization as a whole. "But much of the credit is due our schools which have given their time and effort to make the Junior Red Cross program here the success it is. Through the support of teachers and school officials, the program was given its start and carried on from there. "With this guidance, from both the Red Cross and the schools, these boys and girls are learning first hand the meaning of unselfishness. "Certainly that should be enough for you and me to encourage our children to become partners in this movement of service." Veracile Kitchen Wax

Eastland VFW Ranks Tenth In Membership

Eastland's Veterans of Foreign Wars held the distinction of being ranked tenth in the state in the 1954 membership drive. When latest state-wide totals were released the Eastland post had signed up 145 members to rank ahead of many of the larger cities in the state. Abilene, Killeen, Sweetwater, Plainview, Victoria, Lufkin, two San Antonio posts, Dallas and Denison rank ahead of Eastland. The second ten cities are Temple, Breckenridge, Galveston, Fort Arthur, Grand Prairie, Colorado City, Texarkana, Post, Taylor, McAllen and Moulton. Commander Carl H. Mills said the drive would continue at a rapid pace in Eastland. The local post had 275 members in 1953 and hopes to have at least 280 the coming year. Mills urged all VFW members to pay their dues early and he asked that any veteran of foreign duty wanting to join the VFW contact him or any other member of the club.

HERE ARE THE DOGIES—From left to right, front row, are Henry Van Geem, Delton Shirley, Hampton Stamey, Donald Carlisle, Elton Williams, Larry Hollis, Stanley Reed, Kenneth Watson, Clinton Ray Humphries, Weldon Walton, Mike Manning, and R. I. Stuard. Back row: Coach Wayne Brock, Verle Lee, Rex Webb, Phillip Rodriguez, Allen Miller, Saul Pullman, Johnny Mahan, Kincky Arthur, Dwayne Brown, Charles May and John Lively and Gene Reagan. Appeals Court Upholds Doyle Kilmore Case

The Court of Criminal Appeals in Austin has upheld the conviction of Doyle Kilmore of Eastland county, District Attorney Joe Nusselle said Thursday. Kilmore was convicted in the 91st District Court, Eastland, in March of possessing whiskey for resale. He was fined \$400 and given a 30-day jail sentence. He had been out on appeal bond since the trial.

Ford . . . Does It Again!

1. Save \$200 to \$500 over other diesel tractors in its power class
2. Save in fuel costs over 3-4 plow gasoline tractors

New Fordson Major Diesel

If you are looking for lower cost, more dependable tractor power, you'll want to see and try the new Fordson Major Diesel Tractor.

See how quickly it starts on diesel fuel. Hitch it to a tough pull and notice how it "hangs right in there"—real lugging power! Try its light steering and smooth, positive brakes. Touch the hydraulic control lever and notice how easily you can raise, lower and control equipment. Check over all the features that count for long life and easy servicing.

Add them all up and you will probably agree—here's today's best buy in the 3-4 plow tractor class! So come in soon.

- Big savings in fuel costs over gasoline tractors in the same power class
- Extra lugging power on tough pulls
- More hours of operation between overhauls
- Six speeds forward, two reverse speeds
- Built-in hydraulic system
- Three-point linkage for rear attached equipment
- Easy starts in cold weather — 12-volt starter

• NEWS FROM CHEANEY

Mrs. Bill Tucker
Friends and neighbors of this community extend sympathy to the W. E. Calvert family in the loss of their son and brother, W. C. Calvert, who died at his home in Ranger Tuesday, Nov. 3.

The Calverts were residents of Cheaney community for many years before moving to Ranger to make their home.

W. C. Calvert, age 32, was buried in the Alameda cemetery Thursday afternoon, Nov. 5, 1953. Although he had been an invalid since babyhood, we came to know him very well when the Calverts were our closest neighbors. C-boy, as he was affectionately called by everyone, dearly liked bananas and strawberry soda pop, and seldom did we ever forget to bring him these when we went to town.

He came to our house, just up the hill, for a visit, and although he could not carry on a conversation, it was a pleasant interlude for us, and we always knew he counted us as a friend. We kept him at home, while his parents visited their son, Jimmy, in the Air Force, at different times.

