

The Hedley Informer

VOL. 63

HEDLEY, DONLEY COUNTY, TEXAS, MAY 3, 1963

NO. 28

FFA News

The Hedley dairy products judging team placed 3rd in area competition and 6th in regional competition in the contest held in Lubbock Saturday, April 27. David Baker was 6th high individual in the contest.

The other members of the dairy products team are Jimmy Boliver and Larry Altman, and Keith Mann, alternate.

The poultry team did not place in the top 10%. Members of this team were Tom Pat Leggitt, Pat Chesser, Bobby Wiggins, and alternate, Ernie Houdashell.

The dairy products team will participate in state competition at College Station on May 4.

1964 Wheat Program

County Agent Flip Beedlove has announced that there will be two meetings on the 1964 wheat program, both on May 14. On that afternoon at 2 p. m. a meeting will be held in the Goldston community building, and that night at 8 p. m. a meeting will be held at the Lions Den in Hedley.

James Murphy, area farm management specialist for the Texas A & M College Extension Service, will explain the program from both sides and farmers may then vote as they please.

The voting date is May 21 and all farmers who are eligible to vote on the 1964 wheat program are urged to go to the polls and express their opinions.

Mrs. Lourey Johnson

Mrs. Lourey Johnson, sister-in-law of Clifford Johnson of Hedley, passed away Sunday, April 21, at Weatherford. Funeral services were held Tuesday, April 23, at Weatherford and graveside services at Jacksboro. Burial was in the Jacksboro cemetery.

Mrs. Clifford Johnson attended the services.

Mr. and Mrs. J. D. Sanders and Kerri of Perryton and Mrs. Joe Wood and Peggy Markham of Amarillo visited in the Joe Wood home recently.

Greenbelt Dam

Gene Allison and Clifford Johnson of the local City Council attended the directors meeting of the Greenbelt Water Authority at Childress Thursday night.

The engineers gave their report. After over a year's surveying and coring of the dam sites on the river the only one they would recommend was a site north of Lelia Lake and about 1 mile east.

They stated that this was not only the best but the only site they could recommend. The reservoir will have a capacity of 90,000 acre feet of water. The Authority's permit is 100,000 acre feet.

They advised the directors to contact their attorneys and bond men and get ready for an election as they would have their final report in May. Present plans now are to hold elections in all the interested cities in July.

We will probably have further information on the progress of the project in each issue of the Informer.

Baseball Meeting

All persons interested in a boy's summer baseball program this year are asked to meet at the Lions Den at 8 p. m. Tuesday night, May 7.

This includes parents, and any persons interested in sponsoring a team, coaching, and managers.

LIONS ROAR

Good steaks, fried onion rings, creamed potatoes, salad, hot biscuits, cherry cobbler with ice cream, tea or coffee was about all they served at the last club meeting. Several Lions missed it too.

Next week is regular meeting time. Plans will be made for the big meeting of the year, on Thursday night, May 23. This will be ladies night and the club will be 21 years old. The mortgage on the building has been paid off and will be burned that night. Mrs. Frank Kendall is expected to be present.

Twenty-five new Samsonite chairs have arrived and other preparations to make this our biggest meeting are being made. Mark this on your calendar and make no other engagements or you will regret it.

Joe Wood Playing Baseball In Italy

An Army newspaper reveals that Sp4 Joe Wood of Hedley is playing baseball this year on an Italian championship baseball team. A nice article in the paper shows a picture of Joe and states that he will play shortstop on the Radici team from Trieste.

He entered the Army in August of 1961 after attending Clarendon Junior College and took his basic training at Fort Carson, Colo.

They must show the correct amount of earnings paid each worker during the quarter and his correct name and social security number.
