

# The Hedley Informer

VOL. 50

HEDLEY, DONLEY COUNTY, TEXAS, NOV. 6, 1959

NO. 2

## B&PW Club Play

By Virginia Browder

If you have never seen Dr. David Aronofsky as the hard boiled but lovable "Judge Roy Bean"—if you have never heard Bill Leslie sing—then do so Friday or Saturday nights, Nov. 6 or 7, in Memphis.

This rip snortin' western "melodrammer," "The Law West of the Pecos," is one you dare not miss and is being sponsored by the Business and Professional Womens Club of Memphis.

Anything is likely to happen—and does—when Carl Baker, as Pistol Pete, drinks "picklin' alcohol." But Pete is tough and it takes more than that to kill him. Johnny Harrel as Riverboat Roy from New Orleans deals a mean hand of stud poker but is finally brought to justice by his honor, Judge Bean.

A goodly sprinkling music of the Gay Nineties vintage livens up the scene when Letha Springer, as Frisco Fan, the beguiling soubrette and Mary Helen Sexauer as the beautiful Lilly Langtry with her troupe of actresses sets the local yokels on their ears with their soothing melodies. A blending of the voices of Buster Helm, Robert Stewart, Johnny Harrel, and Thurman Ellerd go to make up a "Barber Shop Quartette" the like of which you have never before heard.

And, for good measure, Dorothy Wheeler as "Molly Darling" will yodel her way straight to your hearts. Floyd Barton as the saloon piano player and Mack Graham with his fiddle band will leave nothing wanting as to musical trimmings. Richard Stotts as Cowboy Joe, and Tobe Clements as the station agent, not to mention Floyd Hardin as Chief Crazy Horse, will keep things a-poppin' in "The Law West of the Pecos"

Don't miss it!

## LIONS ROAR

Something over forty Lions and their ladies enjoyed last week's ladies night meeting. Out of town visitors included Virginia Browder and Mr. and Mrs. Elmont Brannigan of Memphis. Mr. Brannigan gave a demonstration of grafting of trees and rose bushes and gave a very interesting talk on the growing and culture of roses, which

## UNICEF Report

Citizens of Hedley can be proud of the \$50.50 check the Methodist Youth Fellowship mailed to the United Nations Children's Relief Fund. This will go to help provide milk and medicine and save lives in over 100 countries and territories. May we say "thank you" for your very generous help and "God bless you."

Don Cox, Pres., MYF

Mrs J. S. Hinds, Counselor

## Family Reunion

Week end guests of Mrs. G. T. Foster were her children who came for her birthday. They were Mr. and Mrs. H. M. Foster and Shyrrie of Amarillo, Mr. and Mrs. Homer Greer of Wichita Falls, Mr. and Mrs. J. D. Foster and Johnny of Memphis, Mr. and Mrs. Noah Pritchett of Paris, Mr. and Mrs. Charlie Foster and Mrs. Mary Stotts and Nelda of Giles. Sunday Mrs. Stotts and Nelda entertained with a birthday dinner of turkey and all the trimmings. All of the children were there except Mr. and Mrs. Milton Foster and Donna of Masterson, who were unable to be present.

Stevie Patterson of Ropesville and Mrs. Kenneth Taylor and Debbie of El Paso have been visiting in the Jap Shaw home

Mr. and Mrs. D. D. Peters of Lubbock visited in the C. R. Hunsucker home Friday night.

was enjoyed by all, especially the ladies. The Lelia Lake ladies served turkey and dressing, cranberry sauce, pumpkin pie and what goes with it.

October was a very busy month for the Club with the Cotton Festival, the organization of the Lelia Lake Lions and 3 new members added to the club.

November also promises to be a very busy month for the Lions with a directors meeting and the Lelia Lake Lions meeting Thursday night, regular meeting next week, chili supper and Lelia Lake Lions the following week, regular meeting the fourth Thursday and the Lelia Lake Lions Charter night meeting Monday night, Nov. 30. Hedley Lions being the sponsor of the Lelia Lake Club, a big part of the program will be in charge of them.

## Burns-McPherson

Miss Kathy McPherson, daughter of Mr. and Mrs. V. T. McPherson of Hedley and Herschel Burns, son of Mr. and Mrs. J. J. Burns of Quail were united in marriage on the 31st day of October in Las Cruces, New Mexico, in the home of the bride's sister, Mrs. James Kirkland.

The bride was dressed in a black wool dress with matching accessories. She carried out the tradition of something old, something new, something borrowed, and something blue.

The best man was Roger Messer son of Mr. and Mrs. L. D. Messer of Hedley.

The bride and groom are planning their home here in Hedley.

## Dance Classes

Jeane B. Oliver of Memphis will be at the new bank directors room in Hedley from 5 to 6 p. m. this Friday, Nov. 6, to discuss dance classes for all ages, both tap and ballroom dancing

All interested are urged to contact her at that time.

## 1919 Study Club

The home of Mrs. R. W. Scales was the scene of the October 28th meeting of the 1919 Study Club. Mrs. Harrison Hall was co hostess. Mrs. Roy Jewell called the meeting to order with a silent period dedicated to members of the Club past and present. Twelve members answered roll call on Safety. The program on Safety followed: Mrs. Herlie Moreman, Safety Education, and Mrs. Oscar Moore, How to Stay Alive.

