Merit Scholarships

All 1962 graduates of Hedley High School who wish to enter the 1961-62 National Merit Scholarship competition should register now at the school office, Mack Bush, Superintendent, announced today. The National Merit Scholarship Qualifying Test will be given at 9 a m, Tuesday, March 7, 1961 (or Saturday, March 11, 1961)

To be eligible for the test, Hedley High School students must be second-semester juniors or first-semester seniors at the time of the examination. Students must pay a \$1 fee on the day of the test. Any interested student who is unable to pay the fee should consult Mack Bush.

The tests are given each year by the National Merit Scholarship Corporation as part of the nation's largest independent scholarship program.

Awards are granted on the basis of intellectual merit, but student financial needs determine the size of individual stipends, which are renewable each year without further testing.

Dolores Messer underwent an appendectomy in a Groom hospital Friday.

Kinsey-Fenton

Miss Sandra Fenton, daughter of Mr. and Mrs. Edward C. Fenton of Portales, and Robert C. Kinsey son of Mr. and Mrs. Delbert C. Kinsey of Hereford, were united in marriage on Sept. 13 at the home of the bride's parents in Portales. Minister Grover C. Ross performed the double ring ceremony.

The bride attended Portales high school and also spent two years in Eastern New Mexico U. at Portales. The groom attended Hereford and Portales high schools and has spent two years at Texas Tech in Lubbock. Both bride and groom plan to continue their studies at Tech.

The next meeting will be at Lelia Lake.

Mrs. Ray Moreman was leader and Mrs. Lacy Nobles, Mrs. Johnnie Myers and Doyle Messer took part in the program. Mrs. Roy Young had an exceptionally good program featuring 42 children from the 5th, 6th, 7th and 8th grades, who put on a fine performance tumbling.

A Proclamation

Whereas, the Hedley Cotton Festival is a recognized annual event, eight Festivals having been held in previous years, and the Ninth Annual Cotton Festival being scheduled for October 14 and 15, 1960; and

Whereas, this annual event is a very worthwhile endeavor in its promotion of a crop and an industry which is most valuable to the great state of Texas, and which is undertaken not for any commercial advantage, but in the nature of a celebration to give thanks for Nature's bounty and to encourage every person interested in cotton in any way to meet in friendship with his fellows,

Now, therefore, I, Clifford Johnson, as Mayor of the City of Hedley, Texas, by the authority vested in me do hereby proclaim the 14th and 15th days of October, 1960, as "Cotton Festival Days in Hedley," and call upon every producer, ginner, retailer and consumer of cotton or cotton products to join in promoting and attending the Hedley Cotton Festival, an outstanding observance of a great industry.

Clifford Johnson, Mayor
City of Hedley, Texas

Kickoff Breakfast

The Senior Class is sponsoring the Kickoff Breakfast at 7 o'clock Friday morning of the Cotton Festival. The Festival Queen candidates and their sponsors are to be there. Come help the Seniors and help get the Festival off to a good start.

LEGION NEWS

Locals attending the 18th District Convention of the American Legion at Borger last week end included Mr. and Mrs. Ted Maddox, Mr. and Mrs. Aubrey Cherry, C. D. Walker, Obe Holland, Tommie Moffitt, Booker Shaw and Clifford Johnson.

Mr. and Mrs. Jimmy Don Waddell of Amarillo announce the arrival on Sept. 8 of a fine little daughter, who has been named Wendy Kay.

Mrs. R. M. Saunders attended a sales meeting at Dallas last week end.

LIONS ROAR

Members of all Festival Committees, Lions and all others interested in helping the Cotton Festival are urged to meet at the Lions Den Thursday night at 7:30. There will be a meeting each Thursday night until after the Festival.

Last week Murray Smith of Wellington gave an interesting talk on scouting. The Lions Club voted to build a float for the parade and much Festival business was discussed. It appears there will be quite a few beautiful floats and decorated cars in the parade but many more are needed. Milt Mosley plans to enlarge his Old Fiddlers Contest this year. It will be held at 7:30 Friday night of the Festival.

The Greenbelt district of Future Farmers of America held their first meeting of the year at Hedley on Monday, Sept. 26. FFA members from eleven high schools were present. Several of the high schools had candidates for the office of district president. These candidates had to go before the group and give a five minute talk on their FFA activities.

The officers elected were as follows:

David Moreman of Hedley, president.

Robert Moss of Memphis, vice president.

J. C. Saunders of Quail, secretary
Granvel Killian of Wellington, treasurer.

Mike Davidson of Estelline, reporter.

Clean-Up

Much was accomplished on our clean up day Tuesday. Most people cooperated to the fullest extent. However much more is needed. All wintering places of flies and mosquitoes must go. All open cesspools and toilets must be covered. This not only applies to the city limits but dwellings near our limits.

This order comes direct from the State Health Department and we will be inspected soon.

Enjoyable Trip

Mr and Mrs W. M. Biffle have returned from a month's trip visiting and sightseeing. They visited the Wilson Biffle and Billy Mac Biffle families in Albuquerque then visited the Rolan E. Wiley family and the Jiggs Blankenship family at Tucson, Arizona. They visited a sister, nieces and nephews at Sun Valley and Hollywood, Calif., and went to Forest Lawn cemetery to see the crucifixion picture.

A niece, Mrs. Horace Hallmark, took them to Griffith Park where they spent a day, then to Mt. Wilson observatory and through San Fernando mission, one of the oldest in the United States. Another niece, Mr and Mrs. Mel Siebert took them to Chinatown in Los Angeles for a Chinese dinner and they visited the Chinese shops on Broadway. Then a nephew, Freddie Ray Robinson, took them to the seashore at Ventura, then down the coast to Marineland, where they saw the glass church and the slide area that is slipping into the sea, then on to San Pedro and Long Beach. They visited Terminal Island on the ferry and returned on the floating bridge back to the mainland, then visited Pomona Beach, and had lunch on seafood.

They returned by Truth or Consequences N. Mex., where they spent a week. They reported that they had spent 30 busy days and had had a wonderful time, but were glad to get back home.

Res. 65—3 rings

A motor oil for my farm machinery which must endure severe service because of high torque requirements, numerous and repeated accelerations, a lot of idling, and many long hard pulls. The oil in my machinery must also fight contamination from fuel dilution, dust, and the products of fuel combustion. It also has to stand up under extreme temperature variations . . . starting easily at very low temperatures and resisting "break-down" at extremely high temperatures.

Then you want . . .

Conoco Super Motor Oil which takes all these hurdles in stride, giving you engine protection at every step. Conoco Super Motor Oil has a unique Oil Plating® additive which "plates" a durable film of lubricant onto engine parts . . . never drains down . . . gives full time protection against friction wear. The acid proofing additive neutralizes acids formed when fuel is burned in the engine and the detergent additive keeps your engines super cleaned. For the man with diesel, gasoline or L.P.G. powered equipment, who wants to stock only one oil, Conoco Super Motor Oil is the answer.

Having a particularly tough lubrication problem? Check the Conoco Green Book for solutions.
