FIREBOYS BENEFIT NIGHT ONCE A MONTH AT LYRIC

Next Monday night, May 2nd, will be Fireboys Benefit show at the Lyric theatre. In fact, the first Monday night in each month has been donated by Mr. Julius Levy, proprietor of the Lyric, to the fire boys, who will be given all receipts above the cost of film and actual operating expenses.

This very liberal offer of Mr. Levy has been prompted both by the desire to help the fireboys, and also for the purpose of banning street carnivals from the city, the fireboys having agreed not to allow street carnivals to come to Brady in future under their auspices.

The fireboys are very enthusiastic over this new means of securing funds, since they feel it is one that every citizen will not only endorse, but be glad to support. Fire Chief Frank Hurd states that an active ticket selling campaign will be inaugurated, and hopes to have a packed house every first Monday night. Tickets will be sold at the regular prices of 15c and 25c, thereby making the cost to the individual citizen who buys a ticket for every benefit performance, only \$3.00 per year—an insignificant sum when compared with the great value to the city and citizens of the fire department.

With the installation of the new chemical truck, and also the new electric siren, the fireboys' treasury has become depleted, and the company is in immediate need of funds. Ordinary operating expenses of the company run approximately \$25.00 per month, this sum covering fuel, water, lights, janitor service, etc., at the fire station. In cases of fires, where the fireboys have their clothes ruined or damaged by fire or water, the company makes good the loss to the individual members, and quite frequently this runs into a considerable item. Suffice it to say that the fire boys not only deserve, but actually have need of every cent of benefit they may hope to derive from the first Monday shows, and every citizen should willingly and gladly give them encouragement by purchasing tickets.

The title of Monday night's picture will be "Man's Plaything," a gripping drama of unusual character, in which, for a change, man pays and plays. You will see a powerful blending of the good and bad in life—a picturesque play depicting the gauntlet of human emotions. In addition to this six-reel feature, there will also be that interesting reel, Fox News, showing topics of the day and interesting events.

EDISON ARTIST HAS NEW THRILL IN TEXAS—HEARS MOCKING BIRD

Miss Sibyl Sanderson Fagan, celebrated reciter, who appeared here Monday night in the Edison recital at Lyric theatre, experienced a new thrill recently in Texas—that of hearing a mocking bird singing in its native clime. Although Miss Fagan has been appearing in recital the past four seasons, this is her first trip South. While out autoing recently, she first heard the mocking bird, and stopping the car, she vanished among the trees, answering the calls of the little songster. When her companions found her the mocking bird was all but resting in her hand, so entranced was he by the wonderful manner in which this little lady answered his song. Miss Davis, who appeared with Miss Fagan in the Edison recital, is making her second season's tour, while Mr. Osborne, violinist, has, like Miss Fagan, spent four seasons in recital tours.

You will need one of those new Hot and Cold Bottles, one-gallon size, with opening large enough to insert hand. Call and see them. BRADY AUTO CO.

If you are in need of a pair of good cowboy boots we have them at EVELYN ODDLE & SHOE SHOP.

CHICAGO WOOL MAN BUYS THE H. P. RODDIE BRANCH AT SAN ANGELO

San Angelo, April 25.—The wool and mohair branch house here of H. P. Roddie & Co., has been purchased by Williams Campbell of Chicago, and local interests. The deal included big iron-clad warehouses along the Santa Fe tracks, where the business will be continued. Mr. Roddie died in Dallas last September and since that time E. D. Caldwell had been local manager. Mr. Roddie's home was in Brady.

William Campbell moved to San Angelo from Chicago in January, having come here each season for eleven years to buy wool and mohair. He has had experience both as a woolen mill operator and as a buyer.

SCHOOL BOARD NAMES J. B. SMITH SUPERINTENDENT

J. B. Smith of Gorman has been selected by the local school board to head the Brady schools as superintendent the coming school year. Mr. Smith is a school man of wide renown, having for eight years been superintendent of the Ozona public schools, and prior to that having had charge of the Eldorado public schools. He is reputed a school builder of exceptional talent, and has a record of signal success in the schools with which he has been associated. The school board, in naming Mr. Smith, feels that it has secured one of the best school men in the state, and is looking forward to one of the most successful school years in local history.

Mr. Smith is expected to arrive in Brady about July 1st, when he will begin his preparations for the coming school year.

The school board has under consideration applications for various members of the school faculty, and will make selection of several teachers at their next meeting.

WATERSON THINKS CONFEDERATE SEAL NOW IN ENGLAND

Louisville, April 3.—Henry Waterston today revealed a bit of history in connection with the disappearance of the seal of the Confederacy, about which much has been written recently and gave it as his belief that the original seal is somewhere in Europe, probably in England.

Waterston has one of the six original copies of the great seal. It was obtained in this way, he said at his home at Mansfield, near Louisville:

"When Judiah P. Benjamin left this country to locate in London he entrusted the great seal to his secretary, a man named Bromwell. A year or two after the war Bromwell became my father's law clerk in Washington City. My father had the copies made and Bromwell retained the seal. Some time later Bromwell went to London to join Benjamin, who took care of him until he died, some time in the seventies.

"He took the seal to England with him. I have no doubt it was in his effects and that it now reposes somewhere over on the other side."

Waterston is a former editor of the Louisville Courier-Journal. A seal widely accepted by authorities as the original is in the Confederate Museum at Richmond.

Richmond, Va., April 23.—Authorities here on Confederate history declare that all doubt has been cleared as to the genuineness of the great seal of the Confederacy now to be seen in the Confederate Museum in Richmond.

The seal in Richmond was taken to England several years ago and shown to the nephew and successor of the engraver who made the seal. This engraver, Allen J. Wyon, furnished J. St. George Bryan, who took it to England, with a certificate attesting it to be the one his uncle made—the only original great seal of the Confederacy. It was presented to the Confederate Museum in 1912.

BIG RODEO AND ROUND-UP MAY 5TH POLO GAME FEATURE DUTTON PARK

PLANS COMPLETED FOR BIG CELEBRATION AND FORMAL OPENING OF NEW ENTERPRISE—PROGRAM EVENTS TO FILL EVERY MOMENT OF AFTERNOON.

There will not be one dull moment during the entire afternoon at the big Rodeo, Round-Up and Polo contest to be staged next Thursday afternoon in Brady at Dutton park. There have been a large number of entries for every event on the program, and some of the best ropers, riders and athletes in this section will be seen in action. The big Rodeo will mark the formal dedication of Brady's newest popular enterprise—the Dutton City park. The promoters have spared no expense in making this enterprise one worthy of public commendation, and they promise to more than meet the expectations of the public in the opening event.

The gates to the Dutton City Park will swing open at 1:00 o'clock, enabling all to secure seats in ample time for the opening event to be staged at 2:00 o'clock. The rodeo will be one of the main attractions, and rough riders from all over this section have been invited to participate in the bronco busting, and other events.

There will be goat roping contests in which spotted goats that have had long experience in dodging ropers will be used, and the roper who settles his noose about one of these artful creatures is sure going to be a good one. The round-up will be another big feature, in which local cowboys and visitors will demonstrate their skill in cattle cutting. This is a Texas sport that never tires, and old-timers

and those of later generations will be interested in watching this unusual performance. Perhaps the biggest feature of the day will be the polo game between matched teams. This sport, which held full sway in the earlier days of Brady, is again coming back into great favor, and the practice games played on the polo grounds, recalls the by-gone days when Conover and Savage Bros. trained polo ponies for Eastern polo players. It is safe to say that the polo game, in itself, will be worth everybody's attendance.

Many other features have been planned, such as cigar races, etc., provided all the events can be crowded in the afternoon's program. Gate admission will be 50c for the entire afternoon's performance, which should assure an immense attendance.

Death of J. W. Embry.

The death of Joseph William Embry, one of Brady's most highly respected citizens, occurred Wednesday afternoon at 2:30 o'clock, aged 75 years. Death was caused by a complication of troubles with which Mr. Embry had suffered since December 10th, and was hastened by his advanced age. Funeral services were held this morning at 10:00 o'clock at the Methodist church, the Rev. S. C. Dunn conducting, and interment was made in Brady cemetery.

Born in Alabama, Mr. Embry came with his parents to Ellis county, Texas, in 1853, when about 8 years old. He was married January 15, 1867, to Miss Margaret Ann Fields at Lebanon, near Midlothian, and, with his bride, settled near Cedar Hill in Dallas county. In 1869, he removed to Wise county, where he lived for 31 years, then located in Schleicher county four years, and since 1904 had made his home in McCulloch county, at Brady.

Mr. Embry was a man of high Christian character, having become a member of the Methodist church at Cedar Hill, Ark., when 7 years old. He was a substantial and influential citizen of Brady, and was held in highest esteem by all. Thirteen children were born to him and his good wife, of whom four survive. Mrs. Embry passed away in 1914.

Numbered as survivors are three sons: Otis and Briton of Sherman, Texas, and Nollie B. of Brady; and one daughter, Mrs. J. E. Bryan of Sherman. Also a grand-daughter, Mrs. Margaret Wall of Dallas. An only sister, Mrs. G. A. Burks, who attended Mr. Embry during his illness, is now also very ill at her home in Midlothian.

Patronize home industry—have us wash your clothes. City Steam Laundry.

BROWNWOOD'S CITY BOND ISSUES CARRY IN SATURDAY ELECTION IN THAT CITY

All three bond issues, voted on in a city election last Saturday, carried. The total of bonds voted amount to \$175,000, apportioned as follows: For new school building, \$65,000; for sewerage extensions, \$75,000; for street improvement, \$35,000.

Table with 2 columns: Issue, Amount. For school bonds 298, Against school bonds 80, For sewer bonds 286, Against sewer bonds 108, For street bonds 192, Against street bonds 186.

ART EXHIBIT ANNOUNCED TUESDAY AFTERNOON AT PRESBYTERIAN CHURCH

The ladies of the Tuesday club announce an Art Exhibit, to be given on next Tuesday afternoon from 2:00 until 6:00 o'clock at the Presbyterian church. The members of the club have taken great interest in this exhibit and have put forth special efforts to make the same of unusual attraction.

A short and interesting program has been arranged. Refreshments will be served.

There will be no admission charge, but a free will offering will be taken.

Post Extensions for Transfer Binders at The Brady Standard office.

DAY-DALEY BEGIN DEEP TEST WELL ON NEXT MONDAY

The Day-Daley Petroleum association will begin the drilling of Day Well No. 1 to the 3,500 ft. depth next Monday, according to present plans. Operations so far have awaited arrival of new casing line, which was received yesterday, and which completes equipment of the well. Drilling will be in charge of B. J. Crowley, who has had singular success in all his operations, and record time is anticipated in the making of hole.

Difficulties continue to beset operations of the Friday Oil association at the Douglas well. Following the shooting off of the end of the 12-inch casing the pipe collapsed, and trouble was experienced in getting it out of the hole. The 12-inch has now been set to 240 ft., and the crew is cleaning out the hole, and expects to complete this work by the end of the week in readiness to give the 630-ft. sand a shot.

The Star State Oil Co. is now drilling, having spudded in Wednesday. This company is drilling a shallow test near the Douglas well.

A MODERN TEXAS DEALER GATHERS EGGS BY PLANE—PLEASURE TRIPS ON SUN.

New York, April 22.—O. W. McCully, Brownwood, Texas, who is looking over the egg market this week, thinks that New York is a bit slow in some things. In the neighborhood of Brownwood, where the packing plant is, Mr. McCully has a number of stations where he gathers eggs. He has as his partner a former aviation corps man and between them they bought an airplane.

