

## WHITTLIN'

By DOLPH MOTEN

Conversation this week with Ralph Douglas, city engineer, who will be in charge of Bovina's next proposed paving project, revealed the value he places on paving.

Selling paving is part of Douglas' job, you understand, so you can discount his beliefs whatever per cent you think is necessary under the circumstances.

However, Ralph, who has been Bovina's engineer on a satisfactory plus basis for the past several years, is a convincing sort of fellow.

He smokes a pipe and therefore talks slowly and has an air about him which leads his listeners to believe he knows of what he speaks. He doesn't make rash statements and leaves the impression he could easily prove, if necessary, every thing he says with facts, figures and individual testimony.

He has handled, directly or indirectly, all the city's engineering business that we know about . . . and that's more than a couple of years. During that time, he has kept the confidence of the various city council members as we went about tending to various municipal projects.

Douglas says he's handled probably 50 paving projects during his career and never yet has he seen a property owner who was willing to give up his paving and take his money back once the job was completed.

"There's some trouble in getting all jobs lined out," he indicated, "but once they're completed the people who get the paving around their property are pleased with it."

He expects Bovina's forthcoming project to total from 20 or 25 blocks, but admits there's a possibility the total could go as high as 35.

Bids from contractors for the proposed paving will be opened tomorrow (Thursday) at the city hall. Then, the cost per foot will be known and planning can go on from there. He thinks, or knows, it will take a minimum of 45 days to get the project underway after the bids are opened. That would make construction begin roughly around July 1, if we understood him correctly.

Douglas says he's seen entire new areas of towns "opened up" and developed as a result of paving. He figures that paving can often be sold at a profit if and when a property owner wants to convert his holdings to cash.

"If a person wants to build any more than a shack, he's usually willing to pay for the additional cost of paving when he buys a lot," Douglas points out.

Paving makes for a better town; there's not much question about that.

We've agreed here that it's a good deal for the individual property owners.

With those two advantages, we need to have as many blocks as possible included in the forthcoming project here.

It can change the entire complexion of the areas of town where it's put in . . . for the better.

Be receptive to the city representative who asks you to put your name on the dotted paving line.

Parting with the money which the paving costs is the big problem, Douglas says, which is encountered in each and every project.

"None of us like to cough up money which isn't going to bring us an immediate return," he admits.

A bill to outlaw closed-door meetings of government agencies passed the Senate unanimously, a report from the Texas Press Association in Austin says.

Misdemeanor fines are provided for violations, and "any interested person" may launch court action for mandamus or injunction against closed meetings.

Closed meetings have never been a problem in this area, that we know about.

The bill gets this department's approval, of course, because of the protection it will give taxpayers and/or citizens.

Belly aching about Daylight Savings Time continues. The only "favorable" comment

(Continued on Page 2)

MARKS LOCATION -- The sign erected last week announces to passers-by that the Bovina medical clinic will be constructed on the half block land donated to the Clinic Fund by a pioneer family, Joe F. and the late Margaret Langers. Steps are being taken to launch a drive to raise approximately \$50,000 for the building of a clinic here and secure a medical doctor.

## At Regular Meet --

# City, SWPS Agree To 20-Year Terms

City of Bovina and Southwestern Public Service Co. entered into a contract last week whereby the company will supply electricity to the city for the next 20 years.

The action was taken at a regular monthly meeting of the city council.

Representing SWPS at the session were Gerald Darrough, area manager, and Otis Huggins, local manager.

## Baseball Dinner Sunday

Sunday, Mother's Day, is the time set by members of Bovina Lions Club for their annual fried chicken dinner. The event is designed to raise money to pay for the boys' summer baseball program.

It will be in school cafeteria. Serving will be from 12 noon until 1:30 p.m., announces H. J. Charles, Lions president. Tickets are being sold in advance by members of the civic organization for \$5 per couple and will also be available at the door. Children's tickets may be purchased at the door for \$1 each.

The dinner which is prepared and served by members of the club has proven to be a successful money-raiser in the past. Vernon Estes will be in charge of frying the chicken. The money earned from the dinner will be used to pay the expenses of the baseball program including bats, balls and other equipment, Charles says.

The company had originally, and earlier, asked for a 30-year franchise. The city had agreed to sign a 10-year contract. Darrough said at the beginning of the Thursday night meeting that he had company permission to agree to 20 years. The city council offered to "split the difference" at 15. However, after discussion by council members, the 20-year terms were agreed to.

A 20-year contract between the city and the company had expired this year.

After the discussion with the electric company officials, the council considered purchasing a new kind of mosquito spray powder. A 25-minute film on the product was shown by the salesman, Sam Sanders of Lubbock. He said the spray is non-poisonous, non-toxic and odorless. The council agreed to consider purchasing the product.

Council members agreed to get an attorney's opinion about what can be done to control "peddlers" in the city.

Also an attorney's opinion will be sought on the possibility of the city taking care of vacant lots for property owners who won't and then assessing the cost against the property.

The councilmen considered passing an ordinance which would require all dogs in the city to be vaccinated and tagged. The ordinance was considered several months ago, but no action was taken. A study will be made as to what present law

says must be done with stray dogs which are picked up.

Considered also was the purchase of a new pickup for city use. Some three or four bids were considered from area automobile dealers, but no action was taken.

Items discussed Thursday night will possibly come before

the board again tomorrow (Thursday) when a special meeting is scheduled at 2 p.m. to open bids for a proposed paving project.

All members of the council were present, Mayor Bedford Caldwell and Councilmen Edward Isaac, Billie Sudderth, Owen Patton, Charles Corn and C. R. Elliott.

## For Paving --

# Council Opens Bids Thursday

Bids for Bovina's proposed street paving program, with as many as six expected to be submitted, will be opened at a special meeting of the city council tomorrow (Thursday) at 2 p.m., at First State Bank.

From 20 to 35 blocks are expected to be included in the project, Ralph Douglas of Muleshoe, city engineer, says. The total number of blocks will not affect cost-per-foot of the paving, curbing and gutters, he said.

After the contract is let, a representative of the city will contact property owners who will be included in the program

## Mrs. Redden School Secretary --

# Board Names Lusk Boys Basketball Coach

Truck Lusk was promoted to boys basketball coach of Bovina High School at a meeting of the school board Monday night.

Lusk, who is presently junior high coach, head baseball coach and an assistant football coach, will take over his new duties at the beginning of the new school year.

He will continue as a football assistant coach in his new position.

A graduate of Colorado State College at Greeley, Lusk is in his first year here. He teaches junior high history and physical

education in addition to his coaching duties.

The boys basketball coaching position became open when Darrell Read resigned effective at the end of the present school year.

In the new post, Lusk will be paid \$1500 above state schedule for teachers. He earned \$600 above as junior high coach this year and in the same position, would have received \$1200 above state schedule next year.

A coach for girls basketball is yet to be named. Read handled both teams this year.

At the beginning of Monday night's meeting, which was a regular monthly session for the trustees, bids were opened for the sale of \$212,000 in school bonds to pay for a new grade school building.

The successful bidder and the lowest of four was Rowles, Winston and Co., Inc. of Houston. Interest rate will be 3.92685 per cent. The bonds will be paid back over a 16 year period. Total interest charges will be \$80,461.25.

Bob Estes, school fiscal agent who is handling details of selling the bonds, met with the board. The interest rate was

less than had been anticipated. A rate of 4.1 or 4.2 per cent had been expected.

The bond money will be deposited at First State Bank of Bovina and will earn 4.5 per cent interest until it is needed to pay for the new building. The funds are expected to be made available next month.

Mrs. Mary Ruth Redden was named school secretary by the board effective August 15. She replaces Mrs. Richard Roberts, who has resigned effective at the end of the present school year.

The board decided that the school district's equalization board will convene Tuesday, June 20. Named to serve on the board were Durward Bell, J. D. Kirkpatrick, Chris Drager, Tom Caldwell and Wendol Christian.

A vacant teacherage was sold for \$150 to Marion Howard of Muleshoe. A part of the deal is that Howard will move the house and clear the lot.

In a recent meeting, Mrs. E. G. Snodgrass was signed to teach in high school on a half-time basis next year. She will teach two Spanish courses and one course in Biblical history.

Mrs. Snodgrass replaces James Mallard as Spanish teacher. Biblical history will be a new course in the curriculum. Mrs. Snodgrass has a bachelor's degree and nine years teaching experience.

Also at an earlier meeting, the salaries of the schools' two custodians was increased to \$4800 per year each.

