

Bootleggers are reported to be outselling legal liquor dealers two to one. In the days of prohibition, the bootleggers were simply out selling.

VOTES TAKEN FROM ENTIRE STATE LISTED

By RAYMOND BROOKS
AUSTIN, June 30.—As of July 1, a cross-section of Texas political sentiment puts James V. Allred well out in front in the governor's race, with Tom F. Hunter holding a slight lead over C. C. McDonald for a place in the run-off and Clint Small near them for fourth place. Maury Hughes was reflected in fifth place, Edgar Witt in sixth place, and E. K. Russell, prohibition candidate, getting a scattered vote for last place.

This sample of July first preferences reflects the attitude of 5070 voters, or about one-half of one per cent of the expected first primary votes July 28.

In each community, voters were polled personally. Care was taken to poll a correct proportion of rural voters in each county.

The cross-section results do not purport to say how the first primary election will go. They do purport to show the relative preference of hundreds of voters in typical communities, checked at random, during the past week.

Here are the figures, based as nearly as was possible, on proportionate ratios in each of the 20 areas, the cities ranging from among the larger ones to down as small as 7000 in population. Farm and rural people were checked as they visited the market square, stores and the county agent's headquarters:

Allred	1627
Hunter	851
McDonald	704
Small	476
Hughes	436
Witt	874
Russell	34

An outstanding factor in this cross-section is that Allred polled more support than the combined total of the next two highest men in the race.

Allred got approximately 35 per cent of the total; Hunter and McDonald around 20 per cent apiece, and the remaining 25 per cent was divided between Small, with a little over 10 per cent, Hughes a little less than 10 per cent, and Witt considerably under 10 per cent.

The results here summarized represent one out of approximately each 225 prospective voters in July.

A most significant factor was reflected in reports of the immense number of voters yet undecided, and those who were still hesitant between two or three of the candidates.

Not reflected in the statistical returns there has been indefinite indication of an upswing in Sen. Small's strength. This, taken into consideration with the general rule that the undecided vote finally goes to some of the stronger candidates, may indicate some pointer toward the final outcome of the race, which the present figures do not purport to contain.

The returns have been segregated into three groups, those of East Texas, those of West Texas, and those of South Texas. Returns polled at Austin have been prorated equally into the three groups, since Austin is the corner of each of the three districts.

By districts, the results were:

East Texas	
Allred	355
Hughes	222
Hunter	335
McDonald	314
Russell	12
Small	163
Witt	700
West Texas	
Allred	695
Hughes	152
Hunter	384
McDonald	182
Russell	19
Small	249
Witt	108
South Texas	
Allred	577
Hughes	62
Hunter	200
McDonald	208
Russell	3
Small	61
Witt	66

These results showed McDonald in second place in East Texas and in South Texas.

They reflected Hunter in second place, Small in third and McDonald in fourth place in West Texas.

A very large undecided vote was shown, ranging as high as 79 out of 400 in one county, and to a remarkable ratio of 173 un-

BUSINESS IMPROVES BUT STOCKS LAG IN FIRST HALF OF PRESENT YEAR

Uncertainties Are Felt Over World But Fear Vanishing

By ELMER C. WALZER
United Press Financial Editor
NEW YORK, July 3.—Business improvement in nearly all lines, higher bond and commodity prices, and lower stock prices with almost complete lethargy developing in the latter, marked the first half of 1934.

While there were still many uncertainties in the world situation, experts believed the gains in business would continue after the usual seasonal recessions due in the third quarter. Wall Street hopes for a rise in stocks, although it is still under the influence of fear over operation of the Securities Exchange Act of 1934, part of which became effective July 1.

All major production figures except flour were well above those for the first half of 1933. Four output declined 6 per cent. Pig iron production rose 123 per cent to head the list of gains. Steel ingot production rose 81 per cent; automobile output, 32 per cent; building, 32 per cent; cement output, 36 per cent; anthracite production, 57 per cent; bituminous production, 70 per cent; electricity output, 12 per cent. Gasoline, boot and shoe, and small cigarette output were up 6 to 8 per cent each.

Employment today is up more than 13 per cent from a year ago. Carloadings show a gain of 16 per cent.

Rising prices in commodities were accelerated late in the half-year by drought conditions in many parts of the world. The United Press-Dun & Bradstreet daily weighted commodity index crossed the 1933 high and then backed away gradually. The drought has made for the smallest wheat crop since 1923. Government relief, together with profits for farmers from processing taxes, has offset losses which might have been incurred by many retail merchants in the drought area. The drought has reduced vast surpluses and so should benefit farm prices next year.

Causes of the improvement in business can be listed as follows:

1. Government spending through its various agencies. Expenditures however were not as great as the president had anticipated when he delivered his budget speech in January. At that time he said the treasury would have to raise \$10,000,000 in the first 6 months of the year of which \$5,000,000,000 would be new money, and \$4,000,000,000 refunding. Actual notes to the amount of \$7,616,098,398 were floated for refunding and \$3,474,117,343 new money. Over-subscriptions were enormous.

On the subject of government spending under the new estimates, the June Treasury Statement, monthly publication of the Treasury Trust Company of New York, notes "the contemplated increase of expenditure has not been largely, it appears, because of the human impossibility of spending so much money in so short a time."

A number of appropriations committees of the House has estimated that the 73rd Congress made available funds aggregating \$1,740,000,000 in this part of the session in addition to \$5,300,000,000 in the 1933 session.

2. Improvement in banking. Bank deposits to \$5,000 have been insured. The first guaranty bill included an increase to \$2,500. The insurance has not been made permanent. Bankers object to it on the ground "it makes for a premium on the bank." Many states have responded to the Federal Reserve member banks are at a reserve level, and according to a Federal Reserve official, this excess could be blown up to a credit of \$300,000,000,000.

3. Improvement in the bond market. High-grade bonds have been in exceptional demand on the stock exchange. The rise in bond prices has more than offset

the decline in stocks. Buying has spread to municipalities because of the improved credit of the nation's cities. Banks are loaded with federal issues which have not as yet run into competition with corporate offerings.

4. Improvement abroad despite such unfortunate events as the political upheaval in France on the Bayonne pawnshop scandal; a German debt moratorium, and debt default by all principal nations. France has apparently weathered the worst of her difficulty in remaining on the gold standard. However, Germany appears to be heading into inflation despite denials by her leaders, and Italy does not seem to be able to keep the lira near its new dollar parity.

A source of difficulty ahead, according to observers, is the labor situation. In the past six months there have been many serious outbreaks by labor in such lines as automotive parts, bituminous coal and shipping. Threats of major strikes including steel, automobile, textile and railroad, have either been temporarily or permanently settled, however, and efforts are being made to prevent further difficulties of that nature.

Capital is still timidly holding to the gilt-edged corporate municipal and U. S. government bonds, although it is expected vast amounts of funds will be available if investment bankers see fit to float bonds under the amended securities act of 1933.

Editor's Note: Webb Miller, European General News Manager of the United Press, who has just returned to Europe after an eight-month tour of the United States, flew to Berlin to take charge of coverage of the political crisis there. In his dispatch from Berlin Miller lists the outstanding political results of Germany's bloody week-end.

