VOL. 54

HEDLEY, DONLEY COUNTY, TEXAS, JULY 31, 1964

NO. 41

Bailey-Wood

Miss Jo Ann Wood, daughter of Mr. and Mrs. J. B. Wood of Brice, and Terry Bailey, son of Mr. and Mrs. Elmore Bailey of Hedley, were united in marriage last Saturday evening, July 25, in the First Baptist Church in Hedley. Rev. Archie Hawkins, pastor of the Brice Baptist Church, performed the double ring ceremony before an altar decorated with white gladiolas and white tapers. Pews were marked with white bows.

Given in marriage by her father, the bride wore a dress of white lace over organza. She carried a white Bible and a bouquet of gladiolas and stephanotis.

Maid of honor was Miss Elaine Behrens and bridesmaids were Misses Nita Bailey and Betsy Chamberlain. All wore identical dresses of aqua blue taffeta and carried nosegays of white carnations tinted with aqua.

Best man was Stanley Bailey and groomsmen were Don Reeves and Jerry McCarty. Blackie Johnson and Mack Stavenhagen served as ushers.

Mrs. Archie Hawkins sang "The Wedding Prayer" and "Because." She was accompanied by Don Cox, who also furnished the traditional nuptial selections.

A reception followed the ceremony in the Fellowship Hall of the church. In the receiving line were the bride and groom, the bride's mother, Mrs. Wood, and the groom's mother, Mrs. Bailey. Mrs. Wood wore a dress of blue with white accessories, and Mrs. Bailey wore a dress of blue with beige accessories.

Presiding at the register was Miss Connie Martin. Serving the wedding cake and punch were Mrs. Jean Stavenhagen, Jamie Evans, and Ann Weatherly.

After a wedding trip to Mexico, the couple will make their home in Hedley for the present.

Card of Thanks

I would like to take this opportunity to thank everyone for their visits, cards, and flowers while I was ill. I enjoyed them all so much. My special thanks go to Dr. Cox and Don for all they did for me.

We are glad to see Carter Huffman back in the States from Viet Nam.

School Bond Election

An election will be held at the City Hall in Hedley on August 22 on two propositions concerning the Hedley schools. No 1, if adopted, would authorize the Hedley school board to levy an annual ad valorem tax at a rate of not over \$1.50 on the \$100 valuation for the further maintenance of public free schools in the Hedley school district. No 2 would authorize the issuance of bonds in the amount of \$275,000 for school building purposes, including the purchase, construction, repair or equipment of public free school buildings.

Presiding judge for this election will be W. L. Mosley, Eugene Allison will be judge, and clerks will be W. B. Wiggins and Mrs. R. L. Nivens.

Persons eligible to vote in this election will be resident qualified electors of Hedley school district who own taxable property in said district and who have duly rendered the same for taxation.

A drawing and floor plan of the proposed new school building will be on display in the Security State Bank.

LIONS ROAR

Some 150 Lions and their guests attended the chicken barbecue at the Hedley city park last Thursday night. The food was delicious and the cooks should be commended. This was the Lions 22nd annual family picnic.

The next meeting of the club will be the second Thursday in August, which will be the 13th. Lion Kenneth Sams has charge of the program, and it has already been arranged.

Garden Club

The Hedley Garden Club will meet in the Lions Den Tuesday, Aug. 4, regular time. Hostesses are Mesdames Jessie Adamson, Maie Autry and Vashti Bates.

Flower tips

Sam and Tracy Sanders, Clifford Johnson, Forest Morton and Danny Morgan made a trip to Trinidad, Colo., and Raton, N. Mex., last week.

Park Improvements

The Sodalitas Club thanks each and every one who helped build the picnic tables at the park. We would especially like to thank Froggie Stewart, who loaned us the cement mixer and helped with the tables. Without the fine turnout of help the tables would not have been possible.

The Sodalitas Club furnished four tables, the Hedley Fire Dept. and Civil Defense unit two tables, and donations were taken for a community table, thus making seven new tables at the park.

We would also like to thank Frank Murray for hauling all our sand and gravel free.

Dorm 'Package Plan' Available at CJC

The Board of Regents of Clarendon Junior College has recognized an obligation to all out of town students and their parents to provide reasonable housing facilities. Since cost is an important factor in almost every facet of our lives today, the college also recognizes that many times a definite statement of cost permits a family to plan its finances for a student's school year.

In the face of these needs, Clarendon Junior College offers dormitory facilities for boys and girls in a "Package Plan" which provides for a student room and board, all books, tuition, and fees for a total low cost of only \$397.72 per semester. The entire sum may be paid on enrollment day or in monthly payments on an installment plan. Room reservations are now available.

Card of Thanks

We want to thank everyone for their sympathy and kindness in the death of our loved one. We appreciated everything very much.

The family of
J. A. Sargent

Mr. and Mrs. Douglas Tinsley and daughter Mary Ann of Kingsville visited in the home of Mrs. Myrtle Tinsley part of last week.

James and Carolyn Kirkland of Amarillo were visitors at the annual Lions Club family barbecue last Thursday. They enjoyed the fine food and visiting with relatives and friends.

Hill Family Reunion

The regular annual reunion of the J. F. Hill family will be held this year on Sunday, August 9. They will attend church at the First Christian Church in Hedley, then go to the city park for lunch.

Everyone is cordially invited to visit with them during the afternoon.

Greenbelt Dam

Only six more days and it will be the deadline to appeal the action of the Texas Water Commission in regard to the Greenbelt Water Authority. The Texas Water Development Board, who will finance the project, cannot be sued.

Only one suit has been filed, that by the attorneys of the Lewis estate. However they are expected to withdraw their suit. It is hoped that the actual work can be started soon as the water situation is getting very acute in most of the member cities.
