

WEDNESDAY, APRIL 20, 1966

Bovina, Texas

VOL X, NO. 42

WHITTLIN'

By DOLPH MOTEN

Congressman Walter Rogers, who was here Saturday for the dedication of the new post office, stands out in a crowd without being stand out-ish. Even in a group of important people, and all groups are, the Congressman can be recognized even if you didn't know him beforehand, we daresay.

He has an air of confidence about him which he instills in others.

He has the ability to handle the complaints and expressions of dissatisfaction of taxpayers and voters with the ease of a major league shortstop handling a routine ground ball.

He has an attentive ear for everyone with a problem and leaves people better satisfied for having a discussion with him.

Needless to say, we have a great admiration for Congressman Rogers and his ability to be elected, time after time, even though he is almost constantly opposed by a strong candidate representing a minority force.

Being a congressman is no easy chore anywhere, we'd guess, but we can't help but believe that his job is harder than that of some of his colleagues because of the diversified thinking of the people in Rogers' district. A man has to "get up early" to please the North Plains oil and gas man and the South Plains farmer all at the same time.

To keep all the voters happy would be impossible, of course, but it's amazing to us that one man is able to keep a majority of the voters casting ballots in his favor ever two years.

We don't agree with Walter Rogers on every issue, but that certainly doesn't keep him from being a great representative for the people of this district in Washington.

Voters will do well to keep in mind what a good job he's doing, and has done, when they go to the polls next November.

At least weekly and maybe more often than that, the postal service which Congressman Rogers praised in his address here Saturday brings some derogatory remarks about him from his Republican opponent. We look most of them over, but have yet to be impressed with the points which are attempting to be made.

With all due respect to the others, Congressman Rogers is probably the most popular legislator in Parmer County. We are proud he was the main speaker at the post office dedication.

For this week, we turned the drought stories over to Weatherman Willie Williams. You'll notice, if you haven't already, a couple of brief ones in his feature this week.

There'll be more stories, as we mentioned last week, if it doesn't rain soon. We'd rather have a good moisture report than drought stories, but at least the bits of wit add spice to an otherwise dull drizzle.

Four-bit pieces are becoming a little more plentiful hereabouts, it seems.

For the past several months, this coin has been scarce as those hen's teeth you've heard about. Fifty-cent pieces evidently became collectors' items and almost everyone was a collector.

Some folks are cashing in what they hoarded for a while and this is allowing some of us poor people to get our mitts on one every now and then. If we ever get as many as two, we may start a collection of our own.

The Bovina Mustang track team competed in its final Class B district meet in fine fashion last week at Plainview. Coach Roy Stone's boys put out a lot of effort to pick up points just anywhere and everywhere they could to add to the overall total.

Track is an individual sport, yes, but the Bovina boys acted as a team in that final District 4-B meet to come out on top. All members turned in the best performances they could to get as many points for the maroon and white as

(Continued on Page 2)

At New Post Office--

Rogers Dedication Ceremony Speaker

Jurors Report Friday

Twenty-four Parmer County residents have been called for petit jury duty. They are to report to the courthouse in Farwell on Friday, April 22, at 10 a.m.

Called for jury duty are: W. R. Mabry, Ross Ayers, Mrs. L. L. Cooper, E. O. Johnston, Edmund

Kitten, Frank Hammonds, Mrs. H. L. Ivy, L. D. Gonsler, Everette McBroom, Ernest Hill-

ock, Raymond Schueler, Van E. Nichols, Virgil Woodson, Mrs. Jack Tomlin, David Grim-

sley, James Clayton, Mrs. J. R. Braxton, Jack Woltman, Thomas Rhodes Jr., Merrill Turner,

Mrs. A. L. Black, Joe Allen, Douglas H. Stephenson and Mrs. E. B. Caldwell.

Oscar Venable Funeral Monday

Oscar V. Venable, 82, died at his home here Saturday night of an apparent heart failure. A retired farmer and a Bovina resident for the past 35 years, Mr. Venable had been in good health until the time of his death.

Funeral services were conducted Monday afternoon at Bovina Church of Christ, Don Stone, minister, officiated.

