COLLINS

RANGER COWBOY Cody Bradford was named all-around champion of the Junior Rodeo held in Coleman last week. Entering the events of bull riding, breakaway roping, pole bending and boot scrambling, Cody was presented the all-around belt buckle, a buck stitched bridle and Lee riding pants. He won 116 honors in the Baird Junior Rodeo earlier this month. Our congratulations!

DURING A VISIT in Abilene last week, Mrs. L. L. Bruce accompanied daughter Dorothy Jean Thomas on a tour of "Rosetyne" a landmark home at 1910 N. 3rd St. The home is being restored and furnished with Victorian antiques. Open to the public for only three days, Mrs. Bruce considers herself most fortunate in being able to make the tour.

DUE TO the holiday on Monday, Sept. 1, Royal Neighbors will postpone their meeting until Monday, Sept. 8.

CAMILLE CAME near to the homes of ex-Rangerites. Mrs. Zora Lea Hughes reports that her son, Ray, and family were able to stay in their home in Biloxi, Miss. Mrs. Gorman Morton talked with her daughter, Mrs. John L. McKelvin in Gulfport, Miss. They were not forced to evacuate and their property, as well as the Hughes home, suffered only minor damage.

RANGER RAINFALL of 20 inches on Monday afternoon was enjoyed alike by humans, crickets and thirsty flower beds. While "just a sprinkle" compared to Lake Leon's reported, four inches, it was most welcome. Lightning is blamed for the fire which destroyed a vacant house in the Lone Cedar area on Monday evening. Some summer flower beds have been converted into turnip patches and we can almost hear the cheer of the horde of grasshoppers as they anticipate a nutritious meal within the near future.

Final Rites for J. F. Davis, 79, Held Monday

J. Frank Davis, 79, a native of Ranger, died Sat., Aug. 16 in Terrace Garden Rest Home where he had been transferred from Midland Memorial Hospital following treatment for a broken hip.

Final rites were held on Monday, Aug. 18 in Neekie Funeral Home Chapel with burial in Rest Haven Gardens in Midland.

Born Oct. 2, 1879 in Ranger, he was the eldest son of the late Mr. and Mrs. C. S. Davis. In 1917, he married Bernice Brewer of the Merriman Community. He had lived in Strawn, in Big Spring where he operated a grocery store and in Midland where he operated a washateria until ill health forced retirement.

Survivors include his wife of Midland; two daughters, Mmes. Lee Dalberry of Midland and Charles Roberts of Andrews; three brothers, Howard of San Antonio, Robert (Bob) of Abilene and Charlie of Fort Worth; three sisters, Mrs. Bess Reynolds and Miss Bonnie Marie Davis, both of Ranger, Mrs. Robert Bigham of Strawn, and Mrs. C. R. (Addie) Martin of Osceola, Mich.; three granddaughters, one great-granddaughter and a number of nieces and nephews.

Strolling thru Files of The Ranger Times

King football ascended to the throne in Ranger in 1929. Competition was keen and scores were close in the Oil Belt District. Special trains carried hundreds of fans to out of town games and Boyce House wrote vivid and thrilling accounts of activities.

There were 144 births and 59 deaths in Ranger during the first nine months of the year. Car wrecks were frequent and often fatal. Funerals held in homes of the deceased or their friends were not uncommon.

Scott Store came to Ranger, the Chamber of Commerce sponsored a tree planting project, high school honor rolls appeared in the Times and

Rev. Batchelder Is Visiting Pastor At Second Baptist

Rev. Richard Batchelder, a student in Southwestern Baptist Theological Seminary, Ft. Worth, was in the pulpit for both morning and evening services at Second Baptist Church on Sunday, Aug. 24.

Rev. Batchelder will be with the congregation again this Sunday, coming in view of a call to the pastorate of the church.

Members are urged and visitors are cordially invited to attend these services, according to a spokesman for the group.

Funeral Services Held Tuesday for A. N. Bradford

A. N. (Brad) Bradford, 72, resident at 325 Pine St., died at 6 p.m. Sunday in Ranger General Hospital following a long period of ill health.

