Plans Progressing for July 3rd Celebration

Bronte's Bicentennial Committee has just about wrapped up its plans for a big celebration to celebrate the country's 200th birthday on July 4. Most of the activities will take place Saturday, July 3, but all the churches in town are being asked to plan special programs for Sunday, July 4, also.

Activities for July 3 will kick-off with a parade through downtown beginning at 10:30 a.m. The parade will form at the old Santa Fe depot and proceed down Main Street and then turn right on Highway 277 and go on to the Bronte Nursing Home. Any individual, club or business that would like to enter the parade is asked to contact Jeanna Lee at White Auto Store.

The parade will be followed with exhibition booths and games at the Community Center and park. These will run from 11 a.m. to 6 p.m. with Mr. and Mrs. Ed Sprenkle in charge of the games and Mrs. Oscar Koenig heading up the booth committee.

Beard judging will take place at 4 p.m. in the park. Beards have been sprouting for several weeks and some local citizens look pretty scraggy. Head beard grower is Glenn Sims.

A barbecue supper will be served from 5 to 7 p.m. in the park. The city's two Lions Clubs are sponsoring this event and are selling tickets. They urge that everyone buy tickets in advance, so as to give them some idea of how

WORK STARTED ON NEW WTU BUILDING

Cleanup has been completed and the soil for the base of the new home for West Texas Utilities Co. has been completed. The new sidewalk and curb were poured Thursday.

Construction on the building itself is expected to start shortly.

M. N. Lee Construction Co. of Bronte has the contract for the new structure.

Location of the new building is on the south side of Main Street which formerly housed Sims Food Store.

EFFORTS BEING MADE TO SECURE DOCTORS FOR COKE COUNTY

Two meetings have been held in the past week to discuss and explore possibilities for securing physicians for Bronte and Robert Lee.

A meeting was held last Friday night at the Bronte Nursing Home and another was held at the West Coke County Hospital Monday night.

Persons from both areas expressed a desire for cooperation in securing medical care for the county. It was generally agreed at both meetings that both towns need a full time doctor, but it was also agreed that one doctor for the county "would sure be better than what we have now."

ABC TOURNEY SUNDAY

An ABC tournament will be held at the local golf course Sunday. Tee-off time is 1:15 p.m. and all golfers are invited to enter.

many to prepare for. All Lions have tickets and will be glad to sell one for a low charge of only \$2.00.

The evening of celebration will be concluded with a Talent Show, also to be held in the park. Mrs. Bob Ragsdale will head up the committee working on this part of the events of the day.

There will be concessions available for lunch and refreshments during the afternoon.

Any individual or group who wants to have a booth, enter the parade or perform in the talent show is asked to contact the particular committee chairman. The public is invited to set up booths from which to sell their arts and crafts.

Local business firms are being asked to decorate their building appropriately and all residents are asked to fly their flags every day.

Louis Thornton is chairman of the Bronte Bicentennial Committee.

WALKER COMMENDED ON TRAINING SERVICE BY BELL TELEPHONE

Gene Walker of Fort Worth and the son of Mrs. Mary Walker of Bronte, has been commended by superiors on his work. In a letter from his district manager, it said:

"Gene Walker's special one day training sessions on Dimension have met with overwhelming acceptance. He has conducted five sessions for some 65 or so students in the Fort Worth and South Dallas Districts.

Charlie (Gene's boss) and I have received many, many compliments on his excellent training. It was so good that Bill Millholland (District Manager) called me today and requested I allow Gene to give at least one more day of training to consist of a half day "sample case" session for half the Fort Worth office in the morning and a similar one in the afternoon for the remaining people. I agreed to do this.

"All of this goes to prove when a man knows his subject and is dedicated, everyone recognizes his sincerity. Even Jack Mullins and Marvin Stevens were impressed enough to pass their complimentary comments along to their boss."

Walker is a graduate of Bronte High School and was employed during his high school days at The Bronte Enterprise.

Three Teachers Resign From Local School System

Mr. and Mrs. James M. Raughton have submitted their resignations to the board of trustees of the Bronte School District and they were accepted at a board meeting

They came through Bronte from Michigan and liked the looks of the area, and decided to move here.

