FRISCO RE-OPENS BRADY OFFICES FIRST OF JUNE

The traffic department of the Frisco railway has completed arrangements for the separation of the Frisco local offices from the Santa Fe, and on June 1st will man the passenger and freight departments of that system in Brady with its own forces. C. Crawford, at present agent at Dublin, will be transferred to Brady and will be in charge of the Frisco office, and while the personnel of the office has not yet been announced, it is more than probable that Clint Zimmerman, car clerk for the joint systems, will resume his pre-war duties as car clerk for the Frisco, while Jim Anderson, joint warehouseman, will again become warehouseman for the Frisco. The union passenger station will be used jointly by the Santa Fe and Frisco, as before. The Santa Fe force will continue in their present quarters at the west end of the freight depot, while the Frisco force will be quartered in the east end.

The consolidation of the Frisco and Santa Fe forces was effected during 1918, as a war measure and under the government plan for more economical operation of railways. While most of the consolidated offices in other cities have long since been separated, the local office has been continued, and the present move comes quite unexpectedly to the citizens.

Effective last Sunday the Frisco began dropping the pullman and the chair car here, instead of carrying them through to Menard. The custom of dropping the pullman here had been in force up to about a year ago, but the cutting off of the chair car is a new wrinkle.

EAST SIDE FIRE OF INCENDIARY ORIGIN IS THEORY OF OFFICERS

Local officers are strongly of the opinion that the fire which destroyed several of the wooden buildings on the east side of the square Friday morning of last week, was of incendiary origin. They base their opinion upon the fact that Nightwatch W. F. Evans had, in investigating some noises, walked up to the rear of the building and thrown his flashlight about the interior only about 15 or 20 minutes before the fire broke out, without observing the least indication of a smoldering fire. He made a second trip to the alley shortly thereafter to investigate another noise, without seeing any reflection of a light. He then had scarce returned to the Queen hotel when he saw the blaze shooting high out of the rear end of the building. The suspicious circumstances have led City Fire Marshal Henry Miller to offer a \$100 reward for information leading to the arrest of the guilty party.

ARREST MAN FOR BREAKING INTO MYERS BROS. STORE—RETURNS GOODS

Paul Wilkerson, a man of about thirty years, and who has been staying in the Brady community for some time past, was placed under arrest this week for having entered and robbed Myers Bros. store last Monday night. Wilkerson gave himself away by approaching Myers brothers Tuesday and asking if their store had not been broken into. Since they had mentioned the matter to no one, they at once presumed he had some guilty knowledge. Chief of Police Leonard Wood took Wilkerson in charge, and questioned him closely. He told a very plausible tale about standing at the alley and seeing a man break into the back door and shortly after emerge from the building with a pile of stolen articles and disappear down the alley. He stuck closely to this tale until Chief Woods bluffed at putting him in jail, when he broke down and let the Chief to G. P. Moore's tin shop, underneath which he had concealed a pair of shoes, two blue shirts and a pair of pants.

Wilkerson, who is partly demented, appears to have a mania for stealing. About a year ago he broke into a store at Rochelle, and was confined in the jail here for some time, finally being turned loose. He has a sister living at Placid, a brother at San Saba, and an uncle living near Brady. The local officers finally decided to turn him loose, and warned him to leave the Brady community without delay.

The next day after his departure, word came from Rochelle that Wilkerson had broken into Sellman Mercantile Co. store, and had outfitted himself in a new suit of clothes, leaving his old clothes behind. No trace of him has so far been found.

COMMISSIONERS COURT IN SESSION—BODY TAKES OATH AS BOARD OF EQUALIZATION

Commissioners court met in regular session the past week, and, among other things, examined and approved the bond of H. D. Cottrell, butcher. It was ordered by the court that the county pay one-third of the bill for street lights now on county property, and clerk was authorized to issue warrant for same.

Evans J. Adkins, Chas. Samuelson, R. L. Burns, J. F. Priest and H. E. McBride took oath as members of the Board of Equalization of McCulloch county for 1921. The board adjourned on May 14th to meet again on June 14th to hear complaints, if any, as to their action.

Erroneous Impression.

An erroneous idea was unintentionally given out in the article in Tuesday's issue by the Brady Fire department, in which the impression was left that the service rendered by the local water plant was unsatisfactory. Fire Chief Frank Hurd wishes to state emphatically that this was not the case, but that the service rendered was highly efficient and entirely satisfactory, demonstrating completely the great value of the new fire pump.

The trouble with the article was that it was an incomplete statement of the facts in the case.

As demonstrating the efficiency of the new fire pump, Fire Chief Hurd says that when the pump was on, the fire boys had 100 pounds pressure on their three lines of hose, with a 30-pound pressure on the main. When the pump was stopped, momentarily, the pressure dropped to 60 pounds on the lines, and 30 pounds vacuum on the main, but as soon as the pump was started again the pressure jumped back to its original force. Thus, the absence of the pump gave only the gravity pressure from the standpipe but the moment the pump was started the tremendous pressure of 30 pounds on the main and 100 pounds on each of three lines was obtained. This demonstrates clearly that the new pump is most efficient and capable performs the duty for which it was intended, viz: a tremendous water pressure upon a minute's notice.

COMMENCEMENT EXERCISES BRADY HIGH SCHOOL NEXT MONDAY NIGHT

BACCALAUREATE SERMON SUNDAY AT METHODIST CHURCH BY THE REV. S. C. DUNN—SIX GRADUATES IN CLASS—CENTRAL SCHOOL EXERCISES TONIGHT.