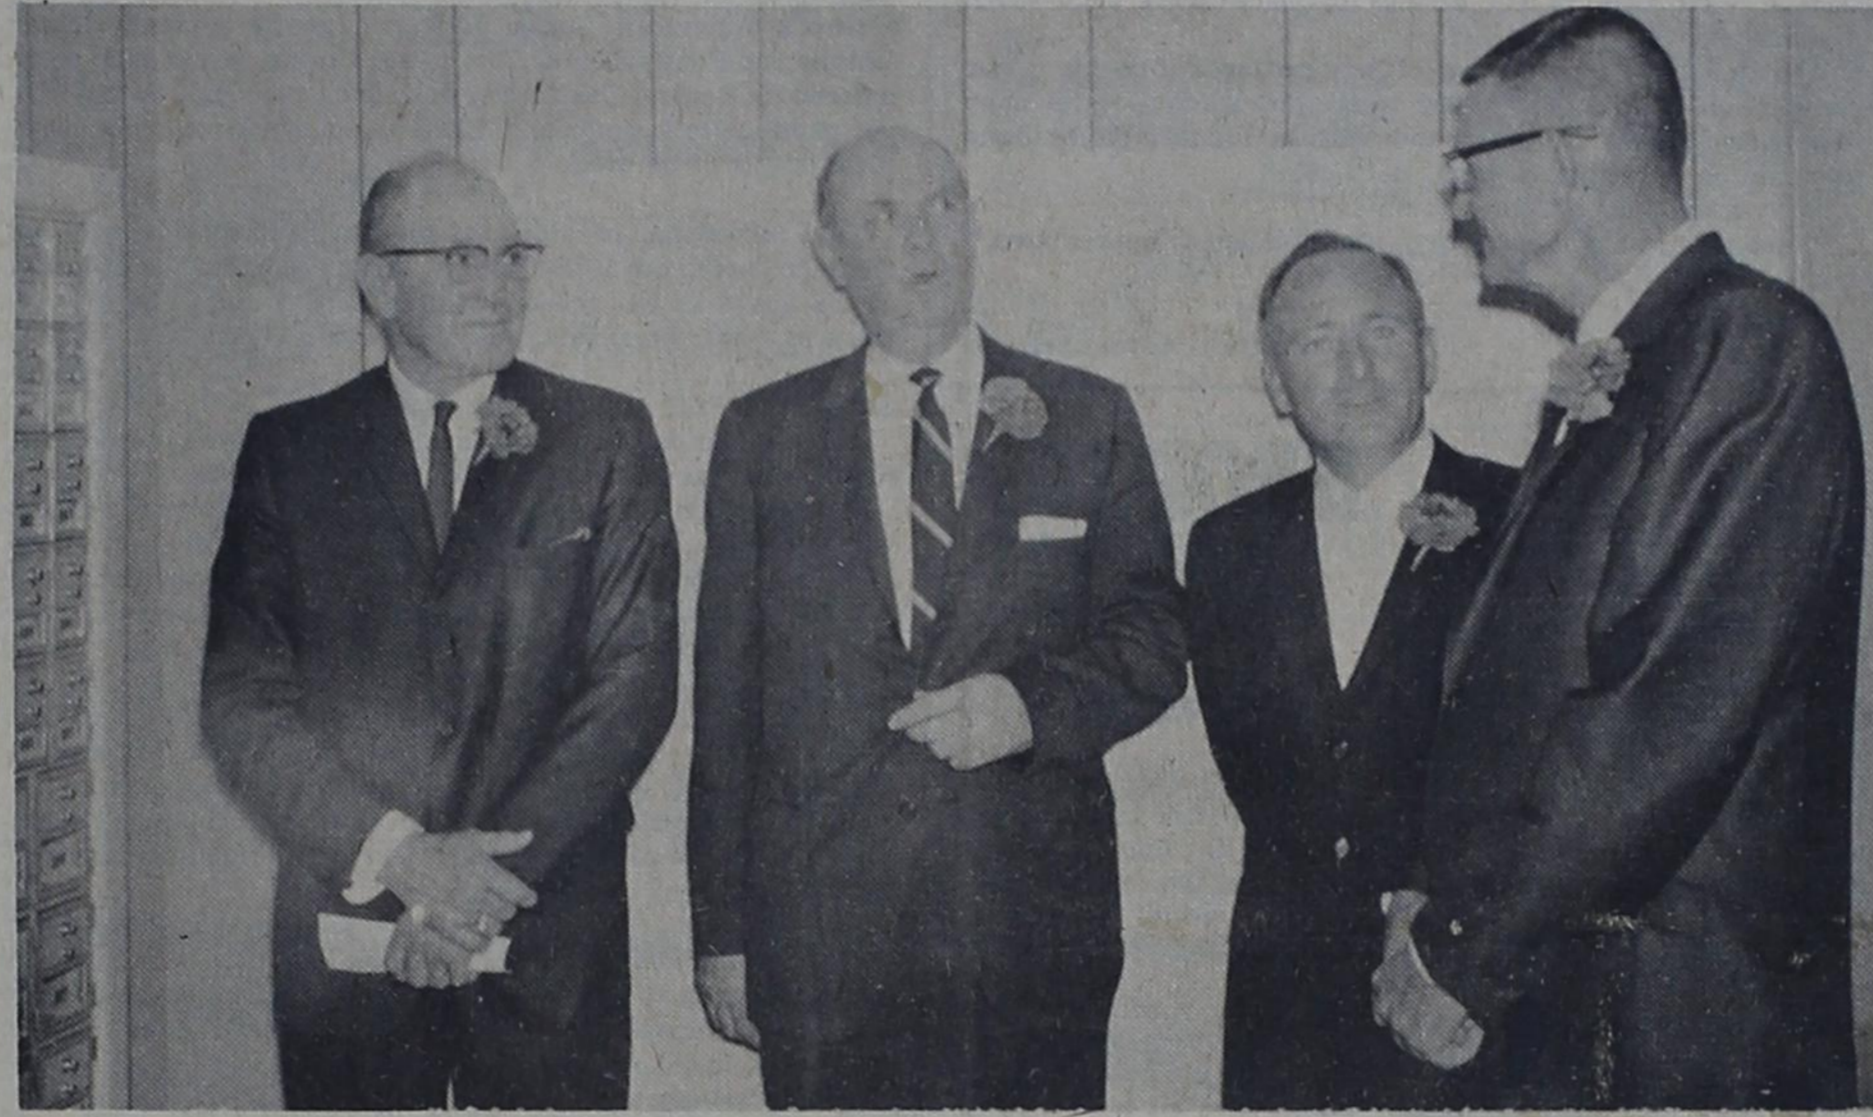

Burial was in Bovina Cemetery under the direction of Claborn Funeral Home of Friona. He moved here from Lamesa.

Survivors include four sons, Vester of Farwell, Elmer and Elton of Bovina, and Chester of Amarillo; two daughters, Mrs. J. D. Wilkerson of Corpus Christi and Mrs. B. W. Wilkerson of Amarillo; two brothers, W. L. Venable of Bovina and Charlie Venable of Stephenville; two sisters, Mrs. Clara Brannon of Amarillo and Mrs. Frody Davis of Wichita Falls, 16 grandchildren and 15 great grandchildren. Pallbearers were grandsons.

Weather by Willie

Ain't this the Kats Pajamas? As Dan True says: "It's as dry as an old maid's kiss. My neighbor is watering the fire hydrant so his dog will use it." Next chance for moisture is Friday or Saturday.

--Willie

POST OFFICE TALK -- Visiting following dedication ceremonies for Bovina's new post office Saturday afternoon were, left to right, Johnny Stagner of Clovis, a former postmaster, Congressman Walter Rogers, State Representative Bill Clayton of Springlake and Postmaster Gene Ezell.

Croud Of 150 Attends Event

"Communications is the lifeblood of a free people," Congressman Walter Rogers said in his address at dedication ceremonies for Bovina's new post office Saturday afternoon. The Democratic representative of the 18th Congressional District of Texas was the featured speaker at the ceremonies dedicating the new postal building which was put into use in March.

"We could take the bricks of this new building apart, name each one after someone who has helped to make this new post office possible and there just wouldn't be enough bricks," Rogers commented. He praised postmasters and postal workers in his congressional district.

In his opening remarks, he said he brought greetings from another Texan, President Lyndon B. Johnson, from Vice President Hubert H. Humphrey and from Postmaster General Lawrence F. O'Brien. Representing the post office department on the program was

Robert D. Rheiner of Dallas director of postal service officer programs.

Rheiner stressed the importance of the use of zip codes on addresses. He pointed out that the importance of zip codes will continue to increase as the volume of mail increases.

A crowd estimated at 150 or more was on hand for the occasion which was held in front of the new building at Avenue B and Second Street.

Three former postmasters were in attendance. They were Mrs. H. T. Hastings, Mrs. Alice B. Moore of Bovina and Johnny Stagner of Clovis.

Postmaster Gene Ezell gave the welcome at the program's beginning. "We are indeed proud of this new building and we will strive to give you the best in postal services," he said.

In attendance at the ceremony were several postmasters and post office workers from throughout the area.

At the conclusion of his talk, Congressman Rogers presented Ezell with a United States flag which has flown over the nation's capitol for use by the post office here. The flag was then raised on the post office flag pole by a trio of members of Bovina's Boy Scout Troop 202.

Don Stone, minister of Bovina Church of Christ, was master of ceremonies for the program. He introduced Rheiner and other special guests, Congressman Walter Rogers was introduced by Dolph Moten, publisher of The Blade.

The program's invocation was given by Fr. Claver Giblin, pastor of St. Ann's Catholic Church, Rev. Ralph Aday, pastor of First Baptist Church of Bovina, delivered the dedication.

The program was conducted in front of the new building. Bovina High School Stage Band, under the direction of Joe Wayne Harper, presented musical selection.

(Continued on Page 2)

County Has 9 Wrecks

In March--

The Texas Highway Patrol investigated nine accidents on rural highways in Parmer County during the month of March, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

The crashes resulted in one death, six persons injured and an estimated property damage of \$10,535.00.

The rural traffic accident summary for this county during the first three months of 1966 shows a total of 25 accidents resulting in one person killed, 11 persons injured, and an estimated property damage of \$22,774.00.

Career employment in the uniform services of the Texas Department of Public Safety is now being offered young men between the ages of 21 and 35. "More than 100 of these positions of trust and public service are open for qualified

(Continued on Page 2)

AT RECEPTION -- Robert D. Rheiner of Dallas, director of postal service officer programs, talked with two former Bovina postmasters at the reception Saturday afternoon in Community Room of First State Bank. Seated is Mrs. H. T. Hastings. Standing is Mrs. Alice B. Moore.

Mast Cubmaster--

20 Boys Join Cub Scouts

Approximately 20 boys and their parents attended a Cub Scout organizational meeting at the school cafeteria Friday night.

There are openings for several more boys, announces Cubmaster Art Mast. All boys in the area who are eight, nine and 10 years old are invited to join the organization, he says.

Bovina now has four dens in Pack 202. Den mothers are Mrs. John Dixon, Mrs. Eddie Steelman, Mrs. Jack McCutchan and Mrs. Bill Goldsmith. Mrs. Howard Looney and Mrs. Bob Fillpot will assist the den-

Meetings are scheduled to begin next week.

Mast will attend a scouting meeting in Clovis Thursday (tomorrow) to plan activities for the dens during the year.

Also, committeemen are being chosen to help with the pack's activities.

At Friday's meeting Dale Boyd of Clovis, professional Scouting leader, explained the scouting program to the Cubs and their parents.

Bovina Junior Chamber of Commerce is the sponsoring organization.

"Each den is limited to eight boys, but we can organize as many dens as we have boys for," Mast says.

Each of the dens will meet weekly, and the entire pack will meet once a month.

Band Parents Meet Monday

Final plans for the Mustang Band trip to Enid, Okla. will be made at Band Parents meeting Monday night at 8 p.m. in school auditorium.

Election of officers for the school year of 1966-67 is also slated for the meeting.