On Sundays or holidays this airplane is used at resorts to give passengers thrilling rides at so much per. During the week, Mr. McCully says, this plane is used to visit his various egg stations and to bring the eggs to the packing plant. The town of Brady is 48 miles from Brownwood and Mr. McCully says that they make the trip from Brownwood to Brady in 40 minutes. Eggs gathered in an airplane are free from breakage and the speed at which they are carried enables the packers to have fresh stock early and often.—Produce News, N. Y.

T. A. EMBRY PURCHASES BRADY HOTEL PROPERTY FROM MRS. ANNA BUCKNER

A deal of interest to Brady citizens was the purchase the past week of the Brady hotel property by T. A. Embry from Mrs. Anna Buckner of Brownwood, the new proprietor getting possession on the 1st of May. The Brady hotel is located on North Bridge street, across the street west from the Brady Auto Co., and, being on the main street connecting the business section with the union depot, is most advantageously located for hotel purposes. The place has been operated for the past year or two as a rooming house by Walter Williams. Mr. Embry will move to his newly-purchased property about the 1st, and will operate the same as a \$2.00 a day house. He will improve and re-furnish the building, and expects to conduct a first-class place.

BUILDING SHROPSHIRE LAKE CLUB DAM IN PROGRESS

Construction of the big dam for the Shropshire Lake club was begun yesterday morning by G. B. Heath of Abilene, to whom contract was recently let by the Lake Club Building and Improvement committee. The contract calls for the moving of 20,000 yards of dirt in the construction of the dam, which will be 812 ft. in length, 105 ft. wide at the base, 16 ft. wide at the top, and with a maximum height of 22 ft. The dam, when filled, will back water over approximately 45 acres. Average depth of water will be 12 ft.

The dam is to be constructed on the J. E. Shropshire ranch, about three miles east of Brady, and will convert an immense draw into a large club lake. The land to be covered by the lake, together with acreage for club house, etc., has been given in perpetual lease to the recently organized Shropshire Lake club by Mayor J. E. Shropshire of Brady, with the provision that the land and all improvements shall revert to the said J. E. Shropshire or his heirs, whenever the lake club ceases to exist or function.

Contractor Heath will be assisted in the construction of the big dam by his two brothers, who will have charge of the construction crews. Eleven teams are being used in moving the dirt. A crew of Mexicans have been engaged for the past week or so in cutting the timber off the acreage to be converted into the lake, and all underbrush will be cleared out. Something like 40 days will be required to complete the dam, according to present estimates of the contractor. The total cost of the improvements now under way will run close around \$6,000.

TREBLE CLEF CLUB

The Treble Clef club of Howard Payne College, Brownwood, Texas, will give a program next Tuesday evening at 8:15 o'clock at the Christian tabernacle, under the auspices of the Ladies Aid of the Baptist church. Admission will be 50c for adults, and 25c for school children. Eighteen girls will appear in the program, and an enjoyable time is assured all.

How about your watch? Edison keeping correct time? If you don't let us remedy the trouble you. Satisfaction guaranteed. A. F. Grant, Jeweler, east side square, Brady, Texas.

EDWIN BROAD BUILDING NEW HOME, NORTH SIDE—E. T. STOBAUGH IMPROVES

The North Side resident district is rapidly forging to the front and promises to outdistance other sections of the town in number of new residences. Another new home is now under construction—that of Edwin T. Broad, who is building on North Bridge street, his location being the north one-third of the block on which the residence occupied by Thad O. Day stands. W. W. Wilder has the contract for the Broad home, and laid foundation for the same Monday. Mr. Broad has planned a modern 6-room bungalow, with all up-to-date innovations, and of decidedly attractive appearance. The foundation and porch pillars will be finished in stucco, while the building itself will be of frame construction. Something like 60 days will be required to complete the building.

E. T. Stobaugh is improving his north side residence, recently acquired from Carroll Gray by adding a commodious and attractive sleeping porch, as well as having the home repainted and otherwise improved.

ART EXHIBIT TUESDAY.

The ladies of the Tuesday club will give an Art Exhibit at the Presbyterian church next Tuesday afternoon, May 3rd, from 2:00 until 6:00. There will be a short, interesting program. Refreshments will be served. Free will offering.

Conductive Anesthesia or Nerve Blocking. Which is being used by modern dental surgeons, enables the dentist to perform operations upon the teeth, which are usually considered almost unbearable, practically PAINLESS. These operations include fillings, crownings, bridgings, nerve removing and extractions. I took a special course this past summer in New York in Conductive Anesthesia and Extractions. Abscessed, or impacted wisdom teeth, I now remove practically painless. No more fear of the dentist where this method is used. ALL WORK GUARANTEED. Dr. H. W. Lindley, Dentist. LADY IN ATTENDANCE. COW CREEK NEWS.

Two More Weeks School Picnic to be Given on Last Day.

Lohn, Texas, April 25.

Editor Brady Standard:

As we talked to get our other letter in time last week will try to do better this time.

The program at our school house was a big success. There was a very large crowd out and everyone enjoyed themselves. There are but two more weeks of our school, and I'm being told there is to be a picnic on the last day.

Mrs. E. W. Wood, son and daughter, also Lora Killingsworth, spent Sunday with Mrs. Purdy and daughter, Miss Lucy.

A number of our young folks attended a party at Claxton Saturday night.

E. A. Marshall and Mrs. T. C. Marshall and daughters, also E. W. Turner and family, attended church Saturday and Sunday.

Charles Hanley and sister, Miss Susie, and Miss Lora Killingsworth were Brady visitors Saturday.

Mrs. S. T. Killingsworth and son, Ira, visited Mrs. Killingsworth, brother and family, Billie Weldon, of Mercury over Saturday and Sunday.

The singing at the E. W. Woods home Sunday night was enjoyed by all present.

Otis Young has been on the sick list this week, but I am glad to be able to report him better at this writing.

Mrs. Lawrence is another on the sick list. Mrs. Lawrence, tho' better, is not able to be up yet.

E. W. Woods and son, and F. J. Moore were business visitors in Brady Friday.

"WILD FLOWER."

COW CREEK NEWS.

Large Crowd Enjoyed Singing at Mr. and Mrs. W. S. Young's.

(Too Late for Last Week)

Brady, Texas, April 19.

Editor Brady Standard:

There have been, and are having some weather and a very high wind. There had another light frost the other night that bit down the corn and potatoes again.

The singing at the home of Mr. and Mrs. W. S. Young's Sunday night was enjoyed by a large crowd.

There was a large crowd at prayer meeting at the E. W. Turner home Thursday night.

Mrs. R. F. Shield and daughters, Misses Jeanette and Annie Lee, of Millersville, spent the week-end at this place with Mrs. Shield's sister, Mrs. S. T. Killingsworth, son and daughter.

Bill Purdy came home Sunday for a visit with his mother and sister, Miss Lucy, who is an assistant teacher in our school.

Mr. and Mrs. J. S. Wyres visited Mrs. Shields and daughter, at Mrs. Killingsworth's Saturday night.

Mrs. Hanley and daughter, Miss Susie, visited Mrs. Hanley's niece in Coleman county this week-end.

The Wyres family visited Mr. and Mrs. Doc Wyres Saturday.

"WILD FLOWER."

COUNTY CORRESPONDENCE

EAST SWEDEN NEWS.

Party at Ed Carlson's—Preaching Next Sunday Morning and Night.

Brady, Texas, April 26.

Editor Brady Standard:
 We are having some fine weather at this writing and farmers are all busy planting cotton and plowing corn and maize. But it looks like it might rain again, for which I hope it will.

C. O. Johnson and family were pleasant visitors at the Franz Johnson home Sunday evening.

Albert Turn took dinner with Alfred Nelin Sunday and in the afternoon they visited Fred Johnson.

Mrs. Laura Sternagle and little daughter were visiting Mrs. Conrad Carlson Wednesday.

Miss Gladys Engdahl spent Saturday night with Miss Jewel Salter.

Thomas Johnson arrived Sunday evening from Waco, where he is attending school at that place. Thomas was called home to be at the bed side of his father, who is still very sick.

Charlie Bryson and family made a trip to the grand old city of Brady last Friday.

Misses Gladys Engdahl and Jewel Salter visited Miss Edith Nelin Sunday afternoon.

Mrs. R. L. Wash was visiting Mrs. Ab Salter one day the past week.

There was a party at the home of Mr. and Mrs. Ed Carlson's last Saturday night, and there was a large crowd out for the occasion. Refreshments of cream and cake were served to all those present.

Albert Eklund and Damron, Roy and Ares Cunningham attended the commencement exercises at Rochelle last Friday night.

O. E. Hurd has been reported on the sick list for the past week.

There will be preaching Sunday morning and night, May 1st, by Rev. Woods. Everybody come out and bring someone with you for these services.

Jno. Nelin and wife and son, Cecil, were pleasant callers at the J. A. Eklund home Sunday.

Ab Salter and R. L. Wash went fishing one day the past week.

Frank Hurd and family, and mother, Mrs. D. A. Hurd, spent Sunday down on the creek.

Harold Dutton is here from Waco, where he is attending school. He was called home to be at the bedside of his grandfather, C. A. Johnson, who is very sick.

Miss Adelia Hendrickson returned Sunday from Rochelle, where she had been spending several weeks with Mrs. Paul Haddow.

Mrs. A. Berquist and daughter, Miss Edith, of Brady, visited Mrs. Lewis West Sunday afternoon.

I will bring my letter to a close for this time.

"JONNIE."

CALF CREEK NEWS.

Miss Zora Perry Struck by Base Ball—Crowd Sees Game at Hext.

Brady, Texas, April 26.

Editor Brady Standard:
 Well, as it has been some time since I have written, I will try to send in a few items.

The farmers are all busy now planting over their corn and gardens, as the frost has got most of it.

The Methodist meeting is going on now, having church every night. Will be glad for everyone to come.

Luther Bridge is very sick with pneumonia and Mrs. Jack Wood of Nine is helping her mother nurse him and hope him a speedy recovery.

Miss Zora Perry happened to be the misfortune of getting hit in the side with a base ball Tuesday morning. Hope she will be able to come to school soon.

Delma Childers of Brady spent the day Sunday with Odell Smith.

Miss Lola Kolb is visiting her sister at Brady, Mrs. Brewer, this week.

Miss Zora Perry and Miss Lelah Blasdel, spent a short while at the Bridge home Sunday evening.

Quite a few of the young folks went to Hext Sunday afternoon to see the base ball game. Misses Mary Ewing, Ople Turner, Temple Bingham and Birdie Young; Messrs. Rubin Bradshaw, Earl Nixon, Lown Bradshaw and Edd Bradshaw, attended.

Mrs. Jim Kiser and children of Menard is visiting her mother and father, Mr. and Mrs. J. W. Attaway. Mr. and Mrs. Duncan of Nine and Mr. and Mrs. Fred Furr of Dodge, visited their mother and father, Mr. and Mrs. O. W. Duncan Sunday.

Grandma Massie is visiting her son, Mr. Massie.

Claude Knight visited the Ewing boys Sunday.

The party was enjoyed at Mr. R. B. Turner's Friday night.

Mr. and Mrs. Julius Dacy are rejoicing over a new boy; and also Mr. and Mrs. Irving Moore, a new girl.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

VOCA VOICES.

Montgomery School Played Home Talent at Katemey Saturday.

Voca, Texas, April 26.

Editor Brady Standard:

Here I come again after a week's absence.

Mr. Ollie Massey made a business trip to Brady Saturday.

Bro. Banks filled his regular appointment here Sunday.

Grandma Carter has returned from Eden, where she has been visiting relatives and friends.

Mrs. Oran Tinsly is visiting her parents here for the past two weeks.