Funeral was held at 4 p.m. Tuesday in First Baptist Church with the pastor, the Rev. Avery J. Sullivan, and the Rev. B. Thomas Tribble, pastor of First United Methodist Church, officiating.

Burial was in Mount Zion Cemetery with Robert Bradford, Don Bradford, Lloyd Howton, Norman Lawler, Ben Yung, Jr., G. V. McGowan, Joe M. Stiles and Vernon (Chick) Brown serving as pallbearers.

Born Aug. 9, 1897 in LaCasa, he married the former Minnie Taylor Dec. 19, 1920 in Ranger. He was a retired oil field worker, farmer and rancher. He was a member and deacon of Ranger's First Baptist Church.

Survivors include his wife; one son, Albert J. of Allendale, N.J.; one sister, Mrs. A. E. Howton of the LaCasa Community; two grandchildren, Paul and Joyce Bradford of Allendale and a number of nieces and nephews.

Final Rites for A. B. Denman, 62, Held Saturday

A. B. Denman, 62, a resident of Fort Worth for 45 years, died at 2:45 p.m. Thursday at his trailer home on Lake Leon following an apparent heart attack.

Funeral was held at 2:30 p.m. Saturday in the Little Church of the Chimes in Fort Worth with burial in Laurens Cemetery under the direction of Killingsworth Funeral Home.

Born March 19, 1907 in Lamkin, he married Mrs. Lucille Chauder Aug. 30, 1946 in Fort Worth. He was a retired airplane mechanic for General Dynamics and was preparing to make his home at Lake Leon. He was a member of First Christian Church.

He is survived by his wife; a step-son, L. B. Clauser of Ft. Worth; a step-daughter, Mrs. W. A. Jones of Denton; three brothers, A. C. Denman of Ft. Hancock, Alston Denman of Odessa; three sisters, Mmes. Angeline Morgan of Odessa, Tom Neeley of Sierra Blanca and Alma Ruth Moss of Dallas and four grandchildren.

Halloween was celebrated with a midnight parachute jump by one of world fame, carrying flaming torches.

"Hard Times" as such was not mentioned but extra effort on the part of merchants was noted. The Times joined the ranks by offering the paper one year for \$3.65 (one cent per day) during one special sales drive. A drop in the price of crude oil was mentioned and drastic reductions in food prices was mute testimony that the town was not on a financial boom. For instance, we quote these prices:

Cigarettes, all brands, pkg. 12c; carton, \$1.14; five lbs. yams, 14c; bananas, doz. 14c; sugar, 10 lbs., 57c; chuck roast, 19c lb.; round steak, lb. 29c; cocoa, 2 lb. can, 29c. Strange as it may sound, the price of Jellio was about the same then as today.

It was a cold winter in 1930, but with the late Boyce House as editor of Ranger Times, the paper carried the warmth and homey friendliness that cheered even the many people who sustained injuries on icy pavements.

The popular expression "pour it on" was frequently heard and seemed to be what the manufacturers of "corn squeezins" were doing from the number of skills confiscated in the county that year. A county total of 109 marriages and 68 divorces for the first seven months is proof that there has always been blisters in wedded bliss.

The Times carried such human interest stories as the progress of a local marathon "tree sitter," a pep rally at 5:30 a.m., the 85-car Chamber of Commerce Goodwill Motorcade, performances of Ranger's Chestnut-Smith, Tickville and High School Bands and the Lions Club debate as to the existence of Santa Claus.

A benefit football game netted \$628.00 for Christmas benevolence. To this was added the "potato matinee," a "toy show" and individual contributions to supply holiday cheer for 150 families.

"By The Way," caption of the editor's column, contained both food for thought and nourishment for the funny bone. Groceries were offered at very low prices but the price of cream cheese remained stable—23c per pound.

Jesse Smith, 76, Buried Tuesday In Ranger Rites

Thomas Jesse Smith, 76, former longtime resident of Ranger, died early Saturday morning in Eastland Memorial Hospital following a sudden illness.

