VOL. 54

HEDLEY, DONLEY COUNTY, TEXAS, MAY 1, 1964

NO. 28

## Seniors Honored

One of the highlights of the year for the Seniors of Hedley High School was the annual banquet given in their honor last Friday evening by the ladies of the First Baptist Church.

The affair was entitled a Mexican Party, and the South of the Border theme was emphasized throughout. The Fellowship Hall of the church was gaily decorated with guitars, roosters, straw hats, trays, and plaques, and the tables were centered with a long line of sahuaro cactus, tropical flowers, fruits, animals, straw sombreros, and birds.

Mrs Mildred Clendennen served as Master of Ceremonies. The entire group joined in singing the Doxology, then Connie DeBord gave the invocation. Mrs Miller welcomed the guests to the Fiesta in Old Mexico, responded to by Ann Lynn. Jimmy Boliver and Jon Leggitt gave several vocal numbers, accompanied by Thava Davis at the piano. Mrs Clendennen then introduced the principal speaker for the evening, Rev. Royce Denton of Estelline, who brought a very thoughtful message. The program closed with another group song and the benediction by J M Baker.

Everyone enjoyed the delicious meal of baked ham, green beans, potatoes, salad, sweet potatoes, cream, cake, nuts and tea.

Seniors present for the affair were Alvin Alexander, Alvie Ray Butler, Ann Lynn, Deloris Sanders, Katrina Snelson and Cheryl Stegall.

## Let's Remember . . .

When we are hiring our County Attorney at the same compensation for either candidate which may be elected, we should hire the one most experienced, capable, and qualified as we would our own employee. Let's all join in voting for Bill Lowe who is an honest, God-fearing man of sound judgment, who gets things done for our county.

Mrs. Leland Pierce has been very ill in a Memphis hospital.

Visiting in the R. M. Saunders home last week end were Mr. and Mrs. Doyle Clendennen of Amarillo and the Doyle Baggett family of Umbarger.

## Musical Program

The Sodalitas Club of Hedley will present a musical variety program on the night of May 5 at 8:00 p. m. The program will take place in the Hedley High School Auditorium and will consist of both home-grown and imported talent.

Admission will be 50¢ for adults and 25¢ for students. We would like to see all of you there. You'll be in for an evening of pure entertainment.

## Moreman Elected

Campus elections were held at Texas A. & M. last Thursday, with a record breaking vote total of 2,666 votes. Among those honored by election to an office was David Moreman of Hedley, veterinary medicine major.

David was elected parliamentarian, defeating two opponents for the office.

## LIONS ROAR

Something over 100 Lions and their guests enjoyed the Lions Club's 22nd Anniversary birthday party and banquet last Thursday night. Mrs Henry Nivens and her crew prepared and served a wonderful meal.

The pupils of the Lela school under the direction of their musical director, John Thomas, had the main part of the program. Also short talks were made by J. S. Hinds of the Silverton Lions Club, Wm. J. Lowe of the Clarendon Lions Club and Judge Ernest O. Northcutt of Amarillo.

Recognized were the charter members, the 20 year members, the Key members, the Past Presidents and the widows or nearest of kin of the seven departed Lions. A good number of all of these were present.

Many compliments were passed on our Lions Den, Kendall Hall. Decorations were very beautiful and the Hawaiian motif was carried out from pineapples to an orange tree. Mrs. Ray Moreman, wife of the first Lions President, cut the birthday cake and served the first piece to C. R. Hunsucker, the present Lions President. The next meeting of the Club will be a regular meeting meeting on May 14th.

## School Meeting

A good crowd attended the special school meeting held Monday, and showed much interest in the various alternatives proposed for school building repair or replacement.

The school board is making an intensive study of the project, and will have a further report later.

## To the Voters of Precinct 3

In making my campaign throughout Precinct 3, I have not always been able to catch every voter at home, and for fear that I may have missed someone, I want to take this means to remind you that I am a candidate for re-election as your County Commissioner.