The Pontotoc School brought a play up here Friday night and it was reported a real good play.

Mr. Black came to the school Friday afternoon and gave the club members some good lectures.

The Montgomery school took their play to Katemey Saturday night. The name of play was "Ruth in a Rush."

The singing at Mr. Ziriaz's Sunday night was enjoyed by a large crowd.

Mr. and Mrs. L. Passmore made a business trip to Brady Saturday afternoon.

The school had a picnic last Thursday on the creek.

Little Walter Behrens has been real sick, but reported better now.

Well, as news is scarce here now, everybody is so busy farming, I will ring off.

"BROWN EYES."

More Price Reductions by Harvester Company

Entire Line of Implements Now at LOWER PRICES

In view of the recent reduction in the price of steel, we now announce lower prices for our entire line of farm machines and implements not covered by reductions previously announced.

All lower prices take effect at once

The reduction in the price of steel comes after all the material for the machines and implements we will sell this year has been provided, and will therefore have no bearing on the manufacturing costs of such machines. However, it does enable the Company to buy materials at lower prices for future manufacture, and in accordance with our announced policy we now quote those prices, the Company taking the loss on machines already finished and materials on hand.

Full information regarding our lower prices on binders, mowers, and all other harvesting, haying and corn machines, tillage implements, tractors, engines, and all other I H C farm machines can be obtained from any International Dealer.

NINE NEWS.

San Jacinto Day Observed With School Picnic—Dance Enjoyed.

Nine, Texas, April 25.

Editor Brady Standard:

A light rain fell over this section last Thursday, but was not as much as is needed on the small grain. Most everyone has decided that the cold weather is over, and cotton planting is taking the day.

Mr. and Mrs. Louis Pursch who have been visiting Mr. and Mrs. Miles Abernathy left Saturday for San Antonio, where they will spend a week before returning to their home at Tilden.

Bro. Cobern, the Methodist minister, filled his appointment here Saturday night and Sunday morning.

Mr. and Mrs. J. F. Quicksall of Dodge attended Communion service at the home of Mr. and Mrs. L. J. Abernathy Sunday afternoon.

Miss Olene Murphy spent Saturday and Sunday with Alpha Blauvelt.

Quite a number of people from this community went fishing last week, but none of them caught very many fish.

Mr. and Mrs. John Newlin entertained the community with a singing Sunday night.

Miss Dollie Blackwell and Mr. Leo attended church in Brady Sunday morning.

Misses Clara Smith and Dollie Blackwell attended the basketball game at Whiteland last Wednesday afternoon.

The young people enjoyed a dance Saturday night at the home of Mr. and Mrs. D. C. Blauvelt.

The teachers, pupils, patrons and friends of the Nine school celebrated San Jacinto Day by bringing their lunches to the school house and having a picnic. A fine dinner was spread, after which two games of basket ball and other amusements were enjoyed.

The latest game at the school house is "mumble-peg." The pupils are spending most of their time at this interesting and profitable (?) game. "SHARPEYES."

ROCHELLE NEWS.

Commencement Exercises Held Last Friday Night—Six Graduates.

Rochelle, Texas, April 25.

Editor Brady Standard:

Our school closed last Friday, and the commencement exercises were held at the auditorium last Friday night to a full house. There were six graduates: Misses Velma Burk, Inez Chandler, Vera Wilson and Messrs. Merl Carrol, Charlie and Brown Willoughby. The graduating address was splendidly delivered by a gentleman from Thorp Springs. The diplomas were awarded by one of our former teachers, Miss Mattie Ella Cravens. The musical part of the program was surely fine.

Mr. John Patterson was moved to the Brady sanitarium last Friday afternoon. We wish for Mr. Patterson a speedy recovery.

Mr. S. W. Simpson, wife and children passed through here last Sunday morning enroute to the Baker ranch to spend the day with Mr. and Mrs. Clary.

Mr. and Mrs. L. A. Aycock attended church at San Saba last Sunday. Their son-in-law, Mr. Evan Neal, is preaching down there.

Mr. George Lockwood has been on the sick list the past week.

Mrs. W. E. Humphrey received word last Friday morning of the death of her brother-in-law, Mr. Tyson, at Mullen. They left immediately to attend the funeral. The bereaved ones have our deepest sympathy.

Mrs. S. L. Hurd and son, Freeman, and daughter, Nina, and Mr. G. M. Lockwood and wife, were visiting at the C. A. Johnson home last Sunday afternoon. Mr. Johnson is in a critical condition, having a cancer of the stomach.

We regret very much to lose Prof. Patterson and wife from our midst. May joy and happiness go with them wherever they dwell.

Mr. B. B. Burk and wife are also leaving our little town today, moving to Menard, where Mr. Burk will resume his duties as manager of the lumber yard at that place. We regret to give these good people up. But may they prosper and be happy with their surroundings at Menard.

Some write for pleasure,
 Some write for fame;
 But I write, simply to
 Sign my name.

"MRS. JIGGS."

Robinson Reminders—the best memorandum book ever devised. The Brady Standard.

WALDRIP WORDS.

Two New Garages—Prospects of a Gin—School Closing.

Waldrip, Texas, April 26.

Editor Brady Standard:

The farmers in this part of the country are very busy planting. The frost a few nights ago was pretty bad but did not do much damage. Gardens are fine. I'm afraid the merchants are going to "go broke" before long, for all the people are raising what they eat as nearly as they can, and, anyway, that's what the poor farmer has got to do or he will be a regular slave.

Our school will be out Friday. We are planning a program for Friday morning and some ball games in the afternoon and a play entitled "The Average Man" for Friday night.

Miss Floyce King of Brady was a heartily welcomed guest here Saturday night a week ago.

Jake Frost is just now recovering from a severe case of typhoid fever. The County Missionary preached for us Saturday night, Sunday and Sunday night.

Our Sunday school is progressing nicely. Mrs. J. J. Kirkpatrick has a splendid class. We feel that we owe her more than we could ever pay. She has done more for the community than any one. All the boys of the community come to Sunday school now, as they have never done before.

Mr. Johnnie Knight has a new Ford and is seen driving a great deal.

There are two new garages in this town now, and we have some hopes of a gin before long.

Virgil Dawson of Caryson was a guest at the Lohn home during the past week.

Mrs. Briscoe has been on the sick list for the past week but is improving now.

Miss Bertha Geye visited her sister, Amy Geye here Saturday and Sunday.

Grandma Chaffin has been visiting relatives here for the past two weeks but was called to Wichita Falls on account of the illness of her daughter.

Well, I will go and leave room for someone of more importance than I.

"POLLY."

To Cure a Cold in One Day
 Take LAXATIVE BROMO QUININE (Tablets). It stops the Cough and Headache and gets rid of the Cold. E. W. GROVE'S signature on each box. 30c.

April 30th, May 2nd and 3rd. Mrs. Peek will be here to demonstrate how to preserve "The Beauty of Women." Trigg Drug Co.

WAS OBLIGED TO GIVE UP HIS JOB

Carthage, Mo., Man Gains 24 Pounds on Tanlac And Is Back On His Job.

"I feel better right now than I have in ten years and have gained twenty-four pounds in weight all on five bottles of Tanlac," said W. S. Forrest, 710 Clinton Street, Carthage, Mo.

"I had a long-standing case of stomach trouble that had pulled me down until I wasn't able to work at all and had given up my job and I had told my wife I never expected to be able to work any more.

"Indigestion bothered me day in and day out and my appetite was so poor that I was living on about as near nothing as any man ever did. I had terrible pains across my back and my legs and knees ached nearly all the time. My nerves were all wrought up, I had regular spells of headaches and lost sleep night after night. I fell off in weight and got so weak I couldn't even climb the stairs.

"But Tanlac has made a well man of me and I am back on the job working every day. My appetite is fine and I have gained so much weight that my friends hardly know me at first sight. The pains and nervousness have all gone and I sleep like a top every night. My experience with Tanlac has been remarkable and I recommend it in the highest terms."

Tanlac is sold in Brady by Trigg Drug Co., in Mercury by J. T. Matlock, in Rochelle by C. W. Carr, and by leading druggists everywhere.

COLORED METHODISTS SEEK LOCAL AID IN COMPLETING PLANS FOR CHURCH BLDG.

Just a Church word to the citizens of Brady and McCulloch County:

It is the program and purpose of the Methodist Episcopal church to help make the world better, by helping to Christianize and civilize all the peoples of all lands, and to help make the world safe for democracy. It believes, as did Christ, in rescuing the perishing, lifting up the fallen, caring for the dying, carrying light into darkness, and finding and saving the lost ones. It considers it a part of its duty to help the negro as well. It has planted and maintained schools and churches all through the South lands. It is still a part of its program to continue this well-begun work. I have traveled all through the Western county for six consecutive years, lecturing and preaching to my people, trying to infuse in the life and light of the blessed Christ.

We organized a Mission at Brady in 1909 and bought grounds, paid for it, and kept up with our few scattered people all through the dry seasons. In the time of famine or scarcity of food, water and money, we stood by them, without money and without price. No other colored Methodist preacher came on the scene; but we were there and stayed. Now we are up against the problem of building. We have already bought lumber from Dr. Craddock. We have had some other financial assistance from other white and colored friends, every cent of which can be accounted for in a very definite and appropriate way. Our Board has promised to help us as much as five hundred dollars if we can get continued sufficient encouragement locally. We are not taking your church building contributions out of town or applying them for other uses. But we are bringing \$500 dollars into Brady to help build this church. We humbly beg the kind editor to let us make this plain statement at the request of some of our friends. We shall appreciate any donation of building material or money. We prefer the former, for this building which is now in course of erection. It is our further policy to try not to over-church any town or city. We were the first Methodists of color in the town, therefore we think we are entitled to the first consideration. We have our own form of solicitation (books) and present our claims, humbly and righteously, hence we shall appreciate from the generous public, white and colored, your most liberal consideration.

Rev. J. F. Muse is our pastor, and Mr. Jas. Washington is leading trustee.

Yours for the bettering of our colored people,

A. D. JACQUES,
District Superintendent, San Angelo District of the M. E. Church. P. O. Box 82, Temple, Texas.

The milk and cream used in making Schill's Ice Cream is bought from Brady people. Eat Made in Brady Ice Cream and help Brady people, and keep Brady money in Brady. Phone 20. SCHILL ICE CREAM CO.

COW GAP GOSSIP.

Mr. and Mrs. Chas. Lindsay Have New Girl—Edison Recital Attendants. Brady, Texas, April 25.

Editor Brady Standard:

Well we have another norther this (Monday) morning. We believe this is the last one due us, but is just a few days early. The continued cold weather is making everything look sorry. Some have planted maize over; what little cotton there is up looks like Ned (if you know how sorry he looks). Corn is looking fairly well.

Mr. and Mrs. H. L. Winstead visited at John Weldon's at Pear Valley, Sunday afternoon.

Chas. Hilliard and family, Mrs. J. Newton, Mr. and Mrs. Woodress and children, spent the day with Mr. and Mrs. Jess Bissett Sunday.

F. Gressett and family and A. J. Cottrell visited at Newt McShan's Saturday.

Ferris Woodard, wife and baby, and Miss Margaret Harkrider visited at B. D. Dilliard's Saturday night and Sunday.

Mrs. Josie Bolding and little daughter, are spending a week at E. Bolding's.

Mr. and Mrs. Hulon Huie, Ralph Brock and wife, visited C. H. Waddle's Sunday.

Newt McShan and family and Miss Ethyl Newton visited relatives and friends at Brady Sunday.

Mr. Elton Hemphill went to the sanitarium at Brady last Friday and underwent a successful operation. He is expecting to be home in several days.

