Board hires five, accepts resignations starts search for football coach

The MISD school board placed five students at Merkel High in an on campus probation for a drug related incident, hired five teachers and accepted the resignations of two teachers at their scheduled meeting last Tuesday night at the high school library.

The board also decided to lease purchase copy machines for each school campus and decided to purchase two new 71 passenger busses.

The five Merkel High students placed in the on-school probation are in that program for a 10 day period and will then be evaluated by the high school principal at the end of that period. He will then decide whether or not to allow the students back into the regular classrooms. Currently, according to MISD superintendent Bill Everett, the students are in a special classroom and are doing their normal school workload. The students, their case and witnesses for the students appeared before the board in a closed session.

Resignations were accepted from Cliff and Janice Smith. They have already returned to Dimmitt where Smith will be head football coach. Smith was an assistant here and was head basketball

coach. Hired were Gloria Hoover, Don Lambeth, Theresa Lambert and Dana and Ron Yanky. The board also named Coach Townsend as the girls and boys head basketball coach and he will also coach the baseball team next year.

Currently, MISD has three coaching vacancies and a special meeting was to be held Tuesday to find a new high school football coach.

The board also heard the latest results in the 1984 Metropolitan Achievement Tests that were administered to students in all grades this year. MISD administrators were very happy with the results of the tests, especially in math areas.

Previous years testing here had indicated a need to improve math skills and this year the test results showed that students could perform math skills that are not expected for another year and in some cases were two years ahead. Everett attributed the improvement to a strong commitment here to academic excellence. Parents will be receiving individual student reports soon and more information about those reports will be available from the child's campus principal.

Council delays cable rate increase 60 days

The Merkel City Council decided Monday night to delay granting a rate increase to the operators of the Merkel tv cable system for 60 days and approved an engineering contract with Jacobs-Martin Engineering of Abilene for the new city park.

Ted Smith also was asked to remain as mayor pro-tem.

In regards to the cable rate increase, council said they were delaying the increase "to allow the operator of the system more time to implement improvements and we want to meet again with Mr. Little to talk about some of the rate charges in the proposed increase."

Council learned Monday night that the state is now administering some federal funds that are to be used to upgrade existing sewage treatment facilities and council gave city manager J. A. Sadler permission to allow Randolph-Gilreath & Associates of Abilene to prepare a proposal to seek those funds.

During a public hearing on proposed use of federal funds, the city decided to use some of the money for a paving project on Merkel's South side between Trundy and Manchester. The city will receive a little less than \$25,000 this year in federal matching funds.

Council also decided to hold a special meeting, probably next Monday night, to make a final decision on a pay raise or a retirement plan for city employees.

Merkel mayor Kent Satterwhite also signed a proclamation concerning the Medic Alert program here. It reads "Whereas: The Citizens of Merkel, Texas are concerned for the welfare and safety of all people with hidden medical conditions; and Whereas: The Medic Alert Foundation International has been in the forefront in developing a system of emergency medical identification and information; and Whereas: Medic Alert maintains a twenty four hour answering system, where each member's emergency record is maintained and is available to physicians and other authorized personnel on a collect-call basis providing a lifetime of protection; and Whereas: Since 1956, Medic Alert has dedicated itself to public health in the field of emergency treatment to insure that every person with a hidden medical condition receives the most effective treatment available; and Whereas: The success of Medic Alert, a non profit charitable and tax exempt foundation, has been totally dependent on membership and private donation. NOW, THEREFORE, I DO HEREBY PROCLAIM THE PERIOD OF MAY 1 TO MAY 31 TO BE: MEDIC ALERT MONTH AND I DO HEREBY URGE EVERYONE TO GIVE FULL SUPPORT TO MEDIC ALERT AND THE UNTIRING EFFORTS OF THEIR VOLUNTEERS. IN WITNESS THEREOF, I HAVE HERETO SET MY HAND THE 23rd DAY OF APRIL, 1984. Kent Satterwhite- Mayor.

Badger boys win all 4 district titles Tuesday

When the dust had cleared Tuesday in Hamlin, all four Merkel track teams walked away with district championships and for the Badger varsity track team, it was the second win in two years.

Varsity
The team started well in the field events Monday as Michael McCoy won the long jump and Matt Cain finished 6th. Randy Davis finished the day with two second places, both qualifying him for the regional meet as he was second in the pole vault and the high jump. Justin Amerine was 3rd in the pole vault and McCoy was 6th in the high jump. Steve Farthing also qualified for regionals as he was 2nd in the 3200 meter run. Donnie Brady was 5th in that event. The Badgers carried a four and a half point lead into the running events Tuesday.

