## FAREWELL BAN- QUET TENDERED FIRST QUOTA

McCulloch county's first quota (5 per cent of the first call) of soldiers left yesterday noon on the Santa Fe routed via Temple and Milano Junction, thence over the H. & T. C. to San Antonio, where they will go into training. As McCulloch county's first call was for 101 men, five men compose the first quota, as follows: Tom Jones, S. P. Boone, Lawrence Fuller, Howard Campbell, Joe Morse. The squad was in charge of Tom Jones.

While any thought the men would be called for in the order as drawn, the instructions received by the local exemption

board were to send the pick of the men accepted for service. Men of previous military training were preferred, and good physical and mental qualifications were required. Also no negroes were wanted. The instructions also stated that men were wanted in the first quota

"who can help receive the others," consequently it is thought these first will be made non-commissioned officers. Consequently the men composing this first squad may well be considered the flower of McCulloch county. On the reserve list, should any fail to pass the examinations, is Eugene Schultz.

As a fitting tribute to the departing soldiers, a banquet was tendered them Wednesday night at the Queen hotel, the banquet being given under the auspices of the Brady Y. M. B. L., and the funds having been subscribed by the business men.

### DENTAL NOTICE.

I will return from New York between the 15th and 20th of September, and will again be permanently located in Brady.  
DR. HARRY LINDLEY.

## DRS. McCALL & ANDERSON BUY SANITARIUM

Drs. McCall & Anderson have closed a deal whereby they become the owners of the Guyton sanitarium. The deal has been pending, for several days, and was brought to a successful close yesterday, the new owners taking immediate possession. While their plans are not yet complete, Drs. McCall & Anderson announce that they will continue the sanitarium, and will place some thoroughly competent person in charge. They expect to make numerous changes and improvements in order to facilitate the care of their patients.

The sanitarium was built just about a year ago at a cost of \$12,000, and is one of the most complete and nicely equipped in this section of Texas. It is splendidly located on one of the highest elevations in the city and its comparative isolation makes the place an ideal one for recuperation.

Drs. McCall & Anderson are rated as among the foremost physicians and surgeons in West Texas, and the purchase of the sanitarium gives them opportunity to still further enhance their reputation by the splendid care they will be enabled to offer patients under their care.

Dr. J. V. Guyton, who has conducted the sanitarium, is now in Washington, D. C., having received a commission in the U. S. army, and he expects to enter the service in the near future. He will return to Brady within a week or two to make final arrangements for leaving here. Mrs. Guyton and little daughter are not decided as to their future, but for the present will continue to make their home in Brady.

## FIFE FINDINGS.

**Rain Improves Cotton Yield—  
Much grain Sown.**

Fife, Texas, Sept. 5th.  
Editor Brady Standard:  
Since our last letter we have had several good rains and everything is looking better. Wheat and barley are being sown this week and there will be a large increase in the acreage of small grain. The rains here stopped cotton from opening and many farmers say they will make a bale or more on account of it.

Grover Gattis was a business visitor here from Waldrio Monday.

G. L. Smith of Waco, is here on a visit to his uncle, Wallace Guyton.

Win Knight returned Tuesday from San Antonio where he has been at work on cantonments there the past three months. He says there is still plenty of work there and will go back again next week.

E. D. Smith and family of Cow Creek, visited at the home of C. J. Ranne Sunday.

Mr. and Mrs. H. D. Bradley and family are visiting relatives at Big Lake this week.

We are glad to report little Miss Myrtle Farmer improving after a siege of typhoid fever.

H. D. Martin was at Brownwood Monday on business.

J. M. Joyce was at Brady Monday on business.

Chas. Reed was up from Brady this week looking after business interests.

Ed Mitchell, Donald Finlay and C. J. Ranne left this week to hunt work.

H. N. Lawson returned Saturday from Bisbee, Ariz., where he has been at work the past month.

We are glad to learn that our editor is able to be out again, but

sorry to know that we are to get only one Standard a week from now on, but our editor has held out well and gave us a good paper. We expect it to be just as good from now on, but its a long time to wait for it.

E. Z.

### COW GAP MOOINGS.

"Seed Tick" Writes an Interesting Letter.

Brady, Texas, Sept. 5th. Editor Brady Standard:

We have had one of the best rains we have had in a long time. Had a little rain Sunday night and Monday morning about ten o'clock it began coming slow and steady, falling so that it went in the ground. We had about a 2-inch rain and west a few miles they had a bigger one.

The Cow Gap people attended the Association at Lohn last week. We certainly listened to some fine talks and sermons.

Mrs. Bailey visited at Mrs. Bradley's and Larrimore's Saturday and Sunday.

Grandma Shafer has been on the sick list the past week.

Mesdames Harris and Waddle spent Tuesday evening with Mrs. W. A. Newton.

Mrs. Dillard visited at Mrs. Shaver's Monday evening.

Mr. Reasoner and family from down in Coleman county, visited relatives here last Saturday and Sunday.

H. D. Cottrell and family and Miss Floyce Fowler (White-land, visited in the Gap Sunday and attended church at Lohn.

Grandpa and Grandma Ludwig will leave soon for California. We sure hate to see these good people move away from us.

Mr. Clyde LeBleu and family left Sunday for East Texas.

Pat McShan left Sunday for Kaufman county, Texas, to pick cotton the next two months.

Misses Mittie Parker and Ira Rambo of Fairview, visited in the Gap Sunday.

Several of the Lohn boys are expecting to have to leave this week for the army.

If Mosquito doesn't come on with Lohn News I'm a going to mix them with Cow Gap and tell some Lohn happenings.

Miss Mabel Huie and Gladys Lindsey of Lohn, have both an attack of appendicitis.

The Lohn school begins Monday.

Most everyone will begin picking cotton this week.

A good many are planting wheat and oats.

### LOST CREEK ECHOES

By Helping Others We Help Ourselves.

Voca, Texas, Sep. 3.

