## Anniversary Is Noted School Program

The 40th anniversary of the 1919 Study Club was observed Nov. 18th with a luncheon and open house in the Bank Committee Room in Hedley. Guests were registered by Mrs. Roy Jewell, president, on a table centered with an arrangement of lovely pink carnations presented by a former member, Minnie Ferber Key of Carlsbad New Mexico.

The anniversary motif was carried out on the beautiful buffet table which was laid with white linen and centered with an arrangement of daisy mums set on a wide strip of green ribbon which ended with white and silver miniature 40th's. All appointments were silver and crystal. Mrs. Joe Miller poured coffee from a silver coffee service.

After a warm welcome from Mrs. Roy Jewell, and the invocation by Mrs. Frank Kendall, guests and members were served a delicious course consisting of creamed turkey on toast, blueberry muffins, creamed asparagus, relishes, congealed salad and cake squares and coffee. Acting hostesses were Mrs. W. H. Moffitt, Mrs. W. H. Moreman, Mrs. Bill Scales and Mrs. Joe Miller.

## The Sun Stood Still

During the conquest of the land of Canaan by the children of Israel some weary looking travelers came to them wearing old patched shoes and worn out clothes, saying they came from a far country to meet the Israelites to offer their services as servants for Israel, if in return their country might be spared and their lives saved. It was Joshua's mission to kill or drive out all the inhabitants of Canaan, but he was taken in by these people, and instead of asking God what to do he promised them peace. In just a short time he discovered he had been tricked, for the people lived only three days journey away. The elders and leaders of the tribes of Israel were fearful of the thing Joshua had done, but he felt bound by his word to let them alone. It wasn't long until these people cried for help to Israel saying five kings from the mountainous country around them had gathered their armies to kill them because they

had made peace with Israel. Joshua and his army marched all night up the hills to fight the vast armies of the five kings. This was a decisive battle for if Israel had been defeated and Canaan victorious the history of man might have been very different, and Joshua needed more time for battle it seems for he called on the sun to stand still, and the record says, "And the sun stayed in the midst of heaven and hasted not to go down about the space of a whole day." The modern conception is that the world turns not the sun. However that may be, the important thing we need to consider is that time is fleeting and like Joshua of old we may need to borrow some time in order to do the work for the Lord that we should.