Once more has commencement time rolled round, and the Class of '21 will, on Monday night, May 23rd, bid farewell to Brady high school in commencement exercises to be held at the Methodist church. There are six graduates this year—four young ladies and two young men, as follows: Misses Cora Snider, Arvie Wegner, Estelle Jones, Katherine Knoy; Messrs. Clyde Martin, Bill Vaughn. The exercises will begin at 8:00 p. m. On Sunday morning at 11:00 o'clock, the Rev. S. C. Dunn will deliver the baccalaureate sermon to the graduates, at the Methodist church.

N. A. Cleveland, superintendent of the Monday night exercises, together with interesting information as to the honor pupils. The following are the programs:

- Baccalaureate Services.**
Sunday, May 22, 11 a. m., at the Methodist Church.
- Song, "Holy, Holy, Holy"..... Congregation
 - Invocation..... Rev. J. H. Taylor
 - Anthem..... High School
 - Scripture Reading..... Rev. S. C. Dunn
 - Coronation..... Congregation
 - Baccalaureate Sermon..... Rev. S. C. Dunn
 - Solo..... Mrs. Duke Mann
 - Benediction..... Rev. S. H. Jones

- Commencement Exercises.**
Monday, May 23, 8 p. m., at the Methodist church.
- 1. Invocation..... Rev. Campbell
 - 2. Commencement Song..... High School
 - 3. Address, "Life's Challenge"..... Dr. Martin L. Hayes
Professor of Vocational Education, A. & M. College
 - 4. Chorus..... High School Girls
 - 5. Valedictory..... Estelle Jones
 - 6. Chorus..... High School
 - 7. Presentation of Diplomas..... E. L. Jones, Pres. School Board
 - 8. Presentation of Scholarships..... N. A. Cleveland
 - 9. Solo..... Miss Mary Morris
 - 10. Benediction..... Rev. S. C. Dunn

It was a very close race with Estelle Jones and Arvie Wegner for first honors, but due to a slight lead made by Estelle during the first quarter and having maintained her high average for the year she wins first place. Arvie only made slight gains, but enough to necessitate final grades the last quarter, before a definite decision could be made for first honor pupil.

Scholarships will be given first and second honor pupils for both boys and girls.

LOCAL POSTOFFICE EMPLOYEES MAKE HIGH GRADES IN ANNUAL EXAMINATION

W. M. Swift, chief clerk of Railway Mail service, was here last Friday giving examination to the local clerks at the postoffice—an annual event. Oscar Westbrook, E. E. Spiller and Otto Armstrong all took the same examination, handling 990 pieces of mail. Of this number, the latter two each handled but six incorrectly, making their percentage 99.39, although Spiller handled his bunch in 38 minutes, or at the rate of 26 per minute, while Armstrong handled his in 40 minutes, or at the rate of 24 per minute. Westbrook missed 12, making his percentage 98.78, with a speed of 38 minutes, or average of 26 per minute.

W. W. Wilder handled 761 pieces, missing 9, in 31 minutes, making his percentage 98.80, and his average speed 24 per minute.

Jas. E. Neal handled 990 pieces, with but 3 incorrect, in 30 minutes, making a percentage of 99.69, and a speed record of 33 per minute.

RED CROSS COMMUNITY NURSE TO VISIT SCHOOLS

Announcement is made that Miss Sidney Buford, Red Cross community nurse, has arranged to visit Calf Creek school on next Monday, Davis school on next Tuesday and Harkrider school on next Wednesday. Thursday and Friday of next week she will spend at Fairview. The following week, Miss Buford will be in the East Gansel community. Her visits will be for the purpose of not only inspecting and advising with the school children as regards health conditions, but with the parents as well, and all citizens who have children under school age are invited to bring their children to their community school on the day of Miss Buford's visit there.

This week, Miss Buford's has visited the Dodge, Hanson, Carroll Colony and the Brady colored school. She complimented the various schools visited and was especially commendatory as regards the colored school, saying she had never found a negro school in better condition.

MAN NEAR THRIFTY KILLS SNAKE WITH TWO HEADS ON PREMISES RECENTLY

Arthur Cavell, who lives in the vicinity of Thrifty, recently killed a chicken snake that had two heads, one at each extremity. The head at the rear extremity was not well developed but had the shape of a real snake head in every way. The reptile was apparently in the best of health and was said to have been of the usual size.—Brownwood Bulletin.

Large Crowd Attends Play—E. B. Bray to Visit in California.
Waldrip, Texas, May 10.
Editor Brady Standard:
We had a fine rain Saturday night and also Monday. The feed crops look fine and the cotton is being planted along between showers.
The Waldrip girls went to Fife Saturday and played the Fife girls, a game of baseball and won. We only played five innings and the game was 15 to 9 in Waldrip's favor.

The boys also went and played, but got beat 10 to 7 in favor of Fife.
Mr. Albert Briscoe of this community and Miss Ona Kile of Rising Star surprised their many friends last Sunday by getting married.
They will live with the groom's parents, Mr. and Mrs. S. H. Briscoe, at the present.
The Rockwood ladies brought a play here last Saturday night and it was attended and enjoyed by a large crowd.
Mr. E. B. Bray will start for California in a few days, where he intends to visit relatives for the com-

ing month.

ROCHELLE RUMBLINGS.

Good Road Work Done; Warm Weather Benefits Crops.

Rochelle, Texas, May 15.
Editor Brady Standard:

Once more I'll make an attempt to send in the happenings of this community, though we have all been too busy for very much to happen since last writing.

Our road overseer is having some good work done on this part of the road, what is known as the Anderson flat is now in fine condition and I think people can go across it now in wet weather in their cars and not stick in the mud. We are sure proud of it and hope in the near future to have all the roads in this district in just as good condition. In my estimation, there is nothing that gives a community a more prosperous appearance than good roads. Give me good roads first, last, and all the time.

