SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 52

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, NOVEMBER 5, 1953

NUMBER 30

**WINNER** — Here is a picture of the Harmony Home Demonstration Club's winning exhibit at the Achievement Day held here last Thursday along with two members of the exhibit committee. The members are Mrs. Monroe Schulz, left

and Mrs. Sherwood Ramsey. The Harmony club won first place among all Floyd County clubs. The exhibit contained aprons, cup towels, paintings, and figurine paintings, plaques, canned goods, copper tooling and clothing.

## Hallowe'en Pranks About As Usual

Hallowe'en pranks were just about as usual here last Saturday night with some damage to property but most of the pranks being confined to soaping windows and dragging moveable items into the street.

Several of the city's new stop signs were knocked off the posts in west Lockney, mail boxes in rural areas were turned over and some damaged, and tires on at least one tractor parked back of the Lockney Implement Co. were damaged when slashed with a knife.

Cotton trailers were moved about some although gin crews gathered most of them up by Sunday morning.

Most of the pranks, however, were confined to soaping windows and the like. North Main street was almost blocked with oil drums and other cans but was quickly cleared.

## Scouters Club Is Organized Mon.

A Lockney Scouters Club, made up of men who want to help with local scout work, was formed Monday evening in a meeting at the grade school cafeteria. The organization will support Explorer Scouts, Boy Scouts and Cub Scouts in their local work.

The meeting was called by Dee Reese, town chairman for Boy Scouts, and 14 local men were present. Also present for the meeting were Ray Howard and Bill Stearn, scout executives of Plainview.

Mr. Howard explained the purpose and objectives of the club, and then required each man present to take an oath, similar to the Scout oath, in an impressive candle light service.

The Scouters Club will meet once each month and members of the club will form various committees in Scout work.

Present for the meeting Monday night were R. L. Knox Jr., J. C. Kemp, Dee Reese, Joe Handley, Joe Wilson, Tom Marr, F. O. Schacht, M. L. Brewer, Dee Copeland, Joe Holt, Leonard Finley, Bob Miller, Edgar Hays, Harmon Handley, Clyde Briley. Several other local men have expressed a desire to join the club.

## G. B. Johnston Is "Doing Real Well"

Members of the family said Wednesday that G. B. Johnston Sr., Lone Star farmer and a member of the PMA committee in this county for many years, was "doing real well" in Baylor Hospital at Dallas where he underwent an operation last Thursday. The left lung was removed in the operation. Mr. Johnston was scheduled to come home this week but a little flare-up Tuesday delayed his return home. However, physicians said the flare-up wasn't serious and members of the family are encouraged over his improvement. They did not know Wednesday exactly when he would be released from the hospital.

Mr. and Mrs. W. A. Cumberson, Judy and Jean of Dennison visited in the W. C. Irons home Sunday.

## Longhorns Are Idle This Week

The Lockney Longhorns take a rest this week in their current football schedule. They have two more games left this season, both District 2-AA conference games and both are to be played here.

Next week end the Longhorns take on the Littlefield Wildcats and the following week they play the Tullia Hornets.

Littlefield and Olton play this week end to decide the district leader and probably the district title. Neither has lost a game in district play this year. Olton will be favored because they have won six games and lost one through the season while Littlefield has lost four and won three this season. There is much rivalry between the two teams.

In the conference Littlefield has won two games, Olton won one game. Muleshoe won one and lost one. Tullia lost one and Lockney lost two.

The other district game this week end will see Tullia play Muleshoe.

## Plainview Teacher To Speak For PTA

Mrs. B. E. Clark, a teacher of exceptional children of the Plainview school system, will be guest speaker for the November meeting of the Lockney Parent-Teacher Association. The meeting will be held Tuesday night, November 10 at 7:30 in the new High School Auditorium. Mrs. Clark will speak on the topic, "Educating For What?"

Mrs. C. L. Record will give the devotional and the seventh grade will take part on the program as well as act as host for the meeting.

Delegates elected to the State Convention to be held in San Antonio, November 17 to 20 were Mrs. Earl Minter, president, and Mrs. Chester Mitchell, first vice president. Alternates were Mrs. Clyde Kemp and Mrs. Milton Ashton.

This program promises to be an interesting one and will be the first public meeting held in the new auditorium. Everyone is urged to remember the meeting and be present to enjoy the information Mrs. Clark will bring, as will others on the program.

Mrs. Clark is the former Pauline Stevenson, a former Lockney resident.

## E. M. LAWSON HOME

E. M. Lawson, who has been seriously ill in a Lubbock hospital for the past 12 days was returned to his home here Monday. He is slowly improving. Mrs. Lawson reports, but is still very ill.

Theodore Roosevelt was the youngest President ever inaugurated.

## Loss High In Hutton Fire

The loss was high in the fire last Thursday morning which destroyed the combination store and home belonging to Mr. and Mrs. Tom Hutton and known as the Lockney Trading Post.

Local insurance men estimated that the loss may run between \$10,000 and \$15,000 including contents of the store and the living quarters. The Huttons carried only \$1500 insurance on the house, \$750 on the contents and no insurance on their merchandise.

A large quantity of merchandise, including groceries, dry goods, used wearing apparel, heating stoves, notions, and some furniture was lost in the fire which gutted the building and left nothing of value except a shed room on the southeast corner of the main building.

Mr. and Mrs. Hutton lost also a large quantity of bedding and linens, two refrigerators, one hemstitching machine, one buttonhole machine, a sewing machine, typewriter, and many other items of furniture. Also lost in the fire was a number of antiques, some belonging to Mrs. Hutton's aunt, and many of them of much value.

Also lost in the fire were some books of the store's and an undetermined amount of money. The cash register was saved with the money it contained but some money loose in another part of the house was lost.

In addition all the clothing and bedding belonging to Mr. and Mrs. Bill Manning and son and Ray Patrick, all roomers at the Hutton home, was destroyed. The Mannings were in the field pulling cotton at the time and saved only the clothing they wore and their cotton sacks.

J. R. Cole, father of Mrs. Hutton, was in the upstairs portion of the house when the fire broke out and it spread so quickly that he was forced to leave through a window out on the front porch. Mr. Patrick helped him to the ground.