Mr. and Mrs. Webb Grey and baby visited at Mr. Jim Hill's at Waldrip Saturday night and Sunday.

Born, to Mr. and Mrs. Chas. Lindsay, April 19th, a girl.

Those attending the Edison musical at Brady, Tuesday night, were Mr. and Mrs. H. L. Winstead and Miss Bernice, Mr. and Mrs. Newt McShan, Mrs. W. A. Newton, Gordon Newton, and Miss Olive Dilliard.

W. A. Newton and family visited at Walter Browning's Sunday afternoon.

Miss Gladys Lindsay is staying at her brother's, Chas. Lindsay, this week, helping take care of the new baby.

"HOPE."

WOULD YOU LIKE TO BE YOUNG AGAIN? SEE HOW CONRAD FOUND YOUTH

There has been much said and written about regaining youth. "Way back in the early days of American history, Ponce de Leon sought the fountain of youth in Florida. Then there's that great song, "Backward, Turn Backward, Oh Time in Your Flight," to remind us of the eternal wish to be young again. Everywhere, every day folks are hunting out new health resorts, or are having doctors insert new interstitial glands in their bodies in the hopes of again becoming youthful. Perhaps, you, too, sometimes wish you could stay off the ravages of time. But, after all, none of us are any older than we believe ourselves to be. You will fully agree this statement to be a fact when you see Thos. Meighan at the Lyric tonight as "Conrad," a man of middle age, who is in quest of his youth. Just how he finds it, makes a most interesting story that you will be sure to want to see.

For Saturday, Monday and Tuesday nights there are three good pictures scheduled— "Flying Pat," "Man's Plaything," and "That Girl Montana." Dorothy Gish appears in the first named, Grace Davison and Montagu Love in the second, and Blanch Sweet in the third. The titles and the players are alone enough to interest everyone who wants the best in pictures—and the stories are sure to live up to the titles.

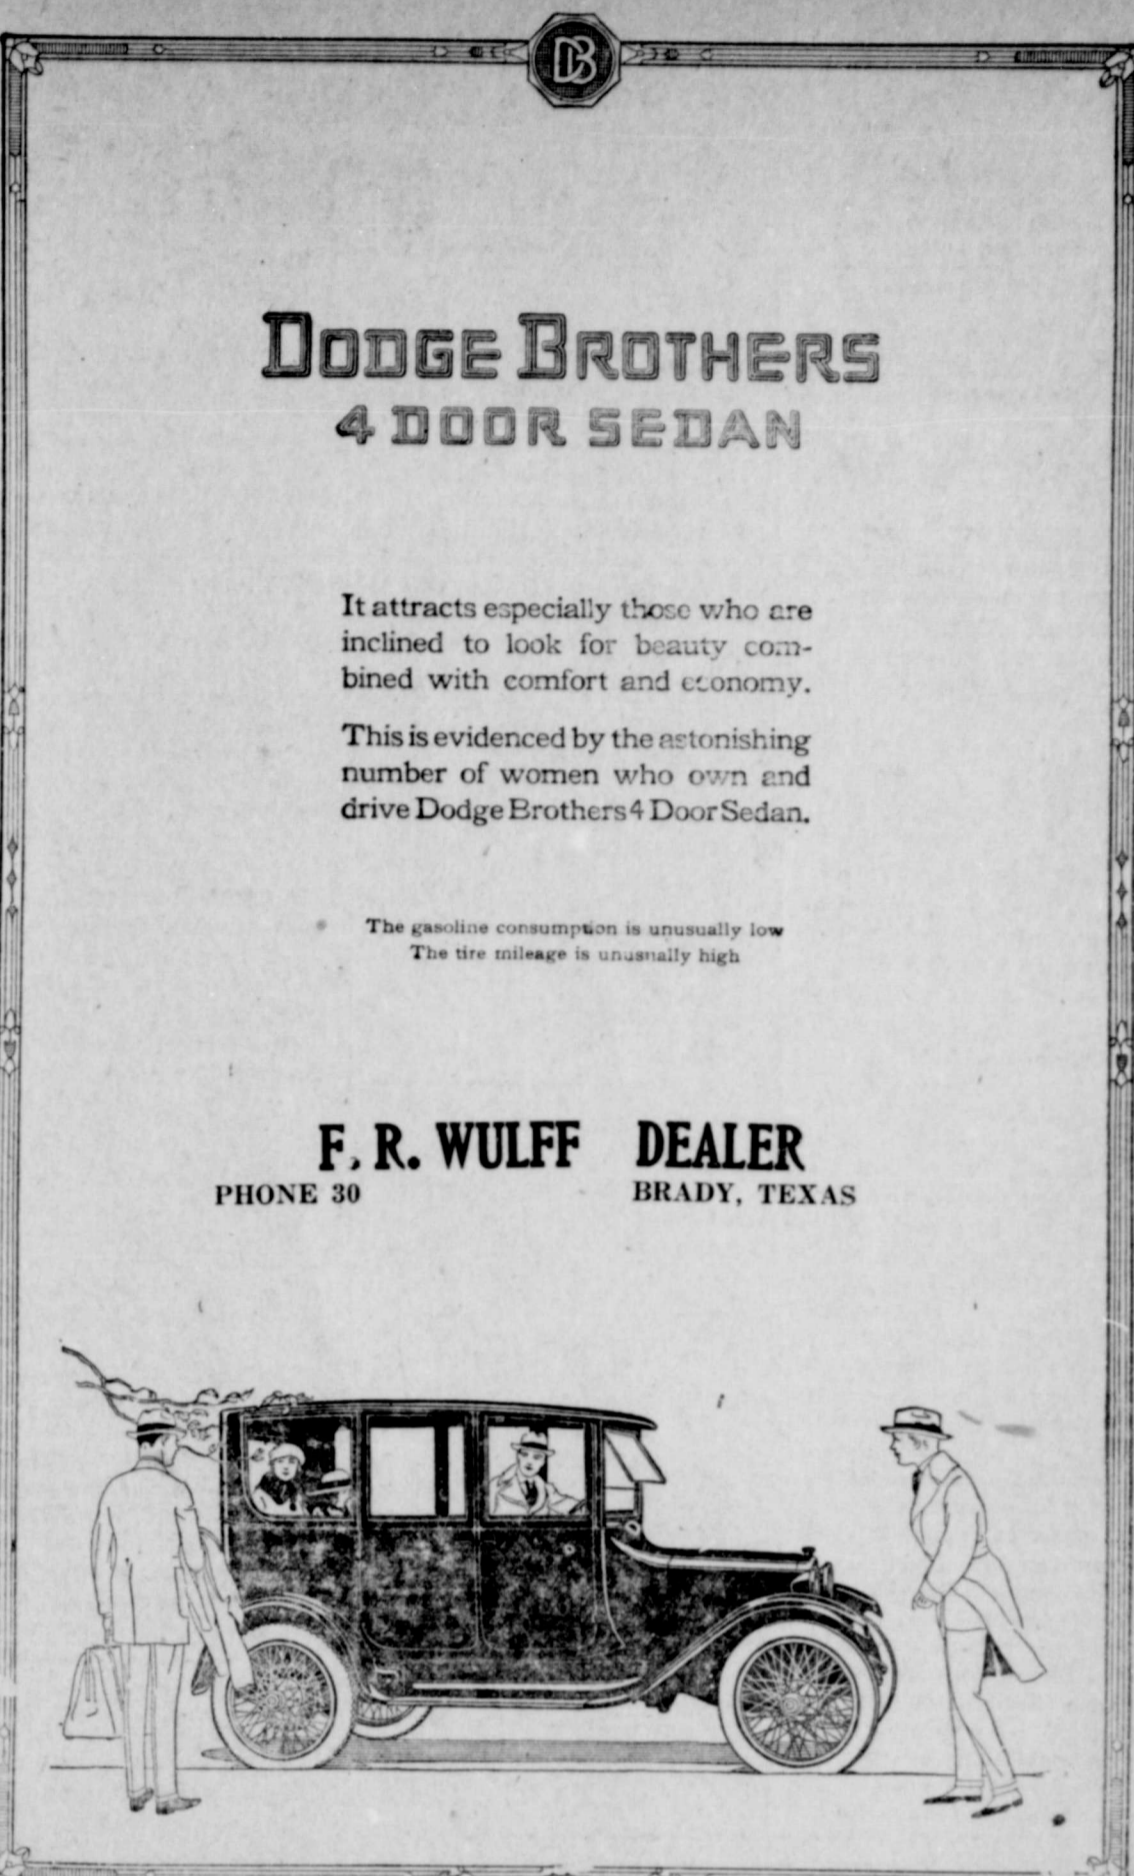

Don't forget that Monday night is Firemen's benefit night, and everyone should turn out and show their appreciation of Brady's Volunteer fire boys. Let's pack the house Monday night—the fire boys need our support, and there is nothing we could do that would cost less per individual, and still bring such splendid returns.

PICKNICKERS, ATTENTION!

CLAXTON NEWS.

Road Work Delayed By Truck Being Out of Commission. Rochelle, Texas, April 25.

Editor Brady Standard:
Mr. and Mrs. Tom Finnegan spent Sunday at the E. J. Howard home.

Several of the Claxton people attended the play at Rochelle Friday night. They all reported a nice time.

Miss Ora Williams spent Saturday night with Bertha Spencer.

Mr. B. G. Stuart and boys and Floyd Ince all spent Thursday night on the Colorado river fishing.

The party at Mr. Virgil Jackson's Saturday night was attended by a large crowd.

Mr. Moore Grey left one day the past week for Christoval.

Miss Inez Gressett visited at J. B. Cottrell's near Brady the past week.

Miss Anonette Kimbrough visited at the Kid Jeffers home from Friday until Sunday afternoon.

Mr. and Mrs. J. W. Ince spent Sunday at the home of Arthur Barker's.

Miss Carrie Stuart was shopping in Brady Saturday.

Several of the Claxton men spent Friday night on the Brady creek fishing. They brought lots of fish back with them.

The singing at Mr. Engdahl's Sunday night was attended by a large crowd.

Mr. and Mrs. J. T. Gressett spent Sunday afternoon at the home of Orville Cottle at Corn Creek.

The road working has been delayed the past week on account of the truck being out of commission.

Miss Lorena Cole spent Sunday with Pearl Engdahl.

Miss Anonette Kimbrough attended church at Placid Sunday night.

Mr. J. T. Gressett and Inez attended prayer meeting at Corn Creek Friday night.

Mr. Charles Hanley and Driscow Woods attended the party at Claxton Saturday night.

Mr. and Mrs. George Shafer visited relatives at Mason Saturday.

Mr. Aubrey Sansom called at the Ince home Sunday afternoon.

Mr. Lee Baker who has been at Thorndale the past month returned to his home Thursday.

LOOSE LEAF LEDGERS in stock at The Brady Standard.

LOHN LOCALS.

Beneficial Rain—Waldrip Home Talent a Great Success. Lohn, Texas, April 25.

Editor Brady Standard:
Lohn community was visited by another good rain Wednesday night. It did not come any too soon. The dry winds have damaged crops considerably. Most peoples' gardens will be late on account of the frosts.

Base ball continues to be the most popular form of amusement for old and young alike. The school team played the Lohn Champions Friday evening, with a score of six to five in favor of the school boys. A mixed team of school boys and regulars went to Pear Valley Saturday. The score was 2 to 4 in favor of Pear Valley.

C. H. Waddle and family went to Waldrip for an outing Saturday. They didn't catch many fish; but report a fine time.

Jim Morris and family were the guests of Mr. and Mrs. Ed West Saturday. Mr. Morris is the boss carpenter for Mr. West's new bungalow.

Josh Epps and family went to Fife to visit Chas. Coonrods' Sunday.

