SOLDIERS LEAVE

SECOND INSTALLMENT OF NACOGDOCHES QUOTA DEPART-TODAY FOR FOR CAMP TRAVIS.

From Wednesday's Daily.

Some ninety-eight fine young men from Nacogdoches county left at noon today for Camp Travis, near San Antonio, where they will go into training for service in any branch of the army Uncle Sam may need them.

For the most part, the boys were cheerful, and entered upon the service as they would enter upon the discharge of any other duty. Some couldn't help expression of the sadness they felt in taking leave from their loved ones, but in so doing they did not give evidence of the spirit of the slacker, and in service can be depended upon to exercise the same earnestness that was characteristic with their departure.

The town was closed for an hour that all might turn out and do honor to the noble young men who go forth to perform any service that the country may see fit to impose upon them; the schools also turned out for the hour, and a great multitude of people was present at the depot to bid them adieu.

The procession to the train was led by Mayor Matthews, riding in one of the fire trucks and bearing a U. S. flag and our good band brought up the rear with choice selections of music. There were many out-of-town visitors, composed mostly of people who were related to some of the boys, and this helped swell the crowd.

The boys were provided for dinner before leaving, and were provided with meal tickets by the exemption board for the trip. On behalf of the ladies of the Baptist church, Mr. R. C. Monk presented each with a testament, admonishing them to study it and not forget the Giver of all Good Gifts, in their pilgrimage as soldiers.

Messrs. Jas. Frank Garrison and Randolph Fall were appointed as captains by the board for the trip, and took charge of the boys when they were loaded on the trains.

The boys will change cars at Houston tonight, where they will have a lay-over of some three hours, and will get into San Antonio early tomorrow morning, from which place they will go immediately to the training camps.

Following is the list of those entered on the register for departure today, and bore credentials to the headquarters of the training camp:

- | No. | Name |
|-----|-------------------|
| 3 | Eugene Webster |
| 11 | Lee Wade |
| 15 | Jesse C. Banks |
| 17 | Joseph C. Rogers |
| 24 | Randolph C. Fall |
| 26 | James C. Reagan |
| 27 | Roy Grayson |
| 41 | Geo. V. Martin |
| 45 | Walter E. Sowell |
| 50 | Jas. F. Garrison |
| 51 | Jesse F. Crawford |
| 63 | John C. Brock |
| 73 | Walter W. Dill |
| 76 | L. C. Jacobs |
| 77 | Alfred M. Byrd |
| 83 | John R. Boucher |
| 87 | Chas. W. Haney |
| 92 | Alvin R. Corley |

Cane Mills Evaporators, Furnace Doors and Grates

We have a complete stock of these that were bought several months ago in Carload shipment and the prices that we are now making are less than the present wholesale cost.

If you are going to buy a Syrup-Making Outfit you can save money by buying from us at once.

If interested, we will be glad to send you our Cane Mill Catalogue and lowest prices. Write, phone or come to see us at once.

CASON, MONK & CO

We have Gasoline Engines too

SENATE PASSES BILLS.

Austin, Texas, Sept. 18.—The senate today passed finally the senate bill by Senator Harley regulating the conducting of fish hatcheries in the state to be placed in such hatcheries for cultural purposes. It also passed finally the senate bill by Senator Bailey, validating the charters and amendments to charters of cities of more than 5000 inhabitants, which have adopted or attempted to adopt charters under the enabling act of 1907.

The house bill by Tinner, permitting the sale of gasoline on Sundays, came up as pending business, but there being some opposition to the measure, on motion of Senator Collins, action was deferred until tomorrow morning.

The Nordhaus bill to prevent the diversion of electric current and tapping of gas or water pipes, came up but was laid on the table, subject to call.

Sour stomach, belching, wind in the bowels and constipation, can be corrected by taking a dose or two of Prickly Ash Bitters. It is just the thing for such ailments. Stripling, Haselwood & Co., Special Agents.

DELIVERY OF BONDS SEPTEMBER TWENTY-SIX

Dallas, Texas, Sept. 19, 1917. The Sentinel.

Nacogdoches, Texas. We are today in receipt of a telegram from treasury department, treasury department circular No. 89, today announces deliveries of definite bonds to subscribers to first issue of liberty loan will begin September 26th, by Federal Banks. Full instructions and copies of circulars being mailed tonight. Supply circulars for general distribution will be forwarded tomorrow. Advise subscribers to await receipt of official circular and your bank's announcement before taking any action to secure bonds.

J. W. HOOPES,
Deputy Governor.

MALTON & GIBBS, Proprietors
G. M. HALTOM, Manager
G. M. GIBBS, Editor

A civilian who bade a soldier boy goodbye with the admonition that he might never see him again got what was coming to him when the soldier boy replied: "Yes, you might be dead when I get back."

Owners of idle lots should either improve them or offer them for sale at a reasonable price to some one who will. Nacogdoches is suffering for more houses—and can not grow in population until she gets them.

Every idle acre of land in Nacogdoches county should be put into cultivation, both because it will pay the owners, and because the world needs the things that can be produced on the land.

The Brenham Banner-Press is out in a forty-four-page industrial edition, setting forth the advantages of the Brenham country, and it is one of the most creditable special editions ever issued in a small city office in the state.

An acre of land cut up and improved with four nice cottages would soon pay for the improvements and leave a handsome profit in the increased value of the property. And Nacogdoches needs several more acres thus improved.

There is mighty good philosophy of practical value in its application in the old proverb: "Let another man praise thee, and not thine own mouth, a stranger, and not thine own lips." If you do anything really worth while the world will take notice of it.

Nacogdoches people have greatly enjoyed the sojourn of the many teachers from over the county this week. They bring new inspiration and new ideas, and any community is fortunate for having had a visit from them such as we have enjoyed this week.

With the government control of wheat, it is announced that the price of flour should be reduced three dollars a barrel—and if any merchant fails to heed the provisions of the law which provide the scale of profits he shall enjoy in handling the commodity he is likely to be picked up by a secret service man at some unguarded moment.

The Sentinel felicitates its neighbors, Mr. and Mrs. Davis, of the Redland Herald, in their arrival of the fifth milestone of a useful career in the newspaper business in this city. The first essential of community prosperity is good newspaper representation, and the good work our neighbors have done, and are doing, is representative and creditable.

The Timpson Times admits that it has been assuming a "sour" aspect lately—and has been caught at it. In a recent issue of the contemporary the admission is made editorially as follows: "A negro girl called at the office last Saturday and wanted to buy twenty-five cents worth of vinegar. Next thing we are expecting some one to call for pickles—although we try our best to stay in a good humor."

Many farmers report that the recent rains have revived the peanuts and that they are developing a much larger crop than was at first anticipated. It was feared at first that a "second

growth" would set up, but it seems it did not rain enough for that, but just enough to make them develop for all they are worth. The sweet potato crop is enjoying a similar experience, and there will be a great crop of these two commodities grown in this county this year, making up for the shortage in the corn crop.

It is both unprofitable and sinful to hold land and prevent its improvement, and the time will come when this condition will not be allowed. If you have acreage, cut it up and improve it either for sale or rental purposes and let your country grow as it should. And in the meantime you will reap a handsome profit from the enterprise, for there is an unlimited demand for every idle acre.

The publishers of The Sentinel are in receipt of season tickets to the East Texas Fair, to be held at Timpson Oct. 9-13, and the secretary offers the editor some inducements that can not be turned down, insuring his attendance. The fair this year, like its predecessors, will be a little better than heretofore, and is a most worthy East Texas enterprise which we hope will receive the generous patronage it deserves.

Elsewhere in today's paper will be found a communication from Mayor Matthews which contains the information that the city council is arranging to rebuild the sewer system of Nacogdoches, and propose with the new improvement to give the city a first-class system, with disposal plants, etc. This interview speaks for itself as to the needs of the city in the matter and what is proposed. There is no denying the fact that the first essential to the health of a town as large as Nacogdoches is good sewage facilities, and we also have the obligation to extend the system to the new Normal school. Quite a sum of money will have to be invested to make the improvement, but we must be prepared to meet these conditions from time to time as they confront us if we ever build the little city that we all crave, and the council is to be congratulated for working out a plan whereby this improvement can be made without imposing any additional burden upon the taxpayers.

FARMER BOYS OF TOMORROW

Much is said of our efficiency as farmers in meeting people of other occupations in a business way. The fact that farmers are unorganized and thus handicapped in securing justice and equal favors at the hand of legislators and organized groups of business men is often emphasized. It is a fact that this is our own fault, as we could take care of ourselves in any emergency if we would.

But so long as our individual independence is do dear farmers will be slow to organize and surrender individual rights. People living in rural districts have always been more or less individualistic with many difficulties in the way of organization. They have been suspicious of organizations and have preferred to remain outside of them rather than trust selfish leaders and those who would gain favors for themselves.

But farmer's boys are attending the Agricultural Colleges, the Universities and the private and the denominational college. They are learning how to farm, how to live comfortably and be useful citizens of the state and nation. They will be the leaders of this nation in the years to come. Farmers will then come into their own—Farm and Ranch

A GREAT ADDRESS BY DR. WINSHIP

As was forecasted, the people of Nacogdoches who attended were treated to one of the greatest addresses ever delivered in the city last night when they listened to Dr. A. E. Winship of Boston talk about the educational affairs of the country, and the evolution that has been enjoyed along these lines in recent years.

The speaker of the evening was introduced by County Superintendent Layton in a few well chosen words, who announced that he would not take up any unnecessary time, leaving all possible for the visitor.

Dr. Winship began his address by saying that National waves now swept over the United States, all sectional lines having been destroyed, and that the industrial and commercial interests were so closely woven that there was no north and no south. At this juncture the speaker paid a beautiful tribute to Texas, declaring that to him it was the most interesting state in the union, following with a lot of statistical information that proved him a student of history and thoroughly familiar with all the conditions that obtain.

In the next section of his address, if it may be alluded to in this section, the speaker launched out with a beautiful and inspiring review of the evolution of the educational and material interests of the country, in the course of which he developed the idea that there has been more advancement in the past seven years than there had been in any forty-year period previous. He urged the importance of progress and assured his hearers that it was an irresistible force which we could not block if we would because it is always leading somewhere.

In speaking of the educational affairs in their practical application, Dr. Winship drew the distinction between education and scholarship—education being the achievement and application of something we learn and scholarship the origin from which it comes, and urged the importance of education to the exclusion of scholarship if the latter interferes in any way with the progress of the former. Many great truths were developed along this line which The Sentinel wishes it had time and space to reproduce.

Dr. Winship is a talented speaker, putting enough spice in his address to relieve the monotony of the great amount of statistical information he handles, and the time flies swiftly as you listen to him. Many who heard him last night will never forget some of the great truths he uttered, and if he ever comes this way again it is needless to say that he will be greeted with a much larger crowd than heard him last night.

