

The Hedley Informer

VOL. 53

HEDLEY, DONLEY COUNTY, TEXAS, OCT. 18, 1963

NO. 52

Legal Notice

All interested persons are advised that the construction of additional traffic lanes are being planned by the Texas Highway Commission on U. S Highway 287 from near the East city limits of Clarendon through Hedley. The contemplated additional traffic lanes will parallel the present traffic lanes in the rural portion to provide a divided highway similar to that now built from Clarendon West. These divided lanes will transition to each other within the cities of Clarendon, Lelia Lake and Hedley. These city sections will have the present paved streets widened sufficiently to provide for four traffic lanes.

Preliminary drawings showing the proposed location are on file at the Resident Engineers office in Clarendon and at the District Engineers office in Childress.

Any interested citizen may request that a public hearing be held respecting such proposed location and the economic effect of such location by delivering a written request to the Resident Engineer or the District Engineer on or before the 7th day of November 1963. In the event such request is received, a public hearing will be scheduled and adequate notice will be given as to its time and place.

Notice

We want to thank everyone who helped in any way with the cake walk during the Cotton Festival. \$132.00 was made for the Cemetery Fund from the project.

Cake Walk Committee
Mabel Bridges, Chairman

Bargain Rate

We now have bargain rates on the Amarillo Daily News, daily and Sunday one year for \$15.95, also on the Fort Worth Star-Telegram, daily and Sunday for \$14.95. See the Informer today.

Mrs. C. V. Fisher of Texarkana and Mrs. Fred Arnold of Dallas visited in the Alva Simmons home this week.

Mr. and Mrs. Donald Youree of Amarillo announce the arrival on Oct. 8 of a fine little daughter, weight 6 lbs. 14 oz., who has been named Charlotte Lynn.

12th Cotton Festival Is Great Success

Despite the fact that illness caused some expected events to miss the 12th annual Hedley Cotton Festival last week end, it must be rated as one of the most successful Festivals yet held. Fine cooperation by the weather helped greatly, and the fine efforts of the eight candidates for Cotton Festival Queen produced a record amount of money in the queen contest, \$2,490.

The Donley County Old Settlers held their annual reunion on Friday. A large number registered in the bank committee room, then enjoyed a program at the speakers stand. Awards were given to Mrs. J. S. Beach, 95 as the oldest lady present, to H. P. Wilson, 81, as the oldest man present, to Joe Everett of North Carolina, who came farther than anyone else to attend the reunion, and a special award to Mrs. W. I. Rains as co founder of the reunion. Bob Ayers acted as M. C. for the old settlers.

Every event of Saturday was much enjoyed, including a large group of youngsters for the kiddies parade most of whom received a ribbon of some sort. Highlight of the day was the grand parade, which included the following: Sheriff Truett Behrens and Deputy Roy Hunter, the color guard from the U. S. Army Recruiting Service, Dolores Messer Crump in a Foxhall Motor Co. Ford, the Lions District Queen, Gayle Blake of Shamrock in a Potts Chevrolet, Lions District Governor Steve Stephens of Amarillo and international councilor Sam Pakan of Shamrock, also in a Potts Chevrolet, the past Lions queens, the Memphis High School band, Brenda Winn in the Moreman Grocery and Lockes car, Nancy Shaw in the Owl Cafe car, a Houston Chrysler, Kathy Spier on the Security State Bank float, the Hillbillies, the Kachina Indians, Katrina Snelson in the Shaw Conoco car, the First Methodist Church float with Mrs. Henry Moore and class, Jane Mentienhall in the C. L. Johnson Insurance Agency and Harlan's Flowers car, the Clarendon High School band, Ricky Rowell on the West Texas Utilities float, the City of Childress car, a Case tractor from Stone Machinery Co., the First Baptist Church float with Mrs. Gene Allison and

class, Alderson Chevrolet, Marsha Snelson in the Hedley Cafe car, the Moffitt Hardware float with Susan Cox, Judy and Joan Leggitt, the Matador all girl Drum and Bugle Corps, the Greenbelt Dam float, Borden's, Cotton John's horsemen, the Garden Club float with Sharon Johnson the McLean Junior High School band, the General Telephone Co., the 1919 Study Club float with Sandra Moffitt, the Memphis Junior High School band, H. & M. Dry Goods car, Spicer Funeral Home, the Sodalitas Club float with Mrs. Harold White and Mrs. Earl Wheatly and several youngsters, the Cub Scouts, Chamberlain Buick, a Farmall tractor from Driver Implement, the Hedley Riding Club, and a John Deere tractor.