Now W. C. rests in the peaceful Alameda Cemetery, and we would like to offer these words as an eulogy to his parents and to his memory—my neighbors.

A large crowd was in evidence at the Baptist Church Sunday morning. It was the regular second Sunday appointment of their pastor, Dixie Clement of Gorman.

Colds have been topmost in our heads these changing days. Mrs. Lamar Perrin carried her daughter Barbara, to the Doctor one day last week. Sharon, Dwain and Jimmy Brown have also endured a siege of colds. Mrs. William Melton is reported holding her own,

with no material change. The doctor was in to see Ellen Tucker, Tuesday, reporting a decidedly low blood pressure. Her condition remains seriously critical.

Mr. and Mrs. Ray Blackwell, of Quanah and Miss Berle Blackwell of Lubbock, were home over the week end with the parental Elmer Blackwell family. They were ex-Ranger JC students, here for the homecoming and game, and also attended church services at the Cheaney Church of Christ on Sunday morning.

The community, friends and neighbors gathered at the Elmer Blackwell home Saturday night, bringing a miscellaneous shower of wedding gifts for Ray Blackwell and his bride of a few weeks, Jane. The Blackwell Singers were featured in a song program, during the evening festivities.

Glenn Paden of Abilene Christian College, was the speaker at the Alameda Church of Christ for both morning and evening services Sunday. We are told that Glenn is a cousin of the Paden brothers, evangelists who underwent the recent religious persecutions in Italy, because of difference of biblical tenets.

Rommel, U. S. A.
MIDDLETOWN, Conn. — Peter A. Rommel, 23, enlisted in the U. S. Army. He told recruiters that his great-uncle was Germany's noted "Desert Fox," Field Marshal Rommel.

Annual surplus of births over deaths per 1,000 of population rose in the U. S. from a low of 5 in 1936 to nearly 16 in 1947, highest in history, points out a Twentieth Century Fund study.

Improved again!

Now the BEST gasoline in Texas is even BETTER!

Esso Extra gasoline, statewide, has consistently led all other Texas gasolines in quality; now, new improvements have widened the margin between Esso Extra and the rest: *Humble Esso Extra has no equal throughout the state of Texas.*

Tests prove Esso Extra's superior quality!

There are three qualities of a gasoline that are brought out in the performance of your car. In all these three qualities, Esso Extra leads.

Extensive and continuous laboratory testing of Esso Extra and other gasolines proves Esso Extra's superior qualities, and these laboratory tests have been confirmed by road testing in specially equipped automobiles.

Esso Extra leads in anti-knock performance: In today's automobile engines, with their high compression ratios, anti-knock performance is the most noticeable quality of a good gasoline. *There is no substitute for this quality.* Only a gasoline with a high octane rating — that is, high anti-knock performance — burns so evenly and completely that it transfers all the usable energy from the gasoline to the pistons. When your car's engine pings or knocks, you're losing power. Esso Extra has the highest anti-knock performance in Texas.

Esso Extra leads in power: High anti-knock performance assures more power. Since Esso Extra has the highest anti-knock performance in Texas, it gives you more power than any other Texas gasoline. This conclusion has been verified by special laboratory testing equipment which actually measures the power delivered by a gasoline burning in an automobile engine. Road tests by both Humble technicians and independent research facilities have confirmed the laboratory tests. Your car will develop extra power when you use Esso Extra.

Esso Extra leads in quick starting: In comparative tests with other gasolines, Esso Extra's quick starting characteristics were rated "Excellent," while those of other popular gasolines ranked from "poor" to merely "adequate." When you use Esso Extra your engine starts at almost the instant you press the starter button. But quick starting is more than a convenience. It saves gasoline, and it prevents gasoline dilution of the crankcase oil. If you use your car mostly for town driving, you will specially appreciate Esso Extra's quick starting qualities.

And for good measure, Esso Extra contains a patented solvent oil: This oil is not a lubricant. Its purpose is to dissolve the gummy substances that collect carbon on top of pistons and under valves, and thus help to prevent carbon deposits in the upper parts of the engine.

See for yourself — test **Esso Extra** in your own car

Esso Extra will give you the same results obtained by researchers when you test it in your car. Its quality is so superior that you will notice at once that Esso Extra gives you extra quick starting, extra anti-knock performance, extra power.

