## Coke County Pageant Attracts Big Crowds

"A History of Coke County, Home of the Rabbit Twisters," presented last Friday and Saturday nights in the Robert Lee High School Auditorium, was judged as a big success. Large crowds for each performance, comments, and enthusiastic audience participation gave evidence of high approval of the production.

Actors from both Bronte and Robert Lee voiced their satisfaction with the pageant, the fun of

participating in the play, and the cooperation and companionship of participants from both towns.

Plans are in the making to organize a Coke County Heritage Association, Inc., or something similar, which can perpetuate an annual performance similar to the recent production, and hopefully, build an amphitheater in which it can be expanded. A meeting of all interested persons will be called soon and ideas for plans will be welcomed.

Mrs. Wilson Bryan, author-director of the play, based primarily on Mrs. Bryan Yarbrough's forthcoming book which gave the pageant its title, expressed her appreciation and praise for all those who participated in any way.

Profits from gate receipts will be used as a nest egg for the organization mentioned above when it materializes.

## SERVICES HELD FOR MISS EDITH JACKSON

Graveside services were held at 10:30 a.m. Tuesday for Miss Edith Jackson, lifelong resident of the Bronte community.

Miss Jackson was found dead at her home three miles east of Bronte at 2:30 p.m. Sunday.

The Rev. C. Earle Lewis, pastor of the First United Methodist Church, officiated at the services. Burial was in Fairview Cemetery under direction of Newby Funeral Home.

Survivors are nieces and nephews.

## MOST FIRMS TO CLOSE ON MONDAY HOLIDAY

Most of Bronte's business firms will be closed Monday in observance of Labor Day.

Some businesses will stay open to accommodate their customers and the heavy holiday traffic expected. A large influx of visitors is expected, going to Oak Creek Lake and Lake Spence for this last holiday of the summer.

The city hall, First National Bank and the U. S. Post Office will be closed, as will all county offices in Robert Lee.

Monday will be a holiday for students of Bronte School but a work day for teachers.

Patrons of local firms are asked to get their business transacted and shopping done early so they will not be inconvenienced by the holiday closing. Everyone will be open for business as usual on Tuesday morning.

## STUDENTS OFF TO AREA COLLEGES

More students from the Bronte area are away to colleges and other institutions of higher learning.

Michelle Golson Bredemeyer, Diane Arrott, Jean Ann Raughton, Marvin Ensor and Debra Hibbs are at Angelo State University, San Angelo; Wayne Alexander and Jim Dan Raughton, McMurry, Abilene; Ricky Frazee, TSTL Sweetwater; Alan Barbee, Texas Tech, Lubbock; Bobby Bailey, Southwest Texas State University, San Marcos; Sarah Heaner, Rice University, Houston; Sandra Stroebel, Sam Houston State University, Huntsville; Larry Hooper, Baylor University, Waco; Jim Dunnam, Abilene Christian University, Abilene; Susan Arrott, Graduate School of Texas University at Austin; Bobby Skelton, Law Enforcement Academy, Austin; Vic Glenn, University of Texas Dental School, San Antonio.

In the story last week of the 1976 graduates' plans, Edlie Angel was omitted. He is going to Kilgore Junior College.

The Enterprise has probably overlooked others who are going to school and will be glad to make mention of anyone missed when it is brought to our attention.

niors, four sophomores and six freshmen.

Last year's Longhorns finished

## FINE RAINS DELUGE MUCH OF AREA

Spotted rains have fallen in the Bronte area this week. Some parts of the area around Bronte received good rains, while other parts got only token showers and still need more moisture.

Here in town, the average rainfall was about 1½ inches, with a few receiving more than that amount.

Directly north of town Edward Cumbie got 2 inches and to the northeast J. B. Mackey also had 2 inches. South of town across the river Imogene Griffin had 1.4 inches.

To the west and northwest, the rainfall was not so good. L. W. Duncan at the Hayrick Valley Ranch reported only .4 of an inch.

Cloudy skies persisted till late Thursday, and the weatherman said the area still has a good chance for more rain.

## WETTERMAN NAMED TO DEPUTY POSITION

## Coke County Fair Plans Moving Ahead

Plans are moving along for the annual Coke County Fair which has been scheduled for Sept. 17-19. The event, since it was started a few years ago, has grown like Topsy and has become a major event in the lives of Coke Countians.

