NEBRASKA MEASURE GOOD FOR N. M.

This is Another of the Outside Laws Which Modified Some to Suit the Existing Conditions in This State Would be a Benefit to All

THE FARMERS NEED SOME CHEAP DEVELOPMENT MONEY

And Must Have it if the State is Going to Develop at The Rate it Should and Will if Some Such Bill is Passed

Following is a clipping from the Commoner showing one of the most interesting bills that has come before the state legislature of Nebraska and also showing the same kind of bill that was mentioned in the editor of the Herald in some previous issue.

Every person in the county and so far as that is concerned, the state should read this article and then go to work on the same kind or a similar bill for this state. Texas is at work on such a law so we ought to go to work on some such laws and New Mexico should not be behind in the race for a better development of the resources and her farmers. Take off a minute and send a letter to your members of the legislature regarding the matter. You put them there and they are there to do your bidding. Write them and tell them what you want.

A bill (S. F. No. 400), was introduced in the Nebraska legislature by Senator Dodge of Douglas county at the request of S. Arion Lewis of Omaha, Neb. Mr Lewis is remembered as having written the original "Back to the Land" article in 1895 in Los Angeles, Cal. He is trying, by practical methods, to carry out this work to aid in the cause of human uplift. Mr. Lewis says: "If this bill is passed it will open a new avenue to the worthy man to become independent and would tend to relieve the congestion of our large cities in the far east." The bill modeled is somewhat after the French credit Foncier plan. Commoner readers everywhere will be interested in it. The bill follows:

Senate File No. 400.—A bill for an act providing that counties may issue bonds to be known as agriculture department bonds, the funds so raised from the sale of these bonds to be used to encourage agricultural development in state of Nebraska by the actual settler, defining the purpose, limitations and provisions of this act. Introduced by Senator Dodge Douglas.

Be it enacted by the people of Nebraska: Section 1 (Purposes.) Each county in the state is hereby authorized to issue bonds in the sum of not to exceed \$200,000.00 to run 15 years, bearing interest at the rate of 4 per cent. These bonds to be issued to raise funds for the sole purposes as the provisions of this act describe.

Section 2. The county commissioners shall have authority to issue said bonds and the state treasurer is authorized otherwise to invest state funds available in such bonds offered for sale.

Section 3. The funds raised

by the sale of these bonds shall only be used for agricultural development work on unimproved lands in the state in the manner and for the purposes as hereinafter set forth by the provisions of this act.

Section 4. These bonds known as agricultural development bonds shall be loaned to the actual settler for this development work in the following manner and terms.

Section 5. Loans to settler applicants shall be made for the term of 15 years at 6 per cent interest payable annually, and in case of crop failure an extension of one year to be allowed on the principal payments provided the annual interest is paid. The principal and interest can be paid off on or before maturity.

Section 6. This loan to carry with it the express stipulation in addition to its terms of payment of principal and interest, the express agreement in accordance with application blank, as set forth by the provisions in this act. Any violations of the express terms of this act to obtain a loan under false pretense shall be deemed a felony.

Section 7. An application blank shall be issued in printed form providing as hereinafter described, an applicant shall fill out under oath each and every requirement therein.

Section 8. (application form of blank.) The following form of blank shall be issued, stating name and residence of the applicant, age, single, or married nationality, also the signature of three resident free holders who shall vouch for the good character of the applicant, and if a non-resident of said country, evidence of good character as shall be satisfactory to the county commissioners. The amount of loan desired for the purpose only as provided for in this act, namely to clear title to clear land purchased or to be purchased, describing legally said land, agreeing to furnish abstract showing a good title in said land to said applicant. Stating the price paid for said land; amount of said loan to be not exceed 70 per cent of the land and its added value by reason of this improvement loan. Stating how much money said applicant has paid or can pay in addition to this loan, agreeing to give first mortgage to said county to secure the moneys advanced, said mortgage stipulating as to its terms that it is to run not to exceed 15 years and that the interest is 6 per cent, pay annually, and one fifteenth of the principal sum shall become due and payable each and every year until fully paid. Which principal however, shall not be exacted until the

end of the second year, and in case of crop failure throughout said country the commissioners shall have discretion to extend principal for one year provided interest is fully paid.

Section 9. All amounts over and above the sum required to clear title in said applicant shall be used for the following sole purposes: First. Erecting small house, barn, and digging a well, and the balance to be used for the purpose of a team of horses, harness, wagon, farm implements and seed. Should there be any sum not so expended it shall be deemed a credit to said applicant for the purchase of other live stock or the necessities of living.

Section 10. The county commissioners shall be allowed discretion according to local county conditions in the purchase of said items based upon actual farm requirements provided they do not exceed the total of 70 per cent of the face value of loan.

Section 11. All bills for expenditure shall be OK'd by applicant and paid only by county commissioners out of this fund by a voucher, and all exceed over and above expenses to said county shall become a part of this agricultural development fund, and shall be used only for such purposes.

WILL GIVE COLONIAL DINNER

The Civic Department of the Woman's Club will serve a Colonial dinner Saturday Feb. 22, Washington's Birthday. The entire proceeds of this dinner will be spent in improving the school grounds, putting out trees and grass, and building walks. The following menu will be served, beginning at eleven-thirty, place to be on Bulletin Board:

Cream of Chicken Soup
Chicken a la Maryland Cream Gravy
Mashed Potatoes
Cranberry Sauce Pimento Salad
Pickles
Bread and Butter Coffee
Cherry Pie

The price of this dinner is twenty-five cents. Splendidly cooked and served. You will get your money's worth and help a good cause at the same time. The entire public is cordially invited to patronize this dinner.

