

The Hedley Informer

VOL. 54

HEDLEY, DONLEY COUNTY, TEXAS, FEB. 7, 1964

NO. 16

Greenbelt Dam

The hearing before the Texas Water Commission will be held next Wednesday, Feb. 12. The meeting will be in the morning. The office of the Commission is in the Sam Houston building on the State Capitol grounds.

Since some opposition is anticipated from Wellington, large delegations from all member towns are asked to attend. Childress is planning to charter a bus. Frank Murray, Clifford Johnson, and others plan to take cars from here. Since Hedley is the nearest point from the dam we should be well represented at the meeting.

LIONS ROAR

Steve Stephens of Amarillo, our Lions Club District Governor, will be the principal speaker at next week's meeting. He is an able speaker and we should all come out and hear him. Meeting time is 7:30 p. m.

Lion Stephens is owner of the Forest Hill Hardware and Variety Store. He became a Lion in June, 1953, and has had perfect attendance since joining. He is an active supporter of the Crippled Children Camp and a leader in all civic affairs of North Amarillo.

Some sixty odd Lions and ladies heard Dr. Leon Hill of Amarillo speak at last week's meeting. Dr. Hill lived up to his reputation of being one of the best speakers in Texas and was enjoyed by all present. Master of Ceremonies Sue Weatherly and the Lion ladies did a wonderful job in conducting the meeting.

City Election

Please take notice that an election will be held at the City Hall in Hedley on Tuesday, April 7, to elect a mayor and three aldermen for the city of Hedley. The two aldermen receiving the first and second largest number of votes will be elected for two years, and the third man for one year.

Any qualified citizen may run for these offices. Deadline for placing a name on the ballot will be March 7.

Mrs. Eva Hill was brought home last Thursday from an Amarillo hospital.

Arthur Levi Owens

Funeral services for Arthur Levi Owens, 55, who was killed in a car wreck near Matador last Thursday evening, were held Sunday afternoon in the First Baptist Church at Turkey by Rev. Darwin Scott. Burial was in the Turkey cemetery.

Another Turkey resident, Ernest Russell Yates, was also killed in the crash.

Mr. Owens was a native of Fort Sumner, N. Mex., and was a brother of Mrs. Cullen Taylor of Hedley.

To Honor Graces

A social to honor the Rev. Gene Grace family will be given in the Fellowship Hall of the First Baptist Church Sunday evening following the regular preaching service.

Everyone is cordially invited to attend.

Boy Scout Week

National Boy Scout week is Feb. 7 through Feb. 13. This Saturday, Feb. 8, the Troop will take over the affairs of the City. Sunday is Boy Scout Sunday and the Scouts and Scout committee will attend church. Scoutmaster Roy Hunter now has twenty one boys in his troop.

Bowling Team

The Hedley Hi-Lo's Bowling team, currently sponsored by Clifford Johnson Insurance, at our last report were tied for first place in the Memphis Bowling League.

The team members consist of Margaret Saunders, Faye Allison, Mary Ruth White, Patsy Spier, Letha Springer and Joan Taylor.

Mrs. George Autry

Kay Autry recently received a message that his stepmother, Mrs. George Autry of Little Rock, Ark., had passed away Jan. 22. She was 87.

No doubt the Hedley Lions Club will again participate in this event.

Farm Facts

Every now and then a farmer runs across a bull or steer that is so mean he feels like shooting him. Some farmers do—with a tranquilizer dart that tames the unruly animal. It thus protects both man and beast.

The dart is a plastic syringe encased in metal and loaded with nicotine. It's fired from a special air rifle that loads like a single-shot shotgun and is powered by a compressed air cartridge.

Farmers, ranchers, zoo keepers, veterinarians, and big-game hunters use the rifle. They can fire it from as far as 75 yards away and score an effective hit, but best results are obtained from a distance of about 35 yards.

When the dart strikes the animal, a small compressed air cartridge is activated and the nicotine is injected into the bloodstream. In a few minutes the bull will stagger and then drop to the ground, paralyzed. Then the farmer can administer medicine that the animal may need.

The treatment is relatively painless for the animal. It appears to suffer little, either

Farmers "shoot" bulls to tame them.

from the dart or from the dose of nicotine. Within an hour's time, the bull will be grazing contentedly as if nothing had happened, and science will have helped the farmer solve another knotty problem.

Vehicle Inspection

Austin—The director of the Texas Department of Public Safety, Col. Homer Garrison Jr., today reminded Texas vehicle owners that the 1964 vehicle inspection deadline will soon be upon them.

He reported that some 60 per cent of the allotted inspection period has elapsed and only 20 per cent of the vehicles have been inspected.

"If this trend continues, vehicle owners can expect to have to wait in line in order to get their vehicles inspected by the April 15 deadline," he said.

Jimmie's Garage is the local inspection station.
