Vote Saturday!

Don't forget to vote in the school consolidation election Saturday. Let's turn out in a big way to show the Lelia Lake people that we do appreciate them and want them associated with us.

FFA News

The Hedley FFA judging teams met with a fair amount of success in the judging contests held in Lubbock Saturday, April 29.

The dairy products team placed 4th in the Texas Tech contest, 2nd in Area I, and 1st in the Greenbelt District. Two of the Hedley boys placed among the top ten in the entire contest. Jerry White placed 6th and James Younger placed 9th.

The livestock judging team placed 8th in Area I. David Moreman was 8th high individual in the entire contest. The competition was very stiff as there were 78 teams in Area I and 120 in the Texas Tech contest.

The poultry team placed 11th in Area I and 4th in egg judging in the entire contest.

The grass judging team placed 10th in Area I.

Complete results of the dairy cattle judging contest are not available as we did not place in the top 10 of our area.

The dairy products and livestock teams qualified for state competition in the contest to be held at College Station Saturday, May 6.

The teams are:

Dairy Products, Jerry White, James Younger, Alvis Hawthorne, and alternate Lacy Noble

To the People of Lelia Lake District

We have heard rumors that the people of Hedley did not want the Lelia Lake students. We know this is not true and sincerely think it will be shown in our election this Saturday, May 6. The students and people of Lelia Lake have always conducted themselves in a gentleman like and lady-like manner whenever in Hedley. We wish to go on record inviting them to our city on any and all occasions, school or otherwise.

Clifford Johnson, Mayor
City of Hedley, Texas.

In case the forthcoming elections carry and the Lelia Lake and Hedley Independent school districts are combined forming a Consolidated District, the Ex Student Association of the Hedley High School would like to meet with the Ex Student Association of Lelia Lake in regard to forming a Lelia Lake-Hedley Ex Student Association and carry on the traditions of both schools.

Don Springer, President
Hedley Ex Student Assn.

To add one more statement to those of Mayor Clifford Johnson and Don Springer, I believe that the attendance of a part of the Lelia Lake students in the Hedley schools has shown plainly that they have been completely accepted in the Hedley school system, not merely as a group, but on their merits as individuals. I believe that the students from both Hedley and Lelia Lake have appreciated the friendships that have resulted from this association.

I believe that the students from Lelia Lake have been and can continue to be an asset to the Hedley schools as well as a credit to their community.

FHA Girls Go to Dallas Organ Concert

Mollie Floyd and Leetta Shields represented the Hedley Future Homemakers at the State meeting in Dallas on Friday and Saturday, April 28-29. The girls and their sponsor, Mrs. Shields, left by chartered bus on Thursday and returned Saturday evening. They reported a very enjoyable trip. The group attended all meetings and returned with many new ideas for programs in the local chapter.

Mollie acted as voting delegate for the chapter. Leetta took notes on the programs and reported the meeting to the local chapter on Monday night. The girls in the chapter qualify themselves to attend the state meeting by earning points for work in the chapter. They must also be passing ¾ of their school subjects.

Several hotels gave special rates to the FHA girls and sponsors attending the meeting. The Hedley group stayed at the Baker Hotel. The chartered bus called at the hotel for the girls before each meeting and returned them when the meetings were over. All meetings were held in Music Hall at the State Fair Park.