You'll discover that you enjoy your car more, that it runs better, that you're getting — at last — the performance you expect from a modern automobile. No other gasoline can duplicate Esso Extra's performance in your car, because no other gasoline matches Esso Extra's quality.

Fill up with improved Esso Extra gasoline at any Humble sign — it's the same extra performance gasoline at every Humble sign.

Arch Justices Celebrate 50th Anniversary

Mr. and Mrs. William Arch Justice, Route 1 Eastland, will celebrate their Golden Wedding Anniversary with an open house Sunday.

The Justices were married Nov. 15, 1903 in the Flatwood community where they have lived for the past 50 years.

Open house will be held from 2 until 5 p.m. The Justices' have two children, Cyrus Justice, Eastland, and Glen Justice, Gorman.

The Justices urged all friends to attend the open house.

First Baptist WMU Meet

The Virginia Budding Circle of the First Baptist WMU met Monday, Nov. 9, at 8:15 p.m. with Mrs. Frank Lovett, president, conducting the regular business meeting.

For the program Mrs. H. C. Cole prefaced a round table discussion on the book "Let's Listen" by H. C. Goerner, with a short review.

Those taking part in the round table were Meses. Claude Bell, J. W. Wallace, Don Daniels, Frank Lovett, Howard Upchurch and Mrs. Cole.

Those enjoying the delightful refreshments and social hour that followed were Meses. J. W. Wallace, Ida Chandler, Mary Copeland, H. C. Cole, Lon Dafield, Claude Bell, Howard Upchurch, C. C. Street, Frank Lovett, J. C. Gilliam.

W. M. Warren has been returned from the Scott and White Hospital in Temple and is now at the Eastland Memorial Hospital.

Zeta Pi Chapter Beta Sigma Phi

The Zeta Pi Chapter of Beta Sigma Phi Sorority met Tuesday night at 7:30 p.m. in the home of Mrs. H. C. Gage with Mrs. Roland Phillips as co-hostess.

Mrs. Bill Leslie, president, presented the program chairman, Mrs. Bill White, who introduced Mrs. J. W. Eldson who gave a most interesting talk on "Personality" and methods of applying it to our daily living.

After a short business session the group adjourned for a social hour.

Those present: Mme. Bill Arthur, Truman Brown, Don Doyle, James R. Edwards, J. W. Eldson, P. S. Ervin, John T. Goode, Neil Hurt, W. A. Leslie, W. L. White, Luther J. Wilson, W. M. Sneed, Jack Horn, E. L. Bleck, Mrs. A. H. Johnson, sponsor-director, and the hostesses.

Born to Mr. and Mrs. Pat Owen of Abilene Nov. 8, at St. Ann's hospital a baby girl, six pounds and seven ounces, named Lucinda. Maternal grandparents are Judge and Mrs. Milburn Long and paternal grandparents are Mr. and Mrs. C. E. Owen, all of Eastland.

PERSONALS

William Hazard, son of Mr. and Mrs. B. H. Hazard of Morton Valley, has been transferred from San Angelo hospital to Gaston hospital in Dallas for surgery by a bone specialist. William was victim of an oil field accident last July and has been hospitalized since. Mrs. Hazard said he would welcome any Eastland friends who might be in Dallas that would come by to see him.

Eastland FHA Plan For Christmas Cheer

The FHA of Eastland met at the high school auditorium Nov. 10 for their regular meeting. Reports from the district meeting were given.

The FHA song was learned by the club members. Annette Sherman gave an interesting talk on "The National Educational System."

Discussion for a "Christmas cheer" project brought the decision to send Christmas cards to a hospital in Austin, for the patients to use as their own cards to their friends. Plans were also made for a social in November.

Miss Loretta Morris, director for the group, accompanied the following girls to Abilene to the district meeting: Brenda Tankersley, June Warner, Jean Gaines, Virginia Caraway, Betty Westfall, Barbara Hightower, Dixie Day, Ellen Whatley, Barbara Dalton, Jean Gaines and Virginia Caraway attended the House of Delegates, where they elected officers for this year.

The group heard educational talks, interspersed with entertainments from various towns. The meeting next year will be held at Abilene Christian College, concluded reports of that meeting.

