A Good Meal

You have an opportunity to get a really flavorsome meal for a reasonable price if you eat with the ladies at Lelia Lake school lunch room this coming Friday afternoon and evening. A menu consisting of turkey, dressing, gravy, candied sweet potatoes, green beans, cranberry salad, banana pudding, coffee and tea are yours for these prices: adults, 75¢; school students 12 and over, 50¢; children under 12, 25¢. Serving begins at five and goes until 8 if needed. This is in preparation for the junior-sponsored basketball game, in which men will play in dresses against the high school girls, under girls' rules.

Basketball News

The Hedley girls played two important games last week against Samnorwood to determine the district championship. The games were held in the Quail gym, as the most convenient location for both teams.

In the first game last Wednesday, the Owlets won 62 to 58. T. Sanders made 33 points, B. Sanders 22 and Alexander 7. In the second game, on Friday, the girls lost 53 to 55. T. Sanders made 29 points, B. Sanders 13 and Alexander 11.

The third and final game was scheduled for this Wednesday night. The results will not be

Mrs. W. D. McDaniel

Mrs. Ida Mae McDaniel passed away Tuesday morning of last week in Worley Hospital at Pampa after a stroke Sunday night. Funeral services were held Thursday from the First Baptist Church here by Rev. J. S. Tipton. Burial was in Rowe cemetery with Spicer Funeral Home of Memphis in charge.

Pallbearers were Ray Moreman, Hobart Moffitt, J. R. Riley, Pete Matthews, Jess Mann and Leroy Harris.

Mrs. McDaniel was born at Arlington, Texas, April 3, 1882. She had lived in Donley County since 1921. She was a member of the Baptist Church. She was married to William Dave McDaniel Nov. 27, 1901, at Comanche, Texas.

She is survived by her husband, W. D. McDaniel of Hedley; three sons, Vernon and Wilton of Fort Worth and A. V. of Lefors; four daughters, Mrs. Maudie Blaylock of Fort Worth, Mrs. Cecil Riley and Mrs. Lena McDaniel of Pampa and Mrs. Martha Patterson of Amarillo; two sisters, Mrs. T. O. Thomas of Claude and Mrs. T. O. Monroe of Dalhart; two brothers, William Vaught of Dumas and Dave Vaught of Pecos; 18 grandchildren, 21 great grandchildren and a number of nieces and nephews.

available in time for this issue, but we are still pulling for the Owlets.

Public Schools Week

The Hedley schools will again observe Public Schools Week this year. The observance will be held next week, March 2 to 6, and is sponsored as usual by the Hedley Masonic Lodge No. 991.

All patrons of the school are invited to visit the school during next week, and in particular on Friday night, when open house will be held. A speaker is expected to be present Friday night, and everyone is invited to come out and hear him.

New Mail Carrier

We are glad to welcome Hedley's new mail carrier, Hollie Byers, who has moved here together with his wife, Ila, and their little daughter, Jacquie, from Tucson, Arizona. Mr. Byers takes the place of L. E. Blankenship, who has moved with his family to Tucson, and who has taken over Mr. Byers' former place as Rural Carrier, Route 4, Tucson.

Methodist Church

April 6-10 are dates to mark on your calendar. On those five evenings Rev. David W. Binkley of Memphis is to preach for us in a spiritual life mission.

Our attendance was fair Sunday. In the morning it was above the average for weather such as this. But in the stillness of the night the pastor counted the number of Methodists in the city limits who were not present all day Sunday, and pity if the number was not greater than those who got there. Surely God must feel forsaken at times. What in the world is going to happen to people in foul weather when they have only fair-weather religion? Chew on that while you wait for supper.

First Baptist Church

Sunday March 1st will mark a happy milestone in our church life. The note on our church has been paid off. The highlight of the eleven o'clock hour this Sunday will be a note burning ceremony.

Everyone is invited to be present for this special program.

Ross Adamson of Ropesville was an appreciated caller at the Informer office Wednesday of last week.

Owls Win Bi-District

The Hedley Owls came through in fine style Monday night in the bi-district game at Pampa, overcoming Miami 54 to 45. The Owls were ahead all the way, 9 to 8 in the first quarter, 26 to 20 at the half, and 38 to 33 at the end of the third quarter.