## Over \$2 Million --

# Bank Deposit Holds Steady

Deposits at First State Bank of Bovina at the end of business April 25 totaled \$2,075,526.57, about the same as that on deposit in April, 1966, according to the report of condition appearing in last week's issue of The Blade.

Loans totaled \$1,548,367.95 on April 25 this year.

Deposits are up about \$65,000 since the report at the end of the year as reported on Dec. 31, 1966. At that time deposits totaled \$2,010,953.95 and loans stood at \$1,496,819.49.

A year ago, First State Bank reported deposits of \$2,079,276.80, only about \$4,000 more than on deposit at this time.

Loans reported in April, 1966 were \$1,137,849.36.

Bob Estes, president of First State Bank, said the effect the late freeze damage to the wheat crop may have on bank deposits cannot be determined now, since reports to him have been from no damage to 50 per cent damage in the area.

## Spring Event --

# Band Concert This Sunday

Annual Spring Concert will be presented Sunday afternoon at 3 p.m. in the school auditorium by Bovina High School Band, the Junior High Band, and the Stage Band, according to Joe Wayne Harper, director.

There will be no admission charge as this is the last appearance of the bands for this school year, Harper said.

Both high school and junior high units will play their concert numbers, Harper said.

The Junior High Band will play "La Banda Nescente," "La Nuit," "Carnival for Trumpets," "Kerry Dance," "Goof-

in," and "Hymn of Brotherhood." The High School Band will

## Cancer Drive Totals \$122

Cancer Crusade, conducted here Tuesday night of last week by Eastern Star and Order of Rainbow for Girls, netted \$122.56 for the cause which finances research in cause and cure of the dread disease.

Mrs. A. M. Wilson was chairman of the drive in Bovina.

Many persons contacted were given envelopes in which to mail in their contributions.

present "The Blue and the Gray," songs from the Civil War, "The Traveler," "Rhythm of the Winds," "Onward, Upward," "Sarabanda Govorta," and selections from "Sound of Music."

Presented by the Stage Band will be selections of all numbers played at banquets this year.

Highlighting the concert will be the announcement of the identity of the Band Sweetheart.

Awards will also be given to students who achieved Division I ratings at solo and ensemble

contests in junior high and high school competition.

## Hemke, Moore Top Two --

# Eighth Honor Group Named

SHARON HEMKE

SHERYL MOORE

BECKY JACOBS

SANDRA BOWMAN

LOY CHRISTIAN

The top five honor students in the eighth grade class have been announced in Bovina Schools. The valedictorian and salutatorian are slated to appear on the graduation program Thursday, May 25.

Sharon Hemke is valedictorian with 95.8. She is the daughter of Mr. and Mrs. Jim Hemke.

Sheryl Moore, daughter of Mr. and Mrs. W. A. Moore, is salutatorian of the eighth grade class with 92.5.

Third in line is Becky Jacobs with 90.7. Her parents are Mr. and Mrs. L. F. Jacobs.

Fourth top student is Sandra Bowman, daughter of Mr. and Mrs. C. W. Bowman. Her yearly grade average is 90.

Loy Christian is fifth with 89.5. She is the daughter of Mr. and Mrs. Wendol Christian.

Previous to be graduated from junior high school, the class held its banquet Saturday night in the school cafeteria.

Reflections From The Blade

TEN YEARS AGO May 8, 1957

Voters took the major step toward a paving program for Bovina Thursday as 94 of 153 marked their ballots "for" the issuance of \$30,000 in street improvement bonds.

Bovina's first traffic ordinances went on the record books at a regular meeting of the city commission Monday night. Three ordinances were passed. They prohibit center parking on North (Main) Street, making turns on North Street except at intersections, and parking within 10 feet of the corners on North Street.

Neil Smith, in his fourth trip to the state track meet in Austin, tied for first place in the pole vault event last weekend. A vault of 12 feet earned him the tie for first place.

Radford Venable was honored with a birthday party in his home Wednesday afternoon of last week. The 10-year-old boy is the son of Mr. and Mrs. Elton Venable.

Eight students of Mrs. Margaret Caldwell's piano class went to Amarillo Thursday of last week for an audition and grading of their work. Those attending were Vickie Hawkins, Mike Crisom, Janie Hawkins, Mary Ann McKinney, Carol Jean Hastings, Jerry Rigdon, Don Caldwell and Joan Kay Ezell.

"Garden of Friendship" was the theme of a banquet honoring the students of the eighth grade class and their parents Friday evening. It was held in the home of Mrs. Elton Venable.

The annual spring band concert will be presented Thursday in Bovina School auditorium at 8 p.m. W. Wayne Stevens, music director, will be in charge.

This week's Boost Bovina drawing will be the largest ever. A total of \$70 will be drawn for at two drawings -- 3:30 and 4:30 p.m.

SIX YEARS AGO May 10, 1961

Bovina's proposed housing development is in the go-ahead stage. Cable TV remains a possibility for Bovina. O. M. Hammonds, who has a city franchise for such a system, says that research concerning Bovina's proposed set-up has been completed and sign-up is ready to begin.

With an average of 95, Lynn Looney is valedictorian of Bovina's junior high graduating class. Salutatorian is Bill Minter with an average of 93. David Anderson, who has an average of 91, was third high.

To band or not to band. That has long been a subject of controversy in Bovina Schools.

In a regular meeting Monday night, school board members voted against having a school band next year.

Organizational meeting of boys interested in participating in Bovina's Little League baseball program this summer will be Friday afternoon at 4 at the football field.

The program will be sponsored by Lions Club, as it has in years past.

Don Caldwell, Bovina's lone entry in state track meet at Austin last weekend, came in a close second in his event, the mile run.

Rev. John Ferguson, pastor of First Baptist Church of Bovina, will deliver the sermon at baccalaureate services for 1961 graduating class of Bovina High School.

Warren Morton, superintendent of Bovina Schools, was an area representative of Texas State Teachers Association at Austin last week.

Mrs. Bob McMeans entertained members of Sewing Club Friday in her home.

Merriell Green, assistant football coach at Texas Tech, will be the featured speaker at the annual Bovina High athletic banquet Saturday night.

LIFT THAT BAIL

The highest bail ever demanded by any court was \$7,980,000 for Seth Ramkrishna Dalmia in New Delhi, India, in 1953. He was charged with embezzlement.

Value Unknown --

Burnetts' Tom Cat Rare Tri - Coloured

A rare cat lives in Bovina. How valuable he is remains to be seen.

"Mr. Thomas Punkin," a tri-coloured male, is owned by Mr. and Mrs. Bob Burnett and their two children, Sherry and Terry.

The fact that the cat is tri-coloured is not so unusual, but the fact that he is a male tri-colour is. What makes the cat valuable is that he is fertile. Burnett says he presently knows of only two others in the United States.

The "Encyclopedia of Cats" by Dr. E. Dechambre says "An interesting feature of this variety (tri-colour) is the rarity of toms with this colouring, and those which do exist are sterile."

However, the Burnetts have the verification written by B. L. Russell, DVM of Clovis, that "Mr. Thomas Punkin" is a tri-coloured male. They also have four tri-coloured kittens to prove he is fertile. The mother cat is three colors, but this is not unusual at all and she has no monetary value.

The 17-month old medium-haired rarity is black, white and yellow. The Burnetts acquired him when he was about five months old. A Latin American man who was moving from Bovina gave him to the Burnetts for a pet.

It was not until a cousin, C. R. Galloway of Sante, Calif., saw the tom and told them of his value that the Burnetts knew he was not a common animal. An uncle who lives in California knows of a fertile tri-colour male in that state, which has been reported to be in failing health. Another is at the University of Minnesota and according to the January issue of "Cat Magazine," tests have proven that only about one in two billion exist.

Dr. H. D. Gore, Clovis veterinarian, told the Burnetts that he had never seen one before.

The Burnetts have been advised to have the cat classified and registered. This is not as easy as it may seem, the family says. No one knows how to classify the cat, since there are none registered. He may fall under the category of calico, tortoise shell or tortoise point.

