Christmas Time

Another Christmas season is at hand, a delightful time of year when people all over the land seem to experience an unusual amount of brotherly love toward all men. For most I think this is because in their minds they go back across the centuries and remember that God, creator of mortal man, loved men so that He sent his only dearly beloved son to the earth that man might have a part in the eternal plan of God. It's a marvelous thing at any time of year to remember Christ, why He was born, how He lived, and why He died. In so far as to what season of the year Christ was born the Bible doesn't say. The word Christmas originated from Christ mass or a mass to Christ celebrated in the Catholic Church, the idea of giving gifts from the gifts brought to the holy Jesus by the Wise men, The important thing of course is not when he was born, but that he was born. The Bible speaks of the first day of the week being the "Lord's Day." The disciples met every first day to worship him. It's important too, to remember that Christ not only was born into the world as an infant and brought many blessings to men while He lived here, but that as a grown man He died an agonizing death on a cross, the pain not so much perhaps from the stripes and nails as from the mountainous burden of sin piled on His shoulders. He who was pure and could not sin bore the brunt of all sin, since the world began till time will be no more, and from that time has been an intercessor from man to God. He loved us to this great extent. The Bible says if we love Him, we'll keep his commandments.

ASC News

The Cotton Marketing Quota Referendum carried in Donley County with a vote of 133 for Quotas and 37 against. The referendum also carried in the National report. With the Marketing Quota in effect there will be the provision for either Choice "A" or Choice "B" allotments. Donley county cotton producers will be given all available information on the 1959 program as the information reaches the county office.

With an adequate amount of moisture throughout most of the year, we are completing the season with a lot of good cover. The county still has funds for carrying out ACP practices. Anyone desiring to carry out ACP practice are urged to contact this office immediately so there will be sufficient time to substantially complete them by December 31, 1958.