Sunday school was well attended Sunday.

The play "An Arizona Cowboy" given by home talent of Waldrip at Lohn auditorium Friday night was a grand success. The total receipts were \$56.65.

Dr. Barton, Lit Walker, Willie Roberts and Mr. Commander attended Masonic lodge in Brady Tuesday night.

J. W. Barnes and Riley Cox of Melvin were in Lohn Sunday, having come to bring Miss Joe Ollie Barnes back to her school work after a visit to homefolks.

"EYEWITNESS."

Wash day and ironing day are days of pleasure and rest when you have the City Steam Laundry to do your washing and ironing.

FIFE FINDINGS.

Ball Team Organized—Cooper Well Drilling a 1400 Feet. Fife, Texas, April 26.

Editor Brady Standard:
The best rain of the season fell here Wednesday of last week. Much stock water was put out and we now have a fine season for planting. Corn is fine; oats are looking better and will now make part of a crop anyway.

H. D. Bradley shipped a car of steers to market at Fort Worth last week, with satisfactory results.

Cyril Farmer and Marion Guyton, accompanied by Miss Sudie Cain and Myrtle Farmer attended the Edison phonograph concert at Brady Monday night.

Misses Julia Cherry and Maggie McKeand, teachers in the Brady schools spent the week-end visiting Miss McKeand's parents, Mr. and Mrs. Sidney McKeand here.

R. K. Finlay is pushing a new Ford this week purchased of J. H. Hill, the Ford man at Brady.

Mr. and Mrs. S. F. Tedder were shopping at Brady Friday of last week.

Mr. and Mrs. Pete Tankersley of Doole are visiting with Mr. and Mrs. W. S. Sprights here this week.

Dock Wyres was a visitor at Brady Tuesday.

Miss Ethel Dodge, our efficient primary teacher was a visitor at Brady Tuesday having some dental work done.

Several of our people attended the closing exercises at Ledbetter school last Friday night. A nice program was rendered and was enjoyed by all.

The base ball players of this community met Saturday evening and organized a team for this year. Although short of a pitching staff, the boys think they can soon hold their own with any team in the county.

Rev. D. H. Palmer of Mercury filled his regular appointment here Sunday morning and evening.

J. C. Townsend of Mercury was a visitor here Sunday.

Work on the Cooper oil well is progressing nicely. A lost bailer Saturday being the only delay so far. They are now down about 1400 feet and going good.

BRADY, TEXAS, Apr. 29, 1921

HONEST INJUN.

Every time one of these late frosts hits us, we come to the conclusion that Texas is too big a state—it is situated entirely too close to Amarillo and the North Pole.

STARTING SOMETHING!

As will be noted by the accompanying article from the pen of "A Citizen," The Standard in its recent issue did start something. At least we awoke an intelligent response from one of our most enterprising, prosperous and successful farm-citizens. "A Citizen" has meat in his article. He emphasizes the fact that through co-operation success may come to all the citizens alike. That is the key-note of the situation. Co-operation!

Answering his query as to what the Brady Chamber of Commerce stands for, we can cheerfully assert that the plan of the leaders in Brady civic affairs has always been for all McCulloch county, for it has long since been recognized that city and rural interests are too closely allied to be separated. Neither can prosper in any great measure without the other. The better town we built, the better country we must have to support it; and

vice-versa, the better we build the country, the better will our city be. Neither one can be independent of the other, but by mutual co-operation, both can be benefited.

As "A Citizen" points out, there is a great field in McCulloch for the development of the trucking industry. The wonderfully fertile soil of the southern section, and as well in various of the fertile valleys of McCulloch county, produce truck the equal of the best in the land. An abundance of water practically assures against failure. What these sections need is more farmers—more truck farmers who will intensify develop a comparatively small acreage.

Anyone who has ever lived in a city well realizes the great value placed by the urban population upon fresh garden truck. Let the farmers of McCulloch produce the best, market the best—in uniform size and quality—and there will always be a market ready and waiting for them.

Thousands upon thousands of dollars' worth of fruit and garden products have gone to waste year after year in McCulloch simply because we lacked marketing facilities that might easily have been arranged through co-operation of the citizens. We can't remedy these failures, but we can profit by them in the future.

Moreover, here's another idea! Go to your grocery store and look over the canned goods on their shelves. Where were they packed? Marshalltown, Iowa, in Illinois, and in other northern states. Think of the economic crime! Garden and orchard products rotting, wasting in our fields year after year, and then we ship in canned products, scarce equal, certainly not superior, from northern states, paying high freight rates, profits to the canners, profits to the jobbers, profits to the retailers.

It is time to right about face! It is high time to start something in McCulloch county. Market what we can, can what we can't should be adopted as a slogan by McCulloch county farmers.

May The Standard assist you in the move? We're always at your service.

SNAP SHOTS.

Percy Noodles says that when he asked the capitalist's daughter what she would think if he were to become an airplane pilot, she said she thought he would run it into the ground.

"TIME TO START SOMETHING!"

Voca, Texas, April 23, 1921.

Editor Brady Standard:

I see in The Standard of the Tuesday issue of last week, the editor says, "Isn't It About Time to Start Something in Brady?" This gives me an idea! First, let me say that through the home paper is the best medium in the world to start something—and did you ever stop to think that so many home people think so little of their home paper? Some think so little of the home paper that they will not subscribe for it; hence, know but very little of what is going on in their county; and some of those who do take the home paper, will scan its pages for a few minutes and throw it aside, saying, oh, there is nothing to it!

How do people expect there to be something to any thing—any town—any county—any community—any church—or any school—or any civic enterprise of any kind, without the help of the people? To my mind, the home paper should be the most valued by the most people of any enterprise in the county, because it stands for the best interest of all the people, at all times, and will say it gets less praise for the grand work it is continually carrying on!

Subscribe for The Standard, and help the editor carry on the good work!—it stands for the good of you and every worthy enterprise in Grand Old McCulloch County!

All right, let's start something in McCulloch county! First, I want to ask, "What Does the Y. M. B. L. or the Chamber of Commerce of Brady Stand for?" Does it stand to promote the interest of Brady and Brady business men alone, or does it stand to promote the best interests of McCulloch county at large? If it has both eyes set on the interests of Brady and Brady alone, to the neglect of the interests of the county, it is useless for me to say more; but I am taking for granted that it is for all—both county and town.

So, here is the Something for the Y. M. B. L. or Chamber of Commerce, as it may be, and The Standard, and all the interested people. Seeing that the cotton industry is so badly crippled, there must, of necessity, be something else to which some of us can turn our attention.

The Something that I have in mind is Truck Growing, in a commercial way. The land east of the San Saba river is especially adapted to truck-growing of every kind. This I know by the ten years' experience in the trucking business for the local market, and if we could induce enough men to come to this county and take up this business, so as to ship out in car lots, it can be made a wonderful enterprise. Water is plentiful, and can be had in any quantity at a very shallow depth. Where they cannot reach the river or some creek, we could make watermelons enough to supply all the Northern states, if enough would take hold of it so as to enable us to ship in car lots. And just here, I wish to say that the tomatoes grow to perfection. A few years ago I met a lady in Brady who lived in Fort Worth. I was delivering some tomatoes to some customers. She saw my tomatoes and said, "Oh I want some of those tomatoes to take to Fort Worth to my people. We don't have anything there like that!"

"Well," I said, "those are good, but if you can wait until I come back, I will have you a specially prepared crate." So I put up a crate of uniform size, color and shape—they were dandies—and she sent me word back that her people said they didn't think any thing like that could grow here in McCulloch county!

Now, Mr. Editor, I know you will do your part and if the Y. M. B. L. of Brady wants to look at Brady and Brady interests with both eyes we may not be able to do much—but if they can see Brady and Brady interests with one eye and McCulloch coun-

ty and McCulloch county interests with the other eye at the same time, we may be able to start something.

Let's all get together and put something over worth while in McCulloch county!

It may take some time and lots of advertising, but it's worth the effort!
"A. CITIZEN."

THE ETIQUETTE OF FUNERAL PROCESSIONS.

It is said that during a funeral procession in Temple one day recently a party drove in from a side street and, instead of waiting for the line to pass, rushed by the hearse, speeded up for about a block and parked.

It is not infrequent that person heedlessly break the line of march to cross the street on foot or in cars.

Of course, no disrespect is intended by those who do these things. Such actions spring from lack of thought and consideration. No one is so indifferent to the feelings of the bereaved relatives or to propriety that he would intentionally offend, but sometimes people err without realizing it, although it is painfully apparent to those who are in full sympathy with the spirit of the occasion.

Coming unexpectedly upon a funeral procession, one may be at a loss as to what he should do, but he can make no mistake by stopping and waiting until the line has passed. We must all sometime follow the remains of one who is near to their heart to the last resting place; so we cannot afford to allow our haste to lead us to show disrespect in the presence of death under any circumstances. The person who is not solemn, however suddenly a scene of this kind may fall upon his view, evidently has never had the significance of death brought home to him.

It should not be necessary for one to have experienced some great sorrow to appreciate something of the feelings of others who are sad, neither should it be necessary for one to be schooled and trained in ethics and propriety to know how to conduct himself under such circumstances. It is not necessary to be educated to behave one's self.

True nobility of soul, a thing most people possess, breeds a sense of propriety which, though original and crude, keeps that one well within the bounds of dignity and respect if he thinks before he acts.

One of the characteristics of love as outlined by the Apostle Paul is that it "doth not behave itself unseemly." Genuine politeness springs from the heart, and without this sincerity of soul no amount of mechanical training will make a gentleman, the upshot of which is that if one only stops to consider no such mistakes as interrupting a funeral procession will wound the sensibilities of loved ones or sympathizing friends.

A person may be ill at ease under the strain of a funeral service, but he can at least be still and quiet and appreciative of the sufferings of

those who are giving up a companion or a life-long friend.

Aged darkies with memories of the chivalry of the old south—though only slaves themselves—still stirring in their bosoms, have been noticed to remove their hats when a funeral procession is passing. Surely our grandfathers' servants shall not put us to shame in the matter of showing respect to our dead.—Temple Telegram.

PUNGENT PARAGRAPHS.

A scientist states that if we were to visit the moon we should be either scorched during the day or frozen to death at night. That settles it. We shall not visit the moon.—London Punch.

A cynic is a person who discovers mean things about himself and then says them about the rest of us.—Boston Transcript.

We often wonder if all the old paint has to be scraped off the girls before the new is put on, as we understand is true in the case of motor cars.—Ohio State Journal.

A Sing Sing convict has invented a new airship. Unfortunately, the warden won't let him sail it.—Philadelphia Record.

In three years the bolsheviks have succeeded in converting Russia into an "economic vacuum."—Philadelphia Record.

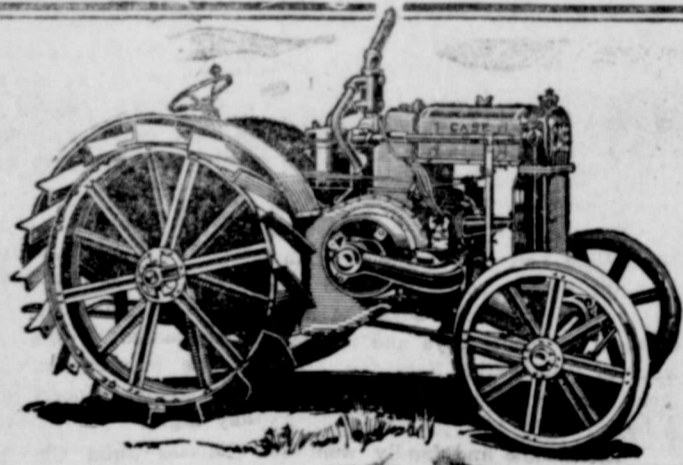

To All Women Who Would Become More Beautiful:

Mrs. Peek will spend a few days in Brady and will be with Trigg Drug Co. to demonstrate how to preserve "The Beauty of Women," using Elmo Products. Here April 30th, May 2nd and 3rd.

