### Boys Ranch Rodeo

A young Boys Rancher who has found "a shirttail to hang to" at Cal Farley's Boys Ranch has been chosen as the symbol of the famed annual Boys Ranch Rodeo that will be held at the Ranch over the Labor Day weekend, Sept. 3rd and 4th.

This will be the 17th annual presentation of the "only rodeo of its kind in the nation." All of the contestants are Boys Ranchers and it is the biggest Labor Day Celebration of the Golden Spread. All indications are that this will be the fastest, most competitive and thrilling rodeo the boys have ever produced.

Riding professional rodeo stock, boys from 8 to 18 will compete for points and prizes in calf, steer, Junior and Senior bull and bronc busting competition. Approximately 90 boys will be competing in two divisions and will ride under R. C. A. rules.

Clowns and trick riders have been carefully selected from among the top riders of the Ranch and they will provide the color and excitement along with other special attraction participants. The hundreds of behind-the-scenes activities of the rodeo will also be handled by the boys themselves.

More than 7000 people witnessed the rodeo last year and an even larger attendance is expected for the two performances this year. Special seating arrangements will enable spectators to watch the rodeo under the large shade trees of the Ranch, and ample parking areas will be provided for cars.

Performances will be held at 2:30 on Sunday and Monday af

The Donley County Fair and Quarter Horse Show will be held at the Clarendon fair grounds September 15 and 16, says County Agent Flip Breedlove, secretary of the fair. The program building committee was to meet last week and work out some of the details of the horse show and fair but due to stormy weather only a few of the members were present. The quarter horse show has already been approved by the American Quarter horse association and will be held at 1:00 P. M. on the afternoon of the 15th at the fair grounds in Clarendon.

The County Fair will be on both days and will feature community agriculture exhibits, flower show, cake show, merchants department, poultry, home economics, needle craft, fine arts, and the horse show. The program building committee will meet in the near future to work out all the plans and the catalog will go to press in the near future. Adds are now being sold in the catalog and this is the way that the board pays all the premiums on different departments of the fair. The catalog will be off the press about the middle of August.

### John X. Christie

Mr. Christie is survived by his wife and three sons. He was a brother of Mrs. L. D. Moore of Hedley.

### LIONS ROAR

Last week the club voted unanimously to go into contract with Mrs. Frank Kendall to purchase the Kendall building for a future Lions Den. The consideration was \$1500.00 with \$300.00 cash and six notes of \$200.00 each due annually. Interest rate is 5%.

As soon as title is examined and deeds drawn the club will spend some \$500.00 for a new roof and other repairs. It is hoped that the building can be shaped up soon for an early occupancy.

The next meeting of the club will be Thursday night Aug. 31st. This will be the family picnic. It will be a chicken barbecue with Big Henry Moore and his crew do-

ing the barbecuing. The city park will be ready for this event.

Come, bring the family and friends. Just leave your chickens at Moreman Grocery and Locker. One half chicken or more, just whatever you and your friends can eat. The club will furnish everything else except dessert. If you want dessert bring it.