At the completion of business refreshments were served to members present: Brenda Tankersley, June Warner, Billie Jo Trout, Annette Sherman, Nell Urban, Geneva Mayers, Virginia Caraway, Wanda Blivins, Esma Noble, Laverne Akers, Allene Griffin, Sue Mize, Jo Ann Hollis, Earline Turner, Geraldine Johnson, Zelma Phillips and Miss Loretta Morris.

Housework Easy Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for years. It's amazing how many times Doan's give happy relief from these discomforts—help the millions of kidney tubes and filters flush out waste. Get Doan's Pills today!

\$7,000 Waits For—Perhaps It's For You

A will-o'-the-wisp search is underway in Texas today for two German immigrant brothers and their sister who would be quite aged if living and, therefore, more likely for their children or grand-

children who are wanted to claim a \$7,000 estate of which they obviously never heard. The brothers, if still living, are Friedrich Wilhelm Jaeger, 92 years old; Gustav Ferdinand Jaeger, 89, and the sister, Mrs. Anna Elizabeth Maria Joeger Koenig, 97. If they are dead, then their children would succeed to claim, with grandchildren next in line.

James W. Smith, probate generalist, 1299 California St., San Francisco, who specializes in tracing missing relatives to settle estates, is directing the hunt, but without clues as to in what part of Texas members of the Jaeger family may now be living.

"Friedrich Wilhelm Jaeger and Gustav Ferdinand Jaeger, and Mrs. Koenig were born in Germany," Mr. Smith said, "and emigrated to this country while in their 20's or 30's. They are reported to have settled somewhere in Texas, but information as to just where is lacking. Mrs. Koenig was presumably accompanied by her husband. There are also indications that their descendants after the translation of Koenig is (King) there is a possibility that the Koenigs or their children may have changed their name to King to Americanize it.

"The estate in question was left by a relative who died without descendants and under the circumstances it reverts to the elder Jaegers or, if they are dead, to their descendants."

Dr. Cox Offers Posture Tips To Aid Health

Guilty of pretzel posture? Does your body profile look like the bent part of a capital "D"?

Then harken to the words of State Health Officer Geo. W. Cox as he explains that good health and appearance have their starting point in good posture.

Here's how you, too, can obtain the stance of a Grecian god or goddess, as the case may be:

Hold your head high and pull your chin in until your eye level is parallel to the ground. Pull your

shoulders back and make the shoulder blades form as near a flat surface as possible. Raise your chest up and push it forward until the buttons strain. Draw your abdomen up and in, and when you breathe make sure it's your chest that rises and falls rather than the abdomen. Flatten the lower part of your back, trucking the buttocks as close under the hips as possible. Tip your back down. Hold your knees straight but not stiff. Put your feet parallel, with the weight evenly balanced.

A good posture can be had without stiffness or strain, so don't exaggerate.

Some people feel it is more comfortable to walk, stand, or sit in a slouchy position, drooped over like a wilted weed. In your vain attempt for more comfort in daily activity, don't forget that the true secret of good posture is to keep the body well balanced throughout the day.

The old saying has it that "there's a place for everything," and Dr. Cox says that goes for the human body. Each organ has a specific space in which its function is performed. The vital organs—heart, lungs, abdomen, etc.—tend to be cramped when the body is slumped over.

Cramped lungs cannot deliver a full supply of oxygen; circulation is slowed up when the heart is cramped; and a cramped stomach impairs digestion.

"Remember," the doctor cautions, "true comfort and true relaxation comes with good posture." In street parlance that means "straighten up, friend, you'll feel better."

After Killing Buck Here's Next Step

The annual army of Texas hunters soon will take to the brush and mountainside to seek the antlered buck both for the thrill of good marksmanship and the satisfaction of ultimately being served a juicy venison steak.

A practical side to the sport after the proud buck has fallen, says R. E. Callender, extension wildlife specialist, is the preservation of the meat. Don't waste an ounce of it, he says, because venison is a palatable substitute for domestic animals. Deer meat may be processed similar to beef or lamb.

Immediately after the animal is shot in the field, bleed and quickly remove the viscera, Callender says. The carcass should be wiped dry inside with clean rags and if the animal is badly shot up it may be necessary to wash the inside with water. In any case, dry the carcass promptly.