CHRISTIAN ENDEAVOR

The subject for the Y. P. S. C. E. meeting at the Central Christian church next Sunday is Medical Missions.

The following is part of a splendid program that will be rendered from 6:30 to 7:30 p.m. Song by all.

Scripture reading Matt. 10:7-11
Pointed Paragraphs.
Mission Notes.
Song
A Medical Missionary.
Recitation.
Musings.
Duet.
Witnesses Unto the World.
Closing hymn.

Special music by quartette at evening service.

The young men and women of Portales are cordially invited to this service.

The barren school grounds will soon be a beautiful place, if you patronized the Colonial dinner Saturday.

end of the second year, and in case of crop failure throughout said country the commissioners shall have discretion to extend principal for one year provided interest is fully paid.

Section 9. All amounts over and above the sum required to clear title in said applicant shall be used for the following sole purposes: First. Erecting small house, barn, and digging a well, and the balance to be used for the purpose of a team of horses, harness, wagon, farm implements and seed. Should there be any sum not so expended it shall be deemed a credit to said applicant for the purchase of other live stock or the necessities of living.

Section 10. The county commissioners shall be allowed discretion according to local county conditions in the purchase of said items based upon actual farm requirements provided they do not exceed the total of 70 per cent of the face value of loan.

Section 11. All bills for expenditure shall be OK'd by applicant and paid only by county commissioners out of this fund by a voucher, and all exceed over and above expenses to said county shall become a part of this agricultural development fund, and shall be used only for such purposes.

WHAT ABOUT THE CONTEST

What have you done about getting the organ for your community? Have you or any of your neighbors made any effort to secure it? If not why not? Are you not getting your money's worth out of the paper that we are putting out? Besides this being your official county paper which during the year tells you of the money that your commissioners spend, it offers to give you a four year subscription and a valuable booklet for your use or your wife's. It gives you the privilege of taking this paper and one of the best papers published in the west for \$1.00. The last mentioned paper is for one year and the price for it alone is \$1.50 a year.

Why not go to the teacher in your community and ask her or she to show you a sample copy of either of the papers and then subscribe for one or the other of them and have the Herald thrown in for a year? Did you notice that the Herald also carries one or two columns of state and national news which if you do not take a daily paper you never get otherwise? It gives you the best and most important of the state and national news for the past week and charges you no more for this than you ordinarily pay for your little weekly which prints nothing of the kind. You get the news of your state capital, find out what the men whom you helped to elect are doing. Wake up and see what is going on in the world and you will feel better and think more of your neighbor.

Now here is the proposition; There are very few people or we might say few people in each school district in the county and therefore the organ will be given to the district which does only a little more work than the other. You have wanted an organ for your school house since it was built but have not seen your way clear to put it there so why not work a little among your neighbors and get them more than their dollars worth the organ besides? We are going to give the organ away the first day of April and if there is only one school in the county sends in one subscription to the organ, will be given to that school house and the Herald will think that the people have hurt themselves worse than they have hurt us. If you can only get ten subscriptions you will an up-to-date globe in your school free of cost and possibly the ten will the organ unless some of you wake up and go to work. Let us hear from some in regard to the matter anyway.

CHRISTIAN SERVICES

Next Sunday is "Bible school day" at the Central Church. It is expected that fully one hundred will be present when school opens at 9:45 A. M. Every officer and teacher is urged to be on hand. An inspiring Bible school address will be given by the minister at 11 A. M.

The young people expect a great Christian Endeavor service from 6:30 P. M. preaching 7:30 P. M. a special sermon on "How to study the Bible so as to remember it". you are invited. J. H. Shepard.

ANOTHER BELIEVER IN THE PORTALES VALLEY

C. L. Sanders, Who Was For Thirty Years a Resident of Oregon and a Successful Farmer and Business Man of That Great State

SEES A ROSEATE FUTURE FOR THE WATERED VALLEY

He Has Sunk One of The Best Wells and Installed One of The Best Irrigation Plants In This Section He Will Farm Intensively

The Portales valley attracts when and wherever its possibilities and opportunities are known. It is a powerful magnet that seldom fails to draw the thinking and thoughtful of it. Especially is this true of those who "come and see" and who are desirous of getting in on a real "ground floor" proposition, in a community with a cultured citizenship and with good schools and churches.

Several months ago a gentleman who had an eye for the "main chance" was passing through this valley on his way East from the far west. He was quick to appreciate the all but undreamed of possibilities of this section consequently a little later this same successful business farmer returned from the East and purchased land just one mile from the city of Portales and is here "for keeps".

This gentleman is Mr. C. L. Sanders, the man who spent thirty successful years in the state of Oregon and saw land increase in value from a mere song to \$1000 per acre. Mr. Sanders paid \$100 per acre for land in Oregon and some years later sold this same land for \$400 per acre. Then later saw this same land increase to \$1000 per acre. He saw other land in Oregon, that was not considered worth one dollar per acre, sell for \$250 per acre. This increase was caused by "winter irrigation" water which could not be had only during the winter months. The owners irrigated during those months thus securing a first class "winter season" which insured crops of various kinds the following spring and summer. Mr. Sanders said: "It is a mistake for the farmers of this valley not to irrigate during the winter. If this is done it will not require so much water during the growing of the crops and the yield will be larger".