Editor Brady Standard:

Since the recent good rains this part of the country has taken on new life. Grass and feed crops are doing fine, although more rain will be necessary to make good grass, as the ground was so dry one or two rains will not last long, but the drouth seems to be broken throughout the entire state, and it is probable that we will have an abundance of rain from now on.

Quite a lot of grain will be sown soon, some have already begun sowing.

A good lot of grain sown now will help out the feed bill this winter, but on account of short crops and high prices of grain, there will probably be many farmers who will not be able to buy grain for planting, but as we do not live to ourselves, the thought occurred to me that if every man that was able would help someone that wasn't able, all could be supplied and no harm done to anyone. It would make times better for all next year. I mean by helping someone, for all that are able to lend someone enough money to buy what grain he wanted to plant, and the borrower to pay it back when he could. I am no exception, but I have done that

very thing. I have supplied one man or loaned him money to buy what grain he wanted to plant. He is going to plant wheat, so I am not only helping this one man, but in a way am helping to produce bread for others.

Mr. Editor, if you think this a good plan, boost it and get others to do likewise, and we will be doing our bit toward feeding the Nation, ourselves and Uncle Sam's big army.

Mr. Westbrook, the contractor and builder of Brady, is rushing the school building to completion. I think in two more weeks it will be finished. The people of this district will pride themselves upon the completion of this building, as it will be one of the nicest school buildings in this section of the country. It will be modern in every respect; equipped with modern heaters, the latest and best furniture and desks, maps and charts and book cases.

W. W. Henderson is having a well drilled on his farm. He is planning on putting in an irrigation plant. This is a good plan in this country where water is shallow and plentiful. If a man can only irrigate one acre it is worth his while to do that. This section is coming to be the leading truck growing part of Texas. And fruit, too.

When the people make an effort to that end, peaches, pears, apricots, plums and berries all do well here. Some apples are being tried out now. We will soon know how they will do.

Mr. D. H. Henderson has quite a number of three year old apple trees on his place. They are doing fine. He has some five year old pear trees and some of them are fifteen feet high and very well filled with fruit.

The pecan crop seems to be pretty good here this year.

D. E. Armor, wife and mother, have leased their farm out for three years and moved to Eden last week. Dennis has leased a barber shop at that place and will work at that trade instead of farming.

Many thanks to our Oregon correspondent for his compliments. I am glad the letters of A. Citizen, in The Standard is appreciated at least by one reader.

Am sorry The Standard has quit publishing the Tuesday issue for the reason as you say, we got the news while it was news.

### PEAR VALLEY WHISPERS.

Several Showers of Rain Reported for the Past Week.

Pear Valley, Texas, Sept. 4.

Editor The Brady Standard:

Pear Valley has been blessed with several showers of rain the past week.

Miss Ethel Hines who has been visiting her sister, Mrs. J. C. Reed, left Sunday morning for her home at Llano.

The Baptist meeting closed Monday morning. Bro. Loyd, from Eastland county, helped the pastor, Bro. Nichols. There were twelve additions to the church; six by baptism and six by letter.

Mr. E. H. Kothmann, son Walton, Mr. Nixon and Mr. Adams of London, were welcome visitors in the Valley Thursday night.

A number of the people from

here attended the Baptist Association at Lohn.

Miss Mattie Good, who has been visiting her mother, Mrs. Loss Watkin, returned to her home Sunday at Rockwell.

Mr. Beedy Watkin of Goliad, is visiting relatives and friends in the Valley.

Fletcher and Roy Marshall left last Tuesday for Dallas where they have gone to hunt work.

With best wishes to all.

### MIDWAY FROLICS.

Rochelle, Texas, Sept. 3rd.

Good Rain Monday Insures Fine Season in the Ground.

Editor Brady Standard:

Midway is being blest with a good steady rain today, (Monday.) I guess there will be a good season in the ground when it quits raining.

There is not much news in and around Midway but war news. Several of our boys have been called to go Sept. 5th. We sure hate to see them leave.

Messrs. Tom Rowdon and family and Virgil Mooring and family left last Monday for Ellis county to pick cotton.

Mr. Earl Bentley and family left last Thursday a week ago on a cotton picking trip in Ellis county.

Mr. Felix Jacobson and sister Ellen, are at Lightner helping their brother pick his cotton.

The young folks all enjoyed themselves at the party at Mr. Green's Tuesday night.

Abb Jacobson came back from Lightner Thursday.

Misses Lola and Irene Curry called at the Elliott home Sunday.

Mr. and Mrs. Jackson and two children and Mr. Jackson's mother, all were guests at J. Y. Whitehead's Sunday.

The young folks had a most delightful time at the party at Mr. J. Y. Whitehead's Saturday night.

Well as Jolly Kid will not be here for some time I guess this will be her last letter for a while, but will continue after I return.

Wishing The Standard and its readers good luck.

JOLLY KID.

### CALF CREEK NEWS.

Trustees Decide School to Open  
October 1st.

Calf Creek, Texas, Sept. 3.  
Editor Brady Standard:

Most all the people of Calf Creek were blessed with a fine rain Saturday eve.

Mr. Henry Miller is shipping his cattle this week.

All the young people of Calf Creek enjoyed an ice cream supper at W. W. Kolb's last Friday night.

Mr. and Mrs. Burt of Opossum Hollow, Spent the evening last Friday at Mrs. E. L. Bridges' home.

Miss Gladys Bridge spent Saturday night with Miss Alma Tucker, and reports a nice time.

Planting fall gardens and turnip patches is the order of the day since the fine rains. We hope they will continue.

Miss Celia Wright spent Friday night with Miss Hattie Duncan.

What is wrong with the correspondents to The Standard. Is there so much war until it has taken your memory? Cheer up writers. If your fellow has joined the army, the worst is yet to come.

Mr. Bob Attaway happened to the misfortune of someone giving his dog strychnine. We see that there are a great many of the dogs coming up missing from strychnine.

The trustees met Saturday afternoon in order to set their school. They have the time set for the school to start the first of October.