The good work is still going on at Evers & Bro. Shoe Shop, Brady, Texas.

The Latest and Best

We offer the Case 15-27 Kerosene Tractor as the king of them all. It is creating a sensation all over the country. It is the result of 77 years of experience of the famous J. I. Case Threshing Machine Company.

It pulls three plows in hard plowing—four plows under favorable conditions. It has abundant reserve power. It burns kerosene successfully and economically.

This sturdy tractor is adaptable for all kinds of drawbar and belt work. It drives a 26x46 Case Thresher with Feeder and Wind Stack. Its pulley is properly placed for convenient "lining up."

It is small and compact and built for accessibility. No tractor is finer. You should become acquainted with its many superiorities, which we will be glad to explain. Don't buy before you see this better tractor.

Avoid Expensive Delays During the Rush Season

The merits of Case Tractors in rush seasons have been fully demonstrated season after season. They are built to stand up under heavy work—they have ample power for every purpose, whether it be in threshing, plowing, or any other use where stationary or mobile power is needed.

We will take pleasure in showing you the Case Tractor—in acquainting you with the many improvements and superior features—and in demonstrating its various uses on the farm.

A CASE 4-CYLINDER KEROSENE TRACTOR Supplies Strong, Even Power for Threshing

THRESHING requires uniform motion. With a Case Tractor any belt driven machine can be operated at uniform speed. Case Motors are equipped with an efficient fly ball governor which controls the speed properly. Varying loads commonly caused by improper hand feeding or short, dry grain followed by long or tough bundles require a well governed tractor motor to get good results from any thresher. Case Tractors are famous the world over as excellent power for threshing. The liberal sized, well located belt pulley, equipped with a simple, effective, accessible clutch, and a pulley brake, both operated by one hand lever, is another desirable feature not generally found in other tractors. The Case 10-18 pictured above successfully drives a Case 20x28 Thresher fitted with Feeder and Wind Stack. Illustrated and descriptive catalog gladly mailed upon request. May we hear from you?

Tuesday Club.

The Tuesday club met Tuesday afternoon with Mrs. Chas. Gray for a study of the lesson on "Persian Caravan Sketches," which was led by Mrs. J. E. Shropshire. No meeting of the club will be held next week because of the Art Exhibit.

The next meeting of the club will be with Mrs. A. B. Stobaugh on May 10th. As this will be the last meeting of the club, all members are urged to be present.

Birthday Party.

Mrs. George Davis entertained a number of little folks on Wednesday afternoon, the occasion being the third birthday anniversary of little Jack Davis. About 20 little folks were gathered to help Master Jack make the occasion a memorable one, and various games were played about the yard. Ice cream and cake were served during the afternoon, making the enjoyment of the occasion complete for the children. In departing,

all wished their little host many returns of the happy occasion.

Missionary Society.

Mrs. Wilson Jordan entertained for the Missionary society, at the Methodist church on Monday, April 11th. The reception room was attractively decorated for the occasion with ferns, white and pink roses, the color scheme being carried out in pink and white. Refreshments of pink and white ice cream, conforming to the color motif, were served.

A delightful program was enjoyed, Mrs. Duke Mann pleasing with a solo, and Mrs. Mann and Mrs. Ira Mayhew also singing a duet. Mrs. J. A. Holton gave an enjoyable reading. Victrola music throughout the afternoon added to the pleasure of the occasion.

Bridge Club.

Mrs. Ed Campbell entertained pleasantly Tuesday afternoon, the occasion being the regular weekly meeting of the Bridge club. Members present were Mesdames G. R. White, Herbert L. Wood, C. T. White, W. R. Davidson, Sam McCollum, G. V. Gansel, R. W. Turner, S. S. Graham, W. D. Crothers, Bailey Jones. Guests were Mesdames Rufus Adams of Fort Worth, Dick Winters.

Club prize for high score was received by Mrs. Gansel and guest prize by Mrs. Adams.

The hostess served a salad course. Mrs. Davidson has the club with her next Tuesday afternoon.

Five Hundred Club.

Mrs. Thad O. Day was hostess last Friday afternoon to the Five Hundred club, the afternoon being very pleasantly spent at three tables of "500," Mrs. C. D. Allen winning club prize for high score, and Mrs. W. R. Davidson, the guest prize. Attending were club members as follows: Mesdames J. S. Anderson, C. D. Allen, Ed Campbell, C. T. White, Wiley W. Walker; Miss Lucille Benham; and guests: Mesdames W. D. Crothers, S. S. Graham, Herbert L. Wood, W. R. Davidson, G. V. Gansel.

Refreshments consisted of a salad course. Mrs. Day entertained again last night for the club, the gentlemen being guests of honor.

Miss Campbell Entertains.

Miss Mary Campbell entertained very pleasantly Friday night, April 15th, at her home for a number of her friends. Various games helped to pass the evening quickly, and music on the steel guitar by Miss Hilma Jordan was enjoyed. Piano selections by the hostess and others also added to the enjoyment of the occasion. Decorations of roses were used in the rooms. Cake and cream were served by the hostess.

Numbered among the guests were Misses Julia Awalt, Ethel Smith, Mildred Yantis, Frances White, LeMay Jordan, Juanita Taylor, Avis Jackson, Hilma Jordan, Ruby Coalson, Ebba Coalson, Mary Violet Horn, Rachel Wilkerson; Messrs. Frank Roddie, Jack Roddie, Jack Deaton, Howard Collins, John Allison Polk, James Anderson, Robert Ledbetter, Aubrey Townsend, Willie Gavit, Thermo Hairston, T. C. Yantis, Dheas Reed, Elton Bodenhamer, Weldon Meers.

Ranne-Urban.

Mr. and Mrs. J. C. Ranne announce the marriage of their daughter Alta to Mr. Henry C. Urban on Sunday, April the seventeenth at Lometa, Texas

At Home after April eighteenth Thorndale, Texas

The above announcement will be read with interest by the many Brady and McCulloch county friends of the bride.

For several years the bride made her home at Rochelle, where she had charge of the telephone exchange. For the past two seasons she has been employed as bookkeeper at the Planters' gin, and it was there she met Mr. Urban, who was also employed at the gin. Mr. Urban is highly spoken of by all who know him, while his bride is a young lady of sunny disposition and splendid business talent. Mr. and Mrs. Urban will make their home in Thorndale, where the best wishes of all their friends accompany them.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It stimulates and regulates. Very Pleasant to Take. 60c per bottle.

Willard Batteries

Greater banking support for the producers is assured as a result of the administration's firm purpose to bring about more liberal accommodations, through the banking system, to various branches of agriculture.

Substantial and immediate financial aid to the farmers, therefore, through the more or less elastic rules of the banking system, and with the approval of those in control of their policies, has been determined upon.

New Policy Outlined.

Comptroller of the Currency Crisinger's new policy, it is announced, will be to stimulate bankers' credits to agricultural purposes, and to bring about a more liberal attitude on the part of bankers in granting renewals on outstanding obligations as a means of enabling the producers to tide themselves over the present emergency.

Plans for relief of the farming industry are said not to have gone to the point of requiring any change by the Federal Reserve Board in its established rules.

The word has gone forth to bankers everywhere that the farms must be saved through banking help, and a more generous measure of credit aid, which it is possible for bankers generally to offer in the form of renewals or new loans.

Must Help Farmers.

The attitude of the leading officials today is that interior bankers in the big crop growing sections of the country must recognize it as their duty now to sustain the industries on which the banks themselves primarily depend.

Official records offer proof, officials said, that huge sums of depositors' funds, instead of being loaned to alleviate the plight of home industries, have found their way into highly speculative uses, and that much money is so being employed at this time.

Release of such credits, it is expected, will help solve some of the financial troubles of the producers.

To the motorist who has quit guessing about tires —

ALONG about this time of year a man finds his motoring neighbors getting anxious about their tires. With folks expecting old tires to "pop" any minute, there comes the question of what kind of new ones to buy.

U. S. Tires are answering a lot of questions like this nowadays.

The U. S. Tire following embraces two kinds of tire buyers.

Those who started with quality first, and have never bought anything else but the quality standard tire.

Those who came to quality first only after dabbling with "bargains," "rebates," "job lot" and "surplus stock" tires.

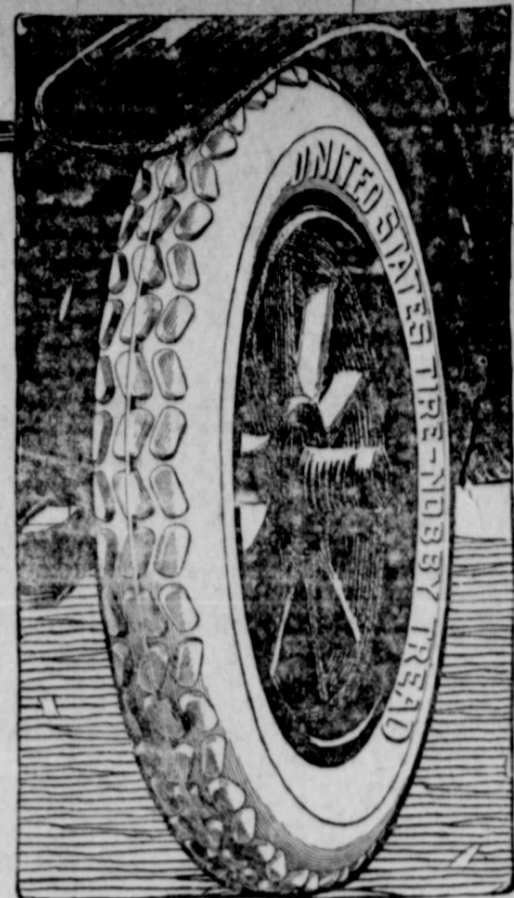

Getting one hundred cents value on the dollar in tire buying is a straight-forward business proposition—not guess-work or a game of wits.

The most essential man for you to know today is the local U. S. Tire dealer who is concentrating on a full, completely sized line of U. S. Tires.

He gets his U. S. Tires straight from his neighboring U. S. Tire Factory Branch—one of 92 such Branches established and maintained all over the country by the U. S. Tire makers.

He is the man who can give you fresh, live tires—not stuff shipped to him from some point where it did not sell, but new tires of current production.

Giving the same quality, selection and price-advantage to the owner of the medium weight car as the big car owner gets. With equal service and buying opportunity whether he lives in the smaller localities or the greater centers of population.

THE U. S. NOBBY TREAD

Where the going is specially heavy with snow, mud or sand, in hilly country where maximum traction on the road is a factor, no other tire tread yet devised is quite so effective, or so wholly approved by motoring opinion, as the U. S. Nobby Tread.

Its very simplicity—two diagonal rows of oblong studs, interlocking in their grip on the road—is the result of all the years of U. S. Rubber experience with every type of road the world over.

"The most essential man for you to know today in the tire business is your local U. S. Tire Dealer."

MYERS BROS.

IKE AND WILL MYERS

SOUTH SIDE

LOCAL BRIEFS

Jeff Meers is the latest victim of the attractive new Model 21-45 Buick, having last week purchased a 5-passenger car. Quite naturally, he is very proud of his new possession, and says there is none better in the world.

Kathleen, 11-year old daughter of Mr. and Mrs. Jeff Meers, underwent an operation at the local sanitarium Wednesday night for appendicitis. Latest reports are that the little lady stood the ordeal well, and promises a speedy recovery.