Crops are looking pretty good here now, though some had a part of their cotton to plant over; but that is very good, for now it won't all be ready to work at once and cause the farmers to get in the weeds. In this way they can keep right up with Mr. Weed and keep him in subjection.

Grain crops are looking fine and will soon be ready for the binder. Then is when we will need some dry weather and we are hoping to have it. Corn, also maize and cane and all such crops are coming to the front since we have had a few real hot days and if this hot weather continues, we will soon not know our crops and gardens.

The report comes to Rochelle that Brady had quite a blaze last Thursday night that swept away all those old plank shacks on the east side, and while I am sorry those people sustained such a loss, and don't like a blaze of any kind, yet I feel that this is only a blessing in disguise, for I feel sure they will all be replaced by more substantial buildings, such as rock and brick and this will add much to the appearance and also the security of the town.

Mrs. Willie Sellman is still improving and was able to attend church and Sunday school last Sunday and we are so glad to see her able to be out once more. She also had the pleasure of a family reunion—a short time back. Her brother, Willie Conley, who lives at Belinger with his family, visited her and found with her the mother and sister. Mrs. Conley and daughter, Miss Mollie. So that completed the family and all enjoyed the reunion to the fullest extent.

Mr. and Mrs. C. W. Carr left Tuesday the 10th for Frankfort, Ky., to be gone several weeks and will visit in a number of places before their return.

Miss Ruby Griffay accompanied by Miss Stella Cole went to Wellview last Friday to visit with their old friend and neighbor, Mrs. Minna Floyd and sons, Jiles and Hunter, returning the following Monday with the report of a splendid time.

Mr. and Mrs. John Rodgers left Round Mountain community, where she taught a very successful term of six months school on last Friday, and moved to the Richards ranch, where he has a position and we wish for them every success and happiness in their line of business.

Mr. Cap Phillips, wife and babies, accompanied by his mother, Mrs. I. M. Phillips of this place, motored over to the Brook ranch last week on a visit to Mr. and Mrs. Rodgers and also to enjoy for a few days and catch some of the finny tribe, and report a pleasant visit as well as having all the fish they could eat.

It made me very sad when I read in last Tuesday's paper the announcement of the death of Aunt Jane Moore who had for so long conducted quite a successful business in Brady and will be greatly missed in its business circles and also by Uncle Joe and daughters, who have the deepest sympathy of a large concourse of old friends and neighbors.

As I am pressed for time, I'll have to bring these few remarks to a close.

School Closes Today—Most Successful Term in Several Years.

Fife, Texas, May 18. Editor Brady Standard: Crops are looking extra good around here now. The farmers are all busy cleaning them out and if it stays dry this week everybody will be up with work.

Our school will close next Friday, the 20th. We have had one of the most successful terms taught in several years. The program rendered

by the primary and intermediate grades last Friday was the best we have ever seen. The duet sung by little Miss Mattie Rae Doyle and Hempstead Mitchell, primary pupils, deserves special mention, although the whole program was enjoyed by all present. Lights were furnished by that dean of good fellows, A. J. Ricks of Mann-Ricks Auto Co., representing the Willys lighting system. The senior school will present the play, "The Bug Hunter" next Friday night.

Mrs. Bevels Says She's Feeling Grand Since Taking Tanlac and Can't Say Enough For It.

"I have actually gained twenty pounds in weight by taking Tanlac and I'm feeling better than I have in many years," said Mrs. Lizzie Bevels, of 1523 Center street, Little Rock, Ark.

"I suffered from a complication of troubles for a long time and last July was forced to undergo an operation. After the operation I was in a very weak and nervous condition and wasn't able to regain my strength. I had no appetite, was just as weak as I could be and without any energy at all, and I knew I had to have something right away to build me up.

"It was a lucky day for me when I started taking Tanlac, for I began improving in leaps and bounds from the very start. My appetite became splendid and, as I said, I went right up twenty pounds in weight. I'm feeling just grand now, and I can't say enough in praise of Tanlac."

Tanlac is sold in Brady by Trigg Drug Co., in Mercury by J. T. Matlock, in Rochelle by C. W. Carr, and by leading druggists everywhere.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. Not An Unusual Case. Henry Harkey and his wife were returning from a village worthy's funeral, where the officiating clergyman had been a young man fresh from the divinity school.

"I declare," snapped Mrs. Harkey, "I never did hear anybody run on the way that young whippersnapper does! Wore me out before he begun to say anything. Talk, talk, talk! Nothing but words!"

"Giddap," said Mr. Harkey to the horse.

"Why don't you say something, Henry Harkey?" demanded his wife. "Don't he wear you out?"

"I dunno but what he does," said Mr. Harkey, guardedly.

"Don't know but what he does!" echoed his wife. "Don't you know that he wears everybody out?"

"I, I can't say I knew that— not truthfully; for I ain't heard ner ev'rybody's opinion of him."

Mrs. Harkey faced her husband. "What's the use of your backin' an' fillin' so?" she said. "I'd like to know your opinion of him—if you can get it out."

"Mr. Harkey tugged twice at the reins before he replied.

"It seems to me," said he at length, "that he's the kind of man that would rather change the subject than stop talkin'."

"Well," said Mrs. Harkey, relieved, "you might have said that before."

Don't Forget The Sale At W. I. Myers Dry Goods Store

THE BRADY STANDARD

H. F. Schwenker, Editor

Entered as second class matter May 17, 1910, at postoffice at Brady, Tex., under Act of March 3, 1879.

BRADY, TEXAS, May 20, 1921.

SNAP SHOTS.

Tillie Clinger says two ways she is going to save money this summer is by doing her laundry work at home and bathing at the same place.—Dallas News.