TURNED DOWN \$2,000 FOR HIS POTATO CROP

Longview Times-Clarion.
Mr. J. A. Murphey, the well known and popular Danville farmer, was in town today on business and the reporter collared him at the bank and tried to get an interview, but he was too busy to talk much. However, he did say that the outlook for his section is good, and that the farmers who pinned their faith to potatoes are being rewarded for it. "I have just refused an offer of two thousand dollars for my twenty-acre patch, just as it stands," said Mr. Murphey, "and I think I will eventually get one thousand dollars more than that"

FIVE NEW SUBJECTS.

Austin, Texas, Sept. 14.—Acting Governor Hobby sent a message today submitting five new

Chesterfield CIGARETTES

of IMPORTED and DOMESTIC tobaccos—Blended

A new combination—Mild, yet they "Satisfy"!

Yes, this new cigarette is more than just good tasting, it delivers a new and important thing to smokers—

Chesterfields "reach home," they let you know you are smoking—they "Satisfy"!

Yet, they're Mild!

Don't be surprised—the new blend of imported and Domestic tobaccos does it. And the blend can't be copied.

Let Chesterfields give you new cigarette enjoyment.

Leggett & Mearns Tobacco Co.

Wrapped in glassine paper keeps them fresh.

20 for 10¢

They "Satisfy"!
and yet they're Mild!

subjects for legislation. The message says:

"I beg to submit for the consideration of your honorable body the following subjects:

"1. Enactment of a law for the protection of wild turkeys, squirrels and fur-bearing animals in the counties of Angelina, Hardin, Liberty, Nacogdoches and Tyler.

"2. Enactment of a law creating the Ben Wheeler independent school district in Van Zandt county.

"3. Enactment of an amendment to Article 925, Chapter 6, Title 22, revised civil statutes of Texas, 1911, providing for the levy and collection of an ad valorem tax by a city or town sufficient to meet interest payments and to create a sinking fund on all indebtedness incurred prior to the adoption of the constitutional amendment in 1883.

"4. Enactment of a law making an appropriation for the additional support of the game, fish and oyster department for the fiscal years ending August 31, 1918, and August 31, 1919.

"Enactment of an amendment to Section 1 of Chapter 123, page 320 of the general laws of the state of Texas, as passed by the Thirty-fifth legislature at its regular session, so as to provide that said act shall not apply to any not permitted by the statutes of the United States of America, or by the United States army and navy regulations, nor to be construed to apply to a newspaper,

periodical book, pamphlet, circular, certificate, diploma, warrant, or commission of appointment to office, ornamental picture, article of jewelry or stationery for use in correspondence, on any of which shall be printed, painted or placed said flag or flags, disconnected from any advertisement."

TENAHA MAKES WAR ON ENGLISH SPARROWS

Tenaha, Texas, Sept. 13.—Last week our citizens subscribed a fund for English sparrow day. Last night the birds were counted and it was found that Albert Barber won first prize \$2.50, with 30 birds; William Wall and Auburn Rivers tied with 23 each for second honors, and the second and third prizes were split between them. Today the guns are still booming and birds are getting scarce.

Messrs. O. C. Dotson, R. L. Williamson and Tom Brittain have been among the Garrison visitors today. Mr. Brittain is a juror for the week.

ENGINEERS CALLED FORT SAM HOUSTON

It will be remembered that some weeks ago an examination was held in this city for recruits in the Engineers Reserve Corps, at which ten Nacogdoches boys enlisted; reported to be the largest enlistment in this branch of the service furnished by any town in East Texas.

This morning the boys received notice to report at Fort Sam Houston, near San Antonio, for service, and they are arranging to leave Saturday, September 22nd.

The personnel of the list is as follows: Mack Monk, Avery Barron, Tom DeLamar, Ashby Pipkin, Carter Gaston, Frank Smith, Homer Loden, Rho Cox, Herbert Shindler, Asa Moore. Asa Moore and Herbert Shindler, tired of waiting are already in the service, Mr. Moore in the service in England, and Mr. Shindler in a training camp.

In the kingdom of God the reward of a great service is the opportunity to render a still greater service.—Lyman Abbott.

TYPIFIES UNITY OF U. S. IN WAR

Washington, Sept. 16.—Here are some interesting facts with regard to yesterday's passage of the \$11,538,000,000 bond bill by the United States senate:

It provides the largest issue of government obligations ever authorized by any national legislature in the world in a single enactment.

It required exactly 15 days from the date of the introduction of the measure in the house of representatives for the bill to win its way to final passage.

It was debated for less than one complete day in both houses of the congress of the United States.

In neither the house nor the senate was a single adverse vote recorded against it.

The bill provides for an issue of \$4,000,000,000 in new bonds, the funds from which will be loaned to the allies of the United States in the war against the imperial German government.

It provides for the issue of \$3,000,000,000 to make up the loans formerly authorized for domestic and foreign use.

It provides for the issuance of \$2,000,000,000 in United States treasury certificates of indebtedness.

It provides for the issuance of \$2,000,000,000 in war saving certificates, an entirely new feature in American war financing.

It provides for the issuance of \$538,945,460 in bonds to refund and discharge other outstanding obligations of the United States.

Mr. B. F. Moore was over from Chireno today.

ADJOURNMENT BY OCT. 1 PREDICTED

Washington, Sept. 13.—Hope at the capitol for early adjournment of congress grows to a general belief that the session can be closed around October 1 with nearly all important legislation enacted. There is some talk of fixing September 22 as the date.

Factors in hoisting the vacation hopes of legislators are the senate's message of the enemy trading bill in two days, when two weeks had been the estimate of many; prompt reporting of the \$11,000,000,000 war credits bill, with unanimous approval of the senate finance committee, and spreading of adjournment fever.

The News learns that there is a likelihood of Angelina county and the entire Second Judicial district losing a mighty good district attorney after the present term of Hon. W. B. O'Quinn expires. From all sections of East Texas covered by the Ninth Supreme, Judicial district Mr. O'Quinn has been strongly solicited to make the race for associate justice of the Beaumont court of civil appeals and may consent to do so as the opponent of Judge A. G. Brooke of Pano-la county. Mr. O'Quinn has also been strenuously urged to make the race for congress against Mr. Dies. The campaign is some months off yet, however, and in due time our distinguished district attorney will make known his intentions in a political way.—Lufkin News.

Bud Campbell was among the Appleby visitors to the city today.

COLORED TEACHERS INSTITUTE

The colored teachers of Nacogdoches county enjoy special advantages in an educational way. Our superintendents are wide awake, progressive and professional men of the first type. Our business men are broad-hearted, energetic, thorough-going, and not the least bit selfish. The proof of all this is evidenced by the way our institute work was planned. And further when noted educators came to the city, our superintendents do not forget us. They give us a chance to hear these educators, lectures on things which help us so much to understand the crisis that confronts us, and the grave responsibilities which lie upon the teacher—the recognized leader of the race. Of these lecturers, special mention is made of our new president of the S. F. A. N. college, Prof. A. W. Birdwell, your new president. He is our new president, too. What- ever is of interest to the general welfare of our white people here, is of interest to us. This distinguished educator gave us advice that we can not afford to forget. Prof. Birdwell is truly a polished gentleman, the very man in our judgment to be at the head of an institution of learning.

At 10:30, Friday, we were visited by Hon. Eugene H. Blount and Supt. R. F. Davis. Mr. Blount having consented to speak to us at this time. Being presented by Supt. Davis, Hon. E. H. Blount spoke at length on the subject of "County Free Library Law." His discussion was clear and the educational benefit of having this library with so small a cost was explained by way of illustrations. After Mr. Blount's lecture, the institute unanimously consented to support the County Free Library when the election is called for said purpose, and each male teacher is requested to see to it that every legal voter in his district votes for said "Free Library." To tell all that was said to us in lectures by our white friends would fill a volume. And this volume would be a book of information, helpful to the citizenship of this country.

Our lady teachers who have carried on some industrial art work, brought specimens of their work to the institute. This work was nicely arranged in a room which really showed to be a hall of industrial arts. We were truly glad to have the white teachers, both women and men, to visit us and see our hall of industrial arts.

Our institute closed Friday, at 1 o'clock, p. m. with the rendition of a good program at the colored First Baptist Church, 8:00 p. m. Our teachers institute for 1917 goes into history with information written on its leaves that this was the best institute we have ever had, for several reasons: 1st, our teachers were more enthusiastic; 2nd, the plan for our text book work proved more successful; 3rd, we had the best colored primary teacher in the country; 4th, our hall of industrial arts gave new inspiration; 5th, we received more encouragement from our friends than ever before; 6th, our county and city superintendents gave us the benefit of educational advantages they had at their disposal.

We are loud with praise and gratitude to Superintendents Davis and Layton, and we as a body of teachers of Nacogdoches county are in harmony with their administrations.

Mrs. I. M. Terrell, who taught primary methods, consented to teach again in our institute for 1918.

REPORTER.

Prof. G. G. Machann visited Lufkin yesterday afternoon.

BETTER SEWER SYSTEM IS BEING PLANNED

City Council is Negotiating With Firm of Dallas Contractors to Do the Work.

The Sentinel has been furnished with information by Mayor Matthews that, at the meeting of the City Council, held last Friday evening, arrangements were about perfected with a Dallas firm of sewer contractors to put in six or eight miles of sanitary sewer system for the city, with proper disposal plants, at a cost of from thirty-five to forty thousand dollars. The firm to furnish the money and put in the plant and the city to execute twenty thousand dollars is one to fifteen years time warrants, and execute a mortgage on the system for the balance of the purchase price to be paid out of the earnings of the plant.

The council has had this matter under advisement for the past several months, and considerable effort has been put forth to perfect arrangements for this improvement without raising the tax rate, and the members of the council now think that they have a plan with which they will succeed.

Mayor Matthews says it is absolutely necessary that this improvement be made for several good reasons, first, it has to be done to comply with the anti-streets pollution law of the state, and should have been done before this; secondly, under agreement with the Board of Regents who located the Stephen F. Austin Normal here the city is to furnish proper sanitary sewage for the buildings; and third, it is absolutely necessary for the health of the city that it have an efficient sanitary sewer system.

Upon the execution of proper contracts and bonds, the work is to begin at once, and will doubtless be finished before the end of the year.

CLIP THIS AND PIN

ON WIFE'S DRESSER

Cincinnati man tells how to shrivel up corns or calluses—so they left off with fingers.

Ouch ! ? ! ? ! ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from ones' feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone, tell him to order a bottle for you. 61

EVICION OF PRIESTS IS DENIED BY MEXICO

Mexico City, Sept. 12.—Priests of religious orders have neither been expelled from Mexico nor are they threatened with expulsion. The new legislation provides that no preachers or ministers of whatever sect or cult, who are not Mexican born may discharge the duties of a church or hold a position in Mexico.

While foreign born priests have been notified that they must give up their parishes and charges, they have not been threatened with expulsion and may remain in the country the same as other foreigners during their good behavior.

PACKERS POOL PRODUCTS.

Washington, Sept. 13.—Government regulation of the meat packing industry will be the next move of the food administration. A voluntary offer of representatives of the packers to put their plants under a licensing system made to Herbert Hoover, the food administrator, at a conference here yesterday was accepted and a plan for control will be drawn up shortly.

