VOL. 53

HEDLEY, DONLEY COUNTY, TEXAS, FEB. 1, 1963

NO. 15

## Rep. Heatly Writes

Mr. D. E. Boliver  
The Hedley Informer  
Hedley, Texas

Dear Mr. Boliver:

It is my thought that you might be interested in a brief resume of the organization, progress, and actions of the House of Representatives during these first three weeks.

Following the election of the Speaker, by the overwhelming vote of 141 to 9, Mr. Byron Tunnell was swift in organizing the House with standing committees and the adoption of desirable rules of procedure. Mr. Tunnell, a conservative, was obviously quite fair in his committee appointments, but at the same time gave all committees strong businesslike conservative strength. The Speaker invoked new rules of decorum for all House sessions which have been long overdue. Most observers view this legislative session as the most businesslike in modern history.

Our district was singularly honored through my appointment as Chairman of the Appropriations Committee. The Speaker afforded us with excellent membership on the committee and efficient organization was quickly in order. Public hearings on the General Appropriations Bill have already started and begin at 8:00 a. m. each morning, recessing during the period the House is in session and resuming again shortly after adjournment. This procedure, requiring some ten to sixteen hours a day of each member's time, will be followed until all hearings have been completed and the measure is ready to be sent to the Senate.

As Chairman of the House Appropriations Committee, I immediately called meetings of this committee and the emergency appropriation measures submitted by the Governor for the purpose of reorganization of the Executive Department and necessary funds for trial work by the Attorney General were quickly reported favorably out of this committee. The funds were especially necessary in order to pursue prosecution of the many slant hole drilling indictments and Billy Sol Estes' cases.

I will be most happy to furnish you with any information at any time relative to the proceedings of this House and particularly the

## FFA Week

Austin, Texas—Special Governor John Connally has proclaimed the week of Feb. 16-23 as FFA Week in Texas.

In presenting the proclamation to Jerry Clark, President, Texas FFA Association from Buna, the Governor pointed out that the importance of agriculture in our State increases as Texas progresses, and it is vital to our well being that we train skilled farmers and ranchers to provide a plentiful supply of food in years to come.

Jerry Clark received the proclamation on behalf of the 39,000 active FFA members in 937 chapters and more than a quarter of a million former students.

The FFA is composed of boys who are studying vocational agriculture in the public schools in preparation for careers in farming, ranching and related fields.

In studying the science of agriculture, these Future Farmers are striving to improve this great industry for the welfare of all citizens.

## LIONS ROAR

Next meeting of the Lions Club will be Thursday night, Feb. 14. It will be in the form of a stag steak supper with Lion Slim Hun sucker as grand chef. It should be mighty good.

Last week's meeting was one of the nicest ladies night meetings we have had in a long time. Some seventy Lions and guests were present. The ladies had full charge of everything and did a great job. Mrs. Don Springer had the program consisting of local school pupils and it was enjoyed by all present.

## Ads Pay Off

Classified ads in the Informer still get the job done. The post hole diggers lost by the editor were quickly recovered after last week's paper came out. Our thanks to all concerned for their recovery.

Appropriations Committee of the House.

Sincerely,  
W S (Bill) Heatly  
District 82  
Paducah, Texas

## Mrs. Owens Resigns

Mrs. Sam Owens Jr. has resigned her position as English teacher for Hedley high school, and she and the children left last week to join Sam at Fort Worth, where he is employed. We regret to lose them, but wish them success in their new home.

Mrs. Doyle Messer has taken over the position of English teacher for the balance of the term. Hedley is very fortunate to have a teacher of Mrs. Messer's ability available.

## Stock Show

The local FFA boys placed 11 of the 15 head of swine they entered in the Amarillo Fat Stock Show.

The following placings were made:

Pat Chesser 5th and 8th; Gary Weatherly 6th and 14th; Ernie Houdashell 9th; Bobby Wiggins 14th; Larry Altman 11th and 15th; S. A. Younger 8th; Jimmy Boliver 7th and Tracy Sanders 9th place.

The competition was stiff as this was the largest Swine show Amarillo has ever had.

## LEGION NEWS

Next meeting of the local Post of the American Legion will be held on Lincoln's birthday Feb. 12. They will have a free feed. The Post now has 78 members paid for 1963. The post's quota is 91. Last year's membership was 103. Several members had long records of continuous membership.

## Garden Club

The Hedley Garden Club will meet in the Lions Den on Feb. 5, first Tuesday, with a 1 o'clock luncheon, followed by a White Elephant Sale. Bring a covered dish, a guest or two, and something for the sale.

Also please bring your dues for the year; the Year Books are ready for you.

Reporter,  
Mrs. W. E. Grimsley

Mrs. Mildred Clendenen underwent surgery in a Memphis hospital Tuesday morning.

Pat Leggitt and Tommy Bland spent last week end in Amarillo.

## FFA News

On Monday evening, Jan. 28, five of the members of the FFA attended the Greenbelt District Banquet at Wellington along with their advisor; the local FFA sweetheart, Dolores Messer, and her companion, Sandra Moffitt.

Dolores placed 3rd out of 10 contestants from the FFA chapters of this district. The contest was judged by Cotton John Smith and Royce Bodiford of KGNC.

Ernie Houdashell was our representative in the talent contest. His number was well received by the entire audience and many favorable comments were made regarding his pantomime number. Mr. Messer plans to get him to help entertain at the Father and Son Banquet in the spring.

Tom Pat Leggitt was the escort for the Chapter sweetheart; Jimmy Boliver and Keith Mann were voting delegates; S. A. Younger was participating member.

## Hedley P.-T. A.

Troy Marsh, Chief of Police of Wellington, was the guest speaker at PTA Monday night. He gave a very good talk on Citizenship Responsibility which was enjoyed very much by those present.

Attendance was very short because of the cold weather and conflicting activities. The attendance contest was won by the 5th and 6th grades.

The year books are now printed and show that more good programs are coming.

## Boy Scout News

The Hedley Boy Scout troop will observe National Boy Scout Week from Feb. 7 through 13 with activities throughout the week. The scout movement in America is now 53 years old.

Mr. and Mrs. Clifford Johnson visited the T. R. Easterling family at Vernon last week end.

David Moreman is at home between terms at A & M College.

**Farm Facts**

The history of barley is almost as old as that of agriculture. It is believed to have originated in Asia and to have been grown in Egypt nearly 70 centuries ago. The cereal is mentioned in the Bible and mythology and dates back to 3500 B.C. in Mesopotamia, 3000 B.C. in Europe, and 2000 B.C. in China.

Barley has the shortest growing season of any cereal and because of this can be grown in the cool climate of Norway or in hot, dry Morocco.

Although used primarily for livestock feed in the United States, barley is an important item in the human diet in parts of Africa and Asia.

Since antiquity, barley has been used in the brewing of beer, and today nearly all beer is made from it. More than 85 million bushels are consumed in the U.S. annually for alcohol and alcoholic beverages as compared with about 230 million bushels for livestock feed. ●

Facts prove that today's prescription drugs are a tremendous value. A recent survey showed that 40% of all prescriptions were filled for \$2 or less; 63% for \$3 or less; 92% for \$6 or less. The average prescription in 1961 was only \$3.25.

- Some of the newest, most effective drugs cost more, but they bring about such a quick recovery that they usually reduce your total cost of illness.
