Bi-District Game At Memphis

The Bi District championship football game between the Wheeler Mustangs and the Matador Matadors will be played in Cyclone Stadium at Memphis this Thursday (Thanksgiving) afternoon. Game time is 2 p. m. Memphis says they will have 3000 seats available.

Both teams are undefeated for this year. The Wheeler team has won 10 games and lost 0. Most of their games have been won by large scores.

The Matador team has won 9 games, were tied 1 and have lost none. The Matadors, coached by Charles Neal Johnson, defeated Wheeler in the play offs both last year and the year before. The last game Matador has lost to a team in its class was in November, 1961. This should be a very close exciting game.

Boehning-Tidwell

Miss Almeda Tidwell of Canyon daughter of Mr. and Mrs. J. M. Tidwell of Hedley, and Ronald Eugene Boehning, son of Mr. and Mrs. Leonard Boehning of Canyon, were united in marriage Oct. 30 in the Methodist Church parlor at Canyon. The double ring ceremony was performed by the pastor Rev. Starnes, before an altar covered with a circular linen cloth and flanked by two golden candelabra on each side. In the background was a large spray of red roses. Mrs. Pat Nichols of Canyon played Because and the traditional wedding march.

Given in marriage by her father, the bride wore a white two piece metallic suit with white brocade shoes, and a corsage of pink sweetheart roses. Her dress was sleeveless, accented with a pattern of self rope buttons in a spiral form on the suit front.

Maid of honor was Miss Kathy Crawford of Canyon and best man was James Seals of Amarillo.

The mother of the bride wore a dark blue silk dress accented with pink, with navy blue duster with black accessories. Pink sweetheart roses composed her corsage.

The mother of the groom wore a turquoise blue tailored dress with black accessories and her corsage was of pink sweetheart roses.

The reception was held at the Methodist Church. The serving table was laid with a white French lace cloth over pink, with a centerpiece of pink and white chrysanthemums and bearing a three tiered wedding cake with elevated tiers decorated with white and pink.

The wedding cake was served by Miss Marilyn Lambert of Childress, the punch by Mrs. George Younger of Canyon, and the guests were registered by Miss Suzanne Baker of Lamesa.

After a wedding trip to Clovis, they are at home at 408 24th St. in Canyon. The bride's traveling suit was of off-white and a white wool dress length coat, with beige mink collar and beige gloves.

The bride received her high school at Quail, graduating in 1962. She is now a senior at West Texas State University in Canyon. She is a member of Phi Alpha Theta, a national honor society of history.

The groom graduated from Canyon in 1963, and is employed by the Texas Highway Dept. in Amarillo.

Mr and Mrs John Aufill of Lubbock were Hedley visitors Thursday of last week.

LIONS ROAR

This Thursday being Thanksgiving there will be no Lions Club meeting. The next regular meeting of the Club will be Thursday night Dec 10. A good program has been arranged. Eating time is 7:30 p. m.

Farm Facts

A Texas farmer, Lyndol C. Barker of Dell City, not only has produced eight bales of cotton per acre but has averaged 6.92 bales per acre over a five-year period on 10.4 acres.

Time was when a cotton farmer thought he was going great if he could grow a bale to the acre. Standard weight of a bale of lint cotton, not counting its wrappings, is 478 pounds. The average yield across the Cotton Belt rose from 254 pounds in 1945 to 448 pounds in 1960.

Dell City is 90 miles east of El Paso in the center of an irrigated cotton-growing area where the average yield is more than two bales per acre.

Barker says there's no secret to making high yields. He just gives the cotton maximum water, fertilizer, and care.

Of Barker's 280 acres, about 130 are in cultivation. He grows cotton, cantaloupes, tomatoes, carrots, and other crops, and believes in diversification and soil care.

His land is flat, mostly sandy loam, and he rotates so that cotton is grown on the

same plot only one year out of four.

Barker's achievement points up the efficiency of the U. S. farmer. The record of U. S. farms is unmatched anywhere and is a key to our high living standards.