Mesdames Roy Wilkerson and V. B. Deaton, Misses Yrma Davenport, Mae Stobaugh and Rachel Wilkerson, formed a party which accompanied the Brady ball team to Richland Springs last Saturday. Returning they found the Sellman lane all but impassable from the rain that fell, and had a hard time making it through to dry roads again.

ORDER FOR ELECTION.

The State of Texas—
County of McCulloch.

On this the 26th day of April A. D. 1921, the Board of Trustees of the Brady Independent School District, in the County of McCulloch, State of Texas, being in called session, came to be considered the petition of Joe A. Adkins and more than twenty other persons all being resident tax-paying voters of the Brady Independent School District, praying this Board of Trustees to order an election to be held in the Brady Independent School District to determine whether or not that an annual ad valorem tax of one dollar (\$1.00) on the one hundred (\$100.00) dollar assessed values of taxable property within the Brady Independent School District shall be annually assessed and collected for the maintenance of the schools of the Independent School District.

And in coming to the Board of Trustees said petition is signed by more than twenty of the resident property tax-paying voters of said Brady Independent School District and the said tax will not exceed the maximum allowed by the Constitution and the Laws of the State of Texas for such purposes.

It is therefore considered and ordered by this Board of Trustees that an election be held in the Brady Independent School District, on the 28th day of May A. D. 1921, which is not less than thirty days from the date of this order, to determine whether or not an annual ad valorem tax of one dollar, (\$1.00) on the one hundred (\$100.00) dollars of assessed values of the taxable property within the Brady Independent School District shall be annually assessed and collected for the maintenance of the schools of the said Brady Independent School District.

Notice of said election shall be given by posting a copy of this order at three public places in the Brady Independent School District for not less than three weeks prior to the date for said election. And by publication of such notice in a newspaper published in Brady, McCulloch County, Texas, for not less than three weeks prior to the date of such election.

Said election shall be held at the McCulloch County Court House, in the town of Brady, in the room on first floor located in the northwest corner of the building and known as the Justice Court Room. L. Ballou is hereby appointed judge of said election and W. W. Jones and W. P. Yeary are hereby appointed as clerks of said election.

Said election shall be held under the provisions of the law and only qualified voters, who are property tax-payers of the Brady Independent School District shall be allowed to vote, and all voters desiring to support the proposition shall have written or printed on their ballots the words:

"For Maintenance Tax."
And those opposed shall have written or printed on their ballots:
"Against Maintenance Tax."

The manner of holding said election shall be governed by the laws governing general elections of this State.

A copy of this order signed by the Secretary of the Board of Trustees of the Brady Independent School District shall serve as the proper notice of said election, and the Secretary of the Board of Trustees is directed to post such notices in three public places in said School District for three weeks prior to said election.

E. L. JONES,
President Board of Trustees, Brady Independent District.
MRS. EDD BRYSON,
Secretary Board of Trustees Brady Independent District.

LOCAL BRIEFS

Mr. and Mrs. Marion Williamson were here from the Rochelle community Wednesday. Mr. Williamson reported a good rain last Saturday at the Sellman ranch and some rain at Rochelle. However, on his place it is quite dry and oats and grain are needing moisture badly. A good downpour would also benefit grass.

Brady has at last a street sprinkler again on the job, Ross Slaughter having equipped a sprinkling wagon and starting on the job yesterday evening. The business men and merchants of the downtown section have subscribed a fund adequate to enable Slaughter to carry on the work, and he expects to stay on the job steadily and promises to keep the dust devils down.

Local officers last week recovered two spools of wire belonging to O. D. Mann & Sons, and which were found hidden under the culvert just beyond the O. D. Mann, Sr., residence on the London road. They also recovered an auto wheel and two casings stolen from a car being overhauled by Gil Simpson, and which were hidden under the culvert beyond Sid Espy's ranch. No clue to the thieves has been obtained.

Word received from Mrs. J. Q. Lankford is that she and Mr. Lankford are now located at Winters, where they are again engaged in the bakery business, being well pleased with their new stand. She reports good rains in that section and says crops are looking fine. Mrs. Lankford's primary object in writing was to send for The Standard to enable them to keep posted on their friends here. "Can't do without the paper," she says.

Mr. and Mrs. W. D. Crothers left Tuesday night for Fort Worth for a visit with their daughters, Mrs. H. M. Brannum and Mrs. M. H. Wolfe, arriving in that city just a few hours before the arrival of a brand new grandson, left by the accommodating stork with Mr. and Mrs. Wolfe. The young man weighed 8 pounds, arrived safely, and mother and babe are reported doing splendidly. Congratulations are extended both parents and grandparents upon the happy occasion.

W. W. Sammons is in receipt of word from his son, Carlisle, that he was sailing last Saturday for Belgium. Carlisle volunteered into Uncle Sam's service early in the late war, but was denied the privilege of being sent across the waters. Instead, he was made instructor at the Camp Pike training school. He was commissioned as 1st lieutenant, and still retains his commission as 1st lieutenant in the U. S. Army reserve corps. Having been denied his desire to go to Belgium and France, Carlisle decided to go across on his own account. Accordingly, he now holds the position of Master at Arms with the Red Star steamship lines, and is now making regular trips overseas, which, he writes, he is enjoying fine.

The many friends of Mr. and Mrs. John F. Schaeg regret to learn of their intention to remove from the city sometime during the year. Mrs. Schaeg plans to go to Austin shortly after the first of next month, where she will be joined by her daughter, Mrs. McCord Harrison, who expects to attend state university there. Mr. Schaeg will continue his Brady residence until in fall in order to dispose of his mercantile business, but will eventually join his family in Austin. The Schaegs have been longtime residents of Brady, and have formed many strong links of friendship throughout this section. They expect to burn no bridges behind them, and retain their home and property interests here, so that upon leaving they may say "au revoir," but not "good-bye."