By WEBB MILLER
United Press European News Mgr.
(Copyright, 1934, United Press)
BERLIN.—Chancellor Adolf Hitler's swift, ruthless stroke against rebellion has suddenly shifted the basis of power of the Nazi regime from wild-eyed radicalism toward the right or conservative wing.

The extermination of his enemies stifled the incipient movement before it began and he emerged from his first big internal crisis with his personal popularity and prestige heightened and his political position strengthened.

His decisiveness and ruthlessness seemed to have captured the imagination of the people. Crowds in front of the chancellery in the Wilhelmstrasse Sunday afternoon cheered wildly when he appeared momentarily at a window.

In striking at the SA, Hitler is smashing the instrument which was his original source of power and contributed principally to his rise to the dictatorship.

In executing his friend and confidante, Ernst Roehm, head of the storm troops, Hitler boldly exposed a disease spot from his body to the public, to whom Roehm's moral perversities were well known.

Roehm rose to a powerful position and became a Reich minister, occupying a palatial home opposite the Italian embassy in Berlin's aristocratic quarters.

There he gave lavish parties and orgies which were the open scandal of Germany. It was estimated he spent 30,000 marks (\$11,700) a month on entertainment.

Despite Roehm's personal character Hitler trusted him until his fanatical extremism led to a breach. The real fight began when Roehm demanded eventual incorporation of the SA into the Reichswehr or regular army, with himself and his Brown Shirt officers retaining their rank.

Such a move would have brought violent opposition from France and other powers and also was opposed by strong elements in Germany which could not consent to such terrific concentration of power in the hands of the radical Nazis. President Von Hindenburg, Hitler himself, and the Reichswehr objected vehemently. Roehm felt that Hitler should have supported him and this rift widened rapidly.

Hitler apparently is determined to reduce the strength of the storm troops to its normal quota of 100,000 men or perhaps less. He ordered a 30-day vacation for the SA without uniforms and at the end of the period many thousands of its members probably will be cut from the party payroll and returned to civilian life.

The outstanding results of Hitler's action may be summarized as follows:

1. His personal position is greatly strengthened.

2. He has shifted the foundations of his regime's power further to the right.

3. He has rid himself of his greatest internal difficulty, namely elimination of the SA interests.

4. He has weakened and divided the left elements of the Nazi party.

5. He has taken steps to pull the teeth of the SA which had become a soft praetorian guard.

6. He has created a division among leaders of the Nationalist right wing weakening their solidarity and compromising some of them with his own movement.

Escaped Convict Is Sentenced As Habitual Criminal

EL PASO.—Anastacio Rodriguez, 29, who escaped four times from the state penitentiary, was sentenced in district court to life imprisonment as a habitual criminal.

Rodriguez faced the court for the third time in eight years on a robbery charge. He received sentences totaling 30 years in 1926, and later escaped.

"I'll get away again," he told jailers as he left the courtroom following his last appearance there.

Characters In One Episode of Pageant

Although their names were not available in time to be included in the cast of characters of the March of Time pageant, the Spaniards used in the scene where Coronado came upon the Indian camp, they were selected by Jesse Blackwell of the Alameda-Cheaney community.

The Spaniards who assisted in the episode were Dean Gentry, Jim Howard, Jim Thomas, M. G. Brock, Herbert Love, E. E. Blackwell, Slim Blackwell, Jesse Blackwell, LeRoy Thomas and Wesley Seay. They met at the Times office, where they changed into their costumes and then took part in the pageant.

J. C. Penney Store Remodeled Inside

The J. C. Penney store has been remodeled on the north side and the annex has been cut off from the main store, thus keeping the entire building in one oblong arrangement. Mr. Nelson in making the change stated that it would enable the clerks to give more service and at the same time enable the store to arrange the men's department so as to get a better display for the merchandise. The shoe department has been moved to the rear of the store. The annex is now used for a stock room.

WASHINGTON, June 30.—The Ford Motor company sent a certificate of compliance to the national recovery administration, General Johnson announced. The certificate complies with the automobile code which Ford had refused to accept.

HOW TO KEEP COOL
FORT WORTH, Tex.—Forget it, says Secretary E. G. Graves of the Retail Merchants' Association about hot weather. Think of icebergs and you'll be a lot cooler. It's mostly in your mind, anyway.

Tugwell Meets Chinch Bugs

Personal contact with chinch bugs was made by Rexford G. Tugwell, undersecretary of agriculture, on his speaking tour of the farm belt. Here Tugwell is shown inspecting corn damaged by drouth and the pests on a farm near Ankeny, Ia. Left to right are Paul Porter, Tugwell aide; Tugwell; Dr. E. N. Bressman, Washington, D. C.; and Farmer J. A. Peters.

Returns to Ranger Desdemona To Have Homecoming August 9th to 11th

The annual three-day homecoming will be celebrated in Desdemona Aug. 9, 10 and 11, under the management of A. B. Hensley, president; T. J. Nabors, vice president, and W. E. Barron, secretary-treasurer. This occasion attracts large crowds yearly and hundreds of old settlers meet together in happy reunions. Political speaking, free barbecue, basket dinner and good entertainment will feature the event. Music will be furnished by several outstanding bands and novelty orchestras coming from different parts of the state. Good singing will be offered by a number of neighboring singing schools, and a singing contest presented. The entertainment is being spread out over the three-day event, making each day a big day, and a hearty welcome is in store for all who will come. The Tickville Band of Ranger has been invited to come and help with the entertainment.

Dr. D. T. Wier, son of Dr. A. K. Wier, who has completed a year's internship at the St. Louis City hospital, St. Louis, Mo., has returned home to begin the practice of medicine with his father, Dr. A. K. Wier.

Dr. D. T. Wier To Practice Medicine With His Father

Dr. D. T. Wier, who has just recently finished a year's internship at the St. Louis City hospital, St. Louis, Mo., has returned home to begin the practice of medicine with his father, Dr. A. K. Wier.

Dr. D. T. Wier graduated from the Ranger high school in 1925 and then spent three years in Simmons university, Abilene, completing his pre-medical work. He attended Baylor College of Medicine at Dallas, receiving his M. D. degree in June, 1933. In July, 1933, Dr. Wier entered the City hospital at St. Louis, where he finished his work arriving home the first of this month. During the year at the hospital he was actively engaged in the general practice of medicine and surgery in the above named institution. Upon completion of this medical work he also completed four years' work in the Medical Reserve Officers Training corps and received a first lieutenant's commission in the United States army. Dr. Wier is also a member of the national medical fraternity, Phi Alpha Sigma.

Dr. Wier was born at Staff, Texas, in 1907, and has spent his entire life in and around Ranger. He is known to his host of friends and neighbors as a young man of sterling quality and as one of the best of his kind in his chosen profession.

Statement Denies Davenport Fixed CWA Wage Scale

Henry Davenport, candidate for re-election to commissioner, precinct No. 1, is making a statement to the voters in regard to certain rumors that are being circulated that he was responsible for the present wage scale now being paid CWA employees and other employees under the new setup. Mr. Davenport has prepared a written statement from those who are in charge of this work and asks that the people read the letter before passing their judgment on him.

His announcement will be found on another page of this issue.