The prize possession should remain dry and be cooled immediately. If cold storage is unavailable, prop open the carcass and hang it from a tree to chill at night and during the day wrap it in a tarp or blanket and move to a shady spot. Impair digestion.

Transport the fallen buck inside the car or in the truck. This, Callender adds, is better than on the fender next to the warm engine. The buck should be wrapped for protection, especially from flies.

Deer meat is successfully cured, but the thick, plump rounds pro-

cess best. The most satisfactory method is to have the carcass cut into the desired pieces and placed into a freezer locker, Callender points out.

He says the shoulder, neck and lower portion of the ribs when boned makes good sausage. Two parts venison and one part pork fat is a flavorful mixture, but for a dryer product use three parts deer meat and one of pork fat. Season with 14 ounces of salt and three ounces of black pepper to 50 pounds of meat before it goes into the grinder. Some, Callender says, prefer to season with salt only at the time the meat is ground. Other seasonings are added later for meat loaf, hamburger or chili.

If the meat must be transported a considerable distance it may keep better if first frozen solid. Put, Callender concludes, frozen meat must always be utilized as soon as possible after thawing.

DO IT TODAY

Remember When You Had to Shout?

MANY RURAL TELEPHONES used to be connected to a single wire instead of a pair. As a result, you often had to shout to make yourself heard. Now practically every Southwestern Bell rural telephone in Texas is on an all-metallic circuit—and you can depend on clear, distinct transmission. That's one of many ways we are working to improve our service to rural customers—at the same time we are working to extend service to more and more farm homes. This year alone we are spending \$4½ million in Texas for more and better rural telephone service. **SOUTHWESTERN BELL . . . A TEAM OF 28,000 TEXAS TELEPHONE PEOPLE . . . AT YOUR SERVICE.**

Mr. and Mrs. Maurice Hazard and Don of Eastland were guests Sunday afternoon in the home of her parents, Mr. and Mrs. R. A. Parker.

Mr. and Mrs. Byrd and daughter of Denver City, were visiting in the community last week with Mrs. Byrd's aunts, Mmes. J. W. Mounce, C. L. Henderson and Floyd Crawley.

Mr. and Mrs. M. O. Hazard accompanied by Mrs. Sam Fonville and Earl of Desdemona were visiting in Eastland Saturday with Mr. Hazard's sister, Mrs. Pearl Bourland.

Glamorous Shrine Circus Shows in Fort Worth, Nov. 20-29

CIRCUS THRILLS! "The greatest show of them all," that's the promise of Paul Hamilton, chairman of the 1953 Moslah Shrine Circus to play in Fort Worth November 20-29. That's Hamilton in front of the sign board. Among the acts, clockwise, Moslah's performing elephants, one of the better "educated" animal acts; Linon, one of the greatest tramp clowns in the circus world, and master of the bouncing rope; Renee, beautiful aerialist; Pat Anthony and his snarling lions—tops in wild animal acts; the thrilling aerial ballet of John Gibson and Company, and Florida Zucchini of the human cannon ball act. They'll all be there—daring performers, wizards of the high wire and tight rope and animal acts galore. The Shrine Circus plays at Will Rogers Coliseum. There will be 10 nightly performances and matinees on November 21, 22, 26, 27, 28 and 29. There will be free parking.

Control Board Adds Inspectors

The addition of ten new inspectors by the Texas Liquor Control Board will be of tremendous help in bringing about closer observance of the state's liquor laws, Coke R. Stevenson Jr., the board's administrator, said today.

A training school for 10 applicants for the position of inspector began Nov. 2, Stevenson announced.

The men will be taught rules of evidence, the law as it applies to search warrants, and details of the liquor control act as it applies to both wet and dry territory.

At the end of their training period, and upon passing an examination, the men will be commissioned inspectors.

The names of the trainees were not given because most of them will go into service as undercover men.

Five additional inspectors were authorized by the last session of the Legislature, Stevenson said, and five more are needed to replace men who are no longer with the department.

With the ten new men, the board will have 111 inspectors scattered over the state.

Grand juries of Houston, San Antonio, and many other cities have asked for more L-men to help enforce the liquor laws, Stevenson declared.

He said the enlarged force will be better able to supervise liquor and beer establishments and to watch for movement of beverages into dry territory.