It is hardly necessary to remark that Mr. Sanders is extremely optimistic about the future of Portales valley, the valley where "water is king". He recites many instances of success attained with different crops in Oregon and then unhesitatingly says, "I think this valley is the equal of Oregon and the climate is better for growing fruit". Then he talks about \$400 and \$600 per acre land here. He said, "I am arranging my lots so as not to take up too much land. It don't buy when land is worth \$600 per acre."

Mr. Sanders is demonstrating his faith by his works. He has sunk one of the best wells in this section. The well is 116 feet in depth but the water stands within twenty feet of the surface. There is practically no

doubt but that this well would furnish 1000 or more gallons per minute constantly. The fifteen horse power engine and number four American Wells Co. centrifugal pump lowers the water after hours of continuous pumping but a few feet. Other improvements, including an up to date residence, and being placed, or will be put on this farm within the next few weeks.

"There will be no waste land on my twenty acres," said Mr. Sanders. "Every foot of my land will grow something worth while. I expect to have five acres in sweet potatoes and the remainder in general garden." Now that's what we call diversified farming; which is just another way of saying "successful farming." Another thing; hogs, chickens and cows and horses are going to be grown along with the aforesaid "garden sass" and other crops.

C. L. Sanders is mixing brains with muscle in his farming and we will wager our three office cats against the hole in the doughnut that C. L. Sanders succeeds. Come to Portales.

CHILD'S WELFARE DAY

Mrs. Frederic Schoff, President of the National Congress of Mothers, with headquarters at Washington D. C. has sent out a request to those interested everywhere to observe Feb. 17 as Child Welfare Day, this being the sixteenth anniversary of that organization.

In many places the entire week is being observed or that part contained within the dates Feb. 16 to 21.

Ministers are preaching about children, club women talking about them and special programs being prepared on subjects pertaining to the various phases of child life.

Mass meetings are being called and the Congress of Mothers seeks to arouse all thinking people everywhere to the needs of the children and the bearing that their present conditions has on future generations.

Among the aims sought are: to carry the Mother love and Mother thought into all that concerns or touches childhood in home, school, church or state; to develop wiser, better trained parenthood; to bring into closer relation the home and the school, that parent and teacher may co-operate intelligently in the education of the child, using systematic, earnest effort to this end; to interest men and women to co-operate in the work for purer, truer homes, in the belief that to accomplish the best

SWORN CIRCULATION 1200

A poor cow with good feed will give better results than a good cow with poor feed.

By keeping a variety of stock on the farm a larger number may be kept and the best use can be made of all food by giving what is best suitable to each class of animals.

Our exchange list is growing by leaps and bounds now and we want the farmers and others to know that it is for their good and that if they have something that they have no particular use for let the people know and trade it off for something that the other fellow has and doesn't want.

If there is a gall on the shoulder or back of a horse, just wash clean and dust it with dry powdered tannin. Tannin is the stuff used in tanning leather. It is astringent and will draw a film over the sore, keep away dirt, etc., and cause to heal faster than any known remedy. Keep five cents worth in a bottle in the barn.—Ex.

A flock of one thousand two hundred and fifty turkeys was recently driven twenty six miles to Sedalia, Mo. to market. They came from the northwestern part of Pettis county, and on account of the great distance the turkeys required occasional rest on the road. The turkeys were sold at sixteen and one-half cents a pound and produced their growers about \$3,200.

Dr. E. P. McCormack of Artesia, Pecos Valley of New Mexico, drove a flock of five hundred turkeys to Christmas market at El Paso, Texas a distance of two hundred miles. He expected to arrive in time for Thanksgiving, but snow and other causes made delays. The liveweight of the birds sold for from eighteen to twenty-five cents per pound. Some of them brought more than five dollars apiece.

The Herald is certainly thankful to the many, and we might say hundreds of people who have dropped in or met us on the street and assured us that we had their support. We are trying to give you a good lively newspaper, the best that you ever got for your money anywhere and if you think we are not coming up to your standards and you want us to add something along some line to our paper you are at liberty to say so and will be glad and more than glad to accommodate you.

If you will notice this week we have a front page article along the lines of rural credits or rather money for the rural people furnished by the government and we would certainly like to have the people of the county take the same up, discuss it among themselves and let their representatives and senators know what they think about it as well as writing their views to the editor. It is now up to you if you want the money for development purposes, say so and say it in strong language. Send it to your paper and also to your member of the legislature and let the public know what you think.

The contest now going on in the Herald is certainly stirring up some interest and though there were not as many subscribers came in Saturday as we would have liked to see, the results were gratifying and at the rate the different schools are sending in subscriptions some one is going to have to work hard and lots of it if they get that organ. You can do though as one teacher who was in expressed it, "I will not be there when the globe is given to the school but it will be some honor to me at least to let my pupils and patrons know that I had enough interest in their welfare to get out and work and get the globe for them."

A few sheep kept on the farm to supply mutton for home use would be a profitable investment for the farmer. There is no meat more wholesome than nice, fresh mutton or lamb, and to have this close at hand whenever it is needed, is a great saving of time and money. There are not many farmers who could not use ten or twelve sheep in this way during the year, and if the family is not large enough to use the whole carcass, the surplus can be disposed of to good advantage among the neighbors.

In dressing mutton great care should be exercised in preventing the wool from coming in contact with the meat. The wool and skin and thin fibrous layer immediately under the skin, gives the strong objectionable odor to mutton.