The Badgers had to fight off two major disappointments Tuesday when sprinter and middle distance man Russell Lucas pulled a muscle and had to be scratched and Michael McCoy jumped the gun in the 100 finals and was disqualified. Both events cost the Badgers dearly in points.

Results from the field events included the 400 relay team consisting of McCoy, Cain, Milo Harris and Amerine were 3rd. James Wright won the 800 and Dean Franklin was 3rd. Matt Cain set a new school record in the 110 high hurdles to place second in that event. Milo Harris was 3rd in the 400. Matt Cain also set another school record in the 300 intermediate hurdles in winning that event and Dean Franklin was 6th. McCoy was 2nd in the 200. James Wright won the 1600 and Donnie Brady was 5th. The mile relay team, made up of three sophomores and a junior won. That team consisted of Harris, Franklin, Steve Farthing and Wright.

Junior Varsity
The junior varsity team lead the field after Monday's field events and never lost it as they scored 154

with their closest competitor Breckenridge scoring 126.

Field event results included Keith Watson 3rd and Tim Brandon 4th in the shot. Danny Santee was 3rd, Douglas Taylor 5th and Shane Reagan 6th in the long jump. Richard Powell was 2nd in the high jump. Tim Brandon won the discus and Clay Carey won the pole vault. Wayne Johnson was the day's leading scorer as he won the pole vault and was 3rd in both the mile and the two mile.

In the running events, the sprint relay team of Taylor, Powell, John Warkala and Watson were 2nd. Watson was third in the 200 and Santee was 5th. Warkala was 4th in the 100 and Santee 5th. Allen Windham was 5th in the 110 high hurdles and Tim Brandon and Gary Sutterfield were 3rd and 5th respectively in the 300 intermediate hurdles.

In the 3,200 meter run Johnson was 3rd, Chris Tomasch won and David Montgomery was 2nd. Tomasch also won the 1600. Clay Carey was 2nd in the 800 with Montgomery 4th. Powell was 6th in the 400. The mile relay team of Powell, David Teaff, Dusty Moore and Montgomery were 5th to complete the scoring.

8th Grade
The Merkel 8th grade Badgers outscored their closest competitor Breckenridge 188 to 142 to win the district championship in Hamlin last Tuesday.

Scoring for Merkel were Brit Pursley 1st, Ramon Moreno 2nd and Ricky Doan 3rd in the high jump. Moreno was 3rd, Lynn Hays 5th and Doan 6th in the long jump. Shane Newberry was 5th in the shot and Robert Rushford 6th. In the discus, Newberry was 2nd and Tony Roberts 5th.

Brit Pursley broke his own school record in winning the pole vault and leaped 12 feet. Maury Oler had his personal best time in placing 2nd in the 3200 and Joe Alvarez was 4th.

In the running finals on Tuesday, the 400 relay team was 2nd. They are Albert Chavira, Pursley, Moreno and Doan. In the 800 Newberry was 1st and Mike Farthing was 3rd. Pursley set another school record of 16.58 in winning the 110 hurdles while Moreno was 2nd and Newberry 3rd. Doan was 5th in the 100, Rodney Sittler was 3rd while Joe Alvarez was 4th in the 400. Moreno won the 300 hurdles Newberry was 3rd and Farthing was 4th. Chavira had his personal best in placing 2nd in the 200. Maury Oler, a track participant for only three weeks surprised his coach and the field with his 2nd place finish in the 1600, Sittler was 4th. The 1600 relay team of Sittler, Farthing, Alvarez and Pursley were 2nd.

Coach Olsen told *The Mail* "We participated in six meets this year, winning five and placing 3rd in Coahoma. I would like to thank the athletes, the administration and the parents for their cooperation and support throughout the season."

7th Grade
The Merkel 7th grade track team completed their season last Tuesday outscoring their nearest competitor Breckenridge 189 to 152.