TOMATOES FROM PANSY MARBLEHEAD, Mass.—Roland Pearly planted pansy seeds and harvested tomatoes. That is, he thought they were pansy seeds. He didn't discover his mistake until several healthy tomato plants sprouted in his pansy bed.

LARGE CROWDS PRESENT IN RANGER FOR JULY FOURTH

Probably the largest crowd to spend the Fourth of July in Ranger was on hand early Wednesday morning and remained throughout the day, taking in all the events that had been planned in connection with the celebration.

The days activities opened with political speeches. State Senator Clint Small opening the speaking engagements with a talk to a large crowd at the Willows. He was followed by Mark McGee of Fort Worth, who spoke in behalf of United States Senator Tom Connally.

In the afternoon local candidates presented the voters with their campaign views before large crowds.

The Service Club team of the Ranger Twilight League which is showing steady improvement and can be counted upon to be one of the contenders in the second half of the season, played a soft ball game with the Sinclair club, Sinclair winning a closely contested game by a score of 8 to 6. Following this game a Lone Star team played a team of boys from Murton Valley in another free-hitting, closely contested game.

Beginning at 4:30 swimming and diving contests were staged at the Willows swimming pool, with a number of entrants and a large crowd on hand to witness the events. The bathing beauty review was the only event that did not draw a number of contestants and it was called off. The swimming pool committee today announced that the Willows did the best business on Wednesday of any day in the four years it has been operated by the Lions club.

Another large crowd was on hand at Lillard field in the evening to witness the March of Time pageant, which was thoroughly enjoyed and which proved to be much more of a spectacle than anyone had anticipated, the episode being enacted in a realistic way that proved of much interest. Especially good were the episodes showing the Indian camp, Coronado's march, the Colonial days, the pioneers and the attack on the wagon train by the Indians, the rescue by the cowboys and the holdup of the stagecoach.

Other episodes, which had as much historical background, but which did not have as much action, were also interesting. The fireworks display, which was put on in connection with the pageant, was spectacular and presented a beautiful display of fireworks, ending with the portrait of Franklin D. Roosevelt, outlined with burning flares, as Uncle

STATE RELIEF BOND ISSUE TO BE REQUESTED

DALLAS, July 5.—Former Governor James E. Ferguson announced today Gov. Miriam A. Ferguson definitely had decided to call a special session of the state legislature shortly after September 11th.

Alarmed over continued drouth conditions, Ferguson said, the governor will ask the legislature to provide for issuance of the remaining \$9,500,000 worth of state relief bonds.

The session will not be called until the run-off primary is out of the way and the state democratic convention set for September 11 is over, Ferguson said. But for the election, he intimated, the session would be called sooner.

"If the drouth continues two weeks more there will be 200 counties needing relief," he asserted, "instead of the 96 now on the federal list."

"The condition is now statewide and only a five or six inch rain can help. Even a soaking fall over the state can't help the corn crop now."

"Texas will be faced with the most serious situation in its history if the dry spell continues much longer, coming as it does on top of a world-wide depression."

"The situation will be worse even than the blue days of last winter for any country that doesn't make a corn crop in adversity."

"In travelling from Travis to Hill county yesterday Ferguson said he saw no cotton that would make over a bale to 15 acres or any corn that would have five bushels to the acre."

Sam, Miss Liberty, a soldier and sailor formed the immediate foreground, while a group of ex-servicemen who saw service in the World War and the national guard company stood at attention in the center of the field, while the Lone Star band, which furnished the music for the pageant, played the Star Spangled Banner.

The entire audience stood at attention during the playing of the national anthem and the patriotic tableau which was enacted as the grand finale.

Clint Small and Mark McGee Speak To Ranger Voters

State Senator Clint Small, candidate for the democratic nomination for governor of Texas, spoke before a large Fourth of July crowd at the Willows in Ranger Wednesday morning at 10 o'clock.

Declaring that his gains in all sections of the state show that he no longer is considered a sectional candidate, Senator Small told voters that he would show no favoritism if he is elected to the office.

"Not trying to help the interest of all concerned is the best way that I know how to do a job," Small declared.

"It is not my intention to misrepresent the facts to you and to cause you to exert your efforts in a vain and useless cause, but my support in other sections of the state is more encouraging every day. I have been fortunate to have a fine group of citizens in Dallas, Fort Worth, Houston and San Antonio and other down state cities supporting me."

"From Brownsville to Texarkana, my support is growing daily. In San Antonio I have been told that the men who are supporting me have a better organization than Sterling had four years ago when he carried Bexar county by a large majority," the Senator said.

"I have tried my level best to help this country; I have done my best to represent all of Texas to the best of my ability. If I am elected there will be no favoritism," he said.

Small declared the liquor situation in Texas is deplorable. "It should be the duty of the attorney general to enforce the dry laws as long as they are on the statute books," he asserted.

Small criticized those who would divert a part of the money going to the highway department to use in other governmental branches.

The address by Senator Small was followed by a talk delivered by Mark McGee of Fort Worth in behalf of Senator Tom Connally. He spoke briefly of the accomplishments of Senator Connally in the five years he has been in the United States Senate and urged the voters to return him to the post to which he was elected six years ago for the good of Texas and the entire citizenship of the state.

Rural Teachers to Receive Their Pay From Federal Fund

Instruction that \$9,369,000 be being sent from Federal Emergency Relief Administration headquarters at Austin for payment of teachers salaries for the continuance of rural school terms of this year which have already ended has been received by county school superintendent B. E. McGlamory.

The schools and the amount of money which they will benefit by the rate are: Elm, \$240; Crocker, \$120; Grandview, \$320; Okra, \$280; Dothan, \$260; Buffalo, \$450; Pleasant Hill, \$160; Carbon, \$1,212.84; George Hill, \$85; Deidmona, \$2,198.90; Yellow Mount, \$260; Union, \$121; Flatwood, \$144.75; Morton Valley, \$1,192.98; Colony, \$454; Alameda, \$406.25; and Shady Grove \$150.

Rising Star and Pioneer previous to this time had received some total \$2,000.

Republican Floor Leader Bert Snell says the Roosevelt administration is bluffing the public. We might call the bluff if we were sure Mr. Snell isn't bluffing us too.

NATIONS DEATH TOLL REACHES 142 ON FOURTH

America's celebration of the Fourth of July under widespread police orders for a safe and sane observance resulted in 142 violent deaths, a United Press survey revealed today.

But the danger from explosives, once most feared on Independence Day, was reduced to the lowest point in many years. Only five fireworks deaths were reported. Many thousands, however, suffered injuries in firecracker and sky-rocket accidents, the total running to almost 2,500 in New York city alone.

Airplane and traffic accidents killed more than 50 throughout the nation as highways were jammed with crowds. About the same number was drowned.

LEGAL RECORDS

District Court
 City of Ranger vs. A. J. Barby, foreclosure paving lien.
 Ranger vs. A. K. Wier, paving lien.

 Homer Brown and Miss Lucille McGowan, Pioneer.
 Harry E. Deal and Miss Ellen Irene Lockhart, Ranger.
 George Reynolds and Miss Lillian Lassiter, Gorman.
 W. A. Mullins, St. Petersburg, Fla., and Mrs. Bess Pierce, Eastland.