Funeral was held at 10 a.m. Tuesday in Killingsworth Funeral Chapel with Odd Fellows graveside rites in Evergreen Cemetery. Active pallbearers were J. B. Shockey, C. L. Dinesmore, E. M. Simpson, Will C. Poston, Lee Dublin, Ted Hamilton, Monroe Blackwell and M. A. Choate.

Born Dec. 17, 1892, he married the former May Morgan Wilkes who preceded him in death March 21, 1956. In 1957 he was married to Lena E. Kincaid. He was a retired engineer for Lone Star Gas Company in Ranger and had lived in Eastland for the past 12 years. He was a member of First Christian Church of Eastland and of Ranger Lodge 350 of the IOOF.

Survivors include his wife of the home; one son, Jesse LeRoy Smith of Tripoli, Libya; a daughter, Mrs. Ella Mae Gama of Beaumont; five grandchildren and three great-grandchildren.

WAYNE BOONE RECEIVES DEGREE

Wayne Boone, son of Mr. and Mrs. Troyce Boone, received the Bachelor of Science Degree in Business Administration during commencement exercises of East Texas State Teachers College in Commerce on Friday, Aug. 22.

Mr. and Mrs. Boone attended graduation exercises.

JOE SHELBY SCOTT

Joe Shelby Scott Is Participating In Hockey Clinic

Joe Shelby Scott, son of Mr. and Mrs. Joe B. Scott, is attending the Summer Hockey Clinic in Ft. Worth, conducted at the ice arena in Will Rogers Coliseum. The ten-day program is sponsored by the Ft. Worth Hockey Association, and includes advanced hockey instruction both on and off the ice. Ft. Worth wings coach, Doug Barkley as well as several wings stars present daily instruction to the young hockey players.

Joe Shelby's team is on the ice from two to five each afternoon and will compete in the final clinic game on August 31.

Three hundred hockey students are participants in the program.

Miliard Herweck Receives Army Discharge

Miliard Herweck, Jr., son of Mr. and Mrs. Miliard Herweck, has completed a three-year tour of duty with the U. S. Armed Forces and received his discharge last week, arriving in Ranger on Saturday.

Mr. and Mrs. Herweck will reside in Stephenville where he will be a senior student at Tarleton State College. Miliard Herweck, Jr. will continue duties as a member of the nursing staff of Stephenville Hospital.

Richard L. Herweck, son of Mr. and Mrs. Miliard W. Herweck, received the bachelor of business administration degree in industrial management.

School Enrollment Reaches 636 With Early Registration

Enrollment in the Ranger Public Schools is expected to top May's enrollment by 16 the first week of school and by 20 the second week with an expected first day's enrollment of 636.

The greatest increase is expected in the junior-senior high school building where more than 15 are anticipated over last May.

Hodges Oak's first three grades are expected to enroll about last May's enrollment of 60, 57 and 59 for a total of 176. This does not include about 30 expected in the Kindergarten taught by Mrs. Bruce Golemon.

Young Elementary, housing grades four, five and six, is expected to enroll 165 or three more than last May when they had 62, 50, and 52.

Four Ranger Students Receive Degrees at NTSU

Four Ranger students were among 1,244 students from 37 different states receiving degrees at Summer Commencement Aug. 22 at North Texas State University.

The degree recipients comprised the largest graduating class in the university's 79 year history.

Ranger students awarded the bachelor of science degree in physical education were Lynn Douglas Browning, son of Mr. and Mrs. Thomas L. Browning; Johnny Camacho, son of Mr. and Mrs. Johnny Camacho, and Arthur Mendoza, son of Mr. and Mrs. Paschall M. Mendoza.

Richard L. Herweck, son of Mr. and Mrs. Miliard W. Herweck, received the bachelor of business administration degree in industrial management.

The junior-senior high school expects 295 compared with 280 in May. The expected enrollment in the upper six grades is 57, 45, 56, 47, 46, and 44.

About one-third of the fall enrollment had already registered and filled out information blanks as of Tuesday.

Supt. James R. Clark reported. He hopes more will report before the first day of school Tuesday so as to avoid standing in a long line to register.

