Amarillo Carpenter Talks.

Troubles Overcome Since Taking Orgatone (Argotane).

Orgatone (Argotane) certainly done me a lot of good and I am glad to make this statement, said J. J. Hanson of 607 North Johnson, Amarillo, Texas. Mr. Hanson is a well known citizen here and is employed as a carpenter.

"I suffered terribly from stomach and kidney trouble" he continued. "I had pains in my back that would go distracted and my kidneys gave me a great deal of trouble all of the time. I had a bad case of pleursey and that pain would hurt me so at times I could hardly stand it. I suffered greatly from headaches and would get so dizzy I would almost fall.

"I read so much about Orgatone I decided to try it, and it has helped me so much that I shall take the entire treatment. I began to improve right from the start, my stomach and kidney trouble does not bother me as it did, my kidneys operate with regularity, I don't have any headaches or dizzy spells now at all. My entire system is in better shape now than it has been for a long time. I am going to continue Orgatone (Argotane) until it completely restores and I know it will help anyone suffering as I did."

Genuine Orgatone (Argotane) may be bought in Dimmitt at the Dimmitt Drug Company