Mr. Jim Williams and wife were pleasant callers at the home of Mr. E. L. Bridge Monday.

Mr. Sam Wright has gone to attend the Holiness meeting at San Saba, this week.

Mr. O. Kolb has returned to his home in Stephenville. He has been visiting relatives on Calf Creek.

Miss Leema Attaway and Marie Ewing have been spending a few days in Placid the past week.

Miss Mary Wright and Mr. Clint Spivy and Miss Hattie Duncan and Mr. Jack Woods spent last Sunday with Miss Bertha Preston of Fairview. They report a nice time.

Miss Ora Ewing has returned to Ada, Okla., to attend school.

Mr. R. W. Cavin and wife and son spent the day with Mr. and Mrs. Zed Bingham last Sunday.

Miss Clara Williams has gone to spend a few days with her sister, Mrs. Maggie Mason.

Mr. Burton Tucker spent a few hours at home last Sunday. He has been working at Menard for the past three months.

Miss Pearl Kelly from Goldthwaite, is visiting her father and mother, Mr. and Mrs. F. M.

### A NERVOUS WRECK

From Three Years' Suffering. Says  
Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work.

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today.

### Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take.

### EAST BRADY NEWS.

East Brady Gin Has Ginned 13 Bales Up to Present.

Brady, Texas, Sept. 5th.  
Editor Brady Standard:

Well as I have not written in about two weeks thought I would write a little.

Everything is looking fine after the nice rain we have had. I think perhaps it will rain again pretty soon.

Mrs. Will Callan has been visiting her mother, Mrs. Ella Tindel last week but has now returned to her home in Menard.

Mr. Eugene Tyson has gone to San Antonio where he will work awhile.

Mr. J. H. Purdy of the Lohn community, has returned from San Antonio and spent Saturday night and Sunday with Mr. and Mrs. J. L. Edwards. He has gone to Waco where he was called to the bedside of his brother.

Mrs. Bun Huff has been visiting her mother at Richland Springs the past week.

Mr. Raymond Appleton was in Brady Saturday.

Rev. Hornburg organized a Young Peoples' Endeavor Sunday night. Everyone come and join in with us.

The East Brady gin has ginned 13 bales of cotton. The writer hopes that they will get a large run this season.

All the children are glad that the schools are starting for the year's work. I hope they all do well.

Come on all you writers with your letters. I enjoy reading them.

Everyone is rejoicing over the fine rain we got Monday. Wasn't it a dandy? Just think, the creek sounds lonesome roaring down under the bridge.

Well I will ring off for this time. Will write more next time.

### TRACE DISEASE TO CONSTIPATION

One of the points on which different schools of medicine practically agree is, that about 95% of all human disease is directly traceable to intestinal putrefaction of stomach waste due to inactivity of the bowels, or constipation. The eliminative process is an essential factor in digestion and on its proper functioning depends the welfare of the entire system.

Constipation is a condition that should never be neglected. As soon as the bowels evidence the slightest disposition to slow up, a mild laxative should be taken. The combination of simple laxative herbs with pepsin, known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for fifty cents a bottle, is highly recommended as a corrective, acting gently, in an easy, natural way, without griping or other pain or discomfort. A trial bottle of this excellent family remedy can be obtained, free of charge, by writing to Dr. W. E. Caldwell, 454 Washington St., Monticello, Illinois.

### STACY HAPPENINGS

Two Inches Rain Benefits Cotton and Fall Feed.

Stacy, Texas, Sept. 3.  
Editor Brady Standard:

Messrs. Jim and Emmett Hall of Rochelle, were in our community Saturday and Sunday.

Mrs. W. A. Brown visited her sister at San Angelo a few days this week.

Mr. and Mrs. A. D. Dunn and Miss Annie Dunn were shopping in Coleman.

Mrs. M. E. Snodgrass has returned from Eden after a two weeks visit with relatives.

Mr. Richard Lockett and sister, Miss Lizzie, Misses Edith and Vera Trott visited friends and relatives here Saturday and Sunday.

Rev. McKenny filled his regular appointment here Saturday and Sunday. Quite an interesting lecture to the young folks Sunday eve was enjoyed.

Rev. Burrow and family spent Sunday with Mr. and Mrs. Bea Polk at Salt Gap.

Another fine rain fell here Monday. Some places it was heavier than others. Two inches was had in our community. Late cotton will be benefited and lots of fall feed will be made.

### A DANGEROUS MISTAKE.

Brady Mothers Should Not Neglect Kidney Weakness in Children.

Many children have weak kidneys. An early warning is bed-wetting. Often followed by headache, languor.

'Tis a mistake to neglect these troubles. To blame a child for its own distress.

Seek to check the cause. Save the child from dangerous kidney-ills.

Doan's Kidney Pills are especially for weak kidneys. Brady parents know their worth.

Mrs. J. T. Ogden, Brady, says: "A younger member of my family was troubled by kidney weakness and she had frequent headaches. She used two boxes of Doan's Kidney Pills, which I got from the Jones Drug Co., and they relieved the symptoms of kidney complaint and proved beneficial in every way. Since then, her kidneys have been normal."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ogden recommends. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

**JUST A JOSH.**

Editor Billings of the Menard Messenger has joined the colors and turned the print shop over to Mrs. Billings and Ben M. Parker, recently of Coleman.—Coleman Democrat-Voice.

No doubt Editor "Josh" Billings will turn several "colors" when he reads the above paragraph. To the best of our knowledge, Billings is pretty well satisfied with his present situation. He has conferred the title of Editor of the Menard Messenger upon Mr. Billings, and is himself getting out a first-class and classy magazine for the Goat and Sheep Raisers' association. The first issue of the magazine has just been received and is attractive at first sight by reason of an exceptionally striking design for the heading, than which nothing could be more appropriate for the journal. The contents are not only well-printed, but contain much information of benefit and value to the sheep and goat raisers.

This is not part of our original "josh" but the serious facts and we wish Editor Billings continued and increasing success in his new endeavor.