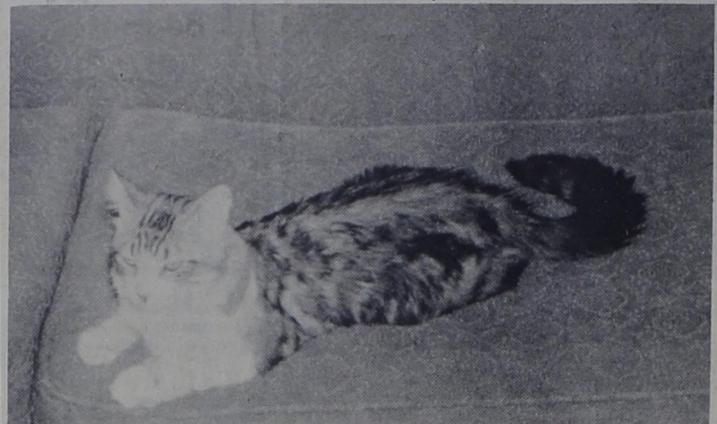

A check with the Cat Fancy Association in New Jersey, largest organization of registration of felines, has no records of such a cat and no literature to offer concerning them.

Letters have been sent to cat experts in hopes of learning more about the rarity.

Burnett has been told that a major magazine has offered a great deal for such a tom and that he can probably "name his price."

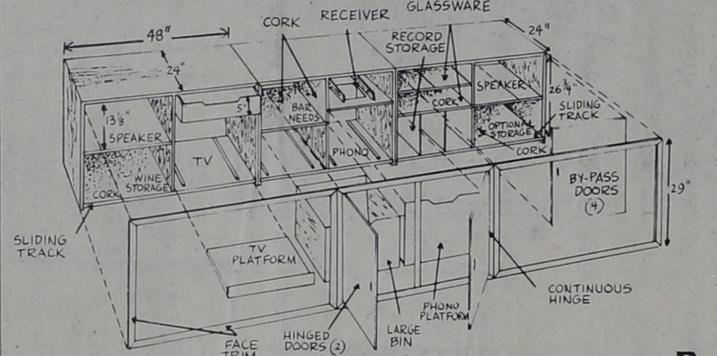

Whether or not any of the kittens are males is not known since they are only a few weeks old.

Asked if he would sell the cat if it is valuable, or breed the unusual animals himself, Burnett said he would sell -- and doesn't really care if they never have another feline.

MEET MR. THOMAS PUNKIN -- A tri-coloured fertile male cat belonging to the Bob Burnett family of Bovina may prove to be a valuable asset. About six months ago the Burnetts discovered he is a rare species and have since written many letters and visited veterinarians confirming his rarity.

BUILD YOUR OWN HOME ENTERTAINMENT CENTER

Whether you're smitten by stereo or stymied by space or both--there's no better answer than this 12-foot, 3-section stereo console of Canadian Yellow Birch Plywood. Its interior can house stereo receiver, 2 loudspeakers, phono turntable, TV set, bar needs, record storage, wire rack to name a few. Simple construction and low cost make this plan easy to follow. Here's all you need.

- 6 panels 24" x 48" of 3/4" Canadian yellow birch plywood
6 panels 24" x 26 3/4" of 3/4" yellow birch plywood for sides and center uprights
6 panels of 24" x 23 3/4" of 1/2" yellow birch plywood for interior shelves
3 panels of 24" x 48" x 26 3/4" of 1/4" yellow birch plywood for backs
2 panels of 13 3/4" x 24" of 1/4" yellow birch plywood

for record separators. Hardwood plywood is also used for face trims (see drawing above), the 6 doors (4 by-pass and 2 hinged), bin and drawer faces, and TV and phone platforms. Bin drawer sides and back take 1/2" ply, and 1/4" ply makes up bottoms. Bassick ball casters (surface mounting, plate types), 6 to a cabinet. White glue, assorted screws, nails and clamps.

Assemble basic framework (top, sides, bottom, shelves and center upright), one cabinet at a time; glue, nail and clamp. Allow for mitered corners with splines. Having previously routed grooves for double track and guide channels in bottom and top-undersides, installation of

the 4 by-pass doors, shelves and guide rollers should be no problem.

Move on to face-trim for the 3 cabinets, cutting 1 1/2" wide strips from birch or pine, and mitering corners. Assemble and glue framework, saving center post of center cabinet for later. Then cut snap-open doors, allowing hinge and center-post clearance. Hang doors on framework, and glue and nail center post.

Now, cut stock for platforms, drawer and bin, based on actual openings plus clearances (3/16" all-around, with additional allowances for sliding track).

You need not finish the handsome Canadian yellow birch cabinet since the wood comes pre-finished. Once in a blue moon, wipe with a damp rag.

At Hereford --

Shrine Children Clinic Saturday

HEREFORD -- Children from this area who need the attention or recommendations of a specialist will again have the opportunity to receive this attention when the 12th Annual Shrine Children's Clinic is held Saturday. The Oasis Shrine of Deaf Smith, Parmer and Castro Counties sponsors the clinic annually.

Not to be confused with a treatment clinic, nor with a charity clinic, the day will be devoted to bringing specialists in every medical field and children with a wide variety of problems together without expense to the parents of the children. After the child receives a preliminary diagnosis from a

board of general practitioners, he will be directed to a specialist who will do a thorough examination and make specific recommendations for that child's future treatment or needs.

General physical examinations of well children are not part of the plan -- the day being devoted to children with known or suspected problems. Dentists, optometrists and medical doctors donate their services.

The one day clinic holds its registration in the Community Center in Hereford and moves the children to the Hereford Medical and Surgical Clinic for examinations by specialists.

Dinner will be served parents, children and volunteers at the Hereford High School cafeteria. More information and pre-registration can be accomplished by contacting doctors in the area, or members of the Shrine. The clinic is for children from infancy to 18 years of age. All costs are met by the Shriners and the specialists, doctors and nurses donate their time. Registration in Hereford begins at 8:30 a.m. and will extend throughout the day, May 13. Pre-registration blanks are available from Shrine members in Bovina.

Whittlin' --

(Continued from Page 1)

We've heard about it is that it "might be good for people who live in the cities."

One fellow we know says people can stay up until dark if they want to, but he's making an effort to adjust to the new time and learn to sleep with the sun shining.

That's a good attitude, we'd say. And besides, it will help eliminate that tired feeling too many of us have had since DST went into effect 10 days ago.

It Is GOD'S PEACE Shining From Their Eyes!

You may not see any merit in confessing your sins to a priest, as Catholics do.

Perhaps you think as some do, that it is a humiliating practice which Catholics themselves would not observe if the Church did not require them to do so. And you may well wonder what effect, if any, such confession has upon the spiritual life of the individual.

We suggest that you turn the pages of your Bible to John 20:21-23 and read Christ's commission to the Apostles: "Whose sins ye shall forgive, they are forgiven them; whose sins ye shall retain, they are retained."

We might cite the fact that Christ, in this command, instituted the Sacrament of Penance, or Confession, and that Catholics all over the world have been going to Confession for the 1900 years since. We might point out that ALL Christians observed this Sacrament for the first 15 centuries of Christendom.

But instead we invite you to look into and study the faces of the throngs of people coming out of Catholic churches everywhere in the dusk of a late Saturday afternoon. The sense of guilt which may have clouded their features going in is no longer there... for their sins have been forgiven and the light of God's peace shines from their eyes!

Confessing our sins to another human being may indeed appear to be a humiliating thing. But if only a question of personal pride were involved, we should have to admit that the sins themselves

are surely more humiliating than the confession of them. For Catholics, this inward humiliation--this sense of guilt--is overcome by God's promised forgiveness, conferred through the Sacrament which His divine Son instituted for that purpose.

If you are not a Catholic and have never been to Confession, you cannot appreciate the joy that a true Confession can bring to the heart of a human being. You cannot imagine the load it can lift from a tortured mind. You cannot realize the influence it can have on your life in every sphere.

Nothing in Holy Scripture is more specific, more positive than Christ's instruction concerning confession and forgiveness of sin. And even though you may not wish to follow the example of your Catholic neighbor in this respect, we think you will be tremendously interested in a pamphlet on the Sacrament of Penance. We will be glad to send you a copy free on request. And nobody will call on you. Write today--ask for Pamphlet KC-46.

Okay Brochure --

# Directors Meet Here Thursday

Directors of Bovina Chamber of Commerce and Agriculture met Thursday noon in Bovina Restaurant and took action on printing a six-page brochure for the community.

The group also voted its backing to the city's proposed swimming pool project.

The six-page brochure will feature the Bovina area. A total of 6,000 may be printed at a cost of \$530 if cooperation from the city is secured in covering the cost.

Tom Beauchamp, president of the Chamber who presided at the meeting, announced that committees for Bull Town Days celebration will be completed

by the June meeting of the board of directors.

Attending the meeting, in addition to Beauchamp, were directors Otis Spears, Wayne Spears, Mrs. Bob Estes, Tom Bonds, Kenneth Cary, Jamie Clearman, Mrs. Robert E. Wilson, C. E. Trimble, Leon Grison, T. C. Wiseman, Earl Whitten and manager, Jim Ware.