In the commercial class, Moffitt Hardware Co. won first place, Security State Bank second and West Texas Utilities Co. third. For organizations the Sodalitas Club won first place, the Garden Club second, and honorable mention to the First Baptist Church. For cars, H. & M. Dry Goods won first and Shaw Conoco second. The grand prize was won by the Sodalitas Club. For bands, Memphis High School won first, Clarendon High School second and McLean Junior High School third, with honorable mention to Memphis Junior High School. A first place also went to the Matador Drum and Bugle Corps.

H. & M. Dry Goods took first place in window displays, C. L. Johnson Insurance second, and Security State Bank third.

After a full day of entertainment, a large crowd gathered at the high school building Saturday night and enjoyed the colorful coronation program directed by Mrs. Don Springes. Eugene Allison did a fine job as M. C. Climax of the ceremony was the crowning of the new Queen, Miss Katrina Snelson, by Lions District Governor Steve Stephens of Amarillo. Second place winner in the queen contest was Miss Brenda Winn, and third place winner was Miss Ricky Rowell. All of the girls in the contest are to be highly commended for their record breaking total of tickets sold.

Cotton Festival officials and our citizens as a whole appreciate very much the Kachina Indians, the Maverick Club, the visiting bands, those who filled in with music when needed, and every worker and visitor who helped to make the Festival a success. We

TSTA Unit Meets

The Donley County Unit of the T. S. T. A. met at Hedley Oct. 9, 1963. Attendance was well above 90%. An interesting program was presented by Mr. Kenneth Sams and Mrs. H. Shields. Mr. Sams spoke about N. E. A. and the advantages it has gained for teachers and Mrs. Shields spoke about T. E. P. S., a magazine encouraging teachers to be more professional and to take great pride in their profession. Mr. Weldon Day was elected as 1st vice president and Mr. Sams was elected to be our delegate at the state convention in Ft. Worth.

Our next meeting will be Feb. 5, at Clarendon.

Card of Thanks

Words cannot adequately express our appreciation for the loving care given to our loved one during the last few months of her life. To Dr. Cox and Dr. Odom, for their patience, their professional care in her long illness; to the nurses and other helpers who were truly angels of mercy; to all our friends in Memphis, Hedley, and Estelline who helped cheer her long, lonely hours with their frequent visits; may God richly bless you all.

Mrs. A. F. Page and family
The R. E. Newman family

Mr. and Mrs. W. M. Biffle and Mrs. W. D. Franklin visited Mr. and Mrs. John Nash in Wellington Tuesday of last week.

Mrs. Ruby Banister of Plainview and Mrs. Benny Woods, son and daughter of Canyon visited the C. R. Hunsuckers last week end.

Pete Newman was here from Memphis for the Festival and invited his friends to come and see him.

should mention Highway Patrolman Lee Johnson and the Donley County Sheriff's Dept. for their assistance in handling traffic during the grand parade. Their work was a great benefit.

A special vote of thanks should go to Joe Williams and Mrs. Baird's Bread for the sound truck and Joe's fine work as M. C. both days of the Festival. We don't know how the Festival could have been put on without them.

Farm Facts

Farming is the nation's biggest industry. Four out of ten jobs in private employment are related to agriculture.

The U. S. Department of Agriculture points out that farming employs 7.4 million workers—more than the steel industry, automobile industry, or transportation and public utilities combined.