Scoring for the Badgers was the 400 relay team of Freddie Gonzales, Steve Leverich, Eddie Proctor and Kenneth Jowers were 1st. The 1600 relay team of Gonzales, Isreal Olvera, Ricky Flores and Jowers also were 1st. Tony Trevino turned in a fine performance as he won both the 1600 and the 3200 and was 3rd in the 400. Ricky Flores was 2nd in the 400 and the 800. Chris Wright was 2nd in the 3200 and 6th in the 1600. Eddie Proctor won the 110 hurdles and was 2nd in the 200. Gonzales was 3rd in the 200, 4th in the shot and 5th in the long jump. Steve Leverich was 3rd in the 300 hurdles and 6th in the long jump. John McNeal was 2nd in the shot and 4th in the discus. Chip Dillon

was 5th in the shot and discus. Isreal Olvera was 2nd in the 300 hurdles with his personal best time of the year. Davy DeLeon was 5th in the 3200. B. J. Wiles was 4th in the 100. Jamie Mendez was

6th in the 200 and 6th in the 200. Jowers again won the high jump, pole vault and the 400.

Coach Huskerson said "I am real proud of this group of athletes for their hard work and

Taylor Electric meeting well attended

Taylor Electric Cooperative held their annual meeting at the Taylor County Coliseum Thursday with a large crowd in attendance. Among other events, the cooperative handed out employee awards for service. Employees receiving service pins including A.

During the managers report, Don Hart went over the finances of

the cooperative. As of December 31, 1983 the Cooperative had total assets of \$17,913,290 and liabilities of \$12,435,185. Total revenues for the year were \$11,475,984 and total expenses were \$11,145,386. Members earned capital credits of \$330,598 for the year.

Cancer takes life of Coach Mitts

Merkel High football coach Alvin Eugene Mitts, 46, died at 11 a.m. April 18 at his home.

Services were held at 3 p.m. Friday at Gruber Stadium under the direction of the Rev. Russell McAnally, Rev. John Wagoner and MISD superintendent Bill Everett.

A second service was held Saturday at 2 p.m. at the United Methodist Church in his hometown of Gruver. Burial followed at Gruver Cemetery under the direction of the Starbuck Funeral Home.

Born Nov. 1, 1937, he had been a standout athlete at Gruver high where he was a two year all-regional quarterback and was named to the second team all state in basketball his senior year. He was graduated from Texas Tech in 1961.

He held coaching positions in Lubbock, Wilson, Kress and Seymour before coming to Merkel last year. His teams had won five district championships in football and two bi-district championships and he took several golf teams to the state meet in golf while at Seymour.

He was a member of the First United Methodist Church here. He had married Eva Orthman July 19, 1959 in Plainview.

He is survived by his wife; a son Troy of Lubbock and his mother Bessie Mitts of Gruver, and a

brother Calvin of Hereford. The Badger Booster Club has started a memorial fund to place a lighted marquis at the high school in his memory. Contributions can be made to Sandy Laird or be taken to the F & M Bank here.

Chamber egg hunt draws 122

The Merkel Chamber of Commerce held an Easter Egg Hunt Saturday at the Merkel City Park and 122 children attended to find eggs that had been dyed and hidden by volunteers.

Drawings were held to determine winner of Easter Baskets filled with goodies. Winning those drawings were Tabitha Garrett, April Fisher, Charlie Caroland, Brooke Bigbee, Michael Warren, Robin Cochran, Chris Reppond, Lonnie Liggins and Robin Golson. Chamber of Commerce co-

managers Chris Young and Melanie Richards planned the event and said they wanted to thank Carsons, Ben Franklin, Circle A Western Wear, KMIO, P & L Auto Parts, Tims Shell, Hi-Val, Merkel Restaurant, J & J Automotive, D & T Automotive, Ray & Paula King and other persons who wished to remain anonymous for donations for the hunt. They also wanted to express their appreciation to the people who helped hide eggs and otherwise helped to make the day a success.

Coach's death, kudos to cindermen

by Cloy A. Richards

Merkel was saddened last week by the death of High school football coach Al Mitts. A memorial service was held Friday at Badger Stadium and was attended by a very large crowd of students and parents.

The Mail wishes to offer our condolences to his family.

Congratulations are in order to the boys track teams here as they served notice we will be the team to beat in the future in district track as the 7th, 8th, Junior Varsity and Varsity teams all won district championships.

The varsity won the championship with a very strong performance from sophomores and juniors, the JV won by scoring a heck of a lot of second, third and fourth place finishes and the 7th and 8th graders blew the fields away.

One performance was worth noting, Britt Pursley, pole vault-

ing for the 8th grade, jumped a height that would have been good enough for a third place finish in the varsity competition.

If Britt keeps that up, some of his brother Brad's records may be in real danger in a couple of years.