For Baseball --

## Planning Session Tonight

Planning for boys' summer baseball program here will be discussed at a meeting tonight (Wednesday) at Bovina Restaurant at 8 p.m.

Attending the meeting will be team sponsors, managers, members of the Lions Club committee in charge of the program and others interested, according to Wayne Spears, Lions' baseball chairman.

Players will be divided into teams and preparations for drawing the schedule will be made. Boys will play with the same teams they did last year except those who are joining a league for the first time.

Present plans call for four teams to be in each the Little League and Pee-wee League with possibly two teams in Babe Ruth League. In the younger divisions three of the teams will be from Bovina with one each from Rhea, Oklahoma Lane, which has had teams in the Leagues here since the boys baseball program began, has indicated that it will probably not field teams this year.

SYNTHETIC minerals are being created by Lehigh University scientists who are successfully duplicating geologic phenomena that took millions of years to occur. Chief natural forces duplicated are ultra-high temperature and pressure.

Majority In Favor --

## Swimming Pool Response Good

Response to a swimming pool questionnaire which appeared in last week's issue of The Blade has been good, Mayor Bedford Caldwell said this week.

Citizens who have turned in the questionnaire have indicated an overwhelming interest in a city-owned pool. Totals of the "vote" through mid-week showed 25 for the pool and two against. On the proposal for spending tax money for the pool, 34 were in favor and four were against.

"Eventhough the response up to now has been good, we would like to have opinions of still more people," Caldwell said. The questionnaire is being offered again in this week's issue of the paper so more people may make their views known. Citizens who haven't done so are asked to fill it out and take it or mail it to the city hall.

Would you like to see a swimming pool installed in Bovina Yes  No

Would you be favorable to supporting a pool with tax money if the proper supervision is maintained including fees or charges imposed, whereby the income would repay the cost over a period of years Yes  No

### Cook-Out Honors '67 Senior Class Thursday

Mr. and Mrs. Paul Jones were hosts Thursday night to 22 members of Bovina High School Senior Class, when a cook-out was held at their home. Charcoal broiled rib-eye steak and trimmings were served.

Attending the event were Josie Alonzo, Karen Beauchamp, Janice Boothe, Gale Boyd, Tommy Crump, Eddi Corn, Wayne Davies, Larry Fleming, Lane Gober, Roxie Hutto, Carol Jamerson, Randy Jones, Ricky Kunselman, Delbert Lorenz, Nancy Pewitt, Beverly Jo Pinner, Luis Serna, Frances Sierra, and Kregg Wilson.

Other guests included the class sponsors Mr. and Mrs. Wilson DiCuffa, Truck Lusk, and Mr. and Mrs. Otis Spears, Mr. and Mrs. L. F. Jacobs. Assisting with the event were Richard Roberts and Mrs. Lloyd Gober.

### Community Conversation

Mr. and Mrs. Leon Richards and daughter of Lubbock were here over the weekend visiting their parents, Mr. and Mrs. Earl Richards and Mr. and Mrs. Norvell Strawn.

### GOOD SPORTSMANSHIP, 1967 STYLE

The good sports are here! Summer sports clothes that are "in" without being far out, that can keep their cool on the hottest days, and do it with style.

If this sort of fashion appeals to you, by all means give the pantsdress a sporting chance. It's almost universally flattering; swingy enough for the teenager, ladylike enough for her mother, all right even for figures that look all wrong in most pants.

McCall's designs a beautifully simple, sleeveless culotte dress that may be made in two lengths, regular or "mini." Either way, Pattern #8815 can be a grand design for summer success in crisp pique or hopsacking. Or try almost any striped fabric: bold and blazing, or understated like seersucker and cord.

Great sport for good figures is the mini-dress. On the beach or at patio parties, it's like a breath of fresh air—and sewing it can also be a breeze. The basic pattern in McCall's #8744, for instance, yields not one, not two, but six mini-dresses!

Start with one uncluttered little skimmer, perfect in wild, wild prints. Make it five times more in various fabrics, adding such details as patch pockets; ribbon trim on the skirt; lace edging at neckline and hem. Soon you have a mini-wardrobe of maximum appeal.

The separates you'll want to sport all season long are from a particularly versatile pattern packet, McCall's #8810. Here are designs for slacks,

shorts and mini-skirt, all with dropped waist and a wide, hip-hugging belt. Topping them off is a sleeveless top with narrowed shoulders

slanting in toward a cuffed collar—very new, very fetching. This item could become indispensable, so why not make it in several colors and fabrics?

Together, these fashions can cover most of your needs for a leisure-time wardrobe. How's that for good sportsmanship?

NO OTHER GUY! Half of the fatal highway accidents that occur on the rural roads of Texas might well be called "do it yourself" accidents, because only one car is involved, says "Texans for Traffic Safety."

Never fail to be amused at this younger generation (which, by the way, is not going to the dogs). Other day on a television program directed to the teen-age viewers, a young lady singer was asked why boys seem to be making more albums than the females. She replied that the boys are more romantic. The "Electric Prunes" were then introduced.

## Of Interest To THE WOMEN

EIGHTH GRADE BANQUET -- "Flight To the Moon" was the theme of the event honoring eighth grade students Saturday night in the school cafeteria. About 60 students and faculty members attended when the simulated "blast off" was held.

### 'Flight To The Moon' Held At Eighth Grade Banquet

Members of Bovina's eighth grade class were honored with a banquet Saturday night in the school cafeteria, "Flight to the Moon" was the theme of the program and carried out in decorations.

A dinner of barbecue and trimmings was served the group by candlelight.

Otis Spears, superintendent, served as operations director (Master of ceremonies) of Outer-Outer Space.

Supersonic Feeling (invocation) was given by the Sky Pilot, Mike Beauchamp.

Entertainment included a song, "Moon River," presented by the Singing Stars, composed of Deborah Hawkins, Pansy Clawson, Debra Kirkpatrick and Loy Christian, accompanied at the piano by Sheryl Moore.

Group singing and a skit presented by the faculty were directed by Mrs. Harold Hawk-

ins, navigator, who was instrumental in planning the banquet and the program.

Pictures of the eighth graders as babies were shown on the large yellow moon decorating the hall when members tried to guess identity of each.

Winner of a drawing, Doyle Merrill, received a record of The Astronauts. Four other winners were awarded large suckers.

Spacegrams were delivered several members of the class by Mars man, Greg Hromas. Seventh grade girls, dressed as airline hostesses, served the meal.

In addition to the large yellow moon the cafeteria was decorated with stars, comets, rockets, planets and was completed with a floor of clouds produced by dry ice. Tables were decorated with candles surrounded by angel hair.

Following the banquet, a party was held in the home of Mr. and Mrs. Durward Bell.

Sponsors of the class are Mrs. Gene Douglas and James Mallard.

### Son Born To Stevens

Mr. and Mrs. James Stevens of Amarillo are the parents of a son born on April 16 there. Weighing eight pounds, one ounce, he was named James Lee.

The boy is the first grandson of Mr. and Mrs. J. D. Stevens of Bovina. Exactly two months earlier, on Feb. 16, their granddaughter, Mrs. Betty Hartman, became the mother of a baby girl on Grandpa Steven's birthday.

The new son of the James Stevens has two big sisters, Shelley and Sabra.

### Luncheon Set For Thursday

A covered dish luncheon Thursday will conclude this year's program of Bovina Woman's Study Club. Program topic will be "Challenges of the End and For Another Year."

Roll call will be answered with "Our Best Program."

Reports and review of the year's activities will be made.

The social committee of the club will be in charge of the luncheon while Mrs. Bill Bradshaw is in charge of invitations.

### Know The Truth

By Lavern Stewart

Some things are secret, and about these we must not be overly anxious; however, some other things are revealed, and about these we must be very concerned. Notice Deut. 29:29, "The secret things belong unto Jehovah our God; but the things that are revealed belong unto us and to our children forever, that we may do all the words of this law." The judgment day is one matter that has both revealed and secret things about it. The time is known to God, but unknown to man. Even though we do not know the day, we know that everyone who has ever lived will stand before the Lord: consider, II Cor. 5:10, "For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad." Also John 5:28, "Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear His voice, and shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation." God has revealed that the standard by which we will be judged is the Gospel, the words of Christ, John 12:48, "He that rejecteth Me, and receiveth not My words, hath one that judgeth him; the same shall judge him in the last day." Some people claim to know that there will be two resurrections and two judgment days -- but they can only think it, they cannot know what the Bible does not teach. The apostle Paul tried to lead the men of Athens to repent by telling them about the judgment, Acts 17:30-31, "And the times of this ignorance God winked at; but now commandeth all men everywhere to repent: Because He hath appointed a day, in which He will judge the world in righteousness. . . . It is a "revealed" fact that God would have us to be converted and serve Him faithfully thereafter.