PERSONAL MENTION

S. B. Jeter of Lohn was a business visitor in Brady yesterday.

Miss Vivian Jordan was here from Brownwood over Sunday, visiting home folks.

Mr. and Mrs. Sam Wilensky and children left Monday in their car for Dallas where they will spend a month visiting.

Mr. and Mrs. Ed Campbell and bright little son were visitors from the Pear Valley community in Brady yesterday.

Miss Stella Traweck is home again, having completed a very successful term of school at Hazeldell, in Comanche county.

Miss Clara Wilhelm was in Brady from the Menard county ranch Wednesday. She was accompanied by Julius Rasmussen.

In order to be fair to those who have purchased coupon books during May at the old price, without question, and that they may have protection, these prices will apply as of May 1st, 1921. If you have charged coupon books, you will still have the privilege of taking the cash discount up to and including Saturday, May 21st, if you choose, otherwise you will be credited with the difference in the price charged and the present charge price. If you paid cash for book we will rebate the difference by the 1st of June.

We will continue our bookkeeping service at our discretion, for the benefit of those who wish coupon books charged for their convenience, until the first of the month following, for which service you will notice we are making a very small charge—but under no conditions will charges be made for ice on delivery and in no other form except coupon books when signed for by purchaser or authorized person.

We realize in making these reductions that business prospects are poor, and that we can not hope for any large volume until conditions change, but we are willing to share in the adjustment of things to a more settled basis, which, we think, will be determined largely through increasing efficiency, and output, which we hope to accomplish by the use of coupons. It will take a long time, if ever, to get back to pre-war conditions on account of freight rates, labor, etc., and we seriously question the advisability of it. We might profitably adopt a higher standard, especially if we want to increase the earning and paying power of the country and people in general, which it looks like we will have to do, if we ever get out of debt. We fully appreciate, now, the result of too low prices on some commodities and can see that it produces impoverished and stagnant conditions all along the line which must be overcome.

We not only want to increase our efficiency and production, but our service as well, which we are hopeful will result in increased demand—a determining factor in the cost. Your co-operation is earnestly solicited in the elimination of unnecessary expense in this SERVICE and we think we will be able to operate at prices satisfactory to you, and in line with much larger towns and even cities, more favorably situated as to fuel and water supply.

We could lower the cost some by changing to a raw water system, but as long as we are in business we want to know that we are selling a pure product and not one that might be contaminated.

We want the people in the country to observe these prices so you may know what you ought to pay for ice. You know what the freight rates are. We are operating on a very close margin and we know of ice being sold in some places in the country at \$2.50 per cwt. last year, that only cost 50c per cwt. at our platform. Ice has ceased to be a luxury, but, on the contrary, is a great necessity, and ought to be handled on a small margin, and if you will let dealers know your requirements and take it regularly it will eliminate a lot of waste and they will handle it much cheaper. If we increase our volume to any great extent it will have to come from the country and in this day of automobile and trucks there is no need of people in the country doing without ice, which is not only a great comfort, but almost essential to good health.

Assuring you of our high appreciation of your co-operation and of our desire to serve you well and with the hope of being able to maintain a continuation of your future valued patronage, we are,

Yours truly,

Bridge Club.
Mrs. S. S. Graham entertained in charming fashion for members and guests of the Bridge club Tuesday afternoon, included among whom were Mesdames Ed Campbell, G. V. Gansel, R. W. Turner, G. R. White, W. R. Davidson, John Wall, Sam McCollum, Rufus Adams, of Fort Worth.
Club prize was awarded Mrs. Davidson for bridge score.
The hostess served a salad course. No meeting was announced.

Church Members Enjoy Social Gathering.
The members of the Christian church enjoyed a very pleasant social gathering Monday night at the residence of Mrs. Frank Wilhelm. A feature of the evening was the presentation by the Ladies Aid of the church to Mrs. Roy Wilkerson of a cut glass vase in token of appreciation of her playing during the recent revival.
A series of "42" helped to pass the evening very pleasantly, and readings by Misses Zenda Aschbacher and Morina Stobaugh proved most entertaining to all present.
A salad course was served.
All report the occasion a most delightful one.

Parent-Teachers Association.
At a meeting of the Parent-Teachers association, held Friday, May 13, at the Methodist church, the following officers were elected for the coming year:
Mrs. Wm. C. Jones, president.
Mrs. J. A. Maxwell, secretary.
Mrs. A. E. Carrithers, treasurer.
Miss Sidney Buford, Red Cross community nurse, gave a very interesting talk, and following the business session an informal reception was tendered Miss Buford. Punch and cake were served.
All present pledged the nurse their support and expressed their appreciation and pleasure at having had her with them.

Five Hundred Club.
An enjoyable meeting of the Five Hundred club was held last Friday afternoon, with Mrs. G. R. White as hostess. Members present included Mesdames John Wall, Wiley W. Walker, J. S. Anderson, J. G. McCall, C. D. Allen, C. T. White, Dick Winters, G. C. Kirk, Lewis Brook, Ed Campbell, Miss Lucille Benham. Mrs. Herbert L. Wood was a guest.
High score and club prize was awarded Mrs. Wall.
Refreshments of a salad course were served.
Mrs. Walker entertains for the club this afternoon.

Mason-Blackburn.
The following wedding report, reprinted from the Eden Echo, will be read with interest by the many friends of the bride:
Last Monday, May 2, at Brady, Texas, Mr. George H. Mason and Miss Winnie Blackburn were united in marriage.
Mr. Mason, who has been making his home at Austin, is a traveling salesman for the United States Tire Co., and is recommended to us as being a gentleman of high esteem and enjoys a good reputation. He enlisted in the officers training camp at Leon Springs, Texas, when the first call was made and was finally commissioned as a lieutenant in the naval aviation service. He was in the same company with Postmaster Dickens at Leon Springs.
Miss Winnie is the daughter of Mrs. H. J. Blackburn of our town and is one of Eden's popular young ladies, and has been engaged as a saleslady in the Benchoff store. She has the best wishes of her friends for a happy and useful life.
They left for Austin to spend a few days on their honeymoon.