During the time that I have had the privilege of serving you as your Commissioner, I have tried at all times to give honest and faithful service to the best interests of the precinct and county. As you all know, Donley County is not a wealthy county, and many more projects could be carried out if funds were available, but I have endeavored to carry out the business of the precinct the way that I believe you want it done . . . that is, to perform all essential services and still preserve the utmost economy possible.

I am making this race on my own merits, not on anyone else's demerits. I sincerely appreciate the fine cooperation you have always given me, and I assure you that, if re-elected, I will continue to serve you to the best of my ability. I humbly solicit your consideration.

Thank you very much,  
F. M. Murray

## To the Voters of Donley County

In making my campaign for re-election, I wish to thank everyone for your courtesy and time. I have enjoyed each brief visit with you.

Again, I will take this means in soliciting your sincere consideration and support for the office of Sheriff-Tax Assessor-Collector.

Thank You.

Truett Behrens

## Beginners To Visit School

Friday, May 8, has been set as the day for next year's beginning first graders to visit school. This year's first graders will stay at home that day so that the beginners may sit at their desk, get acquainted with each other and their teacher, and get a taste of classroom procedure.

The beginners are to come at the beginning of the morning session and remain to eat in the lunch room. Mothers are asked to come for their children at 11:30 and meet in the first grade room for a few minutes before returning home.

## Hedley P.-T. A.

The Hedley PTA met in regular session Monday night. Bro. Lynn gave the invocation.

Mrs Shields and the homemaking girls had charge of the program, and the girls modeled the dresses they had made this year. Several children also modeled clothing made by the third year homemaking girls. Gayle Hoggard was the announcer for the style show. Sue Alexander gave a vocal solo, "Maria." Everyone enjoyed the style show very much.

The 5th and 6th grades won the attendance party.

Mr. and Mrs. Jeff Wiggins of Pasadena visited here last week end.

Mrs. R. E. Darnell left Saturday for a visit with her daughters at Fort Worth.

Mr and Mrs. Wilson Biffle and Jerry Ray of Albuquerque visited in the W. M. Biffle home last week end.

Jimmy Don Howell was injured last Friday in Amarillo when his car was struck by a truck that went out of control. We are glad to learn that he was much less seriously hurt than was at first believed.

Mrs Joy Heathington and son Buddy of Los Angeles, Calif., have been visiting relatives here.

Connie Lee DeBord is reported doing fine after a tonsilectomy last Thursday at Memphis.

VOTE SATURDAY FOR

**ALLEN HARP**

FOR DISTRICT JUDGE 100TH JUDICIAL DISTRICT

Neither my opponent nor I were ever defeated for County Attorney—neither of us had an opponent.

In order to be licensed to practice law in Texas every person must pass the State Bar Examination, without regard to law schools attended. I passed this examination and was duly licensed in April, 1947. Since that time I have served as District Attorney, County Attorney, and City Attorney and have been actively engaged in the practice of law.

I served as official Court Reporter for this District Court from August, 1941, to September, 1947, with leave of absence for military service. Previously, I served as State Representative.

In conducting my campaign I have sought to exemplify the same qualities of honor and integrity essential to the proper performance of the duties of a District Judge and in accord with the highest tradition of the jurist.

Your vote and support is solicited on the basis of my own qualifications, and on this basis alone.

I have managed my own campaign and spent my own money in the race. If elected, I will be in a position to perform the duties of the office impartially and in all good conscience toward God and man.

Respectfully submitted,  
ALLEN HARP

### Salvation Army

A drive is expected to begin in the near future for the Salvation Army. The local drive will be under the direction of M. O. Weatherly

This is a new arrangement for this county. Under this setup one third of all money collected will remain in this county and two thirds sent to division headquarters at Dallas. Money here will be used for emergency aid to either local or transient people, and money will be returned from the Dallas office if necessary. The committee is empowered to meet any emergency needs.

The county wide committee includes C. J. Lohoefer chairman, Van Kennedy treasurer, C. A. Pitts, Bill Lowe, Bill Todd, Truett Behrens, Rev. W. R. Lawrence and M. O. Weatherly.