Hear "Know The Truth" Over KNNN, Friona, At 10:30 a.m., Monday-Friday.

### Church of Christ BOVINA, TEXAS

### Marriage Licenses Issued

Three marriage licenses were issued from the office of the Parmer County Clerk during the past week. Permits to wed went to: Everett Louis Gee and Wessie Marlene Hand; Benito Rodriguez and Julia Rodriguez on May 5; and to Van Kirland Crume and Phyllis Kay Christian on May 6.

### Antiquing Lessons Here Monday

An antiquing demonstration will be conducted Monday at 3:30 p.m. at M & M Paint and Glass Company on Third Street to which the public is invited to attend, according to Mrs. Dixie McCutchan, owner.

Included will be instructions on stripping, sanding, applying the base coat, patina glaze and finish to pieces of furniture by a representative of Glidden Paints.

During the day demonstrations will be given to FHA members in the Bovina Schools.

That afternoon spudnuts, coffee and cokes will be served to those attending the demonstration, Mrs. McCutchan said.

### Hospital Notes

Mrs. Johnnie Horn underwent major surgery Monday in Methodist Hospital in Lubbock.

### WHAT'S FOR LUNCH?

When the noon hour comes 'round and the family wants to know what the lunch menu is, turn to husky sandwiches, a light salad, and big frothy glasses of homemade milk shakes.

For the sandwiches, select little hero buns, slit them crosswise almost through, and fill with plenty of shredded cheese; then place in the oven to toast until golden brown.

In the meantime, arrange a salad of tomato wedges, carrot and celery sticks, and lettuce on the side of luncheon plates. Then make up a batch of new strawberry flavor Great Shakes Shake Mix. So easy to do, since each serving is individually packaged for

### Kindergarten Do Give End Of Year Program

Students attending kindergarten this year, under the direction of Mrs. W. E. Williams and Mrs. E. M. Ware, will present their end of school program at 9:30 a.m., Friday.

Parents are invited to attend the program, which will include songs, dramatizations, rhythm band and other numbers, Mrs. Williams said.

A total of 20 boys and girls will be given diplomas from kindergarten at the event.

Those who have been attending kindergarten and will participate in the end of school program include Del Ray Suderth, Sandi Sides, Jay McCracken, Linda Ferguson, Ronnie Carey, Jody Watts, Tina Gerles, Timmy Bartley, Linda Garcia, Mike James, Sharon Spurlin, Jeff Hromas, Donita

### Party Held On Birthday

Tedra Stewart was entertained with a slumber party in her home on her 16th birthday Friday, May 5. She is the daughter of Mr. and Mrs. Lavern Stewart.

Hamburgers, chips, dip, cokes and cake were served that evening and pancakes were served next morning for breakfast.

The group from the sophomore class which played games and records, included Myrna Ritchie, Brenda Dilger, Rose Denney, Sheryl Lane, Eva Jo Clawson, Beth Hutto, Kathy Estes, Karen Verett, Martha Adams, Vicki Hawkins and Becky Boothe.

### Davis Baby Comes Home

The one-month-old daughter of Mr. and Mrs. Eddie Ray Davis, Jr., was released from Clovis Memorial Hospital this week after gaining to five pounds, nine ounces.

When born on April 2, LaShawn weighed three pounds, two ounces.

She is the couple's first child and is the granddaughter of Mr. and Mrs. Elbert Thomas of Bovina and Mr. and Mrs. Eddie Ray Davis, Sr. of Clovis.

On Saturday the mother and baby were honored with a shower in the home of Mrs. Albert Stewart in Texico, Mrs. Benny Shelby was one of the hostesses.

### Junior-Senior Banquet Set

quet for students in Bovina High School will be held Saturday in the American Legion Hall.

The event is one of the highlights of the year for the upperclassmen when the Juniors entertain the Senior Class.

Sponsors of the Junior Class this year are Richard Roberts and Mrs. Ann Corn.

# Bovina Area Churches Welcome You!

## Church Chuckles by CARTWRIGHT

"I hate Mother's Day and Father's Day sermons! Makes parents more difficult to manage when they learn they're important!"

### THE GOOD SHEPHERD

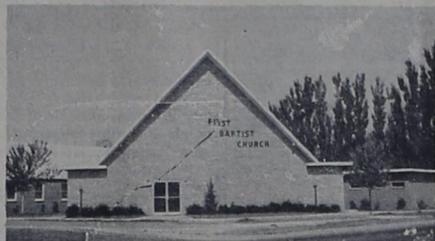

Many terms of description are applied to Jesus in the New Testament, but none are as suggestive of His concern for Christians as that of Shepherd. Not only does the word indicate that Jesus in love feeds, protects, and even gives His life for the sheep, but the very fact that the sheep have a Shepherd implies that they love, trust, and follow Him.

To appreciate the things herein suggested one needs to read John chapter ten. In this chapter Jesus said that He, as the good Shepherd, would give His life for the sheep. It is a great comfort to have our Lord say that He knows His sheep; however, to enjoy this blessing the sheep must also know the Shepherd. They know the voice of their Shepherd and follow Him, but they flee from a stranger. What Jesus said in John ten about His sheep following Him corresponds well with what Moses said, in Deut. 18:15-18, about the need to harken to the coming prophet (meaning Jesus); too, the Heavenly Father bids men hear Jesus, Matthew 17:5. Quite often men want to be protected by the Shepherd, yet they are unwilling to follow His leading. It is the right of the Shepherd to take the lead and set the pace, the sheep are obligated to follow. One cannot be as hard-headed as a goat and as gentle and trusting as a sheep at the same time. Remember, it is the sheep who have the Shepherd, not the goats. At the judgment day the Great Shepherd will separate the sheep from the goats.

Friends, read the New Testament because it is the voice of the Shepherd.

Lavern Stewart, Minister  
Bovina Church of Christ

Fifth Annual Show --

# Amarillo Stallion Appaloosa Champ

Seventy entries were judged in the fifth annual Appaloosa Horse Show Saturday, sponsored by Bovina Roping Club. Total entries was less than the past two years, but more than had been expected since another Appaloosa show, at Sweet-

water, was in progress on the same day. Judged by Ralph Guest of Vega, the show included halter and performance classes, the latter for both adults and youth. Carey's Bright Eyes, owned by James Wingate of Ama-

rillo, took the grand champion trophy in the stallion division of the show. Reserve championship went to Why Not, owned by Lon D. Cartwright of Plainview. Grand champion mare was Equals Mae Bee, exhibited by

Jake Snipes and Sons of Clovis, N.M. Cartwright's Got Took won the reserve grand championship. Guajolote was awarded the grand champion trophy in the gelding class. The winner is owned by R. E. Glass of Roswell, N.M. Rawhide's Cowboy, owned by Wayne Hahn of Portales, N.M., was named the reserve grand champion gelding. In the performance division of the show, winners were named in seven events.

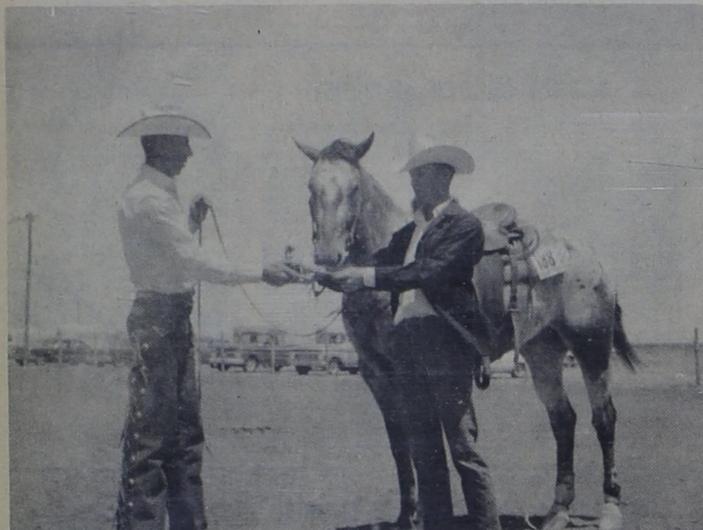

Junior Reining -- Guajolote, owned by R. E. Glass of Roswell; Bill Billberry, rider. Senior Reining -- Red River Radar, Dick and Sheila Bennett of Pampa owners; Sheila Bennett, rider. Junior Cutting -- Beau Chick, Bill McCrory, Plainview, owner; Paul Jones rider.

