Local Merchants Plan Big Day Saturday

Bronte merchants will officially open the Christmas season Saturday. They will be offering specials on gift merchandise and quite a number of them will give away free prizes during the day. They invite everyone to come by and register for the free prizes.

The biggest part of two pages of this week's Enterprise is devoted to the ads of these local businessmen who want the Christmas business of the Bronte trade territory.

With the end of the Thanksgiving holidays, Christmas definitely is in the air, and the local merchants want to make everybody feel welcome to shop the wide variety of gift merchandise they have for sale.

Readers of The Enterprise are invited to look over pages 6 and 7 of this week's paper and patronize the firms which have seen fit to advertise for your business.

OR, HOW
AMERICA
picked up FLORIDA for
\$5 million.

No luxury hotels. No drinks served at the pool. Just sand and palms and alligators. And a lot of fighting for it that destroyed property throughout Florida.

Americans in Florida figured Spain owed them \$5,000,000 in property damages.

Our government offered to pick up the tab for Spain, if Spain would retire from Florida. Spain accepted. And was out.

You know, money from our citizens helped pay for things back then. And it still does.

Today, you can help with U.S. Savings Bonds. And at the same time, they let you build savings. Easily. Automatically.

This happens when you join the Payroll Savings Plan, or buy Bonds where you bank. Year after year, you accumulate more and more savings. And it can add up to a bundle.

So maybe you'd better start this week. Because, someday, you'll have to retire, too.

Americans have loved cranberries since the first Thanksgiving feast when Indians gave the bright red berries to the Pilgrims

Recipes for many cranberry desserts are available in the "Christmas Times at Home" bulletin, for 35c, from Fay C. Roe at the County Extension office. Order by mail or drop by the office in the Courthouse. The booklet has many luscious recipes other than the ones listed below:

Cranberry Salad

- 1 quart cranberries
- 1/2 cup sugar
- 2 Tbls. granulated gelatin
- 1 cup diced unpeeled apples
- 1/2 cup orange juice
- 1 cup finely chopped celery
- 1 cup nuts

Grind cranberries, using fine blade; add sugar, mix and let stand for at least one hour, stirring occasionally. Soften the gelatin in the orange juice for five minutes; then stir over hot water until dissolved. Mix gelatin with cranberries, celery, apples and nuts (Miniature marshmallows can be added.) Place ingredients in individual molds or flat dish which has been rinsed in cold water. Chill in refrigerator until set. Unmold (or in dish cut in squares) serve on crisp lettuce leaf, with mayonnaise (if desired).

Cranberry Quick Bread

- 2 cups flour
 - 1 teaspoon baking soda
 - 1 teaspoon salt
 - 3/4 cup sugar
 - 1 egg
 - 1 cup halves or coarsely chopped raw cranberries
 - 1/2 cup orange juice
 - 3 tablespoons white vinegar plus water to make 1/2 cup
 - 1 teaspoon grated orange rind
 - 1/4 cup melted shortening
 - 1 cup chopped nuts
- Sift together flour, soda, salt and sugar into mixing bowl. Beat egg; add liquids orange rind and melted shortening. Add all at once to flour mixture; stir until flour is just dampened. Add cranberries and nuts; stir just enough to blend well. Turn into greased 8 1/4 inch by 4 1/2 inch loaf pan. Bake at 350 degrees F. for 60 to 70 minutes. Remove from pan; cool several hours or overnight before slicing.

Even with a full pig, I got an empty feeling inside.

United States Savings Bonds vs. the Piggy Bank.

1. If the Piggy Bank is stolen, you lose what's in it. That's the way it is with cash. If a Bond is stolen, you get a new one.
2. A Piggy Bank is easy for even its owner to rob. But Bonds can be bought through your Payroll Savings Plan at work, and a little is taken out of each check before you can get your hands on it.
3. The Piggy Bank may look kind and generous, but it won't give you any interest. A U.S. Savings Bond yields 6% when held to a 5-year maturity.
4. The Piggy Bank money just sits there. A Bond helps your country.

In summary, you might wonder why grown folks would even use Piggy Banks. It's so much smarter to buy Bonds.

Avoid that empty feeling. Buy U.S. Savings Bonds.

Now E Bonds pay 6% interest when held to maturity of 5 years (4% the first year). Lost, stolen or destroyed Bonds can be replaced if records are provided. When needed, Bonds can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Who bailed out the Navy in 1798?

We were still paying off the Revolutionary War. Then we were faced with yet another war, this time on the seas.

How could we afford to build up our Navy?

Well, Congress called for help through the issuance of government securities. And the citizens came through to the tune of \$711,700. Enough to make the down payment on 10 new ships.

Their investment paid off. And you can follow their example today.

When you buy U. S. Savings Bonds at your bank or through the Payroll Savings Plan at work, you're investing in your country.

And as if that weren't enough, you're helping yourself to a safe and generous return.

What better way to stay afloat?

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Saturday to Be Big Day in Bronte

Many Bronte merchants are offering special prices on Christmas merchandise Saturday, to officially open the Christmas season in the area.

Also, many of the Bronte businessmen are offering free prizes to persons who come in and register and are lucky enough to have their names drawn. For example, White Auto Store plans to have a drawing every hour throughout the day and will award prizes throughout the day.

Others have prizes listed in their ads on these pages.

Bronte merchants are opening up the Christmas season with a bang this weekend and are soliciting the business of everyone in the area.

Readers are invited to read the ads on these two pages and to go by and register for the free prizes which are being offered.

The businessmen said that everyone is welcome to come by and register.

Times for the drawings vary but winners do not have to be present.