The packers, numbering about a score, came to Washington to take up with Mr. Hoover, the threatened meat shortage and subject of rising prices. They are of one opinion—that prices can be brought down little unless a determined effort is made to increase the production of live stock. The great export demand they believe, will maintain prices at high levels until long after the war has ended.

A licensing system for packing has been provided in the food control bill. Putting it in operation, food administration officials believe, will go far toward preventing hoarding and speculating and stabilizing prices. The packers will confer with cattle growers to discuss the food administration's plan for removing herds from the West to better feeding districts in the East and South.

The following packing concerns were represented at Wednesday's meeting: Nelson & Co., Armour & Co., Cudahy Packing Company, John Agar & Co., Roberts & Oke, Brennan Packing Company, all of Chicago; G. A. Hormel & Co., Austin, Minn.; St. Louis Independent Packing Company, St. Louis; Jacob Doid Packing Company, Buffalo; Cleveland Provision Company, Hammond Standish & Co., Detroit.

Increased production of live stock is a military necessity, Carl Vrooman, assistant secretary of agriculture, declared in a statement after the packers' meeting ended.

RECEIPT ACKNOWLEDGED.

It will be remembered that Capt. Jno. S. Doughtie, a few weeks ago, passed a little box among his friends soliciting dimes for the Jefferson Davis Association.

The little bank was quickly filled, and the captain is in receipt of the following letter: Louisville, Ky., Sept. 10, 1917.

Gen. Jno. S. Doughtie, Nacogdoches, Texas.

My Dear General:

I have received the little bank No. 2278 containing exactly \$5. It was very good of you to do this for this great cause. We appreciate your liberality and your Confederate loyalty, and we are wishing for you the best that life can give.

You had a splendid record. The Eufaula Light Artillery is a name that will always live in history. To be one of its members entitles you to a just military immortality.

Again thanking you for the help you have given, I am,

BENNET YOUNG.

KAISER CAUGHT COLD AND GOES TO BERLIN

London, Sept. 12.—A dispatch to the Exchange Telegraph from Amsterdam says:

"Emperor William has returned to Potsdam today to receive Dr. George Michaelis, the imperial chancellor, and Foreign Minister von Kuehlmann, when the final decision will be reached regarding the answer to the pope's peace proposal and the status of Poland.

"The emperor is said to be suffering from a severe chill contracted on the Riga battlefield."

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

OFFERS A PRIZE FOR AN AMERICAN

British Headquarters in France and Belgium, Sept. 15.—German military authorities on the western front have shown concern about the imminence of the American army's entry into the fighting by offering rewards for the capture of the first American prisoners. The general commanding the Eleventh reserve division recently put the price of 400 marks on the first American soldier brought, dead or alive into his lines.

This information has been disclosed by the diary of a Prussian sergeant of the Twenty-third reserve infantry regiment. He wrote at the end of July:

"We are supposed to have had Americans opposite us for some time now and two divisions of Portuguese on our right. The man who brings in the first American, dead or alive, to headquarters has been promised the iron cross of the first class, 400 marks and fourteen days leave."

THREE SONS FIGHTING FOR UNITED STATES

Palestine, Texas, Sept. 13.—Mr. and Mrs. A. S. Blount are the parents of three sons, aged 20, 18 and 16 years, who are all fighting for Uncle Sam, although neither of them came within the age limit of the draft act.

The youngest son tried to enlist but was refused on account of his tonsils. He went at once at his own expense and had them removed and was accepted.

COURT MARTIAL TRIAL TO BEGIN IN WEEK

San Antonio, Texas, Sept. 12.—The court martial trials of negro soldiers implicated in the recent riot and mutiny at Houston will begin at Fort Bliss within a week.

Colonel John A. Hulien, and Major Dudley Sutphin, named as judge advocates, will arrive at Fort Sam Houston tonight and will review the report of Colonel George O. Cress, department inspector, before proceeding to Houston and then to El Paso to convene the court.

The personnel of the court will include four brigadier generals and seven members above the grade of major, besides the two judge advocates.

Mr. J. R. Harris, who is engaged in the saw mill business in Trinity county, spent Saturday and Sunday with his brother, Will Harris, near town. Mr. Harris was for a number of years tax collector of Shelby county, later being engaged in business for several years, and is well known and highly esteemed over East Texas.

HAVE YOU WEAK LUNGS?

Do colds settle on your chest or in your bronchial tubes? Do coughs hang on? Do you have throat troubles?

You should certainly take Scott's Emulsion of pure cod liver oil which peculiarly strengthens the respiratory tract and improves the quality of the blood while the glycerine in Scott's soothes and heals the tender membranes of the throat and lungs.

Scott's is prescribed by the best specialists. Get it at any drug store. Scott & Bowne, Bloomfield, N. J.

DELCO-LIGHT
The Complete Electric Light and Power Plant.

San Augustine, Texas, July 20, 1917
Mr. J. R. Dickerson, Delco Light Dealer,
San Augustine, Texas.
Dear Sir:— You ask me how I was pleased with my Delco Light Plant. Will say that I am highly pleased with it. It make sa fine light—the very best. Simple in operation and the cost of running expenses is practically nothing compared with the service it gives. I have run my lights, fans and iron for 5 days and nights on one charge of the batteries without running the engine, with good lights and I could have run a week. Anyone will make no mistake when they buy the Delco Light. I would not take twice what my plant cost me if I couldn't get another like it. You can use my name for reference.
Yours very truly, L. E. ROBERTS, Tax Assessor.

 G. M. HALTOM, Manager
 G. M. GIBBS, Editor

Let no man think he is loved by any man when he loves no man.—Epictetus.

If you miss the first button hole, you will not succeed in buttoning up your coat.—Goeth.

There's one thing worse than taking candy from a baby. That is giving it poisoned candy, after the method of German aviators.—Shreveport time.

WANTED—A first-class circus to come to town.—Longview Times-Clarion.

Come over and attend ours tomorrow, Mack.

With so many of our fine young men being drafted into service, it begins to come very close home to every section of the country, and convince us that there is something to the great war about which we have been reading so much lately.

The Nacogdoches Sentinel says "it is sinful to hold land for speculation." The Sentinel could safely have gone a step further and said it is sinful for a man to own or hold land he does not need. He has no more right to it than he would have to water or air that he does not need.—Tyler Morning-Tribune.

Nacogdoches and Tyler are close enough to be chums, and the only thing in the way is the need of a good road between the two cities.—Tyler Morning Tribune.

Shake! Let's build the road, and thus remove the remaining obstacle.

Nacogdoches will be thronged with visitors tomorrow, when people from every section of the country will come to town to attend the circus. It has been a long time since we had a first-class, old-fashioned circus; it may be a long time before we have another, and let's enjoy it with the people in full measure tomorrow.

Nacogdoches people, and people down the line in the vicinity of Lufkin, Livingston and other towns and communities along the proposed route of the scenic highway from the Great Lakes to the Gulf, should not overlook the forthcoming meeting to be held at Daingerfield September 27th, at which time a line will be adopted. Central Texas towns are getting busy in an effort to divert the line, and if we capture the route we must send a strong delegation to the meeting. It is worth working for, and to lose it would be a big loss, particularly to those towns which are not on any other proposed line.

At the recent meeting of the Teachers Institute, among other wholesome measures recommended by County Superintendent Layton, he urged the teachers to read some good books on the profession in which they are engaged this year, and include a statement of the book read in their term report, which will in turn be sent to the state department. This is a good suggestion if it is needed. We are now living in an age in which men in all professions must keep themselves posted on all the new methods if they keep abreast the times, and those who fail must give way for those who employ more energy.

In giving testimony before the court of inquiry, Governor Ferguson is quoted with using the following language: "I call upon the God in heaven to strike me

dead before this assemblage if I do not speak the truth when I say that I never intended to make a nickle, even a cent, off the state money in the Temple State Bank." There are many sins committed that were not of original design, but we hope the governor is not "hedging" in the emphatic declaration. We also hope that he may enjoy good health until the investigation closes, for if anything were to happen to him now, God would be accused of cutting him down.

A new institution will open in Nacogdoches next Monday morning which should, and doubtless will, have the support of this community—a real business college of our own where the boys and girls can learn stenography, shorthand, book-keeping, business administration, etc., right at home. Prof. Walden, the promoter, says he has a good class in sight, which is good news. We hope it will exceed his expectations. Every boy and girl should take a business course when finishing school for the practical use it will be to them even if they do not intend to follow some line of public business, for good business methods must be applied to any calling if one succeeds, and it is impossible to apply that which you do not possess. Then, too, there is a growing demand for trained stenographers and bookkeepers. If you doubt this statement, read the "help wanted" column of any of the big papers. It requires only a very small investment and a little energy to prepare for one of these good positions, and at the same time you acquire an asset in knowledge that will serve you through life.

CONSPIRED TO ROBE, BURN AND KILL

The trial of the fifty men at Abilene for conspiracy against the government is revealing plots that are revolting in the extreme, and it is hard to believe that we had citizens in Texas so depraved, but fortunately the diabolical plans were thwarted before being put into practice.

Read the following excerpts from the report of the trial in progress at Abilene:

Abilene, Texas, Sept. 17.—Defendant R. W. Mills of Abilene, at a meeting of the Delk local on May 8, used his home town as an illustration of how the F. L. P. A. could capture towns in West Texas. J. R. Hollis of Delk testified in this morning's session of the conspiracy trial in which 50 former members of the order are accused.

He quoted Mills as saying that members could set fire to residence districts in the city and then rob banks and food supply houses, divide the spoils and escape while the populace was at the fires.

At the same meeting, Hollis said, Defendant Lon Hunter, who had been a delegate to the Cisco convention on May 5, outlined a plan which he declared would overthrow the existing government in "three minutes' time," which included "blowing hell out of the railroads and burning bridges."

R. T. Lewis of Delk, on cross examination, declared he was elected as delegate to the Cisco convention as an advocate of opposing the draft by petitions to congress.

TENAHA MAN DROPS DEAD.

Tenaha, Texas, Sept. 15.—John Teel, a prominent citizen of this place, dropped dead on the porch of his residence last night at 9:15 o'clock. About three years ago Mr. Teel had a stroke of paralysis and since that time he has been paralyzed on one side of his body.

Walden's Nacogdoches Business College Opens Monday, Sept. 24th, in the Hall Building

A POSITION FOR YOU

Uncle Sam—bankers, business men, and leading concerns everywhere are calling for "HELP," are calling for competent stenographers and bookkeepers—and the demand will increase.

The "POSITION" will be "Ready for you" as soon as you are "ready for it"—Success is certain if you only prepare.

We lend you text books and furnish free all stationery in all the courses. Term thirteen weeks. We save you from \$15 to \$20 on stationery alone. \$40 cash for the day class, or \$30 at night—pays for a complete business or shorthand course all necessary branches. \$100.00 cash pays for either of the above courses, including board, books and stationery—make you a bookkeeper or stenographer.

READ WHAT OTHERS SAY

I completed a business and shorthand course under L. R. Walden in three months and have given satisfaction in both lines. My salary increased from \$75 to \$100 in less than four months due to his superior courses and training. Three months under his superior methods is worth more to a pupil than six months under the usual business college method—the individual instruction plan.—J. W. Reams, Houston, Texas.

I secured a desirable position as stenographer after nine weeks in W. B. C., and have had no trouble with my work. Mr. Walden is the best teacher I ever knew.—(Miss) Nora Barrow, Eagle Lake, Texas.

I completed your shorthand course nearly two years ago, and have been making money ever since.—Miss Fannie Terrell, Lake Charles, La.

Professor L. R. Walden is an educator of experience, ability and enterprise, and is thoroughly reliable.—John G. Palm, Cashier State National Bank, Austin, Texas.

IMPORTANT! All who can should begin with the classes. Day class opens 9:00 a. m. Night class, 7:45 p. m. Satisfaction is guaranteed, and a position to every graduate. You Get the Best and Save Half. School rooms open for study and practice with help on hand, from 8 o'clock in the morning until 10:00 o'clock at night.

The Bird catches the eye but Walden's high grade courses catch the cash

Walden's Methods are Different

He offers you the "Best" courses, the "Most Helpful Instruction," the result of his long, varied and successful experience in the training of young people, business men and women for better positions, higher salaries, and for "Greater Success."

Walden's methods are called the "New Way," the "Short and Easy Way." Every subject is illustrated from the black board; explained, made easy to every member of the class, by lectures, talks, drills and explanation. And by daily reviews.

The Walden method gives all of his time to each and every pupil. A pupil will gain more knowledge make greater progress in one hour under the Walden plan than he would from days of "DIGGING" in a text book the usual business college method; the so-called "Individual" method as described and praised by other schools who use it.

Think for yourself! Use your own good brains. Don't you know that under the "Walden Plan" described above, you could learn more in one month than you could by "Digging" it from the text book with "just a little" help from the teacher from time to time? Don't you know that you would get a better course in a shorter time in a school of medium size conducted by teachers of wide experience and known ability than you would in the "Big" school where your own teacher would not know your name and where you would receive very little personal help? Of course you know this to be true—you save money and time—get the best courses—and a desirable position by entering Walden's Nacogdoches Business College.

Tell your friends about this school. Pupils can enter any time—the sooner the better. No pupil is embarrassed on account of a lack of previous training. Such pupils receive personal and private help in addition to the helpful class instruction.

THE ROAD TO SUCCESS

To my mind, an ambitious young man or woman can make no finer investment than a course in Walden's Business College. It is better than money in a bank. A good business or shorthand education acquired is something that neither fire nor flood nor sickness or rascals can take away.

I was able to accept a shorthand position after only ten weeks instruction under L. R. Walden.—Mrs. Garnet (Peters) Rogers, Lake Charles, La.

Mr. L. R. Walden can be relied upon to fill his promises to any who are fortunate enough to secure his services. I completed a course in shorthand and typewriting and know from practical experience the superiority of his methods and courses.—(Miss) Emma G. Hurst, Navasota, Texas.

Professor Walden's superior courses and methods are unexcelled. I took a "Post Graduate Course" under him, after graduating from a large school in Texas, so I can now realize what a saving of time and money his superior methods and courses mean to the young man or woman desiring a thorough, practical and money-making education.

You can easily take the combined business and shorthand course at the same time under "Walden's New and Easy Methods."—Henry J. Koehn, Bookkeeper, with Runge & Co., Bankers, Ceuro, Texas.

I NEED AN EXPERT BOOKKEEPER

Such as Walden Trains

SUCCESS IS CERTAIN IF YOU ONLY PREPARE?

FOOD SURVEY RETURNS.

Washington, D. C.—Even before the final date set for returns on foodstuffs held by commercial firms, for the Federal food survey, reports from more than 130,000 dealers were in the hands of the Bureau of Markets, United States Department of Agriculture, which has been charged with carrying out the provisions of the law requiring the survey. Officials conducting this war emergency measure say that they are greatly encouraged over this showing.

Returns Required by Law.

Even with the excellence of the early returns, the department calls attention to the fact that all firms called on are required to fill out and return the schedules, and to do so promptly. The law providing for the food survey is mandatory and in order to carry out its intent and purpose, the Bureau of Markets is insisting upon a 100 per cent response. While officials say that they would regret invoking the penalties provided for in the law, they point out that delays can not be permitted to defeat the purposes for which the legislation was enacted, and that they will not hesitate to employ all the powers which the law confers to combat negligence.

In no case will wilful refusal to make returns be tolerated.

The Department does not expect to have to resort to compulsion, but it is prepared to do so if it should become necessary.

Firms Which Must Report.

Firms handling any one of 18 specified items are required to report, under such classifications as grains, grain food products, meats and meat products, fish, dairy and related products, veg-

etable fats, sugar, and canned goods.

They must give quantity on hand and in transit from the reporting firm.

About 100 types of business are enumerated, embracing, it is thought, all dealers handling the food items asked for. For grain and grain products, for example, the schedules are filled out by elevators, mills, dealers, seedmen, distillers, brewers, manufacturers, and the like. Cannerymen, sugar makers, bakers, confectioners, packers, shippers, grocers, brokers, jobbers, creameries, cold-storage plants, warehouses, and many other types of business are also listed among those who must report.

Willingness Shown.

So far, most of the responding firms not only show willingness to make the returns, but are asking how they may help otherwise in the food situation. Responses by letter, telegram, and telephone have indicated a widespread interest in the survey, and show that the firms reporting were anxious to co-operate fully with the department in making the inventory a success.—U. S. Department of Agriculture.

PUBLIC TRIAL TO BE GIVEN NEGROES

San Antonio, Texas, Sept. 18.—The court martial trial of negro soldiers implicated in the Houston outbreak riot will be open to the public, it was announced at headquarters of the Southern department today, and newspapers will be allowed to have representatives present and take the testimony.

It is expected the trial will be held in El Paso in about two weeks.

PRESIDENT ISSUES MESSAGE TO SCHOOLS

Washington, Sept. 18.—President Wilson Tuesday issued a message to the school children to do their part in the war by joining the junior Red Cross to assist in the mercy work of the senior organization. The president says the children's branch of the Red Cross will give an opportunity for relief work for the country, will teach how to benefit of both the community and in order that suffering children elsewhere may have the chance to live and will make possible the "best work in the great cause of freedom to which we have all pledged ourselves."

The proclamation follows:

"To the School Children of the United States:

"A proclamation—The president of the United States is also president of the American Red Cross. It is from these offices, joined into one, that I write you a word of greeting at this time, when so many of you are beginning the school year.

"The American Red Cross has just prepared a junior membership with school activities in which every pupil in the United States can find a chance to serve our country. The school is the natural center of your life. Through you we can best work for the cause of freedom, to which we have all pledged ourselves.

"Our junior Red Cross will bring to you opportunities for service in your community and to other communities all over the world, and will guide our service with high religious ideals. It will teach you how to save in order that suffering children elsewhere may have had the chance to live. It will

teach how to prepare some of the supplies which wounded soldiers and homeless families lack. It will send to you through the Red Cross bulletins the thrilling stories of relief and rescue. And best through any of your school lessons you will learn by doing those kind of things under your teacher's direction to be future citizens of this great country which we all love.

"And I commend to all school teachers of the country the simple plan which the Red Cross has marked out to provide for your co-operation, knowing as I do that school children will give their best service under the direct guidance and instruction of their teachers. Is not this perhaps the chance for which you have been looking to give your time and efforts, in some measure to meet our national needs?"

"WOODROW WILSON
 President."

Mr. D. K. Cason was able to be up town this morning after an illness which has kept him confined at his home for several weeks. Mr. Cason made a canvass of East Texas this summer, selling peanut machinery, and the work proved too taxing, undermining his health to such an extent that his physician advised that he remain at home and rest in quiet until he recovered. Mr. Cason is a man of indomitable will power and energy, and nothing short of an absolute "lay off" would enable him to recuperate as he should. Friends of the gentleman over the country will be pleased to learn that he is improving, and will wish for him a speedy recovery of his former health.

OPENING THE BOOK OF FASHION

To portray the trend of the mode for Autumn and Winter 1917. In an artistic ensemble of the favored styles in Women's and Misses' Coat Suits, Dresses, Blouses, Skirts, Millinery, Fashion's Accessories and Shoes

DICTIONTIVE SHOWING OF NEW SUITS.

The smartest creations of the season are here in profusion. Mere words cannot tell you of the fancy new style innovations. Only a visit of inspection can impress you. Suits to suit all.

NEW GLOVES.

That can be relied upon for style, and fit material. We have a full assortment of new kid gloves, at \$1.50 and \$1.95.

THE NEW COATS

They are very pretty in lines of colorings and fabrics, velour, broadcloth, plush are predominant mostly. Loose models come belted. Trimmings in accord, with dictates of Fall Fashions. Come and see them, \$5.95 up.

FASHIONS OF DRESSES.

The season's favored colorings are plain, taupe, navy, Russian green and black. The materials are serge, taffeta, crepe de chine and charmeuse. They are in all of the season's newest models and reflect every charm of elegance.

FALL SILKS

The distinction of quality, the impression of quantity, and the variety of design will impress you. Monday, September 24, we will have a special display of new silks, such as plain and fancy satins, plain and fancy taffetas. Increasing popularity favors the new satins and we are showing these in a large variety.

COMÉ AND SEE

LADIES' NECKWEAR

In autumn neckwear, you find new Jabots of net, new collar and cuff sets. The assortment is complete from 50c up.

NEW FALL SHOES

When you buy a pair of Mayer & Schmidt's shoes you know that you are getting full measure of value.

We are showing a complete, new line of Ladies Fall boots, in such colors as white, grey, mahogany. We ask you to see them.

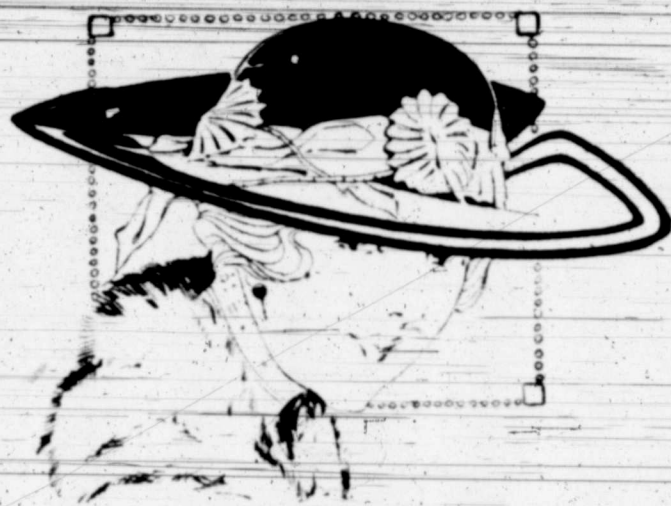

FALL CLOTHES OF MEN.

