FFA News

The Houston Fat Stock Show climaxed the year for the members of the Hedley FFA who have groomed show animals as a project for this school year.

A number of the boys were able to sell their animals through participation in the stock shows. Others were not so fortunate.

Raising show animals is an exacting as well as expensive project. Many of the local friends of FFA have again showed their appreciation of the boys' efforts and have given their encouragement by contributing financially to aid the boys who raised show animals.

The boys and Mr. Messer want to say thank you again to the following friends who have so loyally supported the local FFA Chapter through the years: Security State Bank, Paymaster Gin, West Texas Gin, Hedley Compress, Hedley Lumber Co., Moffitt Hardware, Hedley Feed and Seed, Moreman Grocery, Johnson Bros. Station and West Texas Utilities.

Because of a busy schedule Mr. Messer failed to see several of the people who have always lent their support to the boys. If any one else would like to contribute to the chapter he may do so by leaving the money at the bank or by contacting Mr. Messer.

Haire-Selby

Miss Joyce Selby and Don Haire of Brice were united in marriage March 5 in the home of Rev. Gene Harrison, minister of the First Christian Church at Boise City, Okla.

The bride is the daughter of Mr. and Mrs. L. C. Selby of Hartley, and the groom is the son of Mr. and Mrs. E. V. Haire of Brice.

The couple plan to make their home at Hartley, where the groom is employed.

I wish to take this means of expressing my sincere appreciation to all who were involved in the nice cash gift that was given to me last week end. The fans here have been very good to me and I want you to know that I really do appreciate it very much.

of school. Mr. Myers is a son of Mr. and Mrs. Earl Myers of Lelia Lake.

A. B. Sanders

Aaron Bunyon Sanders passed away Monday at the home of a daughter in Olton after suffering a stroke. He had been bedfast since January, when he suffered a broken leg in a fall. Funeral services were held Wednesday afternoon from the First Baptist Church here by Rev. J. S. Tipton. Burial was in Rowe cemetery.

Pallbearers were Vergil McPherson, O'Neill Weatherly, Hobart Moffitt, Tige Hill, Harold White and Frank Murray.

Mr. Sanders was born Sept. 2, 1870. He was married to Miss Ida Mae Holland in Oklahoma in 1898.

He is survived by three daughters, Mrs. John Peterson of Drumright, Okla., Mrs. Marion Parker of Olton and Mrs. Arie Woodfin of Muleshoe; four sons, William Sanders of Olton, Sam and Utah Sanders of Hedley and O. B. Sanders of Long Beach, Calif.; and a brother, D. W. Sanders of Phoenix, Ariz.

Road Committees

The Hedley Booster Club appointed A. T. Simmons, C. H. Reid and Aubrey Cherry as a road committee last week. The Lions also named a road committee consisting of Roy Jewell, Ross Springer and R. M. Saunders.

The committees plan to push farm to market and highway work in the community. Much work is needed in our area. It sure doesn't look like Hedley is getting its part.

To Visit Spur

The committee that works with the Vocational Agriculture department met Monday evening to make plans for a visit to the experiment station at Spur, Texas. They decided to go Saturday, March 21.

This trip is for all farmers of the vicinity who are interested in visiting the experiment station. The group will leave Hedley at 7 a. m. March 21.

Anyone who wants to go should let it be known by Friday so that arrangements for transportation can be made. Those interested should contact one of the following: A. G. Alexander, W. B. Wiggins, Ray Altman, Harold White, John Stephens, or Doyle Messer.

Fat Stock Show

Mr. J. S. Hinds
Superintendent of Schools
Hedley Public Schools
Hedley, Texas

Dear Mr. Hinds:

Once a year, as Superintendent of the Swine Show, I have the privilege of working with high school vocational agriculture students and their teachers at the Houston Fat Stock Show. I enjoy this for it gives me the opportunity to observe their actions, behavior, and attitudes. This broadens my perspective and keeps me aware of the problems confronting our schools in selecting teachers and developing curricula for our schools.

I take pleasure in commending you, your school, and community for having an outstanding vocational agriculture program as evidenced by your teacher, Mr. Messer, and the FFA members from your school who exhibited swine at the 1959 Houston Fat Stock Show. These boys were well behaved, cooperative, and attentive to their duties. They were, as far as I could ascertain, gentlemen at all times. I feel that the training they received by exhibiting will have a lasting beneficial influence upon them.

Mr. Messer showed the qualities that are desired of leaders of boys and I commend you and your school for having a man of his type as a teacher in your school. I feel that the boys under his supervision received superior training during the Houston Fat Stock Show.

Sincerely,
J. R. Jackson
Associate Professor and
Superintendent of the 1959

Card of Thanks

I wish to express my sincere thanks to all my friends for their cards, flowers and visits while I was in the hospital. I appreciated them all very much.

Methodist Church

Baby boys were very much in the church news this past Sunday morning. Mr and Mrs. Carter Huffman presented their nine month old son, Anthony Howard, for baptism just before the sermon. It was also announced that the name for the second son of Mr and Mrs. Aubrey Lee Cherry is Aubrey Clay. It was considered slightly too early for him to make his first appearance at church. Floral offering was in memory of Mr and Mrs. J. C. Stinebaugh, parents of Mrs. Cherry. The Huffmans were accompanied by the grandparents, who live here, and by a brother's family from Dumas. Young people had charge of the evening service. This was a belated Conference Youth Day program. The church had turned out the previous Sunday evening for the dedication of the Lakeview Methodist Church.

Important dates for the future are April 6-10, at which time Rev. David W. Binkley is to preach in a series of special post Easter services. Beginning in April all evening services are at eight. Until then, seven is the time.

Attend Field Day

Carl Morris and Doyle Messer attended a field day on Feeding Beef Cattle at Texas Tech Saturday, March 14.

Several of the leading beef cattle men of the state attended this meeting and served as a panel to answer questions regarding feeding of beef cattle.

There were also exhibited 8 control groups of beef steers with 10 steers to a group along with their complete records.

These men would be glad to share the information they gained by their trip with any one concerned with latest methods of feeding.

Rusty Mosley was brought home Tuesday from a Memphis hospital where he had been ill with flu.

Elijah

After the children of Israel had established themselves in the land of Canaan, they demanded of Samuel who was judge that they should have a king. Samuel protested, telling them God was their King, but they insisted so God told Samuel to find a suitable man and make him king. It wasn't long before the people realized they had been very foolish, for many of the men who served as king were wicked and cruel. One of the worst of these was King Ahab who married a woman of Sidon, built an altar to Baal in Samaria and worshipped the idol instead of Jehovah God. God sent the prophet Elijah to reason with Ahab but Jezebel, Ahab's wife, had all the prophets in the land killed, and Ahab continued in his wicked ways. After a time Elijah became discouraged and decided to run away and die. He was a man who talked with God, but he didn't consult God about this decision, he just decided he'd done all he could and he felt this was the best thing to do. But God sent an angel out to Elijah with food. He didn't allow Elijah to do what he felt was right, but talked to him and showed him the thing God would have him do. He talks just as plainly to us to day by His Holy Word, the Bible. In the Bible we read, "It's not in man that walketh to direct his own steps." The way I feel about God's commands and the way you believe and feel aren't worth a thing in God's sight unless they coincide with the written word of God.
