Somehow I am beginning to believe that these people don't have as much faith in this graham cracker pie crust as they let on. So far nobody has brought any free samples to be judged. Probably if they had, it would have been lemon flavored anyway, and as far as I am concerned lemon pie is not good even with old fashioned pie crust.

A gratifying number of good citizens have responded to the current fund raising campaign being conducted by the local Civil Defense unit. I feel that every person who has contributed can take pride in the fact that he has had a part in something really worthwhile, and something that could be of value to every man, woman or child in this area. We hope that the Civil Defense fire truck is never needed, but if or when it is it is a mighty fine thing to have available.

The time is approaching for Hedley's big event of the year, the Cotton Festival. Many people are actively working to make it the success it should be. Perhaps Hedley's outstanding feature is the spirit of cooperation that is shown in putting over the Cotton Festival. Do you know any town of its size that puts on a better show? No, and I don't either. But the thing that makes it a success is that cooperation mentioned above. If you do not have a job in the Festival as yet, see one of the co-chairman, Carl Morris, Clifford Johnson or Aubrey Lee Cherry, and tell them you are willing. Every citizen is needed in this good work.

We might remind you again that if you want a concession Mayor C. H. Reid is the man to see.

One more thing; the Civil Defense unit and Fire Dept. will sponsor the cake walk at this year's Festival. We feel sure all Fire Dept. members' wives will make a cake, but we will need a few more. Any good lady who

LIONS ROAR

This week is regular Lions Club meeting. Lions Frank Murray and Hobart Moffitt have charge of the program. The Lelia Lake ladies will serve. Come out for a good program and a good feed. Eating time is 8 p. m.

Attendance at last week's directors meeting was very light but some reports were made. The Queen committee reports the girls are hard at work. The publicity committee's report was very favorable that means a good crowd is expected. Much more entertainment of every nature is needed to entertain the crowds.

Everyone on any of the Festival committees or who would like to be of help in any way is to meet with the Lions Club officers and directors at the Lions Den next Thursday night at 7:30. This will be only one week before the Festival and all reports should be in by that time.

Golden Wedding

Mr. and Mrs. J. F. Mann will observe their golden wedding anniversary with open house at their home on Sunday Sept. 28, from 2 to 6 p. m. Friends are invited to call during that time.

News From Our County Agent

Zone five of the Donley County Soil Conservation district will have an election for supervisor on Oct. 7 says county agent H. M. Breedlove. Zone five is south of Hedley along the railroad and clear up to Lelia Lake. Roy Jewell is the present supervisor. Breedlove says that the term of office for a supervisor is five years. All land owners, husbands and wives living in the zone are eligible to vote. The election will be held at the school house in Hedley on Oct. 7 at 7:30 p. m. Breedlove and Bill Swindle, local SCS work unit conservationist for Donley County will have a program of moving pictures and also refreshments will be served. All land owners are urged to be present to vote for your supervisor and to enjoy a good moving picture and refreshments.

will contribute a cake for this purpose, please contact a Fire Dept. member and we will count on you.

Cotton Festival

MARY BAKER

Miss Mary Baker will reign as Queen of the Seventh Annual Cotton Festival until her successor is crowned the last day of the Festival. Queen Mary is the 16 year old daughter of Mr. and Mrs. L. T. Baker and is a Junior in Hedley High School. She has done a wonderful job of promoting the Cotton Festival and the cotton industry.

Nineteen beautiful girls of the community are competing for her crown. Two of them attend Lelia Lake schools, four the Quail schools, and thirteen attend the Hedley schools. The winner and new Queen will be crowned in an outdoor coronation ceremony Saturday night, the 11th.

She will then take over her duties of furthering the cotton industry and reign over the Eighth Festival in 1959. Present indications are that she will receive many honors and gifts.

Methodist Church

The best Sunday evening attendance outside of what are called special occasions was counted this week, so far as the duration of the present pastorate is concerned. This is highly encouraging. Students are to be promoted in the regular worship service next Sunday morning, and the sermon will follow the theme of Church School Rally Day. The Worldwide Communion Day service is Oct. 5, with Laymen's Day on Oct. 19, two days later than reported last week. What would be wrong with a Friday church service sometime? It is an idea. Please let the pastor know of sickness or other valid reasons for a hospital or home call.

Welch-Moore

Miss Janie Moore, daughter of Mrs. Hazel Moore and the late Mr. Moore of Memphis, and Cecil J. Welch, son of Mr. and Mrs. C. E. Welch of Hedley, were united in marriage last Saturday at Memphis in the home of Church of Christ Minister Tom Pickard, who performed the ceremony.

The bride wore a suit of royal blue with black accessories.

After a short wedding trip, the couple are at home on North Ninth Street in Memphis, where Mr. Welch is employed.

Cub Scouts

All Cub Scouts and boys wanting to join are requested to meet Friday night at 7:30 at the grade school building, according to an announcement by Sam Sanders, Cub scoutmaster. All Cubs are asked to bring their uniforms to get ready for the Cotton Festival parade.

Refreshments will be served.

Card of Thanks

A wonderful Surprise Birthday Dinner is just what I experienced last Sunday. I wish to say "Thank You" so very much to those who furnished the food, to those who sent birthday cards, gifts, and birthday wishes, and to my Junior Sunday School class for singing, "Happy Birthday." Your thoughtfulness means so much. May God's richest blessings be yours.

Mrs. Melvin Mathis

Announcement

This truck is intended for the benefit of the entire community and surrounding area, and is ready to render help when needed, day or night. This is a service of which the community can well be proud.

A Looking Glass

Mirrors are no modern discovery for they are spoken of as far back as the second book of the Bible, also in Job, and in the New Testament. They may have been brought out of Egypt by the Israelites, for the Egyptians did many amazing things that are still a puzzle in this modern day such as embalming bodies in a way that preserved them for years and building huge Pyramids that have stood through the ages. Mirrors are sometimes misleading or rather the way we look at ourselves in them. It seems to be a trait of the human being to excuse ourselves for a fault and be quick to condemn another. A man who thinks nothing of telling a lie, will look down his nose and point a wagging finger at the man who steals, yet the same God who condemned stealing, is said to hate a liar. It's entirely possible to be mistaken about ourselves for Jesus said "If a man thinks he is something, but is nothing—" plainly showing that we can be fooling ourselves about the state of our own soul. God's looking glass for us is his holy word, if we can see the reflections of our actions and our way of life in it, we can look forward to a home in heaven.

News From Our County Agent

Donley County came out in fine shape at the Tri-State Fair at Amarillo this week says county agent H. M. Breedlove. The county winning the most ribbons this year was Crosby County from the south plains, Donley County was second and Lamb County third. The Donley County agriculture exhibit was set up from farm commodities that were taken from the Donley County Fair, Breedlove says that the people setting up the county exhibits did a splendid job in selecting good quality products and it sure helped in the showing at Amarillo. Breedlove was assisted at Amarillo in the showing of the county exhibit and also in setting up the display by W. H. Cooke III of Hedley.

Mr. and Mrs. Henry Nivens, Mr. and Mrs. L. B. Brown and Mrs. Woodroe Farris spent last Saturday in Pampa shopping.

Supt. J. S. Hinds attended a school administrators meeting at Amarillo Tuesday.

Mr. and Mrs. Al Manny of Lubbock visited here the past week end