Mrs. Hutton was in town when the fire was discovered but Mr. Hutton, Mr. Cole and Mr. Patrick were all at home. The two latter men were outside of the house. Origin of the fire is unknown, however Mrs. Hutton suspects a short in the electrical wiring may have been the cause. Apparently it started near the center of the house and quickly spread to all parts of the building. The Lockney Fire Department arrived on the scene quickly — the fire was just across the street from the fire station — and used three separate hose in attempting to quench the blaze but the stubborn fire had spread too much before it was discovered. The blaze was put out before the house was burned down but only the walls and a part of the second floor remains and that is all badly damaged.

The house itself contained 12 rooms and had two complete housekeeping units in it in addition to several bedrooms.

This week the Huttons were attempting to get things straightened up again, salvage what they could and open their store again soon. Mrs. Hutton said that she felt there was a definite need for an outlet for used clothing here since many people had good clothing for sale and others preferred to buy that way.

They expressed their appreciation for the work of the Lockney Fire Department. "We certainly appreciate the hard work the fire boys did in attempting to control the fire," Mr. Hutton said. "And we also appreciate the co-operation we have had from the many people of this area in operating our store," Mrs. Hutton added.

Visiting in the home of Mr. and Mrs. W. R. Hartley during the week end were their children, Mr. and Mrs. Leonard Hartley of Loraine, Texas; Mr. and Mrs. T. L. Jameson of Amarillo, Mr. and Mrs. Ernest Tbeling of Whitfield community. They all visited their new niece, little Belinda Susan Hartley, infant daughter of Mr. and Mrs. Edgar Hartley.

## Massie Well Is Abandoned As Dry

Sinclair Oil & Gas Co. No. 1 Massey oil test four miles north of Floydada has been abandoned as a dry hole at a total depth of 10,005 feet, it was reported this week. There was a show of oil at about 6300 feet but not in sufficient quantities to make production.

Burdell Oil Co. No. 1 R. L. Nichols in the Lakeview area, an offset to the Minnie Adams discovery well, was trying to regain lost circulation at a total depth of 5,370 feet in dolomite and lime.

## Carnival Clears More Than \$450

The Halloween Carnival sponsored by the C. N. Townsend School Parent-Teacher Association cleared more than \$450.00, according to a report from the finance committee. At present \$487.56 is on hand but a bill for the cold drinks has not been paid, the exact amount of which has not been determined.

The finance committee expressed their appreciation for the splendid cooperation they received from everyone, individuals and businesses alike. Special thanks was expressed to two bread companies, Dottie Lee and Holsum which furnished all the bread and buns used during the evening. "We feel that the carnival was a success and we do appreciate everyone helping to make it such," Mrs. Milton Ashton, chairman of the finance committee, stated. Others on the committee included Mrs. Oliver Holmes, Mrs. M. D. Arterburn, Mrs. A. L. Holt and Mrs. Jack Calahan.

The proceeds will be used for the improvement of the school, as has been the practice for previous years. The project committee of the PTA will study the needs before it is decided how the money will be spent.

## 14 Indictments Filed In Court

The grand jury for Floyd county shortly after noon Wednesday turned in 13 bills of indictment to Judge Alton B. Chapman, of the 110th district court.

Two of the bills filed are on child desertion charges, one for second offense DWI, three for burglary, one for assault with intent to murder, one swindling, one aggravated assault, two forgery, one theft over \$50, and one conversion by bailee.

The grand jury sitting last week is the first since June. In that month the "February" grand jury finished its work.

Known as the "July" grand jury the present body will function as needed until February, when a new body will be named.

When the jury was empaneled Tuesday and set to work Judge Alton B. Chapman named H. E. Frizzell of Lone Star as foreman. Other members are Claud Fawver, W. E. Terrell, John K. West, W. S. Hanna, L. L. Scott, Wallace King, Earl Edwards, Dwight Jackson, Conner Oden, Ike Johnson, and S. J. McIntosh.

## Common School District Taxes Set

The school tax levies for the now remaining six of 29 common school districts of Floyd County made for the current year by the commissioners court recently were as follows:

South Plains No. 8: Maintenance \$1.20, bond service 30 cents, total \$1.50;  
Sand Hill No. 9: Maintenance \$1, bond service 50 cents, total \$1.50;  
Lakeview No. 11: Maintenance \$1, bond service none, total \$1;  
Lone Star No. 14: Maintenance \$1, bonds 50 cents, total \$1.50;  
Dougherty No. 18: Maintenance \$1.20, bonds 30 cents, total \$1.50;  
Providence No. 12: Maintenance \$1, bonds none, total \$1.  
The levy is on the \$100 valuation in each instance.

## Cotton Harvest Stopped By Rain

The Floyd County cotton harvest came to an abrupt halt again Wednesday morning because of mist which turned to rain Wednesday afternoon. Up to five p. m. Wednesday the moisture measured a half inch and was still falling slowly.

A survey by The Beacon showed a total of 5600 bales ginned at the four gins in Lockney and close to 13,000 in the Lockney-Aiken-Sterley and Lone Star area. Herbert Garza, local TEC representative says that 22% of the crop is gathered in the north half of Floyd County and in Briscoe county.

Very few hands have left the area yet and more are coming in all along. Mr. Garza said, some with crews so big he is having trouble placing them. Four crews arrived here Tuesday and several more came in over the week end.

A few strippers have been operating and many more are just waiting until the cotton is ready.

## 50% Feed Cut

Local elevator men are estimating that 50% of the feed in the area has been harvested. They say that this week several farmers have been trying to cut feed but that the moisture content is running 18 to 20 percent which is too high for an elevator to accept.

No feed to speak of has fallen down, as far as The Beacon could ascertain, although farmers generally have been fearing that it would. Most farmers are wanting a good frost now so that grain will mature and cotton will open quickly.

## Nine Will Be Inducted Nov. 20

Nine men of this area will be inducted into the armed forces on November 20, according to notice from Selective Service Board No. 45, covering Floyd, Hale, Swisher and Motley counties. The men will report to the courthouse at Plainview at 5 a. m. on the above date. The following have been ordered to report:

Donnie B. Roper, Tullia.  
Gerald L. Phelps, Roaring Springs.  
Charles R. Morgan, Jr., Plainview.  
Robert W. Matthews, Lockney.  
Cecil D. Hare, Plainview.  
The following listed registrants have volunteered and will report with the above group:  
Leonard W. Wilson, Floydada.  
Allen E. Mote, Tullia.  
Robert L. Jennings, Tullia.  
Walter D. Keisling, Plainview.  
The following listed registrant is delinquent with this local board and has been ordered with the above group.  
Mesiendo Salinas, Petersburg, Texas.