H. P. C. Evers is now driving a new Model Four Overland, having purchased the car from Mann-Ricks Auto Co. last week. The Overland continues a great favorite, and Mr. Evers and family are more than delighted with their new car.

E. M. West of the Lohn community is to be added to the list of new home builders, having recently begun the erection of a modern 5-room bungalow, on his home place one mile east of Lohn. Mr. West has a splendid 200-acre farm there, and his new home will make the place one of the best and most attractive in the Lohn section.

The Standard last Friday enjoyed a visit from Capt. W. J. Wilson, of San Saba, who is in Brady as a guest of his cousin, Mrs. A. N. Bryson. Incidentally, he was selling copies of his latest edition of the Europa Songster, which includes a number of songs of his own composition, as well

as an arrangement of popular Southern songs, on which he is enjoying a wide-spread sale.

Next Sunday the Rev. J. H. Taylor begins the fifth year of his pastorate with the Brady Baptist church—which reminds us that time does fly, and it hardly seems that so many years have slipped by since Bro. Taylor first became our neighbor and friend. Rev. Taylor is deservedly popular with members of his congregation and the citizenship in general, and The Standard hopes that he may continue his splendid mission in Brady for many another anniversary.

E. M. West of Lohn was in Brady last Saturday enroute to Cooke county in response to a message stating

RESULTS TELL.

There Can Be No Doubt About the Results in Brady. Results tell the tale. All doubt is removed. The testimony of a Brady citizen. Can be easily investigated. What better proof can be had?

B. Strickland, Brady, gave the following statement April 30, 1915: "About the only indication of kidney complaint I endured was getting down with my back. This came on every so often and I suffered badly with it. I have found Doan's Kidney Pills relieve me of this trouble. I always keep them on hand and use them if needed."

On May 15, 1919, Mr. Strickland said: "The recommendation I gave in 1915 holds good for I think Doan's Kidney Pills are just the thing for kidney trouble. Occasionally I take a few doses and with good results." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Strickland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

that his mother was lying at the point of death at her home near Gainesville. Mrs. West is aged 70 years, but for the last five or six years has been enjoying splendid health, and when Mr. West visited her last Spring, she felt and looked fine. Her husband died about ten years ago, and since then Mrs. West has continued to live on the old home place, with her niece.

The first of the city's street crossings is being constructed by C. R. Horn, connecting the two blocks of walk of the south side of the square. This is the first of a series of crossings planned and which will connect the various blocks of walk about the square. The crossing from Wulff's garage to the old Steelhammer lot, and from this lot to the Rice building, will probably be the next constructed. Also the crossings from Davis Shoe shop to E. B. Ramsay's building, and from there to Krueger's store on the west side, will, in all probability, be built at once.

Friends of the family will regret to learn of the removal from Brady of J. M. Johnson and family, who left yesterday for Belton, where Mr. Johnson expects to engage in business, and where they will make their future home. For the past six or eight years the family has resided about two miles north of Brady on the Brown-road road. Mr. Johnson recently improved and remodeled his home, but has decided to move back to Bell county. Accordingly he has sold his place to B. D. Black, and in the trade receives Mr. Black's Brady resident property. The best wishes of their friends accompany Mr. and Mrs.

Johnson to their new home.

Lawrence Fuller played in Monday afternoon's game between Brady and Richland Springs, only because a sidewalk sign announcing the game attracted the attention of an airplane. Lt. Williams, formerly in the air-service, chanced to be flying over Brady Monday, headed for San Antonio, and through his glasses read the sign announcing the game. He alighted at the stock pens, having decided to witness the contest. Arriving in Brady, he learned that his old friend, Lawrence Fuller, would not be in the game, on account of being in Mason on business. Without more ado, Lt. Miller cranked up his air chariot, flew to Mason, and returned bringing Fuller in ample time for the latter to get in the game. That's what might be called service—airplane service, to be exact.

**HOUSE JOINT RESOLUTION
No. 11.**

Proposing an amendment to Section 51 of Article 3 of the Constitution of the State of Texas to provide that the Legislature may grant pensions to Confederate soldiers, sailors and their widows who have been citizens of Texas since prior to January 1, 1910, providing that all soldiers and sailors and their widows eligible under the provisions hereof be entitled to be placed upon the pension rolls and participate in the pension fund created hereunder; levying a tax of seven (\$0.07) cents on the \$100.00 valuation of property in this State for the payment of such pension, providing that the Legislature may reduce the rate of pension for such purpose, fixing a time for the election to be held on such amendment, and making an appropriation to pay the expenses thereof.

Be it resolved by the Legislature of the State of Texas:
Section 1. Section 51 of Article 3 of the Constitution of the State of Texas shall be amended so as to hereafter read as follows:

Section 51: The Legislature shall have no power to make any grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporations, whatsoever, provided, however, the Legislature may grant aid to indigent or disabled Confederate soldiers and sailors, who came to Texas prior to January 1, 1910, and to their widows, in indigent circumstances and who have been bona fide residents of this State since January 1, 1910, and who were married to such soldiers or sailors prior to January 1, 1910, and to indigent and disabled soldiers of the militia of the State of Texas during the war between the states served in organization for the protection of the frontier against Indian raiders or Mexican marauders and to indigent and disabled soldiers of the militia of the State of Texas who were in active service during the war between the states and to the widows of such soldiers who are in indigent circumstances and who were married to such soldiers prior to January 1, 1910, provided that the word "widow" in the preceding lines of this Section shall not apply to women born since the year 1861, and all soldiers and sailors and widows of soldiers and sailors eligible under the above conditions shall be entitled to be placed upon the pension rolls and participate in the distribution of the pension fund of this State under any existing law or laws hereafter passed by the Legislature, and also to grant aid for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy under such regulations and limitations as may be provided by law, provided the Legislature may provide for husband and wife to remain together in the home. There is hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas as a State ad valorem tax on property of seven (\$0.07) cents on the \$100 valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provided further that the provisions of this Section shall not be construed so as to prevent the grant of aid in cases of public calamity.

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the fourth Saturday in July, 1921, at which all voters shall have printed or written on their ballots: "For amendment of Section 51 of Article 3 of the Constitution authorizing the Legislature to grant aid to Confederate soldiers, sailors and their widows who have been a resident of this State since January 1, 1910," and "Against amendment to Section 51 of Article 3 of the Constitution, authorizing the Legislature to grant aid to Confederate soldiers and their widows."
Sec. 3. The Governor is hereby directed to issue the proclamation for said election and have same published as required by the Constitution and laws of this State, and the sum of five thousand (\$5,000.00) dollars or so much thereof as may be necessary is hereby appropriated out of the general funds of this State not otherwise appropriated for expenses of publications and elections thereunder.
S. L. STAPLES,
Secretary of State.

**SENATE JOINT RESOLUTION
No. 1.**

Proposing an amendment to Section 2, Article 6 of the Constitution of the State of Texas by providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and permitting either the husband and or the wife to pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting.

Be it resolved by the Legislature of the State of Texas:

Section 1. That Section 2 or Article 6 of the Constitution of the State of Texas be so amended as hereafter to read as follows:

Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this State one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided, that electors living in any unorganized county may vote at any election precinct in the county to which such county is attached for judicial purposes; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner the wife may pay the poll tax of her husband and receive the receipt therefor. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held throughout the State on the fourth Saturday in July, 1921, at which all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to Section 2 of Article 6 of the Constitution of the State of Texas providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and providing that either the husband or wife may pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting." And all those opposed to said amendment shall write or have printed on their ballots, "Against the amendment to Section 2 of Article 6 of the Constitution of the State of Texas providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and providing that either the husband or wife may pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting."
Sec. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and have the same published as required by the Constitution, and existing laws of the State.
Sec. 4. That the sum of Five Thousand (\$5,000) Dollars, or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated to pay the expenses of such publication and election.
S. L. STAPLES,
Secretary of State.

DISTRICT LAWS
—SECOND IN RANK**

The assignment of Representative Thomas L. Blanton of Texas as second in rank among the democratic members of the House district committee aroused much interest in Washington. Representative Blanton said today that as a member of the District committee he proposes to work earnestly and in a friendly spirit for the best interests of the residents of the National Capital.

As a member of the District committee, Representative Blanton intends to continue working earnestly for improvements of the school system in the District, and is going to give a special study to the legislative needs to improve the street railway system.

"I am going to do the best I can for the people of the United States and of the District and see that all get a square deal," said Mr. Blanton. "Every one knows my attitude on education. I have led the fight in the House for higher salaries for teachers because I believe they are the most underpaid public servants we have. I am in favor of new school buildings wherever they are needed."

Representative Blanton proposes to make it his special business to see that street railway fares in the capital are reduced. "I am in favor of Congress taking such steps as will diminish waste and extravagance, which we can all see in the operation of street car service in Washington. There is here the best patronized service of any service in the country. There is no reason why the people should have to pay an 8-cent fare."

"I intend to study the bill introduced by Representative Woods of Virginia for a merger of the street car lines in the District. The people of Washington may be assured that I will study every bill that comes before the committee and do my best conscientiously that proper legislation may result."—Washington Evening Star.

WITH THE CHURCHES

Catholic Church.
Mass will be said on the third Sunday of each month at 10:00 a. m. by the Rev. Francis Hudon.

Presbyterian Church.
Announcement for Sunday, May 1: Sunday school at 10:00 a. m. Morning service at 11:00. Evening service at 8:00.
S. H. JONES, Pastor.

Baptist Church.
Will hold regular morning and night services next Sunday at the Baptist church, with the Lord's Supper at night. Sunday school at the usual hour. Next Sunday the pastor will begin his fifth year with the Brady church. Let us have good attendance upon this occasion.
J. H. TAYLOR, Pastor.

At The Methodist Church.
Next Sunday morning at the usual hour our subject will be "Christian Education," and we hope to have a full house as we did last Sunday morning at the Children's service. In the afternoon and at night I have been announced to preach at Rochelle.

Sunday school at 9:45. Let's work for 200 at Sunday school next Sunday morning.

Epworth league at 6:00 p. m. Sunday afternoon. A fine crowd attended the league last Sunday and we are glad the older ones are coming to encourage the work of the league. Come on, let's all move upwards, to bigger and broader and better things, not only religiously, but every way. We are the Big Center of the whole country—let's make the old wheel whizz for God and Righteousness. Every Christian in Brady on their knees and then working and appealing to the lost in word and in life and example will work wonders in the service of God. Let's go! and God help us!
S. C. DUNN, Pastor.

Epworth League Program.
For Sunday, May 1, 1921:
The League is steadily progressing and the programs are especially interesting. The older people, as well as the younger, enjoy the programs and seem to be greatly helped by them. If you feel like you need help to live a better life, come and you will be sure to be helped in some way.

The program for Sunday, follows:
Subject: "Through Nature to God."
Song—No. 79.
Scripture References: Psa. 65:1-13 —Eulalia Gavit; Matt. 6:24-34—Doc

**RODEO
AND
POLO**

Come out and see the Biggest Event of the Year

**DUTTON CITY PARK
Brady, Thursday
MAY 5, '21**

You'll See—
**Goat Roping
Bronco Busting
The Big Round-Up
Polo Game Between Picked Teams**

It's going to be a day of Big-Time West Texas Sport, with plenty of thrills and not a dull moment throughout the afternoon. Bring the ladies and the children---and tell all your friends. We're expecting you!