In preparing a roast of mutton it is a good plan to remove this thin papery covering before placing in the oven. By keeping the hands well cleansed in clean cold water while dressing the mutton much of the taint which makes mutton objectionable to some will be avoided.—Ex.

The county is losing another of its papers and though of course we do not glory in the fact but at the same time we will be good enough to say that it will be the best thing possibly that has happened for La Lande. La Lande is one of the fairest spots in Roosevelt county and for the past several months anyone looking at the paper would decide at once that it was about the rottenest hole and with the worst bunch of citizens that ever hit any town. We are a part of the county and accordingly we feel that the county as well as La Lande is being knocked and we will accordingly be glad to see the day when La Lande will either have a booster for an editor or else be without any paper, which in all ways will be better for them than to have all of the knocking that is now going on. Even men whom the whole county and part of the state has done honor to have come under the ban of this so-called editor and after La Lande having such men as citizens and then giving them the black eye through its paper the way it has, it is no wonder that the place is going backward instead of forward.

The income tax amendment to the federal constitution has been ratified by the necessary number of states and is now a part of the constitution. Congress can, at least, after an eighteen years' struggle, levy and collect a tax on individual incomes. The dollar is no longer above the man. Now let congress proceed with the preparation of an income tax measure. Such a law will make it possible to materially reduce the tariff schedules, thus transferring a part of the weight of taxation from the overburdened poor to the underburdened rich.

Some have suggested that the individual income tax be substituted for the corporation tax, but the suggestion comes from the protected interests which have made the tariff laws in their own interests for a generation and are seeking some excuse for maintaining present rates. The Democratic congress should reject such a proposition and give the benefits of reduction to the patient masses who have for so long borne the injustice of excessive taxation, collected on consumption. The day of relief is at hand.—Ex.

EXCHANGE COLUMN

All notices of exchange of not over ten lines will be entered in this column for two consecutive issues free of charge to all subscribers. Notices to appear on Thursday must be in by Wednesday noon.

This space cannot be bought. We give it to our subscribers.

Have several Poland China pigs to trade for corn or maize. W. F. Faggard.

Want to trade 80 acres farming and near Buffalo, Missouri, for Portales Valley land. A. G. Troutt.

For Sale or Trade—Three Model F Buicks and one Maxwell. All good, rebuilt five passenger touring cars. Will sell or trade for cattle, sheep or hogs. Call at Garage and look them over. Vaughan Auto & Trans. Co.

To exchange \$25.00 Range and 70 tooth section harrow to exchange for 2 tons of maize. O.S. Srickland.

To exchange—Marlin repeating 12 gauge shotgun to trade for lister planter. Call at this office.

To exchange—One or two bushels fancy black wax and valentine beans to trade for anything. E. C. Murrell.

To exchange—Riding lister and cultivator, fourteen inch walking plow and numerous small tools to trade for stock of any kind. Slim Snell, Delphos.

CANTALOUPE GROWERS

I grow the very best cantaloupe, watermelon and cucumber seeds. I grow all I sell and guarantee satisfaction.

Catalog and Samples Free

R. H. JAMES, Rocky Ford, Colo.

To the Farmers, Truckman, Gardeners, and Florists of West Texas and New Mexico

On or before February 1st I expect to have the largest and best collection of seed ever placed under one roof in West Texas. I will also have machinery to grade, separate, clean and test all kind of seed no matter what specie it may be. I have given many years to the practical study of seed selection. When a mere boy, I worked with father, who, like myself, gave his life to this great problem. These problems I have solved, not because I am smarter than other men, but because I have given my time to seed selection. Every man has his hobby. My hobby is seed selection; I think it, talk it; preach it and dream about it. Whatever I have learned that's useful I willingly pass on to any person that is interested.

Back of every seed we sell there is honor. We buy them of seedmen who grow them and have a world-wide reputation for producing the highest grade seed that can be produced. How can you ever expect good crops without good seed? How could this country ever hope to whip a big European nation if we let weak, crippled, sickly men enlist in the United States army along with the able-bodied men? No General would consent to go to battle with an army that's half weaklings. Now you are a general—either as a farmer, gardener, truckman or florist. At your command we will furnish the soldiers that will win the battles for you; no sickly ones, no crippled ones, no traitorous ones that creep in among the strong; everyone a good, big, plump, sound one.

Bring in that seed book which you had sent you through the mails and compare our prices; we will duplicate all list prices, and then save you mail postage of 8 cents per pound. Our grain grader, cleaner and separator will be here next week. Come in and we will demonstrate to you the importance of its use. Think of it! A machine that at one single operation cleans, grades and separates grain perfectly! Just pour in your conglomerated grain dirt, dust, weed seed, etc., etc., and in less than you can say "Jack Robinson" out it comes—weed seed in one box, screenings in another box, chaff and dust all gone, and your big, fine, clean, graded seed all bagged ready for use—not a weed seed in it; every grain a good, heavy, clean seed. From such seed your crop will be the talk of the neighborhood for miles around. Thousands of farmers are getting rich sowing such perfect seed and the farmer that fails to use high-grade seed, free from imperfections, weed seed, etc., is the one that has no bank account, no credit and a mighty poor show on any farm in the United States, no matter how good the soil may be or how much or how little the rainfall may be.