Senior Cutting -- Butterfly, Ralph Nafzger, Plainview, owner; Paul Jones, rider. Western Pleasure -- Guajolote, Glass, owner and rider. Western Pleasure - (Junior Class) -- Peters Play Boy, R. E. Glass owner; Cathy Glass, rider.

Barrel Racing (Junior Class) -- Red River Radar, Bennett owner; Lonnie Cox of Pampa, rider. First place winners in the stallion classes included King Hi Spot, Lon D. Cartwright, Plainview, owner, 1967 stallions; Equal Spot, Wayne Hahn, Portales, owner, 1966 Stallions; Why Not, Cartwright, owner, 1965 stallions; Lucky High Spot, Bill St. Clair, Muleshoe, owner, 1964 stallions; Carey's Bright Eyes, James Wingate, Amarillo, owner, 1963 or before stallions.

Mares taking first places were Apple Dash, Jake Snipes and Sons, Clovis, 1967 fillies; Frisca, Spotted Acres, Plainview, 1966 fillies; Jo Jan, Jerry Wood, Floyd, N.M., owner, 1965 mares; Pay Day's Nuisance, R. E. Glass, owner, 1964 mares; Equal's Mae Bee, Jake Snipes and Sons, 1963 or before mares. Geldings winning first were Rawhide's Cowboy, Wayne Hahn, 1964 and after; Guajolote, Glass, 1963 or before.

Trophies, furnished by the Bovina Roping Club, were presented the grand champions, reserve champions, and first place winners of each class. Rosettes were awarded second through sixth places. James Roach and Jon Lin Riddle served as ring stewards; Mrs. Robert Read, office secretary; Houston Bartlett, Wendol Christian and Dolph Moten, announcers; Owen Patton, J. D. Kirkpatrick and R. T. Harbour, concession stand.

APPALOOSA SHOW CHAMP -- First place winner in the junior reining class at Saturday's Bovina Roping Club Appaloosa Horse Show was Guajolote, owned by R. E. Glass of Roswell, N.M., and ridden by Bill Billberry. Billberry is receiving the first place trophy from Jon Lin Riddle, one of the ring stewards at the show.

## At Home In Parmer County

4-H ACHIEVEMENT - Jan Jameson, Senior 4-H member of the Friona Club won second place in the bread exhibit at the District Food Show in Canyon. Only three places are given; first, second and third. We congratulate Jan on this honor. Of course, we thought she should have won first and go to the State 4-H Round-up in June.

Other girls participating but did not place in the District Food Show were: Linda Salderas and Ann Blackstone, Lazzubudde Club, and Karene Hart of the Friona Club.

CLOTHING WORKSHOP is in progress at Farwell City Hall. The enthusiasm of the 12 enrolled is high. Ladies from the Methodist Church in Farwell,

servicing as leaders, report that this is a very rewarding experience and service that they enjoy. Sharing of one's talent can give a feeling of worth that is beyond comparison.

Cotton mercerized thread, the all-time favorite for home sewing, is extra-strong. If the thread should break in the sewing machine, check to see if the machine is threaded correctly. Breaking also may be caused by a bent needle, or a needle that is the wrong size for the thread.

NEW DEVELOPMENT IN FABRICS

A research program designed to improve the washability of rayon has resulted in the pro-

duction of a type rayon designated as "high wet-modulus" rayon; one of the most outstanding developments in rayon research. The greatest feature of modulus rayon is its dimensional stability-as it can now be sanforized-to meet the less than one per cent residual shrinkage requirement. High wet modulus rayon can be successfully finished for "durable press," performance.

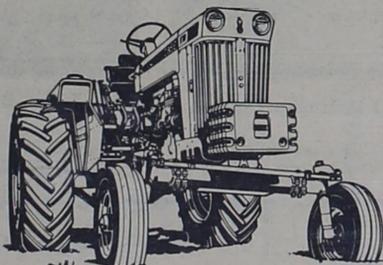

This modulus rayon can be made into velvet, corduroy, print cloth, broadcloth, batiste, fancy satens, cord, poplin and many other woven fabrics. Blends of modulus rayon and corded cotton are producing a lustrous, even fabric at low cost for women who sew at home.

Look for "Mod." by fabric content given on label.

Nylons may soon lead runless lives, thanks to a new stocking finish that invisibly coats hosiery to prevent runs and snags. After a one-minute soak, the finish is said to last through several launderings.

Ask for a copy of "Clothing Action" fabrics. This is a small booklet on kinds of fabric, care and characteristics, free from Extension office in Farwell, Parmer County Courthouse.

## LEGAL NOTICES

NOTICE TO BIDDERS  
Notice is hereby given that the Parmer County Commissioners' Court will accept bids until 10 A.M. May 22, 1967 at the County Judge's office in the Courthouse in Farwell, Texas for the purchase of the following:

One pickup truck, powered by V-8 engine, not less than 280 cubic inch displacement, to be equipped with heater and defroster and 2-speed electric windshield wipers. Chassis shall be not less than 115" wheelbase with standard 8,15 x 15 4-ply tubeless tires, front and rear, to be equipped with a spare tire. The pickup will be equipped with a rear-view mirror and with wide bed, and shall also be equipped with 3-speed manually operated transmission.

Successful bidder will be required to accept as trade-in on the above one used 1962 Chevrolet pickup now owned by Parmer County and which may be inspected at the County Agricultural Agent's office in the Courthouse at Farwell.

Signed this 25th day of April, A.D. 1967.  
Loyde A. Brewer  
County Judge

## Berl Huffman, freshman football, head baseball and varsity assistant coach at Tech, addressed the group.

Officers elected were Robert Neeley, president; Keith Brock, vice president; and Eddy Willmon, secretary-treasurer. Bill Ellis was nominated for a position as director for a six-county region.

Those in attendance voiced belief that by forming individual chapters, more ex-students could be reached in each county. It was also brought up that Hereford had previously considered a chapter of its own.

The group was served coffee and cookies, and were treated to a display of Texas Tech yearbooks and a painting exhibit by fellow ex-Techsan Bobby Wied. Door prizes were won by Otho Whitefield, Mrs. Jim Conkright and Mrs. Eddy Willmon.

Huffman discussed the tremendous growth of the Lubbock college in recent years, and pointed to the expected growth of the institution. Some 20,000 students are expected to enroll next fall, and over 34,000 are predicted by 1975.

## CARD OF THANKS

I wish to take this means of expressing my thanks to each and everyone who sent cards, flowers and visited me during my illness and stay in the hospital. Kind expressions such as these are appreciated so much.

## McCutchan Graduates As Medic

WICHITA FALLS -- Airman Third Class Elbert L. McCutchan Jr., son of Mr. and Mrs. E. L. McCutchan of Bovina, has been graduated at Sheppard AFB, on the training course for U. S. Air Force medical specialists.

Airman McCutchan, a 1965 graduate of Bovina High School, attended Eastern New Mexico University, Portales. He is a member of Sigma Alpha Epsilon.

McCutchan will enter a training course at Sheppard AFB in the field of psychiatry, which will continue for nine weeks.

## Teach Children With Radio, TV

Parents -- not teachers -- must carry the brunt of a child's early education, says Dr. James I. Brown of the University of Minnesota. Author of a new Visual Linguistic Reading program published by 3M Company, Dr. Brown underlines the fact that children spend two-thirds of early learning years in the home.

"Parents can help educate their children by surrounding them with words and word environment, and by sharing experiences and verbalizing feelings," says Dr. Brown.

"In brief, keep a constant dialogue with your children, provide a rich reading background, and turn 'distraction media' such as television or radio to learning situations by participating with children and stimulating question-answer dialogue about content."

To Organize --

# Water, Inc. Meets In Lubbock May 24

Final steps will be taken May 24 for formation of Water, Inc., as individuals and organizations on the High Plains of Texas meet at the Koko Palace in Lubbock beginning at 2 p.m.

At a meeting last week, the name, Water, Inc., was chosen and plans made for organizing the association whose main objective will be to supply water from new sources to the area. "This is actually the ground-

work for some project, such as channeling water from the Mississippi River, etc., for the Plains area," Aubrey Brock Bovina representative of High Plains Underground Water District.