Let Llano go wet; let Harris county go wet; let Williamson county go wet—Brady has her water wagon on again—even if we went wet ourselves.

Numerous Brady citizens wandered down to the creek bank Monday and watched the water go by a dam site. (Please notice we have our "sight" right.)

**MILLION DOLLAR RAIN--JUST LIKE GOOD OLD TIMES**

Maybe it won't look exactly like a million dollars to everybody, but the rain received Sunday and Monday of this week surely looks like a million dollars to the citizens of Brady, for Brady creek came down on a big rise and the top of Brady dam disappeared from sight at 1:00 o'clock Monday afternoon, the water running between two and three feet over the dam part of the time, while it rose about five feet over the small dam at the pumping plant. This is noteworthy since the last time the water ran over the dam was on April 3, 1916—one year and five months previous to a day.

While a big rain was had in the Eden country Sunday night, most of the water in Brady creek is said to have come from the watershed in the immediate vicinity of the dam. The sight once more of the big volume of water surging down Brady creek attracted many spectators and the only regret was that so much water should go to waste. However, those folks with dry holes down the creek will hardly concede that the water which passed the dam was "wasted."

The following is the rain report for Monday, furnished by courtesy of the West Texas Telephone Co.:

Wednesday afternoon another good shower was had, the rain falling in torrents for an hour or more. The cloud lay northwest and southwest of Brady and appearances indicated a heavy rain in these sections. According to the rain gauge, on Sept. 2nd Brady received .2 of an inch of rain; on Sept. 3rd, .65; and on Sept. 5th .5 of an inch, making a total precipitation so far this month of .85 of an inch. Last year during the entire month of September an even two inches of rain were had.

It is estimated that the supply of water now impounded in the two dams will last until April of next year with no further rains. Consequently, beginning the 1st of this month the old rates of \$1.25 for the first 1,000 gallons, 50c for the 2nd 1,000 gallons and 25c for each additional 1,000 gallons of water will be resumed by the water company.

It is the plan of the Board of Trustees, as soon as the finances of the company will permit, to dam up Bowie creek, this appearing the most feasible of the many plans investigated by the board. Bowie creek is about five

**LOCAL BRIEFS.**

Mr. and Mrs. M. M. Wolf, living south of town, are the proud parents of a fine boy, who arrived at their home Sunday.

A bright little girl arrived on Sunday at the home of Mr. and Mrs. J. W. Wilder, who are receiving congratulations over the happy event.

It's a boy! The young man arrived Monday morning at the home of Mr. and Mrs. S. J. Striegler, and congratulations are being extended the happy rents.

B. R. Miller, who recently moved to Brady from Pear Valley, having sold his mail route contract from Lohn to Pear Valley and Broadmoor to Grover Young is now employed in the mechanical department at Murphys garage.

Jim Wade is spending several weeks here from Alpine, a guest of relatives and friends. He reports the Alpine country in good shape, and says the conditions are good from Alpine to the Pecos river. He states a regular flood was had at Fort Stockton on the 19th of last month.

Col. S. J. Durnett is wearing the Billikin smile. He dragged the street sprinkler out from the moth balls, where it has reposed these many moons and wore the rust off the tires yesterday trying to find a dry spot on the square to sprinkle. We think the bottom would have rusted out of the sprinkler—if it hadn't been so dry.

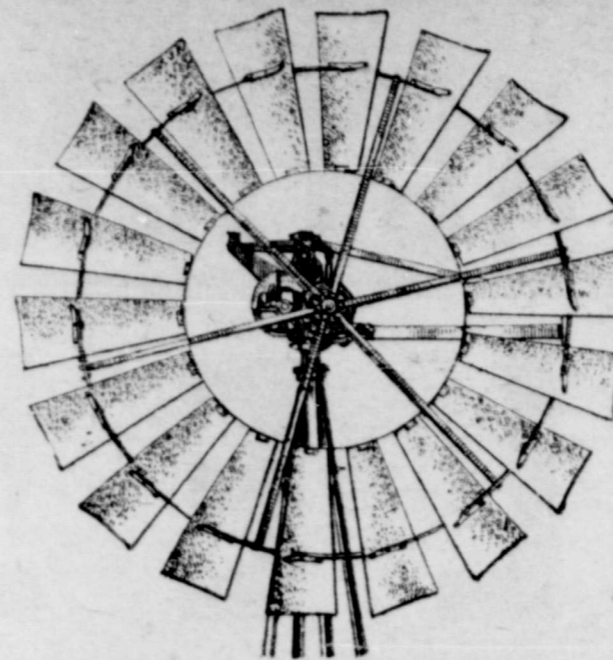

Chas. Broad left Sunday for Dallas, where he has accepted a position with the P. & O. people as special traveling salesman. He has not been given any certain territory, but will make Dallas headquarters, and this week work in the McKinney section. Chas. has had extensive experience as a road man, and his friends have no fear but that he will be able to duplicate his former successful experiences.

Prof. E. Keeling was a visitor in Brady yesterday. Prof. Keeling will be superintendent of the Rochelle Public Schools this year, and while the schools will not open until October 1st, he arrived early on the ground in order to get the work well in hand before the opening. Mr. Keeling has been located in the Austin and San Antonio section for the past several years, and is accounted an instructor of exceptional ability and merit.

Willie McQuerry arrived this morning from Hasse, to accept a position with The Standard. Willie was employed by us up to the time of the removal of his parents the early part of the year, and his willing disposition, his genial smile and his careful

or six miles up the creek from the present dam, and the water in the latter is backed to within 5-4 of a mile of the proposed Bowie dam site. It is estimated that \$40,000 will be required to build the dam, acquire right-of-way, property rights, pay for the construction and the connecting with the present supply. This is the outside figure, and several estimates have placed \$30,000 as sufficient to cover the cost of the improvement. However, as a result of the drouth, the heavy expense to which the waterworks company was put in order to keep the town supplied with water has caused a deficit in the treasury of \$2500 at the present time. Consequently the Bowie dam project will have to wait until the finances of the company are considerably improved.

attention to his duties made him a favorite with the entire force. We gave him the highest recommendation we have ever given any of our employes upon leaving, viz: "Whenever you want your job back, just let us know." We did not wait for him to ask for his job—we sent for him.