BELLS TO TOLL OVER NATION TO CELEBRATE 200TH ANNIVERSARY

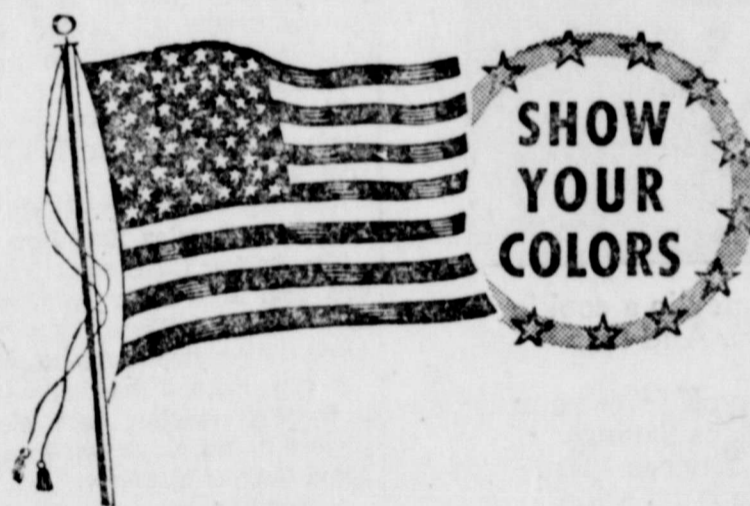

A simultaneous, nationwide ringing of bells on July 4th will herald the country's entrance into its third century. Communities, churches, schools, fire departments, and individuals will toll bells in conjunction with the ringing of the Liberty Bell in Philadelphia at 2 p.m. (EDST). A Congressional Resolution determined this as the most appropriate hour to ring the bells symbolizing the moment in history in the year 1776 when the Liberty Bell proclaimed the signing of the Declaration of Independence. The bell ringing will last for two minutes in commemoration of the nation's first two centuries. Time span will be from 2 p.m. to 8 a.m. making it possible for all Americans to participate in ringing the bells at the same time.

John W. Warner, administrator of the American Revolution Bicentennial Administration (ARBA), announced the bell ringing, saying:

"There is great interest across the land in a symbolic national effort to commemorate our 200th anniversary, and many communities have already begun planning bell ringing ceremonies as part of their Bicentennial activities. Now we are asking all Americans to join together on this historic occasion, and let every bell in the country ring out to declare our freedoms and signify our unity."

The time in our area for the bell ringing will be 1 p.m. CDST.

It is hoped that everyone in Coke County will join this ringing of freedom throughout the land.

INSUR-MATION

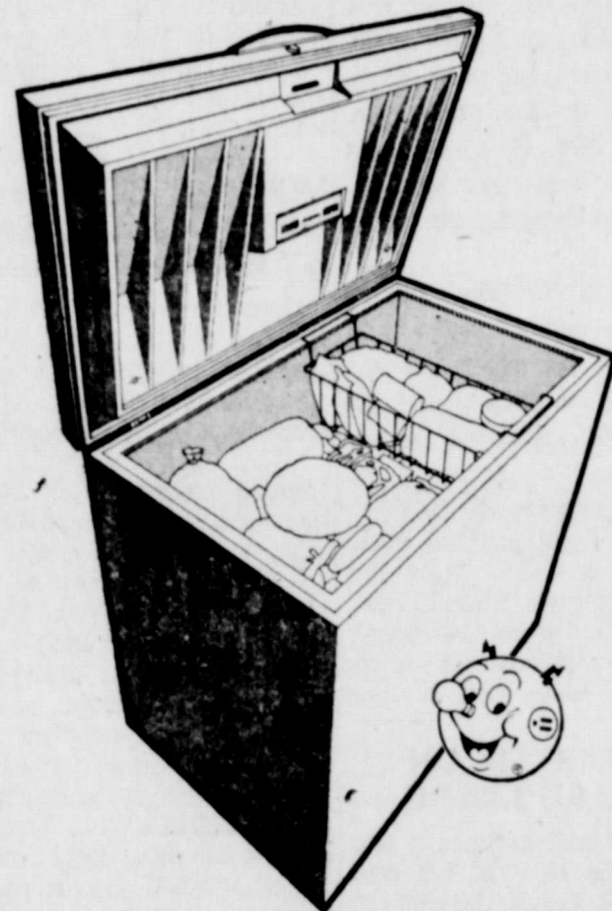

WALDON MILICAN
 FARM BUREAU INSURANCE, 453-2812

I am a self-employed male, age 45, with an annual income of \$50,000. How can I use HR-10 to provide myself with a good income at age 65?

With HR-10, the maximum income allowed for computation is \$100,000 and the lessor of 15% of this or \$7,500; however, you can't exceed your actual income. Many choose to use a smaller percentage. For example, a man, 45, with 3 employees has earned income above \$50,000. His 3 employees earn \$21,600 annually. 7% of \$50,000 is \$3,500 and 7% of \$21,600 is \$1,512... a total of \$5,012 off the top of his income. This is a fair and legal application of HR-10, yet 70% of the total contributions go to him. Money, invested at age 45, in a flexible annuity paying 7% will yield a monthly income at 65 of \$1,175.

REDDY'S HELPFUL FREEZER TIPS

LOCK IN FLAVOR: Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

LABEL PACKAGES: Date and identify freezer packages so (1) you don't accumulate a lot of mysterious shapes and (2) you'll be able to pick out foods that have been in the freezer longest.

TAKE ADVANTAGE OF SALES: Avoid overstocking with commercially frozen food that's always available; use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.