## Rev. Wiley Named Wayland Trustee

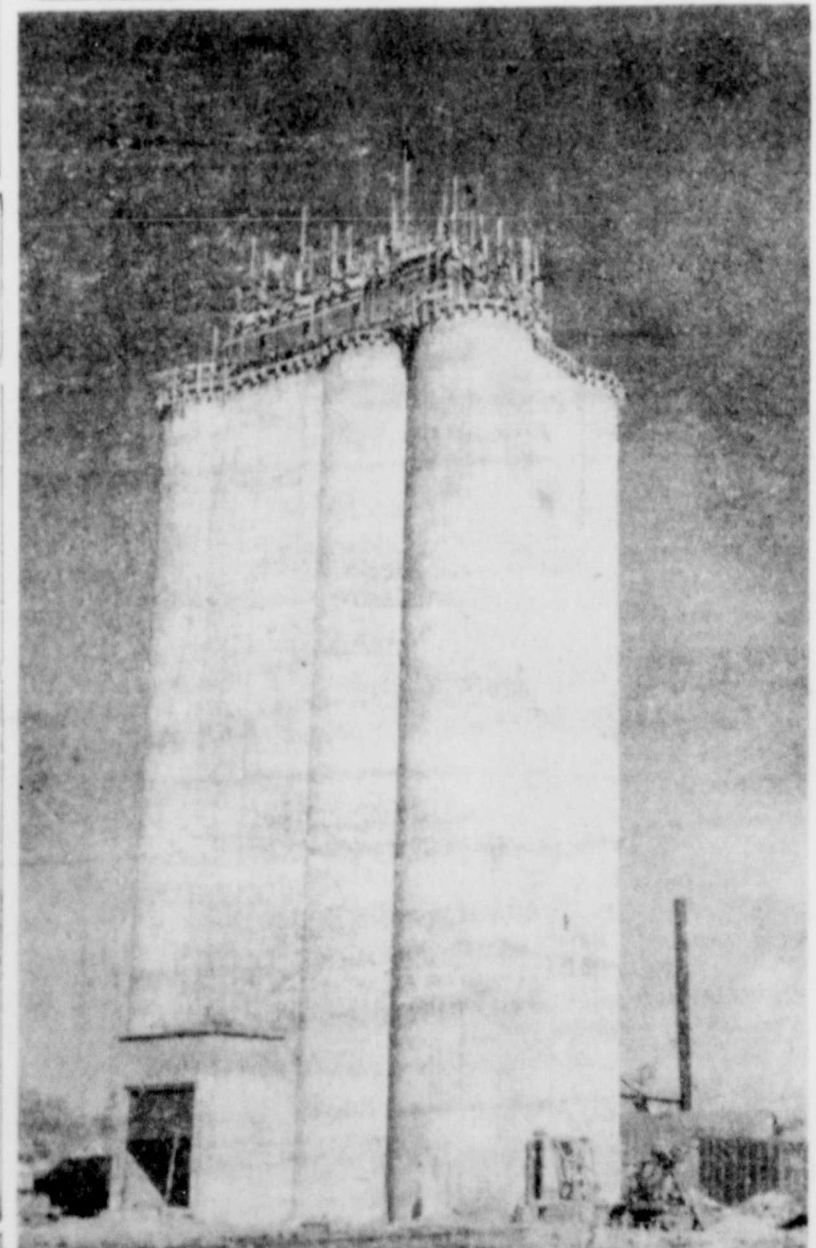

Rev. Rolan E. Wiley, pastor of the First Baptist Church here, was elected a trustee of Wayland College by the Baptist General Convention of Texas meeting in San Antonio recently. The term to which he was elected will expire in 1956.

Rev. Wiley has been pastor of the church here since May of this year, coming here from Cordell, Okla.

**NEW ELEVATOR** — Here is a view of the almost completed Patterson Grain Co. elevator being constructed here. The elevator will be ready for use probably around December 1, members of the firm said Tuesday. It is by far the tallest structure in Lockney, rising 112 feet above the ground level and including the head house will be 147 feet high.

The head house is just beginning to show up in this picture but actually had reached its full height by Tuesday of this week. The bottom of the pit is 27 feet below ground level and the bins are 8 feet below level of the ground. Capacity of the elevator will be 150,000 bushels. Chalmers & Borton of Hutchinson, Kansas, are contractors.

ANSWERS YOUR QUESTIONS

Q. What is the worming program for layers I've heard about?

A. It consists of giving regular monthly treatments with Dr. Salsbury's Wormal. This wormer gets all 3--large roundworms, ceecal worms, tapeworms. It's safe and palatable for the birds. Give your flock Wormal each month, reduce losses and increase egg profits. Buy Wormal Granules or Tablets. Put your flock on a regular program. \*Genus Billietina

**Exports For Farmers**

Several reasons have been given for the decline, including: improved farm production in areas fostered by the U. S.; inventory reductions in importing countries in response to eased world-supply situations.

Secretary of Agriculture Ezra Taft Benson, commenting on the downward trend in farm exports, said, "Our declining export situation points up sharply our need for more effective farm programs and for foreign trade policies that will not only assure the U. S. farmer good markets at home, but which will widen his markets abroad."

The major farm organizations are attempting to find a solution to the export decline which threatens the whole farming industry. The American Farm Bureau Federation, which has a membership of 1,600,000 farm families in 47 states and Puerto Rico, has initiated action on several fronts to bring about an increase in exports.

The Farm Bureau was largely responsible for getting Congress to set up a bi-partisan trade commission last session to review

**FOREIGN TRADE IS ESSENTIAL TO PEACE AND PROSPERITY**

Farm Bureau is for international cooperation on a sound basis of two-way trade. Farmers must have customers to sell agricultural products, both here and abroad. The production from one out of every ten acres found outlets outside of the United States in 1951. But this market is shrinking. If this market is lost permanently, net farm income will be lowered. Farm Bureau is asking Congress to set up a bi-partisan commission to help solve foreign export problems. Already a number of Farm Bureau recommendations related to foreign trade have been approved by Congress.

**Floydada Soldier Is In Austria**

Salzburg, Austria. — Army Pvt. James E. Elliott Jr., whose wife, Dorothy, and parents live at 611 S. Main, Floydada, Texas, recently arrived in Leghorn, Italy for assignment with U. S. Forces in Austria (USFA).

USFA is engaged in a cooperative four-power occupation of the country with Britain, France and Russia. It has units stationed in Vienna, Linz, Salzburg and other Austrian cities, as well as the port of Leghorn, the supply point for USFA.