A message received by relatives from Lieut. Hubert Adkins states that he has been stationed for the present at Denver, Colo. Hubert was ordered to report to San Antonio on the 29th of last month, and from there was sent to Alta Vista, Calif. Other McCulloch county boys, members of the first officers reserve corps, who reported at San Antonio at the same time were C. W. Carter, Floyd Sansom and O. L. Neyland. Blaine Sammons, it is understood, was transferred to Oklahoma. Among the McCulloch county boys in the second officers reserve corps at Leon Springs is Arthur Zimmerman.

Walter Scales and V. L. Bradley are among the number of McCulloch county citizens who have returned this week from San Antonio, where they have been engaged in carpenter work on the new army aviation quarters. Mr. Bradley says he spent five weeks there, and gives a good report of his work. He says some 14,000 men are employed on the building, and as high as 300 men would be at work at one time on a single structure, the sight of the great number of men perched on the scaffolding for all the world resembled a flock of blackbirds. There were 39 buildings erected, each 280 ft. long by over 100 ft. wide. The rate of pay was \$6.87 1-2 per day, and the overtime made it possible to get as high as \$12 per day. Lodging and board cost only 75c a

day, consequently the workmen made excellent money during the brief period they were employed. The huge job will be completed within the next four or five days.

J. S. Wyres was in from his place on the Santa Anna road Wednesday and reported a fine rain on his farm, while his pasture received just a moderately good shower and across the road from his place, the rain was light. He reports the rain out his way as very spotted, and he found half dozen or more places along the road where the moisture had barely laid the dust. At the time of the rain he was dipping and the men worked in their shirt sleeves without getting wet, while just a short distance away the rain caused water to stand all over in big sheets. The Onion Gap country received another fine rain and the creek running through his pasture, which heads up there, was running like a river. Mr. Wyres has been in this country since 1908, and says this is the first year that he has failed to make plenty of feed. However, he is thankful for the rains and says they will at least be enabled to make some roughness for the stock.

**SOCIAL NOTES**

**Mothers Club.**

The Mothers club will meet at the school building on the south side Wednesday evening at 4:00 o'clock. All members and teachers are requested to be present.

**Five-Forty Club.**

The members of the Five-Forty club had a very pleasant social session last Friday as guests of Mrs. A. B. Collier. Present were the following members: Mesdames A. B. Cox, Wm. Bauhof, Ben Anderson, S. H. Mayo, G. L. Gray, John Schaege, Jesse Ballou, Henry Hodges, J. E. Shropshire, J. D. Branscum; and the guests: Mesdames Oscar Doell, W. H. Ballou; Miss Rebecca Francks.

Following the series of games the hostess served salad course, ice tea and bread and butter sandwiches.

The club meets this afternoon with Mrs. G. L. Gray.

**Dance at Menard.**

The dance at Menard given on last Friday night for the soldiers-to-be, was attended by a large number of Bradyites, all of whom report a most enjoyable time. A splendid orchestra from Fort Worth furnished music for the dances, and the Menard people were lavish in their entertainment. Among the number attending the dance from Brady were Mr. and Mrs. W. R. Davidson; Mesdames S. A. Benham, C. T. White, W. E. Campbell; Misses Lucile Benham, Vivian Taylor of Coleman, Rowena Walker of San Antonio, Edith Brook; Dr. R. A. Lindley; Messrs. Chas. Koerth, Gus Shropshire, Paul Klatt, Luther Wood, Howard Campbell, Robert and Joe White, Fred Spiller.

**Ward-Neville**

W. Lee Ward, local manager of the Western Union Telegraph office, returned from a two-weeks' vacation yesterday morning, accompanied by his bride, formerly Miss Nora Neville of Brownwood. The announcement of his marriage was a sur-

prise to his Brady friends, and no less to Brownwood relatives and friends, where Mr. Ward had been spending his vacation period. Taking only a few intimate friends and near relatives into their confidence, the young couple went to the residence of Rev. Kelly in Brownwood, where at 8:15 Wednesday night the wedding ceremony was performed. Following the ceremony they acquainted many of their friends with the news, and received hearty congratulations.

Mr. Ward is a splendid young man, and during the several months he has been located in Brady has become popular with the citizens, all of whom join in offering congratulations upon his wise step and good fortune in securing so charming and splendid a life's companion.

**Adkins-Warren.**

The marriage of Mr. Evans Adkins and Miss Elizabeth Warren was celebrated on Wednesday morning, August 29th, at 10:30 o'clock, the ceremony taking place at the home of the bride in Austin, and the wedding service being read by Dr. R. E. Vinson. While Mr. Adkins' intentions were not entirely unknown, the news of the marriage nevertheless came as a surprise to his friends.

The beginning of the romance, which culminated in the marriage, dates back several years to when both Mr. and Mrs. Adkins were students at the State university. Following his graduation from the university Mr. Adkins returned to McCulloch county, where he engaged in teaching for a year, following which he took up the practice of law, and at the last general election the citizens of Brady gave evidence of their confidence in his ability and the high esteem in which he was held by electing him county attorney. Throughout this period of success and attainment, Mr. Adkins never for a moment forgot the young lady for whom he had formed such an attachment during school days, and finally prevailed upon her to become his help-mate.

The return trip to Brady was made in the Adkins car, the

newly-weds spending several days on the trip and enjoying the scenes and places enroute. They are now at home to their friends in a cosily furnished cottage in the south part of town on the Mason road. All the many friends of the groom are glad to welcome his bride to social and religious circles in Brady.

**PERSONAL MENTION.**

W. T. Hoskinson of Brownwood, was in Brady on business Thursday.

Harvey Walker made a brief visit here from the Mayer country last week.

