## CARLISLE & CO. PUT ON BIG SALE

Carlisle & Co. of Blackwell seem to be the foremost news agents in these parts at this time—we mean that they have distributed more reading matter than any other one institution we know any thing about.

The occasion is the big sale this big popular store at Blackwell is putting on. Mr. Carlisle last week, putting before the people the fact that he was going to "pull a big un," and he has kept advertising agents, the newspapers and postoffice clerks all over this section busy making known and giving emphasis to his big sale. He has a half page ad in this issue of The Enterprise. Read it, for it speaks for itself. If we'd gamble, we'd bet the

## Complete Farm Improvements.

Marshall Sims has completed the improvements on his farm up the river a few miles. He moved the house, remodeled it, sunk a well, put up a windmill, built new barns and now has an well improved farm as there is to be found in this section. John Leathers has moved on the place and will run the farm this year. Let the work of improving the country homes continue. There is nothing that will make real people more contented and happy than good comfortable homes.

gold in our wisdom teeth that, if the weather is favorable, he will have a big sale, the results of which will satisfy him—for printer's ink, when one has "the goods" will get the results.

## J. J. GRIMES DIES IN ABILENE.

James Jesse Grimes, aged 72, died at 7 a. m. Tuesday at the home of his daughter, Mrs. T. T. Duncan, Poplar and Eleventh streets, after an illness of several days.

Mr. Grimes was born in Bell County, Texas, February 24, 1858. He came to West Texas in 1904 and had since made his home at Bronte and Winters. His wife died at the home of her son at Merkel October 15, 1924.

A large number of relatives were at the bedside when the end came. They included sons, daughters, brothers, sisters, and grandchildren. The sons were Robert Grimes, a banker of Merkel; Raymond Grimes, of Winters; and Frank Grimes of Shawnee, Okla. The daughters were Mrs. Alice Duncan of Abilene, Mrs. Vida Howard of Mangum, Okla., Mrs. Minnie Hartfield of Martha, Okla., Mrs. Bessie Kight of Comanche and Mrs. Annie Hicks of Moody. The brothers were Robert A. Grimes of Miles, John Grimes of Bronte and T. L. Grimes of Merkel. Mrs. Nan Armstrong, a sister, was also here from Merkel. Mrs. Cora Swain of Moffat and Mrs. Lizzie Armstrong of Beaumont are also his sister. Mr. Grimes was a son of Alex Grimes, one of the first settlers of Bell county.

The body was to be taken to Merkel Tuesday afternoon. The funeral will be held at ten o'clock Wednesday morning from the Merkel Methodist church, conducted by the Rev. W. M. Pearce, pastor of the First Methodist Church of Abilene. He will be assisted by the Rev. T. J. Rea, pastor of Merkel Methodist Church, and by the Rev. Fred Rogers, pastor of the Presbyterian church there. Burial will be made at Merkel.—Abilene Reporter.

Deceased was a resident of Bronte for years and has many friends here who will grieve over his passing away. It was only the 15th of last October that the wife of deceased was called by death—just two months and twenty days before the summons came for him.

The surviving brother, J. A. Grimes who resides here, and family and others of the sorrowing relatives have the sympathy of all their friends.

## Watch Lost.

A few days ago when the effects were taken from my home, at the fire, every thing was returned as taken out, except my husband's watch, which was on the dresser. The watch disappeared. It has engraved on the back of it "J. D. S." The watch was a present to my husband from his mother, and I prize it very highly. If any one in the excitement of the moment took the watch and has not thought to return it I will greatly appreciate its return.

Mrs. Maggie Scott.

O. D. Spoons, Fort Chadbourne, a hustling merchant and all round good fellow, was in town Wednesday. Mr. Spoons dropped in and put an ad in The Enterprise which quotes a few of his regular prices on groceries. They make interesting reading these days of un-heard-of high prices of groceries. Mr. Spoons said he was just giving out some of his regular prices to put "spice" into the buyer's pocket book—as prices for groceries now amount to a great deal.

Mr. and Mrs. T. F. Sims have moved to their farm home, a few miles up the Colorado river. They have just completed improving their place and have an elegant, comfortable country home.

## Cash Grocery At Chadbourne.

W. R. Gibson an old time resident of Fort Chadbourne and well known to almost everybody over this section, has bought the grocery stock and fixtures of T. F. Powell of that place and has taken charge.

Mr. Gibson has named his store The Cash Grocery Store. Its name shows what kind of store it is—that he sells for cash only.

To acquaint everybody with the name and policy of his store and to assure every one that he will make it to their interest to buy from him, if they pay cash for their goods, Mr. Gibson has an announcement in this issue of The Enterprise. It will be of interest to you to read the announcement and visit Mr. Gibson's store when you buy groceries for cash.