Every high-grade farmer, every high-grade business man or woman in West Texas or New Mexico will endorse this new industry as being one of the best that has ever come to the planters of seed in Texas or New Mexico. We are onto our job and expect to "win" by helping you double your crop your bank account, and to make West Texas and New Mexico blossom as a rose

YEAR BOOK of Stark Bro's Nurseries & Orchards Co. MAILED TO YOU FREE

Just say on a Postal Card: "Send me a copy of Stark Year Book for 1913." In writing, also tell us how many trees, shrubs, vines, etc., you will probably want this season.
This Year Book is more than a mere catalogue of Stark nursery products, it is a manual, easy to understand text book for the guidance of the man who plants trees. It contains the own experience of nearly 100 years, the reports of experiment stations and the wisdom of planters from all sections are condensed and reproduced for the benefit of the people. An encyclopedia of orchard information, containing full size color photographs of gloriously tinted fruits and many photographic reproductions in black and white; also information on many subjects in which the orchardist is interested.
Hundreds of varieties of apples, pears, peach, plum, cherry, apricot, quince, and all small fruits are described; weaknesses of each variety are pointed out and good points are explained. We feel that planters should know both.
Those interested in growing fruits or flowers or shrubs or shade trees will find this book of inestimable value; totally different from the average nurseryman's publication. It is a book you will keep for reference, and one on which you can depend for absolutely accurate information. Write today for your copy.

Solved

Solved once for all by Calumet. For daily use in millions of kitchens has proved that Calumet is highest not only in quality but in leavening power as well—unfailing in results—pure to the extreme—and wonderfully economical in use. Ask your grocer. And try Calumet next bake day.

You don't save money when you buy cheap or big-can baking powder. Don't be misled. Buy Calumet. It's more economical—more wholesome—gives best results. Calumet is far superior to your milk and soda.

NOTICE OF PENDENCY OF SUIT
In the District Court of Roosevelt County, New Mexico,
Ada P. McNulty, formerly Ada P. Boswell, Plaintiff,
vs.
Gerard L. Bruner and Susan M. Bruner, Defendants.
No. 879.
To Gerard L. Bruner and Susan M. Bruner, defendants in the above entitled cause:
You will take notice that a suit has been filed against you in the District Court of the Fifth Judicial District of the State of New Mexico, in and for the County of Roosevelt, wherein Ada P. McNulty, formerly Ada P. Boswell, is plaintiff and you, the said Gerard L. Bruner and Susan M. Bruner, are defendants, said cause being numbered 879 upon the Civil Docket of said court.

The general objects of said action are as follows: The plaintiff demands judgment against you, said defendants, and each of you upon a promissory note executed by you on the 19th day of September, 1908, in the sum of three hundred & 00-100 dollars, with interest thereon at the rate of twelve per cent per annum from September 19, 1908 to date of judgment, and ten per cent additional upon said amount as attorney's fees, together with fifty-six & 34-100 dollars paid upon said land as taxes, and all costs of suit; also for a foreclosure of a mortgage deed executed by you and each of you and of even date with said promissory note upon the following described property, to-wit: The North half of the Northeast quarter and the Southwest quarter of the Northeast quarter, and the Northwest quarter of the Southeast quarter of Section twenty-eight in Township one North of Range thirty-three East of the New Mexico Meridian in Roosevelt County, New Mexico, said mortgage having been given to secure the payment of said promissory note; the plaintiff prays for the sale of said described property and for the application of the proceeds to the satisfaction of plaintiff's demand.

You are further notified that unless you enter your appearance in said cause on or before the 4th day of April, 1913, judgment by default will be rendered in said cause against you and the plaintiff will apply to the court for the relief demanded in the complaint.

G. L. Reese is attorney for the plaintiff and his post-office address is Portales, New Mexico.
In Witness Whereof I have hereunto set my hand and the seal of the said court this the 7th day of February, 1913.

C. P. Mitchell, Clerk.

NOTICE OF FORECLOSURE SALE

In the District Court of Roosevelt County, New Mexico,
Brass Hardware Company, a corporation, Plaintiff,
vs.
Mrs. W. A. McClain and W. A. McClain, Defendants.
No. 815.

Whereas on the 5th day of December 1912, the plaintiff in the above entitled cause recovered a judgment against the above named defendants in the District Court of Roosevelt County, New Mexico, with interest thereon from October 8th 1912, in the sum of two hundred sixty nine and 14-100 dollars, including principal, interest and attorney's fees, upon a promissory note executed by said defendants on the 21st day of November 1911; and

Whereas on the said date in said cause the court entered a decree foreclosing a mortgage of even date with said promissory note, executed by said defendants mortgaging to the plaintiff the Southwest quarter of Section Three in Township One north of Range Twenty-nine East of the New Mexico Meridian in New Mexico, and an order of the court directing that said premises be sold after due advertisement and the proceeds applied in the first place to the satisfaction of plaintiff's said debt, interest, attorney's fees and costs of suit; and

Whereas the court in said decree appointed the undersigned, George C. Deen, Special Commissioner for the purpose of making said sale, pursuant to said decree;

Therefore, by virtue of said judgment, decree and order of the court, I, the said George C. Deen, will on the 25th day of March, 1913, at the hour of 2 p. m., at the Northeast front door of the Court house in the town of Portales, New Mexico, sell said described property at public vendue to the highest bidder for cash, for the purpose of applying the proceeds of said sale to the satisfaction of plaintiff's judgment, interest, attorney's fees and costs of suit.

Witness my hand this 8th day of February, 1913.

Geo. C. Deen,
Special Commissioner.

CHILD'S WELFARE DAY
Continued from page one

results men and women must work together; to surround the childhood of the whole world with that loving, wise care in the impressionable years of life that will develop good citizens instead of law breakers and criminals.