However, Water, Inc. is not an affiliate of the High Plains Underground Water Conservation District, but will act in the capacity of looking to the future in finding some new source

of irrigation water for this section of Texas.

Everyone in the area is invited to attend.

The water association formation has been recommended by the Texas Water Development Board and other agencies seeking to provide new water resources for this area as the first step in a water importation program. Water importation will need the study of the organization required for developing and distributing water in the area.

Such a project would cost in the billions of dollars and would take at least 10 to 20 years to complete.

An organization, such as Water, Inc., would be essential in bringing about any results. Its membership would of necessity include every economic, financial and political phase existing in the Plains area of West Texas, leaders of the project believe.

SECOND GRADE GIRLS -- A winner crosses the line as girls in the second grade run the 50-yard dash Friday afternoon in the Elementary Track Meet. Ribbons will be awarded first through fourth place winners in each event.

May 22 --

## Water District Election Set

Member counties of High Plains Underground Water Conservation District will vote Monday, May 22, to decide whether or not to admit Precinct 2 of Hale County (Petersburg) into the organization.

Earlier this year Hale County rejected a proposal that the entire county be admitted, but Precinct 2 (Petersburg) voted strongly in favor of the move. Other member counties also voted in favor of the admission.

The board of directors of HPUWCD has called the election. Polling places will be at Bovina, Muleshoe, Dimmitt, Morton, Hereford, Floydada, Levelland, Littlefield, Lubbock and Canyon, in addition to Petersburg.

The election was called after Hale County Precinct 2 asked to be considered for membership in the Water District apart from the remainder of the county.

Polling place in Parmer County will be Wilson-Brock Insurance Agency in Bovina.

Allotment Transfers --

## Cotton Farmers Vote By Mail

Parmer County cotton farmers will vote within the next few days to decide whether they want to be able to sell or lease their cotton allotments outside the county, according to Prentice Mills of Parmer County ASCS office.

Referendum on the question will be conducted during the period of May 15 through May 19. Ballots may be returned by mail or delivered to the ASCS County Office during that time. The only question to be decided by the balloting is whether upland cotton allotments may be transferred during the next two years to farms which are owned or controlled by someone else and located in other counties. Such transfers may be made by sale or by lease. In no case may transfers be made outside the state. An affirmative vote by at least two-thirds of the county's cotton farmers who vote permits such transfers during the next two years, 1968 and 1969.

Two similar referendums were conducted in 1965 and 1966 throughout the cotton belt, and growers in 412 counties have already approved the allotment transfers. The vote this time will be held only in counties where such transfers have not previously been approved.

It is to be pointed out that voting by mail is easy and convenient, and the vote therefore should be large and fully representative of the wishes of the cotton farmers in this county.

Ballots are being mailed Friday to all cotton producers on record in the county, together with information describing the program's purpose and operation. Any cotton producer who has a question about the referendum or about who is eligible to vote is urged to get in touch with the ASC county office, Mills says.

**Play as you go**

You can bring out the paper plates -- if you're hungry for art. Children with crayons can do more things with paper plates than adults ever imagine.

Take small white paper plates as a starter. Youngsters color the rims to become frames. Then in the center they may draw a friend's portrait, or a tree or a squirrel. The plates are a colorful gallery when hung up by loops of yarn. The "primitives" in your home may surprise you with the bold, free work they do.

When weather permits -- brisk, windy days are ideal -- the plates can become flying saucers decorated with crayon. Youngsters will want to get out to spin them through the air in mock battles and triumphant soaring flights. There'll be no need to scoot the family out for exercise that day. One rule: all flying saucers must be picked up later and put in the wastebasket.

softeners save soap but should be measured. Look at instructions on cleansers and figure out how you might plan more wisely with each. Remember too, if you want clean clothes, don't mix different brands of detergents nor constantly be changing from one brand to another. Remember too, if bleach must be used on stains, add after detergent has had time to do its work -- not at same time.

Youngsters supplied with crayons often like to do plate work because they are unlimited by lines or rules. Little girls may turn plain plates into fancy party plates. Little boys may draw the sun or a boat or a smiling or frowning face. All will sit back highly pleased at their achievement, you'll notice.

# NK 275

**SUPERSTAR HYBRID SORGHUM**

**Braggin' yields; smut resistant; rugged stalks**

The head is the only part of the grain sorghum plant you sell. And you can look for long, cylindrical heads, loaded with grain when you plant NK 275 hybrid sorghum. Choose NK 275 for full season grain on good irrigated land or good soil with good rainfall. NK 275 was the top yielder in 8 out of 10 sorghum yield trials.

Other NK Varieties Available: 255, 210, 310, 222G, Mexi King Corn for ensilage or grain, NK Corn Seed and Forage Sorghum Seeds.

Freeze Hurts --

## Farmers Talk Wheat Damage

"How bad is the wheat hurt?" is a greeting farmers have used to each other more frequently than "Howdy" during the past week.

Freezing temperatures two mornings of last week, Monday and Tuesday, May 1 and 2, did some damage to the wheat crop, most farmers agree.

The amount of damage is factor X, however, and it's difficult to get even two farmers to agree on this point, much less a majority.

The crop had already been severely damaged, in some cases, by insects prior to being hit by the unseasonably cold weather.

There are isolated cases of fields of wheat being plowed up so that grain sorghum may be planted on the land. Under the present government program, 65 per cent of the wheat acreage may be changed to grain sorghum.

Whether the concern for the wheat crop is typical farmer-type pessimism remains to be seen. The amount of damage won't definitely be known until the crop is harvested.

Year in and year out, wheat is a fairly stable crop here, if this year's turns out to be a "short" one, it will be an unusuality.

## At Home In Parmer County

By **CRICKET B. TAYLOR**  
County HD Agent

**CRICKET**

**HEART DISEASE** - One of the number one killers in America today is heart disease. The Regional Director of the Texas Heart Association, Robert Harper, has been secured to present a program and discuss this important subject, Tuesday, June 6, at 2:30 p.m., in the Hub Community Center.

It is hoped that all clubs, organizations and interested persons can present for this important program.

**STORAGE** - is the subject for study in Home Demonstration Clubs in June. To make the program more interesting, several Home Demonstration Club members are working as result demonstrators this month, to make better use of wasted space and improving storage in their home. Unless storage has been planned to fit needs of the family, many new houses as well as older houses are lacking in good storage space. Some interesting improvements are in store for those attending and visiting demonstrators in June.

**ADULT 4-H LEADER TRAINING** on Clothing Project work is scheduled for Tuesday, May 16, at 9:30 a.m., in the Bovina Bank Community Room. It's time to do some serious planning for 4-H girls clothing project work and all leaders are needed to assist in discussing of this work.

Everyone is sewing like "mad" these days -- never had so many inquire about sewing information and asking when new workshop classes will start. With the advance in clothing prices, clothing a family is taking a greater share of the family income. Even the fashions are simple, good fit and good workmanship are still in vogue. Poorly set in sleeves, misplaced darts, underfacings "riding out," -- all can destroy the overall finished appearance of a garment. New techniques in construction make it possible to complete a garment on the

machine -- the only hand work required is the hem. Even the invisible "zippers" are done on the machine. Hand-basting "went out" years ago -- indeed modern construction techniques have improved and save time and who isn't interested in saving time. \*\*\*\*\*

**ABOUT LAUNDRYING**

It's the little things that add up, in good laundrying. Careful measuring of all cleaning products means better cleaning, better management. Water

**ARMY RESERVE READY TODAY FOR SERVICE TOMORROW**

A good suit is a boon to city or country life -- and here's one that can go anywhere in the wide world. McCall's designs it with a ring-collared, single-breasted jacket and A-line skirt that would look well in a range of fabrics from pique to hopsacking to double knits. Pattern #8647 is the magic number.

Wherever you're headed, "country casual" is the ticket -- fashion-wise.

Boys 440-yard relay: 1. Bennie McCain, Larry Wiseman, H. R. Denney, Glenn Hise; 2. Edwin Pesch, Jeff McCormick, Johnny Wellborn, Mike Ware; 3. Alex Telles, Ronnie Nuttall, Bobby Englant, Widdy Gromowsky; 4. Kim Rundell, Alan Cockerham, Joe Dendy, Danny Brito.

Boys softball throw: 1. Kim Rundell; 2. Alex Telles; 3. Glenn Hise; 4. Edwin Pesch.

Boys high jump: 1. Kim Rundell; 2. Bennie McCain; 3. H. R. Denney; 4. Jeff McCormick.