Now serving with the Finance Corps in Salzburg, Private Elliott entered the Army last February. He completed basic training at Fort Riley, Kans., and attended the Army Finance School at Fort Benjamin Harrison, Ind.

the whole field of international trade. The commission's report, to be given when Congress convenes in January, is expected to point up flaws in the present trade policy.

Farm Bureau was instrumental in getting the Reciprocal Trade Agreements Act extended until next year. This act permits the President to negotiate separate trade treaties with various countries.

The national farm organization was able to help eliminate Section 104 of the Defense Production Act. This section of the act was causing retaliatory measures by other countries to the detriment of U. S. trade and prestige.

The Farm Bureau was primarily responsible for adoption by Congress last session of a plan whereby the U. S. would accept the national currencies of the free nations of the world in return for surplus agricultural commodities. The foreign money collected would be used to carry out our commitments under the Mutual Security Administration.

Theodore Roosevelt said, "In the White House you do not live; you are just Exhibit A."

**ONE BLANKET PLENTY SINCE I HOOK UP WITH REDDY!**

In the old days, it took three or four blankets to keep the Chief warm when the wintry winds began to blow across the reservation. But, now that he's "wired for winter", with one electric blanket, he finds that one does the job— even better than a big pile of old-fashioned blankets did.

You, too, can enjoy complete winter-time sleeping comfort with one blanket—electric, of course. And don't forget, they come with dual controls, so that each sleeper can have the comfort setting desired.

Dollar, Mr. and Mrs. Farrell Dollar and family, Mr. and Mrs. Harold Dollar and sons, Mr. and Mrs. Jack Dollar, Mr. and Mrs. Leonard Dollar and family, Mr. and Mrs. Walter Taack and Wayne, Mr. and Mrs. John A. Dorman, Mrs. Floyd Maupin, and the hosts, Mr. and Mrs. Baylor Byars.

Mr. and Mrs. A. E. Perkins of Sudan visited in the J. H. Cooper and Henry Moore homes Tuesday.

Mrs. Ross Cooper, Kenny and Gloria are spending the week with her parents, Mr. and Mrs. D. L. Hall at Cotton Center.

## Mrs. Abbott Hostess To Lockney HD Club

Lockney Home Demonstration Club met Tuesday afternoon, October 27 in the home of Mrs. N. S. Abbott. This meeting had been delayed from October 22 because of rain. Mrs. Thomas Marr, president, was in charge of the business meeting.

Mrs. J. H. Cooper displayed a fall table setting with a reed breed container filled with an arrangement of gold and yellow chrysanthemums and yellow candles. Mrs. Abbott and Mrs. Frank Messimer, the meat leaders, prepared three meat dishes from canned meats, pigs in blankets, luncheon meat, roast, glazed with orange marmalade; and O'hara sandwiches. Recipe leaflets for these and other uses of canned meats for quick meals were distributed.

The meat preparations and other refreshments were served to 19 members present.

Next meeting will be held November 12 in the home of Mrs. J. E. Tierce. Roll call will be answered with a wrapped package. These packages will contain a handmade gift valued up to \$1.00 and will be auctioned at the close of the meeting. Mrs. J. H. Cooper and Mrs. B. B. Moody will have charge of the program on "Christmas Decorations for the Living Room."

## Lone Star HD Club Meets In King Home

Mrs. C. L. King was hostess for a meeting of Lone Star Home Demonstration Club Tuesday afternoon. Theme of the meeting was "Keeping Christmas in the Home" with demonstrations of gift wrapping and living room decoration for Christmas.

It was voted to have a special meeting next Wednesday, November 11 to do some copper work. This meeting will be held in the home of Mrs. Albert King at 1:00 o'clock.

Next regular meeting will be held November 17 with Mrs. Bailey Henderson as hostess. Miss Petty will be present and give a demonstration on variety in meats. Also a representative of the county library will attend. Twelve members were present for the Tuesday meeting.

Mrs. C. H. Rose is confined to her home this week with a severe case of the flu.

## Chapter Observes National FHA Week

November 1-7 was designated as National Future Homemakers of America week by state and local proclamations.

The Lockney Chapter joins the F. H. A. Chapters throughout the United States and Territories in presenting special activities to strengthen the program interest and interpret the purpose of the organization.

The main project of this week is to "Cheer 3,000." With about ninety Lockney F. H. A. members and their sponsor, Mrs. W. C. Irons, cooperating with the other 50,000 F. H. A. members in Texas the chapter will collect stamped Christmas Cards which will be distributed equally to the 3,000 patients in the State Mental Hospital in Austin. Throughout Texas 9,000 cards are expected to be collected. This will enable each patient to have three cards of his own to mail to someone he knows. By so doing members will have a small part in helping carry cheer to the 3,000 who are less fortunate than they.

To develop this project in the local chapter, the Lockney members are sponsoring a "Rose Tea" Thursday morning at ten o'clock. Each high school student, eighth grade, and faculty member is invited. The admission will be: One stamped Christmas Card, unsealed and unsigned. All cards will then be boxed and mailed to the state office in Austin for distribution.

Friday morning at ten o'clock the F. H. A. Chapter will have charge of the assembly program. The program will not only be informative but entertaining. Guests are encouraged to come and enjoy a good program in the new auditorium.

"Our thanks go to the school officials, Mr. Irons and Mr. Smith, and to our faculty members who have been so nice to us this week and to each member and student who has helped in making F. H. A. week a success in Lockney High," F. F. A. officers said.

## La Ventana Study Club Meets Tues.

Mrs. Albert King was hostess to the La Ventana Study Club which met at her home, Tuesday, October 27. Mrs. Raymond Teeple was co-hostess.

The theme of the program was "Conservation" with Mrs. C. L. King, Mrs. J. L. Lovvorn and Mrs. J. T. Griffin taking part in the discussions.

Refreshments were served to Mrs. Clyde Baxter, J. T. Griffin, Bailey Henderson, Hoyette Hodges, Herman Huffman, Albert King, Herman King, J. L. Lovvorn, Charlie Merriek, W. T. Rankin and Raymond Teeple.

J. H. and Ross Cooper are spending this week in Ruidoso, New Mexico where they are helping their parents start the construction of a new home.

# NEW LUMMUS GIN SYSTEM

Including the Triple Thermex Feeders, designed for the utmost performance on machine-picked and rough harvested cotton.