All band parents are urged to attend.

Starts May 23--

Ball Program Set By Lions

Grade School Principal Gary Cox will be coordinator of Bov-

ina's summer baseball program for boys this year.

Cox was appointed to the post at a regular meeting of Bovina Lions Club Thursday night. The Lions Club sponsors the baseball program.

Named to assist Cox were Bedford Caldwell and Billie Suddarth.

Play in the baseball program is slated to get underway Monday, May 23, Cox announces. There will again be three age divisions, Little League, Pony League and peewees.

Applications are now being taken by Cox from boys who are interested in participating in the program. The blanks are being distributed at school and may be obtained from him.

The Lions' annual benefit chicken fry has been scheduled for Mother's Day, Sunday, May 8. Profits from the feed, which will be held at noon in the school cafeteria, will go to finance the baseball program.

An advance ticket sale campaign for the dinner is scheduled to begin soon, according to Jim Russell, president of the Lions Club.

Bovina Bones Go To College

A professor of geology at Eastern New Mexico University visited the Glenden Sudderth farm west of Oklahoma Lane crossroads last week to examine the huge, ancient bones which were found there recently. He took the bones to the university for further study.

Billie Sudderth, D. W. Pierson and Marlin Ferguson helped to uncover the bones.

They are thought to be part of a pre-historic mastadon (elephant) or possibly a mammoth, according to the professor. Students from ENMU visited the farm last week to do more excavation.

Bones which have been found so far include part of a tooth, two bones of a front leg and four ribs.

The bones were discovered by Billie Sudderth's dirt moving crew as a water pit was being dug. They are some 10 feet below the ground's surface.

Roping Club Plans Feed Friday Night

Bovina Roping Club members and their families will have a weiner roast Friday night.

The event will be at the arena west of town and will start at 8 p.m.

All members of the organization and their families are urged to attend, announces Rouel Barron, president.

Vernon Estes will be in charge of cooking for the feed. Assisting him will be Marion Carson, Tom Caldwell and C. E. Trimble.

Plans were completed for the club's Appaloosa horse show which is scheduled for Saturday, May 7, at a regular meeting Monday night in Bovina Restaurant.

MEDAL WINNERS -- Members of Bovina Junior High and Beginners band returning from district contests in Mulshoe with first division medals are, seated, left to right, Kathy Spurlin, Gale Dixon, Patti Mills, Kebra Sorley and Janie Russell, all fifth graders. Standing, left to right, Calvin McCutchan, sixth grade, and David Dixon, Ellen Denney, Shelly Vaughn and Sharon Hemke, all seventh graders.

COFFEE TIME -- Congressman Walter Rogers joined more than 100 visitors and guests at the post office dedication reception Saturday afternoon. C. L. McDaniel is at left.

About Candidacy--

Sen. Andy Rogers Issues Statements

State Senator Andy Rogers released the following comments this week in regard to his candidacy for re-election:

"Due to the Federal Courts ultimatum your Texas Legislature was forced to re-district. The old 30th District I have represented for nearly 14 years has been greatly enlarged--300 miles across.

"This job of State Senator belongs to YOU, the people, not to me or any other candidate. The whole object of filling this post is that YOU elect the person best able to serve you--not necessarily the most popular, best known and certainly not just the one who can spend the most money in a campaign.

"The high size of our district, very limited money resources and the work and responsibility my seniority places on me limits personal contact, by me."

"Therefore, I sincerely request you to examine my record, satisfy yourself and help me spread the word to others.

"I am a farmer, stockman, and small businessman, 41 years of age, have been active in church, lodge, civic work and farm and veterans organizations. My wife, myself, two daughters and one son are native West Texans. I served three years in the United States Army during World War II and have seven years of college--Texas A & M and the University of Texas.

"I have made many good friends among those who work for the interests of our District. I have also made many good enemies of those selfish minority blocs whose interests conflict with those of our District.

"In two of my more recent races they have used every trick; deceit, slanderous anonymous mail and threats to me and my closest friends.

"During this race they have, so far, at least, been more subtle. But their money and power behind my opponents become more obvious each day.

"This is not to say that my two opponents would employ or use these tactics--they both seem like nice guys--but they don't have to use them--some others will gladly and freely do this for them if they think it will work.

"These methods of deceit, etc., have been perfected to an art. And, as has been said, 'the perfection of art is to conceal art'. But look closely--it is obvious they are at work--not necessarily because all of them love my opponents, but because they seek to destroy an old and proven enemy, Andy Rogers.

"Meanwhile, my opponents readily seek and accept campaign money from various ones of these enemies of the people.

"So the first real issue is this race for the 30th Senate District post is, can those who deceive the people and try to manipulate the people and try to manipulate the Legislature and other state officials to their advantage, finally succeed with their tactics and limitless money.

"2. In Wichita Falls, the main population center of our district, a group there, several of their number extremely wealthy, pretty well control their city and county. Now they intend to control your Senate representation in Austin. Recently, a banker, and very rich oilman, among their number called a 'secret' meeting in Wichita Falls to rant and rave how horrible Andy Rogers was and to raise money for one of his opponents. He didn't bother with the facts. He didn't tell why he was really against me.

"The truth is that in 1959 your then Senator George Moffett and other leaders in Wichita Falls asked me to sponsor a law creating a pollution authority to control oil field pollution as Wichita Falls HAD to seek a new water supply and the proposed new lake would be worthless until firm pollution control was initiated. I passed the bill for Wichita Falls and neighboring towns and it has brought wonderful results. But the banker and oil man who called the 'secret' meeting did not explain how he had been and still is considered one of the worst violators of pollution control.

"Most of our oilmen, including the major companies have cooperated wonderfully with the pollution authority--but not this gentleman. He regularly contacts our legislators and other

state officials to try to destroy the pollution authority. He is regularly known to one of the major political contributors to candidates on every political level. Shall we let him destroy Andy Rogers who passed the bill to protect our water for all our citizens??

"4. Seniority. If a candidate has a voting record to please most of the voters, the next most important thing is his ability to represent them, is his seniority.

"Andy Rogers now ranks sixth in Seniority in our Texas Senate by virtue of four years in our House of Representatives and nearly 14 years in our State Senate.

"Seniority in our Senate is the most important factor in determining which committee a Senator will serve on and the ones of which he will be chairman--and therefore his ability to serve. Nothing else can take the place of experience and seniority. This job belongs to the people.

"The people of our area have an 18 year investment in the experience and seniority of Andy Rogers. To elect either of his opponents would mean at least a 12-year wait to again have another Senator with this important asset.

"There are many other subjects I would like to discuss, but I will close by saying it has been a privilege to co-author and work for the bill that made Midwestern a four year state-supported school, to co-author and work for the bill that changed the name of West Texas State to a University and to have a vital role in the efforts to place Texas Tech where it stands today.

"Andy Rogers long record of service for the people of our area is clear. You can know where he stands--while many have been known to falter and lie in the terrible heat and pressure of the jungle of Austin politics.

"Why trade a record for a promise??

"I need your vote and support. It will be deeply appreciated."

Sincerely,
 Andy Rogers

Whittlin'

(Continued from Page 1)

possible. It paid off with a first place finish, too.

Coach Stone is high in his praise for the team members, especially the seniors who made the top sport for Bovina possible. He points out that track offers but little glory considering the conditioning which is involved. Because of that conditioning, which isn't much fun for most people, many seniors fail to report for track workouts.

Such wasn't the case at Bovina High this year and another district title was earned.

Dedication

Ceremony-- (Continued from Page 1)

actions at the program's beginning.

Mrs. Bedford Caldwell led in singing of the national anthem as the flag was raised at the end of the program. Mrs. Margaret Caldwell accompanied on the piano.

Following the program, an open house was held in the new building. Then, a reception was hosted by the post office staff and Bovina Chamber of Commerce and Agriculture in the Community Room of First State Bank of Bovina.

Platform guests at the ceremonies, other than those who appeared on the program, were Bedford Caldwell, mayor of Bovina; Otis Spears, superintendent of Bovina Schools; L. L. Grissom, president of the Chamber; Jack McCracken, manager of the Chamber; Rev. J. B. Fowler, pastor of Bovina Methodist Church; Flossie Rhinehart and Mary Richards, postal clerks; and the former postmasters.