Congratulations are definitely in order to Eddie Lang as he has completed another spectacular season as track coach here. Now, if we can just get more than one through the regionals, planned May 4 and 5 in Odessa to the state meet in Austin.

The next time I hear of a barn fire over the scanner, I just may go out and take a few pictures, because of the recent respect I have just learned for barns.

I was in College Station this past weekend to participate in a barn raising at Lynn Acres (my dad's home just South of College Station).

Now mind you, this is no

ordinary barn. It was designed by a Texas A & M grad and longtime family friend Mark Robinson, who, when not working on various projects for dad, is a partner in a home building firm there.

My brother Glenn and I are not used to that sort of work, both being in the newspaper business for more than 6 years, and we found a few muscles that haven't been challenged in a while. We did not get the barn finished, but it was framed in one day and it was quite an experience.

Part of the things I missed over the weekend were when Melanie & Chris & Patty Young had an egg dying at our house Friday for the Chamber of Commerce Easter Egg hunt. They boiled and dyed 60 dozen eggs.

Being a math idiot I had to get out a calculator and when I got the answer, I confirmed my original suspicion, I'd much rather build a barn.

The Easter Egg hunt at Nelda Masonheimer's was a success. Volunteers that helped included Christine Funderberg, Deloris Chavira, Esther Carson, Maria Chavira, Ruby Hammond, Shirley McBride, Lois Pruitt, Alma Mae Hayo, Brenda Quinn and Stephanie Mitchell. Thirteen residents attended and prizes were won by Ollie Deatherage, Lula Land and Nell Turner. The prize egg was found by Ruby Griffin and it was a \$5 gift certificate to Ben Franklin's. The volunteers made the baskets and thanks go to all that helped make it a happy Easter hunt.

Bingo night was fun but we did not have enough volunteers so please try to come. Hugh and I were two we were unable to go. Sorry.

Buddy Smith & his fiddlin friends came Thursday night. The residents always enjoy them and we do appreciate them.

We would like to express our thanks to the ladies of the VFW for making Easter eggs and to the men that helped.

Olga Gamble is still in the hospital and we hope she is better soon. We are receiving a lot of calls about her condition and we are not able to give any news at this time.

Will Lambert has been adopted now but we still have a lot of residents that could use a friend. Will had company from Arkansas last week and he is not feeling well week.

We have had a lot of magazine donations lately and we appreciate them.

Aunt Maggie Townsend had visitors from midland over the weekend, her daughter and son in law.

We welcome Roy Bacus in our home. His friends are invited to visit him. He seems to be adjusting well.

And last but should have been first...but after you get up close to 75 you do not always do what you mean to do. But, we would like to thank our Editor for printing our news. We appreciate him a lot and wish for he and his family a lot of success.

The Badger Booster Club met Monday night to make final preparations for Saturday night's Athletic Banquet set for 7 p.m. at Heritage Hall.

Tickets to the banquet are available from Sandy Laird, Virgil Jones or Connie Mac Seymore. Parents and friends are urged to buy their tickets prior to the night of the banquet.

The Booster Club is sponsoring a memorial fund to place a lighted marquis at the high school in memory of Coach Mitts. Contributions are being accepted by Sandy Laird or Virgil Jones at the F & M Bank here.

Clean-up should begin at my place

by Russell McAnally

Learning a lesson should be a good experience. It is of lasting good if we put what we have learned into practice. My friend, Kenneth Ray, explained to us one day how a place gets to looking junky. There is no way to know how that first piece of junk gets there, but once it is there it is easy to put another piece by the first piece. It then becomes a collection place for all other odd pieces. This pile of junk may be special to us. It has some pieces in it that we certainly could not throw away. The build-up is so gradual that before we know it, we are surrounded by one big pile of junk.

It has been very embarrassing to me on two occasions when looking for an advertised garage sale - I stopped at the wrong garage. The owners of the two houses were positive they were not having a garage sale. People ought to keep their garages cleaned out. Some people build storage rooms to put the junk from the garage in, but that doesn't help. In a few days,

the storage room is full and there is no other place to put all of that junk but in the garage.

This week I received a call concerning a proposed clean-up for the City. The one who called may or may not have known that my place would be the best place to start the clean-up. I confess. That call started me on a general clean-up. If you will come by my place in two or three years - give me enough time to get the good separated from the bad. I will help you haul it off. If I am not here I will mark the good pile so you will know which one it is. Several buildings have been torn down here and that helps some.