All students, even though they were in the Ranger Schools in May, should register this week, Clark said.

Under the old formula of allotting teachers to districts Ranger would have lost one classroom teacher unit due to two students being absent daily. Even though the formula for 69-70 has been changed and teachers are now allotted based on current average daily attendance which means

the district really does not know how many teachers the State will pay the salary of until next May.

Poor attendance or an epidemic could cost the district the salary of one teacher which could be nearly \$6,000 or more depending on degree and experience.

The schools will call parents daily when students are absent, Clark said, so that the school will know why they are absent and so that the parent will know that they are absent in case they did not know. Principals are required to check on all absences, Clark said.

25 Students Will Transfer Into School District

The Ranger Public Schools will transfer 25 students into the district Aug. 14 out for a net gain of 11 students according to transfers now approved. Only emergency transfers may be made now and the State recognizes few reasons for emergency transfers.

Twenty-three are transferring in from Breckenridge. They are: Debra, Gene, Jo Ann and Linda Bibby; Betty Jean, Carla Sue, John Thomas, Kathy Mae, Frances, Raymond Lee Casey;

Cecil Kay, Joh, K. C., Melissa, Robert, Ruth E. and Ron Jones; Nancy L., Peggy A. and Ricky A. Thompson; Riekey Williamson and Jimmy Don Wilson.

Transferring in from Olden is Mary E. Hodges. From Gorman comes Christy Edwards and from Eastland, Kenneth Caskey.

Leaving Ranger for Breckenridge are Jeri L., Mark A., Penelope D. Stephen W. Dornsey and Eddie M. Wesley.

Transferring to Olden are Starr McGee, Julia Ann Moseley, Mary Elaine and William W. Moseley; Fred D. Phillips, Charlotte Rogers, Jenny Lynn and Johnny W. Stewart; and Kathy Vann.

It is doubtful that the State will approve any transfers after the July 15 deadline although they will if an emergency exists.

Funds provided in his work in 1949 through the Southwestern Peanut Growers' Association supplemented state research funds and contributed substantially to his success. At the present time the Texas Agricultural Experiment Station is able to budget only a few hundred dollars for peanut research in Texas. An effective state wide grower

will be installed. Miss Sandy Chappell of KRBC television in Abilene, will be mistress of ceremonies. Background music and musical programs will be provided by Sergeant Clo Lewis and Orchestra of Abilene.

The pageant is under the direction of Mrs. C. J. Douglas of Abilene, who has worked with the Miss Abilene and the Miss Texas pageants for a number of years.

60 Baptists End Study Course

More than sixty members of First Baptist Church participated in a study course conducted Aug. 18-25.

Directed by Mrs. Ruby Springer, Training Union Director, two books were studied — "People Who Care" by C. W. Brister and "Is Christ For John Smith," a study in cases and how to win one to Christ under certain circumstances and different attitudes.

Teaching the book "People Who Care" were Mmes. Springer, J. B. Houghton, R. V. Robinson, W. A. Lewis, Polly Alexander and Phil Preslar.

Three situations from the text "Is Christ For John Smith" were discussed: Monday evening by James Clark and R. V. Robinson; Wednesday evening by J. R. Hunt and Rev. Avery Sullivan and Friday evening by Mr. and Mrs. Preslar.

Those attending felt the two books blended in purpose and teachings of Christ, and that the time was well spent.

Need for Voting 'For' Peanut Check-off Cited

Peanut grower leaders in pointing to the need for a self assessment plan on peanuts so badly needed in the overall research effort.

Many of the state's grower leaders point to an equal need in the area of promotion. They cite the never ending criticism of farm price support programs by city Congressmen and others. They view the proposed assessment program as a vehicle whereby peanut growers can help themselves by effective promotional efforts to increase both domestic and export markets for peanuts thus lowering the cost of the peanut price support program.

The fact that Texas is the only major peanut producing state in the nation not involved in a self help program is also of concern to grower leaders. They have observed successful assessment plans in operation in Virginia, North Carolina, Georgia, Alabama, New Mexico, Oklahoma and Florida.