Miss Vivian Taylor of Coleman has been spending the week here a guest of Mrs. W. R. Davidson. Her sister, Miss Marie Taylor, drove over with her in their car, from Coleman.

H. P. Roddie left on Thursday of last week for Boston, Philadelphia and other eastern points where he is conferring with wool buyers regarding the season's clip. He expects to return about the 15th.

Mrs. Howard Trigg of Amarillo, who has been spending the summer at Chautauqua, N. Y., Galveston and other points, was in the city Wednesday making a brief visit to the family of her uncle, W. J. Yantis, while enroute to her home.

Mr. and Mrs. Roy Wilkerson and children returned Sunday from San Angelo where they spent several days on combined business and pleasure. Mrs. R. E. Luhn and children accompanied them home and will be their guests here for several days.

Mr. and Mrs. G. V. Gansel and Mrs. R. W. Turner returned on Tuesday morning from Alma Center, Wis., where they have been spending the past couple months visiting Mr. Gansel's parents and other relatives and friends. They report a very enjoyable trip and visit.

Friends here have received information that Charles W. Carter of Winchell, who was employed in Brownwood a portion of last winter, has been ordered to report at San Diego, Calif., for military service, having been commissioned a second lieutenant in the first Leon Springs training camp. — Brownwood Bulletin.

Mrs. Lawrence Keyser and little daughter of Duncan, Okla., arrived here Sunday for a visit with her sister-in-law, Mrs. Burl Wiley. Mr. and Mrs. Wiley went to Brownwood in their car to meet them. Accompanying the party was Joe Menton of Sherman, a cousin of Mrs. Wiley, who will also be a guest in the city for some time.

**Well Known Retired Capitalist Says He Now Feels Younger Than His Son-in-laws and is Ready to Start Life All Over Again.**

(From Thomaston, Ga., Times)

Uncle Lark says, "I can personally recommend Tanlac to anybody." Both he and Mrs. Farley have gained several pounds and their health generally is improved.

Uncle Lark needs no introduction in this county, but as the Times has some few readers abroad we'll tell them who he is. Away back in the 70's, we think it was, a poor country boy, who was too delicate to work on his father's farm, opened up a little country store which he operated successfully for thirty-five years, losing only \$35 in bad accounts during his entire business career. Finally his health became so bad that he had to give up his business. Then he came to Thomaston and soon afterwards organized the Bank of Thomaston, of which he has been the financial backer ever since.

Two months ago, Uncle Lark and his wife commenced taking Tanlac and now he says that his stomach is in the very best condition and his knees have limbered up and pain him very little. He is confident that another month's treatment of Tanlac will entirely restore his health which he lost in childhood, and if he does, believe me, Wall street had better look out for a man who can make the fortune Uncle Lark has with his ill health, what will he do as a well man? Uncle Lark is known as a retired capitalist, but, he says he is now a younger man than either of his numerous sons-in-law and is now ready to start life over again.

Tanlac is sold in Brady by Jones Drug Co., in Melvin by Oscar Sellers, in Rochelle by C. W. Carr and in Pear Valley by Ludwick & White.

The Brady Sentinel has moved its printing office two doors east of the postoffice and has added a larger press and folding machine, and installed motor power to pull their machinery, which will enable them to handle the work of their mechanical department in a more expeditious manner.

**THE WARNER LENS.**

A requirement of the new automobile law, which went into effect July 1st is that your headlights must not throw the rays of light more than four feet high from the road level. Our Warner Lens absolutely stand the test and are guaranteed for the life of the car. They are recommended by every Chief of police in the state as they fully comply with the new law in every respect. Our guarantee stands behind them. The fact that they are being used on all late models of higher priced cars is sufficient proof of their merits.

**CHAS. WEISE IS MADE SECRETARY BRADY Y.M.B.L.**

At a meeting of the directors of the Brady Y. M. B. L., Chas. Weise, local agent for the Frisco, was chosen secretary of that body, following the resignation of F. R. Wulff from that position. Mr. Wulff's resignation was prompted by his desire to devote his full time to his auto sales business, he having originally accepted the position only temporarily.

Mr. Weise is a splendid man for the position, having been commercial secretary at Dublin over a year during his residence in that city. He is an efficient and capable man, and possesses all the attributes of a successful leader in civic affairs. His efforts will be directed towards greater co-operation among the league members, and a general renewal of interest in the activities of that body.

One of the first acts of the league since the election of the new secretary was to invite the members of the city council, and Judge John E. Brown of the commissioners court to meet with the directors Tuesday, at which time the important need of improving the Brady public square was the subject brought up for consideration. Attending the meeting as representatives of the city council were Aldermen N. T. Cook, W. F. Roberts, and Howard Broad, composing the street committee, and Roy Wilkerson. The aldermen explained they were ready and anxious to improve the part of the square belonging to the city, and that work had been stopped only by reason of the scarcity of water. A large quantity of rock has been accumulated in the meantime in the working of various streets in the city and the rock crusher will now be put to work crushing up these rock for macadam to be used on the square. Judge Brown, on behalf of the county, stated that he would take up the matter at the next meeting of commissioners court and that the county would take immediate steps towards co-operating with the city in the matter of improving the square.

The improvement of the Brady square is one of the most necessary and important tasks now confronting the city and county officials, and now that the initiative steps have been taken, it

is to be hoped the work will be continued until the improvement is completed.

**LEMONS MAKE SKIN WHITE, SOFT, CLEAR**

Make this beauty lotion for a few cents and see for yourself.

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to whiten roses, the freshness and the hid-den beauty? But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white this way. Strain and you have a whole quarter pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.

## DUSTY DOINGS.

(Too Late for Last Week)

**Mrs. Mart L. Williams Reported Improving.**

Voca, Texas, Aug. 28. Editor Brady Standard:

Well after an absence of about six months I will try my luck again.

Everybody in this community is up with their work at present, but cotton picking will soon begin. The crops are looking fine in this part of the country.