The outstanding features about this feeder is that it is not possible to slug or overfeed cotton into the cause excessive cotton that the Triple Thermex Feeders will not take goes into the overflow. As you well realize or more burr machines are used in the overhead system, all of the cotton that comes up the suction pipe has to the overhead burr machine regardless of the volume. That is primarily what causes big burr machines to load cotton with the burrs and be burned in the incinerator, thereby cutting down on the turnout.

The Triple Thermex Feeders receive the cotton in a uniform controlled volume, thereby getting the most of extracting, cleaning and drying.

The new method of stripping with hot air separates fine trash from the lint and creates a completely new process that has proved very effective. It also fluffs and brightens the cotton and improves its preparation. These cleaning processes are repeated three times in the Triple Thermex Feeders in order to do a thorough harvested mechanically.

 Mr. and Mrs. Fred Conner and daughter, Roxanne of Canyon visited with their parents, Mr. and Mrs. J. R. Conner of Cedar Hill and Mr. and Mrs. Everett Collier of Floydada from Friday until Sunday.  
 Carla Lemons attended a birthday party honoring Polly Sue Gilbert on her ninth birthday at the home of Polly Sue's parents, Mr. and Mrs. Marvin Gilbert in Lockney on Friday night, Oct. 30th. Twenty two girls dressed in Hallowe'en costume attended the party. After some games the little girls visited several homes asking for tricks or treats. Sandwiches, cake and ice cream were served with Hallowe'en poppers as favors.  
 Miss Anna Mae Leach, a former resident of Cedar Hill who now resides in Lockney, suffered burns of the face and hands Sunday when she and her father attempted to light a hot water heater. She was treated at the Crum Hospital and her injuries were not considered serious, but painful.  
 Several from Cedar Hill attended the Hallowe'en Carnival held at the C. N. Townsend school which was sponsored by the P. T. A. on Saturday evening.  
 Baptist Services  
 The congregation was inspired over the two great messages brought from two of Lockney High School students in the Sunday morning and evening services. David Hartman, a junior delivered the message on Sunday morning while Gene Lancaster brought the message on Sunday evening. The Lone Star quartet sang a number followed by a solo by one of the members of the quartet. Several visitors were also present for the services. The pastor had gone to Waco to bring his daughter back who is a student in Baylor University. Felicia will remain with her parents until the spring term at Baylor.  
 June Ware and Peggy Floyd, students at Texas Tech in Lubbock, visited with their parents.

Mr. and Mrs. W. P. Ware and Mr. and Mrs. Frank Floyd during the week end.  
 Mrs. Joe Phillips has been with her father, Mr. Alexander in Kemp, Texas, for the past two weeks. He has had several strokes and Mrs. Phillips sent for her husband, Joe Phillips to come to the bedside since her father became very ill. Mr. Phillips left Saturday.

**Elbert Fuller Dies Of Stroke Sunday**  
 Elbert Fuller of Oakdale, Calif., died Sunday afternoon at a Bakersfield, Calif., hospital of a stroke suffered Saturday while enroute home from a visit with his sister-in-law, Mrs. M. P. Fulkerson of Lockney. Mr. and Mrs. Fuller, Mrs. Ada Shands, all of Oakdale, Mrs. F. C. Harcrow, Mrs. Jason Sauls and baby daughter all of Albany, Calif., had spent 10 days here visiting Mrs. Fulkerson and Mr. and Mrs. J. P. Truett. The party had left here Wednesday for their homes in California and Mr. Fuller suffered a stroke about 45 miles out of Bakersfield. He lost consciousness soon after reaching a hospital and passed away Sunday afternoon.  
 Funeral services were scheduled for Thursday of this week. None of the local relatives were able to attend since Mrs. Fulkerson has been in bed for several months with a broken hip.

**Indoor Sports Club Meets At Plainview**  
 The Indoor Sports Club met in the home of Mrs. Mary Spence of Plainview October 26 for a Hallowe'en dinner and party. Hostesses were Mary Spence, Ethel Marshall and Vivian Dudley.  
 "Indoor Sports" and "Good Sports" were present from Amarillo, Post, Lockney and Plainview. Those from Lockney present were Gordon D. McAda, Mr. and Mrs. G. A. McAda; Luther Fowler, Mrs. Fowler and daughter.

The Plainview Indoor Sports Club has helped organize a similar club at Amarillo and officers will be installed there on November 22. The Plainview Club is scheduled to elect new officers this week ending their first year of organization. Starting with 11 members they now have 40.  
 Shut-ins who are not in the club are welcome to join and may do so by contacting one of the members. Many who have no social life outside of their own homes would enjoy a meeting of this type.  
 "Good Sports," those who want to help a handicapped person, are also invited to join. They are needed and welcome.

**CARD OF THANKS**  
 I wish to express my thanks to my many friends who sent cards and flowers and who came to call during my recent illness. Especially to my pastor, whose many visits cheered me and gave me courage.  
 Mrs. A. J. Mabry.

story. If you compare yourself with others you may become vain or bitter; for always there will be greater or lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Be yourself. Especially do not feign affection. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with dark imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline be gentle with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy! — Max Ehrmann.

**GOSSIP IS THE CANCER OF MANY A COMMUNITY** — carried on by people who profess to be what they are not, and whose lives, back of the everyday front they carry are filled with lies and manufactured stories without a base or fact. Many a gossip has a mouth that works faster than their brain — they say things they haven't even thought of yet. Gossip to the gossip is lifeblood — they must have it to live and thrive. The good that men do is of no interest to them. They are interested only in the sordid, the evil, the bad. They strive to hear every happening in the community that may be twisted into a sensational story by adding detail here and there. There are some that throw up their hands in holy horror at the sight of strong drink and yet they commit a deed a hundred times worse by destroying the reputation of a man or woman with lies and deceit that many times have no basis in fact and are the figment of the imagination of an evil mind and a heart full of hatred.

George and Martha Washington made the minuet popular in America.

### With Our EXCHANGES

**LOW ACREAGE LIKELY**  
This district's able Congressman, George H. Mahon, sounded a somber note of warning to area cotton farmers in a speech at Morton the other night. Mr. Mahon told his audience that, because of new cotton lands in New Mexico, Arizona and California, the new cotton program "is going to be a terrific shock to the people of the cotton states."