**News From Our  
County Agent**

County Agent Flip Breedlove says that the time fast approaches to be on the look out for screw worms. We had a wonderful year last year with very few cases reported in Donley County. Breedlove says that this was due a great deal to the cooperation of all livestock owners in spraying of cattle and when they did find a case of screw worms, the sample of worms was sent to the Mission, Texas laboratory at once.

Containers for shipping in samples of worms when they are found are available in the office of the county agent. All livestock owners who do not have a container should drop by the county agent's office and get some before the screw worm time arrives.

Breedlove also asked that all livestock owners who find worms in livestock wounds let him know when the samples are mailed out. It is understood that sterile flies will be dropped in infested areas again this year.

# Here's What People Are Saying About BILL LOWE

"Why trade off a sound and proven man who has been a great asset to the County. I'm proud that we have a County Attorney such as Bill Lowe who dedicates himself to the task with hard work, and I think he should be re-elected."

"As a public official, I happen to know that it was Bill Lowe along with the Commissioners Court, who was instrumental in persuading the Texas Highway Commission to recently reverse its position and re-locate the new highway from McLean on the Westerly route directly into Hedley instead of the Easterly route toward Wellington and Memphis. In addition, a farm-to-market road over three miles long on the Easterly route to serve the people in the McKnight community will also be obtained. Bill Lowe has accomplished too much for our county not to keep him. He is a man who has gotten things done."

"I happen to know that Bill Lowe has recovered thousands of dollars for the County in civil judgments without fanfare that other lawyers said couldn't be done."

"There is no criticism of Bill Lowe as a public official. Bill Lowe always does his job as it should be done and when it needs to be done. We need more men like him of sound Christian judgment."

"As a public official, I happen to know that Bill Lowe has never lost a case which he has prosecuted for the County or State during the over seven years he has been our County Attorney, and has lost but one case on appeal. We had better keep the man who is proven and experienced in court work."

"When we're hiring our County Attorney at the same amount of pay for either candidate which may be elected, we want to hire the most experienced and capable one just as though he was our individual employee. I'm for hiring Bill Lowe."

"The Green Belt dam and reservoir will no doubt result in the biggest economic boom that Hedley and Donley County will ever have, and we all know who legally and successfully guided this project. He will also be able to get the recreation facilities and roads to the lake which we all want and need. He is a man who has gotten things done."

"There is no clique or group, large or small, that dictates policy or decisions to Bill Lowe in his job as County Attorney. He does his own thinking. I've always found that his decisions are based on sound Christian judgment."

### BILL LOWE'S PERSONAL

### MESSAGE TO YOU

You, along with the other citizens of Donley County, will be employing your county's legal advisor and criminal prosecutor at the general elections this year, and I would like to be your County Attorney.

I feel that my record as County Attorney shows that I have been successful in my duties to the people of this county. I have always appreciated the confidence that the citizens of this county have placed in me during the time that I have been their County Attorney, and I shall be grateful for your continued support.

My duties as County Attorney have always come first, and I shall continue to devotedly fulfill all the responsibilities as County Attorney expected by the people. I am proud of my record as your County Attorney, and I will continue to do my best to serve faithfully, honorably, and with dignity and respect, the office and the people of this county.

I am proud to have been born and reared in Donley County. My wife, the former Helen Porter, and I are the parents of three children, Cindy, Will, and Sam. I am a member and deacon of the First Baptist Church of Clarendon, and actively serve as an officer and teacher in Sunday School work. I am a graduate of Clarendon Public Schools and Clarendon Junior College. I received my B. B. A. degree from The University of Texas in 1946, and my L. L. B. degree from the Law School of The University of Texas in 1949. I have always been active in civic and community affairs since returning to Clarendon in 1949 to practice law.

In addition to contacting you personally, I also take this means of asking for your close study of my capability and qualifications as your County Attorney. I respectfully ask for your vote and support in the Democratic Primary on May 2nd.

Sincerely,

Bill Lowe