Mr. M. A. Leddy and his brother J. H., left last week for Oklahoma, the latter—J. H. Leddy—returned the 28th, while the former is still there in a hospital at Guthrie, Okla., for treatment.

Mr. R. Davenport and Miss Myrtle Fleming, Lola Williams, Minnie Mayo, Jewel Schafer and Ada Hill will leave Thursday for Lohn to attend the Baptist association.

Messrs. Roy and Robert Hill left Monday for Oklahoma for a few months' work.

Miss Maymie Leigh Miller will go to Kamey Monday to begin her first school. We all hope her good luck.

Several of the young men will leave this place for the training camps in a few days.

Large crowds have been attending the show at the college the past week.

Mrs. Mart L. Williams who has been in bed ever since last January, is improving nicely. We are hoping she will be up in a short while.

Misses Minnie Mayo, Elma Leddy and Ruby Williams spent Sunday with Miss Lois Lemons.

Mr. John Norwood left for Fort Worth last week.

Dr. O. C. Jackson and his wife and little daughter have returned from a visit on the coast.

Well as news is scarce I will nriegnoedk eltrheiginSept..... ring off and try to write more next time.

## H. N. COOK GOES TO SWEETWATER MGR. NEW HOTEL

With surprise and regret Brady citizens will receive the announcement that Mr. H. N. Cook, proprietor of the Queen Hotel, is to remove from Brady, going to Sweetwater, where he will have charge of a magnificent new hotel, now nearing completion in that city. Mr. Cook left Sunday for Sweetwater to complete arrangements for assuming management of the new hotel, and will spend several weeks there making arrangements for the furnishings and fixtures.

Mr. Cook's decision came after a brief survey of the situation, both as to the local outlook, and as to future possibilities in the western city. Sweetwater has six trains a day, while three railroads—the Orient, the Santa Fe and the T. & P.—bring travel to that city from six directions. The magnificent new hotel gives Mr. Cook an opportunity to extend hospitality to his patrons such as few other places in West Texas may boast.

During the eleven years that mark Mr. Cook's residence in Brady he has earned a reputation among folks both at home and abroad as one of the most genial, accommodating and capable hotel men in Texas, and while sincerely regretting his departure, all his many friends will be pleased that he has been enabled to secure so excellent a hotel for his future endeavors. Especially will the traveling public receive the news with pleasure since all appreciate the great handicap of the local inadequate facilities under which Mr. Cook has labored for their comfort and benefit.

Just what the plans are for continuing the Queen hotel, have not yet been given out. The hotel building is the property of J. E. Bell of this city, while the most of the fixtures belong to Mr. Cook. It is quite certain, however, that someone will be secured to take charge of and continue the same.

The following concerning Mr. Cook's new venture is reprinted from the Sweetwater Daily Reporter, date of Tuesday, September 4th:

"Mr. H. N. Cook, late of Brady, Texas, will be proprietor of the new Wright Hotel that will be opened to the public sometime next month.

"Mr. Cook was proprietor of the Queen Hotel at Brady for eleven years and during the time his hotel became one of the most popular and widely patronized of any in the west. He comes to this place because he has become convinced that Sweetwater will become the real metropolis of the southwest and offers an inviting field for a mammoth hotel business.

"The building covers a space of 90 feet by 155 feet, has two stories and large basement. It contains forty-five nice guest rooms. Each room will be nicely furnished and equipped with lavatory, telephone, electric lights, steam heat, hot and cold water, electric fan, etc. Eight of the rooms have private bath and six have connecting bath rooms. The rooms are ideally arranged so as to be well ventilated; in fact, every room has direct outside ventilation and light and has two large double windows.

"What will doubtless prove to be a popular feature of the hotel to its many guests will be the large balcony that extends 15 feet by 90 feet extending east-

# DANGEROUS CALOMEL IS SELDOM SOLD NOW

**Calomel Salivates! It Makes You Sick and You Lose a Day's Work—Dodson's Liver Tone Acts Better Than Calomel and Is Harmless for Men, Women, Children—Read Guarantee!**

Every druggist here, yes! your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it while Dodson's Liver Tone is safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist. A large family-sized bottle costs only 50 cents and if you find it doesn't take the place of dangerous, salivating calomel you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine, no sick headache, biliousness, ague,

sour stomach or clogged bowels. Dodson's Liver Tone doesn't gripe or cause inconvenience all next day like calomel.

Take a dose of calomel tonight and tomorrow you will feel sick, weak and nauseated. Don't lose a day's work!

Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up with your head clear, your liver active, bowels clean, breath sweet and stomach regulated. You will feel cheerful and full of vigor and ready for a hard day's work.

You can eat anything afterwards without risk of salivating yourself or your children.

Get a bottle of Dodson's Liver Tone and try it on my guarantee. You'll never again put a dose of nasty, dangerous calomel into your stomach.

## Llano Remains Wet.

In the prohibition election held last Saturday in Llano, the citizens of that place voted against prohibition, the anti winning by the narrow margin of six votes. Harris county recently voted to remain in the "wet" column, as did also Williamson county. Dallas and Tarrant county are to have a prohibition election in the next couple weeks. In all these counties the issue has been hotly contested by both sides.

"Immediately adjoining the dining room is the kitchen. Plans have been made for installing electric equipment for cooking, which will, doubtless be the most elaborate of its kind in the west.

"In the basement a large sample room is being provided, the big steam heating plant is located there and much valuable store room so essential to the operation of a big hotel business. It would take a long time to enumerate all the nice features of this splendid building and its arrangement, but as previously indicated, no expense has been spared in making it the most modern and conveniently arranged that could be erected."

People Speak Well of Chamberlain's Tablets.

"I have been selling Chamberlain's Tablets for about two years and heard such good reports from my customers that I concluded to give them a trial myself, and can say that I do not believe there is another preparation of the kind equal to them," writes G. A. McBride, Headford, Ont. "If you are troubled with indigestion or constipation give them a trial. They will do you good."