All over New Mexico and all over the United States, Parent Teacher Associations are being formed because it is known that the best results for children must be brought about by the intelligent co-operation of parents and teachers.

We have one in Portales, a very earnest though small band of workers.

We are placing manual training in the school, using such money and material as we have, believing that if once a beginning is made the work will grow.

We need the presence and co-operation of every good citizen in this town at these meetings, which come every other Friday at the school house. We discuss questions of child life and parental responsibility which are of vital interest to us all.

If something about the school does not suit you, come and meet with us and by knowing the teachers and discussing with them your mutual problems better results can be obtained.

Every one interested in the children of Portales, your children or the children of others, is cordially invited and earnestly invited and solicited to come to these meetings. We want the fathers to come as often as they can. Give your presence, your influence and your goodwill to the Parent Teacher Association of Portales, and on Tag Day please give us as much money as you can, for it is the only day the Parent Teacher Association comes before the public during the year.

SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardui.

Meets, Va.—Mrs. J. C. Green of this place says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines until I gave up all hope of ever getting well."

One day, I decided to try some Cardui. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardui will do for sick women."

A few doses of Cardui at the right time will save many a big doctor bill, by preventing serious sickness. It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardui. Suppose you try it. It may be just the medicine you need.

N. B.—Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for special instructions, and 16-page book, "Home Treatment for Women," sent in plain wrapper, on request.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: J. C. HALL & CO., Toledo, Ohio. Sold by all Druggists, etc. Take Hall's Family Pills for constipation.

WEEK'S LAND DEALS

Several land deals were made this last week here. W. Latney Barnes of Amarillo bought 360 acres of the old H—ranch off west of town and will if he can find a suitable renter put water on all of or part of it.
Dr. Bailey bought another 320 tract off of the south side of the Wilson section east of town. Doctor will put this either under a separate plant or under one large hundred horse power for several places in the neighborhood.

A. G. Troutt traded Mr. L. E. Haydock 320 acres of fine shallow water land out east of town. The gentleman is from Iowa and will in all probability from his present thoughts put the place under water at once.
O. S. Strickland traded his patent churner patented by himself for a quarter section of shallow water land. Mr. Strickland is to be congratulated on having the ability to turn brains into money the way he has on this deal.

Just think of it, you can get a perfect made to measure suit for only \$14.00 at N. C. Landers & Co.
Lee Percifull, the deputy sheriff at Elida, was a business visitor last week.
A. A. Beaman, one of the regular Portales visitors from Elida was here last week.
The best cooks in town are baking those cherry pies for the Colonial dinner Saturday.

RURAL

CONUTY SCHOOL CONTEST

ORGAN AND GLOBES

Free **Free**

THE WAY TO GET THIS BEAUTIFUL ORGAN

With every subscription to the Portales Herald for one year at \$1.00 you will receive free the Great West Magazine published at Denver monthly the price of this magazine alone is \$1.50.

With every subscription to the Portales Herald for one year at \$1.25 you will receive absolutely free anyone of the books now advertised in the Herald by the Farm Journal and the Farm Journal monthly for 4 years. The price of the Journal alone is \$1.00.

Following are the votes each subscription is worth.

| | | |
|----------------------|--------|--------------|
| 1 years subscription | \$1.00 | 1000 votes |
| 2 years subscription | \$1.75 | 5000 votes |
| 3 years subscription | \$2.50 | 10000 votes |
| 4 years subscription | \$3.25 | 50000 votes |
| 5 years subscription | \$4.00 | 100000 votes |

The school sending in largest subscription list will receive the organ. Every school sending in ten subscriptions will receive an up-to-date globe. We are now on the eve of making the subscription list of this official county paper to include every family in the county and in order to do this we are going to give away on March Twenty-second, a handsome \$125.00 organ and a number of modern globes, besides a ten volume library. . . . The paper will carry all of the official news for the next four years and this alone is worth the price of it. We are also working up a staff of county correspondents and this assures news from all of the county. It will carry news of value to the farmer, both irrigation and dry land and will be a helper to him in many ways. We will also endeavor to carry a condensed page or half page of national and state news, thus giving the subscriber more for his money than ever before. Now if you want to help your school and community you can do so. Since the country is thinly settled it means that very few subscriptions will win the organ so get to work. If you don't intend to stay here very long you will want the paper sent where you go so don't fail to subscribe on that account. . . .

NOW IT IS UP TO YOU. IF YOU WANT THE ORGAN, WORK FOR IT

With every subscription to the Portales Herald for one year at \$1.00 you will receive free the Great West Magazine published at Denver monthly. The price of this magazine alone is \$1.50.

With every subscription to the Herald for one year at \$1.25 you will receive free anyone of the books now advertised in the Herald by the Farm Journal and the Farm Journal monthly for 4 years. The price of the Farm Journal alone is \$1.00.

Following are the votes each subscription is worth.

| | | |
|----------------------|--------|--------------|
| 1 years subscription | \$1.00 | 1000 votes |
| 2 years subscription | \$1.75 | 5000 votes |
| 3 years subscription | \$2.50 | 10000 votes |
| 4 years subscription | \$3.25 | 50000 votes |
| 5 years subscription | \$4.00 | 100000 votes |

Each teacher in the county will be supplied with subscription receipt books and each stub sent in from this book will be registered with the number of votes as shown. The teacher will hold a copy of this stub. The contest WILL CLOSE APRIL 1st, 1913. In the event of a tie, the tying contestants will be awarded an organ apiece, each organ to be exactly the same in value.

