Miss Ruth Hendon of Wichita Falls presided at the register. Punch, wedding cookies and mints were served as the guests arrived, from a table laid with a cutwork linen tablecloth over pink, bearing pink candles and centered with a horn of plenty vase filled with pink roses. Miss Erma Lee Farris, sister of the bridegroom, presided at the serving table.

A lovely array of gifts was on display. About 40 registered and many who could not attend sent gifts

Ehrle Will Not Run

State Representative Will Ehrle today announced that he would not be a candidate for re election to the House of Representatives. Ehrle also said no to a State Senate Race

"I regret very much this decision but I simply cannot afford the time and expense of a legislative campaign at this time" Ehrle said, "I feel that I must devote my full time to the private practice of law."

"I have enjoyed my three terms' service in the Texas House and hope that in some way I have contributed to a better government for all Texas. My interest in political activities will, of course, continue as a private citizen"

1919 Study Club

The regular monthly meeting of the 1919 Study Club was held Jan. 24 in the home of Mrs. H. Hall, with Mrs. W. H. Jones and Mrs. C. F. Taylor as co hostesses.

The house was called to order by the president, Mrs. Hall. Officers were elected for the coming year as follows:

Parliamentarian, Mrs. W. H. Moreman

Reporter Mrs. L. Petty
Leader for the afternoon was Mrs. W. H. Jones. A beautiful devotional was given by Mrs. Joe Miller, followed by a book review which was very beautifully and inspirationally given by the guest speaker, Mrs. A. L. Cherry, on "Whom the Lord Loveth"

One other guest, Mrs. Frank Finch of Memphis, and 16 members enjoyed the lovely afternoon program and social hour.

School Census

The Hedley school census is now being taken. Anyone with a child who will be six years old by or on Sept. 1, 1962, please pick up a census blank at the superintendent's office. If you cannot come by, call the school and a blank will be delivered to you.

Each eligible child on the census means approximately \$65 per year to the school district.

Pink and Blue Shower

Mrs. Dixon Latham was honored with a pink and blue shower Sunday afternoon in the bank committee room. Hostesses for the occasion were Mesdames Joe Kennedy, Charlie Johnson, Pete Messer, Don Springer, Opal Mann, M. C. DeBord, Onnie DeBord, N. E. Shields, A. G. Alexander, L. V. Hook and Walter Johnson.

Mrs. Don Springer registered the guests. Miss Sue Alexander poured the punch from a table laid with a lace cloth over pink. The centerpiece was a pink and blue baby bank flanked by pink rattles and pink candles. Punch, cookies and mints were served.

The honoree was presented with a corsage consisting of a baby rattle and a pink pacifier tied with a blue satin ribbon, and pinned on with a pink diaper pin. Her sister, Mrs. Cecil Hadaway, assisted her in opening the large number of pretty and useful gifts.

Card of Thanks

Our heartfelt thanks to all who extended comforting sympathy and help during the months of illness and at the death of our loved one. Special thanks to Dr. Goodall and the staff of Goodall hospital and to friends and neighbors at Hedley who helped us so much. For the beautiful service, floral offerings, food and other kindnesses, we are deeply grateful. May God bless you with friends such as He has given to us.

FFA News

Seven boys showed pigs in the Donley County swine show at Clarendon on Jan. 19. They won the following placings: Larry Altman showed the champion Berkshire, Alvin Alexander the reserve champion Berkshire, Jimmy Boliver the second place heavyweight Berkshire, Gary Weatherly the third place lightweight Berkshire, Bobby Wiggins third place lightweight Poland, Johnny Brown second place heavyweight Hampshire and Alvie Ray Butler fourth place heavyweight Poland.

Three firms of Hedley contributed money for both 4-H and FFA prizes for the Donley County Livestock Show. These are Security State Bank, West Texas Gin and Hedley Lumber Co.

Bobby Wiggins, Alvie Butler and Johnny Brown took their animals to the Amarillo show, where they received one fifth and two ninth place ratings.

Foster Pickett bought the Hedley boys' pigs and gave them a good price. Johnny's pig brought 41¢, Bobby's 36¢ and Alvie Ray's 35¢. This compares favorably to the prices paid at the large stock shows such as Houston, and even even some better. Mr. Pickett was instrumental in keeping prices up for all the 4-H and FFA boys from all over who showed in Amarillo. He is to be commended for his efforts in helping young boys and giving them encouragement.

In Texaco Station

Tony Joe Weatherly, recently discharged from the armed forces, is now operating the Texaco station on highway 287, and invites the public to call on him. He and his wife and three children have moved here from Fort Belvoir, Va. We are glad to welcome them to Hedley.

Rev. L. A. Miller, who has been operating the Texaco, has moved to Shamrock, where he has purchased a station.

David Moreman of College Station and Mrs. Ray Moreman have been visiting the Dr. C. S. Whitmore family at Harrison, Ark.

Hedley-McLean Road Easements Received

Apparently some readers got the wrong impression from the article in last week's Informer on the McLean Hedley road, or perhaps the article itself was not quite clear.

The easements referred to are those on the road from the Gray County line to the river, a distance of some eight miles. Naturally it is assumed that the balance of the road will follow after this portion is completed.

News From Our County Agent

County Agent Flip Breedlove advises that several Donley County 4-H club members won places with their steers at the Amarillo stock show. Among them Gene

Floyd of Hedley placed seventh with his lightweight Hereford. Mr. Breedlove also expects the club members to make a good showing at the El Paso show. He states that all club members wish to thank the citizens of Donley County for buying their steers at the Amarillo show.

Premeasurement For 1962 Cotton Applications for premeasurement of 1962 cotton allotments are being taken. The cost of premeasuring has been set at 10¢ per allotment acre, 9¢ per mile round trip to the farm, 15¢ per stake used in staking off the measured acres, \$8.50 for first plot and \$3.00 for each additional plot. The final date for applying for premeasurement is March 30, 1962.

If you do not intend to plant all of your 1962 cotton allotment, please release it to the county committee and it will be reapportioned to other farms in the county. This will not only help the farmers temporarily that receive the additional allotment, but it will help you in the future by maintaining the cotton history for your farm at its maximum. The final date for releasing cotton is April 13, 1962. To be eligible to share in any cotton acreage released, you must make a written application in this office not later than April 13, 1962. The released acreage will be reapportioned not later than April 27th.

"Calculated risk" seems to be a popular phrase for old-fashioned "gamble." But there's no place for either in preparing or dispensing pharmaceuticals.

Ever notice the letters U.S.P. or N.F. on a medicine

label? The letters represent two official books that are recognized by federal law — the United States Pharmacopoeia and the National Formulary.

Together, they are the pharmacist's "bible."

They give approved standards of the quality, purity, and potency of most medicinal agents.

Whatever your prescription calls for, we are prepared to fill it.