SPORTS AFIELD

By Ted Kesting

Line failure when you're playing a large fish can generally be traced to improperly tied knots, worn line or friction of line over a deeply grooved rod tip. — Sports Afield.

To scull a rowing-type boat, mount an oarlock on the transom. Stick a good long oar into it and weave in a figure 8. — Sports Afield.

Walleyes usually congregate in schools, particularly in lakes, and because they are voracious nocturnal feeders, walleye fishing is often best at night. — Sports Afield.

A weedless propeller has long, curved blades that tend to cut grass rather than wrap up in it. — Sports Afield.

Arrows used for wing shooting are called flu-flus and either are spiral-wound or have unusually large feathers. — Sports Afield.

County Accidents--

(Continued from Page 1)

men," the sergeant stated. "They include opportunities for advanced education, excellent physical conditioning and a permanent career of serving mankind."

Application and full information can be obtained by contacting any Department of Public Safety patrolman or station. June 6 is the deadline for accepting applications for the examination to qualify men for the August 9 training school.

In farmers fields and official tests
PIONEER® sorghums
 BRAND
PROVE THEIR YIELDS

Farmers like these know Pioneer sorghums yield. That's why you see more fields marked with Pioneer signs every year.

If you check official test results for proof-of-yield, you'll want to plant Pioneer brand sorghum, too. Hybrids 846 and 820 made bang-up yields in the 1964 High Plains Texas A&M tests. These two winners, along with Pioneer's other grain-type hybrids -- 882, 844, 848, 865, and 885 -- cover a wide maturity range.

Pioneer also offers forage-type sorghum, 931 . . . sorghum-sudangrass hybrid, 985, plus five corn hybrids for grain or silage. They'll help your acres produce more feed. Order now.

Reflections From The Blade

TEN YEARS AGO . . . April 18, 1956

The Bovina Mustang Band will present a spring concert Friday evening at eight o'clock in the school auditorium, W. Wayne Stevens, band director, has announced. "A varied program of good music and fun is planned for the public's enjoyment," Stevens says.

The working and grading of Bovina's hard, bumpy, and unpaved streets began last Thursday. The work is being done by the county and the city. The City of Bovina is responsible for the "watering down" of the streets and the county is furnishing the equipment and doing the rest of the work.

Adult leaders interested in Little League baseball from Bovina, Farwell, Lazbuddie, and Friona met Thursday night in Bovina's American Legion Hall to organize a county Little League and Pony League. Two Little League teams each were entered by Bovina, Texico-Farwell, and Lazbuddie. Friona will not participate in the county Little League since it has a complete league of its own.

Earl Stevenson, president of the Bovina Independent School District during the 1955-56 term, was re-elected at a meeting of the board at the school building Monday night. Ovid Lawlis, a new board member, was elected secretary.

SIX YEARS AGO . . . April 20, 1960

All resident property owners signed right-of-way easements for the new Farm Road 145 project in the Lazbuddie community. Earlier in the week, County Judge Loyde Brewer worked with Precinct 4 Commissioner George Crain in contracting owners along the two-mile strip which runs from the end of the present (east of the "Lazbuddie corner") to the Castro County line. Judge Brewer reports everything went smoothly.

Bovina's vocal group, "The Dream-ettes," have been making several guest appearances recently at neighboring towns' activities. The vocal group that performs in black faces, is composed of Brenda Jones, Marilyn Brandon and Janice Leake. They are accompanied by Verna Marie Estes at the piano and Ronnie Glasscock on the drums.

Hub's Community building will be the site of a political rally beginning at 8:30 tonight (Thursday). The political doing will be sponsored by the Farmers Union and will have on hand candidates from all over the district and county to give their respective platforms.

TEN YEARS AGO . . . March 28, 1956

With the ABC Drug's new building completed, First National Bank of Bovina's new building nearing completion, construction on the Sands Motel building and a cafe building underway, construction on a new service station building due to start "in the next two or three days," and construction on another service station to begin in the not-too-distant future, Bovina is enjoying its greatest building boom in history!

Members of the Bovina High School Band, under the direction of W. Wayne Stevens, participated in the Texas Interscholastic League Region II Instrumental Solo and Ensemble Contest that was held in Canyon Saturday. Nine first place ratings were won by the 23 students who were entered.

Bovina citizens will go to the polls Tuesday, April 3, to vote for one of two men to be mayor and guide the growing city for the next two years. The election will be held in the American Legion Hall. Two of four city commission-appointed candidates remain in the race. These men are Alvin Glasscock and J. E. Sherrill, Jr.

SIX YEARS AGO . . . March 30, 1960

A large turnout is expected in school board election Saturday. Four nominees and two write-in candidates vie for two places on the board. Names on the ballots will be D. R. Bushnell, Grady Sorley, J. B. Barrett and J. R. Boardman. Marion Carson and Billy Marshall are standard bearers for the write-in forces.

Ann Lynn Wilson, daughter of Mr. and Mrs. Robert E. Wilson, and an eighth grader in Bovina schools, won first place in Farmer County Spelling Bee Tuesday. Judy Crawford, daughter of Mr. and Mrs. R. M. Crawford, took second place. She is also a Bovina eighth grade student.

Framework for the educational portion of First Baptist Church's new plant went up last week and foundation for the auditorium had been laid. Twelve giant pillars were scheduled to be erected this week in the 500-seat capacity auditorium. Ceiling on the building will be high and the roof will be steep.

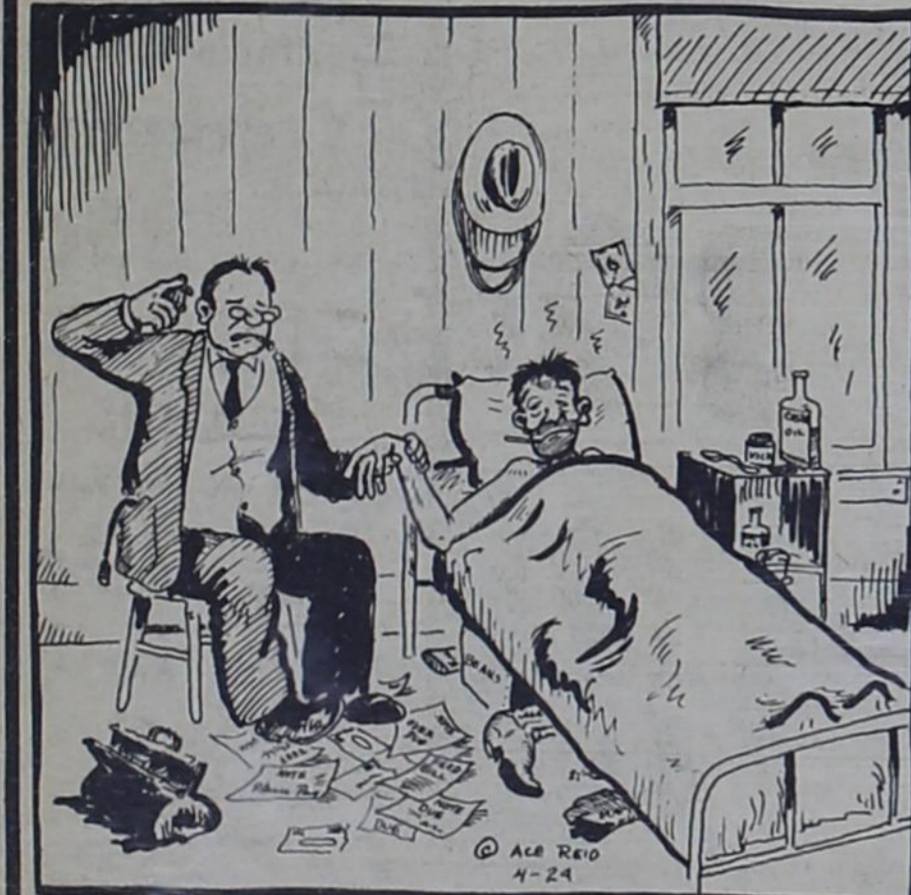

LaVoda Newbrough, sponsored by Bovina Restaurant, was crowned Miss Bovina Tuesday evening in Bovina School auditorium. Second place winner was Judy Roach, sponsored by Sherry Grain Company. Third place went to Marilyn Brandon, sponsored by Wilson's Super Market.