Boys 100-yard dash: 1. Edwin Pesch; 2. Larry Wiseman;

3. Johnny Wellborn; 4. Jeff McCormick.

Girls 440-yard relay: 1. Patti Mills, Kim Langer, Rhonda Barbee, Gail Dixon; 2. Debra Sorley, Kathy Spurlin, Janie Russell, Kim Douglas; 3. Gloria Lopez, Brenda Stanberry, Yolonda Serna, Rosa Meza.

Girls 220-yard relay: 1. Kathy Spurlin, Kim Douglas, Debra Sorley, Janie Russell; 2. Gloria Lopez, Brenda Stanberry, Yolonda Serna, Rosa Meza; 3. Kim Langer, Rhonda Barbee, Patti Mills, Gail Dixon.

Girls softball throw: 1. Yolonda Serna; 2. Gloria Lopez; 3. Delma Hernandez; 4. Rosa Meza.

Girls 50-yard dash: 1. Rosa Meza; 2. Gloria Lopez; 3. Kim Douglas; 4. Debra Sorley.

Girls 120-yard run: 1. Gloria Lopez; 2. Patti Mills; 3. Gail Dixon; 4. Kim Douglas.

### Fifth Grade

Boys softball throw: 1. Billy Shelby; 2. Adam Estrada; 3. Mike Ballard; 4. Antonio Serna.

Boys broad jump: 1. Billy Shelby; 2. Roy Hartzog; 3. Mike Ballard; 4. Danny McKay.

Boys 440-yard relay: 1. Mike Ballard, Billy Shelby, Allen Chisom, Rodney Hromas; 2. Danny McKay, Rex Beardain, Dale Cooper, Adam Estrada;

3. Tony Serna, Joe Delgado, Billy McCutchan, Curtis Diger; 4. Randy Kirkpatrick, Arty Kunselman, Charles Gilbreath, Gary Gober.

Boys 100-yard dash: 1. Edwin Pesch; 2. Larry Wiseman;

Boys high jump: 1. Allen Chisom; 2. Billy Shelby; 3. Mike Ballard; 4. Roy Hartzog.

Boys 120-yard run: 1. Mike Ballard; 2. Adam Estrada; 3. Billy Shelby; 4. Allen Chisom.

Boys 100-yard dash: 1. Adam Estrada; 2. Billy Shelby; 3. Allen Chisom; 4. Rodney Hromas.

Girls softball throw: 1. Olga Serna; 2. Teresa Alonzo; 3. Ruby Harris; 4. Debbie Pewitt.

Girls 220-yard relay: 1. Darla Hawkins, Rhonda Rhodes, Christie Trimble, Evanna Johnston; 2. Heidi Corn, Terri Willard, Nancy Hutto, Cindy Read; 3. Cathy Crump, Pam Wilson, Olga Serna, Doyla Ballard.

Girls 440-yard relay: 1. Terri Willard, Heidi Corn, Nancy Hutto, Cindy Read; 2. Evanna Johnston, Darla Hawkins, Christie Trimble, Rhonda Rhodes; 3. Olga Serna, Doyla Ballard, Pam Wilson, Cathy Crump; 4. Ruby Harris, Debbie Pewitt, Paula Beavers, Dina Adams.

Girls 120-yard run: 1. Darla Hawkins; 2. Nancy Hutto; 3. Evanna Johnston; 4. Ruby Harris.

Girls 50-yard dash: 1. Nancy Hutto; 2. Christie Trimble; 3. Ruby Harris; 4. Pam Wilson.

### Fourth Grade

Boys broad jump: 1. Floyd Robinson; 2. and 3. (tie) Carlos Espinoza and Gary Ward; 4. Rush Looney.

Boys softball throw: 1. Joe Steelman; 2. Guadalupe Espinoza; 3. Cockerham; 4. Carlos Espinoza.

Boys 440-yard relay: 1. Guadalupe Espinoza, Carlos Espinoza, Floyd Robinson, Horacio Arguillin; 2. Gary Ward, Robert Tienda, Richard Garza, Richard Rejino; 3. Byron Fillpot, Wesley Cockerham, David Phelps, Jimmy Lance; 4. Rush Looney, Barty Bartlett, Alton McCormick, Buz Mast.

Boys 100-yard dash: 1. Floyd Robinson; 2. Guadalupe Espinoza; 3. Carlos Espinoza; 4. Horacio Arguillin.

Girls softball throw: 1. Barbara Vargas; 2. Petra Gonzales; 3. Audrey Magness; 4. Stephanie Wiseman.

Girls 220-yard relay: 1. Renette Fisher, Estella Delgado, Minerva Deloroza, Esmerado Trevino; 2. Fontella Cox, Jyl Gromowsky, Dawn Hadley, Stephanie Wiseman; 3. Audrey Magness, Luanne Peoples, Barbara Vargas, Janet Vaughan; 4. April Wilson, Diane Ward, Tina Isaac, Linda Ware.

Girls 440-yard relay: 1. Renette Fisher, Estella Delgado, Minerva Deloroza, Esmeraldo Trevino; 2. Petra Gonzales, Sahara Deleon, Sylvia Mexa, Elsa Flores; 3. Audrey Magness, Barbara Vargas, Luanne Peoples, Janet Vaughan; 4. Tina Isaac, April Wilson, Linda Ware, Diane Ward.

Girls 50-yard dash: 1. Fontella Cox; 2. Petra Gonzales; 3. Luanne Peoples; 4. Elsa Flores.

Girls 120-yard run: 1. Minerva Deloroza; 2. Fontella Cox; 3. Esmeraldo Trevino; 4. Petra Gonzales.

### Third Grade

Boys softball throw: 1. Elbert Shelby; 2. Dennis Willard; 3. Eli Hernandez; 4. Earl Quintana.

Boys 120-yard relay: 1. Ken Hutto; 2. Butch McCain, Ricky Stanberry, Elbert Shelby; 2. Clint Cox, Tommy Deleon, J. B. McMeans, Terry Burnett; 3. Johnny Caldwell, Dennis Willard, Alan Rhodes, Greg Corbin; 4. Tommy Deleon and Clint Cox.

Boys 50-yard dash: 1. Dennis Willard, Clint Cox; 3. Error Chisom; 4. Ken Sorley.

Girls softball throw: 1. Nina Stowers; 2. Sheila Hadley; 3. Karen Merrill; 4. Michael Bonds.

Girls 50-yard dash: 1. Cathy Trimble; 2. Connie Ware; 3. Rita Nuttall; 4. Sheila Barbee.

Girls 120-yard relay: 1. Cathy Trimble; 2. Connie Ware; 3. Rita Nuttall; 4. Sheila Barbee.

Girls 220-yard relay: 1. Kathy Trimble, Connie Ware, Susan Lance, Ginger Gober; 2. Sheila Barbee, Susie Gonzales, Terry Woody, Michael Bonds; 3. Rhonda Nuttall, Yolonda Gomez; 4. Rita Nuttall, Nina Stowers; 4. Rita Nuttall, Fran Jacobs, Beverly Myers, Kay Beardain.

Girls 50-yard dash: 1. Cathy Trimble; 2. Connie Ware; 3. Rita Nuttall; 4. Sheila Barbee.

Girls softball throw: 1. Anna Delgado; 2. Mary Hernandez; 3. Pam McCormick; 4. Barbara Webb.

## Farwell Downs Mustangs

Farwell outscored the Mustangs, 8-6, in a district baseball game there Tuesday afternoon of last week after a close battle from start to finish. It was probably Bovina's best game of the year, Coach Truck Lusk said.

Roy Lee Stowers was the losing pitcher, giving up three hits.

He helped his own cause at the plate, hitting one triple and two singles, bringing in four runs for the Mustangs.

Lynn Murphy made some good catches in the outfield and Kent Stanberry did a fine job catching behind the plate, the coach commented.

The Mustangs also made a double play during the ball game on throws from Gary Rogers to Larry Mitchell to Mike Grissom.

This was the last game of the season, unless Farwell took a win over Silverton Thursday. In that event, Bovina was scheduled to play Silverton here Tuesday.

## Junior High Cheerleaders Named Here

Five Junior High cheerleaders were named Wednesday for the 1967-'68 school term, including three girls who will be eighth grade students next year and two who will be seventh grade students.

Named head cheerleader was Nena Spicer, along with Lajuana Hastings and Barbara Griffith, all eighth graders, Debra Sorley and Kim Douglas, seventh graders, Janie Russell was named the alternate.

The group was named by two faculty members and three high school cheerleaders.

Mrs. F. O. Turner, who was released from Parmer County Community Hospital over a week ago, is improving at her home here. She was a medical patient.