The Congressman told Cochran County listeners that their county wouldn't get nearly the amount of cotton acreage that was allowed in 1950, the last previous year of acreage allotment which followed 1949's record crop and resulting surplus. Mr. Mahon urged Farm Bureau and Production Marketing Administration members to write to their officials in Washington, explaining that many acres were not planted in cotton in the last two years because of the drought. Mahon fears Washington officials will not take into account abnormal weather conditions of the last two years and, as a result, acreage allotments for Texas and, ultimately, South Plains counties will be greatly reduced. This year's South Plain's cotton crop, although not expected to near the record 1949 figure, will result in a surplus in the nation; hence the controlled acreage plan. New cotton lands in western states are largely responsible for the overproduction. Unless those in position to influence acreage allotments are convinced of the drought effect,

area cotton farmers are likely to be hurt by resulting low acreage allotments.

All, however, is not lost, even if the cotton acreage is drastically restricted, providing area farmers investigate and discover possibilities of other crops on acreage which can't be planted in cotton. Alfalfa, for instance, builds the soil — in contrast to cotton — and reportedly brings about the same profit. There are other soil-building crops, too, which would benefit the area and the individual farmer in the long run, and still result in a reasonable financial gain.—Lubbock Avalanche.

**THE PEOPLE WANT—**  
Sen. Lyndon B. Johnson has been whirlwinding across Texas

these last three months or so, talking to — and with — the folks.

The State's Senior Senator and Democratic Leader in the Upper House has listened to thousands of his constituents in all walks of life during his tours which, thus far, have covered everything but the Amarillo section which will come right away.

Probably better than anyone in Texas, Senator Johnson has caught the people's pulse, State-wide. Thus his summary of the way folks are feeling ought to be pretty factual.

According to the Senator's findings, Texans have their minds made up about these issues and they're not fooling:

They want no backing down from the Communists.

They are for a strong national defense program.

They want U. S. aid to foreign nations sharply curtailed.

They favor a non-partisan approach to our international and domestic problems.

They want, and need, an early lightening of their tax burdens.

They oppose weakening the Taft-Hartley Act.

The Senator adds that on these subjects, most Texans "have very definite opinions, and it helps me greatly to get their views." — The Plainsman in Lubbock Avalanche.

### SIN AGAINST PAPER

Millions of pages are violated with nefarious words which serve no purpose except to transfer word pictures of abomination from the odious writer to the gullible reader. Art and realism are the whipping boys upon whose bruised and swollen shoulders the publisher levels his blows and justifies his staining of sinless white pages. Tall, clean trees sway to the wind beneath bright stars and await the fatal dawn; the day of the ax and saw limbs that kissed the sky are crushed and spread as thin, white pulp, and as a subdued slave, forced to serve the legions of iniquity. — Trail Dust in the been whirlwinding across Texas Matador Tribune.

## Longhorns Fall To Olton 46-13

Statistics		Lockney	Olton

Lost rushing	13	7	
Passes attempted	15	9	
Completed	5	4	
Yards passing	30	72	
Yards penalties	30	95	
Fumbles lost	0	1	

The league-leading Olton Mustangs defeated the Lockney Longhorns 46-13 on the Olton field last Friday night. The Longhorns offense worked good considering the experienced team they were playing and if the local boys had been more accurate on their tackling the game might have been close. As it was the Mustangs scored almost at will against the weak Longhorn defense.

The Longhorns almost scored another touchdown when Jimmie Scott intercepted a jump pass and carried it back to the Olton

were stopped on the one foot line on this drive.

Allen Ray Pinner thrilled the few Lockney fans who made the trip to Olton when he broke through the big Olton line in the first quarter and ran 58 yards to the Olton 2 yard line. The Longhorns pushed that one over, converted and held a short-lived lead 7-6 over the Mustangs. Alcorn and Sueter made most of the scores for the Mustangs behind excellent blocking.

Following is a review of the game:

The Longhorns won the toss elected to receive defending the north goal. The kick was returned to the Lockney 30, the Longhorns made a first down on the 44, made 5, lost 11 on a pass attempt and kicked to the Olton 40. The Mustangs made 6, and then a first down on the Lockney 39. Alcorn swept end for a touchdown but the kick was wide and the score was 6-0.

The Longhorns received and returned the ball to their own 40. Allen Ray Pinner broke through the middle of the line, got clear and ran to the Olton 2 yard line before he was pulled down from behind. The Longhorns made 1 and then Jimmy Williams went over center on a quarterback sneak for the score. On a fake kick the Longhorns were penalized five for delaying the game and then Williams passed to Mickey Jones for the point. Score 7-6, Lockney.

The Mustangs returned the kick to their own 30, made a first down on the 42 and then Alcorn broke into the clear but Mickey Jones pulled him down from behind on the Longhorns 19 yard line. The Olton team drove for another first down on the 7 and then a pass to Sueter was good over the goal but was nullified by a 5 yard penalty against the Mustangs. The Longhorns were immediately penalized 5 also and on the next play the Mustangs drove over for the score. The conversion attempt wasn't good and the score was 12-7, Olton.

The Longhorns returned the kick to their own 37, made first downs on their own 49, on the Olton 38 and on the Olton 25. Here the drive fizzled and Olton took over on their own 19.

The Mustangs made a first down on the Lockney 49, were penalized 15, made 10 and then Alcorn broke through to go all the way. The point was kicked and the score was 19-7.

The Longhorns returned the kick to their own 27, were penalized 5, had two passes incomplete and kicked to the Olton 44. Again the Mustangs made 1 and then broke Alcorn loose for a touchdown. Try for point failed and the score was 25-7.

The Longhorns received a Olton was penalized 15 yards and

ton 45. The local lads couldn't go however and kicked to the Olton 20.

The Mustangs made a first down on the 31, had a pass for the score nullified by a 15 yard penalty, made another first down on the Lockney 46, a first on the 32, had a pass incomplete and drove to a first on the 13. They were penalized 15 yards but made 22 on a ground play to get it back and more. They drove to the one yard line as the half time whistle blew.

The halftime period saw a Hallowe'en show by the Longhorn band featuring an old witch who turned two of the band members into red devils. It was an entertaining show.

The Mustangs received the kick to begin the third quarter of play, returning the ball to their own 30. They drove for a first down on the Lockney 23 on the first play, made another on the Longhorn 14 (it was one of two times during the game that the Mustangs made first downs on 9 yards gain) and from that point drove over for the score. They also kicked the point to make the score 32-7.

The Longhorns returned the kick to their own 29, were penalized 15, made 12 yards, had a pass incomplete and kicked to the Olton 29. They received, fumbled the ball, however, and Mickey Jones recovered for the Longhorns on the Olton 30. The Longhorns made a first down on the 16, made 2, had a pass incomplete, made 3 and then Jimmy Williams passed to his brother, Paul Ray for the score. Try for point wasn't good and the score was 32-13.