Gaylon Pitcock is general chairman of the fair and Wayne Arrott is serving as co-chairman.

Fair catalogs will be mailed to all of those who had entries in the show last year. Others interested in the catalog can obtain one at the County Extension Service office. The catalogs show the divisions classes, rules and other information pertinent to the Fair. They also contain entry blank forms.

The adult divisions and their

chairmen are: Foods, Mrs. Bert Blaylock; Clothing and Needlework, Mrs. T. E. Pitcock; Crafts and Hobbies, Mrs. T. M. Wylie Jr.; Home Furnishings, Mrs. Curtis Walker; Art Exhibition, Mrs. Roy Walker; Agricultural, Fred McCabe Jr.; Floricultural, Mrs. Wayne Reed; Antique and Historical Department, Mrs. Ulmer Bird and Mrs. Jessie Yarbrough.

The Youth Department will include the same divisions with Mrs. Joe Ash and Mrs. Carlton Caston as chairmen.

On the program for Saturday night will be the Beau and Belle Coronation, Bubble Gum Blowing Contest, Horned Toad Race and Sack Races.

the season with a 9.1 record but lost several key players. Injuries and players' quitting this year's squad have made Coach Gerald Sandusky's job of finding replacements even tougher. The Horns have not looked too good in pre-season scrimmages but hope to have everything together by Friday night.

Sandusky is assisted by Steve Park and Bob Shields.

Forsan should provide all the competition the Horns want in the opener. They have 30 players listed on their roster with nine of them seniors. The Horns and Buffaloes have built up quite a rivalry over the past few years and tonight's game should provide fans with plenty of hard hitting football. The Buffs are picked high in their district.

Admission prices for all Longhorn home games are \$1.50 for adults and 50 cents for students.

## BOOSTER CLUB PLANS SPAGHETTI SUPPER

The Bronte All-Sports Booster Club will sponsor a spaghetti supper Friday night before the Bronte-Forsan football game. Serving will begin at 5:30 p.m. in the school cafeteria. Serving will stop at 7:30 giving everyone plenty of time to make the opening kickoff at 8 o'clock.

Tickets to the meal will cost \$2.25 for adults and \$1.75 for children under 12. Everyone is invited to come out and help the Booster Club.

The All-Sports Booster Club not only backs the Longhorn football team but all phases of sports in the Bronte School. A membership drive is currently underway with dues costing \$5.00 a year.

## DELINQUENTS WILL BE PULLED NEXT WEEK

Several of The Enterprise subscribers who ordinarily renew during the subscription special in July failed to do so. Those whose subscriptions are out will be pulled from the mailing list next week. Postal regulations require that the paper not be sent to delinquent subscribers.

Also, the management of The Enterprise would like to ask the cooperation of subscribers in notifying us before you move to another address. What used to cost a nickel for the post office to furnish an address change went up to a dime, but now it costs a quarter. Two or three papers sent to the wrong address completely does away with our breaking even on subscriptions. Your help and cooperation in sending in address changes ahead of time will be appreciated.

## ARTHRITIS MEETING SET FOR SEPT. 9 IN BALLINGER

There will be an arthritis meeting Thursday, Sept. 9, at the First United Methodist Church in Ballinger. The meeting will begin at 7:30 p.m.

Dr. William A. Riley of Hogan-Malone Hospital in Big Spring and Dr. Kenneth Scholtz of Highland Hospital in Lubbock will be the guest speakers.

All Coke County residents who are interested in arthritis are invited to attend the meeting.

**Coke Ladies Report on European Tour**

(Editor's Note: The article below was written by Mrs. Charlie Boecking of Bronte and relates the experiences she and Mrs. W. T. Roach had on a recent tour of Central Europe. We found her story very interesting and believe our readers will enjoy it.)

The next morning at 8:00 we boarded buses for Liechtenstein and what they called the Grand Alpine Tour.

I don't know what the Swiss do with their clutter and trash around their farm houses, but they absolutely don't have any. Their places are immaculate. The window boxes spill over with colorful geraniums and petunias without exception. They also pamper their Brown Swiss cows. I wished that Charlie could see those well tended cows. The people farm every tillable square foot of soil whether it is on a hill or almost straight up.

