HEDLEY, DONLEY COUNTY, TEXAS, NOV. 2, 1962

NO. 2

General Election

Don't forget that Tuesday, Nov. 6, is election day. If you have an urge to vote for or against anyone, this is your opportunity. Perhaps you do not have a personal interest in any race, but this is still your chance to express yourself, provided, of course, your favorite candidate managed to get nominated.

There are also 14 amendments to be voted on. We are not going to try to tell you how to vote on these, but we would respectfully suggest that you vote against No. 14, which would take away still more of the dwindling amount of local government which we have left.

A. S. C. News

Grazing Feed Grain And Wheat Diverted Acres

Beginning Nov. 1, 1962 most of the acreage diverted under the 1962 Feed Grain and Wheat Stabilization program will be released from program restrictions on grazing.

Diverted acreage on which grain or oilseed crops have matured in 1962, must not be grazed.

1963 Cotton Acreage Allotment Reduction

I am sure that you have already heard on the newscast where there will be a sizeable reduction in the cotton acreage allotment for 1963. We have not received an official notice to this effect but are of the opinion that the 1963 cotton allotments will be somewhat smaller than in the past year.

Soil Bank Program

Farms that have OR land that will expire at the end of 1962, may sign an agreement to extend this acreage for one year, if they desire to do so. All the land on the farm with respect to which the conservation reserve contract expires on Dec. 31, 1962 is eligible except:

1. Land determined by the County Committee to be in such physical condition that it will not return to crop production in the absence of this program

2. Land for which the ownership has changed since Dec. 31, 1960. We urge you to contact this office as soon as you can so that we can explain the payment and answer any questions and complete an agreement

Mr and Mrs. L. J. Robertson of Lakeview visited here Tuesday of last week.

J. C. Randel Writes

The Informer last week received the following appreciated letter from Mr. J. C. Randel, District Manager for the West Texas Utilities Co :

Mr Ed Boliver, Publisher,
The Hedley Informer,
Hedley, Texas.

Dear Mr. Boliver:

It was certainly a pleasure visiting in Hedley during the Cotton Festival. The people of your city are to be commended for their work and cooperation in making this one of the outstanding events in this area.

We want to thank you for the item appearing in your newspaper concerning the West Texas Utilities Company's Open House. We were glad that we could hold our Open House during your Festival. The response was most gratifying, and we shall look forward to holding another coffee hour in Hedley next year.

Yours very truly,
West Texas Utilities Co
