## Transportation Contracts at CJC

Transportation of students from surrounding towns to Clarendon Junior College is available through student car contracts. A student who resides in an area town may enter into a contract with the college to transport other students from his area. The driver-student is paid according to the distance each student travels in his automobile to school. There must be a minimum of three students riding with the driver before a group is eligible for a contract. The college will pay two cents per mile for travel, plus the following amount each month:

60 miles or over travelled one way—\$10 per rider, per month  
50 to 60 miles—\$9  
40 to 50 miles—\$8  
30 to 40 miles—\$7  
Under 30 miles—\$5

Students who ride with a contract driver may also pay him a like amount each month. Such a contract enables a student to drive his car to school at almost no expense to himself and provides the same transportation for those who ride with him at a very nominal cost.

Students who desire to negotiate such a contract should contact the Dean's office as soon as possible. It is preferred that these contracts be confirmed before a school term begins.

The cotton office of Alva T. Simmons was completely destroyed by fire about 10 o'clock last Wednesday night. The fire was discovered too late for the Fire Dept to save the building. Cause of the fire was unknown. The loss was partially covered by insurance.

Visitors in the Clifford Johnson home last week end were Mr. and Mrs. Mott Mills, Mr. and Mrs. Carl Millirons and son Denny of Snyder, Okla., Ricky Johnson of Corpus Christi, Mr. and Mrs. Charles N. Johnson and children Charlotte, Grant and Cinda of Matador.

Mr. and Mrs. Homer Grimsley of Hawthorne, Calif., visited in the Clyde Grimsley home last Thursday.

The A. L. Cherry family are visiting here from El Paso.

## J. C. Estlack

J. C. Estlack, 82, former publisher of the Donley County Leader at Clarendon passed away last Friday in a Wichita Falls hospital. Funeral services were held Saturday in the First Methodist Church at Clarendon by Rev. John A. English. Burial was in the Clarendon cemetery.

Mr. Estlack was born Feb. 18, 1882 at Littleton, Colo. He came to Clarendon in 1924 and established the Donley County Leader in 1929. He served as Clarendon postmaster from 1942 to 1956. He was a past president of the Panhandle Press Assn., a former member of the Clarendon Lions Club, and past president of the Clarendon Rotary Club.

He is survived by his wife, Elizabeth; four sons, Homer and George Wayne of Clarendon, Eugene of Austin and Phifer of Wichita Falls; a sister, Mrs. Rose Boyd of San Angelo; a brother, Raymond Estlack of Corpus Christi; 12 grandchildren and 14 great-grandchildren.

He was the grandfather of Mrs. Kenneth Sams of Hedley.

## LIONS ROAR

Thursday night of next week is the Lions annual family picnic and chicken barbecue at the City Park. Work is progressing swiftly in order to have the park ready for this big event.

Each Lion may invite as many as he wishes. Just leave 1/2 chicken or more per person at Moreman Grocery and Locker and the club will do the rest. Lion Henry Moore as heretofore will have charge of the barbecuing and he always has an excellent crew.

Attendance was at least fair at last week's meeting. Several Lions, however, failed to make it, for various reasons we guess. Our County Agent, H. M. (Flip) Breedlove, was the speaker. He gave an excellent talk on county agricultural affairs. Looks like we may soon make Donley County the banner county of the state.

## News From Our County Agent

Elip Breedlove, county agent and secretary and manager of the Rolling Plains Registered Beef Cattle Association, advises that the officers and directors met on the night of July 8 at Clarendon. Bill Bradley, president, presided over the meeting.

The annual bull sale for this fall was set for Dec. 2 in Clarendon. The sale will start at 12 noon on that date with Col. Walter Britten as auctioneer.

J. D. Swift, president of the Farmers State Bank, told the directors that the bank would like to be host to another barbecue this next month for the association. The date was set for August 18 at the Clarendon Country Club. Invitations will be mailed out within the next ten days.

Various committees were appointed and Breedlove says that things are well under way for the 1964 bull sale.

Mrs. J. H. Cooper was taken to a Memphis hospital Monday.

By coincidence, two girls living in the same block in Hedley suffered broken legs within the past week. They were Susie Stone, daughter of Mrs. Joy Nan Stone, and Vicky Skaggs, daughter of Mr. and Mrs. J. D. Skaggs.

Etched deeply in the high plains of the Panhandle, just south of  
Amarillo, lies a spectacular gorge, widely renowned for its scenic  
beauty. This is Palo Duro Canyon, a great 15,000 acre state park  
of Texas. You enter it on a road which winds for miles along the  
bottom of the vast gorge. You see many remarkable formations such  
as the "Lighthouse" and "Balanced Rock" which have been formed  
by centuries of erosion which created the Canyon. As you drive  
slowly along the Canyon's beauty is enhanced by constant changes  
in delicate coloring. Coronado explored the Canyon in 1541, and  
in 1876 Col. Goodnight drove the first wagon train down a huge  
rock slide into its great gulf. Palo Duro Canyon is easily reached  
on major highways through many of our towns, and is a high spot  
in places to go and things to see in General Telephone Country.