Olton got the score back in a hurry when Alcorn took the kick on his own 20 and ran all the way for the touchdown. The point

39-13.

The Longhorns returned the kick to their own 37, made 4 and then a pass from Jimmy Williams to Mickey Jones was good for a first down on the Lockney 48. The Longhorns made 3 and 4 and a first down on the Olton 36, another pass Williams to Jones was good for a first down on the 26 but here the drive fizzled and Olton took the ball on the Olton 22. They drove for a first on their own 31 (note only 9 yards) and then Jimmy Scott stepped in to intercept a pass and return it to the Olton 6. Jimmy Williams made 2 on a quarterback sneak, 3 on the same play but on the next play was dropped for a yard loss and on fourth down with 2 yards to go Pinner made 1 1/2 yards. The Mustangs took the ball on their own 1/2 yard line, made 9 on the first play, then quick-kicked to the Lockney 43. The Longhorns made 2 on a pass, had two more passes incomplete and kicked to the Olton 21. The Mustangs passed for a first down on their own 40, made another first down on the Lockney 48, another pass was good for a first down on the Lockney 37, lost 2, were penalized 5, made 7 and then completed a pass to the Longhorn 18. They were penalized 5, made nothing, had a pass incomplete, lost 5 and then completed a pass for the score. They also passed for the extra point making the score 46-13.

The Longhorns returned the kick to their own 15, had a pass intercepted on the first play but the Mustangs were penalized 15

and then a pass which was incomplete as the game ended.

**EDITORIAL**  
 Everyone notice everyone  
 getting into the school  
 dragging up the  
 morning? As you  
 the morning after  
 and before. Everyone  
 through my half-closed  
 looked as though they  
 for a month. If they  
 me, they felt like they  
 for that long, too.  
 were several parties held  
 night and then, after  
 parties, there were  
 on the teacher's lawns!  
 the school buses were  
 down Main Street  
 the iron's back yard.)  
 that many exciting  
 happened, but I couldn't  
 kids to tell me  
 they did. Besides, I'm  
 to care.  
 next week.

at this week is a fresh-  
 very sweet little gal  
 a pleasing personality  
 cute little smile.  
 in the band is an out-  
 ber of her class.  
 about last week was cor-  
 identified by Freddie Mer-  
 was Jimmy Myers.

## Betty Johnson Elected Football Queen

by Eddie Joe Foster  
 The Lockney Longhorn foot-  
 ball team elected Betty Johnson  
 their 1953-54 football queen.  
 Betty is a senior and is head  
 cheer leader of the Pep Squad.  
 She is 5' 6" tall, with black hair,  
 brown eyes and a wonderful  
 personality.  
 Her attendants, one from each  
 class, are Joan Harris, Clara Lee  
 Smith and Lynn Jolly.  
 Betty will probably be crowned  
 in an assembly the day of the  
 Littlefield or Tullia game.

## Band Performs

The performance this week  
 was a mixture of Hallowe'en  
 and marching maneuvers. They first  
 played the "Marines Hymn" and  
 did a series of military maneu-  
 vers. They then executed a series  
 of four right flanks and four left  
 flanks.  
 Then they formed the outline  
 of a witch. The lights were then  
 turned out and everyone scream-  
 ed. "Dragnet" was played and  
 the lights came on only to re-  
 veal two devils and a witch be-  
 developing the band members. The  
 band went into formation, march-  
 ed to the end of the field, exe-  
 cuted a counter-march and a-  
 gain down and off the field.  
 During this time the witch and  
 the devils pranced about in the  
 band.  
 The program was enjoyed by  
 all.

Marion Cross surely did enjoy  
 that song in assembly last Fri-  
 day "Romance Ricochet."  
 Martin Van Buren was the first  
 President to be born a citizen of  
 the United States.  
 William C. Bullitt was the first  
 United States Ambassador to  
 the Soviet Union.

## Assembly Enjoyed

Everyone enjoyed the second  
 assembly program in our new  
 auditorium given by the Honor  
 Society Friday. Eddie Joe Foster  
 made a good master of ceremon-  
 ies as he presented the following  
 program. The band played. This  
 was followed by the invocation  
 given by Jimmy Myers. Rosemary  
 McDonald played "Clarinet Pol-  
 ka" on her clarinet and was  
 accompanied by Delores Russell  
 on the piano. "I See the Moon"  
 and "Side By Side" were sung  
 by Charlotte Ragle and Louise  
 Tomme, who were accompanied  
 by Barbara Hays at the piano.  
 The band played "Bepaze Band."  
 Joan Harris sang "Ricochet  
 Love" and was accompanied by  
 Sandra Myers. A pantomime en-  
 titled "Ah" was presented. The  
 characters were Ann Belt, hero-  
 ine, Jimmy Myers, hero, Jerry  
 Holmes, thief, Roy Johnston, cop,  
 and Sue Wofford, maid. De-  
 anne Arterburn tap danced to  
 "Mr. Tap Toe" and "Anchors  
 Away." "My Best To You" and  
 "Stormy Weather" were sung by  
 Barbara Carthel as Sandra Myers  
 played for her. We were favored  
 by two songs by the Chapel  
 Group. The band played "High  
 School Cadets". Announcements  
 were made and the assembly  
 closed with the singing of the  
 School Song.

## Seniors Enjoy Party

The mothers honored the senior  
 class with a masquerade party  
 Hallowe'en night at the Old  
 Prairie Chapel School. The sen-  
 iors came in costume and prizes  
 were given for the best costum-  
 es. Harleen Workman and Billy  
 McAda had the most original  
 costumes. They were dressed in  
 costume for the roaring '20's.  
 Patty Adams and Jimmy Myers  
 were the most disguised. Patty  
 was dressed as an Indian Maid-  
 en with long black braids. Jim-  
 my Myers was dressed as a  
 Mexican senorita.  
 The mothers had worked very  
 hard on the party. Square dan-  
 cing and games were enjoyed and  
 refreshments of hot cider and  
 pumpkin pie were served to the  
 seniors. We want to thank our  
 mothers for giving us such a  
 nice party.

## Longhorns Lose To Olton

The Longhorns dropped a 46-13  
 decision to Olton Friday night.  
 The Longhorns made a very good  
 showing against the highly rated  
 Mustangs.