To do a complete job of liquor law enforcement, however, still more men will be needed, Stevenson said.

Cook faster, cleaner, cooler with AUTOMATIC GAS

IT'S OLD STOVE ROUND-UP TIME... TIME TO —

trade 'n' Save

Old Stove Round-Up is the only annual nationwide sales event devoted to a single appliance. This year it brings you the biggest choice of modern cooking features — and more special values than ever.

Shop. See new foldaway shelves that give you 50 percent more working-top space... new decorator color styling... new griddle tops... new oven-high automatic broilers and dozens of other improvements that make cooking more efficient and easy.

If you are putting up with an out-of-date range this is a golden opportunity. Shop and swap. Trade 'N' Save during the Old Stove Round-Up.

GAS — CHEAPER 4 TO 1

Only Gas gives you all these modern features!

Automatic

Two clocks watch your cooking for you. One turns oven on and off, cooks whole meals while you're busy elsewhere. Other times top burger foods.

Instant Heat

Only Gas gives you high heat... changes to any heat instantly. You get hundreds of heats instead of a few. Saves time. Cooking's easier!

Smokeless Broiling

Only Gas broils without smoking. The reason? Live Gas flame consumes normal surface smoke and greasy vapors. Cooler because door is tightly closed.

Perfect Baking

Foods roast and bake evenly for Gas ovens stay on — don't switch on and off. New miracle-fibre insulation on all sides keeps heat in, kitchen cooler.

Shop and Swap. Trade 'N' Save, Now!

OR LONE STAR GAS COMPANY

HEAT VENTS

are a SEIBERLING Exclusive

SEIBERLING Tires are the only Heat Vented Tires on the market. The patented Heat Vents "breathe out" scorching heat that causes blowouts... "breathe in" cooler air. The cushioning action of heat vents also helps lessen effects of dangerous "Traction Waves" caused by normal flexing action of tires at high speeds. This means LESS heat build-up... LESS damage to tires. Heat vented tires give longer mileage, greater safety!

Flexing action is confined to a small area. Severe bending action weakens cords.

Flex-Air Design increases flexing area. Gives 45% more protection in the "blow-out zone."

SEIBERLING Safe-Aire

CLAW-GRIP TREAD WITH TRACTION SLOTS This tread has over 250 "Traction-Slots" scientifically spaced at regular intervals in the tread design. When the brakes are applied, these slots react similar to a windshield wiper... the keen edges spread out, "wiping away" moisture on a WET pavement, providing a better grip on DRY pavement. Stops up to 23% quicker than ordinary treads.

SCUFF-BAR

Seiberling's "Modern Design" now provides you with practical protection against sidewall scuffing... the Safe-Aire "Scuff-Bar." This strong rib helps prevent scuffing, keeps white sidewall clean longer... reducing maintenance costs and insuring longer wear.

COME IN TODAY FOR A Demonstration Ride!

3 EXTRA PIGS PER LITTER ON THE PURINA PROGRAM MAY MEAN

TRIPLE PROFITS

1/3 More Pigs ... Triple Profits
 The average hog man makes a profit on only 1.4 pigs. At Purina's Farm, 1-3 more pigs were weaned ... 4.1 pigs above national average ... about TRIPLE PROFITS!

1/3 Heavier Pigs At Weaning
 Weight of the average pig at weaning is about 30 lbs. But with the addition of Purina Pig Startena to our Program, we're weaning pigs that weigh 47.62 lbs. ... far better, than 1-3 heavier.

1/3 More Pork ... Less Grain
 It takes about 12 bushels of corn alone, or 40 lbs. of tankage or soybean meal and 7 bushels of corn to make 100 lbs. of pork. But on the Purina Program it takes only 45 lbs. of Hog Chow and 5 bushels of corn to make 100 lbs. of pork.

1/3 Faster To Market .. Less Labor
 The average farmer still takes 8 or 9 months to market a 225-lb. hog. Many hog men following the Purina Program are marketing 225-lb. hogs in only 5 1/2 months ... a big saving all round.

Don't Walk Yourself To Death

"Don't walk yourself to death." This slogan of the November pedestrian traffic safety program was quoted today by Col. E. B. Tilley of Houston, president of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation in advising pedestrians to exercise great care in crossing streets during the winter months.