## A Co-Operative Sing-Song.

There is to be a meeting next Sunday evening, Sept. 9th, at the Live Oak church, (Pence church house.)

The purpose of the meeting is for singing and to start a co-operative community sing-song. All lovers of song and the public generally are invited.

Come and be sure to bring your song books.

We have consulted Mr. Howard of Claxton and Messrs. Baird and Campbell of Fairview and others. Lets meet there by 2:00 o'clock and if it rains or anything prevents us, lets meet there the next Sunday eve., the 16th, as there will be preaching there on the 16th.

CITATION BY PUBLICATION.

THE STATE OF TEXAS. To the Sheriff or Any Constable of McCulloch County—Greeting:

You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the county of McCulloch for four weeks previous to the return day hereof, Ernest Ramsey whose residence is unknown, to be and appear before me a Justice of the Peace in and for McCulloch county, at a regular term of the Justice Court for Precinct No. 1, of said county, to be begun and holden at my office in Brady, on the first day of October, 1917, at ten o'clock, a. m., to answer the complaint of James T. Mann and Duke Mann who copose the firm of O. D. Mann & Sons, in a certain suit therein pending, in which said James T. Mann and Duke Mann are Plaintiffs, and Ernest Ramsey is Defendant, filed on the 10th day of May, A. D. 1917, and numbered on the Docket of said court No. 1823, the nature of the Plaintiff's demand being in substance: Suit upon a promissory note given by the Defendant to O. D. Mann & Sons dated July 14th, 1915, and due October 1st, 1915, for the sum of two hundred and three and 85-100 dollars (\$203.85) and bearing interest from its date until paid at the rate of ten per cent per annum, and providing for an attorney's fee of ten per cent on both principal and interest, then due, if not paid in full at maturity, and if placed in the hands of an attorney for collection. Said note is long past due and is still unpaid, and the Plaintiffs have placed said note in the hands of their attorney for collection and this suit has been filed by said attorney for the purpose of collecting said note, wherefore Plaintiffs sue for the sum of two hundred and seven and 95-100 (\$207.95) dollars balance due on said note; Plaintiffs also sue for two and 55-100 dollars on open account for goods bought from plaintiffs on August 14th, 1913, and for all costs of this suit. On the same day and date of giving the aforesaid note, the defendant in order to secure the plaintiffs in the payment thereof and all other indebtedness due the plaintiffs by him, gave to plaintiffs a chattel mortgage lien on one anvil, one Star blower, one vice with 4 1-2 face, and one hardy, all purchased from O. D. Mann & Sons January 14, 1914, also one Studebaker world surrey and set of double harness, purchased from O. D. Mann & Sons on July 23rd, 1915. Also one black horse about 2 years old (July 14th, 1915) 15 1-2 hands high, no brands, slight bluish on left hind leg, front feet white, no scars. Also one iron gray mare, two years old (July 14, 1915) 14 1-2 hands high, no brands, small wire cut on right hind leg. Plaintiffs also sue for foreclosure of their lien on all this property above described of the aggregate value of one hundred and ninety-eight dollars.

Herein fail not, but have you then and there before said court, at said regular term, this writ, with your return thereon, showing how you have executed the same. Given under my hand this 6th day of September, A. D. 1917. T. J. KING, Justice of the Peace, Precinct No. One McCulloch County, Texas.

TOM KING, MANAGER.

Succeeds Tom Jones at South Texas Lumber Co.

J. Ewing, general manager, and V. H. McCall, asst. general manager of the South Texas Lumber Co., were here from Houston Wednesday and Thursday checking out Tom Jones as manager of the local yard and checking in Tom King, who succeeds Jones. Jones' resignation was prompted by his responding

to the first call in the army.

Mr. King is a Brady boy, and his many friends are pleased to see him again located here. He has followed the carpenter's calling for a number of years and is well conversant with the lumber industry, while his popularity with McCulloch citizens and his genial disposition will still further popularize him in his new position.

Mr. King has spent the past

several years attending college in Brownwood, and since his graduation there has been employed by Contractor W. P. Gray as superintendent of the construction of the new school building at Brownwood.

Mr. and Mrs. King arrived here from Brownwood Wednesday, and as soon as their household goods arrive, will make their home permanently among us.

## OPENING OF THE BRADY PUBLIC SCHOOLS MONDAY

The fall term of the Brady Public schools began Monday morning, and Superintendent W. L. Hughes and the members of the faculty are very well pleased with the initial attendance. The attendance in the higher grades is fully up to normal, something over 130 students having been enrolled in the high school department. While the attendance in the grammar school is not as good as usual, yet it is fully up to anticipations, and the enrollment is expected to be greatly increased within the next few weeks.

The grammar school was opened at 9:00 o'clock, with Miss Elzora Cunningham as principal. Registering of pupils, together with usual exercises consumed the greater part of the day, but by Tuesday the children had gotten down to regular school work.

The high school students assembled at the high school building on the north side at 2:00 o'clock in the afternoon. Chapel exercises were conducted by Rev. J. G. Forester, who also made a splendid address to the students.

The following compose the faculty of both the high and the grammar school:

W. L. Hughes, Superintendent; F. E. Norton, High School Principal; Miss Elzora Cunningham, Grammar School Principal.

First Grade—Miss Inez Butler, Miss Lena Clark.

Second Grade—Mrs. F. A. Knox, Miss Emma Young.

Third and Fourth Grades—Miss Lee Smith, Language and Reading; Miss Euna White, Geography and Penmanship; Miss Bessie Hall, Arithmetic and Spelling.

Fifth and Sixth Grades—Miss Elzora Cunningham, Geography and History; Mrs. Ethel Abernathy, Language and Reading; Miss Mary Bell, Arithmetic, Spelling and Penmanship.

Seventh Grade at High School—F. E. Norton, English; Mrs. W. B. Anderson, History; R. C. Bowden, Science; Miss Mary Stratton, Home Economics; Miss Elisa Stiebel, Latin and Spanish; W. L. Hughes, Mathematics.