Bobby Lesley led the scoring for the Owls with 26 points, leading Hedley to their 31st victory for the season against 4 defeats.

The Owls will play the winner of the Bovina-Whitharral game in the regional tournament at Canyon Friday.

Boys Baseball League

J. L. Chesser was to go to Amarillo Tuesday to see a doctor and to price uniforms and other equipment for the boys' baseball league. Mr. Chesser, O'Neill Weatherly, and several others who are interested in the boys' league are planning to meet in the Lions Den Saturday afternoon at 3 o'clock. All boys who are in the age group 14 and under, and who are interested in the league, are invited to be present.

They hope to begin spring training early in March.

How The Game Is Played

Bill Wiggins

(Dedicated to the 1958-59 Basket Ball Boys and Girls)

School days for you will soon be over;

In the world you seek for wealth and fame.

But remember the score alone doesn't count—

Just how you have played the game.

The potter's clay is tried by fire; The good and bad are not the same. The fire of life that tries you best Is how you play the game.

When later years to life have come With great success or lack of fame Your greater treasure is to know How fair you played the game.

Successes come, successes go, Treasures vanish over night, But honor is never taken away If the game you play is right.

And when you come to the end of the way

Down life's long rugged lane, Remember the score alone doesn't count

But how you played the game.

NOW PROVE IT

It's easy to support the deductions on your income tax if you have your cancelled checks. Uncle Sam likes to see good proof of expense.

And if you don't pay by check, for your own protection you would be wise to do so before another day goes by. Stop in!

Hearsay

In the days when Jeroboam was king over the ten tribes of Israel, he decided he didn't want the people to go to Jerusalem to worship as they had been, instead he built two alters in his own kingdom and at each place he set up a golden calf. Then he said to the people, "It will just as well for you to worship here as at Jerusalem and you won't have to go so far." This was very displeasing to God for he had given them the pattern for the tabernacle and set rules to be followed in worship, and had promised them blessings if they did this, but warned them of punishment if they departed from it. When God saw the thing Jeroboam had done he told a young prophet to go over and tell Jeroboam of a terrible disaster that would befall if he continued this way. He told him also to go by one road and return by another and eat or drink nothing while there. This may have seemed foolish to the young man, perhaps he hadn't come to realize that God had specific ways of doing things and does not leave man a choice in the matter but simply says "Do thus and so," at any rate, as he returned home, he sat under a tree to rest, and an old man, a prophet also, came up to him and asked him to go on to his house and eat and rest himself. The young man protested saying that God told him not to eat until he reached home but the old prophet said, "God told me you could eat at my home," so the young man went with him, disobeying God and as a result was killed by a lion when he left the old prophet's house. God does not talk directly to man today, nor do lions roam at will as they did then, but God is the same and expects obedience of us just as he has peoples of all the ages. We need to read and study God's word for ourselves and not take the chance of believing what someone

More Clothes Needed

Some time ago we printed a letter from Allen Cope, in which he described a young lady who lives in Greece, and whose family was badly in need of clothing. We learn that the first box which was sent to her from here has been received, and that another box is planned for the near future. For anyone who would like to contribute some change to help with the mailing charges, a box has again been set up in the Owl Cafe. Also some surplus clothing is still needed.

We are also informed that there is still a local need for some good used clothing, particularly children's clothes, so if you have anything to contribute, either to local needs or to the young lady in Greece, please leave it at the West Texas Utilities office. By the way, the Greek young lady is Miss Martha Saryannidou, Messolongiu Street 12, Serres, Greece.

Boys Baseball League

Plans are being made for Hedley to have a boys baseball league this coming season. Funds are needed to buy uniforms for the boys, and a number of pledges have already been made.

It takes about \$8.00 for each uniform, and anyone who will donate for all or part of a suit is requested to leave the money as soon as possible at the Security State Bank. The boys will appreciate this encouragement very much.

Plans are also being made to put up lights on the ball field, so that games can be played at night.

This league is for boys 13 years old and under.