"The pedestrian safety program being sponsored this month in Texas by the Texas Safety Association and the Department of Public Safety is an especially appropriate safety theme for November," Col. Tilley said.

He pointed out that pedestrian injuries and deaths always are higher in winter, when rain, snow and sleet present hazards for walkers and motorists.

"Also," he said, "dusk and darkness come early at this time of

Red sections of traffic lights in Pahransville, Columbia, are generally lettered with a short advertising plug. Because no one stops on the green light, that segment bears no legend.

Christian Science

This is a leading thought in the Christian Science Lesson-Sermon to be read this Sunday on the subject of "Mortals and Immortals": As one accepts his heritage as the immortal son of God, rather than a sick, sinning, and dying mortal, his human experience is improved. The "inheritance incor-

ruptible, and undefiled, and that fadeeth not away" (1 Peter 1:4) is one of the Scriptural readings included in this Lesson-Sermon. The Psalmist admonished, "Know ye that the Lord he is God: it is he that hath made us, and not ourselves" (100:3). In connection with this reference to man's spiritual heritage and the many others throughout the Bible, Mary Baker Eddy, the Discoverer and Founder of Christian Science, wrote, "The continual contemplation of existence as material and corporeal—as beginning and ending, and with birth, decay, and dissolution as its component stages—hides the true and spiritual life, and causes our standard to trail in the dust. If Life has any starting-point whatsoever, then the great I AM is a myth. If Life is God, as the Scriptures imply, then Life is not embryonic, it is infinite." (Science and Health with Key to the Scriptures, p. 550).

We Read in the Papers—

"Nice home burns. Nothing saved. Partially insured". These are expected occurrences and always happen, hence they have little news value except, perhaps, locally. But if the story should say "completely insured" then you have a news item of national interest because the incident is a rarity. What a tragedy that so few of us Americans, if any, carry adequate insurance to cover our life's savings in case of loss.

If it's Insurance, we write it.

EARL BENDER & COMPANY

Great Price Worthy Of Best - Karkalits

"The Pearl of Great Price is worth the best of every boy and man," Rev. W. A. Karkalits of First Baptist Church, Dublin, told over 50 men and boys at the annual R. A. banquet of First Baptist Church, Eastland, Monday night, Nov. 9.

Warren Chapman, counselor for the Royal Ambassador chapters and Association Leader, had charge of the meeting and introduced the work of Royal Ambassadors to the men and boys present and then the group was led in singing by Richard Johnson.

A male quartet composed of T. D. Wheat, Roland Koch, Richard Johnson and C. Melvin Ratheal, sang "O How I Love Jesus" and then the pastor introduced the speaker of the evening.

In his discussion, he said that things were not always as they seemed, and illustrated by a trick, having Otis Green cut the rope in two and then giving to our view a piece of rope that was whole. Also, he used another trick to show that many times, things were not lost as they seemed, but might be right where they had been left. Every boy should remember that he is a pearl of great price, and can become something wonderful, said Rev. Karkalits.

The Morgan Circle of the WMU prepared the meal, and the wives of the counselors served the food.

MISS RUTH BEATY—Bridal shower honoree in the Claude Maynard home, 312 North Walnut St., November 5th. Miss Beaty and Mr. E. O. Hallmark will be married November 21 at the bride-elect's home in Cisco.

Miss Beaty Is Shower Honoree In Claude Maynard Home

The home of Mr. and Mrs. Claude Maynard, 312 North Walnut St., was opened Nov. 5 at 6:30 p.m. to friends honoring Miss Ruth Beaty, bride-to-be of Mr. Grover E. Hallmark. The occasion was a surprise shower for the young lady.

The Maynard living room was delightfully gay and scintillating with flowers and greenery, where Mrs. Maynard welcomed her guests and introduced them to Mrs. J. F. Beaty and her daughter. Next to Miss Beaty to greet friends was Mrs. E. O. Hallmark, the mother

of Mr. Hallmark and Miss Patsy Ruth King who will be the maid-of-honor. Miss Jean Weaver of Olden registered the guests in the bride's handsome book for memories.