Texas is currently the second largest producer of peanuts in the United States. Georgia ranks first in production.

Texas' peanut producers will vote on an assessment of up to \$1. per ton on an assessment in a referendum to be held between Sept. 9 and 24. Voting will be by mail ballot. At the same time growers will elect a 9-member board of directors to administer the funds collected. In order for the assessment plan to become operative about \$80,000 annually for peanut research in Texas. An effective state wide grower

will be presented in formal and in swimwear. Each girl will speak two minutes on "The Peanut Industry in My County."

Saturday night, the girls will be presented wearing formal and each girl will give a program in talent competition. Pageant trophies will be presented to each contestant and Kernel Gene Baker of Gorman will present the "Miss Congeniality" trophy. The Queen will be crowned by a representative of the National Peanut Council and will be honored at a private reception following the pageant. She will receive a \$500 scholarship to the college of her choice and will travel throughout the next year, representing Peanut Growers and Shellers.

The Clo Lewis Orchestra will appear both nights of the pageant.

Richard Rossander, chairman of the pageant, said the trophies are on display at the Eastland National Bank. Tickets to the pageant may be purchased at local Chamber of Commerce offices or at the door of the theater. Dick Dixon is serving as advisor for the event and Larry Rollins has charge of the press party at Lone Cedar.

I can do all things through Christ which strengtheneth me.—Phil. 4:13.

I have learned the wondrous secret. To His own revealed at length. And it is, "I can do all things. For Christ Jesus is my strength."

This tractor-trailer rig overturned on the slick highway about a mile west of Eastland Wednesday morning at 9:45. One of the truck drivers was pinned in the cab for about 40 minutes. Both drivers were taken to Eastland Memorial Hospital in undetermined conditions, but observers at the accident did not believe that either driver was critically injured.

Rev. and Mrs. J. Thomas Hickman Honored on 50th Anniversary

The Golden Wedding Anniversary of Rev. and Mrs. J. Thomas Hickman was observed at a reception held in the Community Club House from two to four o'clock Sunday afternoon, August 24.

Hostesses were Miss Effie High and Mrs. Irene Finley, sisters of Mrs. Hickman and Mrs. Jack Tomlin and Imogene Lane, niece of the sisters, assisted by Misses James Lee, Dee Hill, Bessie Winnegar, T. L. Browning, Walter Henry and W. A. Gray.

Mrs. James Lee registered guests in the beautiful white wedding book.

The honoree's table was laid with a floor length cloth of gold net over gold satin. A gold vase held a pyramid arrangement of mums in shades of gold and bronze. A miniature bridal couple stood beneath an arch atop the three-tiered white cake which was artistically adorned with gold and white confection roses.

The serving table was covered with a white linen cloth, trimmed with gold ribbon bows. Appointments were china and silver. Hostesses served cake, frosted punch, salted nuts and mints.

For the occasion, Mrs. Hickman was wearing a frock of green faille. Her corsage was of bronze mums surrounded by one-dollar bills.

Gifts were displayed on long tables and admired by friends who called during appointed hours. The guest list included several out of town relatives and friends.

PERSONALS
After spending the summer vacation with his parents, Gerald Dempsey has returned to his duties at Maryland School for the deaf in Frederick, Maryland.

Mr. and Mrs. Billy Ray Elder, Steve and Kathy of Midland; Mr. and Mrs. Sammie Elder and Clay of Fairview, Okla. visited their parents and grandparents, Mr. and Mrs. J. W. Elder this week.

Mr. and Mrs. Mildred Herweck, Mary Ables and Mrs. J. D. Johnson were in Denton on Friday evening to attend graduation exercises during which Richard Herweck was awarded the Bachelor of Science degree.

Mr. and Mrs. Cecil Greenhill and family of Russellville, Ala. were recent guests in the home of Mr. and Mrs. J. W. White. The group enjoyed a vacation trip to Ruidosa, N. M.

