VOL. 54

HEDLEY, DONLEY COUNTY, TEXAS, OCT. 2, 1964

NO. 50

## Enrollment at CJC Hits Record High

The largest number of students to enroll at Clarendon Junior College was completed with the last day of registration Sept. 23 showing a final total enrollment of 190 students. The night school enrolled a total of 47 students and a total of 153 were enrolled in day school. Ten of these students were enrolled in day and night classes.

This growth represents a determination of all the individuals who continue to work for a growing college in this area. The increased student contact program that began in February, 1964, is one of the major reasons for this increased enrollment. Preliminary studies indicate that a comparable increase will be obtained by the fall of 1965. CJC is a growing institution.

Students from the Hedley area attending CJC include S. A. Younger, Patsy Sams, Clinton Keith Mann, D. Ann Lynn, Tom Pat Leggitt, Carrol Kennedy, Alvin Alexander, James Boliver and Jewell Quisenberry.

## 1919 Study Club

Members of the 1919 Study Club opened the new year with Assembly Day one o'clock luncheon in the Lions Den Sept. 23.

Mrs. Wiggins, program chairman, called the house to order and welcomed the members. Mrs. Simmons pronounced the invocation. Mrs. Taylor was introduced as president and in her message the coming year's work was discussed and she stressed the importance of continued cooperation by members in order to have a successful year. A short business session was conducted, then Mrs. C. L. Johnson reviewed the new yearbooks with members, introducing the year's program theme, This I Choose. Reading of the constitution and by-laws was by Mrs. Jewell.

The serving table was accented by a beautiful floral arrangement. The tasty menu consisted of turkey roll, a variety of salads, sandwiches, cake and coffee.

Members present were Mesdames J. M. Baker, Myrtella Deahl, R. W. Seales, E. M. Glass, J. S. Hinds, C. L. Johnson, Roy Jewell, Ethel Kinslow, Joe Miller,

## Greenbelt Dam

Clifford Johnson, Andy Anderson and probably others plan to attend the meeting of the Greenbelt Water Authority at Childress this Thursday night.

The purpose of the meeting among other things is to appoint banks to act as depositories for the Authority before the funds from the sale of the \$4,100,000 bonds are received. The money is supposed to be available before Oct. 15th.

The Texas Water Commission Monday granted Greenbelt Municipal and Industrial Water Authority permission to amend its permit.

The action will allow Greenbelt to move the location of its proposed dam on Salt Fork of Red River nine miles upstream. Also, the dam and reservoir storage capacity will be reduced from 90,000 acre feet at 2481 feet above mean sea level and 78,450 acre feet at 2477 feet elevation, to 59,800 acre feet at service spillway crest and 72,440 acre feet at emergency spillway crest.

## Festival Midway

The Midway for this Festival will again be the Central State Shows of Hazelton, Kans. They are now playing at the Lubbock Fair.

Carnival Chairman Jack Hogard states that they will set up and be ready to operate Thursday night, Friday afternoon and night, and all day Saturday and Saturday night.

The show will be about the same size or larger. However they do plan to have two rides they didn't have here last year and maybe a concession or so. We are very glad to have them again. They are one of the cleanest carnivals on the road.

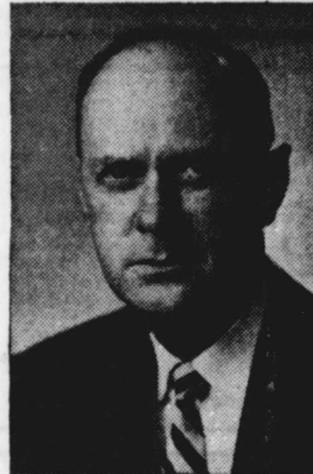

The American Angus Assn. advises that Curtis Kirkland recently purchased three registered Angus cows and an Aberdeen-Angus bull from Caprock Angus Farms of Memphis.

Hobart Moffitt, Oscar Moore, L. Petty, A. T. Simmons, Cullen Taylor, W. W. Wiggins and Tom Wilson.

The meeting adjourned by repeating the club collect in unison.

## Cong. Walter Rogers To Attend Festival

Congressman Walter Rogers will attend the Cotton Festival again this year. He will speak to the Festival crowd on Saturday afternoon.

## Hedley P.-T. A.

The Hedley PTA met in regular session Monday night, with Mrs. W. B. Wiggins as program chairman.

Connie DeBord gave the invocation, and Rev. Robert Estes made a talk on Together We Help a Child by Improving Our Working Partnership.

The 1st and 2nd grades won the room count.

## Sponsor Changed

One change has been made in the queen contest sponsors. Nivens Texaco is sponsoring Beverly McPherson.

C. A. Grimsley of El Paso attended to business in Clarendon last week, and visited his brother, W. E. Grimsley. On Thursday W. E. and Mrs. Grimsley went with him to Amarillo; they had lunch with Jewell Chenault, then came back by way of Pampa, where they visited the Andersons and Skidmores.

Curtis Bailey and family of Amarillo visited here last week end.

Mr. and Mrs. W. C. Parks of Houston visited in the W. W. Wiggins home over the week end. Mr. Parks is a brother of Mrs. W. W. Wiggins.

Dear Friend Johnson:

Thank you for your good letter inviting me to the Lucky 13th Annual Hedley Cotton Festival October 16-17. I remember with pleasure the Festival even though it rained, and I would like to be with you this year.

As you know, the Congress is still in session, and I can make no definite commitments. However I am keeping the dates open in the event that I am able to be with you.

Kindest personal regards.

Sincerely,  
Ralph Yarborough

**Vehicle Inspection**

Austin—Col Homer Garrison Jr., director of the Texas Department of Public Safety, has announced that the time has arrived for Texas motorists to have their vehicles inspected again.

Garrison said Sept. 1 marked the beginning of the 1965 vehicle inspection period as prescribed by the Public Safety Commission. As in previous years, the period will end on April 15, 1965.

"This means that between now and April 15, 1965, more than 5,200,000 Texas registered vehicles will have to be inspected at the 5,200 official inspection stations in Texas," he said.

Garrison urged motorists to have their vehicles inspected in the routine visits to garages for ordinary maintenance and repairs and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker
