### NEXT SUNDAY WILL BE A GREAT RALLY DAY

As reported in the papers last week, addresses will be made at the various school houses of the county next Sunday, by competent speakers, and the people are urged to turn out and hear these gentlemen.

They will bring you a message direct from General Hoover, who seeks to preserve the interests of the farm and country, and conserve our resources to the end that absolute famine and suffering may be avoided.

All great enterprises must be conducted along systematic lines, and the Food Administration is coming direct to the people for co-operation. The people are asked to pledge themselves to greater economy and so far as possible greater production, and their co-operation in this enterprise will bring them all the help the good offices of the government can grant. The time has arrived when the government asks nothing that is unreasonable of the people. To the contrary, it is offering co-operation from every quarter that the most ardent supporters of government help and control could not have hoped for a few years ago.

The enterprise of having speeches made in the various school houses of the county on this city, is not a local feature, but it is nation-wide. On this day plans have been made

### THE WOODMEN CAMP BUYS LIBERTY BONDS

At the meeting of Liberty Elm Camp, Woodmen of the World, last night, the camp voted to purchase \$250 worth of the second issue of liberty bonds.

The camp purchased a similar amount of the first issue, which gives it \$500 worth of Uncle Sam's honor certificates,

and enrolls its name upon the roll of honor of the nation which is struggling to break down the rules of tyranny and restore universal peace to the world.

The camp, as are other fraternal institutions of the city, which have done likewise, is to be congratulated for the patriotism displayed in the matter, and all loyal citizens will love these institutions better for it.

### You'll see the Effects in the Newest Styles

Betty Wales Dresses of Serge That Give the Wearer the Smart, Slender Silhouette

SUCH a remarkable way of combining smartness and simplicity has Betty Wales that one almost instinctively knows that these new arrivals in our Dress Department show the famous Betty Wales label.

One knows, too, how these cleverly designed dresses make the years drop from one's figure—small wonder that the woman inclined to be matronly delight in them!

This season we offer a variety of modes, each individual and many with delightful, little touches that endear the garments to critical dressers.

The materials and workmanship are worth noting, too, in these days when style is too often at the expense of service.

A Betty Wales stays in style as well as sets the style. It is well worth being made up substantially. Kleinert Gem Dress Shields are sewed in place in every Betty Wales, another proof of this infinite care in their making. In each dress, too, you will find the big gold seal containing the gift certificate exchangeable without cost for your choice of any of the

eight fascinating Betty Wales College Books written by Margaret Warde and selling at book-stores for one dollar each. These books make splendid gifts for girls. From every viewpoint a Betty Wales Dress is a most excellent purchase.

We carry a new line of the new Betty Wales models

to have a speech in every school house in the nation, and with this address will begin the campaign for pledge card signing, to which every housekeeper in America is expected to respond. The card exacts no unreasonable sacrifice nor does it impose a burden upon any one. It simply requests the pledge that you be economical in the domestic affairs of your home, and conserve the food supply as far as possible to the end that there can be a greater distribution. You may be doing this very thing already and no change necessary to meet the requirement, but the government wants to know it, and feel that it has your co-operation, and you are requested to sign the card as cheerfully as any other lady. This campaign lasts just one week, closing with the latter part of next week. The card is self-addressed, and after being signed and put in the mail box will go to the proper authority. If you fail or refuse to sign it, your name will have to be reported thus, and no lady of good old Nacogdoches county can afford to refuse.

### HALF OF ZEP FLEET LOST.

Washington, Oct. 23.—Germany probably lost half of her total effective fleet of super-zepplins as a result of the raid of Oct. 20 over England, according to official cablegrams received here. All France is exultant over what the dispatches declare to be the greatest defeat administered to an air fleet since the beginning of the war. The gratification is more intense because it is now known that the German raid was an attempt to carry out a fearful threat of vengeance made four days before.

On that occasion the German

government sent out a warning to both France and England of dire punishment to follow what the Germans declared to be unwarranted and inhuman attacks upon peaceful German towns. Retaliation was threatened in an official communication which, in part, reads: "For every brick which falls from peaceful German homes, whole rows of buildings will be overturned in Paris."

### A COUNTRY HOME DESTROYED BY FIRE

It would be interesting to know who is keeping Lufkin so well informed on the life and career of "bootleggers" in the community.

Every family should raise one or more hogs, and all the garden "truck" possible with which to help avert the foodstuff famine that is on the way.

A later interview from State Food Commissioner Peden announces that only grocery and feedstuff merchants whose sales amount to \$100,000 or over come under the federal license system which will exempt the majority of the retail dealers of the country.

Don't forget the district good roads meeting to be held at the court house tomorrow afternoon. This is one of the most important matters that have come before the people of this section for some time, and should have the interest and enthusiastic support of every loyal citizen.

Get this in your "standpipe": the negro who prospered for a season in the bootlegging business in the shadow of the Nacogdoches county court house is on the way to the pen, and if there are others let us hope that they, too, ere long will be given similar punishment. We have no room for them here—and they are despised of all respectable people.

The press of East Texas will enter into profound sympathy with Editor McDougal of the Tyler Courier-Times in the death of his sainted old mother, Mrs. Bettie McDougal, who died Tuesday afternoon. Mr. McDougal was very devoted to his mother, and has suffered a loss no one can appreciate save those who have had similar experience.

The circumstance in which a four-year-old child found a bottle of whiskey on the streets of Lufkin, and drank so much of the beverage that he died from it, eclipses anything that has happened in the "shadow of the Nacogdoches county court house," and we assume that with this embarrassment the Lufkin editor will shoot his "trigger finger" off and hush.

In the prohibition election held in McLennan county Saturday, prohibition won out with a majority of 1284 votes. This county is the home of Waco, one of the flourishing cities of Central Texas, and the city also favored prohibition, giving a majority of 137 votes. Thus the cause of prohibition is gradually sweeping the state, and a "bone dry" Texas is not far ahead.

When the little Lufkin "standpipes" arrived yesterday afternoon they evidently found that the "Banita Creek tadpoles" had developed into full-grown frogs. The score in the game of football was sixty-five to nothing in favor of Nacogdoches. If we may assume the correctness of the advance information given by the Lufkin News, the visitors are now in the presence of the beautiful and majestic standpipe (the big one on the public square at Lufkin) where they "will rise again, and resolve never to rest until the little 'tadpoles' are completely annihilated." Oh, you standpipe! May your shadow never grow less.

## WHAT'S THE POINT OF ANYWAY UNLESS WE WIN THE WAR.

Let us suppose that everyone, or even a large number of men talked this way. The loan would fail. That would mean the defeat of civilization, and the triumph of Germany.

Tried almost beyond human endurance, our allies might "lie down," discouraged, disgruntled. "Unlikely," you say, "they will fight on." This raises a point which is not yet thoroughly understood—it is money that is going to win this war. The supply of bravery amongst our own boys and our allies is ample; what they all need, what they must have, is money.

What would be the result of a wavering attitude on the part of our allies? Germany would take heart, possibly make one supreme effort, and open the way for an invasion of this country, which our own fleet might not be able to frustrate. Even supposing that as a result of her great effort, Germany was successful enough merely to force a draw, and an inconclusive peace, what would happen? Her every energy would be bent towards the object of invading this country at the earliest moment possible in order to replenish her bankrupted stores of money and supplies.

Let us presume that Germany has been so far successful that the war is brought to our shores, and our export trade is at a standstill. Do you realize what would be the condition of trade?

It would be paralyzed. Markets would fall to pieces, industries would be stopped, everywhere there would be country-wide unemployment. Enormous industries would have to be paid to Germany to call off her armies; taxes so enormous that they would stagger the imagination, would have to be imposed, and the man who said, "I can do better with my money than buy liberty bonds," would feel himself to be the most foolish and mistaken man on earth. His dollar that he could "do better with," would be worth maybe twenty-five to fifty cents to him.

Truly—what's the use of money, anyway, unless we win this war?

Talk about getting their little "standpipes" brings the Lufkin News to life with the following observations: "The Banita Creek 'tadpoles' will be sweating blood before the job of burying the little 'standpipes' is completed, and even should they be buried in Naughty Nacogdoches, in the very shadow of the old stone fort, they would turn over in their graves, 'rise again' and beat it to Lovely Lufkin, and in the presence of our beautiful and majestic standpipe, resolve never to rest until the little 'tadpoles' are completely annihilated. Watch your step, Brother Gibbs." Lonely Lufkin, we will "get your standpipe" for this impudence.

Every patriotic citizen of Nacogdoches county should be present at the good roads meeting to be held at the court house next Tuesday afternoon to greet the visitors who will be here from other towns and counties. Nacogdoches must wake up if she gets on the line of one of the Federal highways—and if she should fail to do so, it would be a set-back that it would take many years to overcome.

## "UNCLE IS CALLING"

The Second Liberty Loan.

Uncle is calling—he asks for a loan. You've heard of your "Uncle" before. This Uncle is really your own. Not the one with three balls at his door!

Uncle is calling—he'd just like to know if you'd lend him some money to fight. And remember, he's got to have money to go. Lend him something, if only a mite!

Uncle is calling—you'll answer him, sure. He has needs that have got to be met.

He'll pay you good interest, your money's secure. And remember, you owe him a debt!

Uncle is calling—he's called once before. Every nephew should fight or chip in. Won't you stand by your Uncle—your Country AT WAR?

If not, don't expect him to win!

Uncle is calling—oh, don't turn him down! He has guarded our interests so well.

A loan to your Uncle—not a tax to a crown. For FREEDOM your dollars will tell!

Uncle is calling—to you and to me. And he's waiting to hear what we'll do. This loan will protect our great Land of the Free.

And preserve us the Red, White and Blue! —John Nelson Stewart, Jr.

## AFTER THE KAISER.

We are rookies from old 'Doches. —Come to die or do; We are going to whip old Kaiser, And paint old Berlin blue.

We left our homes and loved ones, We left them all for you; And now we are demanding it, That you see us safely through.

Just buy a liberty loan bond To stop the red blood's flow; When we get over the trenches To make the Germans go.

And when we place o'er Berlin The colors red, white and blue, We want to know your dollars Have seen us safely through.

Again we pleadingly ask you, To do your dead level best; Just buy a liberty loan bond And we will do the rest. —H. D. R., 7th Co. C. A. C.

It would be interesting to know who is keeping Lufkin so well informed on the life and career of "bootleggers" in this community.—Nacogdoches Sentinel.

The answer is easy. Everybody is talking about it. The most interesting thing, however, would be to know who is letting the bootleggers ply their trade.

"within a stone's throw of the court house?"—Lufkin News.

When a whole community engages in the nefarious practice of talking about its neighbors, as we assume Lufkin is doing from the above, it is evidence that they haven't much business of their own to attend to, and no noble purpose to engage their attention.

For the further information you seek as to why the infamous bootlegger was allowed to run riot so long, you might inquire of our district attorney, who also resides in Lufkin.

Liberty Bonds at 4% is a good investment; buy them.

## WAR, DEFEAT, RUIN, SLAVERY.

Stop your mad rush for gold, and your indifference for your country's cause. The fate of the world is hanging in a balance. The homes of our country are no longer safe. Fate is playing havoc with the nations and only the alert and energetic by the use of toil and sacrifice can survive.

A man who is too indifferent to help his country is as injurious as the German sympathizer. Are you going to help the Germans? The Americans are in the melting pot for the test; Democracy against Autocracy. The autocracy makes its people do by force. A democracy is supposed to act by voluntary service without force. We claim our democracy is the best. The German autocracy is forcing its people to act. If we will not act voluntarily then our democracy is a failure and its faith is not worth depending.

We have to find in the United States an amount of food stuff for export two or three times more than we ever dreamed of exporting from this country, and we must find it in such a manner as not to injure our present supply.

There is already a serious shortage of some foods among our allies, and this we must supply, or we cannot win the war. We can only supply it by certain methods of conservation and this conservation can only be made by a united, vigorous campaign to educate the people how to do it.

No matter how you felt about the war before you got in it, and no matter how much you like to stay out of war, we are in it now, and must win. No American loves war, but when it becomes necessary to preserve honor and democracy every patriot is ready to fight. This is now just as much our war as it is the other allies. Yet we have all the good and our allies all the bad.

They are doing all the fighting and dying. They are in the trenches of blood and anguish surrounded by the smoke and dust of battle, suffering from the cold and snow of winter, and the sharp agonies of exposure and fatigue. Their wives and babies are daily approaching a food shortage, unless we deny ourselves certain things and divide with them. These soldiers will not continue to fight, if their wives and babies get hungry at home for bread. If the allies should cease fighting the western line would shift to our Atlantic seaboard. We would have to face the Germans alone. At the present we are doing none of the fighting. We have all the food and money and all the pleasure and wealth besides.

We must stop and act.

On Sunday, October 28th, every man who can speak in your county is called upon to speak in one or more school houses of his county on that day on Food Conservation, and the pledge card campaign. He will be asked to inform himself on the subject thoroughly so he can give you full information. Your county chairman will call on him and publish his name and appointment in your paper, so every one can know. Every school in your county will have a speaker on that day. Every man in the Food Administration work is contributing his time free to this cause.

No patriotic citizen will refuse to address you on this occasion. No man should ever be entitled to any consideration from the public who refuses to do these little things for his country when called upon. Every man, woman and child in this government ought to stop promptly and execute any request made

on them to do work for our country.

We are in a serious war. The greatest danger we ever had is facing us. The people who know are preparing for a three years' war. It will take a long, hard struggle, filled with sacrifices and money, if we are to win. Still we must win. What would your home, your property or your anything be worth, if we lose this war? We would be ruined, we would be wrecked. We would be scoffed and kicked by the Germans as a low, unintelligent race. Our women would be insulted. Firesides would be demoralized and our men would be made slaves. It is awful. People don't know the seriousness of this war. They should study and learn.

Men who do know should lose no time telling people who don't know. Newspapers should tell the people frankly that the war is serious. I believe the people are patriotic when they just realize the truth. I call upon all of them. Let's do all in our power to crush the German death machine.

Respectfully,  
 C. B. COLLINS,  
 District Manager Food Administration.

## URGES BOND BUYING.

Following is an excerpt of a letter from Everett E. Matthews to a friend in the city, which should be of interest to all:

"How are the liberty bonds selling in Nacogdoches? I am sure you people are buying them as fast as they can be written. The Coast Artillery Companies of Galveston, which are eight companies, have bought about \$60,000 up to now, and are still buying them every day, and I ask you people to buy as many bonds as you can. Don't let us boys do the fighting and furnish the money, too—a large part of it, anyway."

## A BOILER EXPLOSION AT SAN AUGUSTINE

The following report of a boiler explosion near San Augustine, in which several people were injured, is taken from this week's issue of the San Augustine Tribune:

"The boiler at the mill of Mr.

J. D. Stewart, at the old Tom Davis mill site, exploded Friday of last week, Mr. L. H. Nicholson, who was sitting directly in front of the same at the time, receiving a severe blow on the head, and two negroes being badly hurt, one perhaps fatally. The boiler was blown 330 feet by actual measurement and the wonder is that more serious damage was not done. The cause of the explosion is not definitely known.

"The mill and gin has been in operation for some thirty years, and this is said to be the first accident of a very serious nature that has happened."

## AMERICANS IN GERMAN PRISON CAMPS STARVE

Washington, Oct. 17.—Minister Morris at Stockholm cabled the state department today news of the arrival there of Willot Charles Smith of Norwalk, Conn., who escaped from a German internment camp at Kiel and brought word that American prisoners in Germany would starve but for food sent them by the Red Cross and Y. M. C. A.

Smith was a horseman on the British steamer Esmeralda, captured by the German raider Moewe, and was carried into Germany just before the United States broke diplomatic relations.

"Smith stated," said a state department statement announcing the escape, "that without the food packages sent by the Y. M. C. A. and the Red Cross, prisoners would not be able to live, as the daily food ration consists of a slice of black, sour bread and a drink of cold coffee for breakfast, and for dinner and supper about a pint and a half of warm soup, apparently consisting of water and turnips."

## DRILLING WELL NO. 3.

The Producers Oil Company has started on the drilling of well No. 3, in what is known as the Shelbyville field. Well No. 2, is producing steadily a small amount per day and the fuel for the drilling work of this well is secured from it. There is yet hopes for this well to come in as a good producer and as the work proceeds it will be watched with more than the ordinary interest. —Center Champion.

County Superintendent Layton says that he has mailed out a lot of advertising matter for the liberty loan bond issue to the various school teachers of the county. A good supply of literature was sent to his department for this purpose.

### AFTER THREE YEARS.

Nacogdoches Testimony Remains Unshaken.

Time is the best test of truth. Here is a Nacogdoches story that has stood the test of time. It is a story with a point which will come straight home to many of us.

C. Heitmann, shoemaker, 111 N. North St., says: "I was bothered for six or eight weeks by a constant, dull, heavy ache in the small of my back. I lacked ambition and mornings. I was tired and worn out. I finally got Doan's Kidney Pills from Mast Bros. Drug Store and they promptly cured me."

OVER THREE YEARS LATER Mr. Heitman said: "I haven't changed my high opinion of Doan's Kidney Pills. The benefit they gave me has been lasting."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Heitman had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

### THE CITY COUNCIL PURCHASING BONDS

The City Council of Nacogdoches has authorized Mayor Matthews and City Clerk McKinney to purchase \$6500.00 worth of liberty bonds with the sinking fund of the city, and this will be a good help in raising the county's quota, as well as a good investment for the idle money.

### SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapepsin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time 14—In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache. Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

### NEW METHOD FOR LISTING SOLDIERS

Washington, Oct. 22.—The five classifications into which men awaiting draft will be divided under the new regulations approved by President Wilson, have become public much before the time planned by the provost marshal general's office and are here published.

It was discovered Monday that what was to have remained an official secret for a week more—was divulged Saturday night at a dinner in New York which, Secretary Baker and Provost Marshal General Crowder attended. The provost marshal general discussed the new regulations, without intending to make public the classifications, but some members of a New York local exemption board, thinking to elucidate the general's speech, printed the classifications on the back of the menu card.

The classifications are as follows, and show every man registered, to which class he belongs and in what order the different classifications will be called to service:

- Class 1:
1. Single men without dependent relatives.
  2. Married men (or widowers or with children), who habitually fails to support his family.
  3. Married men dependent on wife for support.
  4. Married men (or widowers or with children) not usefully engaged, family supported by income independent of his labor.
  5. Not included in any other description in this or other classes.
  6. Unskilled labor.

Class 2:

1. Married man or father of motherless children, usefully engaged, but family has sufficient income apart from his daily labor to afford reasonably adequate support during his absence.
2. Married man, no children, wife can support herself decently and without hardship.
3. Skilled industrial laborer, engaged in necessary industrial enterprise.
4. Skilled farm laborers engaged in necessary agricultural enterprise.

Class 3:

1. Man with foster children, dependent on daily labor for support.
2. Man with aged, infirm or invalid parents or grandparents dependent on daily labor for support.
3. Man with brothers and sisters incompetent to support themselves, dependent on daily labor for support.
4. County or municipal officer.
4. Firemen or policemen.
6. Necessary artificers or workmen in arsenals, armories and navy yards.
7. Necessary customs house clerks.
8. Persons necessary in transmission of mails.
9. Necessary employees in service of United States.
10. Highly specialized administrative experts.
12. Highly specialized agricultural experts in agricultural bureau of state or nation.
13. Assistant or associate manager of necessary industrial enterprise.
14. Assistant or associate manager of necessary agricultural enterprise.

Class 4:

1. Married man with wife (and) or children (or widower with children) dependent on daily labor for support and no other reasonably adequate support available.
2. Mariners in sea service of merchants or citizens in United States.

Class 5:

1. Officers of states or the United States.
2. Regularly or duly ordained ministers.
3. Students of divinity.
4. Persons in military or navy service.
5. Aliens.
6. Alien enemies.
7. Persons morally unfit.
8. Persons physically, permanently or mentally unfit.
9. Licensed pilots.

A SPECIAL TERM OF DISTRICT COURT CALLED

Before closing out the regular fall term of district court today, Judge Guinn called a special session for Nacogdoches county, to convene November 12th, for the trial of Sheriff Prince and Deputy Myers, indicted by the recent grand jury, and for the trial of any other business that may be available at the time.

Messrs. R. C. Monk, B. S. Shirley and Horace Wilson were appointed as a commission to draw jurors for two weeks of the term, and the remaining two weeks will be devoted to non-jury business, both civil and criminal.

In discussing the call for the special term Judge Guinn said that Sheriff Prince had expressed the desire for an early trial, and that there was some other business that should be disposed of, hence he would work up at Lufkin so that he could spare the time and come back here to finish up with the new accumulation of business.

# What is the most economical cooking fat?

When you step into your grocer's you find different shortenings—quoted at different prices. You may want to know which is the truly economical shortening.

The prices don't tell.

Some shortenings will go much farther than others.

For instance:

Many careful housekeepers have found that Cottolene goes very much farther than other shortenings which they had been using.

The reason?

It is very much richer.

Cottolene contains no water. It is always uniform in quality.

You will find, too, that pure, economical Cottolene gives to biscuits, cakes, pies and fried tid-bits a delicate flavor that even expensive butter might well be proud of.

The unusual richness of wholesome Cottolene makes its economy a true economy.

In baking, use one-third less of Cottolene than you have ordinarily used of other shortenings.

Remember that the next time you order from your grocer. Remember, too, that he can supply Cottolene in tins of convenient sizes.

### Recipe for BAKING POWDER BISCUIT

Into two cups of sifted pastry flour sift and mix one level teaspoon salt and two rounded teaspoons baking powder; chop in one level tablespoon chilled Cottolene. Wet to stiff dough with 3/4 cup half water and half milk.

Rolled 3/4 inch thick and cut with 2-inch biscuit cutter this recipe will make about a dozen biscuits.

### HEAD AND NOSTRILS STUFFED FROM COLD

Don't stay stuffed-up! Quit blowing and sniffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness. "Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores.

### CHILD DRANK WHISKEY AND DIED FROM EFFECTS

Lufkin, Texas, Oct. 19.—The 4-year-old son of William Wells died Wednesday afternoon at 1:30 o'clock of acute alcoholism. The little boy found a bottle of whiskey Wednesday morning and drank so much of it that he soon became sick. Physicians were unable to counteract the effects of the amount of whiskey that the child had drunk, and death ensued.

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

Every idle acre of East Texas land should be put into cultivation because it will pay to do so, and because humanity needs the things that can be produced on it.

Much of the price inflation that is overflowing the country now is a fad, and will have to be checked in some intelligent manner to save untold suffering at home as well as abroad.

The money you loan the government in its present emergency does not leave the country, but to the contrary keeps business going so that you can make more.

Nacogdoches is needing some new rent houses mighty bad, new families being turned away almost daily for the want of them, while many others are cooped up in rooms which have been divided with them by citizens.

Mr. E. J. Hernan of the National Highway Association wires that he will be in Nacogdoches on Tuesday, the 30th inst., to meet the people of East Texas, and discuss good roads. A great many people will be here to hear him, and let us entertain them in true Nacogdoches style.

The "greenback" bill representing so many dollars would not be worth the paper it is printed on if it did not carry the guarantee of the government. With Uncle Sam's signature it is legal tender at par value. The liberty loan bond carries the same guarantee of value and a good rate of interest in addition.

We are glad that Col. Roosevelt did not lose both eyes in his athletic encounter with a young blood. Col. Roosevelt is one of America's foremost citizens and patriots, and notwithstanding we may disagree with him in National politics, we admire him for his many sterling traits of character and aggressive pursuits for that which he conceives to be right.

The thirty-eight million men in arms, their dependent ones, and the people at home must be fed if they live. This fact alone should impress the argument that we must conserve every article of feedstuff, and must produce every pound possible, to avoid an absolute famine. Your money would be the cheapest thing in the world if you could not buy those things necessary to sustain life with it.

Today's issue of the Houston Post gives space to a lengthy communication about tobacco growing and cigar manufacture in this community, which our people will appreciate. Tobacco growing in this community offers many wonderful possibilities, and the only thing lacking to arouse this interest among tobacco growing people is to bring it to their notice. In giving space to this communication, which was written upon the invitation of the editorial management of the paper, the community is being rendered a distinct service.

The preachers of the United States, including Nacogdoches, will be called upon to preach "Food Conservation" sermons next Sunday. In addition to this it is planned to have laymen make talks along the same

line at every county school house throughout the land. It is one of the most important questions confronting us at the present time and every housewife must be brought to a full realization of her duty.—Lufkin News.

We had hoped that Lufkin would also be included in this good campaign.

If the people of the United States will produce enough produce to give in exchange, they will own the wealth of the whole world in the next two or three years, and they should seize upon the opportunity, both because it is good business to do so, and because we owe it to suffering humanity to feed every hungry individual we can. Remember the adage: Opportunity knocks at every man's door once. It is "knocking" now, and he who fails to take advantage of it will live to see the day in which he will wish that he had been more diligent while it was profitable.

The Nacogdoches County grand jury recommended that another prohibition election be held in that county in order to place it under the operation of the new law rather than the old one in the sale of liquor. Should the election be ordered and the county go wet, the joke would be on the bootleggers.—Lufkin News.

Why should you be troubled or disturbed which way the "cat jumps" in Nacogdoches county so long as "booze" may be picked up on the streets of Lufkin? It is no wonder that we have an occasional bootlegger invade our sacred precincts while there is such a generous supply so near. Let us suggest that you clean around your own door—and clean up the streets—before you throw any more stones, dear Alphonse.

### COURTMARTIAL OF MUTINOUS NEGROES

San Antonio, Texas, Oct. 20.—Three brigadier generals, George K. Hunter, Joseph Gaston and R. A. Richards have been named members of the courtmartial which will open in the post chapel at Fort Sam Houston, November 1 to try 63 of the 24th infantry, charged with murder and mutiny as a result of the riots in Houston August 23 last, in which 17 persons were killed.

The negroes, under heavy guard, are expected to arrive from El Paso at Fort Sam Houston Sunday morning. Other members of the court, named in the official announcement of the courtmartial Saturday are:

Colonel E. A. Millard, 3rd field artillery; Colonel A. C. McComb, 14th cavalry; Colonel S. R. H. Tompkins, 7th cavalry; Colonel J. C. Manly, medical corps; Lieutenant Colonel J. J. Hornbrook, 17th cavalry; Lieutenant Colonel O. B. Myer, 14th cavalry; Lieutenant Colonel Charles J. Symonds, 6th cavalry.

Colonel J. A. Hull will be judge advocate and Colonel D. V. Sutphin assistant. Major Harry S. Grier will be counsel for the defendants. The trial will be public.

A separate courtmartial will be held at Fort Bliss probably at the same time for approximately six negroes, also of the 24th, charged with minor offenses in connection with the mutiny.

### SOLDIER'S IMPRESSION OF ARMY.

No more ham and eggs or grapefruit,  
When the bugle blows for show,  
No more apple pie or dump-lings,  
For we are in the army now.

And they feed us beans for breakfast,  
And at noon we get them too,  
And at night they fill our insides  
With good old army stew.

No more fizz or whiskey high-balls  
When we get an awful thirst,<  
Thinking of enlisting,  
Then get used to water first.

For the heels on tight all over,  
And the drilling makes us warm,  
But we can't cool off on liquor  
'Cause we wear the uniform.

No more shirts of silk or linen  
For we all wear O. D. stuff,  
No more night shirts or pajamas  
For our pants are good enough.

No more feather ticks or pillows,  
But we are glad to thank the Lord

That we got a cot and blankets  
When we might have just a board.

For they feed us beans for breakfast,  
And at noon we get them too,  
Then at night they fill our insides  
With good old army stew.

But, by jinks, we'll lick the Kaiser,  
When the Regulars teach us how,  
For, damn him, he's the reason  
We are in the army now.

### DISTINGUISHED VISITORS HERE FROM LUFKIN

Nacogdoches was honored with a visit from a party of distinguished gentlemen from Lufkin today, who came up to attend the Good Roads meeting. In the party were Hon. K. Morgan, mayor of Lufkin; Hon. D. A. Singleton, ex-mayor and a prominent business man of the neighbor city; Hon. J. F. Davis, civil engineer of the County, and Hon. Pete Albrifton, known as one of the most progressive Ford agents in East Texas, and a live-wire in all affairs that pertain to his county and East Texas.

The gentlemen made The Sentinel a most pleasant call while here, and we greatly enjoyed their visit. They represent the progressive citizenship of our neighbor across the creek, and while we may "fuss" about standpipes, etc., occasionally, the progressive citizenship of Lufkin and the progressive citizenship of Nacogdoches are always ready to line up as one man when there is anything of community interest that engages attention, and we are neighbors and friends.

The Sentinel was pleased to learn from Mayor Morgan that plans are under advisement for a better road between the two towns. Mr. Morgan says that the people of his county are waiting to get approved plans and build a road of the approved, permanent kind, and that they are ready to go forward in road improvement when the opportunity affords. The people of Lufkin are also alive to the importance of the two towns securing a share of the public highways while they are being distributed, and can be depended upon to do their part.

The prohibition "drouth" is now threatening Austin, the capitol city of the great Lone Star State.

#### FROM WALNUT GROVE.

Special to The Sentinel. The health of our community is fine at present.

The farmers are busy with their peanuts and potatoes; they are all well-pleased, as a fine crop was grown of each.

Mr. John Strickland of Douglas, Arizona, is here visiting relatives.

The young folks of our community attended a box supper at Mt. Olive, Thursday night. All report a nice time, and that a nice sum was made for the purchase of school supplies.

School opened here Monday, with Miss Gladys Turner and Miss Charlie Hall as teachers.

Most of the pupils were enrolled, as school was put off two weeks on account of cotton picking. We were much encouraged when a nice crowd of patrons and trustees met with us and made interesting talks. Rev. Acrey of Martinsville opened the school with prayer. After the school sung a couple of appropriate songs, educational talks were delivered by Miss Mae Smith and Mr. C. H. Carroll.

The association which met with our church Friday, Saturday and Sunday was a grand success. There were delegates from all the churches, each church sending in a good report. Mr. W. W. Barton and family

spent Saturday and Sunday at Mr. B. W. Smith's.

The Death Angel visited the home of Mr. and Mrs. Eldridge Brown Friday morning, and took from them their little girl, four years old. Her death was caused from congestion, she being sick only a few hours.

#### HAT OF PINE STRAW PRODUCED IN ANGELINA

Lufkin, Texas.—E. D. Evans, one of Angelina county's oldest and most respected citizens, father of Sheriff W. L. Evans of this city, was here this week, and had in his possession a hat that he had made from pine straw. It was complete in every respect, the straw being beautifully colored and the crown and brim evenly finished and perfectly shaped. Mr. Evans stated that he learned the art of making hats from pine straw during the civil war, when necessity forced him to it and he is now doing his bit in winning the war with Germany by going back to pioneer days and making hats again. The fact that turpentine in the straw keeps out the rain makes it the more profitable.

#### FROM DR. TINDALL.

Field Hospital, Douglas, Arizona, Oct. 14, 1917.—Please put me on the daily roll instead of the weekly as I like to read the news from home fresh from the reel.

I am liking here fine. Have lots of work to do. I have the entire care of J. ward, which is eye, ear, nose and throat cases, also the clinic for same, which works me very diligently from 9:00 a. m. to 4:00 p. m. Also the laboratory work.

I had quite a commotion among my patients last night about 2 o'clock when the Mounted Military Police Squad discovered a band of civilized Mexicans which they called to halt, and who tried to make their get-away. The rifles began to pop, and one ball passed through the roof of my ward and was picked up by one of the attendants.

I have about fifty patients to look after daily which keeps me too busy to get homesick.

This is a delightful climate so far, and I feel well.

**LIBERTY LOAN TELEGRAM.**

Dallas, Texas, Oct. 17, 1917.  
 Special to The Sentinel.  
 "Germany will beat us, and we will deserve to be beaten, unless we wake up," said F. P. Clayton of New York, addressing six thousand people at a meeting today at Dallas. Continuing, the speaker said: "The need of our boys, our government and our allies is money. They do not need our bravery—they have plenty of their own. What they want, and what they must have, is money." The speaker lashed unmercifully the man who says, "I can do better with my money than buying liberty bonds." He said: "Suppose everyone talked this way, the loan would fail, our allies, our soldiers, would be disheartened. Who knows but that our allies, weakened financially and physically by years, should let the enemy overpower them, and remember if they do get by, they will be in New York and Galveston harbors within a week. You think I am talking nonsense, had I told you four years ago that this war would have happened, you would have called me a mad man. Had I told you that the war with all its horrors would last three years, you would have laughed at me. Had I told you that Uncle Sam would call upon the patriotism of the people of this city and district, and that for three weeks they would make no response, you would have been indignant and have hissed me off this platform. Yet all these things have happened, and I tell you that Germany's invasion with a conquest, paralysis of trade, country-wide employment, and taxes which stagger the imagination are not merely possibilities, they are probabilities unless you wake up. I implore you for the sake of your business, your children, you home, our country, and humanity, to wake up!"

**Chamberlain's Cough Remedy the Most Reliable.**  
 After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. We find it to be the most reliable cough medicine we have used."

**HOOVER BLAMES RETAIL DEALERS**  
 Washington, Oct. 18.—Food Administrator Hoover announced today that subject to co-operation from the farmers and retailers the corner has now been turned in high prices for food.  
 He said retail prices had not come down to conform to wholesale reductions and that was a matter for public sentiment to correct.

**Sour Stomach.**  
 Eat slowly, masticate your food thoroughly, abstain from meat a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.

**DESERVES A GOLD MEDAL FOR THIS**

Cincinnati authority tells how to dry up any corn or callus so it lifts right off.

You corn-pestered men and women need suffer no longer. Wear the shoe that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without a bit of pain.

A quarter of an ounce of freezone costs very little at any drug store, but is sufficient to take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to inflame or even irritate the surrounding skin.

If your wife wears high heels she will be glad to know of this.

**38 MILLION MEN ARE UNDER ARMS**

Washington, Oct. 22.—At least 38,000,000 men are bearing arms in the war—27,500,000 on the side of the world allies and 10,600,000 on the side of the central powers, according to latest war department compilations from published reports in various countries. These figures do not include naval personnel strength, which would raise the total several millions.

Against Germany's 7,000,000, Austria's 3,000,000, Turkey's 3,000,000 are arrayed the following armed forces:

Russia's 9,000,000, France, 6,000,000; Great Britain, 5,000,000; Italy, 3,000,000; Japan, 1,400,000; United States, more than 1,000,000; China, 541,000; Roumania, 320,000; Serbia, 300,000; Belgium, 300,000; Greece, 200,000; Portugal, 200,000; Montenegro, 40,000; Siam, 35,000; Cuba, 11,000 and Liberia, 40,000. San Marino and Panama also have small forces under arms.

Military experts do not regard these figures as entirely accurate, but believe they represent in round numbers the comparative strengths of the contending armies as published recently.

**GOOD ROADS MEETING HAS BEEN POSTPONED**

Fort Worth, Tex., Oct. 20, 1917. T. E. Baker.

Nacogdoches, Texas. Will have to postpone road meeting until one week from Tuesday, which will be the 30th of this month. Arrangements had already been made for me next week in West Texas. This will enable you to get all the publicity you want for the meeting.

E. J. HERNAN, National Highway Association. The above telegram to our townsman, Mr. T. E. Baker, is self-explanatory, and the people interested in the matter will make their arrangements accordingly.

We should make it a record rally day for the people of Nacogdoches county for the reason that it is one of the most important matters that have been before us in many years, and if we should fail to carry out the good purposes of the meeting, would give us a set back that it would take many years to overcome.

Many people will be here from other towns, and it is of paramount importance that the people of this county rally and arouse an interest and inspiration that will carry us forward to victory in securing one or more of the government highways.

**MRS. MARTHA ALLEN GAINED 33 POUNDS**

Had Rheumatism So Bad Could Hardly Walk—Tanlac Overcomes It.

One of the most interesting and remarkable statements yet made in connection with Tanlac, the medicine that is accomplishing such surprising and gratifying results, was given by Mrs. Martha Allen when the Tanlac representative called by special invitation at her residence, 1820 North Pearl street, Dallas, recently. In relating her experience with Tanlac, Mrs. Allen said:

"When I began taking Tanlac last July a year ago, I had been suffering for some time with an attack of rheumatism which involved both my lower limbs and feet. The pain was so intense I just can't describe it, I could scarcely walk and had to just hobble around. I was extremely nervous and suffered so I could hardly sleep at all and many a night I would roll and tumble all night long. Linctament and medicines failed to do me any good, I lost flesh until I weighed only a little more than a hundred pounds and suffered almost continually.

"I then bought Tanlac, as I had been reading about it for some time, and after taking a few bottles regularly, every sign of the rheumatism left me. Tanlac not only restored my health, but when I weighed I was delighted to find that I had gained thirty-three pounds, which put me back to my regular weight. That was a year and a half ago and I have been perfectly sound and well ever since until this past January when I had an attack of grippe. I lost my appetite, became very nervous and also fell off some in weight.

"Well, I bought Tanlac again and after using it a few days, my grippe, indigestion and nervousness were all gone and I also regained the little weight I had lost. I eat anything I want now, I can enjoy a large steak without it hurting me a particle, and I don't suffer from the gas or any other bad feelings after my meals. I sleep fine and restful and I believe I feel better now than I ever felt. I will always praise Tanlac, and why shouldn't I? I tried everything else and found no relief until I took it and my case shows Tanlac not only brings relief but its work is lasting. Now, I don't like publicity, but I feel that I am only doing my duty to suffering humanity in making this statement. My phone number is Main 3089 and if anyone will call me, I will take pleasure in telling them about what a grand medicine I have found Tanlac to be and the good health I have enjoyed ever since I took it."

Tanlac is sold in Nacogdoches by Stripling, Haselwood & Co., and Swift Bros. & Smith, in Garrison by Garrison Drug Co., in Appleby by Weatherly Bros. and in Sacul by Arkan Cranford.

J. W. McBride, one of The Sentinel's good friends from the Melrose country, was a pleasant caller at the office Tuesday afternoon.

**MAY ENROLL ALL MEDICAL MEN**

Chicago, Oct. 23.—Enrollment of every physician and surgeon in the United States, without regard to the state of his finances or dependents for employment in some form during the war is a probability, according to discussions which preceded the opening today of the eighth annual session of the Clinical Congress of Surgeons. More than 2500 surgeons prominent in this country and in Great Britain and France are in attendance at the clinic, which is to discuss how the United States may best care for its men injured during the war.

**Mrs. Smith Recommends Chamberlain's Tablets.**

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N. Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.

Down the vault of time these words ring out again on Liberty Loan Day, 1917, as true, as pertinent and as meaningful as the day they were first uttered. Time has proven the true greatness, the true understanding possessed by these noble and capable men. Fellow citizens, will you heed the advice of the men who made this country? From the grave they call to you to save yourselves from defeat by financing this war. From the grave they call to you to heed the warning that you must pay in attendance at the clinic, which is to discuss how the United States may best care for its men injured during the war.

**ROOSEVELT LONG AGO LOST SIGHT OF ONE EYE**

Stamford, Conn., Oct. 22.—Colonel Theodore Roosevelt, who is finishing a fortnight's training at a rest camp here, yesterday received a delegation of newspaper men and stated that his stay at the camp was simply for relaxation. He refused to talk about the war or New York mayoralty politics. Mayor Mitchell was one of his guests to return to Oyster Bay Tuesday next. Colonel Roosevelt in telling of his boxing exploits of former times made the disclosure that since he retired from the White House he has not had the sight of his left eye, as the result of a blow received in a friendly boxing match in the White House gymnasium. "I don't think many persons know this," he said, "but the fact I was having a lively bout one day with a husky young captain of artillery when he, crossing me with a hard right swing, landed on my left eye. The punch broke some of the blood vessels of the eye and I have not seen from it since."

**CATARRHAL DEAFNESS CAN NOT BE CURED**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be restored to its normal condition, hearing will be destroyed forever. Many cases of an inflamed condition of the mucous surfaces, Hall's Catarrh Medicine acts through the blood on the mucous surfaces of the system.

**ADVANTAGES OF THE ARMY LIFE**

The following letter was received by one of the Coast Artillery Regiments, Navy Department, Washington, D. C., Oct. 19, 1917. It is being published by request of the recipient, feeling that it would like to share the good and helpful things it contains with others who are interested in the welfare of the soldiers. It was written by Dr. J. B. Gambrell, Sec. Secretary of the Executive Board of the Baptist General Convention, who served four years in the army of Northern Virginia under General Robert E. Lee.

Dear Sir:

Through your good mother, I have heard of your whereabouts and, because I know your father and mother, and other kin people, and because I have a deep interest in soldiers, I am writing to you something about soldier life.

I honor you for enlisting in your country's service. You have done what every true American young man ought to do. I myself, have a son in the army. I was, for four years a soldier in the Confederate Army, and you will allow me to write to you freely about soldier life.

First of all the army is a great school. I think I got for myself, out of the four years I was in the Confederate army, more than I ever got out of my other four years of my life. I got discipline and a wider acquaintance with the world. I got experience in self-control and a general strengthening of my character. Every soldier can get these.

But I saw many of my comrades, out of good families, and some of them church members, throw away their opportunities, weaken their character by wicked indulgences. I started out with a firm resolve that I would not go, even a short step, in the wrong direction. I would not learn to play cards. I would not take even a taste of liquor; I would not allow myself to go with the wicked and vulgar. I kept two books with me all of the time—the bible and Shakespeare. I read many other books as I could get them, but I studied these two books and they wonderfully helped me, and have been helping me ever since.

In my company, there was a number of fine christian boys. We congregated together. I never missed a chance to go to a religious service, and in many ways we helped each other to live like we ought. So that when I came out of the army, I came out strengthened physically, mentally and spiritually.

I am judging that the army now has about the same temptations that it had then, and I am sure there is the same open road to the higher and better life. I am writing to many of my soldier friends, begging them to commit themselves, irrevocably to the right thing. I would have every American soldier to be a gentleman in the highest sense; I would have him to be a christian, and I would have him to be as stainless in his private life as the best of our young men were before they went into the army. All of that is possible.

My friend, you will find, that you help yourself in the right way by trying to help somebody else. It is always that way. If you will try to steady some wavering comrade and hold him to the right path, you, yourself, will be stronger for it.

I have a great personal pride in our soldiers. I want them to be the finest men in any army in the world. I want them to reflect the best feelings, the best raising, the best principles of our best homes whether they are in

**THE OPEN SEASON.**  
The "open season" in which people are allowed to hunt and kill game is as follows:  
Deer—Nov. and Dec. limit of three bucks.  
Wild turkey—December 1st to March 31st, limit three.  
Doves—September 1st to February 28th, limit fifteen per day.  
Quail—December 1st to January 31st, limit of fifteen per day.  
Squirrel season will close January 1st to July 1st.  
The county game warden will insist on a strict observance of the game law, and it is at his instance that this notice is published so that all may be advised of the dates.

**Women Have Their Troubles.**  
Not only middle-aged women but younger ones, too, suffer from backache, pains in side, swollen ankles, sore muscles, rheumatic pains and knotted ailments without knowing that these are most often the result of deranged or overworked kidneys. Foley Kidney Pills are good medicine for kidney trouble. Stripling, Haselwood & Co. dw1

**MARRIED AT COURT HOUSE**  
Mr. Jno. W. Stone and Miss Ardella Rice, a popular couple of young people of the Harmony community, were married at the court house yesterday afternoon, Judge J. F. Perritte officiating. The Sentinel joins the friends of the happy couple in congratulations and good wishes.

**EVER SALIVATED BY CALOMEL? HORRIBLE!**  
Calomel is quicksilver and acts like dynamite on your liver.  
Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system. When you feel listless, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't grip.

**AN AMERICAN SHIP SUNK BY SUBMARINE**

Seventy Lives Lost in Destruction of Transport Anilles, Homeward Bound.  
Washington, Oct. 19.—The American army transport Anilles, homewardbound, under convoy, was torpedoed and sunk by a German submarine in the war zone Wednesday. About 70 men are missing and probably lost.

All the army and navy officers aboard and the ship's master were among the 167 survivors. The missing are members of the crew, three civilian engineers, some enlisted men of the navy, and 17 of 33 soldiers returning home for various reasons.

Neither the submarine nor torpedo were seen, and the transport, hit squarely amidships, sank in five minutes. This tragedy of the sea, the first in which an American ship engaged in war duty has been lost, is the first of its magnitude to bring home to the United States the rigors of war in which they have engaged against Germany. It carries the largest casualty list of the war of American lives, and marks the first success of German attacks on American transports.

That the loss of life was not greater is due to the safeguards with which the navy has surrounded the transport service and the quick rescue work of the convoying warships.

**LEMON JUICE IS FRECKLE REMOVER**

Girls! Make this cheap beauty lotion to clear and whiten your skin.  
Squeeze the juice of two fresh lemons into a bottle containing three ounces of orchard white, shake well and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier at very, very small cost.  
Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear, and how clear, soft and white the skin becomes. Yes! it is harmless. 97

**Worth Their Weight in Gold.**  
No man can do his best when suffering from backache, rheumatic pains, swollen joints or sore muscles. B. H. Stone, 840 N. 2d St., Reading, Pa., writes: "For months I was unable to attend to business. I used Foley Kidney Pills and soon the pains and aches were gone. They are worth their weight in gold to me." Stripling, Haselwood & Co. dw1

The Sentinel learns that the local exemption board and friends of Link Simpson secured his honorable discharge from the Coast Artillery Co. that he might return to his mother and sister who were recently robbed of father and husband in the death of Mr. Gus Simpson, and who have no other male relatives that could come to them at this time. This was a noble act on the part of the board and friends of the family, and on the part of the young man whose first duty would be to his family.

**THE ODD FELLOWS BUY LIBERTY BONDS**  
The Sentinel is informed that at the meeting last night, the Odd Fellows voted to purchase \$200 worth of liberty bonds. This noble order purchased \$300 worth of the first issue thus making \$500 they have subscribed to help their country in its time of need.

**The Whole Neighborhood Knows**  
Mrs. Anna Pelzer, 2526 Jefferson St., So. Omaha, Neb., writes: "Foley's Honey and Tar cured my daughter of a bad cold. **THE C. C. CLUB BUYS LIBERTY BONDS**  
The C. C. Club, one of the most patriotic organizations we have among the ladies, is subscribing for a hundred dollars worth of liberty bonds.

It was this club that saved the old Stone Fort, rebuilding it on the school campus when business demands forced it off the public square, and in this service they saved the richest treasure we have in the history of the town.  
All honor to the ladies of the C. C. Club.

Dear Sir:— You asked me how I was pleased with my Delco Light Plant. Will say that I am highly pleased with it. It makes so fine light—the very best. Simple in operation and the cost of running expenses is practically nothing compared with the service it gives. I have run my lights, fans and iron for 5 days and nights on one charge of the batteries without running the engine, with good lights and I could have run a week. Anyone will make no mistake when they buy the Delco Light. I would not take twice what my plant cost me if I couldn't get another like it. You can use my name for reference.

**DRAFT SLACKERS ARE TO BE COLLECTIVELY**

San Francisco, Oct. 17.—Evaluators of the selective draft are to be court-martialed hereafter, Major General Arthur Murray, commanding the western department of the army, announced after a detail of troops from Fort Winfield Scott took three alleged draft slacker from the coast room of United States Cavalry, Major Francis K. Roll here Wednesday. The men were taken to Fort Scott where they will face the military court appointed by General Murray.

General Murray said the men must serve sentences ranging from six months to two years in solitary confinement if they are found guilty.

**Makes Good in the North.**

**THE ARMOUR COMPANY PURCHASES BONDS**

From Mr. W. I. Baker, local manager, The Sentinel gets the information that the Armour Packing Co., is subscribing for six million dollars worth of liberty bonds, to be distributed with its various houses over the country, and that this would give Nacogdoches credit for about one thousand dollars on its quota. This is a good help in time of need.

# NERVOUSNESS AND BLUES

## Symptoms of More Serious Sickness.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham medicine."—Mrs. ROBT. BROWNE, Sage Avenue, Washington Park, Illinois.

If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

### FROM PAUL PERKINS.

Daily Sentinel: The sale of liberty bonds in our company amounts to \$6,020, up to date. The sale of bonds for the eight companies stationed at the fort amounts to \$55,700.00 to date. This last figure will be much larger when the sale of bonds closes next Wednesday, because none of the officers have bought bonds yet. They have been too busy selling them. All of them will buy bonds before the sale closes.

Mr. A. H. Smith writes me that the people in Nacogdoches county are not buying bonds as they should, and it seems that Texas is going to fall behind. The boys in our company are urging their parents and friends at home to do their part. There is much prosperity in the country now, and Uncle Sam needs money. Some people say, "well I gave my son and that ought to be enough." The soldiers have already given themselves, and are lending from one-half to two-thirds of their salary to our government.

Sergeant Link Simpson was needed very much in our company, and we miss him. He got an honorable discharge, because his mother needs him.

Sincerely,  
Sergeant Paul R. Perkins,  
Co. 7, C. A. C., Galveston, Texas.

### MILLERS MAY BUY AUSTRALIAN WHEAT

Fort Worth, Texas, Oct. 18.—Texas millers will import 1,000,000 bushels of wheat from Australia, if any, says Frank Kell, of Wichita Falls, here at the millers' conference, in order to reduce the price of flour and to keep the Texas plants running.

Texas farmers, says Kell, will not sell. Therefore, it will be necessary to get the raw material from abroad. This grain, continued Kell, can be converted into flour here and shipped to Liverpool cheaper than the British government which owns the Australian wheat, can mill it either in Australia or in England.

### "CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like a bag in a swill barrel. That's the first step to untold misery—indigestion, flat gases, bad breath, yellow skin, and fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out morning. They work so fast you can keep you feeling.

### LIBERTY LOAN TELEGRAM.

Special to The Sentinel: Dallas, Texas, Oct. 19, 1917.—We ask your most earnest attention to the appeal which follows because it deals with one of the great factors which is going to decide the success or non-success of the Liberty Loan.

The greatest peril to the Liberty Loan is the attitude of the wealthy man who says "I can do better with my money than buying liberty bonds." There are thousands of wealthy men who are buying liberty bonds in thousand-dollar denominations who should purchase one hundred thousand dollars worth, and who admit frankly that they would purchase bonds to the last mentioned amount if they were not subject to income surtax. These men should realize that without their help the loan will fail. Then surely as night follows day, the government will increase their surtaxes to a point that will take away the best part of their income, for the government will surely get after the big man for the big amounts. The government, in the presence of confiscation as exemplified in the case of these wealthy men, is nothing but sound common sense—business sense—for this class of men to wake up and realize that he has but a few days in which to make up his mind whether he will loan his wealth or have it confiscated. Must we be dishonored as a nation; must our allies fail for lack of financial support; must our sons die forsaken by their country because certain men cannot be relieved from taxation? Sacrifice, only will win this war. We call upon men of wealth to forget immediate percentage and to exercise their vision. The whole industrial and commercial fabric rests upon their realization of the necessity of winning this war at any cost.

J. W. HOOPES,  
Dep. Gov. Fed. Reserve Bank.

### HOBBY SIGNS BILL ON IMPEACHMENT

Austin, Texas, Oct. 18.—Governor Hobby today signed the house impeachment bill passed at the last special session, which provides for the calling of the house by the speaker with the written consent of 50 members for the purpose of considering impeachment proceedings against state officials, heads of departments and institutions and members of boards, including members of the board of regents of the university. This bill becomes effective December 28.

The governor also approved two other bills, being the bill to prevent the diversion of electric current, water or gas, known as the Nordhaus bill, and the bill regulating emigrant agents and bureau and defining licensed emigrant agents. These two bills also become effective on December 28.

The bill making an appropriation for the State Training School at Gatesville, which carries \$223,930 for the first and \$144,430 for the second fiscal year, was filed in the secretary of state's department without the signature of the governor. No statement was made for the action of the chief executive in not signing the bill. It becomes a law without his signature. The governor has now disposed of all bills passed at the last special session of the legislature.

### 60-CENT COTTON NEW-HIGH RECORD

Clarksville, Texas, Oct. 18.—The price of long staple cotton, which for several weeks has been breaking all previous local records, reached a new high mark this morning, when a bale was sold for 60 cents a pound.

### VITAL STATISTICS MUST BE FILED

A law was passed in 1911 providing for the filing of all birth and death statistics with the county clerk by the attending physician, and penalty is provided for any who fail. Heretofore there has been much neglect in this line—not intentional, doubtless, but neglect, nevertheless, and the department is now pinning down on the county clerks so tightly that they must insist on all doctors making these returns promptly in the future.

For the information of those concerned in the matter, County Clerk Orton requests The Sentinel to publish the following communication which has been sent to him for his guidance, which every doctor should read carefully, and co-operate in future to avoid the embarrassment that will follow in failure to observe the conditions laid down:

This bureau is in receipt of certificates which bear the filing date of August, 1917, but on which the date of death or birth as the case might be, shows that the birth or the death occurred prior to August 1, 1917, and some of these certificates bear the date as far back as January, 1917. The Attorney General's Department advises me that it would be a violation of the law to approve an account payable to the county clerk or city health officer for fees for certificates, which are not filed with him within the time limit prescribed by the Sanitary Code, passed in 1911. The statutes prescribe that a birth certificate shall be filed before the burial permit is issued; and that the local registrar shall transmit all original certificates to this department on or before the 10th of the month following. Therefore, the certificates which bear the date of birth or death prior to the first of August, which reach this department with the August certificates are not legal and the fee cannot be allowed.

Please remember that your name must be on each certificate with the filing date, retain all certificates whether complete or not, notify those that file incomplete certificates that they have not complied with the law and are liable to prosecution and that they must file a complete certificate. The incomplete certificate is all the evidence necessary for prosecution.

As to birth certificates: When the child is not named within five days after the birth the word "Unnamed," in Item 2, will be accepted as complete. When a child is illegitimate and the mother will not give the name of father, write "Not given" in Items 6, 7, 8, 9, and 10. In order to name the child, mark certificates "supplemental" give date and place of birth, name of parents and sign in the lower left hand corner with date of filing.

Items 3, 12, 13, and 19 must be filled. When checked "Unknown" or left blank the certificate is not complete and the maiden name of mother must be given in full, her maiden name does not contain her husband's name. The word "born" in Item 19 does not complete the record.

As to Death Certificates: Where the deceased is non-resident or died in an institution, Item 18 must be filled. If stamp "Non-resident" is used Stamp 18. In certificates for children Item 8 may be omitted. Tendance call in a coroner or a justice of the peace and let him decide upon the cause of death and sign Item 16 before the certificate is accepted or the burial permit is issued. The word "Unknown" will not be accepted as completing Items 1, 3, 4, 14, 15, 16, 17, 18, 19, or 20.