Three Days' Grace.
Maggie's sweetheart, a proverbially tight-fisted Scot, had taken her out for the afternoon, and that was about all. They rode some distance on the trolley, turned around and rode home again. Never was mention made of food or entertainment.
Back within her own gateway Maggie, who had keenly felt the neglect, sarcastically proffered Sandy a dime.
"For the carfare you spent on me," she said meaningly.
"Hoots, toots, woman," returned Sandy, pocketing the coin. "There was nae hurry. Saturday wad hae been time enough."

W. K. GAY & CO.

"Eavesdroppers never hear good of themselves."
This old saying didn't work in my case, the other day.
I overheard two women talking here in the store. And what I heard is worth passing on.
One said to the other, "My husband says that was the best coffee he ever drank, at your house last Sunday. What kind was it?"
"This new Gold Plume Coffee. We like it awful well, too."
"Well, how in the world do you make it?"
"That was just plain, old fashioned boiled coffee—made in an old fashioned coffee pot."
"I put in a heaping teaspoon of this Gold Plume to every coffee cup of boiling water, then add one cup of water extra for the pot."
"Let it boil up once, then let it steam for five or six minutes. I always stuff clean paper in the spout to keep the flavor in."
"I certainly am going to try it." And she bought a can right then. And I know from experience I've made another regular customer for my coffee.

Christian Church.
Sunday school at 9:45 a. m.
Morning and evening services by Rev. G. C. Minor, of Walters, Okla., who will conduct trial services on this day.
Everybody invited to attend.

Christian Church Notes.
All members and friends of the church are urged to be present next Sunday to welcome Bro. G. C. Minor, of Oklahoma, who will occupy the pulpit morning and evening. Bro. Minor will locate as permanent pastor. Everything is agreeable.

Good morning, I urge you to rally now and secure a good man. I am doing the work of an Evangelist and want your prayers and you can not do me a greater favor than to secure the services of the best man possible and go forward as you have so earnestly begun.

I have done all I can do for you and now it's up to you to show the Lord that you mean business. My prayers are ever with you and I earnestly ask for yours.

I open a short campaign at Miles the 22nd. They are hungering for the Gospel. I must hear their cry.

At the Methodist Church.
At the eleven o'clock hour next Sunday morning we will preach the commencement sermon for the graduating class of the Brady high school, and we will use for our subject—"Humanity's Endowment." Great preparations are being made for this occasion, each day the students are practicing at the church for some part of the exercises. Be a booster for this service and thereby give the school a lift.

At the evening hour the subject and service will be evangelistic. We urge secret prayer for this service that others may be converted to God, and lead the Christian life.

Don't forget the Sunday school contest. The Rustlers have stepped up some fifty yards ahead of the Hustlers; but the race is just started and there is to be a neck and neck tug before it is over. Join in with us and we will not only do you good, but you will enjoy the occasion and the social and religious spirit of our people. Sunday school meets at 9:45 a. m. each Sunday.

Epworth League meets each Sunday afternoon at six o'clock. If you are not a member of the league, you should join at once and you will be well paid and delighted with the work. You older people will find an hour well spent if you attend the league on Sunday afternoon. Come, and give us a lift with your presence and with your prayers.

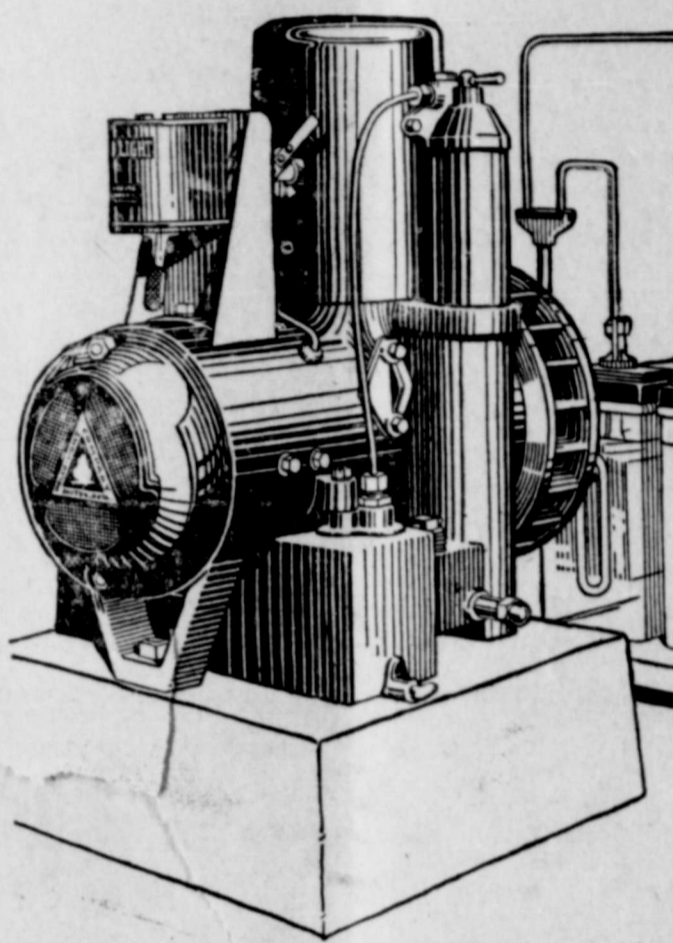

S. C. DUNN, Pastor.

DELCO-LIGHT

The Complete Electric Light and Power Plant

for \$295

fo. b. Dayton, O.