Two trips to Germany left me with two suggestions on how to handle some of those clean up problems. First, in Ausburg, they leave it up to the individual to keep their lot clean, out to the street. If they did not do so, the city would send a clean-up crew to do the job and bill the owner for the expense. Second, on a given

day, one side of town would place their junk on the sidewalk in front of their house. There would be odd pieces of furniture and other usable items they did not need or want. People from the other side of town would drive by and stop and get anything they wanted. At a later date, the same would happen on the other side of town. The city would haul off whatever was left the next day. My son, whom we visited in Germany, brought back to America some of the pieces he had picked up on those sidewalk give-aways. All of us have things we do not need but would be helpful to others.

Young people and other organizations have offered their help in a proposed cleanup. Some older people need help. Being a minister, I cannot let this opportunity pass. A piece of junk, a thought here, a desire there, a word or an attitude can collect so slowly in our lives can become a junk heap. A trashy life is more unsightly than a garage that needs to sponsor a sale.

Mayor proclaims May 1 Loyalty Day

MAYOR'S PROCLAMATION

Whereas, The citizens of this city are extremely proud of this Nation's 200 year Heritage of Freedom and are loyal to the ideals, traditions and institutions which have made our nation so great, and

Whereas, Their obvious dedication to our way of life is indicative of a strong, continued desire to preserve the priceless American heritage, and

Whereas, They will be proud to stand up and

publicly declare their determination toward actively and positively safeguarding our freedoms against any foreign or domestic enemies, now

Therefore, I Kent Satterwhite Mayor of the City of Merkel, Taylor County, Texas, so hereby call upon all of my fellow citizens to take full advantage of the special occasion known as LOYALTY DAY, celebrated annually throughout the nation on the first day of May, as an incentive for every

true American to reaffirm his and her love of flag and country, and I do urge that all individuals, schools, churches, organizations, business establishments and homes within my official jurisdiction display proudly the Flag of the United States of America and participate

in public patriotic Loyalty Day activities which are to be sponsored by the Veterans of Foreign Wars of the United States, and others, on LOYALTY DAY, May 1, 1984.

Badgers hitting .333

The Merkel Badger baseball team is getting closer to it's best of five series with Electra, the only other baseball team in the district and the Badgers will have a probable starting lineup that is battering opposing pitchers at a .333 team batting average.

The Badgers are 5-8 on the year and head coach Phillip Pursley told *The Mail* last week, "We have only been out of two of those games, it has been a year of close games going against us."

Merkel will face Electra May 1 in Electra with a double-header and will face them again here May 8th in another doubleheader. If the two teams split those four games, a one game playoff will be held. Both schools will advance to the state high school playoffs under

UIL rules.

The probable starting lineup for district play and their batting averages are Jerry Davis (.326), Tommy Bolden (.348), Keith Watson (.464), Sean Woodard (.462), John Warkala (.385), Steve Farthing (.370), Kevin Mitchell (.269), John Ybarra (.226) and Dean Franklin (.143).

In the pitching department Steve Farthing leads the team in ERA and five pitchers have each recorded a win.

John Warkala and Keith Watson are tied for the team lead in runs-batted-in with 15 and Steve Farthing has 13, Sean Woodard 12. Keith Watson has the most home runs with 3, while Warkala, Farthing and Bolden have one each.

OR CASH REBATE THROUGH APRIL 1984

JOHN DEERE 40- TO 300-HP TRACTORS

Choose the John Deere tractor power size you need, finance with John Deere, and no interest will be charged until January 1, 1985. Or, through April, 1984, you can take the cash rebate in lieu of waiver as shown in the chart, lower right.

Special discounts on John Deere tillage tools: Buy a new John Deere tillage tool between now and April 30, 1984, and we'll give you a discount from the base price—10% off any field cultivator, disk, mulch finisher, mulch tiller, or chisel plow; 5% off any moldboard plow; and \$350 off a 250 SpraCart sprayer. That means, for example, you'd save more than \$1,500 on a 24-foot mulch finisher.

Special deals on Max-Emerge planters: Using special allowances from John Deere, we're cutting the price on all Max-Emerge planters...but only through April 1984. With the price of seed so much higher this year, you need the proven ability of a Max-Emerge planter to deliver maximum germination and uniform emergence more than ever.

Titan combines interest-free 'til the '84 harvest: Finance a new 4420, 6620, 6622 Hillside, 6601 PTO, 7720, 7721 PTO or 8820 Combine with John Deere and pay no interest charge until 1984 harvest season in your area. Or take a cash rebate in lieu of waiver through April 1984.