There is a marked improvement in the quality of certificates being filed, though some registrars are paying no attention to the law. Your county attorney has been asked to prosecute all violation and with your assistance the registrar need not be worried with the completion of certificates for it is the duty of the doctor and the undertaker to complete them and file them within the time limit. Let me ask you to read the instructions sent you. We are as lenient as the law will allow for we want you to get the fees for your work and we will be glad for you to tell us how we can assist you. Be sure to get the doctor's undertakers' and the informant's address.

### MARRIED HERE.

The following report of the marriage of a Timpson girl to a young man from Weatherford, which occurred in this city, is taken from Friday's issue of the Timpson Times:

"Miss Lenora Fenn of this city and Mr. Francis Caldwell Leach of Weatherford, were united in marriage last Wednesday afternoon at Nacogdoches. Rev. C. A. Westbrook of Nacogdoches performing the ceremony. The couple were accompanied to Nacogdoches by the Fenn family, Strout Kelley, Joe Blain of Weatherford, Mrs. E. J. Peters of Dallas, and Mrs. F. J. Ragley and children. From Nacogdoches the happy couple left for Dallas, where they will attend the State fair, and from there they will go to Fort Worth and Weatherford, where they will spend a few days before returning to Timpson.

The bride is the youngest daughter of Mr. and Mrs. W. C. Fenn of this city. She has grown to young womanhood in this city and has countless friends.

"The groom is well known in this city. He has been in Timpson the past two seasons buying cotton for Neal P. Anderson and Co., of Fort Worth, Texas, and it was during his stay here that he met and won the girl of his choice.

"The best wishes of Timpson people are extended to Mr. and Mrs. Leach."

Dr. Hardeman was in the city today looking after some business interests and shaking hands with friends.

### GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, fret or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

### Young Folks Here is Your Opportunity to Economize

Pick scraps of time from the waste basket, turn them into dollars; earn while you learn by taking a money back guaranteed course of bookkeeping, shorthand, business law, business english, business arithmetic, salesmanship, advertising or business writing through our correspondence department. We secure satisfactory results or refund tuition. All tuition paid on correspondence course is credited on personal course if the student desires to finish in our school. In other words, the instructions received in the correspondence course costs you absolutely nothing where a scholarship is bought later for personal work. Many find it to their advantage, even where they intend to take personal work later to first enroll for correspondence work and utilize their spare moments until they are ready to enter since it costs nothing extra. This often saves them a couple of months' time and hours in school on personal work, and enables them to leave college and accept a good position two months earlier. Others take the correspondence course, finish it, and accept a position without entering school.

We use our original copyrighted methods. We make every subject practical and interesting from start to finish; give every lesson personal attention and personal reply. Our courses are practical and interesting by correspondence. We have taught hundreds successfully and know we can teach you or we would not guarantee to refund your money. Why continue wasting your spare moments? Turn them into knowledge and make them earn you dollars and serve your country. You can't afford to idly dream away your time while your country is calling for help to handle the increased office work caused by this World War.

Do not neglect the warnings of nature. If your appetite is poor, breath bad, tongue coated, you will be sick, unless you take steps to put your system in good condition. Prickly Ash Bitters is the remedy you need. It purifies the bowels, strengthens digestion and regulates the liver. Price \$1.25 per bottle, Stripling, Haselwood & Co., Special Agents.

LOST—Brindle cow, white spot in face, also yearling calf about 6 months old. Left Shawnee community about 3 weeks ago. Reward for return to Howard Daniel, at Decoy, Tex. 1

J. R. Shaddon, one of the Sentinel's Mayotown friends was a pleasant caller at the office Tuesday afternoon.

A burning sensation in the throat and chest means bad digestion; and digestive trouble is the starting point for many diseases, particularly kidney diseases. Better take Prickly Ash Bitters and put your stomach and digestion in sound condition before serious trouble begins. Prickly Ash Bitters, Haselwood & Co., Special Agents. Price \$1.25 per bottle, both town and country.

When the reach is bad and the appetite disordered, Prickly Ash Bitters is the remedy needed. It purifies the stomach, liver and bowels, sweetens the breath, promotes vigor and cheerfulness. Price \$1.25 per bottle. Stripling, Haselwood & Co., Special Agents.

Missrs. Holland Smith, O. C. Whitaker, Isaac D. Mayfield, John Scoggins and J. E. Tillery with Co. No. 7, known as the Coast Artillery Co., organized here, have been visiting with relatives and friends in the county a day or two. Some of them returned home last night, and others will go tonight. They look fine, and report the other boys to be getting along nicely.

Dr. J. C. Harpham, a specialist who has previously been advertising his coming to this city, has arrived, and people are finding him to be a very pleasant gentleman.

Mr. and Mrs. Ed. C. Smith of Center have been visiting in the city today. Mr. Smith is a real estate man, and as such is a close observer of conditions and any feature that makes a city more attractive. This being true makes the pretty Stripling, Haselwood & Co., Special Agents, both town and country, more interesting.

**The Old Reliable Specialist**

**The Greatest blessing to Suffering Humanity is to Heal the Sick**

**Good Health** makes you equal to any emergency. Diseases unfit you for the ordinary duties of life. If any disease is sapping your vitality or life away—if you are the victim of any chronic ailments, consult the doctor at once, as it costs you nothing for consultation or examination.

**By His Method and System of Treatment** no more operations for Tumors, Gall Stones, Chronic Appendicitis, Goitre, Hydrocele, Adenoids, Tonsils, Diseases of Women, Leg Ulcers, Rupture, Piles, and Cancer. We do away with chloroform and knife in the treatment and cure of these serious and painful diseases.

**Eye and Ear Diseases** If you have Cataracts, Granulated Lids, Weak or Sore Eyes of any kind, Headache from eye strain, weak or failing eyesight, don't neglect yourself and go blind. **Save your eyes!** If you are deaf or hard of hearing from catarrhal deafness let the doctor test the nerves of your ears. If they are not dead or paralyzed he can make you hear better in five minutes. You will know for yourself. Will you believe the evidence of your own ears? That is all we ask. **Save your ears!**

**Index of Diseases** Stomach, Liver, Blood, Nerves, Skin, Rheumatism, Stiff Joints, Chronic Catarrh, selected cases of Epilepsy, Dropsy, Neuralgia, Scrofula, Erysipelas, Skin Diseases, Tetter, Eczema, Warts, Moles, Blood filled Tumors and Skin Cancers. Asthma sufferers should not fail to call, the latest treatment given with best results. Underdeveloped children, those of slow growth, slow to walk, slow to talk, fits, bedwetting. Female diseases of irregular and painful menstruation, nervous exhaustion, kidney and bladder troubles, reflex heart disease. Constipation is a very dangerous condition, as it paves the way for many serious and fatal diseases, such as internal ulcers, abscesses, congestions, inflammation and tumors.

**Death Lurks in a Weak Heart** Does your heart flutter, palpitate or skip beats? Have you dizziness or fainting spells, shortness of breath, oppressed feeling in chest, choking or smothering sensation, difficult breathing, weak spells, swelling of feet or ankles, pain around the heart? If you have one or more of the above symptoms, don't neglect yourself any longer.

**Are You Sick?** is some deadly diseases dragging you down to the grave; do you lack the energy, vim, vigor, and "go" that makes life worth the living? Then don't neglect yourself and drift with disease. No matter what disease may be, it will be to your advantage to visit the **Old Reliable Specialist**. Consult him at once, he will give you a fair, square deal; he has possibly had more experience and success than nine out of ten physicians in his long practice of over forty years in the treatment and cure of Chronic Diseases.

**Words of Warning; Listen!** There is a vast army suffering with Chronic Diseases marching to an untimely grave—a life cut short—because of neglect. If some disease is sapping your vitality or life away—if you lack the energy or vigor that makes life worth living, don't neglect this opportunity of being cured.

**Remember That We Charge Nothing For Examination or Consultation**

**Right Now!**