**Park Open at 1:00 P.M.--Rodeo at 2:00 Sharp
General Admission - - - 50c**

DISTRICT COURT AT COLEMAN GIVES CITY VERDICT AGAINST CHURCH

In the trial of the case styled Bishop E. A. Temple et al vs. City of Coleman, which was a suit to establish title to block 13, Clow's addition to Coleman, the court rendered a verdict Wednesday morning vesting the title in the City of Coleman. Attorney for plaintiffs gave notice of appeal to the court of civil appeals.

The case grew out of two conflicting deeds executed by Miss Alice Clow before her death, the first deed executed being a conveyance of said property to the City of Coleman for park purposes, and the second deed conveying said property to the Episcopal Church. A number of witnesses testified that both Mrs. Elizabeth Clow and her daughter Alice Clow stated on several occasions that the property was to be willed to Alice Clow and she should use it during her life time and at her death the property should revert to the city of Coleman for park purposes. Witnesses stated that both Mrs. Clow and her daughter stated during their life time that there was an agreement between them to that effect. At the time of making deed to the city Miss Alice Clow stated she was making same to fulfill this agreement with her deceased mother. After executing deed to the city she delivered it to J. P. McCord with instructions to deliver same after her death to the city. About two weeks after executing deed to the city, the evidence showed, Miss Clow decided to give the property to the Episcopal Church of which she was a member and in pursuance of that desire executed another deed conveying the property to the church, which deed was filed for record by Rev. W. T. Allan. After the death of Miss Clow the deed to the City was delivered by J. P. McCord to Mayor Golson, who filed it with the county clerk for official record.

The court ruled, in substance, that Miss Clow was prevented by her agreement with her mother from conveying the property to any other person than the City of Coleman, and rendered judgment for the city for the lot and for rents.—Coleman Democrat-Voice.

Little chicks when fed from the beginning on Purina Chicken Chowder and Purina Baby Chick Chow as directed will grow twice as fast the first six weeks of their lives as chicks fed on grains alone. MAYHEW PRODUCE COMPANY.

The material produced in Brady, the Ice Cream made in Brady—then why not insist on getting Schill's Ice Cream. Phone 20. SCHILL ICE CREAM CO.

Mrs. Peek will conduct a beauty parlor at the Trigg Drug Co. store on April 30th, May 2nd and 3rd. All demonstrations free.

COTTON POOL SOLD IN BROWNWOOD REALIZES \$5000 ABOVE REALIZES PRICES

A cotton pool of 691 bales was sold in Brownwood Monday at prices ranging from \$4.55 to \$10.90.

The cotton was auctioned in lots according to classification.

34 bales, classed as extra damaged 1919 cotton, sold for \$4.55 per hundred pounds to C. F. Morris of Ballinger.

30 bales, 1919 damaged cotton, sold for \$5.50 to C. F. Morris, Ballinger.

31 bales, 1919 low ordinary cotton, sold for \$6.50 to Duncan & Ellis of Brownwood.

21 bales, strict good ordinary, sold for \$6.80 to Geo. F. McFadden of New Orleans.

170 bales, strict low middling, sold for \$8.50 to Geo. McFadden, New Orleans.

144 bales, strict low middling, sold for \$9.70 to Duncan & Ellis, Brownwood.

95 bales, middling cotton, sold for \$10.65 to Mr. Bradley, of Brownwood. 22 bales, strict middling cotton, sold for \$10.90 to E. H. Lake of Brownwood.

The 691 bales brought a total approximate amount of over \$21,000. It is estimated that from \$5 to \$10 a bale more was made on the cotton by selling it in a pool, than if it had been sold by the individual owners at street prices. In other words, it is believed that by the pool sale the 691 bales brought the owners about \$5000 more than if the cotton had been sold in the ordinary way.

The 691 bales in the pool were made up by about 100 farmers. S. O. Looper of Grosvenor, and several of his renters had the largest collection in the pool, while John M. Teague of the Cannon community, with 20 bales, was the largest individual contributor.—Brownwood News.

The phonograph that amazed Brady can be bought!

There is a rumor abroad that the instrument which triumphed in the drastic comparison test, made last Monday at the Lyric Theatre, was a special exhibition model. That rumor is FALSE. The instrument was a regular Official Laboratory Model,—out of our own stock.

Every Official Laboratory Model in our stock is guaranteed to sustain the same test.

If you were one of those, in Monday's audience, who wistfully exclaimed: "Wouldn't it be wonderful if I could buy a phonograph like that"—know that you can. Know that it will perform this miracle every day for you in your own home.

The NEW EDISON

"The Phonograph with a Soul"

Come in and hear for yourself the Official Laboratory Model's marvelous realism. Find out about our Budget plan, which enables you to own an Official Laboratory Model for a small down payment, the balance on a gentleman's agreement to suit your convenience.

Note:—The test at Lyric Theatre was made by Miss Helen Davis, gifted mezzo-soprano and Sibyl Sanderson Fagan, popular whistler, the world-famous soprano. They compared their living art with its RE-CREATION by the New Edison. There was no difference between the living performance and the RE-CREATED performance.

The New Edison stands absolutely alone in this achievement; no other phonograph has ever sustained the test of comparison.

BRADY, TEXAS

COPPER MINE EIGHT MILES NORTHWEST OF MASON BEING DEVELOPED

Present indications are very favorable at the Lindsay Copper mine, which is being prospected by Chas. Schuessler, Sr., and others. Mr. Schuessler is being assisted by two sons and Otto Schuessler and son. The work now being carried on is largely prospective; however, several assays of the ore have been heard from and there is no doubt that Mason county has some very valuable copper ore. It is the intentions of the men at work to fully determine as to the amount of ore available before giving out any startling information. The question of the value of the ore is practically settled in their minds and the next vital point with them now is, to determine in paying quantities. Mr. Schuessler thinks it is there in abundant quantities. Their work is not being confined to any certain locality, as they have dug several holes in the Lindsay pasture and but two of the holes are close together. The copper deposit in those two holes is good and it appears that the ore has gotten richer as the depth has been increased, and the vein also appears to get wider. In the past week the men at work have begun prospecting in various places and at quite a distance apart. The ore has been found in places from one-half to three-quarters of a mile apart. Mr. Schuessler was in Mason Monday and was showing some ore which he considered much better than any heretofore taken from the mine, and he stated that this vein had just been struck.

The location of the mine is about seven and a half miles northwest of Mason and is on the property of A. J. Lindsay, who has entered a contract with Mr. Schuessler; the latter is to receive one-half of the returns derived from the mine. Mr. Schuessler has had quite a bit of experience at mining, having spent four years in the mines of Arizona and has also worked in the old Spiller mine, which has been worked on various occasions. His wide experience enables him to handle the project without becoming enthusiastic and consequently he is quite conservative about giving reports and information relative to the outlook.

IKst Assay \$100 Per Ton.
says which have been made taken from the mine, of gold, silver and cop-

per, but the copper is by far the most prevalent. A late assay showed better than \$100 worth of copper to the ton.

Mr. Paul Sheridan, who is managing the copper mine that is now being operated in Burnet county on a paying basis, was in Mason on two visits and was a visitor at the Lindsay mine last Thursday. We are informed he stated the mine looked very good to him and looked to be better ore at a shallow depth than did the Burnet county mine at a similar depth. What is to be found deeper down remains to be seen, but according to Mr. Schuessler, the ore appears richer and in greater quantity as they go down.

Mr. Schuessler states that he expects to find the best ore at a depth between 35 and 50 feet. Mr. Hardin, of Llano, was a recent visitor at the mine and his prediction was that a large belt of the ore runs through that section of the county and Mr. Hardin's belief can be substantiated by the fact that five different holes have been started and in every instance the ore has been found.

Mr. Schuessler states he will continue to prospect before going to the expense of having a geologist come here to look over the mine, but he intends to keep having assays made as he progresses and will make the greatest development where the ore proves to be richest.—Mason News.

COPELAND BROS. STOCK CO., BIG TENT SHOW, TO BE IN BRADY NEXT WEEK

Copeland Bros. Stock Co., one of the well-known dramatic and vaudeville tent shows, will show in Brady all next week, playing in their big water-proof tent theatre.

This company comes direct from an extended tour of the larger cities of Texas, where they have met with flattering success. The vaudeville features are of particular interest, chief among them being The Four Copelands, comedy quartette, and Zento, the jailbreaker. The plays are all of the higher class, presented by a well-balanced company of recognized artists.

On Monday night, May 2nd the play will be the well-known home play, "The Tie That Binds," a story of the Little Mother. On Monday night the ladies will be admitted free, if with escort holding paid adult ticket, by paying five cents war tax.

NEW RECORD MADE FOR DRIVEWAYS FROM BUICK PLANT

Today is Buick Day for over 300 Detroiters who came here this morning and drove back to Michigan's metropolis 78 Buick Automobiles. Each car was driven by its owner and each owner bought his car from C. C. Starkweather, one of the four different Buick dealers in Detroit. The driveway was the largest in which owners took their cars home, in the history of the automobile business and the largest drive to a single dealer in the history of the Buick Motor Co.

Arrive in Special Cars. The party of Detroiters arrived in Flint shortly after 10 o'clock this morning on three special interurbans and soon the 78 cars were parked around the Hotel Durant with streamers on each bearing the words "From Buick Motor Co. to Detroit."

Fair weather, one of the finest days this spring, brought the entire party outside the hotel and a Paramount camera man proceeded to "shoot" a few scenes for the news weekly produced by that company. As the Detroiters left for home, the camera man, in a new Buick car, took pictures of the long line of cars as they left Flint. He was to take some more along the route.

At noon Mr. and Mrs. Starkweather entertained at dinner for the entire party in the Hotel Durant, at which addresses were heard from Mayor E. W. Atwood, E. T. Strong, general sales manager of the Buick, Horatio S. Egan, one of the members of the Exchange club and "father of the Michigan good roads movement." Following the luncheon Mr. Strong presented Mrs. Starkweather with a new Buick coupe in front of the Durant Hotel.

84 DESCENDANTS ATTEND A NATAL DAY CELEBRATION

One of the most remarkable birthday celebrations was held Sunday, April 17th, in the Rochelle section, when S. W. Turnell celebrated the 73rd anniversary of his life. Something like 93 people were in attendance, 84 of whom were direct descendants of Mr. Turnell. Of fourteen living children, the oldest of whom is 52, seven were present. Preston Turnell, a son, made the longest journey to see his father, coming from Portland, Ore. The elder Mr. Turnell is one of McCulloch county's old settlers, and is one of the most highly respected citizens of the Rochelle community.

BRIEFLY TOLD.

Two cannon balls, relics of the Battle of Brandywine, were discovered by a farmer in Pennsylvania while digging post holes on his farm, on which a portion of the battle was fought. They were taken from a ridge which was held by troops of Lord Cornwallis, September 11, 1777.

An oil-drilling outfit in Nebraska struck gold ore assaying thirty-five dollars to the ton.

The Social Service Council of Canada, an undenominational body operating all through the Dominion, has as its object the nation-wide co-operation of provincial motion picture censors in the matter of condemning objectionable pictures.

Cement is being used as a substitute for lead in joining cast-iron water pipes.

Enroll Now!

Young women are now filing their applications with The Temple Sanitarium Training School for Nurses for entrance in the June class.

If you are a young woman of average intelligence, physically strong, and of good moral character, we are interested in you. If you wish to earn your own livelihood; if you care to receive a training that leads to a profession much in demand, we wish to advise you to become a nurse. The nursing field is broad, and the demand is far greater than the supply.

When you are a graduate of The Temple Sanitarium Training School you are assured of a place in the nursing profession. Board and tuition free with a monthly allowance while you are receiving your training.

Write today for illustrated booklet. Address: Miss Wilma Carlton, R. N., Superintendent of The Temple Sanitarium Training School for Nurses, Temple, Texas.