Something for everyone, but please register ahead of time. Contact Pinky "La Velle" Jobe, Gorman, phone RE-4-2265. **72**

BRIEFLY TOLD

Visiting in the home of Mrs. Mr. and Mrs. Darrell Davis and Ruby Springer over the week-end of Aug. were her nephew, Capt. and Mrs. A. H. Balch and children, Patricia, Karen Sue and A. H., III of Washington, D. C.; nieces Mr. and Mrs. J. A. Nunley, Jr. and son, Martin of Lubbock and Mr. and Mrs. C. R. Smith of Dalhart; her brother and wife, Mr. and Mrs. Leroy Stone of Wichita Falls; Mr. and Mrs. George H. Prairie; Miss Margaret Smith of Houston and Mr. and Mrs. Cecil Roberts of Abilene.

Mr. and Mrs. C. B. O'Steen have returned from a month's tour of Alabama, Tennessee, Georgia and Florida and were privileged to attend family reunions. Hurricane Camille prevented their visiting in Biloxi, Miss. and Mobile, Ala.

Dick Brashier returned Wednesday from a visit in the home of Dr. and Mrs. Marshall Jolly and family of Midland.

Tom Brashier has joined friends for a camping trip in Colorado. The group will visit Salt Lake City, Utah and other points of interests and return home this weekend.

L. and Mrs. Arie C. Britt and Mr. and Mrs. A. C. Britt visited in the homes of Mr. and Mrs. Walter Henry and other relatives during the weekend. L. and Mrs. Britt were enroute to Cheyenne, Wyo. where he will be stationed.

Recent guest of Mr. and Mrs. Walter Henry was their nephew, Robert Henry of Odessa. The trio went to Fort Worth for a visit with James Henry and enjoyed a ball game featuring the Dallas Cowboys.

Weekend guests of Mr. and Mrs. C. A. Strong were Mrs. Theola Starkey of Monahans, Mrs. Sylvester Brierton of Santo, Mr. and Mrs. Michael Mays of San Antonio and Mrs. Jas. Berry of Denton.

Weekend houseguests of Mr. and Mrs. W. M. Brown were

Mrs. George Robinson enjoyed a three-day visit last week in the home of Mrs. Perry Pitman of Archer City.

Misses Phil Preslar, Larry Hunt, Avery Sullivan and J. B. Houghton are in Waco at Baylor University.

Mrs. A. B. Halbert and daughters are in East Texas for a visit with Mr. Halbert's parents.

54 YEARS IN THE MAKING

More than a half century of dedication to the mechanics of peanut harvesting are behind this Lilliston 1500 Combine. The results are the highest possible harvest profits—a fact solidly backed by every farmer who owns one. This is the finest machine ever built to get the nuts off the ground. Put it to work for you—and clean up.

LEAVE THEM PERFECT FOR COMBINING
THE LILLISTON 2700 DIGGER-SHAKER-WINDROWER

out-windrows them all, out-leasts them all. The quietest, slickest, smoothest-running shaker in the field will help bring you the highest in peanut harvesting profits.

RED HOT HEATING SALE

IT'S A HECK OF A SALE!

September 2nd! That's when our big RED HOT HEATING SALE kicks off... with savings of up to 15% on modern gas central heating. You already know that gas heating is economical heating... just 1/3 the cost of heating electrically... Well, starting September 2nd, it's more economical than ever. Install during the Red Hot Heating Sale and save up to 15%. 25% off, if you also install a chill water coil (your first step toward reliable gas air conditioning). Call Lone Star Gas or any participating gas heating contractor... during the RED HOT HEATING SALE.

Lone Star Gas

The Gordon Spot

By DEE GORDON
County Agricultural Agent

Peanut producers all over the county are having a lot of trouble with the lesser corn-stalk borer in peanuts. I found the insects in 18 of the 20 fields checked last week. They seem to be doing more damage in dryland fields, but are also found in some irrigated peanuts.

Best control has been obtained with Diazinon or Parathion applied to cover the lower stems and a band of soil 6 to 8 inches wide on each side of the row.