Some 40 persons are rehearsing for the Lions Club Minstrel Show to be presented April 8. The production will have everything from jazz to spirituals; dances to preaching; plus drama, singing, and comedy, according to Betty Hawkins, member of the cast and a minstrel promoter.

New Breakthru Hybrid for the Great Plains
DEKALB F-65
 DEKALB HYBRID SORGHUM
 NEW DeKalb F-65 Yield Breakthru variety is a short-stalked, full-season irrigation hybrid for the Southern Great Plains area. It is especially adapted to Texas High Plains irrigated conditions. Has bred-in smut tolerance—is short-stalked and produces big heads of dark, red grain. It's a dandy. Order yours today!

DISTRICT 4-H FOODSHOW

4-Hers Deborah Harding of Farwell 4-H Club came out as second place winner in the District Junior Food Show held in Canyon, Saturday, April 16th. Only three places were given. Deborah competed against 11 others in the same food group. We congratulate her and hope she will keep up her good work. Although Joyce White did not place in the bread and cereal division she had a nice display and gained a lot of experience. It was an inspiring event, seeing all the attractive tables and food displays. These girls are learning not only how to prepare food, but how to serve it attractively and most of all, what different foods do for the body.

It's true that not all girls can be top winners but after all, competition encourages greater effort. If a child makes a low grade in school he does not drop out, but parents put forth greater effort to encourage him and see that he puts

forth more effort. So it should be in 4-H project work. Of course it takes some time on the part of the parents, but what better way of spending time than in training children in worthwhile project work. It does pay off in their development.

LEADERS NEEDED-SOS
Some 4-H girls are going to be very disappointed when they find they will not be able to participate in clothing project work this summer because they do not have an adult leader. So far, Bovina has one adult leader and there are fourteen 4-H girls who want to take clothing. A leader can only work with four or five girls in a group. This means that about nine girls in Bovina will not be able to take a clothing project unless other leaders volunteer before May 1st. Training for leaders will be held in May and work will start immediately after this.

Mrs. Roy Farley and Mrs. Adrian Weir have consented to be 4-H leaders for Lazbuddie Club but more leaders are needed in the area as well as Friona and Farwell.

It's urgent that leaders are secured at least by May 1st so that they may take the training by the Home Demonstration Agent. If you can spare a few hours a week in June and July as an adult leader, please call Extension office, 481-3619 or drop a card to me at Box 608, Farwell Texas.

WORKSHOP-FOOD & NUTRITION
The nutrition workshop for maintaining normal weight resulted in better established eating pattern and loss of weight of all who participated throughout the entire series of lessons. Planning and eating three meals daily, based on colorie and nutritional needs was the pattern followed throughout the course. All reported feeling very well with an increase in vitality and an improved feeling of well being, as well as weight loss.

Volleyball Team Wins District

Bovina High's volleyball team took the best two out of three from Hart there Monday for the district championship. Hart won the first game, 15-11, while Bovina took the second and third games, 15-10 and 15-8.

Bovina recently bested Lazbuddie and Happy for the right to meet Hart for the district championship.

Team members are Roman Rameriz, Jerry Roach, Kenneth Webb, Donnie McKinney, Radford Venable, Billy Marshall, Richard Carson, Scotty Rundell and Randy Jones.

This completes play for the volleyball, as there are no regional playoffs.

FISH FOR A WONDERFUL MEAL

A fish dish, impressive enough for your most discerning guests... and yet within family-meal budgets, too... is a whole stuffed fish. Point up the flavor of the fish with a smooth, flavorful sauce, made from condensed mushroom soup. Condensed soups always assure you satin-smooth, perfectly seasoned sauces.

Incidentally, if you can't get a whole striped bass at your market, substitute red snapper, bluefish, mackerel, whitefish, or cod.

BAKED STUFFED FISH WITH MUSHROOM-PIMIENTO SAUCE
1 can (2 ounces) mushroom stems and pieces, drained
1/4 cup finely chopped onion
3 tablespoons chopped parsley
2 tablespoons finely chopped celery
1/4 teaspoon salt
Generous dash each crushed marjoram, pepper, crushed thyme
6 tablespoons butter or margarine
1 cup small dry bread cubes
3-pound whole striped bass, boned
1 can (10-1/2 ounces) condensed cream of mushroom soup
1/3 cup water
2 tablespoons chopped pimiento
1 tablespoon sherry (optional)

In saucepan, cook mushrooms, 2 tablespoons onion, 2 tablespoons parsley, celery, and seasonings in 1/4 cup butter until vegetables are tender. Remove from heat; stir in bread cubes. Lightly stuff fish; fasten with toothpicks or skewers. Place on rack in shallow baking pan; brush with 1 tablespoon melted butter. Bake at 350°F. for 1/2 hour or until fish flakes easily when tested with a fork. Meanwhile, in saucepan, cook remaining onion and parsley in 1 tablespoon butter until onion is tender. Gradually blend in remaining ingredients. Heat; stir now and then. Serve over fish. Makes 6 to 8 servings.

A program on new fabrics will be presented Thursday (tomorrow) at 2 p.m. in the fellowship hall of First Baptist Church

Beta Sigma Phi Meets At Bank

Mrs. Roy Stone and Mrs. Reba Bonds hosted Beta Sigma Phi sorority meeting in Community Room of First State Bank Thursday night.

Sandra's Soliloquy

Had the opportunity over the weekend of attending the junior rodeo, don'ts at Friona, The Bovina Roping Club went as a group to ride in the parade and the grand entry Friday afternoon and night.

Must admit that I was a little disappointed that more of the club members wives didn't ride. There were two wives and two daughters who rode with the men.

The rodeo, of course was a real thrill. Think the whole group from Bovina gave a deep sign when James Lee Calaway, the only local boy in the rodeo, tied his calf in by far the best time of the Friday night go-round of the calf roping.

Understand the rodeo was quite exciting Saturday night. One of the buckin' horses ran into the fence and broke his neck!

Of course, it's about that time of year when all of us are working in the yard, planting grass, flowers, etc.

Surely do wish some one with a green thumb would tell me the secret of getting grass to come up. Did everything just so-so, I've watered till I'm afraid the whole place may float away, and a I've got to show for it is the prettiest patch of blue weeds you ever saw.

THE HIGHEST WATERFALL IN THE WORLD IS ANGEL FALLS, IN VENEZUELA, WITH A TOTAL DROP OF 3,212 FEET.

MYRTICE LEA SHOCKLEY

Dell Wedding Plans

Mr. and Mrs. Amos T. Shockley of Mesa, Ariz. announce the May wedding plans of their daughter, Myrtice Lea, to David B. Heffington, son of Mr. and Mrs. W. R. Heffington of Tempe, Ariz.

Mrs. Ware Hosts Bridge

Mrs. Jimmy Ware hosted Thursday afternoon bridge in the community room of First State Bank last week.

"If you don't believe a ten-year-old boy can keep a secret, ask him where he left the family hammer."

FILM REVUE

THE UGLY DACHSHUND Here is another amusing film with the Walt Disney label, which means it's fine viewing for the whole family.

Artist Mark Garrison (Dean Jones) is married to flighty Fran (Suzanne Pleshette) who is an animal-lover at heart. She adores dogs, especially dachshunds, so naturally she is overjoyed when her own dachshund has pups.

Somehow a Great Dane pup gets mixed up in the litter and grows up thinking he is a dachshund. Of course, this doesn't work and havoc is played with the Garrison's furniture when the over-grown puppy tries to follow his brothers and sisters.

The grand climax occurs when the dog entirely disrupts an extravagant lawn party. This is done with the usual hilarious Disney touch.

Other members of the cast include Charles Ruggles, Kelly Thordsen and Parley Baer.