We reached Liechtenstein about 11 a.m. and there in Vaduz, the capital, we had about 40 minutes shopping time. The setting of Liechtenstein is like a jewel. The Alps are so towering and majestic here that it was hard to think about going into a shop. All I wanted to do was look at the surroundings. Liechtenstein is famous for their colorful postage stamps. I was a little slow and didn't get any cards mailed but bought some stamps.

Before we left this lovely place we tasted the Prince's wine in a large vineyard. The Prince and his wife and four children live in a large castle high on a mountain above the town of Vaduz. They shop like anyone else in the village and this delights the people. The Prince is a handsome young man

who is a descendent of the Hapsburg family.

The reason one never sees Liechtenstein on the map is because if it is a Swiss map, they include Liechtenstein. If it is an Austrian map, they color it with Austria.

Reluctantly we boarded the bus for Klosters, a renowned mountain resort where we took a cable car ride to the top of a mountain for a delicious Swiss lunch and folklore.

After lunch we continued by coach to Davos and all along the way saw many quaint Alpine villages. There is one, Lenzerheide, that I feel I must see again and spend more time there. We saw another town that dates back almost 1500 years, named Chur (pronounced Coor). We returned to our hotel about 7:30 p.m. and I felt like I had seen the most gorgeous part of the world that day.

We had time the next morning to get out and explore around our hotel area. Right in behind our hotel was a market place that is set up twice a week. The country people bring in flowers, vegetables, arts and crafts to sell. That was a sight to see. Everything was perfect. Great big strawberries—Oh!

About 2 p.m. we motored through the hilly Zurich country and the gentle farm lands to Steckborn on the lower Lake Constance. We entered Stern am Rhein and strolled about there looking at the murals on those medieval age old buildings. On our way down cobble stone streets to the place where we were to board our launch to cruise the Rhine, there in and out of the way place was a store displaying a special on dishwashers. Wouldn't Dayton and his boys like to have the job of installing a dishwasher in one of those old castles!

We thoroughly enjoyed our cruise down the Rhine. The castles on the high hills along the banks were interesting and colorful. The day was warm and people were swimming in the Rhine River all along the way to Schaffhausen. We left the boat here and motored back to Zurich.

We found the people of Switzerland to be very courteous and friendly. I have already had a card from one couple we met. Nearly everyone around the hotel area speaks some English, but in some of the stores they don't speak one word of English.

We must get our luggage ready and outside the door by 10 p.m. because we leave by chartered train for Germany at 7:30 a.m. in the morning. Their trains run on time!

**Lunchroom Prices, Policies Outlined**

Bronte School has announced its policy for free meals and free milk and for reduced priced meals for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk Programs. Local school officials have adopted the following family size income criteria for determining eligibility:

Children from families whose income is at or below the levels shown are eligible for free meals and free milk or for reduced priced meals. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application form are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

In the operation of this child feeding program, no child will be discriminated against because of race, sex, color or national origin.

Under the provision of the policy the building principals will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may request either orally or in writing to the Superintendent of Schools, Box 370, Bronte, telephone number 473-2511, for a hearing to appeal the decision. The policy contains the outline of the hearing procedure.

Each school and the office of the superintendent has a copy of the complete policy which may be reviewed by any interested party.

**Who bailed out the Navy in 1798?**

We were still paying off the Revolutionary War. Then we were faced with yet another war, this time on the seas.

How could we afford to build up our Navy? Well, Congress called for help through the issuance of government securities. And the citizens came through to the tune of \$711,700. Enough to make the down payment on 10 new ships.

Their investment paid off. And you can follow their example today.

When you buy U. S. Savings Bonds at your bank or through the Payroll Savings Plan at work, you're investing in your country. And as if that weren't enough, you're helping yourself to a safe and generous return.

What better way to stay afloat?

Series E Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

FARM BUREAU INSURANCE 453-2812

Can I sell an insurance policy for the total cash value?

Yes. The cash value may also be borrowed... using the policy as collateral and continuing the policy in force. The latter would seem to be the better course of action. You could probably not replace the policy at an older age for the premium you are paying now. Also, because the spread on the increase in cash value becomes greater as the policy becomes older, you could find yourself in the position of paying \$100 in premiums and getting an increase in the cash value of \$120-\$130 for the \$100 premium. Therefore, it would seem wise to borrow the cash value and to continue with the policy in force.
