MANY HOUSEHOLDS are experiencing that real quiet and lonesome feeling that comes when sons and daughters go away to college. Peggy TheBerge feels keenly the absence of daughter Rita and son, Ricky, both now enrolled at the University of Texas. Rita is majoring in journalism and Ricky has chosen radio, TV and film. . . Over in Abilene, Joyce Falls continues her education at Hardin-Simmons University . . . Texas Tech is the choice of Steve Campbell who receives the Times at Weymouth Hall. With sending the Times to these, we include our best wishes for a "Straight A" grade, acceptance into the best clubs and memberships in the college "Hall of Fame."

GOOD FOOD is but one of many fine features of our community — and if you believe that everybody goes home for lunch, just drive past the several cafes and note the crowds waiting to be served. If time permits, go in and observe the satisfied expressions on the face of diners; better, still, try some for yourself. You'll be amazed at it's "home-cooking" goodness and modest price.

NOW THAT the United Fund is doing it's thing to foster worthwhile projects, from individual to state level, no one is without opportunity to prove that "it is more blessed to give than to receive." . . . It's always "coffee time" at Rexall Drug where friends meet for their favorite brew; always hamburger time at Gholson Coffee Shop and Frigid Queen where youngsters and oldsters alike dare to eat onions and be socially acceptable; always washday at Kitty's Snowwhite Laundry where, around the clock, area housewives, college students and tourists pause to do laundry. Yes, our town has some little-bitty petty prejudices, some isms that should be 'was-'ms', but over, under, and around it all, there is something about living in Ranger that makes residents remain and ex-residents desire to return.

LAST WEEK TO JOIN IN JAYCEE 'PRAYER IN SPACE' CRUSADE . . .

N.A.S.A. Director In Care of Ranger Jaycees P. O. Box 41 Ranger, Texas 76470

I just wanted to write you a short note expressing the fact that I have no objection to the astronauts of the future being granted the right to read aloud from the Holy Bible while in the midst of a space mission.

It is my opinion that to deny this privilege would be in direct conflict with our democratic way of life. Rather than continue to negate a means of spiritual inspiration in areas of public life, we would hope for the basic freedom of each individual to worship if he chooses.

Thank you for considering this letter.

Sincerely,