Following are the votes each subscription is worth:

| | | |
|--------------------------|--------|--------------|
| One years subscription | \$1.00 | 1000 votes |
| Two years subscription | \$1.75 | 5000 votes |
| Three years subscription | \$2.50 | 10000 votes |
| Four years subscription | \$3.25 | 50000 votes |
| Five years subscription | \$4.00 | 100000 votes |

HUMPHREY & SLEDGE

EXCLUSIVE AGENTS FOR DE LAVAL SEPARATORS

The Local Field

The Totten Company, giving their first performance in Portales, had one of the largest houses that any of the numbers of the lyceum course have had this year. Mr. Totten whom it seems has studied the art of magic quite a bit gave many interesting performances and tricks and though some of them were ones that had been seen by many before he gave some new and original ones that were out of the ordinary. The children were immensely pleased with the program and nearly a continuous round of applause heard from them.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers.

A letter was received by Carl Johnson last week from J. M. Rector, of Texas that his wife had died lately. Mr. and Mrs. Rector were well known out west of town and were well liked people. Mrs. Rector's health was bad while here and thinking that the change might do her good Mr. Rector turned his place here and went to South Texas. The people of Portales and vicinity give him their heartfelt sympathies.

Here is a message of hope and good cheer from Mrs. C. J. Martin, Boone Mill, Va. who is the mother of eighteen children. Mrs. Martin was cured of stomach trouble and constipation by Chamberlain's Tablets after five years of suffering, and now recommends these tablets to the public. Sold by all dealers.

Sam Osborn left Saturday for Clarendon, Texas. Sam will remain there until Wednesday and then return to Amarillo, there meeting his sister and mother who will accompany him to Pueblo, Colorado. Mrs. Osborn is going there for her health and it is hoped by their old friends here that the trip will do her much good. They have been residents of Portales ever since Portales was Portales.

Do you know that more real danger lurks in a common cold than in any of the other minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible. This remedy is for sale by all dealers.

John W. Ballou, an old timer here, and now at Elida, passed through on his way to Clovis last week. It is rumored that John is after one of the offices at Fort Sumner and we wish him good luck.

G. C. Brock made a business trip to Vaughn last week and returned Saturday, leaving Sunday for Clovis where he will in the future be connected with the clerical department of the Santa Fe road. Good luck to Mr. Brock and may he soon have as many friends at Clovis as he has here.

There is no better medicine made for colds than Chamberlain's Cough Remedy. It acts on nature's plan, relieves the lungs, opens the secretions, aids expectorations restores the system to a healthy condition. For sale by all dealers.

They strike us on the street and come to the office to subscribe for the paper and we want to say to one and all of you that we appreciate your kindness and loyalty in boosting your own paper. Write us a line and tell us what you think of it and where it could be changed for the better.

For a sprain you will find Chamberlain's Liniment excellent. It allays the pain, removes the soreness, and restores the parts to a healthy condition. 25 and 50 cent bottles for sale by all dealers.

Claude Anderson and wife returned to their home here Saturday. Anderson had been at Tioga visiting Mr. and Mrs. Rowland and daughter, while Claude had been flying around through Oklahoma and Texas. It seems that they are now satisfied and will make this their future home.

Trees. Write Aulne Nursery for trees to plant. I have them fresh from the ground.

Buy Direct and save all a round on all kinds of shade trees, roses and vines cheap. Mr. planter write me I have shipped many trees to Portales.

Aulne Nursery,
Aulne Kans.

R. P. Gayer of Tolar was a pleasant visitor at the office this week. Mr. Gayer is the old pen-pusher of the Tribune and says that newspaper work doesn't exactly agree with him just now so he has turned his interest over to Mr. King who will have charge from now on. We wish Mr. King the most luck in the world with his paper.

Bring your hides to the City Meat Market.

Honorable Jim Hall, was a Portales business visitor the latter part of last week. Jim is here quite often and is well liked in the diggin's.

Get bone meal for your chickens at the City Meat Market.

Mrs. A. B. Austin made a short trip to Clovis last week, returning Sunday. Mr. Austin is there in the grocery business and the editor surmises that she went up to see that he was keeping straight while away from home. We expect that he needs watching alright from what we know of him.

Miss Edith Reagan made a short trip to Clovis last week. She went to visit cousins who live there.

Jim Huffman is proudly contemplating the trip that he is to make in the next few days to Dallas and surrounding counties in Texas and Oklahoma. Jim is the delegate from the W. O. W. lodge, number 17, and will leave for Dallas as soon as he is relieved here at his pump work. He will go attend the meeting of the Woodmen at the above mentioned place and will as stated, go to several different places, visiting kinsfolks, friends and old neighbors. This is the first lay off that Jim has had in nine years.

Think Corhn Bros. when you think Insurance.

F. O. Martin, brother of Chas. M. Martin and who is well known to all the irrigation farmers, left last week to go to Wyoming. Frank came from there and has two other brothers up there, so will possibly settle down. If he decides not to stop there he will go on to Los Angeles, California.

Bring your hides to the City Meat Market.

The Mountain States Telephone and Telegraph company shipping in and unloading two cars of mammoth telephone poles to take the place of the poles that are now on main streets of the town. The lines will be moved to the alleys, thus improving the town to a great extent.