We have never shown a better line of Fall Clothes as this season, and they represent 100% value of Schloss Bros. cloth. We feature the values at popular prices, you can find anywhere at \$10., \$12.50, \$15. and up. Come and see

BOYS' SCHOOL CLOTHES

We have them which will give service and satisfaction as well, which include the new models. We offer special values at \$2.50, \$3.00, \$3.50 and up.

Special purchase of men's four-hand neckwear, enables us to offer you 300 new cravats; strictly 75c values at 50c.

FALL MILLINERY

Marvelous in design and coloring, in workmanship—are the new Hats for Fall. Wrought with famous skill by artistic designers, they are a renovation of the milliner's art. We invite your inspection.

Mayer & Schmidt, Inc.

MAIL ORDER—Receive our prompt and careful attention.

SHIPBUILDERS STRIKE PUT ON YESTERDAY

San Francisco, Sept. 17.—Approximately 25,000 iron workers and metal trades mechanics engaged in war emergency construction in San Francisco and other cities went out on strike at 9 o'clock today following rejection of their demands for a 50 per cent increase in wages. The walkout in more than one hundred plants was carried out without a hitch, it was reported.

The walkout affects more than \$150,000,000 in government ship building and engine construction contracts and automatically ties up other construction work.

Mr. and Mrs. Roy Marsham, Mrs. G. B. Davidson, Mrs. M. G. Hazel, Robert Monk, Lonnie B. Davidson and Otis Kelley arrived home this morning from Galveston, where they spent several days visiting the soldier boys and enjoying the sea breezes. Mrs. Marsham says the boys all look so much better and healthier than they did when they were here, and are enjoying their experience immensely. The party had a splendid trip and return feeling much better for having found the boys in such good condition.

The Union Iron Works, the Moore-Scott Iron Works, both shipbuilding plants, and the Pacific Foundry were closed immediately.

Settlement of the strike, declared to be San Francisco's largest industrial trouble, is entirely in the hands of the federal government, employers announced.

POTATO GRADES ARE ESTABLISHED

Washington, Sept. 18.—Two standard grades for potatoes are recommended by the food ad-

ministration and the department of agriculture. The necessity for their adoption is emphasized in a department statement today because of the prospects for a large crowd, the food supply situation, overtaxed transportation facilities and the ruling that federal reserve banks may make loans against potatoes properly stored in approved warehouses.

In the first grade the minimum diameter of the round variety is fixed at 1 7/8 inches and the long variety 1 1/2 inches. The minimum diameter of the second grade is 1 1/2 inches.

LETTER OF APPRECIATION.

Douglas, Texas, Sept. 13, 1917. Mr. Jno. B. Dorsey, Nacogdoches, Texas.

Dear Mr. Dorsey: I want to thank the managers and the 706 members of the Nacogdoches County Mutual Benefit Association for the \$706 paid me on my son, John's policy promptly on the 10th instant. As you know, I am a widow dependent on my children for support. It proves John's love and thoughtfulness of his mother, and will greatly lighten life's burdens in my declining years. May the good Lord watch over and bless the entire association.

Your friend,
MARY BARNET

AVIATION CAMPS ARE GIVEN NAMES

Fort Worth, Sept. 17.—The British aviation fields around Fort Worth were named today as follows:

Jarvis, Edwards and Taliaferro. The first contingent of Canadian cadets are expected at any time now from Toronto. The larger planes at Camp Borden will be moved here across the country.

'PROS ARE DENIED TARRANT ELECTION

Fort Worth, Texas, Sept. 18.—The county commissioners this morning refused to grant the pros' request for a local option election. The vote was 3 to 2.

The request was refused on the ground that a similar election was held a year ago.

Two commissioners voted for the election, two against it, and County Judge Brown broke the deadlock by casting his vote against holding an election at this time. The position of those against the election is that one was held in the county a year ago and can not, under the law, be again submitted to the voters for two years.

The pros have not decided upon any further action, though a conference has been called for this afternoon at 5 o'clock.

U.S. CONSULATE IS HIT BY BOMB

Washington, Sept. 17.—Destruction of the American consular agency at Dunkirk, France, by a German bomb on September 7 was reported today to the state department. The consular agent Benjamin Morel, was uninjured, and the archives of the consulate were saved.

The dispatch added no other details regarding the destruction. It is assumed the bomb had been dropped from a German airplane as that section of France has frequently been raided by enemy aircraft. Earlier in the war, however, Dunkirk was bombarded from a distance of about 20 miles by a huge German gun, which had been brought to bear on the city. This battery soon was located by the French and concentrated attacks on it caused the Germans to remove it.

TO DRILL FOR OIL IN NEIGHBOR COUNTY

The Sentinel is advised that a strong company has been organized, and active preparations are going on, to drill for oil in San Augustine county, the location of the first well to be near the Jim Sharp place one and one-half miles of Denning, just south of the King's Highway. 6000 feet of pipe have been shipped, and upon arrival, other necessary equipment will be secured and drilling begin. The company announces that three wells will be put down, if necessary, to develop the field, which will insure a thorough test of the field.

Mr. T. B. Saunders, president of the First National Bank of San Augustine, is the active vice president of the company and is quite well known in this city. The other members of the concern are Chicago capitalists, and the company is a strong one.

EAST TEXAS EDITORS TO MEET IN LONGVIEW

Longview, Texas, Sept. 16.—After a hard pull, H. A. Shields of the Daily Times-Clarion, of this place, landed the next meeting of the East Texas Press Association at Longview. There was several places bidding for the meeting. The last meeting was held at Henderson, last week.

GERMAN U-BOAT DESIGNER DIES IN AMERICAN JAIL

Baltimore, Sept. 18.—Gotthold Prusse, one of the designers of the German merchant submarine Deutschland, who came to Baltimore on the first voyage of that craft, committed suicide in the city jail today by hanging.

Prusse had been imprisoned as an enemy alien. He was arrested by the United States

authorities on August 20, for leaving a restricted zone without permission. He was 41 years old and born in Germany. The German minister is understood to have reserved explanations regarding the telegrams sent by the German minister at Buenos Aires through the Swedish legation until the report from Count von Luxburg has been received.

RUSSIAN REVOLUTION CAUSING TROUBLE

Petrograd, Sept. 12.—The provisional government Wednesday issued a decree handing over to the courts of justice as rebels General Korniloff, former commander-in-chief of the Russian armies; General Denikine, commanding the armies on the south western front; General Lokomsky, chief of the general staff; General Markoff, the chief of the headquarters staff, on the southern front, and M. Kishakoff, assistant to minister of roads and communications.

The Associated Press was informed unofficially early this morning at the Winter Palace that Premier Kerensky was about to assume the position of commander-in-chief of all the Russian armies, at least until the revolt has been crushed.

The provisional government today declared that a state of war existed in the town and district of Moscow.

Premier Kerensky has ordered the procurator of Petrograd to put General Korniloff on trial under the historic 105th statute, for "conspiring to overthrow the existing order."

During the night Premier Kerensky had a conference with the procurator, and dictated a lengthy description of the details of the conspiracy.

THE BANK STATEMENTS

Notwithstanding the "war is on" and ordinarily it would be expected that there would be some depression in the matter of money in the country, the bank statements published in this paper yesterday and today show old Nacogdoches to be the reverse, with growing financial strength.

The three banks of the city carry on deposit \$1,189,558.12. The total resources of these institutions reach \$1,600,274.55.

These figures speak for themselves more eloquently than any editorial comment The Sentinel could make, and should be a matter of pride to the community. With this great amount of money, the community is able to take care of itself and is bound to grow and expand in keeping with it.

TO KEEP NEGRO ARMY SEPARATE

Washington, Sept. 17.—Representative McLemore today introduced a resolution declaring it is to the "interest of public policy that each state train its own negro soldiers and in camps separate from those in which white soldiers are trained."

The resolution also states "the policy of sending negro soldiers from Northern states to be trained for other purpose into Southern states is fraught with great danger to the peace and happiness of the people of the communities to which the Northern negro soldiers are sent, and such a policy should be at once abandoned."

Chairman Dent of military affairs committee has assured McLemore of prompt hearings on the resolutions.

FOLEY KIDNEY PILLS
FOR BACKACHE, KIDNEYS AND BLADDER

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

THEDFORD'S

BLACK-DRAUGHT

recommended very highly, so began to use it. It cured me. I kept it in the house all the time. It is the best liver medicine made. I do not have sick headache or stomach trouble any more." Black-Draught acts on the jaded liver and helps it to do its important work of throwing out waste materials and poisons from the system. This medicine should be in every household for use in time of need. Get a package today. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c a package. All druggists.

ONE CENT A DOSE

SCHOOL OPENS HERE AGAIN THIS MORNING

Monday's Daily

Nacogdoches' great system of public schools—the central high school, the suburban schools and the colored school—opened up with the fall term this morning.

Notwithstanding the first month is "pay school," as far as The Sentinel can learn there was a fine attendance at each, and all start in with much enthusiasm for the new year's work.

In the central high school there is a graduating class upward of forty this year, and a junior class equally generous and healthy. The other grades are all enjoying a fine growth, and it is doubtful if there is another school anywhere with no greater scholastic population which can make such a fine showing with its high school department.

There was no elaborate opening exercises this morning, the teachers coming to work. A selection on the victrola was followed with the singing of "America," after which Superintendent Davis introduced the teachers and made a little talk, at the conclusion of which the classes passed to their respective rooms and were assigned their work. By tomorrow the students will be getting down to their studies in real earnest in such a systematic manner that the visitor would think school had been in session a month.

Yellow complexion, pimples and disfiguring blemishes on the face or body can be gotten rid of by doctoring the liver, which is torpid. HERBINE is a powerful liver correctant. It purifies the system, stimulates the vital organs and put the body in fine, vigorous condition. Price, 50c. Sold by Stripling, Haselwood & Co.

MERE MAN ELIMINATED FROM BURNET SCHOOL

Burnet, Texas, Sept. 13.—The Burnet public school opened this week with a large attendance, owing to the shortage of all crops. Miss Kate Carson will serve her second term as superintendent. The Burnet school has the distinction of being one among the very few large schools in the state having all women teachers. The experiment is succeeding.

Hardest Worked Need Help First

Through all the years the kidneys are at work filtering out impurities that poison the blood if permitted to remain. Is it any wonder that they are overworked and in need of help? Foley Kidney Pills are tonic and strengthening in action. Get rid of backache, rheumatic pains, stiff joints, sore muscles. *dw*

U. S. TAKES OVER WHEAT ON TRACK

St. Louis, Mo., Sept. 12.—All wheat on tracks in the nine states under control of the St. Louis office of the federal grain control, amounting to more than 100 car loads, were seized Monday, it was announced yesterday by Edward M. Flesh, in charge of the district. It was apportioned among millers according to their needs.

Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take. *dw*

U. S. ARTILLERY IS NEARLY READY

American Training Camp in France, Sept. 13.—A large contingent of American artillery has joined the expeditionary army, and is well along with its intensive training under French supervisory instruction.

Hitherto the arrival of the artillery contingent has been carefully guarded, and permission to mention the fact has just been given.