Plans are being made for the annual fall pecan tour September 12. A committee of the Eastland County Pecan Grow-

ers Association has been at work making plans. This committee composed of Ben Freeman and Chester Marra of Ranger, A. D. Ellington of Cisco, and myself, visited several orchards last week. It was decided that three orchards in the Gorman area and Marra's orchard would be visited on the tour. Some of the best pecan crops found were in the Gorman area. Overall pecan production will be low this year. Growers in this county expect only a 20 percent crop this year.

This is the time of year that the hickory shuckworm and the pecan weevil begin doing damage to the pecan. The shuckworm causes the shucks to turn black and failure to turn loose of the pecans. For best control of the shuckworm the trees should be sprayed in late August with Guthion.

The pecan weevil lays eggs in the pecans. These eggs hatch into grubs which eat the kernel and then emerge leaving a little round hole in the pecan. They can be controlled by spraying with Sevin in early September.

Several meetings are being held in Eastland County to inform peanut growers of the proposed "check-off" plan that growers will be voting on in September. About 35 growers attended a meeting in Rising Star August 21 and heard Ross Wilson explain the plan. If anyone has questions concerning the plan that growers will be voting on between September 9 and 24, I will be glad to discuss it with them.

Trees and shrubs, like humans and livestock, are being affected by the continuing dry and hot weather.

The most common symptom of drought injury to trees & shrubs is the dying around the margin of leaves with the dead area progressing into the leaf and causing dying of leaf tissue between the veins toward the mid-rib.

A deficiency of water affects the marginal leaf tissue most, as compared with other parts of the plant. If prolonged, the lack of soil moisture results in the death of feeder roots. When this happens, recovery of the plant to normal condition is slow.

Beautiful shade trees add much to the comfort and pleasure of the home, but they do need attention. Now is one of those times when water and attention may be necessary to pull them through.

Now You Can Afford The Encyclopedia

Your Family Can't Afford To Be Without...

**LOOK THAT UP IN YOUR
OWN FUNK & WAGNALLS!**

FUNK & WAGNALLS *Standard Reference* ENCYCLOPEDIA

There is so much you and your child need to know in this complex world... history, nature, geography, and science. Authorities agree that the best source of information on a vast array of subjects is a good encyclopedia available for ready reference in your own home.

The famous Funk & Wagnalls Standard Reference Encyclopedia is the answer to this need... 7,000,000 words, 30,000 subjects, thousands of pictures, maps and charts, all in 25 handsome volumes. Prepared with the help of hundreds of outstanding authorities yet simply and clearly written for every member of the family.

RECOMMENDED FOR HOME AND FAMILY USE...

Review of The Reference and Subscription Books Review Committee, The American Library Association.

"Because of its wide coverage of information in factual and clearly written, well-illustrated succinct articles, and because of the convenience of its lightweight yet durable format, Funk & Wagnalls Standard Reference Encyclopedia is recommended for the purpose for which it is intended, that is, as a brief reference set, especially for home and family use." Complete review on request

NOW AT A PRICE YOU CAN AFFORD. There is no need to spend hundreds of dollars on an encyclopedia. Now this famous encyclopedia in 25 fact-filled volumes is available at only \$1.69 per volume at all of our stores. Pick up your first try-it volume for 9¢ with a \$3.00 purchase. Show it to other members of your family. Then complete your set by including a volume or two a week when you do your shopping.

LIMITED TIME OFFER. Through our arrangement with the publishers, we will be offering the distinguished Funk & Wagnalls Standard Reference Encyclopedia for a limited time only. Don't miss this great opportunity!

Sermon Topic Is Announced

"Christ Jesus" is the subject of the Christian Science Lesson-Sermon for Sunday, August 31. It includes these verses from Philippians: "Let this mind be in you, which was also in Christ Jesus; For it is God which worketh in you both to will and to do of his good pleasure."

Services, which are open to all, will be held at First Church of Christ Scientist, Corner Lamar and Plummer Streets, Eastland, at 11:00 a.m. A passage from Science and Health with Key to the Scriptures by Mary Baker

Sue Simmons, Gorman.
Lillian Dawson, Cisco.
Clydine Johnson, Cisco.
David Glazner.
Dorthis Easter, Cisco.
Jack Adams, Olden.
Tom Grisham, Rising Star.

