Scattered Shots

By the Editor

Last week's column brought several reactions, more or less as expected. One of my good friends disagreed with my remarks on graham cracker pie crust. As I pointed out to him, this is not the proper procedure. Don't argue with me, just bring me a sample of your product and I will be glad to give it consideration. If you could furnish a good cup of coffee along with it, that would help too.

One word of warning, ladies. Every person of the masculine persuasion who has commented to me on the tuna fish remarks has agreed with me.

I can't help wondering a little about the error I made last week when I put the Methodist Church heading on the Baptist Church news. Did the Baptists call off their baptizing, and the Methodists have one, so that the Informer could be right? I suppose this would be asking too much of their cooperation. Don't tell me the obvious way I could have avoided this wondering. I can see that too.

Returning to the subject of cooking, there are some Fire Dept. members who are very fortunate to have married good cooks. We are glad to recommend these ladies, and would be glad to do as much for any others who wish to submit samples. About the only necessity in making a cake or something for the Fire Dept. is to use a rather large cake pan.

Seriously, the Fire Dept. and Civil Defense unit appreciate the good response to their current fund raising project. This fund will benefit the entire community, and we do appreciate the donations and the kind words given us. We could give you a little good news on Hedley's insurance rate, but we will wait a little while because we think it will get even better.

Mr. and Mrs. Alva Simmons visited in Kansas City over the week end with Mrs Frank Simmons

Cotton Festival

A Festival Committee meeting was held in conjunction with the regular Lions Club meeting, last Thursday night. Some good reports were made, and it looks as though the Festival is shaping up fine. The big thing to do now is have a good turn-out for the booster trip this Saturday, Sept. 20. The caravan will leave Hedley at 8 a. m., travel to Memphis, Childress, Quanah, and return directly to Hedley. We will need all the cars and people who can go. If it is at all possible to send a car, please contact A. L. Cherry, Clifford Johnson, or Carl Morris. We can't get too many to go.

Golden Wedding

Mr. and Mrs. J. F. Mann will observe their golden wedding anniversary with open house at their home on Sunday Sept. 28, from 2 to 6 p. m. Friends are invited to call during that time.

4-H Beef Calf Tour

Donley County 4-H Club feeders made a tour last Saturday of beef calf feeding operations by the members in the county. H. M. Breedlove, county agent, and in charge of 4-H Club work in the county, says that twenty persons went on the tour, which started at 8 a. m. and ended at 6 p. m. in the Giles community. A picnic dinner was held at the Leathers farm at noon and everyone had a big time and saw all the other steers being fed by 4-H Club members. There are thirty two 4-H steers on feed this year. The first show for the clubbers after the Donley County show will be at Odessa on New Years Day, then Amarillo, Fort Worth, El Paso and Houston. The steers will be separated for the different shows according to finish and age says the county agent.

Hedley P.-T. A.

The P T A will meet at the high school on Monday evening, Sept 22, at 7:30.

The homemaking girls will provide a nursery for the children.

Mr. and Mrs. J. Royce Hall visited Mr and Mrs. J. H. Harris at Roswell last Thursday.

Mrs. R. B. Bramlett

Funeral services for Mrs. R. B. Bramlett of Amarillo, who passed away in a hospital there Friday, were held from the First Baptist Church here Sunday by Rev. J. S. Tipton. Burial was in Rowe cemetery under direction of Spicer Funeral Home.

Mrs. Bramlett was 33 years of age. She is survived by her husband, R. B., two daughters, Beatrice Alene and Patricia, and one son, Gerald, all of Amarillo; her mother, Mrs. Alice Fetters of Lelia Lake; three half brothers, William B. Hancock of Ureka, Nev., Jim R. Hancock of Borger and Jimmy Fetters of Lelia Lake; two sisters, Mrs. Gertrude Hatfield of Dumas and Mrs. Margie Sanders of Childress; two half-sisters, Alice Jo and Mary Jane, both of Lelia Lake; and her grandmother, Mrs. Ella Bridges of Memphis.

Methodist Church

Encouraging attendance marked the services of the last two Sundays. Only two weeks remain to hold the evening service at eight. Beginning on Oct. 5, these will be at seven. Quite a large number of people who ought to be coming never make it at this service. One wonders if they would be proud of their reason. This pastor has never heard a person say on Monday morning that he was sorry he went to church the previous day, but has listened to some pitiful excuses that testified to the achings of the conscience. It is quite possible to have your faith lifted at church, and then to lift others during the week. Some people are doing this.

Again, Sept. 28 is Church School Rally Day; Oct. 5 is Worldwide Communion Sunday; Oct 17 is Laymen's Day. Every Sunday is the Lord's Day; and every day gives all of us the opportunity to live a joyful life that is highly contagious.

Mr. and Mrs. J. Royce Hall and Miss Myrtle Hall attended the Hall family reunion at Amarillo Sunday.

Mr. and Mrs. W. H. Hill have returned from spending the summer in Wharton.

Robert Earl Kidd visited here last Thursday from Pueblo, Colo.