LIKE all other Delco-Light plants, this model at \$295 has the famous valve-in-head, four-cycie, air-cooled motor. It is self-cranking. There is only one place to oil. It runs on kerosene, is economical and easy to operate.

Years of Delco-Light engineering development, together with the experience gained from over 135,000 users has combined to produce the value that is represented in all Delco-Light Products. There are twenty-five styles and sizes of Delco-Light plants, to meet every need of farms, stores, country homes and all those places where individual lighting plants are a necessity.

Write for catalog or come in and let us tell you what Delco-Light can do for you. Delco-Light betters living conditions and pays for itself.

The Time is Here, Right Now, When THE BUYER MUST PAY LESS

We want to drive home the fact that the general demand for lower prices commands our attention, and we are doing everything within our power to revise our prices on a downward scale for the moment, and possibly for a long time to come. The easy methods of getting business have disappeared and it will be necessary for every groceryman to get back on a competitive basis if he hopes to continue in business.

Citizens Improving Home Places—Interesting School Program Had.
Brady, Texas, May 17.
Editor Brady Standard:
Our people are smiling under the sunshine after so many good rains. Some parts of the county have not been blessed with as much rain as has the district north of the Brady mountains. Crops are looking fine and farmers say that any more rain right now is not needed. From the appearance of the clouds, however, we are expecting more rain before this letter is in print.
The Methodist meeting closed last Thursday, the preacher going early Friday morning for Fort Worth.
Our little town is tending towards improvement in the way of civic attractiveness just now. L. O. Marshall has just completed having his store building painted white inside and now has Mr. Jolly and Mr. Robbins painting the yard fence and his residence. Jess Blanton had his shop painted Monday and Mr. Jolly told us that Willie Roberts is going to have his nice residence painted in the near future. Reed Steward completed the painting of the walls and roof of his new bungalow a short time ago. The West residence east of town is ready for painting and will be finished in the near future. Personally, we should like to see both of the churches, the tabernacle and every building in Lohn given a new coat of paint right away. What an attractive little village it would be if a few hundred dollars were spent for painting just now? We liked to have forgone the new white picket fence which J. L. Smith is putting around his place east of the Methodist church.
Carl Lohn returned from Temple Monday where he went last Thursday

for treatment.
Rev. Woods, of the Baptist church, filled his regular appointment here Saturday night, Sunday morning, and Sunday night, he holding services at Waldrip at three o'clock Sunday afternoon. Quite a number of the Lohn people attended the service at Waldrip. Bro. Woods is doing a good work and deserves the praise of all Christian people.
A large number of Lohn people attended the singing convention at Pear Valley Sunday evening. Among the number were Mr. and Mrs. Don Curtis, Misses Mattie Mae and Merl Robbins, Curtis Robbins and Jess, Blanton.
L. O. Marshall went to Brownwood Monday to attend the retail merchants association.
Mr. and Mrs. Earl Lohn, were visiting their parents at Lohn Sunday, returning to Shields Monday.
Ed West was called to the bedside of his mother in Cook county last Thursday. It was reported that the old lady could not live; but Mr. West reports from Denton that his mother is still alive.
Miss Lorena Woods of May, Texas, is the guest of Miss Bessie Lohn this week.
Dr. Land who has been away for a week is now home again.
Misses Alma and Edna Johnson made a shopping trip to Brady Monday.
Mrs. Willie Roberts and Mrs. Commander called on Mrs. Will Lohn last Thursday.
The program at the school auditorium Friday night given by the pupils and teachers, the primary and intermediate grades of our school was a very enjoyable occasion. The house was fairly packed and the children performed perfectly. There were over a dozen good numbers on the pro-

Farm Bureau Had Meeting Monday Night—Ladies Aid Meeting.
Brady, Texas, May 16.
Editor Brady Standard:
Here I am again after a week's absence. Everything is looking very well. A good rain would be welcomed. Some farmers are through planting cotton and some are not, as there is not enough moisture to bring it up.
Mrs. O. E. Hurd has been reported on the sick list for the past week.
Mrs. Jewel Salter was visiting Miss Gladys Engdahl Sunday.
Misses Beatrice Dial and Beda Hendrickson were also visitors at the O. E. Engdahl home Sunday.
Alfred and Cecil Nelin spent Sunday with Clarence Salter.
Mrs. Frank Hurd has also been reported on the sick list for the past week.
Bernice, the little daughter of Mr. and Mrs. O. C. Johnson has been reported on the sick list.
J. D. Johnson and daughters, Misses Dorothy and Patsy spent Thursday night with his sister, Mrs. Jno. Ne-

lin and family. J. D. lives at Richland Springs and he reports everything looking very well in his county.
Paul Johnson and wife were down from Viejo, Texas, one day the past week. They returned to their home Saturday morning. Mrs. C. A. Johnson returned back with them to spend a few days.
Prof. Swenson and wife were visiting Mrs. C. A. Johnson one day the past week.
Jim Mann and family from Brady, were seen out riding in our settlement last Sunday afternoon.
Carl Nelin and family and brother, Arthur, were callers at the Conrad Carlson home Saturday afternoon.
Irwin Hurd and family and Mrs. C. C. Johanson from Brady attended the Christian Endeavor society at Sweden Sunday night.
The Ladies Aid society met with Mrs. Chas. Samuelson last Thursday afternoon.
Mrs. Jno. Nelin was visiting at the Frantz Johnson home Sunday evening.
Lewis West and family spent Sunday at the A. Bergquist home at Brady.
Conrad Johanson and family were visiting at the home of H. C. Johanson Sunday.
C. J. Hendrickson spent Sunday at the O. E. Engdahl home.
Clarence Salter and Albert Turn took supper with Alfred Nelin Sunday.
The Farm Bureau had a meeting at the school house Monday night.
As I have no more news I will bring my letter to a close for this time.