44 Traffic Deaths Expected in State Over Labor Day

Gov. Preston Smith today offered four suggestions to motorists planning trips over the Labor Day holiday weekend. Noting that traffic will be heavy, the Governor urged all drivers to "stay within established speed limits, avoid fatigue, avoid drinking if driving, and drive defensively."

"As your Governor, it is my responsibility to lead our state efforts in traffic safety. I urge all Texans and visitors who will be driving this weekend to use utmost care and good judgment," Smith said. The Labor Day holiday will

officially begin at 6 p.m. Friday, Aug. 29, and run through midnight Monday, Sept. 1. During this time, the Texas Department of Public Safety estimates that 44 persons will be killed in traffic mishaps in the state.

Col. Wilson E. Speir, director of the Department of Public Safety, joined the Governor in urging all motorists to obey the law. He noted that the DPS would have all available uniformed patrolmen on duty over the holiday weekend in a special "Operation Motorcade."

"We will make full use of man power and equipment to control the unsafe driver," Speir said, "and will begin full implementation of the new implied consent law at midnight the morning of Sept. 1." The implied consent law

provides that drivers suspected of driving while intoxicated may have their driver license suspended if they refuse to take a breath test to determine intoxication.

Gov. Smith pointed out that "our highway system is second to none in the nation. Our highways are meant to be enjoyed and to be used."

"We can enjoy our highway travel this weekend and we can travel safely, but this is up to every individual behind the wheel," he said.

Both the Governor and DPS Director Speir urged Texas motorists to adopt the slogan "Drive to Stay Alive" as their personal motto.

County Bond Sale Tops \$10,438

July 1969 sales of United States Savings Bonds and Freedom Shares in Eastland county totaled \$10,438, according to a report from H. M. Fentress, Area Chairman. January thru July sales totaled \$209,627 and this is 70 per cent of the 1969 goal of \$300,000.

"Bond holders should be aware of two facts and give consideration before redeeming for non-emergency or planned purposes," Chairman Fentress stated.

"One - accrued interest on bonds must be declared on Federal Income Tax returns in the year Bonds are cashed

and, two, The Department of The Treasury has proposed to Congress a new higher rate of 5 per cent on both E and H Bonds retroactive to June 1, 1969. The 5 per cent rate would also apply to all outstanding bonds," Mr. Fentress said.

"People should remember, too, that Savings Bonds are sold to be redeemed so there's a steady rate of redemptions at all times for emergencies, planned expenditures, and education and retirement purposes. In addition the unique tax advantages of U. S. Savings Bonds make them especially attractive when fully understood by the bond saver."

"The \$52 billion outstanding is a major brake on inflationary forces and represents 23 per cent of the publicly-held portion of the Fed-

eral debt," Mr. Fentress said. Texas sales during the first seven months of 1969 totaled \$104,261,845 — a decrease of 2.4 per cent from 1968 when sales were \$106,830,122. Sales during the month totaled \$15,058,788 compared to \$15,862,130 during the same period of 1968.

Nationwide, investments of United States Savings Bonds were 3 per cent below a year ago for the first seven months; however, July investments set a 13-year record for the month, totaling \$419 million.

Rev. and Mrs. Robby Hobbs and sons of Lone Star were Saturday guests in the home of Mr. and Mrs. Walter Mitchell.

Mr. and Mrs. D. B. Allsup and daughter, Brenda, have returned from a visit with her brother, Carl M. Roper and family of Clouckroft, N. M. Mrs. Allsup's parents, Mr. and Mrs. Earl Lopez of Atlanta returned with them for a visit.

Miss Brenda Boney, daughter of Mr. and Mrs. Jack C. Boney of Lancaster, visited in the home of her grandparents, Mr. and Mrs. Dave Boney of Ranger.

She also visited her great-great-grandmother, Mrs. Lillie Dempsie.

Brenda is the Grand Representative from Ohio to Texas for the Grand Assembly of Texas, Order of the Rainbow for Girls. She has visited several assemblies in West Texas and around Dallas this summer, and will visit Ohio next year.