FHA Girls Entertain Trustees

Senior members of Bovina FHA entertained members of the school board and their wives Monday night.

The girls served a supper with the menu featuring foreign foods.

Trudy Skjerve provided entertainment. She sang three songs in Norwegian.

School board members who were present were Mr. and Mrs. Jay Sherrill, Mr. and Mrs. Grady Sorley, Mr. and Mrs. B. L. Marshall, Durward Bell, Mr. and Mrs. Don Murphy and Superintendent and Mrs. Otis Spears attended.

Senior girls who served the meal were Gwen Christian, Patsy Cumpston, Carolyn Damron, Karen Estes, Bonnie Morris, Trudy Skjerve, Martha Snodgrass and Cassie Knight. Several other senior FHA girls helped to prepare the meal, but were not present at the banquet.

School Menus

April 25-29 MONDAY Corn dogs, mustard, tossed salad, black eyed peas, cornbread with butter, peanut butter cookies, apricots, milk.

TUESDAY Steak, gravy, creamed potatoes, green beans, rolls with butter, fruit jello, milk.

WEDNESDAY Irish stew, cabbage slaw, cornbread with butter, prunes, cake, milk.

THURSDAY Barbecue and beans, potato salad, onion and pickles, rolls with butter, cherry pie, milk, orange juice.

FRIDAY Sandwiches, cheese and Bologna, lettuce and tomato, pea salad, pineapple and marshmallow dessert, milk.

"Paying our church pledge is a must with us, second only to Junior's trombone lessons!"

Let Your Yes Mean Yes
and
Your No Mean No!

Jesus reserved his most scathing rebukes for the use of fraud and deception under the thin veneer of religious oaths. There was a common practice of swearing by a double standard; one was binding, the other was not. In Matthew 23, Jesus said, "Woe to you, blind guides, who say, 'If any one swears by the gold of the temple, he is bound by his oath,' " Again, he said, "You say, 'If any one swears by the gift that is on the altar, he is bound by the oath,' " Why would such distinction be made? Jesus showed the utter inconsistency of these distinctions. Why did they use them? For purposed of deception. A trader, for example, might use impressive oaths to convince a prospective buyer that he was getting quite a bargain, which was really no bargain at all. He could swear it so by the altar! by the temple! and really mean not one word in sincerity. He is like the man described in Prov. 20:14: "It is bad, it is bad, says the buyer, but when he goes his way, then he boasts." The same inconsistency is seen today in the business world, in social usage and even in religion. The honest Injun would say that we speak with forked tongue.

Christianity demands basic honesty. It demands uncompromising allegiance to the principles of truth, justice and equity. As Christians, we must let our yes mean simply yes and our no mean no. Our word must be our bond. How much is your word worth? Do we become too lax in our verbal commitments?
Next week we will follow this basic thought to other practical applications.

Don Stone, Minister, Church of Christ

BASEHIT A'COMING -- Lefthanded-swinging Mike Grissom smashed a double second after this picture was made during Saturday afternoon's game with Portales here. Scotty Rundell then singled Grissom home for the Mustangs' first run of the game. Portales won, 7-2.

At Muleshoe-- Bandsmen Rate First Divisions

Ten members of Bovina Junior High and Beginners bands captured first division ratings in solo and ensembles contests at Muleshoe Saturday.
The Junior High Band earned a II rating in concert and a III in sight reading.
David Dixon returned with two first division ratings. He earned one in a class I coronet solo and the other in a Class II coronet trio. Other members of the trio were Calvin McCutchan and Ellen Denney.
Sharon Hemke earned a first division rating for her Class III clarinet solo. Sharon also won a first division rating at Interscholastic League contests in Canyon earlier this year.
Shelly Vaughn won a first division rating in Class II twirling. Shelly is the first Bovina student to earn this rating in twirling in several years, reports Band Director, Joe Wayne Harper.

Patrl Mills, Kathy Spurlin, Janie Russell and Debra Sorley were members of a clarinet quartet who earned a first division rating in Class III competition.
Gale Dixon played a Class III flute solo for a first division rating.
Melony Marshall played a Class II clarinet solo for a second division rating.
Band members who played in Class III competition for second division rating were Kim Langer, Kim Douglas, and Nena Spicer.
Dale Boyd, Janie Russell and Kathy Spurlin twirled in Class III for a II rating.

AN EXPERIMENT which may take 2,000 years to complete has been started by Alexander Wilcox, South African authority on primitive art. He has had a rhinoceros carved out of stone and placed in his garden to determine the time it took weather to obliterate primitive engravings. Wilcox does not expect to live to see the results.

April 28--

Electric Cooperative Honors Past Directors

Thursday, April 28, is a red letter day for members and past directors of Deaf Smith County Electric Cooperative. More than 1,000 people are expected to attend the gala meeting at the Bull Barn in Hereford, and pay tribute to the men who have served on the Cooperative board during the past 29 years.

The high point of the program will come when past members of the Board of Directors are honored. They will be presented with engraved plaques in appreciation for the services they rendered over the years.

T. E. Seighler, Jr., of Hereford former president of the board will direct special recognition for all deceased Directors.

Sloan H. Osborn, of Friona president of the board will conduct the business session.

Beginning at 10 a.m., the member-owners who received service in 1955 can register and pick up their patronage refund checks, which amount to over \$147,000. They may also enjoy visit the appliance displays furnished by local dealers.

Immediately following the barbecue lunch, catered by the Hereford Rotary Club, the members will be entertained with color slide presentation by Maura McAndrews of Hereford, and Tommy Sherley of Friona, Tommy and Maura, who are the 1965 winners of the Texas Electric Cooperative Government-In-Action Youth Tour Contest will give the highlights of their trip to the Nation's Capitol City.

The 1966 contest winners, Joyce Bezner of Hereford and Jerry Aberant of Nazareth will

also be on hand to present their winning speeches.

The children present will be treated to a cartoon show while their parents are conducting the affairs of their business.

A host of door prizes will be given many lucky members, with a television set topping the list as special grand prize.

ARCHITECTURE FACTS

A recent architectural movement, formalism, has shown a preference for "weighty" looking buildings of stone which resemble modern versions of classic monumental buildings. Many architects favor building stone for its range of colors, textures, and shapes.

On The Farm In Parmer County

By JOE VANZANDT
County Agent

1965 official crop estimates have been released by the Texas Crop Reporting Service recently. Parmer County is still the top grain producing county in the state and probably in the nation also.

For wheat we were first in total production with 4,529,000 bushels and first in yield per acre with an average of 52.4 bushels per acre.

In grain sorghum, we were also first in total production with 1,046,276,000 pounds and first in yield per acre with an average of 5,734 pounds.

These are all big achievements on crop production and something we can all be proud of.

RESULT DEMONSTRATIONS

We are in the process of setting up several demonstrations, on crop and livestock production for this year. We will have some demonstration with cotton fungicides, grain sorghum varieties, possibly some cotton varieties, and vegetables as well as some fertilizer research trials. Farmers can help themselves and their neighbors by putting in check plots or plots that compare a different way of doing a practice. Demonstrations help tell each farmer the value, benefit, profit or loss to be had by each production practice if it is fairly compared with another method. We think demonstrations can serve as a good means for farmers to continually check to see year by year if a practice is profitable.

There are any number of production practices farmers can benefit from by having a little demonstration plot. You might want to check on a method of land preparation; varieties, fertilization, irrigation, seeding rate, weed control to name just a few broad areas. As your County Agent, I am always interested in knowing about demonstrations that farmers have. I would certainly like to hear of any you already

have planned. Also, if you would like to co-operate on some kind of demonstration drop me a card or come by the office, I know many farmers have good demonstrations every year that I do not hear about. You can help us all by letting me know of your demonstration plans and results. Here's hoping we hear from several of you. Remember, the end result is really how much net profit did you derive from one method as compared to another way. Farmers must be good managers to stay in business. Farmers need to know that a particular practice returns more net profit, so put in some demonstration plots.

SORGHUM VARIETIES

We have just received some copies of the latest Progress Report on Performance of Grain Sorghum Hybrids in the High Plains of Texas run by the Texas Agricultural Experiment Station.