LONE CEDAR

The nice shower Saturday evening in this community was appreciated by all. The crops and gardens were in need of rain badly.

Love Parker and family of Fort Worth were Friday night and Saturday visitors of the R. A. Parker family.

Miss Goree Graham is attending summer school at Ranger.

Miss Annie Mainard of Antlers, Okla., is spending the summer with Mr. and Mrs. Kenneth Falls.

Mrs. John Hawkins and father, Mr. and Mrs. J. R. Coop. After she had spent several days her mother returned home with her for a short visit.

Jimmie Utley and Mackie Alford were Wednesday afternoon visitors of Imogene Powell.

Mr. and Mrs. Utley and Stewart were in Strawn on business Friday.

Mr. Smith and family left Wednesday on their vacation. We hope them a pleasant trip.

Billie Joe Ogden, Jr., spent Friday night with Elvert Maddox.

We are glad to hear that Mrs. Lawrence is improving and we hope her a very speedy recovery.

Frank Graham and family visited Mrs. Lizzie Graham and Miss Goree and Willie Graham Sunday.

We extend our invitation to every one to come to Sunday school and church. The message delivered by Brother Hill both Sunday morning and Sunday night was enjoyed by a large crowd.

The kid party which was given by Mackie Alford Friday night was attended by Mr. and Mrs. Utley and two children, Mr. and Mrs. Kenneth Falls and daughter, Annie Mainard, Mr. and Mrs. Gene Falls, Miss Alta Everton, Miss Elamess Larwerne, Mr. and Billie Odgen, Marieta, Vida and Viola Parker and by Mr. and Mrs. L. G. Powell and two children. Everyone had a nice time and enjoyed the refreshments of ice cream and cake.

Mr. and Mrs. Gene Falls were Sunday guests of the B. F. Alford home.

Candidates Have Spent Much On State Campaigns

AUSTIN, July 5.—Several of the candidates for governor already have spent more than the total \$10,000 they are permitted to use in their races, first period expense accounts show.

C. C. McDonald reported a total expense of \$5,296, Clint Small reported expenditure of \$4,787. Accounts earlier gave Allred's expense at \$4,527, Hunter at \$3,501, Edgar Witt at \$5,283.

Rev. Lovell to Be At Rural Churches

Rev. Johnnie Lovell will speak Sunday morning at 11 o'clock at the Sap Oak Baptist church, near Gordon. Sunday afternoon at 3 o'clock he will speak at the Lone Cedar Baptist church, five miles south of Ranger, and Sunday night there will be a great mass meeting which all of Ranger is invited to the big open-air revival on the vacant lot across the street from the city hall. Rev. Lovell will discuss the following subjects: "What would happen, what would take place if Christ should come to Ranger tonight?"

Rev. Lovell will also be in a street service with his loud speaker in Ranger, about 5:30 o'clock Saturday afternoon.

PRIEST CELEBRATES 50 YEAR

ST. LOUIS.—Rt. Rev. Msgr. James J. McGlynn, pastor of St. Rose Catholic Church here, celebrated his 50th anniversary as head of the church June 17th. More than 100 prelates and priests participated in the ceremonies.

Building Permits Showing Increase

AUSTIN.—The total volume of building permits in 37 Texas cities rose sharply during May to \$2,857,000, an increase of 130 per cent above April and 115 per cent greater than May, 1933, according to the University of Texas Bureau of Business Research.

The most substantial increases occurred in Houston and Lubbock which accounted for most of the rise that occurred from April to May. Other cities showing considerable increases were Beaufort, Dallas, El Paso, Longview and Cleburne.

The increase in Houston was entirely due to a permit issued to one of the big oil companies for an addition to their headquarters in Houston, the amount involved being about one million dollars.

Vote Taken

(Continued from page 1)

decided to 173 committed to any candidate, in another county.

More than 20 per cent of those in Austin who were asked their preference in the race replied either that they had not decided, or that a final choice was yet to be made between two candidates. And nearly all the seven candidates figured in the two between whom various individuals were yet to make their choice.

To avoid any possible undue weighting of the results, none of the canvasses was made in the home county of the candidates.

The figures relate to July 1 preferences. They should indicate the starting-point at least of the final first-primary wind-up though any or all the apparent showings

Building Permits Showing Increase

AUSTIN.—The total volume of building permits in 37 Texas cities rose sharply during May to \$2,857,000, an increase of 130 per cent above April and 115 per cent greater than May, 1933, according to the University of Texas Bureau of Business Research.

The most substantial increases occurred in Houston and Lubbock which accounted for most of the rise that occurred from April to May. Other cities showing considerable increases were Beaufort, Dallas, El Paso, Longview and Cleburne.

The increase in Houston was entirely due to a permit issued to one of the big oil companies for an addition to their headquarters in Houston, the amount involved being about one million dollars.

Vote Taken

decided to 173 committed to any candidate, in another county.

More than 20 per cent of those in Austin who were asked their preference in the race replied either that they had not decided, or that a final choice was yet to be made between two candidates. And nearly all the seven candidates figured in the two between whom various individuals were yet to make their choice.

To avoid any possible undue weighting of the results, none of the canvasses was made in the home county of the candidates.

HALL WALKER, Vice President

Now! Prices Reduced ON Genuine Bayer Aspirin

Get Real BAYER Aspirin Now at Lowest Prices in History!

So as to put the safety and quick action of Genuine Bayer Aspirin within the reach of everyone, the price you pay has now been reduced. Reduced so low that nobody need ever again accept some other preparation in place of the real BAYER ASPIRIN that you've asked for.

15c now for tins of 12 tablets. 25c now for bottles of 24 tablets.

And the big, family size, 100 tablet bottles have again been reduced in price. These new low prices are now in effect throughout the United States.

Remember, too, that doctors advise it for it DOES NOT HARM THE HEART. And that scientists rate it among the fastest known safe reliefs for pain. (See illustrations below.)

So—Always say "Bayer" When You Buy

And remember, when you ask for Bayer Aspirin at these new low prices it's unnecessary now to accept any other preparation in its place.

So—never ask for it by the name "aspirin" alone when you buy, but always say BAYER Aspirin and see that you get it.

ALWAYS SAY "BAYER ASPIRIN" NOW WHEN YOU BUY

Camp Billy Gibbons Awaits
Camp Billy Gibbons is now groomed and awaits the arrival of scouts, who will participate in the first week of activities.

One of the best camping seasons is looked forward to by scout officials. A number of improvements have been made, especially in the swimming water. Diving boards have already been placed at the pool; the bases having been set in concrete. A rock platform has been made, with stone steps leading down into the water.

Leveling of the mess hall floor is finished, and a few scouts are in camp working on the memorial for Uncle Billy Gibbons, and on the well.

Visitors
Sundays, July 15 and 22, are designated as visitor days at Camp Billy Gibbons. Religious services will be held Sunday morning, with Dr. Jewel Daugherty, president of the council, in charge. A special noon-day dinner is to be served. A small charge will be necessary to help defray expenses. The demonstration in scoutcraft, along with a water carnival in the afternoon, is going to be especially interesting to visitors.

Stephenville Scouts
Preparations are being made by the scouts at Stephenville to attend Camp Billy Gibbons under the leadership of Homer Tudor.

Eagle Badge Presented
At a court of honor for Brownwood district, held at Coggin park Friday night, an eagle badge was presented to J. Herbert Ragsdale Jr., of Troop No. 1. The court was well attended and thoroughly enjoyed by all.

Aspirin Prices Changed By Bayer

A new schedule of prices for Bayer Aspirin tablets—the lowest in the history of the Bayer company—went into effect yesterday in all Ranger drug stores.

The Bayer company introduced Bayer Aspirin in this country 35 years ago. It has since become one of the most widely used of all drug products and the price reduction will mean a saving to millions of customers.

Last year the Bayer company reduced the price of its 100-tablet package and, according to officials of the company, the distribution increased so definitely that it was decided to extend the lower price to include the dozen and two-dozen packages and to again reduce the large family size.

In announcing its new consumer price schedule, the Bayer company issued the following statement: "Bayer has always kept faith with its customers by giving them the finest, most uniform product that science can produce. Its decision to reduce prices is evidence of Bayer's desire to extend even further its service to its customers."

The new consumer prices of Bayer aspirin are now effective in 60,000 drug stores throughout the United States.

A GENUINE "Money-Back" Guarantee

WE INSURE every article against loss or damage by fire, theft, burglary. But you are protected still further. OUR CLEANING MUST MAKE GOOD, OR WE WILL. There are no strings on this GUARANTEE. It is positive and unconditional. It means exactly what it says. If you have any cause for complaint, tell us at once. If then we can't please you in every particular, we will unhesitatingly refund our charges.

OKRA

Rev. Thompson of Cisco held services at the Christian church Sunday.

Mr. and Mrs. Mitts spent the past week visiting in Alpine. They were accompanied to Big Springs by Mrs. Fate Brown and little daughter, and Mrs. R. H. Hayes, who spent the week with Mr. and Mrs. Loy Smith.

Mr. and Mrs. Clarence Burns and family and Miss Thelma Maxwell visited Mr. and Mrs. J. M. Stovall of Romney Saturday.

Mr. and Mrs. C. L. McCollum were visitors in Baird Sunday.

Mr. and Mrs. Carl Baker went to Rusk Sunday where he has employment for some time.

Mr. and Mrs. Ed Burns are the proud parents of an eleven-pound boy. The young man was christened Bob Henry.

Mr. and Mrs. Alton Claborn and little daughters of Desdemona were visitors here Sunday afternoon.

Mrs. Ora Hallbrook of Vernon is visiting her brother, Claude McCollum and other relatives.

Mr. and Mrs. R. D. Maxwell and family visited Mr. and Mrs. I. G. Stateville of Dan Horn Sunday.

Misses Jeffa Lee Burns and Loraine McMillan spent from Sunday until Wednesday visiting Miss Wilvie Mae Lockhart of Pleasant Hill.

Mr. and Mrs. J. H. Baker were visitors in Strawn Sunday.

The Okra baseball team won the tournament at Romney Saturday and Sunday. They defeated Flatwood, Romney and Grapevine. Several members of the team were awarded prizes for playing.

Mr. and Mrs. Otho Claborn visited Mr. and Mrs. Homer Claborn Sunday.

Mrs. Cole Nunnally entertained with a party in honor of her son, Bill's eleventh birthday Friday afternoon. The little honoree was presented with several lovely gifts. After an enjoyable evening of games cake and ice cream was served to the following: Paul Winston and Martha Thea Hill, Vesta Lee McMillan, Lawrence and Bobbie Jay Claborn, Elton Burns, Tommie Jean Laborn, Maxine and Seth Flint Maxwell, Dorothy Jane, Johnnie Mae and James Russel, Bobbie Fay Foster, Wynogene and Bob Medford, Bobby Joe Roach, and Bill and Bob Nunnally.

Mrs. Beulah Sadder, who has been visiting here, returned to her home in Corpus Christi Monday.

CARBON

Rev. C. O. Hightower, Dr. and Mrs. Kimble of Gorman and Mrs. E. E. McGlamery of Eastland attended the homecoming at the Methodist church here Sunday.

Mr. and Mrs. Jalmer Bowden, missionaries from Brazil, are visiting his brother, Cloyd Bowden and wife, and attended the homecoming services Sunday. Mrs. Bowden gave a most interesting talk to the Sunday School class and also to the Missionary Society Monday afternoon.

Revs. M. A. Walker and W. A. Tate, Messrs M. C. Boone and Ira Edmonson and Mmes. Walker and Edmonson attended the district rally of welcome extended to the new Bishop Boaz and Presiding Elder O. F. Sensabaugh and honoring the outgoing of Presiding Elder C. Q. Smith, who accepted the presidency of McMurry College at Abilene.

Rev. A. A. Davis closed a two weeks meeting at Morton Valley Sunday night. Three conversions and much interest shown. Rev. Davis and family left Tuesday to visit his parents at Elgin, till Sunday when he begins a meeting at Youngport and Mrs. Davis and children will visit her mother at Italy in Hill county.

Mr. and Mrs. Carl Hendrix of Richardson came over Wednesday to bring Miss Louise Tate home and visit Mr. and Mrs. W. A. Tate. They were accompanied by Miss Frances Lowe.

Mr. and Mrs. Hendrix were leaving for Washington, D. C., and going by the Dallas Chamber of Commerce teachers route.

Mr. and Mrs. J. C. Poe are the proud parents of little Margie June, born June 29th, weight eight pounds "Grandpa" Overton was buying a pair of "apes" Saturday.

Mr. and Mrs. Carroll Reese of Albany and Mr. and Mrs. Bruce Campbell of Dan Horn visited Mr. and Mrs. J. S. Reese Sunday.

Miss Bill Stone of Gidewater is the guest of Faye Cunningham.

Miss Margaret Love of Gorman was the week-end guest of Modess Mahan.

Messes Red Traylor, Truman Mahan, Roy Simpson, Ikkie Traylor, Misses Maxine Maxwell, Lucille Clark, Lorene Davidson, Frankie B. Wilson and Lois Simpson, accompanied by Mr. and Mrs. Lindsey Barnett Jr., enjoyed a swim at Lake Cisco Sunday.

Mrs. J. C. Echols of Fort Worth visited her brother, W. A. Robertson and family and Mr. and Mrs. Devoe Dover last week.

Mrs. J. B. Courtney and children from Dallas visited her parents, Mr. and Mrs. C. N. Ballew last week-end.

Mr. and Mrs. W. J. Greer and children and Mrs. Kirk were in Ranger, Olden and Eastland Monday afternoon.

Mr. and Mrs. J. S. Lomax of Meridian came up Saturday night and her mother, Mrs. J. H. Reed, accompanied them on to Breckenridge to visit relatives.

Mr. and Mrs. Albert Pierce and family left Tuesday to visit her mother at Wolf City.

Mrs. Wm. Boatwright and little daughter are visiting her parents in Cleburne while Mr. Boatwright has a job for a few days at Haskell.

Henry Johnson of Cisco came over Friday after Mr. and Mrs.

D. Hall, who spent the week-end in Cisco.

Rev. W. A. Tate will fill his regular appointment at Center Point Sunday at 11 a. m.

Dabney Estes left Tuesday for his home in Italy, Texas, after visiting Rev. and Mrs. Davis several weeks.

G. W. Stanfield of Wichita Falls visited his brother-in-law, W. A. Tate, last week.

Miss Faye Stone was visiting in Eastland Friday.

the people to strive to go in the way of right, light, and truth of Christ. During the first three days of the meeting the revivalist preached answering three important questions: "Why I Believe in God;" "Why I Believe in Christ;" "Why I Believe in the Bible."

He answered these questions by saying that he could not get along without God; that he could not get along without Christ; that he could not get along without the inspired word of God, the Holy Bible.

Everyone is cordially invited to come to worship God and hear Brother Cloud preach. He has been in the active ministry of the Methodist connection for 16 years, serving most of the time as pastor and part of the time as traveling evangelist.

The pastor of the Ranger circuit of Methodist churches announces that there will be preaching on the

regular appointment at the Mount Zion church Sunday afternoon at 3 o'clock. We will try to have Rev. C. J. Cloud to be present to preach at Mount Zion.

Bullock Revival Still In Progress

The Bullock revival meeting is progressing and will likely run a few days next week.

The Rev. C. J. Cloud is bringing great Gospel messages inspiring

Nerves

Do they torture you by day? Keep you awake at night?

What is it that keeps hospitals open and doctors busy? NERVES.
What is it that makes your face wrinkled and makes you feel old? NERVES.
Nine times out of ten it's NERVES that make you restless, worried, haggard.

Nerves

Do they make you Cranky, Blue—give you Nervous Indigestion, Nervous Headache?

When nerves are over-taxed, you worry over nerves, find it hard to concentrate, can't sit still. Nerve Strain brings on Headache.
Nervous people often suffer from Indigestion. There may be absolutely nothing wrong with the organs of digestion, but the Nerves are not on the job to make the organs do their work properly.

Nerves

Do they interfere with your work; ruin your pleasure; drive away your friends?

You're cheating yourself and the man who pays you if you work when your NERVES are not normal.
You can't have a good time when you are nervous. You can't make or keep friends when you are keyed up and irritable. You may excuse yourself, but to others you are just a plain crank.

Quiet your nerves with

DR. MILES' NERVINE

ASA RELIES ON GOD

Chron. 15:1-2
Asa, the name means physician, was the son of Abijah and Maseah, who was a descendant of Absalom. In the beginning of his reign he was forced to remove his mother from the position of queen-mother for her idolatries in licentious heathen fashion. He destroyed all foreign altars throughout the land and instructed the people to follow the true laws of Jehovah.
The first ten years of his reign were peaceful and employed in rebuilding the cities of Judah; strengthening the walls, towers and gates of Jerusalem.
He also gathered together and drilled a great army of 580,000 men armed with bucklers, spears, shields and bows.
Asa reaped the advantage of this wise preparation later when Judah was invaded by a million men from Egypt under General Tereh. Asa's army was outnumbered two to one and had no war chariots to combat those of the Egyptian army.
Asa trusted in Jehovah and made earnest prayer for divine help. Jehovah heard his prayer and Asa with the aid of the Lord was gloriously triumphant over his foes. This was one of the most important and decisive victories in Hebrew history and was won because Asa obeyed and relied upon God.
"And the spirit of God came upon Azariah the son of Obed. And he went out to meet Asa." Azariah inspired and fervent prophet gave Asa the great message that governed the remainder of his life.
"Jehovah is with you, while ye

are with him; and if ye seek him, he will be found of you; but if ye forsake him, he will forsake you."
Asa thought of his great victory over the Egyptians and knew that he had sought and found God who had aided him in gaining the over such tremendous odds.
He listened to the solemn note of warning, "But if ye forsake him, he will forsake you." Doubtless he realized from past history that success and power was most trying to faith in great leadership.
The closing words of the message were: "But be ye strong, and let not your hands be slack; for your work shall be rewarded."
Asa could not be strong in himself but only as he relied upon God for divine help; his hands must not be idle but busy for the "King of Kings."
"For your work shall be rewarded." God is a rewarder of them that seek after him." William Jennings Bryan said, "without a worship of God there can be no respect for God's law of rewards. It is a disregard of God's law of rewards that has brought upon our nation its greatest burdens and threatens it with the greatest calamities."
Asa, how great his character, did not dismiss the prophet as a presumptuous man, but listened and took new courage.
To begin his new work he had them assemble from far and near, "together at Jerusalem in the third month, in the fifteenth year of the reign of Asa."
This third month or month of Sivan our May-June early in which occurred the Feast of Weeks. This was the second of every male Israelite was required to attend. Asa realized that to accomplish his great reforms he must have the cooperation of all the heads of families.
All united in a great assembly for God's blessing.
After a great sacrifice of seven hundred oxen and seven thousand sheep, "they entered into the covenant to seek Jehovah, the God of their fathers, with all their heart and with all their soul."
It was to be no half-way covenant. They were sincere and happy with much rejoicing expressed in the music of trumpets and other musical instruments. They decreed death as the penalty of idolatry.
Asa made mistakes later in his reign, by not relying upon God to the fullest extent. But on the whole, Asa was a good king, reigning for forty-one years, honored and beloved by his people.
From the study of Asa's life we can take courage, renew our covenant with God and rely upon him to strengthen us to go forward in the battles of life. With a heart undivided we can quote the golden text.
The Lord is my helper; I will not fear; what shall man do unto me. Heb. 13:6.
One thing have I desired of the Lord, that I will seek after, that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord, and to inquire in his temple." Psalm 27:4
Producers plan to change the title of "It Ain't No Sin," but a Mae West film by any other name is still no rose.

First Shipment of Cattle to Texas

FORT WORTH, July 3.—The first shipment of cattle from the Texas coast to Texas counties today and thence to concerns where the shipment was 450 head, many carloads being a drought stricken county. L. Darby, head of the animal industries office here, said he received daily.

THAT WAS DIFFERENT

NORWALK, Conn.—John Evans' family always got a laugh when their daughter Catherine kitten "Snooky" dragged home a mouse, a bird or any odds and ends he might find in the yard. Cute kitten. But, when "Snooky" hauled in a 13-inch poisonous copperhead snake Mrs. Evans and Catherine hopped on the kitchen table and yelled for help.
NOT ABSENT IN 10 YEARS
GADSDEN, Ala.—Mildred Freeman, junior in Etowah county high school, claims the distinction of never having been absent or tardy in her 10 years of school attendance.
A bird dog belonging to a Tennessee doctor gave birth to 2 pups and didn't even get a niffle at a World's Fair contract.

THE OPEN DOOR

11,000 TEXANS*

—Men and Women

THE HUMBLE COMPANY employs more than 11,000 men and women. All of them live in Texas, and all of them have their eyes open to what the Texas public wants in products and service. Individually and as a group, they realize the fundamental necessity of giving the motorist the right product at the right price with the right kind of service. So they are keenly interested in what you—a practical buyer—think. They want to know what you have to say and to suggest. They extend this open invitation: walk in our door at any time and give us the benefit of your experience with Humble products and Humble service. The door is open.

*If all Humble employees with their families lived in one place, they would make the seventh largest city in Texas.

THE HUMBLE OIL & REFINING COMPANY

Four times a year we ask you to check Humble products. The third Consumer Check period runs from July 1 to 10; during these ten days special postpaid Consumer Check cards will be distributed at all Humble Service Stations. For the convenience of users who may not make a purchase between the first and tenth, the card is reproduced below:

HUMBLE OIL & REFINING COMPANY, Houston, Texas.

Gentlemen: I am glad to answer the following questions about Humble products:

A Million V-8 Followers

... for the Ford idea of low-cost transportation

ON June 20th the millionth Ford V-8 was produced—finest of a long line of nearly 22,000,000 Ford cars.

26 years ago Henry Ford said, "We will build a motor car for the great multitude".

This basic idea has never changed. The name Ford is synonymous with dependable, sturdy low cost motor cars. The V-8 was the answer to the need of the modern motorist for greater speed and flexibility.

Without sacrificing one whit of traditional Ford owner economy and lasting performance, the V-8 has brought to a million owners the power and comfort previously found only in the most expensive cars.

New low prices for 1934 were put into effect June 15.

REDUCED FORD V-8 PRICES

(Effective June 15, 1934)

Ford V-8 Passenger Cars (112-inch wheelbase)	With Regular Equipment	With DeLuxe Equipment

FINANCIAL AID FOR SMALL INDUSTRIES OF THE NATION

President Roosevelt very promptly signed the industrial loan bill. Now it is said loans on adequate securities totaling at least a half billion dollars can be made in the next six months "to stimulate business enterprises."

It is made unlawful for anyone to give or receive a fee or bonus for obtaining a loan. In other words, the political pull of "the middleman" has been damned or doomed by the national lawmakers with the approval of the President.

Cotton Estimate Shows Crop Now Below Normal

AUSTIN.—In a report on the cotton industry of Texas and the United States, Dr. A. B. Cox, director of the Bureau of Business Research at the University of Texas, who is internationally known as a cotton economist, says that the prospective production of cotton in this country this season is below normal, and that less than ten million bales is indicated for 1934.

"The consensus is that the American acreage this season is under 30,000,000 and is probably about 28,000,000, the lowest acreage since 1905," Dr. Cox said. "It is generally believed also that the condition of the crop is below normal, and that a crop of less than ten million bales is in prospect."

States has decreased its acreage. Artificial respiration may revive the patient, but permanent cure for American cotton production lies in improved quality production at lower costs, improved marketing especially in local markets, and lower tariff burdens.

"On June 1 the cotton balance sheet showed 9,216,000 bales of cotton in the United States compared with 10,005,000 bales in May and 10,537,000 on June 1 last year. June 1, 1930, the supply was 5,574,000 bales. European port stocks and afloat to Europe was 1,431,000 bales on June 1, compared with 1,659,000 bales last year, or a decline of 228,000 bales. Accordingly, there has been a decline in balance of cotton in the United States, plus declines in American cotton in and afloat to European ports of 1,559,000 bales.

"Based on average relations between changes in supply and index prices, this decrease in supply should cause the price to advance about 378 points in the index price over the price in June last year. When this is converted to present price levels and modified by the spinners margin, the indicated price of New Orleans spot cotton is about 14 cents. Calculations based on percentage changes indicate a price of about 12.50 cents. The supply-price charge places the price slightly below 12 cents.

"World cotton production during the year 1933-1934 has been approximately 25,000,000 bales, compared with 23,500,000 last year," Dr. Cox continued. "United States production was decreased about 40,000 bales, which means that foreign countries increased their production about 1,500,000 bales. The chances are the United States will decrease its 1934-1935 crop by at least 2,500,000 bales to 10,000,000 or under. Indications are that foreign acreage will be increased at not over 10 per cent. However, this means that total foreign production for the year 1934-1935 will exceed United States production for the first time in over 100 years, leaving out the Civil war period.

World's consumption of all cotton for the year 1933-1934 will be about 25,500,000 bales, of which about 13,650,000 bales will be American. Thus the world's carry-over of all cotton bids fair to be reduced about 500,000 bales, whereas the carryover of American cotton will be reduced about 1,290,000 bales. The world carry-over of American cotton Aug. 1 will be approximately 15,500,000 bales. A 10,000,000-bale crop this year will give a world supply of American cotton for the year 1934-1935 of 20,500,000 bales, compared with a supply of 24,500,000 for this year and about 26,000,000 a year ago.

"Spinners ratio margin declined slightly from 165 during April to 164 during May. The pence margin declined even more, or from 4.07d in April to 3.94d in May. During May last year the ratio margin was 162 and the pence margin was 3.77d."

TO THE VOTERS

AND TAXPAYERS, PRECINCT No. 1, EASTLAND COUNTY

In my campaign two years ago, I promised if elected Commissioner of this precinct, I would give you an economical administration. You very graciously elected me to the office with almost a majority over my two opponents. Therefore in order that you may see whether I have lived up to my promise it will be necessary to consult the records comparing former administrations with mine.

The record shows that the available money for this precinct for a 10-year period under the former Commissioner, was an approximate average of \$32,000.00 a year. For the two-year term preceding my election to office, the record shows that in 1931 the Commissioner had in the Road and Bridge Fund, \$39,483.37 and in addition issued \$5,953.97 in deficiency warrants, making a total of \$45,437.34 spent in 1931. In 1932 he had in the fund \$24,090.94 and issued \$9,091.47 in deficiency warrants making a total of \$33,182.41 spent in 1932 up to October, a which time the Commissioners Court and the bank refused to allow any further large expenditures in this precinct. As to whether this money was spent wisely I shall leave to your judgment.

There are some who have said that I have not accomplished anything since I have been in office. Let us examine the records and see the condition of the finances of this precinct at the time I took office.

On the first of January, 1933, when I went into office there was a debt of \$18,671.17 in deficiency warrants, and machinery warrants left from the former administration for me to pay. My allotment of money for the Road and Bridge Fund for that year was only \$18,996.07, and for the year 1934 my allotment in the Road and Bridge Fund was only \$15,006.14, making a total for the two years of \$34,002.21. To June 1, 1934, I have paid on these debts, \$13,837.96 plus \$1,138.11 in interest on same, making a total of \$14,976.33, which only left me \$19,025.88 with which to meet all the expenses of the precinct for the two-year period, or \$8,512.93 per year with this small amount I have been able to maintain the roads in passable condition and with funds received from the CWA, have been able to make considerable permanent improvements to the roads, without having to issue any deficiency warrants, thereby showing that the affairs of the precinct can be operated on a small percent of what it has been in the past.

There may be some unjust criticism for my not working more men during my administration, but due to the fact that there were no funds for this purpose and the precinct being more than \$19,000 in debt I felt like the honorable thing to do was to first clear up this indebtedness and not issue deficiency warrants for work when the county was so heavily involved, and the entire commissioners' court was in accord with me in this.

As long as I remain in office it will be my policy to keep the expenditures as low as possible, thereby relieving the taxpayer of as much of their burden as I can.

In every instance where it was consistent I have assisted the Taxpayers in lowering their rendition to the extent that the lower renditions have automatically cut the salary of the office from a high of \$2,400.00 per year drawn by the former Commissioner for a period of ten years, to a low of \$1,700.00 per year which the office now pays.

Due to the fact that your former commissioner was in office for 10 years during the greatest era of prosperity the world has ever known, and left your employ with the precinct more than \$19,000 in debt; and that in my first term during the two worst years of the depression, I have been able to liquidate a majority of this indebtedness and at the same time keep the roads, bridges, etc., in a very usable condition, I very respectfully solicit your support for a SECOND term for which I am a candidate subject to the July Primary.

Respectfully,
H. V. DAVENPORT.

MANY CHANGES IN STATE RACE MAY BE SEEN

By GORDON K. SHEARER United Press Staff Correspondent

AUSTIN, Tex. — With four weeks to go, the race for governor in Texas is still a puzzle.

Any ranking of the candidates may need much changing by Saturday, July 28, when the ballots are to be cast.

Allred continues to be named as leader by most Austin visitors. They give several reasons. Past races have shown him unbeatable in winning votes during a campaign tour.

The showing between C. C. McDonald and Tom Hunter depends to a considerable extent on the effectiveness of the campaign which Former Gov. James E. Ferguson will launch this month for McDonald.

Reports tell of Hunter getting a big following in sections that in past campaign have been "Ferguson territory."

This probably explains why the former governor is planning such an extensive and intensive campaign. After opening at Itasca on July 4, Ferguson will go to Center, Lufkin, Brenham, Cuero

and Houston, all of which are old Ferguson strongholds. He will follow with speeches at Edom's famed political roundup, at Dallas, Sweetwater, Lubbock and Coleman. On the eve of the election he will speak for McDonald at San Antonio, where it is hoped a comfortable lead can be built up.

Lieut. Gov. Edgar E. Witt and Sen. Clint Small appear to be drawing strength from the same general class of voters—those who are not swayed by any one issue. They appeal to the conservative voters. They frankly say voters must not expect Utopia, whoever wins.

Witt's record of having polled the greatest number of votes ever given any one in a Texas election must not be overlooked, nor the fact that he comes from the center of the vote area.

Reports of Small accretions are brought to Austin so frequently as almost to suggest a planned design to create a "Small Will Win" psychology. Attacks on race track betting have featured his recent speeches.

One of the arguments being advanced by Small is that "Small can beat Allred in a run-off." The same is claimed for Witt. Chances of either Small or Witt would

be good.

Reports tell of Hunter getting a big following in sections that in past campaign have been "Ferguson territory."

Jump 50 per cent with the other out of the race.

Maury Hughes, Dallas, remains so far the unknown quantity in the campaign. It is his first state-wide race. That does not mean that he is a political novice.

Trained by long association with Ted C. Adams, who for many years was Democratic National Committeeman from Texas, Hughes has been state Democratic chairman and a leader in the movement against party bosses. He goes into the race, however, with the party machinery in the hands of a committee that turned him down on two pet projects. One was to place repeal of prohibition on the primary ballot. The other was to have an equal number of men and women on the state Democratic Committee.

Edward K. Russell's best hope seems to be to get a wide enough acquaintance this year to make himself a formidable candidate in a later race. He is undoubtedly making friends by his campaign. But if attempting to pick the standing in the governor's race is hard, the attempt in the race for attorney general is harder. Walter Woodward and Bill McCraw have already opened up on each other. McCraw attempts to hang the Lone Star Gas Corporation around Woodward's neck and Woodward is attempting to give McCraw a Klan necklace.

Judge H. S. Lattimore of the Court of Civil Appeals at Fort Worth points out that he is on the ballot as a candidate for the Supreme Court under his own initials. It is not an attempt to seek votes through the similarity of his initials.

With those of his father, Judge D. S. Lattimore of the Court of Criminal Appeals, "Hal" as he is known to friends, is a nickname and could not go on the ballot. He has been on the ballots in all his previous political races as "H. S."

BUFFALO SKULLS FOUND
GREAT FALLS, Mont.—Hundreds of bleached buffalo skulls found on high reaches of the Rocky Mountains belie the contention that buffalo were habitually a plains animal, according to Forest Ranger L. J. Howard.

Three Shots Kill Two of Bobcats
PORTLAND, Ore.—Mr. and Mrs. Shoup's return trip from their cottage at Pine Flat, where they were on their arrival in Porterville.

While driving down a road, saw a bobcat cross the road in front of him. Taking a small rifle, he pursued the animal to a tree where it took refuge. He found two other bobcats perched on branches of the tree. Three shots felled the two.

Young John Jacob Astor has given his bride more than \$1,000 in gifts, so he couldn't be expected to call off the dog when this time.

The Harvard professor said thinking caused the depression had to have the depression to make him think of that.

The man who always says what he thinks often fails to think what he says.

Announcement

Dr. T. D. Wier, formerly of the resident staff of the St. Louis City Hospital, St. Louis, Mo., announces his association with his father, Dr. A. K. Wier, in the general practice of Medicine and Surgery, office 118 1/2 Main Street, Ranger.

TRY A WANT AD—IT ALWAYS PAYS!

HENRY DAVENPORT
Candidate For
Commissioner Precinct No. 1
ANSWERS ATTACK MADE ON HIM BY FRIENDS OF HIS OPPONENTS

There has been a rumor in circulation over the Commissioner's Precinct the past week or ten days that I was responsible for the wage scale that was now being paid all CWA employees and employees under the new set up. This has been most unfair to me as the statement below will show that I had nothing whatsoever to do with the making of the scale of wages, neither was I ever asked my opinion on the wage scale as now exists.

Friends of my opponents are using this against me in their campaign to get votes—and in order that the people may know, and believing that the people will be fair and impartial in their decision, am publishing the following letter. Will appreciate anyone interested in taking the time to check on these statements made by these parties and also to check my record from any angle that they may see fit.

Following is the letter:

EASTLAND COUNTY RELIEF ADMINISTRATION
General Office at Eastland, Texas
July 2nd, 1934.

TO WHOM IT MAY CONCERN:

In order to clarify some misunderstanding regarding the appointees of the Eastland County Wage Scale committee, this is to advise that Mr. G. W. Leaverton of Ranger, Texas, a member of the Carpenters' Union, was appointed to represent organized labor. Mr. Pete Coole of the Cisco Lumber & Supply Company, was appointed to represent construction labor and Mr. M. B. Kowalski, county project superintendent, of the Eastland County Relief Board, was appointed to represent the Eastland County Relief organization.

The above appointees were selections made by the county relief committee with the exception of Mr. M. B. Kowalski, who was appointed a member of the wage scale committee on orders from our Austin headquarters. The above applies to the work division of the FERA inaugurated after CWA activities ceased on March 29th, 1934.

The wage scale applied to all CWA activities over the entire county was a scale set up to apply to this entire county by our Austin Headquarters and applied to the entire CWA program until it stopped operations March 29th, 1934.

It has been brought to my attention misunderstandings have arisen regarding the selections made for the work division of FERA Wage Scale committee, as well as the wage scale set for the old CWA program and the above is self-explanatory.

Yours very truly,
H. E. DRISCOLL,
County Administrator.
