VOL. 52

HEDLEY, DONLEY COUNTY, TEXAS, DEC. 8, 1961

NO. 7

Farm Bureau News

A book titled "Your Farm Bureau" by Alice Sturgis, also author of such books as "Sturgis Standard Code of Parliamentary Procedure" and "Learning Parliamentary Procedure," has been placed in the Hedley High School Library, by the Directors of the Donley County Farm Bureau, that you may know and understand more clearly the procedure and action of Farm Bureau.

I believe that all who would endeavor to seek her cause and inspiration for writing such a book, would be staunch voluntary subscribers to membership in Farm Bureau.

I recommend "Your Farm Bureau" as good reading for leaders of any organization, as well as individuals interested in the welfare of our future.

It's jam-packed with action in leadership. I dare you to read it.

It will clarify Farm Bureau's importance to every citizen of Donley County, as well as every citizen of America.

If you understand it as I do you will encourage your friends and neighbors to read it also. If you can read it and not voluntarily contribute in some form to the Donley County Farm Bureau, then I will miss my guess.

Thanks for your attention,
Lee Shaller, President Donley County Farm Bureau

LIONS ROAR

Next week's meeting will be a stag affair. Lion Slim Hunsucker says he and his crew will give us a real meal. Judging from past performances this should be a meal for Lions or maybe we should say some other animal. Eating time is 7 p. m.

Plans are being arranged for a big ladies night on Dec. 28. This will be the last meeting of the year and a good crowd is expected. Our District Governor W. W. (Bill) Didlake and his wife plan to attend.

Some progress has been made on the new building. Donations of both labor and money will be accepted. It would certainly be nice if we could get the building ready for occupancy shortly after the first of the year.

Notice

Don't forget there is now a state tax on your subscriptions. The Informer is \$2.04 in Donley County, \$2.55 elsewhere in Texas, and still \$2.50 outside of Texas.

Christmas Cantata

The Hedley and Lelia Lake Methodist Churches are sponsoring a community Christmas Cantata Dec. 17 at the Hedley Methodist Church. There will be one more practice Dec. 12. Everyone that has practiced be sure to be there at 7:00 p. m. We will go through the program as it will be presented Dec. 17. Everyone that has anything to do with the program in any way, please be there. The time has not been set, but plan to attend.

O. E. S. Meeting

The Order of the Eastern Star met in a stated meeting Dec. 1 for the annual Christmas meeting. The entire chapter room was decorated for Christmas, with Christmas tree, gilded pine cones, berries holly and many other colorful reminders of the approaching holidays. Mrs. Morris, Worthy Matron, conducted the business session.

Two visitors were present from the Sapulpa, Okla., chapter, Mrs. Hattie Gambell and daughter, Nellon Gambell. Each gave very interesting talks, especially the high lights on Grand Chapter, which was recently held in Guthrie, Okla. After the chapter was closed Mrs. Jonnie Hill, program chairman, introduced the following program:

The birth of Christ was read from the 2nd chapter of Luke by Mrs. Glass. Mrs. Hall told a beautiful and inspiring Christmas story. Mrs. Simmons led the group in singing Silent Night. The program was closed with prayer by the W. M., Mrs. Morris.

During the social hour gifts from the beautifully decorated Christmas tree were received by each one present, with W. P. Carl Morris acting as Santa Claus, assisted by Mrs. Alice Johnson and Mrs. Gladys Johnson. Refreshments consisting of fruit, candy, cookies and nuts were served.

Sammie Sanders 2nd in "Sew With Wool" County Elimination

Sammie Sanders, daughter of Mr. and Mrs. Sam Sanders, placed second in a group of 18 contestants in the county elimination of the "Sew With Wool" contest. She is now eligible to enter the district contest which will be held in Lubbock on Dec. 9.

Sammie's garment was constructed in the Homemaking III class of Hedley High School where she is a student of Junior standing. The garment she is entering in the contest is an afternoon dress of Monaco blue wool.

Beef Week

This week, Dec. 3 to 9, is Beef Week in Texas, promoted by the Texas Beef Council to help bring before the public the many advantages of the regular use of beef in the family diet. The promotion was aided by a proclamation by Governor Price Daniel.

The Beef Council points out that beef is the favorite meat of Texans, an opinion survey showing that about 70 per cent of all Texas families choose beef as their favorite meat. Through the Council, cattlemen have tried to make every Texas homemaker aware that beef is a prime source of protein, necessary to growth of young bodies and the maintenance of healthy ones.

The only thing a little troublesome to this editor is the slogan used by the Council, "Texans Eat Beef Every Day." They may have the impression that I am from Wisconsin or Idaho, or some place else. However, I will undertake to eat the beef every day if someone will undertake to furnish same every day.

With kids in school you always have home-
work ... and homework needs good lighting.
Experts say that most people read by inade-

is provided by a bulb of at least 150 watts,