C. V. Harris has the best Stetson hats for the money.

Foreman Nelson of the contracting company who are putting in the new depot, was a Clovis visitor last Saturday and Sunday. He says that he will put more men as soon as material arrives and rush the work to completion as soon as possible.

Bring your hides to the City Meat Market.

B. A. Stafford Jr., left Tuesday for his home at Canyon, Texas. Mr. Stafford is the son of B. A. Stafford, the Latin professor and head at the West Texas State Normal. The town regrets to lose their young teacher.

E. E. Cadwallader, of Rocky Ford, Colorado, and the western agent for Crutchfield and Woolfolk, was a Portales visitor this week, coming in Sunday and leaving the last of the week.

Frank Myers, one of the county school teachers, made Portales a visit Saturday and Sunday. Frank is teaching out about Carter.

Jacob Buchsals of Eustis, Nebraska, is a prospector among us this week. He thinks that he will probably invest here if he finds what suits him.

J. P. Stone, who is interested in the bank at Elida, was an Elida visitor last week, remaining a day or so.

Frank Beach was a caller at the Herald office this week. Mr. Beach stated that he was glad to see a newspaper that had news in it if kept it up. We thoroughly agree with Mr. Beach and thank him as well as the others who are continuously calling on us and puffing us up.

ECHOES FROM RATON

After reading of so many people in our town who have cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The resident leaves no room for doubt on this point.

L. R. Berry, 344 Maxwell St., Raton, New Mexico, says: "Some time I suffered from rheumatic twinges bought on I believe by uric acid in my system. The trouble crippled me. Hearing of Doan's Kidney Pills, I procured a box and they brought much relief. I am sure that I will find permanent relief from my ailment, as the remedy has all already proven so beneficial."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agent for the United States.

Remember the name—Doan's—and take no other.

When you want your suit neatly cleaned and pressed—Phone N. C. Landers & Co. No. 7 and you will have their prompt and careful service. We also make a specialty of cleaning and pressing ladies skirts.

Remember "Auld Lang Syne Tea" at A. A. Williams February 25th.

Special mention should be made of the program of the singers and bell ringers who were here under the auspices of the Womans Club last week as they were evidently considered the best number that has been given on the program. The boys were fine in every respect and Portales will welcome them with a full house when they see fit to come here again.

W. W. Humble came in from a short trip last Sunday.

TEA

Will you come to the home of Mr. and Mrs. A. A. Williams to enjoy a social hour and a cup of tea with the Womans Home Missionary society of the Methodist church on February 25th? Afternoon 3:00 to 6:00. Night 7:00 to 10:30. Those songs our dear old grandmothers sang

In days of "Auld Lang Syne" We'll render the best we can To pass away the time.

And if perchance you feel inclined To help swell our parsonage fund, A free will offering we may have. T'will hasten the work that we've begun. Committee.

STALLION AND JACK OWNERS ATTENTION

We have in transit one of the most up-to-date lot of cardboards for stallion and jack breeders & owners that have ever been in Portales. Also fine cuts of horses, jacks and bulls and would be pleased to make prices on same at any time. We will guarantee you better prices and better work. Herald Printing Company.

CORRESPONDENTS

ATTENTION

In taking charge of the Herald we want all of people of the county to have the benefits of the paper and we want to and will make the paper a paper for the people and by the people. This paper will not stand for Elida more than it will for Portales nor will it stand for Portales more than it will for any other town or neighborhood in the county and the only way in which we can make the paper a paper for the people and by the people is for us to have correspondents over the county and in every community.

In order that we get good correspondents we have decided to make the following offer and the offer will hold good until every town and community in the county has been represented by a good booster from that neighborhood. We will furnish any person who shows their ability and aptness for the work with all of the necessary stationery and stamps for their work. We will also issue free to the parties so representing us the Herald for all of the time that they keep us in copy from their respective communities. Please state when you send in your first letter of notes whether you will write every week or every two weeks. Remember that the paper will come out on Thursday and if you want the news notes in on that week they will have to be in the office by Wednesday noon.

Acquaintance and Confidence

People doing business together, especially financial business, must have confidence in each other. You wouldn't loan money to anybody on ten minutes' acquaintance. Your confidence in people grows on acquaintance; it's the same with this bank. We want to be in position to loan money when needed to responsible borrowers. There is no better way to establish an acquaintance than to start an account with this bank. Now is a good time to begin.

KERMIT KLIPPINGS

Stock raising, dairying and egg farming are our chief occupations in this vicinity. The following persons are regular shippers of dairy products from Kermit: Henry Hardt, W. Z. Burton, Flavel Robeson, Geo. Boliver, Mr. Jaick and E. L. Long.

Mr. Hardt filled a small silo last fall and has found ensilage to be a great success as a milk producer.

Mr. Carl Graff of Portales was out to the Graff homestead recently.

Dave and Robert Warren have returned from Texas to take charge of their farms.

Mr. and Mrs. Walter Vanclve have returned from an extended visit to Oklahoma.

Mr. Gillispie, who has been visiting relatives here has returned to Oklahoma.

Dora Cox is in from Texas.

Mr. John Hobson and family, after an absence of two years have returned to their old home, expecting to remain permanently.

Mr. Luther D. Smith, accompanied by his sister, spent Saturday and Sunday with home-folks at Floyd.

Miss Elvie Long entertained a crowd of Kermit folks Saturday eve. Mrs. F. Robeson won the

greatest number of points in an interesting reading contest. Many piano and vocal selections were rendered throughout the evening. Chicken sandwiches, cake and hot chocolate were served.