The American artillerymen are using the latest models of the famous French seventyfives, and also six-inch howitzers.

Has Recovered Her Health

So many women suffer from similar afflictions that this testimonial from Mrs. Laura Beall, Plattsburg, Miss., will be read with interest: "I got in bad health. My left side hurt all the time. I took doctor's medicine, but it did me no good. I took two bottles of Foley Kidney Pills and I feel all right now." Stripling, Haselwood & Co. *dw*

Mr. Sam Stripling, one of Nacogdoches' popular druggists, has done to market to buy holiday goods. Mr. Stripling was advised by the jobbers that if he expected to get the pick of Christmas goods he had better buy early, and characteristic with him in always thinking of his customers, he left the early part of the week on this mission.

Will Be Repaid for Their Work

Women everywhere suffer from kidney trouble—backache, rheumatic pains, swollen and tender muscles, stiff joints. Mrs. C. J. Ellis, 508 8th Ave., Sioux Falls, S. D., writes: "I feel sure if anyone bothered as I was will give Foley Kidney Pills a fair trial they will be repaid for their work."

ROOSEVELT FLIES.

Mineola, L. I., Sept. 13.—Col. Theodore Roosevelt gained Thursday the distinction of being the first civilian to make a flight in an aeroplane propelled by the new military motor invented for use of the government in the war. The flight was made from the Hempstead aviation field and for half an hour the machine, piloted by H. J. Blakely an army instructor, attained a speed varying from 90 to 110 miles an hour and reaching an altitude of 5,000 feet.

High Prices and Sickness

Nobody can afford to be sick with the cost of living at the present high mark. It is cheaper and more sensible to prevent sickness than to pay doctor bills. Take Foley's Honey and Tar in time to check colds, stop coughs and relieve croup before serious illness attacks a weakened constitution. Stripling, Haselwood & Co. *dw*

J. B. Garrison, son of Mr. W. Y. Garrison, was a visitor to the city today.

Mr. Garrison arrived home yesterday from New Orleans, where he went in an effort to join either the army or navy, but failed to pass the physical examination for any branch of the service, and cannot do his bit as he would like.

Safe Remedy for Children.

Chas. Baker, Brownsville, Tex., writes: "For years I have used Foley's Honey and Tar and found it especially efficient for bad coughs of my children. I recommend it to my friends as a safe remedy for children as it contains no opiates. It is certain to bring quick and lasting relief." Stops coughs. *dw*

Mothers Thank Us

Keep your growing girls free from colds and weakening coughs and you are helping them to healthy vigorous womanhood. Thousands of mothers have written letters of thanks, telling what

Foley's Honey and Tar has done for their daughters in ridding them of coughs that "hung on" and weakened them just at the age when the young girls required all the physical strength they could command.

Foley's Honey and Tar is noted for its quick effect on coughs, colds and croup. Mrs. Ada Sanders, Cottenow, Tenn., writes: "We use Foley's Honey and Tar as our best and only cough remedy. It never fails to cure our two girls when they have colds."

Stripling, Haselwood & Co.

CHRISTIAN CHURCH SECURES PASTOR

Officers of the Christian church of this city are in receipt of a letter from Rev. T. F. Weaver accepting the call to the pastorate, beginning October 1.

It will be remembered that Mr. Weaver conducted a protracted meeting at this church a few weeks ago, at which time he was called to the pastorate. He asked for a few weeks time in which to arrange his affairs, giving assurance that he would be pleased to accept if he could arrange to do so satisfactorily.

The church is rejoicing over the good news of securing the services of this talented, consecrated minister, whose reputation carries with it a brilliant line of service and achievement, feeling that with him leading the church will become a prominent and useful factor in the spiritual life of the city.

Never Bothered Since.

After suffering with terrible pains in his back for eight years, and after having tried doctors and medicines, Alvis Souers, Afton, Ind., writes: "Foley Kidney Pills were recommended to me and the first bottle removed the pain. After taking three bottles the bloating was all gone, and has never bothered me since." Stripling, Haselwood & Co. *dw*

HIGHWAY NO. 22 IS COMING TO NACOGDOCHES

Austin, Texas, Sept. 11.—After giving a hearing to a delegation on the subject, the state highway commission has designated state highway No. 22, which is projected to run from Corsicana to Palestine, thence to Rusk, Cushing and then to Nacogdoches. The delegation here in behalf of this highway assured the commission that proper steps would be taken for the insurance of aid and otherwise complying with the requirements of the state highway law.

HERBINE is the medicine that cures biliousness, malaria and constipation.

The first dose makes you feel better, a few additional doses cures completely. Price 50c. Sold by Stripling, Haselwood & Co. *codw*

NEGRO WOODCHOPPERS TO BE SENT TO FRANCE

Washington, Sept. 6.—Formation of a second forestry regiment of 10 battalions of lumbermen and wood workers who will go to France and get out timber for the use of the American, French and British armies was authorized Thursday night by the war department. Two battalions are to be raised at once. Nine service battalions made up of laborers, white and negro, to assist the forestry regiment, also are authorized and two battalions will be formed at once.

Mr. and Mrs. Josh Henson, Mrs. Ford Cleverger and Miss Maggie Muller arrived home the latter part of last week from an automobile journey to Galveston where they had a delightful outing. *dw*

SHERIFF'S SALE.

The State of Texas, County of Nacogdoches:

By virtue of an Order of Sale, issued out of the Honorable District Court of Nacogdoches county, on the 11th day of September, A. D. 1917, by the Clerk thereof in the case of Henry Hoya versus Seymour March, No. 2982, and to me as Sheriff directed and delivered, I will proceed to sell for cash, within the hours prescribed by law for Sheriff's Sales, on the first Tuesday in October, A. D. 1917, it being the 2nd day of said month, before the Court House door of said Nacogdoches County, in the city of Nacogdoches, the following described property, to-wit:

That certain tract or parcel of land situated in Nacogdoches County, Texas, about 3 1/2 miles S. E. of the city of Nacogdoches, the same being a part of the N. de Lacerda grant in said state and county, being a tract of seventy acres of land, more or less, and is the same land deeded by plaintiff to the defendant, on the 28th day of January, 1911, and the same land deeded to Henry Hoya by Alfred Day, and his wife Charlott Day, on the 9th day of February, 1909, which deed is recorded in vol. 69, page 184, of the deed records of Nacogdoches county, Texas, to which deeds, and the records thereof, reference is here made for a more full and complete description of the land, levied on the property of Seymour March to satisfy a judgment amounting to \$1229.99 in favor of Henry Hoya, and costs of suit.

Given under my hand, this 12th day of Sept., A. D. 1917.

J. L. PRINCE, Sheriff.

S. S. MYERS, Deputy.

Frank Maples, superintendent of the road gang, was in the city today looking after some business interests and shaking hands with friends. The road gang is now located in the vicinity of Chireno where it is doing some good work.

COW HIDES WANTED.

We are buying 13 per pound for green hides. Prices subject to change without notice. Green hides should be salted heavily as soon as possible, and shipped by express. Put one tag with your name and address inside of the sack and one on the outside.

We also handle horse hides and wool.

A GOLEENTERNEK & CO.

NOTICE TO CREDITORS.

The State of Texas, County of Nacogdoches. Whereas, on the 28th day of April, A. D. 1917, the county court of Nacogdoches county, Texas, duly appointed R. S. Speer administrator of the estate of Jacob Henry and Mary C. Henry, deceased, this is to notify all persons having claims against said estate to present their claims to the said R. S. Speer, whose address is Sacul, Nacogdoches County, Texas, this 25th day of August, A. D. 1917. R. S. SPEER, Administrator. Of the estate of Jacob Henry and Mary C. Henry, deceased. 30-4td

Five good cows, properly handled, will make more clear money in a year's time than you can make profit on ten bales of cotton. Can you make ten bales of cotton? You need a separator; Sooner or later you will buy a DeLaval. See and try one before you get sorry. H. H. Cooper. 25-1f

"Wanted to communicate with parties who have car lots of sweet potatoes for sale." Pierce McBee Prod. Co., Wichita Falls, Texas. 6-5w

Dr. W. H. Bruce, Osteopathic Physician, Redland Hotel.

IRON WANTED.

Will pay \$5.00 per ton for scrap iron, free from steel iron and tin, delivered Nacogdoches Elevators Company's warehouse. Also want all other kinds of junk. Claibe Johnson, wtg

PERSHING URGES CRUSADER SPIRIT

New York, Sept. 13.—Major General Pershing has sent a message to American soldiers through the New York Bible Society, which was made public here today. The message which will be inserted in the small khaki-covered Testaments given to the men, follows: "Aroused against a nation waging war in violation of all Christian principles, our people are fighting in the cause of liberty. "Hardship will be your lot, but frust in God will give you comfort. Temptation will befall you, but the teachings of our Savior will give you strength. Let your valor as a soldier and your conduct as a man be an inspiration to your comrades and an honor to your country."

If your child is pale and sickly picks at the nose, starts in the sleep and grinds the teeth while sleeping, it is a sure sign of worms. A remedy for these parasites will be found in WHITE'S CREAM VERMIFUGE. It not only clears out the worms, but it restores health and cheerfulness. Price 25c per bottle. Sold by Stripling, Haselwood & Co. *codw*

G. L. Barber shipped another car of sweet potatoes this week, making his third car for the season, all shipped to Texas points, and in addition he has shipped more than a car by express in small lots. The potatoes were loaded in bushel baskets, which hold slightly less than a bushel by weight, and the price paid was \$1.50 per basket.—Jacksonville Banner.

People Speak Well of Chamberlain's Tablets.

"I have been selling Chamberlain's Tablets for about two years and heard such good results from my customers that I concluded to give them a trial myself, and can say that I do not believe there is another preparation of the kind equal to them," writes G. A. McBride, Headford, Ont. If you are troubled with indigestion or constipation give them a trial. They will do you good.

Rev. Horace N. Cunningham was in the city yesterday returning from Kennard where he attended the Presbytery, and while at this meeting was granted a licence to preach. He went on to Sour Lake last night to take up his duties as a full-fledged minister in his work as pastor of the Presbyterian church of that city. Mr. Cunningham has a great host of friends in this city who rejoice with him in his splendid achievement, and who

have an abiding faith in his ability to do a great work in the cause of his Master.

Swellings of the flesh caused by inflammation, cold, fractures of the bone, toothache, neuralgia or rheumatism can be relieved by applying BALLARD'S SNOW LINIMENT. It should be well rubbed in over the affected part. It's great healing and penetrating power eases the pain, reduces swelling and restores natural conditions. Price 25c, 50c, and \$1.00 per bottle. Sold by Stripling, Haselwood & Co.

Has a High Opinion of Chamberlain's Tablets.

"I have a high opinion of Chamberlain's Tablets for biliousness and as a laxative," writes Mrs. C. A. Barnes, Charleston, Ill. "I have never found anything so mild and pleasant to use. My brother has also used these tablets with satisfactory results."

