1961 FEED GRAIN PROGRAM Voluntary

Each producer decides whether to cooperate

Corn And Grain Sorghums

The program applies to all field corn and grain sorghum whether for grain, fodder, silage or grazed.

Divert At Least 20 Per Cent Of Acreage

Cooperators will divert at least 20 per cent of their 1959-60 average acreage of corn and grain sorghums to soil conserving uses, and they may divert additional acreage up to 40% of the feed grain average.

Price Supports And Payments

In return, cooperators are eligible for price supports on corn and grain sorghums and for an attractive payment on each acre diverted. The payments will be in the form of negotiable certificates for which producers may receive grain or a cash equivalent of grain.

Advance Payment

Half of the estimated total payment for a farm will be offered to the producer as soon as he signifies that he will cooperate in the program.

No Price Support For Non Cooperators

The non cooperator will not be eligible for price support on corn, grain sorghum, oats, barley or rye of the 1961 crop.

The non cooperator cannot depend on the government price support and his neighbors' production adjustment to hold up the market price for his corn or grain sorghum production. Cooperators who wish to receive the cash equivalent of grain at the support price may ask the Commodity Credit Corporation to act as their agent in marketing their grain. As agent for the produce, Commodity Credit Corporation will advance the payment to the producer in cash through the county ASC office and subsequently market the grain.

The non cooperator will get nothing but the market price, whatever it may be.

Effective Protection In Case Of Crop Failure

The payment on the diverted acres is income regardless of what the weather does to crops, and this is a measure of income insurance. Price support for corn and grain sorghums at the rates con-

Grass boys entered the Green belt district grass judging contest sponsored by the Wellington Soil Conservation District. The local team made an above average overall score, and were complimented by other Ag teachers of the district.

After the contest the sponsors gave the boys a hamburger feast.

Boys on the Hedley FFA team are Darrell Holland, Jimmy Boliver and Keith Mann.

Electrification School

The West Texas Utilities Company sponsored a one day school on electrification for boys of this district at Childress on April 8.

There were eight specialists in various phases of electrification from Abilene to Amarillo. This was a very outstanding meeting of its kind.

West Texas Utilities gave the boys a barbecue dinner at noon.

While there the boys made an extension cord and were given a free kit of material relating to electrification.

Those attending from Hedley were S. A. Younger, Jimmy Boliver and Advisor Doyle Messer.

Todd Promoted

Edward N. Todd, graduate of the local high school, has been promoted to assistant professor of history at Denison University, Granville, Ohio, where he is completing his second year as instructor.

Todd took his B. A. degree at North Texas State College and has been working toward his doctorate at Johns Hopkins University where he taught as junior instructor in 1957-58.

Mr. and Mrs. Todd, the former Cella Doss, and their son, Michael, 6, and daughters, Leslie 2½, and Elizabeth, 11 months, reside at 124 S. Cherry Street, Granville, O.

Mr. and Mrs. Jerry Howell of Tascosa visited recently in the home of Mr. and Mrs. John Tate. Jerry is a nephew of Mrs. Tate.

Prices are considerably above current market prices also has an income insurance effect.

Interscholastic League

Hedley athletes won third place in the District 14-B track meet held last Friday at Claude. A number of individuals and teams made a good showing, winning places as follows:

880 yard run, Bobby Roland 1st
440 yard dash, Alvin Alexander 4th

440 yard relay, Hedley 3rd.

Mile relay, Hedley 3rd.

High jump, Larry Crump 2nd.

Hedley made a total of 42 points in the meet.

Hedley students also took several places in the literary events. Nancy Saunders took 4th place in story telling, Pamela Myers, Vee Latimer and Mary Irene Moss took 2nd in picture memory, Jon Leggitt was 2nd and Lacy Noble 3rd in slide rule, Leetta Shields was 3rd in senior declamation, and Laveta Helms was 3rd in poetry reading.

In the district tennis meet held at Hedley Monday Joe Darnell took 2nd place in boys singles with Groom 1st, Delores Sanders took 2nd in girls singles with Groom 1st, Larry Crump and Jack Doherty took 1st in boys doubles with Groom 2nd, and Susan Cox and Tobytha Sanders took 1st in girls doubles with Groom 2nd.

Seniors to Run Lelia Lake Beauty Shop

Next Saturday, April 15, the Hedley Seniors will run the Lelia Lake Beauty Shop. The regular operators, Mary Castner and Edna Dishman, will be in charge.

They are running a special on \$7.50 permanents for \$5.00

Come out and help the Seniors.

Photographic Exhibit

The Amarillo Photographic Society invites all photographers of the area both amateur and professional, to submit photographs for the "Barbwire Salon of Photography." Approved features of P. S. A. will be followed. The exhibit will be held May 20 through 28th at West Texas State College in the Fine Arts Building.

Entry blanks and further information may be obtained from Paul Nygreen, Salon Secretary, Amarillo Photographic Society, 123 N. Beverly, Amarillo, Texas.

Dinner to Benefit School Lunchroom

Dinner will again be served on next Sunday, April 16, at the Hedley school lunchroom, for the benefit of the lunchroom fund. The menu will include ham with gravy, buttered green beans, tossed green salad, hot biscuits, desserts, butter, ½ pint milk and hot coffee. Prices will be \$1.00 for adults and 65¢ for children under 12.

Everyone in the community is urged to come out and enjoy a good meal and help the lunchroom fund.

Water Bulletin

The Board of Water Engineers last week issued a bulletin which adds to the available knowledge of the Southern High Plains water resources.

Bulletin 6101, Water Levels in Observation Wells in the Southern High Plains of Texas, 1960 and 1961, reports water level measurements in observation wells in 25 Southern High Plains counties, among them Donley County.

The bulletin may be obtained without cost at the Board of Water Engineers office, P. O. Box 2311, Capitol Station, Austin.

Electric cooking is cool cooking because heat goes directly into the food, not out into your kitchen. And this direct contact of surface unit and utensil is possible only on an electric range.

That's why electric cooking is clean too. With no flaring flame, there's no dirt or soot to soil range surface, kitchen utensils, kitchen walls and curtains.

And with automatic electric controls, time and temperatures are exact. No guess work. Heats are measured for you — to assure precise cooking.

Ask your appliance dealer to show you the wide variety of new electric ranges that set the pace for tomorrow's better cooking.

...thrifty too
The average family, served by WTU, can cook a complete meal for less than 3¢ with modern flameless electricity and enjoy all the other advantages of an electric range.

Deadline Near For Vehicle Inspection

The time is almost up for vehicle inspection and only a little over half of the vehicles in this region have been inspected, according to Capt. Alan Johnson of the Motor Vehicle Inspection Service of the Dept. of Public Safety.

Motorists are reminded that the inspection law prohibits inspections being made when it is raining or the streets are wet. So, it is possible that wet weather could prevent inspections these last few days.

Johnson stated "There will be no extension of the April 15 deadline for inspection." Anyone operating a motor vehicle after midnight April 15 without displaying a 1961 inspection sticker will be operating in violation of the law and subject to a fine not to exceed \$200 plus court cost.

Saunders Garage is the local inspection station for the Hedley area.