Hall County Picnic

A card from our friend J. Claude Wells of Memphis announces that the third annual Hall County Picnic will be held this year on Sunday, Sept. 21, in the Memphis City Park. They expect 3,000 to 5000 to attend, and all who come should bring a basket lunch. Plenty of ice water will be furnished.

All ex-Hall Countians are cordially invited to be present.

News From Our County Agent

Donley County will be represented again this year at the Amarillo Tri-State Fair, says county agent H. M. Breedlove. Breedlove will set up the county exhibit from products taken from the Donley County Fair, and will leave for Amarillo Saturday night right after the closing of the county fair. Everyone is invited to come in the Agriculture building while attending the Amarillo fair and look over the county exhibit.

County agent H. M. Breedlove has been appointed by Knox Parr, District Agent for the A & M College Extension Service to take the district one agriculture exhibit to the State Fair at Dallas. There are no county exhibits at the State Fair but only regional exhibits. Breedlove will get his products from the various counties showing at the Amarillo fair also from the Donley County fair. Any one having big watermelons can contact the county agent as he will need about twenty five large melons for the Dallas fair. These melons will be paid for by the State Fair so you might get a good price for some melons if you have the right size. Breedlove will leave for Dallas with the products on Sept. 28.

Mrs. Chloe Flippens of Hart and Mrs. Wanda Flippens and little daughter Kathy of Silverton visited with Mrs. Masten and Letha last week

Mr. and Mrs. Carl Reid have been visiting in Mount Pleasant.

Mr. and Mrs. C. M. Bailey visited in Amarillo Sunday.

Notice of Hearing

Notice Of Hearing
 To
 Appropriate Public Waters
 Of The
 State Of Texas

Notice is hereby given to whom concerned that Greenbelt Municipal And Industrial Water Authority, the postoffice address of which is Hedley, Texas, on the 11th day of August, 1958, filed its application in the office of the Board of Water Engineers for the State of Texas, in which it applies for a permit to appropriate of the unappropriated waters of the State of Texas, from the Salt Fork of the Red River in Donley County, Texas, not to exceed 30,000 acre feet of water per annum, 18,000 acre feet for municipal use and 12,000 acre feet for industrial use; capacity of proposed reservoir 100,500 acre feet, being more fully set out in said application.