Miss Edith Hall, daughter of Mr. and Mrs. R. A. Hall, is leaving today for Bloomington, Illinois, where she will enter the University.

Great Faith in Chamberlain's Colic and Diarrhoea Remedy.

"Chamberlain's Colic and Diarrhoea Remedy was used by my father about a year ago when he had diarrhoea. It relieved him immediately and by taking three doses he was absolutely cured. He has great faith in this remedy," writes Mrs. W. H. Williams, Stanley, N. Y.

Captain Jno. S. Doughtie arrived home last night from a visit to his son at Monroe.

Mrs. Doughtie was quick sick Saturday night, and remained to recuperate and make a more extended visit.

State of Ohio, City of Toledo.

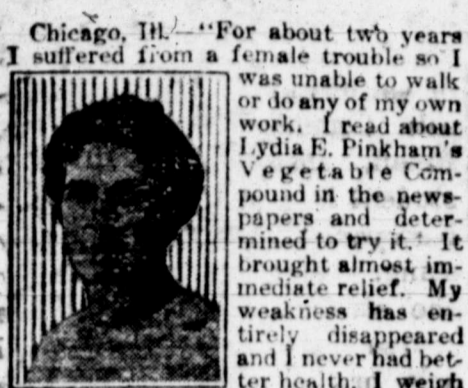

Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH MEDICINE. FRANK J. CHENEY. Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1886.

A. W. GLEASON, Notary Public.

Hall's Catarrh Medicine is taken internally and acts through the Blood on the Mucous Surfaces of the System. Send for testimonials, free. F. J. CHENEY & CO., Toledo, O. Sold by all druggists, 75c. Hall's Family Pills for constipation.

WOMAN SICK TWO YEARS

Could Do No Work. Now Strong as a Man.

Chicago, Ill. "For about two years I suffered from a female trouble so I was unable to walk or do any of my own work. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and determined to try it. It brought almost immediate relief. My weakness has entirely disappeared and I never had better health. I weigh 165 pounds and am as strong as a man. I think money is well spent which purchases Lydia E. Pinkham's Vegetable Compound."—Mrs. J. O'BRYAN, 1756 Newport Ave., Chicago, Ill.

CUSHING LOCALS.

From The Enterprise.

J. L. Satterwhite spent the first of the week in Nacogdoches.

Miss Florence Phillips visited Nacogdoches Wednesday.

Aubrey Coleman spent Thursday afternoon in Nacogdoches on business.

W. D. Bolton, formerly cashier of the Farmers Guaranty State Bank, has resigned and joined the forces at Leon Springs. Mr. Bolton was with us only a short time, but long enough to make many warm friends in our town who regret to lose him. J. D. Rogers of Alto has been elected to fill the vacancy and will move his family here next week. We extend a hearty welcome to Mr. Rogers and family.

DEFER SUNDAY GARAGE BILL.

Austin, Texas, Sept. 13.—Senate committee on criminal jurisprudence held a hearing today and gave consideration to the house bill by Tinner, permitting the sale of gasoline on Sunday, but action on the measure was deferred. Considerable opposition to the bill developed at the hearing on the part of organized labor engaged in work in garages because such a law means work on Sunday. Several of the representatives of garages and motor car companies favored the bill, while it was opposed by others. The auto clubs, however, were unanimously in favor of the measure. Senator McNealus gave notice that he will introduce an amendment to the bill limiting the time that gasoline may be sold on Sundays to 9 o'clock in the morning. With this compromise he believes the bill will pass.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel. It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can't salivate. Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless. Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

LEGISLATURE PROPOSES SWEEPING INVESTIGATION

Austin, Texas, Sept. 13.—Thirty members of the house are to be provided with work for an indefinite period at \$5 per day and expenses by the terms of an amendment resolution reported to the house today by a committee of ten named to report ways and means for an exhaustive investigation of all the state departments and educational and eleemosynary institutions. Sentiment of members appears to be favorable to it.

Representative Spradley made a point of order against the resolution, insisting that it was unconstitutional because members of the legislature were to be placed on the probing committees and there was an inhibition against members of the legislature serving on such committees during the terms of office as legislators. The speaker had no choice to express an opinion as to this, however, for the house ordered the resolution printed in the journal and deferred action on it until Friday.

An amendment was offered by Thomason of El Paso to be printed with the resolution, providing the committees shall be selected by the house instead of being named by the speaker. Representative Fly, author of the probing resolution first introduced, thought this was a good suggestion. Representative Terrell sent up an amendment also to have the legislative branch investigated and ascertain what expenditures had been made wisely out of the contingent expenses fund. These will come up with the resolution Friday.

The resolution provides for a central committee of ten members, to be named by the speaker, and ten subcommittees, each to be composed of one member of the central committee, as chairman. All subcommittees are to work under the direction of the central committee and report to it, the central committee making its report to the house, if the legislature be in session, or filing it with the speaker if concluding the work during recess, and its report shall include recommendations for impeachment should appear.

There is no provision in the resolution to prevent the committees continuing at work until the next legislature convenes, and no limit of expense to which each may go is fixed.

COMMERCIAL BANK CONTINUES TO GROW

The statement of the Commercial State Bank in this issue sets a new mark in Nacogdoches financial institutions. Capital stock has been increased to \$100,000.00. Deposits are \$675,078.99, and total resources are \$807,619.23. dwlt

AUTOMOBILE TURNS OVER WITH THREE

This morning as Messrs. Frank Powers, Jim Powers and Clint Powers were coming to town in a big Overland car, on the upper Melrose road, at a point six miles out, they were the victims of a very exciting automobile accident which came near being serious.

In crossing a bridge something went wrong with the steering gear, and the car ran off the bridge, and turned over. Clint Powers was pinned under the car, and received a number of very painful bruises, but fortunately no bones were broken, or bad lacerations made in his flesh. He volunteers the statement that he received a bad fright, and doesn't know yet how he got away as well as he did. The other gentlemen escaped with a few slight bruises.

The car was pretty badly wrecked.

R. H. IRION.

(An Appreciation)

On the sacred day of rest, September 9, in Oakwood's quiet hush, the body of R. H. Irion was tenderly laid to rest. The hearts of those who sympathized were calmed, the tears of those who wept were stayed, as came the assuring thought: The loving father, the devoted husband, the loyal friend, the high-toned citizen, the christian soldier, is in the presence of his Master; in this holy hour, he worships in the heavenly courts on high.

Among those who think broadly and feel deeply, there is the conviction that certain attributes are required in the making of the well rounded character of a christian gentleman. Upon him who has gone to his happy reward, and for whom we must not sorrow, nature bestowed these attributes in a wonderful degree. On account of his gentle reserve and his quiet modesty; their prominence in the making up of his character, was not fully realized except by those who knew him and loved him best.

The most notable of these was the optimistic faith in which illuminated his daily walk. It was a faith that blessed his dying hours. It was a faith that assured him of the love and justice of an eternal God.

The ability to "avow a friendship and perform it" was his in its greatest degree. He realized that in the making of a friend and keeping him, "all like the purchase, few the price will pay." Knowing this he was willing to give fidelity to that one whom he called his friend; to fidelity was added sympathy and to sympathy brotherly frankness, making of the tender compact a thing so beautiful and so divine that it well-nigh became a miracle below.

He stood for morality in every phase of life. With unjust criticism for none, with charity for all, and with pity for the erring; his tones rang true for right. The need for godly living alike in church and state was his earnest and constant avowal.

The missionary fires within his soul were always brightly burning. In religious effort his stakes were far extended, his interest in Kingdom values lay deep. To the church of his choice, whose doctrines he held sacred, was given the best of his life and strength. In this direction his service was unstinted and as a consecrated christian worker he wrought long and well. Loving father, devoted husband, loyal friend, high-toned citizen, christian soldier—these made the lovable character of him whose memory we cherish—R. H. Irion.

—CONTRIBUTED.

TEACHERS PLEASED WITH DR. BIRDWELL

The Sentinel is informed that the teachers who have been here attending the Institute this week, and who have had the gentleman with them, are charmed with Dr. Birdwell, and are voting him one of the greatest educators in the country.

Dr. Birdwell has filled many places on the program, and has done so in such an efficient manner, and with such easy grace, that the teachers are charmed with him, and will be glad to cooperate with him in every way when he gets the new Stephen F. Austin Normal, of which he has been appointed president, into operation.

A NEW GRIST MILL BEING INSTALLED

Mr. H. W. Draper, recently of Lufkin, has purchased a lot on South Fredonia street, opposite the N. & S. E. depot, on which he will erect a modern grist mill for the service of people in Nacogdoches and vicinity.

The mill will be of the latest type of modern machinery, possessing the new conveniences and improvements to meet with all sanitary requirements and the rapid handling of the product it turns out. From Mr. Draper the Sentinel learns that the corn is carried through three cleaning processes, and is handled in a way that the corn is not heated, that in the making of a friend and keeping him, "all like the purchase, few the price will pay." Knowing this he was willing to give fidelity to that one whom he called his friend; to fidelity was added sympathy and to sympathy brotherly frankness, making of the tender compact a thing so beautiful and so divine that it well-nigh became a miracle below.

He stood for morality in every phase of life. With unjust criticism for none, with charity for all, and with pity for the erring; his tones rang true for right. The need for godly living alike in church and state was his earnest and constant avowal.

The missionary fires within his soul were always brightly burning. In religious effort his stakes were far extended, his interest in Kingdom values lay deep. To the church of his choice, whose doctrines he held sacred, was given the best of his life and strength. In this direction his service was unstinted and as a consecrated christian worker he wrought long and well. Loving father, devoted husband, loyal friend, high-toned citizen, christian soldier—these made the lovable character of him whose memory we cherish—R. H. Irion.

INSTITUTE CLOSING BRILLIANT PROGRAM

The Teachers Institute came to a close yesterday, and it was the unanimous verdict of all that it was the greatest institute in every particular ever held in this county.

Many able speakers were engaged for this meeting, making the program full of interest, and the matter was so arranged that the expense was kept down, and the amount each had to bear was insignificant compared with the good received from the meeting.

Much of the credit for this great meeting was due to County Superintendent Layton who has enlisted and cemented the cooperation of the teachers of the county in all that pertains to the educational advancement, and who is leading them wisely and well in their work. He doesn't make much stir, but he works unceasingly for the advancement of the school interests, putting everything on a high plane and compromising no point of law or principle, and the teachers greatly appreciate the method he employs.

A move has been set on foot, and committees appointed looking to a co-operative institute with the neighboring counties next year. Several of the other

counties have expressed a desire to try this plan, and if the committee finds it feasible, and can agree upon some place to hold it, a program will be worked out to this end.

COUNTY BOARD MEETING CALLED FOR SATURDAY

County Superintendent Layton advises The Sentinel that there will be a meeting of the County Board next Saturday, September 22, at 10:00 a. m., for the purpose of discussing the matter of appointing an attendance officer.

The county superintendent is of the opinion that the services of such a helper is very much needed to properly enforce the attendance law, and hopes that there will be a good attendance of the Board and teachers to discuss the matter.