At the conclusion a beautiful devotional was given by Mrs. Frank Kendall and the Club Collect by the group.

Delicious refreshments were served by the hostesses to the 12 members and one guest, Mrs. W. E. Grimsley.

## Card of Thanks

The Hedley Fire Dept. wishes to thank Mrs. D. H. Cox for her gift of two pans of delicious brownies for their regular meeting Monday night. Everyone enjoyed them very much.

Nancy Lou Hinds was at home last week end from West Texas State at Canyon.

## School Tax Collections

S. G. Adamson, school tax assessor and collector, this week announced that school tax collections are coming in very nicely for this time of year.

From a total of \$21,389.80 in 1959 taxes, \$13,978.67 was collected in October, or a little over 65%. Of the amount collected, \$3,494.66 went to the sinking fund and \$10,484.01 to the local maintenance fund.

## Booster Club

The Hedley Booster Club met in the directors room of the bank last Wednesday night. Sandwiches, fried pies, and cokes were served to the members present and Bill Eller of Wellington, Boy Scout Executive.

A report of the year's activities was read and a complete report of the Cotton Festival to date was given. It will probably be another two weeks or so before the final report can be made.

New officers elected were Clifford Johnson, president; Carl Reid, vice president; and Aubrey Cherry; sec.-treas. Next meeting of the club will be in December.

Old business included keeping working on the Greenbelt Dam and the Bray-McKnight road. New business discussed included several new activities for the good of the town and community.

After the business meeting a committee offered their services on the Boy Scout Finance Drive which is now going on.

## LEGION NEWS

Next Tuesday night is the regular monthly meeting of the local post of the American Legion. All exservice men are urged to attend. New officers will be elected and installed. A free supper will follow the business.

The next day which will be November 11, Veterans Day, the post will hold open house beginning at 11 minutes after 11 a. m.

A drive for 1960 members is now on and the post hopes to have their quota of 98 by that time. The post hasn't been very active as to meetings or activities lately, but with new officers, backed by the other veterans, this should be a good year for the Legion.

It's so inexpensive to cook the modern electric way. The average family served by WTU can cook a complete meal the easy, fast electric way for less than three cents (3¢).

If you're like most homemakers, you'll agree to this: seeing your family sit down to a delicious dinner is one of the biggest thrills any woman can have. But—how often can you really enjoy it, when you're tired out, exhausted, after hours of battling with a balky, old-fashioned stove. Well, if that's your situation, get ready for something wonderful to happen—to you! Just start cooking with a modern, automatic electric range. Here's cooking that's faster, easier, cleaner—a range that does the work for you, turns itself on and off so that you don't even have to watch the food cook. You'll find that you'll enjoy dinner, too, along with the rest of the family. This is really living better—and cooking better—electrically. See the new automatic electric ranges on display today at your electric appliance dealer.

**Halloween Party**

Some 25 young people from Hedley and Lelia Lake enjoyed the "thrills and chills" of an old time Halloween party in the basement of the Methodist Church, sponsored by the Hedley MYF and Mrs. Alfred Spalding, Mrs. Ray Altman, Mrs. D. H. Cox, Mr. and Mrs. J. S. Hinds, and Bro. and Mrs. Wolfe.

From 6:30 to 8:00 o'clock the group went out to "Trick or Treat for UNICEF" Each penny collected was brought back to the church and counted by Bro. Wolfe and Mr. Hinds. Cheers greeted the news they had \$50.50 for "the world's needy children." At 8 o'clock they were greeted by ghosts and witches into a dimly lit room decorated with black spiders, skeletons, goblins and other Halloween things. Games were played, then all were blindfolded and led on a long "scary ghost walk." Refreshments of sandwiches, potato chips, cookies and punch were served from a table laid with orange and black Halloween tablecloth and centered with a jack-o lantern. All departed with the expression, "We've had a wonderful time."

Mr. and Mrs. Don Altman brought the Lelia Lake group down about 8 o'clock.

**Lelia Lake M. Y. F.**

Our meeting was held Nov. 1. There were 9 present. Jerry Don White opened the meeting with prayer.

Oct. 28 the Hedley M y F had the Lelia Lake M Y F as guests and gave a Halloween party. We really had a lot of fun.

Friday night we had trick or treat for Unicef and we want to thank everyone for their donations.

**Manna**

Probably more people are looking skyward these days than any people have in a long time, for we hear every day of someone sighting a strange object in the sky. Odd things seem to be falling from the sky also, such as big chunks of ice, thin strips of aluminum foil, pieces of material large enough to cover an acre of ground.

When the six hundred thousand Israelites left Egypt for the land of Canaan, their route led them through the Arabian Desert, and food was necessarily quite a problem. Moses asked God for help, and God sent food down from the sky. It fell with the dew, in the form of a flake and had to be gathered before the sun became hot, for it melted away. They prepared it in various ways, boiled, baked, and made it into cakes. According to Bible writers, it had a very pleasant taste. By eating this food given from God the Israelites could live and maintain their physical health, yet many of them weren't satisfied, wanting more or something different. People have changed very little it seems throughout the ages, for God has left with us His living word, with instructions on how to maintain our spiritual health, yet even today we don't always avail ourselves of this help. Thinking in terms of eternity instead of hours, days, weeks, might help us realize the importance of preparing ourselves for heaven.