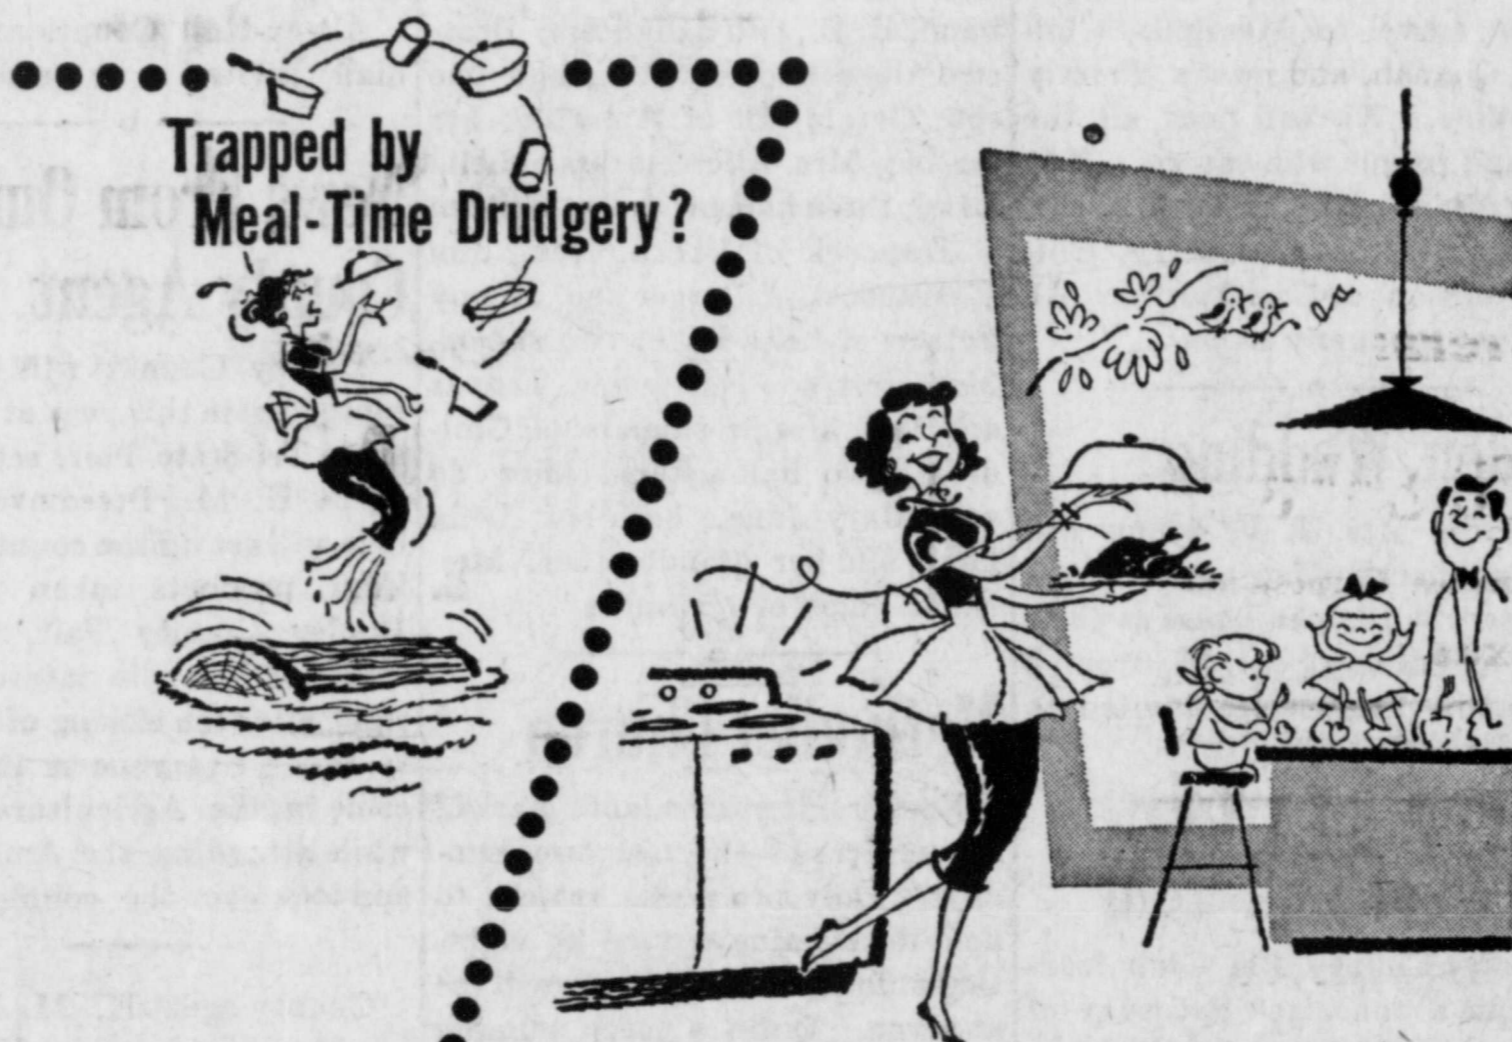

Station 40-00 of the proposed dam is located at a point which bears south 1200 feet from the northwest corner of H. & G. N. R R. Company, Block 21, Section No. 117, on the north bank of Salt Fork of Red River in Donley County, Texas, and is distant approximately 10.0 miles in a northerly direction from Hedley, Texas.

A hearing on the application of the said Greenbelt Municipal And Industrial Water Authority will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, October 6, 1958, beginning at two o'clock p. m., at which time and place all parties interested may appear and be heard. Those opposing the granting of said application should file written protests with the Board and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Board Rule 305.2. Such hearing will be continued from time to time, and from place to place if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this the 11th day of August, 1958.

Wesleyan Guild

A joint meeting of the W S C S and the W S G Wednesday night at 7:30 opened the new year. A salad supper was served from tables laid with pink lace place mats and centered with fall flowers.

Mary Haskins, president of the Guild, introduced the guest speaker, Mrs. Mac Tarver of Memphis, District President of the W S C S, who brought a very inspiring and challenging report to us from the 5th Assembly of the W S C S which she attended in St. Louis. Mrs. Hinds brought the devotional based on the programs for the year "Christ for the World We Sing." Mrs. Frances Cherry closed the meeting with prayer.

Those attending were Mesdames Mary Haskins, Joy Stewart, Frances Cherry, Eunice Mathis, Dean Nivens, Frances Hinds, J. B. Masterson, Frank Kendall, John Biard, Willie Johnson, John Tate, Ross Springer and our Memphis guests, Mrs. Tarver and Miss Isabelle Cypert.

The Wesleyan Service Guild will meet only once a month on the 2nd Wednesday night of each month. All women of the church who can meet more conveniently at night are invited to come meet with us and be active in the Lord's work.

Time

According to Webster, time is the period during which an action, process, condition or the like continues, which is as good a definition as could be given, I guess, of this elusive element that plays such an important part in our lives. It seems that no one has enough of it, for how many times a day do you find yourself saying, "If I had time—." In the Bible we hear an inspired writer saying, "A day is as a thousand years in God's sight and a thousand years as a day," simply showing that God doesn't reckon time as man does. Time, as we know it, is insignificant to God. Also we find that time is an earth-bound element, for we read in the Bible that at the "last Great Day" time will be no more. In heaven and hell there will be only eternity, and this for our limited minds is hard to grasp. However, this is no reason to shrug the Bible off as something that can't be understood, for in God's word we find the statement that "The way is so plain that a way-faring man tho he be foolish need not err there-in." The Bible says God can not lie, God says the way is plain. Truly time is fleeting, as far as we mortals are concerned, and our only hope of heaven is to act in obedience to God's will, while we still have time.