Ten million people have jobs storing, transporting, processing, and merchandising agriculture. Six million have jobs providing the supplies farmers use.

Here are a few examples from the 1958 Census of Manufactures:

Meat and poultry—308,500 employees and a payroll of nearly \$1.5 billion.

Dairy—292,600 employees and a \$1.3-billion payroll.

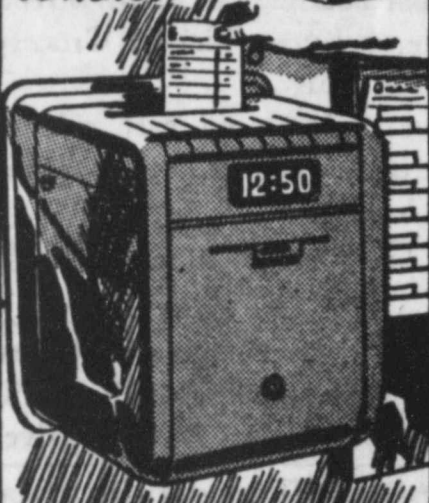

Baking—299,000 employees and a payroll of more than \$1.3 billion.

Fruits and vegetables—172,400 employees and a payroll of \$591 million.

Cotton broadwoven fabrics—242,500 employees and a \$722-million payroll.

Investment in agriculture is equal to three-fourths of the

4 out of 10 jobs in private employment are related to agriculture.

value of assets of all corporations or three-fourths of the market value of all corporation stocks on the New York Stock Exchange.

A sound and stable agriculture is our nation's greatest source of strength.

Gouge-Owens

Romaine A. Owens of Hedley, daughter of Mr. and Mrs. Oscar Anderson and Harold Gouge of Clarendon were united in marriage Friday, Oct. 11, at Borger, by Rev. Jeff Moore, Baptist minister. Mrs. Gouge is employed with the Security State Bank of Hedley and Mr. Gouge is the football coach at Clarendon High School.

Mrs. Woodroe Farris is in Odom Hospital at Memphis.

**Hedley In Review--
F. H. A. Program**

The F. H. A. Chapter had their second meeting of the year Monday night, Oct. 14, at Hedley High School with president Brenda Winn presiding.

Chapter parents for the year were elected. They were Mr. and Mrs. A. J. Rowell, Mr. and Mrs. R. A. Shaw and Mr. and Mrs. W. R. Altman.

The program for the evening was the story of Hedley's history given by Jamie Evans, Helen Wood and Nita Bailey. They gathered the facts from several old timers and presented it to the group.

Mrs. Mabel Bridges was the guest speaker. She told many interesting facts about old Rowe and Hedley. She also showed us some clothes dating back to the Civil War.

Everyone enjoyed the program very much. It gave us a lot of information about Hedley that we had never heard before.

**5th ANNIVERSARY
4-H Beef Program**

The 1963 National 4-H Club Congress and the International Live Stock show the first week in December are destined to be once-in-a-lifetime experiences for a 4-H beef project winner.

An all-expense trip to Chicago awaits the state's top prize winner. The boy or girl also will be considered for one of six \$500 college scholarships presented to the highest ranking 4-H beef cattle producers in the nation.

This year marks the 5th anniversary of the beef program sponsorship by E. I. du Pont de Nemours & Company. During the last five years participation and awards won by 4-H'ers have increased markedly.

Extension Supervised

Supervised by the Cooperative Extension Service, the program in 1962 attracted more than 145,000 boys and girls in nearly every state compared to

about 135,000 in 1959. Enrollment is expected to show another increase when the 1963 figures are compiled.

Chance to Learn

The beef program offers 4-H'ers opportunities to learn and apply latest methods of breeding, feeding and marketing. Much of the original research and testing were done by the agricultural experiment stations.

The youths also practice judging, fitting and showing of animals, and demonstrate various aspects of livestock production and management.

Awards Not Easy

Progress reports, personal development and service to the community are considered when 4-H award winners are selected.

Three girls and 21 boys already have claimed scholarships and next December six more youths will join this elite group.