The following list is the 3 year average of Sorghum production at a Plainview irrigated location: Pioneer 820-7,210; TE77-7,040; WAC750-6,940; Lindsey 788-6,785; PAG665-6,620; RS671-6,620; PAG515-6,530; Dekalb F-65-6,430; Apache-6,270; Horizon 80-6,175; WAC 700-6,175; Frontier 413-6,130; Pioneer 846-6,075; Excel 707-6,035; Horizon 67-5,880; RS-610-5,835; RS626-5,800; Texas 660-5,770; RS 622-5,710; TE Grainmaster-5,620; Kiowa-4,980.

The following list is the result of 2 years average on the Bushland Experiment Station irrigated sorghum: Bonanza-8,400; RS671-8,280; WAC 750-8,270; Pioneer 820-8,195; PAG 665-8,140; TE88-8,085; TE77-7,910; Lindsey 788-7,880; PAG 515-7,860; Standking-7,810; Pioneer 846-7,755; Apache-7,725; Texas 660-7,700; RS 626-7,630; WAC 700-7,560; Scott 550-7,330; Richardson30-3R-7,310; RS 610-6830.

As you can tell many of these varieties are very close in their

yields. If you would like a copy of this report, which has a lot more production data in addition to the above, come by the County Agents office.

We have finished all of our District Contests now. There were several teams that represented Parmer County this year in our District Contests. Some of these teams did not win but yet the 4-H'ers learned a lot and benefited from their participation. The Junior Soil Evaluation team placed first and team members were Sam Morton, Barry Williams and Darwin Green all from Farwell.

The Senior Horse Judging team members were Mike Doshier, Farwell; Raymond Quintana, Bovina; Bill Buchanan and Shirley Smith from Friona. The Junior Horse team members were Rusty Lindeman, who was 4th high individual in the contest; Dwayne Bauer and Bill Buchanan all from Friona. These members were selected after four judging practice sessions were held.

Members of the Junior Rifle team were: Zane McVey, Coy Jamison, Larry Johnston and Dwayne Bauer from Friona. The Junior Livestock Judging team members were: Loy Dale Clark, Rickie Seaton, Mark Ramage and Wesley Barnes, Jr. all from Lazbuddie.

We were real proud of all of these members and the showing they made and feel that they all learned something.

Mustangs Win District 4-B Track Meet

Five Qualify For Regional

HARD RACE -- Lane Gober, left in white suit, and Carl Harris, just to the right of Gober, finished second and third respectively in the 440-yd. dash during the district track meet Thursday. The winner in the race is crossing finish line at right.

The Bovina Mustang track and field team dominated the District 4-B meet Thursday at Plainview for a first place finish and qualified five boys for the regional meet which will be in Lubbock this weekend.

The Mustangs had a 30-point edge over the second best team, Amherst. Bovina's point total was 146. Amherst had 116. Happy was third with 106, Lazbuddie placed fourth with 79, Hart was fifth with 38, Cotton Center had 16 and Spade failed to earn points.

Bovina's first place finish was a mild upset. Amherst was given the favorite's nod prior to the meet because of exceptional strength in the sprints.

Bovina won first places in all field events except the pole vault and placed second in it. Total field event points earned by the Mustangs was 62.

Roman Ramirez, senior weight man, had first places in the shot and the discus, Jerry Roach was first in the high jump, in the broad jump, Scotty Rundell was first, Billy Marshall third and Roach fourth. Randy Jones placed second in the pole vault, Dean Stanberry was fourth and Marshall fifth.

Senior members of the track squad drew high praise from Coach Roy Stone.

"Five seniors on the team earned 101 points. Without them, we couldn't have won the district championship," the coach points out.

Individual placing by seniors were: Ramirez, first in shotput and first in discus, for a total of 20 points;

Roach, first in high jump, third in high hurdles, second in low hurdles, member of mile relay team, fourth in broad jump, for a total of 30 points;

Rundell, first in broad jump, first in 880-yd. run, fourth in 100-yd. dash, second in 220-yd. dash, for a 31 point total;

Marshall, third in broad jump, fifth in pole vault, ran leg of 440-yd. relay, for a total of 11 points;

Richard Carson, third in mile run, ran leg of 440-yd. relay for a total of nine points.

Other team members who earned points were:

Randy Jones, a junior, second in pole vault, for eight points; Dean Stanberry, junior, fourth in pole vault, for four points;

Lane Gober, junior, second in 440-yd. dash, ran leg of mile relay and ran leg of 440-yd. relay, for a total of 14 points; Carl Harris, sophomore, third in 440-yd. dash, ran leg of 440-yd. relay and leg of mile relay, for a total of 12 points; Lynn Murphy, sophomore, ran leg of mile relay, for three points;

Felix Trevino, freshman, fourth in mile run, for four points.

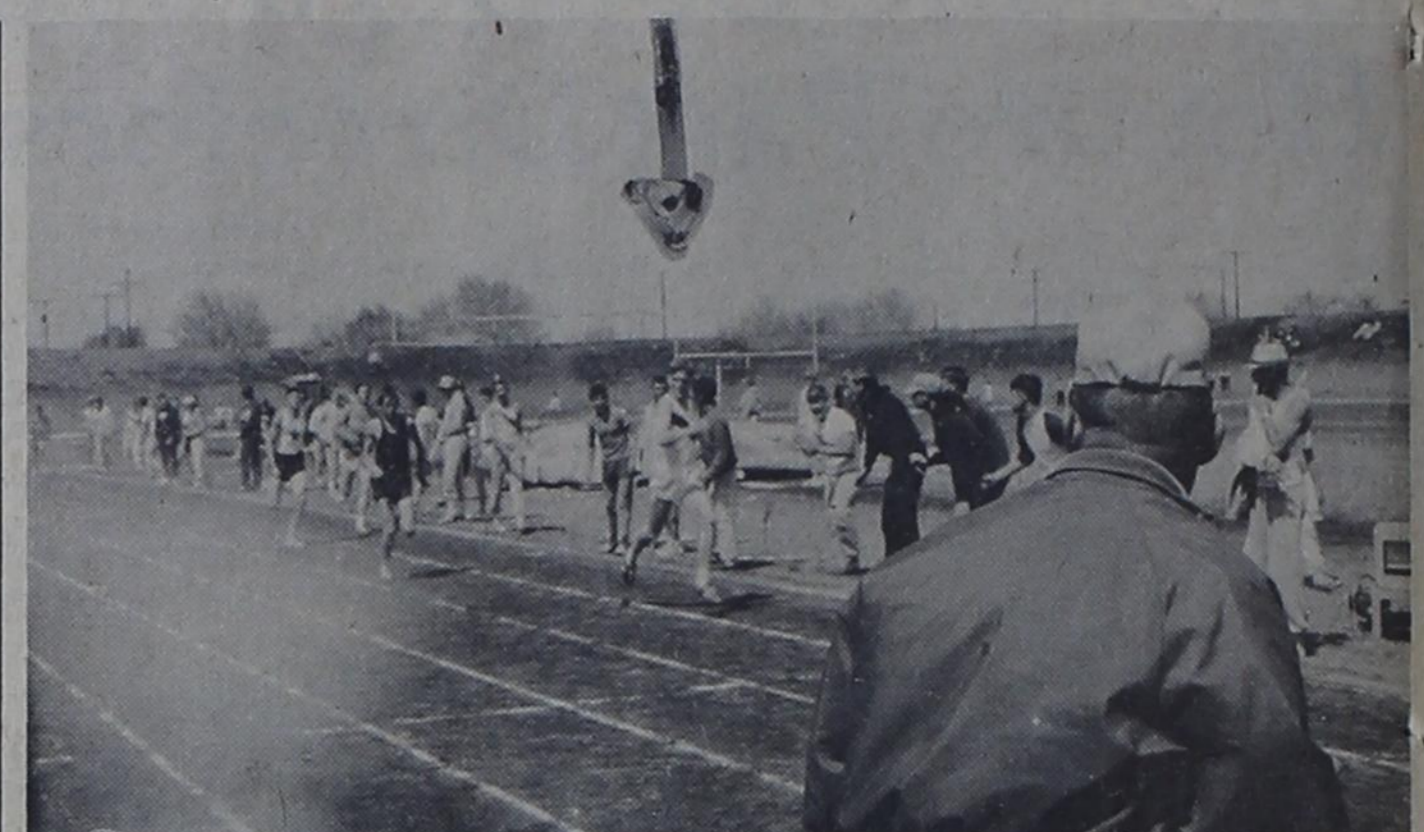

Regional meet qualifiers are Ramirez in the shot and discus; Roach, in the low hurdles and the high jump; Jones, in pole vault; Gober, in 440-yd. dash; and Rundell in 220-yd. dash, 880-yd. dash and broad jump.