Miss Beaty was wearing a creation of Emily Don's taffeta and marquisette formal in green and white, the chosen colors for the wedding.

The tea table, arrayed in green and white carnations and taff tapers in silver holders was laden with decorated cake squares, nuts and mints in crystal and silver containers on an all white Madiera cut work cloth. Miss Margie June Poe was given the honored place at the tea service.

Gifts for the bride-to-be were on display and were the conversation sparklers for this enjoyable affair. Sixty-five friends called.

Co-hostesses with Mrs. Maynard for this pleasurable evening were Mmes. F. F. Robertson, J. C. Poe, Pat Turner, J. T. Weaver, and Mrs. Sam King of Cisco.

Friendship Class Enjoys Luncheon

The Friendship Sunday School Class of the First Christian Church had their regular covered dish luncheon at 12 o'clock Tuesday, Nov. 10, in the church annex.

Mrs. Winnie Wynn and Mrs. Clara Wingate were hostesses and arranged autumn flowers for table decoration. The group held a short business session when it was decided to combine the Dec. 8 regular luncheon with the annual class Christmas party.

The invocation was given by Mrs. Otto Marshall, guest of the class. Following the luncheon a quartette, Mmes. T. L. Cooper, R. L. Carpenter, Clara Wingate and Winnie Wynn sang "In the Garden" with Mrs. N. L. Smitham at the organ.

Members present were Mmes. N. L. Smitham, R. Todd, Lon Horn, Carrie Wood, T. A. Bendy, Myrtle McNatt, T. L. Cooper, Dave Fiensy, R. L. Carpenter, J. R. Gilbreath, Henry Ferrell, Millie Britton, Clara Wingate, Winnie Wynn, Sallie and Mrs. Otto Marshall.

Womanless Wedding To Be Real Treat

The big question—It is a "Woman's World?" The mothers and fathers of the South Ward Parent Teachers Association are setting out to disprove the old saying by staging a Womanless Wedding at the high school auditorium, Nov. 17 (Tuesday) at 7:30 p.m.

The Mons and Dads were laughing themselves in the aisle at rehearsal this week over the antics of the bridal party. It seems among other trivialities, the bride simply cannot make up her mind though she admittedly has been looking under the bed every night for the last ten years for the proverbial burglar. After she selected her bridal party: Flower girls Chas. Foster and Chas. Freyschlag; soloist Bill Frost; best man, Ed Sargent; she told the preacher, E. K. Henderson, who is to tie the knot, that she doubted that she could set sail on the sea of matrimony when she had for so many years looked forward to the

new fish that the high tide might bring in. And so stated by Mrs. James Wright, who is chairman for the group, until it can be announced with authority, the brides name will be withheld so as not to embarrass her parents if the groom were left waiting at the altar. Mrs. Wright stated that front pews will be reserved for the wealthy relations of both the nuptial parties.

Also, for the benefit of those purchasing tickets to see a wedding, they will not be disappointed if the first bride of his choice fails to appear there will be a line up of seconds just waiting for the chance to marry him.

The bridesmaids are O. R. Scott, Gene Rhodes, Dr. R. Verhetsel and T. D. Wheat.

The bride has chosen pale as her color theme for the wedding.

The stage band of the Eastland high school, directed by George Pledsoe, will present a pleasant prelude to the 50 and 25c takers who come to the wedding.

The wedding music will be temperamental, second only to the brides. The bride's father and mother are anxiously awaiting the moment they may extend their sympathy to the son-in-law.

They urge their friends to remember the date—Nov. 17. No invitations will be mailed but 50 and 25c passes are available at the door.

Baptist S. S. Class Of Business Women

The Business Woman's class of the First Baptist Church met in the home of Mrs. Florence Barber, West Main, at 7:30 p.m., Nov. 19.

President, Miss Lola Laney, opened the meeting with Mrs. Roy Rushing giving the opening prayer. Bible study was conducted by Mrs. Marvin Hood. Mrs. C. M. Ratheal gave a most interesting talk on missions.

After the regular business meeting a social hour was enjoyed by Mmes. Roy Young, Roy Rushing, C. M. Ratheal, Mary Hancock, Hannah Tindell, Hazel Green, Marvin Hood, Hazel Sullivan, Miss Lola Laney and Miss Alene Williams.