NINE NEWS.

Mack Slaughter Wins First Honors in School for Year.
Nine, Texas, May 16.
Editor Brady Standard:
School closed Saturday with a picnic on the San Saba river. It was a grand success. A fine dinner was spread with plenty of fried fish and four goats barbecued. After dinner nearly all went in bathing.
Mr. and Mrs. John Spivey visited at the S. A. Mauldin home Sunday.
Misses Margaret and Ethyl Harkrider and Vivian Smith, Messrs. Warren Harkrider, Alex Maltsberger and Horace Mauldin attended the base ball game at Hext Saturday evening.
S. A. Mauldin and John Spivey called at the D. S. Blauvelt home Sunday afternoon.
Mrs. John Newlin and little daughter, Nellie B., visited Mrs. L. J. Abernathy Monday evening.
Mack Slaughter received the highest honors during this term of school. His teacher gave him a solid gold tie clasp as his gift.
Miss Ethyl Harkrider returned to her home Thursday, after spending the past week at Lohn, visiting relatives and friends.
A community social was enjoyed by a large crowd at the school house last Thursday night. We are thinking of having another soon.
On account of it looking like it was going to rain a very small crowd attended the singing at the J. A. Harkrider home Sunday night.
Mrs. Elva Pearson and children and Miss Katie Pearson from Calf Creek visited Mrs. Pearson's father and mother, Mr. and Mrs. A. F. McCoy, Sunday afternoon.
Mr. and Mrs. John Newlin and two children, Clayton and Nellie B., visited at the John Blackwell home Sunday evening. "SHARPEYES."

COW GAP GOS.

Muriel Omega N. Headed News.
Brady, Texas, May 18.
Editor Brady Standard:
Everybody is busy killing weeds and grass now, as they are growing as well as cotton and corn.
A dainty little black headed, black eyed Miss came to make her home with Mr. and Mrs. Hulon Huie the 4th. They named her Muriel Omega.
Mrs. Waddle and children and Misses Bessie Lohn and Lorena Wood visited the school Tuesday afternoon.
B. D. Dilliard has finished their house and moved in. Needless to say, they are proud.
Little Miss Cleo McShan is out of school this week with the mumps.
Chas. Hilliard, Tom Woodress and families, visited at Mr. Jess Bissett's Sunday.
H. L. Winstead and family visited at John Weldon's, Pear Valley, Sunday.
Mrs. J. Newton spent the day with Mrs. Dilliard Tuesday.
Mr. Bennie Shaver from Brady visited at J. Shaver's Sunday.
Several Cow Gap folks intend going to the play to be given at Lohn tonight.
Our school will be out Friday, the 27th.
Won't some other Cow Gap gossip-er take "Hope's" place and send in the news from here? I think we could change for the better. Let's see who will write next week?

DELEGATES RETURN FROM KERRVILLE MEETING OF W. T. CHAMBER COMMERCE

Messrs. B. A. Hallum, Edd Broad, E. L. Ogden and Mayor J. E. Shropshire, who went to Kerrville Monday to attend the district meeting of the West Texas Chamber of Commerce, returned Wednesday. They reported muddy roads on the trip there, and during their stay in Kerrville Tuesday another rain fell. The rain extended to Fredericksburg and up to Mason, and also covered a large scope of the western country. On account of the rain, the delegation shortened their stay at Kerrville, and so missed the banquet tendered the delegates Tuesday night.

One of the important things taken up at the meeting was action to secure a repeal of the law placing a tax of from 1c to 8c on trucks for every mile the wheel turns, whether loaded or empty. This pernicious law goes into effect July 1st, and virtually means that freighting by auto trucks will be rendered prohibitive.

While the delegation was in Kerrville they enjoyed a visit to the new government sanitarium being built there, and which will shortly be opened to Uncle Sam's soldier boys. Between \$200,000 and \$300,000 has already been spent in buildings and equipment, and the sanitarium will be enabled to take care of about 60 patients. However, the government has appropriated \$1,000,000 for additional buildings, and \$500,000 for equipment, which will enable greatly increasing the capacity and efficiency of the sanitarium.

Good Everything OFFERED BY THE LYRIC

The Lyric offers a most attractive place to spend the approaching warm summer evenings. Comfortable chairs cooling fans and an interesting and entertaining program of pictures helps to quickly pass the time.

For tonight, there is an especially entertaining picture, William S. Hart, the popular favorite of young and old, in "The Testing Block." It's a story of romance among the California redwoods, in the days when gold lured men to hardship and to crime. "Siera Bill" (Bill Hart) leader of a gang of desperate outlaws, rounds up and kidnaps a band of strolling players, and makes them perform for the amusement of his men. Bill and his men draw lots for the women, and forcibly marry them. Then Bill really falls in love with the woman he secured—and you will want to see how he won the fight he made to go straight.

Saturday night, Enid Bennett in "Silk Hosiery" provides a comedy drama that will be sure to entertain. A story of a model's dreams and what came of them. Rich in effect, and with many fashionable gowns worn by attractive models, this picture has strong appeal for all the feminine sex.

Monday you should "Trust Your

Wife." If you don't, see the picture and learn why. An adaptation from Harry S. Sheldon's stage play, "Conscience." The story of a couple who sought to live beyond their means, and their inevitable downfall. The happy climax to the story is brought about in rather unusual fashion.

Tuesday, "Squandered Lives," is a tale of the sublime love of a woman—a one-man woman; a tale of willful error and willing sacrifice, of ready and uncomplaining atonement. Fast in action, filled with drama, with big moments, and commanding unwavering sympathy and deep interest.