Messrs. B. M. Shipp and J. B. Langhorne, well known citizens of Timpson, were visitors to the city today. In the days of his early manhood Mr. Shipp was a citizen of the Nacogdoches county, and says that he was here ahead of any of the magnificent brick houses we now have.

No. 666

This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the Fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

CHICKENS WANTED

We can use 1000 chickens a week and will pay good prices for them. We have some regular orders to fill. See us with your poultry before you sell. JOE ZEVE

We are agents for two of the best known and most durable Telephone Batteries that are on the market today.

Try either of the two well known batteries in your phone and see the remarkable difference you find in the service. They cost no more but last longer.

Stripling, Haselwood & Co.
Nacogdoches, Texas

Will Cox, Jr., has accepted a position in the clothing store of Zeno Cox, Jr., where he looks very natural.

J. B. Walters will go to San Augustine tonight where he will take a position with the Ford supply station.

Mrs. Robert Lindsey and Mrs. Susan Hamilton returned yesterday from a visit to Mrs. M. C. Parrish at Jacksonville.

Mr. and Mrs. B. M. Hall returned from a visit to relatives and friends in San Augustine and Center.

Mr. and Mrs. Haden Clevenger, who are making their home at Gandy, La., arrived in the city yesterday for a visit to relatives and friends.

Miss Louise Dow is leaving this afternoon for Dallas where she will enter St. Mary's College. Her mother, Mrs. H. F. Gillette, is accompanying her on the trip, and will return after the young lady is installed in school.

Messrs. M. L. Baker, E. E. Banks, N. Q. Mayfield, Jr., L. Strickland and Editor Carter of Cushing were visitors to the city today, motoring over to bid the soldier boys good-bye. Mr. Carter made this office a pleasant call while here.

Received Today

A car load of five Oaklands

The most economical, the lightest, and by far the best performing light six made.

Nacogdoches Garage Co.

DISTRICT COURT

From Wednesday's Daily.
Buster Ayers, who was on trial for forgery yesterday, and reported in this paper, was convicted under the name of Jim Johnson, which is his right name, the former name by which he was indicted being a mistake. His punishment was assessed at two years in the penitentiary.

The case against Joe Manschaca, charged with hog theft was reduced to the juvenile court, and the case against Andrew Lozano, charged jointly with the former, was continued.

The case against Floyd Landrum, who is also charged with hog theft, was on trial when this report was prepared.

From Tuesday's Daily.
An order was entered yesterday commanding the grand jury to re-assemble Thursday to investigate some matters that need attention of that body.

State vs. C. N. Cunningham, continued to February term.

State vs. Tom Noble and Frank Dorsett. Dismissed as to Dorsett; Noble tried by jury and acquitted.

Joe Neely and Najoleon Taylor, tried by jury and given two years in the penitentiary.

Reduction in bond for Layton Strickland, refused and defendant remanded to jail.

When this report was gathered just before noon the court was making an effort to get into trial with the case of Buster Ayers, charged with forgery.

SWIFT LOCALS.

Swift, Sept. 17.—We are glad that we can at last report a fine rain which was greatly needed and much appreciated.

The community was made sad Sunday by the death of little Pauline Lambert. The funeral service was conducted at the Baptist church at 5:00 o'clock Sunday afternoon by Rev. Dave Nix, and the remains were laid to rest in the Swift cemetery. We extend to the beloved relatives profound sympathy.

Mrs. Madison Sumnerlin and Mrs. Ben Barron visited Mrs. Walker Reaves of Lufkin Saturday and Sunday.

Mrs. Howell Smith and children, after having spent a few days with friends and relatives, Zandt county. They were accompanied on their return by Porter Pleasant.

Mr. Hollis Cureton of this community, and Miss West of Appleby, were married Sunday.

H. L. Chandler is building a nice, commodious residence in which he expects to dwell when it is completed.

Jack Box and wife have moved from this community to near Libby.

Miss Annie Nash, who will be remembered as having graduated with distinctive honors at Nacogdoches High School last year, and who has been spending the summer with her brothers in Shelby county and Longstreet, La., is visiting in the city, a guest of her friend, Miss Ethel Petty.

MRS. MAUDE DAVIS GAINED FOURTEEN POUNDS ON TANLAC

It's the First Winter in Twenty Years I Haven't Had to Spend Half My Time in Bed," She Says.

"I actually weigh more than I ever did in my life, I feel better than I remember ever feeling, and my friends say they have never seen me looking as well as I do now." This remarkable statement was made a few days ago by Mrs. Maude Davis, 2704 Hickory street, Dallas, Texas, the wife of W. J. Davis, the well known special officer, and their many friends will be glad to learn of her complete restoration to health.

"I don't know how long," continued Mrs. Davis, "I have been afflicted with catarrh of the stomach and head, but the trouble became acute twenty years ago and I just can't describe the suffering I have endured since that time until I got relief by taking Tanlac. My food would not digest, my stomach was all bloated up with gas and my heart would flutter so at times I would almost faint. I would spit up frothy-looking stringy phlegm, had a constant dropping of mucus into my throat and my eyes were watery and pained me all the time. I was tired and languid and so dizzy at times I could hardly stand up. I suffered almost beyond endurance and had fallen off until I only weighed ninety-eight pounds. I had tried all kinds of medicines and had the very best treatment, yet I continued to suffer and grow worse, and had become discouraged and despondent about my condition.

"But when I read about the good Tanlac was doing so many Dallas people, I had a new hope. I felt like it would help me too and it certainly has, even beyond my expectations. I just now realize what good health is, I never felt as well before, and this is the first winter in twenty years I have not had to spend fully half of my time in bed. I have taken five bottles of Tanlac and have not only gained fourteen pounds in weight, but all my troubles are gone, too. I never told my husband and neighbors I was taking Tanlac until my face filled out and my color got so good and now they are all talking about my wonderful recovery, and many of my neighbors are taking Tanlac and getting well too, since seeing what it has done for me. Tanlac has made my husband and I both happy by giving me my health, and I'm glad to give this statement because I know there are lots of other people who need just such a medicine as Tanlac to get them over their suffering and make them well and happy."

Tanlac is sold in Nacogdoches by Stripling, Haselwood & Co., and Swift Bros. & Smith, in Garrison by Garrison Drug Co., in Appleby by Weatherly Bros., and in Sacul by Arkan Cranford.

Mr. Gus Simpson, a prominent and well-known citizen of the vicinity of Nacogdoches, is reported to be quite low at the home of Mr. Horace Wilson, in this city. Mr. Simpson came up about a week ago to get medical treatment, and was taken so ill that he has not been able to leave. The household goods of Mr. and Mrs. John Griffith have arrived from Nacogdoches, and are today being moved into the house just across the street from J. M. Smith. The News welcomes this family back to Lufkin.—Lufkin News.

Arthur Summers left today for the Metropolitan business college, at Dallas.

FREE SCHOLARSHIP IN THE SCHOOL OF YOUR CHOICE

The Tyler Commercial College of Tyler Texas, is positively the only business college in the state which teaches a thorough course of practical modern bookkeeping and business training. Other schools teach theoretical bookkeeping, some of them call it actual business, but it is not. The commercial room of the Tyler Commercial College is a community of business houses of various kinds, Banks, Wholesale, Commission, Real Estate, Retail, Insurance, etc. Each student is engaged in real, active business, learning to do by doing. Every entry made by the student during his entire course is originated by an actual sale of purchase; it may be grain, it may be groceries, dry goods, real estate or stock in a corporation, at the transaction is really performed and every paper required in the transaction, whether check, note, draft, receipt, mortgage, deed or what not, is filled out by the student. Partnership contracts are drawn up and agreed upon between the parties forming the company. Articles of incorporation are drawn up. Through these practical methods the student learns business as well as bookkeeping; they learn how to meet one another face to face and transact business in a business way, instead of copying theoretical transactions from a text book as is done in every other commercial school in the state. It takes more teaching force and better teachers to teach our systems and they must be well informed on business customs. When a student learns to do a thing by actually doing it, he learns it thoroughly, and with our practical, face to face business methods we are able to give the student a thorough course of both bookkeeping and business training in less time than he could possibly get the theory, or so-called practical bookkeeping alone in other schools.

We will give a free scholarship in the school of your choice to anyone finding another school teaching both bookkeeping and business through practical business transaction as we do. Similar practical methods are used in teaching Shorthand, Cotton Classing, Telegraphy and Business Administration and Finance. We believe in teaching in the school room that which you must do when going into the business world, and it is this policy that has made the Tyler Commercial College, of Tyler, Texas, the largest school of the kind in America.

Write for large free catalogue explaining our original methods of teaching and securing positions. There is a reason for our school drawing patronage from thirty-nine different states and seven different foreign countries. Investigate it, the best is none too good for you, for you must use this education for Life and its quality measures your success.

E. M. Weeks, a former citizen of this county who has been residing in San Angelo the past year, to which place he moved for the benefit of his wife's health, was an arrival to the city yesterday, and will spend this week in the county looking after some business matters and visiting friends. Friends of the family will be pained to learn that Mrs. Week's health is still not good, and that their daughter, Miss Virginia, now about seventeen years of age, has been confined to her bed with illness the past ten months.

A. H. Hart of Garrison was a business visitor to the city today.

Right Now!

We have seven good milk cows, better than the average. Few with baby calves and others to be fresh in next few days.
Terms: Cash or trade.

BLACKBURN & MAST

We buy cattle too—Best prices

LEMON JUICE IS FRECKLE REMOVER

Girls! Make this cheap beauty Lotion to clear and whiten your skin.

Squeeze the juice of two fresh lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear, and how clear, soft and white the skin becomes. Yes! it is harmless.

Mr. T. F. Richardson and family of Alto have been in the city today, coming over to do some trading and meet old friends. Mr. Richardson is a native of this county, and has many friends among the older settlers who are always glad to see him. In settling up for his paper, he remarked that he had been taking the Haltom papers for the past thirty years, and couldn't get along without them now.

Dr. Thomas, who went to San Antonio some time ago on account of failing health, has recovered, and has returned to his practice at Woden. He was a visitor to this city today.

GO NO FARTHER

The Evidence is at Your Door.

Nacogdoches proof is what you want and the statement of this highly respected resident will banish all doubt:

Mrs. J. J. Coker, S. North St., Nacogdoches, says: "I felt miserable all the time, had no life and lacked energy. My back was weak and seldom let up. Dizzy spells and headaches constantly annoyed me and kept me feeling out of sorts. It took only one box of Doan's Kidney Pills to ease the pain across my back and strengthen my kidneys. My general health improved and I have had very little trouble in the past two years."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coker had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

THE SACRED HARP SINGING CONVENTION

The Nacogdoches County Sacred Harp Singing Convention will meet at Nat, fifteen miles northwest of Nacogdoches, on Friday night before the first Sunday in October.

W. A. BARR, President.
G. T. F. LAMBERT, Sec.

The Sentinel failed to note in yesterday's issue the return of Rev. C. A. Westbrook from a visit to relatives and friends in Missouri. He visited a number of places in Missouri, and reports a most enjoyable visit.