"The major difference in the teams in the meet was that we dominated the field events," Coach Stone says. "To win, we had to do this as we were able to win only one first place in all nine running events. Our boys all gave tremendous efforts. Nearly all of them performed better than they had before."

Bovina junior high boys placing in that division of the meet were Jackie Hall, first in shot and third in discus; Manuel Quintana, third in 440-yd. dash; Everado Arce, fourth in 440-yd. dash; Gary McCormick, third in chinning; Stuart McMeans, fourth in low hurdles and Charles Amos, fifth in high hurdles.

Coach Roger Ezell's junior highers also placed fourth in the 880-yd. relay. Members of the relay quartet were Quintana, Arce, Amos and Phil Sorley.

Members of Bovina's freshman team who competed in that division were Gary Carson, Steve Pierson, Johnnie Hugh Horn, Ronnie Dyer, Kenny Stone and Gary Rogers.

WINNER -- Scotty Rundell earned Bovina's only first place in a running event at the district track meet Thursday. He's nearing the finish in the 880-yd. run as Coach Darrell Read, foreground, shouts encouragement.

Grissom Wins In District Tennis

Mike Grissom won boys high school singles in district tennis competition at Nazareth Monday.

He will represent Bovina in boys high school singles at regional playoffs in Lubbock.

Rodney Murphy won second in freshman boys singles.

Beth Hutto and Carolyn Ward took second place in freshman girls doubles.

Bruce Caldwell and Carroll Foster played to take second in grade school boys doubles.

Third places went to Bill Caldwell and Lynn Murphy in boys high school doubles; to Carmen Ward in high school girls singles; to Kelley Jamerson in grade school boys singles; to Pam Grissom in grade school girls singles and to Meloney Marshall and Karen Bell in grade school girls doubles.

Bobby Redden and Johnnie Hugh Horn tied for third and fourth in boys freshman doubles.

Linda Rejino and Carol Kirkpatrick won fourth in girls high school doubles.

Anything a puppy can fit into his mouth is subject to swallowing, so make every effort to keep floors clear of temptation. While many items that get scooped up and gulped down exit harmlessly, others can cause considerable harm, even death.

Among the most lethal household items are pins, needles, lengths of string, stockings, wads of carpet and baby bottle nipples.

If you discover your puppy has disposed of any of these or similar items, notify your veterinarian immediately. For a sharp item, he may recommend that you immediately feed your puppy a bulky meal, which hopefully will surround the object, cushioning it as it passes through the intestines. Watch your puppy carefully for the next few days, and if he shows any signs of distress whisk him off to the veterinarian.

Another extremely important consideration is there can be a peculiar reaction, in some individuals, three weeks after the initial infection known as acute glomerulonephritis. This disease is thought to result from a specific allergic type reaction between the tissue of the kidneys and the toxins produced by the original germ.

Another serious complication, between the cardiovascular system and the bacterial toxins, is rheumatic fever, with possible further complications of rheumatic heart disease. Less commonly seen is nervous system damage.

Before the era of antibiotics, that is sulfa, penicillin, mycins and others, the infection of scarlet fever usually ran its complete course with eventual recovery directly proportional to the ability of the body to resist the infection.

DOCTOR TALK

By Rembert Benjamin, M. D.

Twenty or twenty-five years ago the attitude toward scarlet fever was entirely different from what it is today. Scarlet fever is a disease caused by an acute infection involving a specific strain of streptococcal organisms, which usually originates in the throat.

The most important factor which makes this particular type of germ more dangerous and different, from the usual type of strep throat, is that this particular strain of bacteria is decidedly more toxic, causing a more severe, acute condition.

Another extremely important consideration is there can be a peculiar reaction, in some individuals, three weeks after the initial infection known as acute glomerulonephritis. This disease is thought to result from a specific allergic type reaction between the tissue of the kidneys and the toxins produced by the original germ.

Another serious complication, between the cardiovascular system and the bacterial toxins, is rheumatic fever, with possible further complications of rheumatic heart disease. Less commonly seen is nervous system damage.

Before the era of antibiotics, that is sulfa, penicillin, mycins and others, the infection of scarlet fever usually ran its complete course with eventual recovery directly proportional to the ability of the body to resist the infection.

FLOOR DESIGNS

Any floor design you want - pictorial or geometric - in virtually any combination of colors, is possible when you use terrazzo flooring. Popular among architects and designers for its warmth and beauty, terrazzo's non-slip nature makes it easy to walk on.

PUPIPPES EAT ANYTHING

By Bob Bartos, Manager Friskies Research Kennels

Anything a puppy can fit into his mouth is subject to swallowing, so make every effort to keep floors clear of temptation. While many items that get scooped up and gulped down exit harmlessly, others can cause considerable harm, even death.

Among the most lethal household items are pins, needles, lengths of string, stockings, wads of carpet and baby bottle nipples.

If you discover your puppy has disposed of any of these or similar items, notify your veterinarian immediately. For a sharp item, he may recommend that you immediately feed your puppy a bulky meal, which hopefully will surround the object, cushioning it as it passes through the intestines. Watch your puppy carefully for the next few days, and if he shows any signs of distress whisk him off to the veterinarian.

Another extremely important consideration is there can be a peculiar reaction, in some individuals, three weeks after the initial infection known as acute glomerulonephritis. This disease is thought to result from a specific allergic type reaction between the tissue of the kidneys and the toxins produced by the original germ.

Before the era of antibiotics, that is sulfa, penicillin, mycins and others, the infection of scarlet fever usually ran its complete course with eventual recovery directly proportional to the ability of the body to resist the infection.

POINTMAKERS -- Earning points to contribute toward Bovina High's district championship total in Thursday's meet at Plainview were these team members. Standing, left to right, Richard Carson, Scotty Rundell, Jerry Roach, Billy Marshall and Roman Ramirez. Kneeling, left to right, Randy Jones, Lane Gober, Felix Trevino, Dean Stanberry, Lynn Murphy and Carl Harris.

At Lazbuddie-- District Baseball Starts Tuesday

Coach Gary Cox' Bovina Mustang baseballers start district play Tuesday when they meet Lazbuddie there. Gametime is 4 p.m.

Nazareth comes here Friday afternoon of next week for Bovina's second tilt. Lazbuddie, Nazareth and Bovina are the only three teams in the district baseball league. They will play each other twice--on a home-and-home basis.

The Mustangs dropped a 7-2 decision to Portales here Saturday afternoon. Jessie Stone, who went the route, was the losing pitcher.

Bovina managed four basehits in the game. Two safeties in a row produced the first run in the fourth inning. Mike Grissom doubled and romped home on a single by Scotty Rundell. Bill Caldwell and Lynn Murphy also had singles in the game.

Playing in Hereford the previous week, the Mustangs lost to the Whitefaces, 13-8.

Cox' team played Farwell here Tuesday afternoon and is meeting Dumas there today (Wednesday).

TOP BOAT AUTHOR WRITING FOR US

A new column entitled "Better Boating" will appear in this paper periodically for the benefit of our boat owner readers and those who are interested in the sport. The column is written by Hervey Garrett Smith, noted marine writer and artist covering such subjects as boating laws and regulations, Coast Guard requirements, maintenance tips, boat handling and a variety of informative subjects which will help make your boating more enjoyable. Mr. Smith has written numerous boating articles for leading magazines and has authored a number of highly informative books. Among his best sellers are "The Marlinespike Sailor," "Boat Carpentry,"
