Rogers Sponsors Letter Contest

By Congressman Walter Rogers

Can you say YES! to America? Do you have faith in your country's future? Do you believe that the courage of our people and the strength of our institutions will carry our Nation to new glories?

I like to see patriotism expressed. Now that it's summer, with the youngsters home from school, I'd like to hear from Panhandle folks—young and old—on this topic: "I Say Yes to America"

I'd like to see expressions of faith in America and its destiny from children and their parents—letters, not formal essays, stating their continuing faith in their country.

I'm opening a kind of contest—one in which everyone wins. First of all, those who write letters on the topic "I Say Yes to America" will have benefited by giving deep reflection to their feelings about their country and putting their feelings in words. Second, those of us who read the letters—and I'll publish the most inspirational statements as part of a future newsletter—will benefit by seeing the convictions expressed by fellow citizens.

In a more material way, everyone who sends a letter on the topic will win. To each letter writer I will send copies of two booklets "How Our Laws Are Made," a most interesting and accurate explanation of the Federal legislative process, and "Our American Government, What is it? How Does it Function?"

In addition, I will send other worthwhile books to the writers of the five letters adjudged to be most expressive in each of four age categories. These books are "Inaugural Addresses of Presidents of the United States" and the two volume, authoritative study prepared by the House Committee on Un-American Activities, "Facts on Communism"

The letters will be judged in these age categories:

1. Grade School (grades 1-6)
2. Junior High School (grades 7-9)
3. Senior High School (grades 10-12)
4. Adult

To the writers of the best letters in each category, I'll send an American flag, a flag that has flown

Greenbelt Dam

Clifford Johnson and Sam Sanders attended a special meeting of the directors of the Greenbelt Municipal and Industrial Water Authority at Childress Friday night.

At this meeting the R. A. Underwood Co. of Dallas was hired as the fiscal agent for the Authority.

Three firms bid on the project according to Dr. S. H. Townsend, president. "The Underwood firm not only gave us the best bid but promised quicker action," Dr. Townsend said.

Lawyers for the project are now drawing up the contracts for the vote of the cities.

LEGION NEWS

There will be a call meeting of the Post next Tuesday night. A free feed is promised and an effort will be made to make the Hall cool and comfortable.

New officers will be elected. Better be there to protect yourself or you might get elected to an office. The State Convention will be held in Fort Worth on Aug. 9, 10 and 11.

Card of Thanks

We wish to take this means of expressing our sincere thanks to the Hedley Fire Dept. and to all others who helped during the fire at our place last Friday.

We appreciated everything that was done.

over the Capitol of the United States, as well as the books and booklets. One of my most distinguished colleagues in the House of Representatives will be given the five letters I've picked as best in each category. He in turn will pick the flag winners.

I hope the letters flood into the office. Be sure and give me your name and address and the category in which your letter should be placed. All letters postmarked by midnight Sunday, August 25th, will be considered in the competition. I'll announce the winners in a newsletter early in September.

Send your letters to me:

LIONS ROAR

The Hedley Lions Club held their first meeting of the Lions fiscal year last Thursday night with new Boss Dion Slim Hunsucker presiding.

Their first official act was to pass a resolution endorsing the Greenbelt Dam. Similar resolutions have been passed by the City Council and Garden Club. It is hoped that other clubs will follow.

Program Chairman Don Springer had a splendid program. Appearing on the program were Ernie Houdashell, Mary Lou Bevers, Mrs. Letha Springer and Don Cox. Some thirty Lions and guests enjoyed this fine program and fine meal.

Next week is regular meeting with Mr. and Mrs. Henry Nivens serving at 7:30. Appointments of new committees for the Lions year will be read.

The Lions family barbecue will be held the latter part of August, and it is less than three months until the 12th Annual Cotton Festival.

Farm Facts

According to the Economic Research Service of the U. S. Department of Agriculture, the average American is eating more fruit than he did 50 years ago.

One person ate an average of about 172 pounds of fruit per year during 1910-14. Today the average person eats about 200 pounds of fresh fruit equivalent yearly.

Today 50% of the fruit we eat is processed, compared to only 13% back in 1910. The increase in use of processed fruit—particularly canned and frozen—has been about fivefold and has more than offset the per capita decrease in fresh fruit consumption since 1910.

Back in 1910 folks were eating a lot of dried fruit. It accounted for about 78% of the processed fruit in those days. Use of dried fruit has been declining since 1920.

In the 100 pounds of processed fruit we consume annually, 53% is canned fruit and fruit juice; 35% is frozen

fruit and fruit juice; and 12% is dried fruit. Citrus accounts for about half the processed fruit we eat.

Consumption of frozen fruits and juices has more than made up for a decline in use of canned fruits.

New Coach Hired

A new coach has been engaged for the Hedley schools for the coming year. He is Jack Webster, 32 years old, married and has four children. Mr Webster is a graduate of Panhandle A & M at Goodwell, Okla. He is doing work on his Masters degree at West Texas State.

He has been quite successful at Briscoe. His boys team won their district and bi district in 1962, and played in the regional finals against Quitaque. His girls teams were district winners in 1962 and 1963.

We are glad to welcome Mr. Webster and his family to Hedley.