Double cash rebates worth up to \$1,500 on John Deere hay and forage tools: This offer covers new square and round balers, mower/conditioners, SP hay windrowers, and PTO forage harvesters. Buy any one now and get a cash rebate...PLUS a certificate entitling you to a double cash rebate for purchasing a second tool any time before April 30, 1985. See us for details.

Special financing offer on used tractors and combines: Interest charges will be waived to July 1, 1984 on all used tractors and to January 1, 1985 on all used combines purchased from your dealer through April, 1984.

THE STATE OF TEXAS
+TO: Dorothy Herpeche, whereabouts unknown Defendant, Greting:

You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before 10 o'clock A. M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 14th day of May 1984, at or before ten o'clock A. M. before the Honorable 104th District Court of Taylor County, Texas, at the Court House of said County in Abilene, Texas.

Said Plaintiff's Petition was filed in said court, on the 16th day of December, A. D. 1983, in this cause, numbered 15,878-B on the docket of said court, and styled Hilton Hackney and Helen Hackney Plaintiffs, vs. Dorothy Herpeche

d-b-a Mop Slinger Janitorial Service Defendant.

The names of the parties to the cause are as follows:

Hilton Hackney and Helen Hackney are Plaintiffs and Dorothy Herpeche d-b-a Mop Slinger Janitorial Service are Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiffs ask that they have judgement for all sums owed them hereunder, that Defendant be ordered to render in full and true accounting, that they recover attorney's fees as prayed for herein and that they have such other and further relief in law or in equity, to which they may show themselves entitled; as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Abilene, Texas, this the 29th day of March A. D. 1984.

Local demo convention is May 5th

The Taylor County Precinct 24 convention will be held at 7:15 p.m. May 5th at the Senior Citizens Center in Merkel.

The 15 rural Taylor County voting boxes have Merkel as the largest voting block and the relationship of that strength to the other rural voting precincts should inspire Precinct 24 voters to have a good turnout, according to Joe Lassiter. Merkel is situated in State Representative District 78 State Senatorial District 24 and U. S. Congressional District 17.

Persons attending the local convention must have voted in the May 5 Democratic primary or be otherwise eligible to attend. The rules do not allow for visitors.

Delegates are also required to register their name, address, phone number and presidential candidate preference.

The presidential candidates will then receive the number of delegates to the county convention

based on the percentage of delegates committed to him at the local convention. As an example, if there are 12 delegates at the local precinct convention and Presidential candidate A receives six commitments that would be 50 per cent times 26 (the number of delegates allowed from Precinct 24 to the county convention) giving Presidential candidate A 13 delegates to the county convention. If a candidate does not receive at

least 15 per cent, he will get no delegates. Delegates to the local convention are allowed to vote uncommitted to the local and county conventions.

The county convention will be held May 12 in Abilene.

Lassiter told *The Mail* "It is urged that all voters of Precinct 24 that cast ballots in the May 5 primary to attend the local convention and to voice your presidential preference."

Dear Editor...

Dear Sir:
I hope that everyone took note of last week's article by Merkel EMS president Vernon Wade on "Know the signs of a heart attack."

As a CPR instructor for the American Heart Association, we give the facts which are annually more than 650,000 victims die of ischemic heart disease. About 350,000 of these deaths take place outside of the hospital and usually occur within two hours after the onset of the symptoms.

The Merkel EMS hopes that you will take note of the signs and symptoms and don't become one of the 350,000 out of the hospital you waited past the time.

Vernon has written many articles that we hope can help save your life or someone you love.

If you need the Merkel EMS, please don't hesitate to call.

Sincerely
Connie Harris

Kindergarten pre-registration

Pre-registration for children who will enter Kindergarten for the 1984-85 school year at Merkel Elementary will be May 1 from 9:30 a.m. until 3 p.m. in the elementary school office. It is requested that noone try to pre-register before 9:30 due to normal school business that must be performed early in the school day.

To attend Kindergarten, a child must be five years old before Sept. 1, 1984. The enrollees must bring a birth certificate and proof of required immunizations.

City takes in drink tax

The City of Merkel recently received \$263.59 in it's share of the state tax on mixed drinks.

According to the state Comptroller's Office, Merkel has received a total of \$1,757.28 so far this year. The state collects a ten per cent tax on all mixed drinks legally sold within incorporated cities and then rebates 15 per cent of that tax back to the city where the drink was purchased.