The Longhorns scores came on  
 a 2 yard sneak by Jim Williams  
 and a pass to reserve back, Paul  
 Williams. The extra point also  
 came on a fake kick and pass to  
 Eddie Foster.

But scoring did not mean any-  
 thing, it was the courageous  
 running of Allen Pinner who  
 ran 57 yards to the Olton 2 yard  
 line to set up the first score and  
 went for more long gains ably  
 assisted by fullback Bill McAda  
 with his crushing line plugging.

The linemen had their stars  
 also, Mickey Jones caught 4 passes  
 and Eddie Foster caught 1 on  
 defense. Roy Johnston, Marion  
 Cross and Weldon Jones did very  
 well, getting several crushing  
 tackles. Alcorn tallied 31 points  
 for the winners.

## How Do You Like High School?

Shirley Warren — I think it's  
 a mess (then she laughed).  
 Mary Ford — Fair to middling.  
 Nelda Widener — It's different  
 for a change.

Katie Rucker — I like it real  
 well.

La Juan Henderson — I think  
 it's just dinkey.

Pat Bybee — One complaint  
 (recesses aren't long enough).

Pat Bayley — Well, it isn't  
 very new to us but.

Lynn Jolly — It's so different.

Floy Baxter — Lots better than  
 grade school.

Jacqueline Boyd — Ohh!  
 Joyce Golden — Not enough  
 school spirit.  
 Let's take heed to that last  
 hint.

## Senior Pictures Arrive

by Jimmy Williams and  
 Rosemary McDonald  
 SENIOR PICTURES ARRIVED  
 MONDAY AT 11:35 A. M. You  
 may pick yours up at the office  
 anytime Thursday, Friday or  
 thereafter. This is strictly on a  
 cash and carry basis.

## Shorthorns Win

by Jimmy Williams  
 Coach Dempsey Alexander and  
 his well trained grade school  
 Shorthorns rolled over the Olton  
 Freshman team by a score of 14  
 to 6. Coach Alexander took over  
 a losing grade school team and  
 so far they have been undefeat-  
 ed. Keep it up, Coach.

Wesley Eiland was the big  
 man in the Shorthorn backfield,  
 picking up consistent gains on  
 end sweeps and great line  
 smashes. He scored on an "off  
 tackle slash" from 18 yards out.  
 Neilson Wofford teamed up with  
 Wesley to complete 5 of 7 passes.  
 Kelly Harrison, played a whale  
 of a defensive ball game, broke  
 through the line, intercepted a  
 pass and went 46 yards twice.  
 The Olton Quarterback ran for  
 65 yards and the lone Olton tal-  
 ley.

Defensive standouts included  
 Williams, Eiland, Farrish, Har-  
 rison and Bruce Lynn.

## FHA News

by Pat Pierce  
 As every one in F. H. A. knows,  
 this is F. H. A. Week everywhere.  
 Betty Johnson, the president,  
 and Mrs. Irons, the sponsor,  
 worked out a schedule for this  
 week. The schedule is as fol-  
 lows:

Monday: Publicity Day.  
 Tuesday: The F. H. A. mem-  
 bers will be known by the little  
 red and white ribbons on their  
 collars.  
 Wednesday: The dues of fifty  
 cents will be due.  
 Thursday: Card day and Rose  
 Tea.  
 Friday: Assembly Program.  
 Thursday, the card day and  
 rose tea will be held in the  
 cafeteria. Every one will bring  
 a Christmas card for admittance

## Lotta Bull

by Little Willy  
 The Longhorns were not only  
 getting ready physically for  
 Olton last week, but mentally  
 when Coach put an "off limits"  
 sign on girls for football play-  
 ers.

Here is some of the latest —  
 Bucky Duvall is finally getting  
 people to call him Lover Boy —  
 He deserves it — He has tried  
 long enough — And just to make  
 it official, we dub you Lover  
 Boy Duvall — drip — Jimmy  
 Rankin has, although going  
 steady, a big project in Ag. and  
 it's not agriculture. He ought to  
 have a name too. — Clifton Wil-  
 liams, we heard you could not  
 sit down last week. Why? Each  
 Friday night the coaches notice  
 more and more cars and people  
 waiting for the boys — What's  
 wrong with that? — We have  
 less and less boys! R. M., a good  
 looking senior girl sure has  
 grown interested in football this  
 year — Sam — Coach Lyon said  
 he had quite a storm at his place  
 Hallowe'en night.

Station K-BULL brings you the  
 Lockney Longhorn lineup for the  
 Olton ball game—

Handley Shop & Pump Company present another picture of a Floyd County mystery  
 Neither Handley's Shop nor The Beacon office knows who this farm belongs to. To  
 first person who correctly identifies it goes two theatre tickets compliments of Plains  
 Theatre and Seale Drive-In Theatre here. The owner or occupant of the farm will be given  
 original photo by Handley Shop & Pump Co. if he will come to The Beacon office not  
 later than Monday and give us some information concerning the farm. Can you identify  
 northern Floyd County farm?

## Winter won't worry your Ford

If you ready it now . . . and ready it right!

With winter cold just around the corner, it's more impor-  
 tant than ever to make sure your Ford is in top condition.  
 Winter's when you ask the most from your Ford. And cold  
 weather may give your Ford the most punishment it gets  
 all year. But winter is no time to be needing repairs!  
 That's why most Ford owners are having their Fords  
 "winterized" at their Ford dealers' now . . . before cold  
 weather comes. That's because we Ford Dealers and our  
 mechanics know Fords . . . use factory-approved methods  
 . . . and have at our disposal Genuine Ford Parts!

Let us "winterize" your Ford now!  
 Then your Ford won't even know it's winter!

### Extra Deputies Are Released

Albert Dutton of Lockney and A. F. Garrett of Floydada have both been relieved of duties as Floyd County deputy sheriffs effective November 1. The men were released in an economy move, members of the Commissioners Court said. They were appointed as special deputies by Sheriff Earl Cooper starting October 1, to help handle duties of that office during the fall rush season.

### Lockney High Will Have Western Week

The traditional Western Week will be observed at Lockney High School next week beginning Monday morning, according to an announcement made Tuesday.

Anticipation is running high among the students who look forward each year to the time set aside to dress in the true western style and participate in activities that make for real fun.

### IN MUSIC RECITAL

Carolyn Harris, Bonnie Allen and Linda Gayle Harris, pupils of Mrs. C. L. Record, played in a music recital in Lubbock Tuesday night of last week. The recital which presented 35 pupils was sponsored by the South Plains Music Teachers Association. Accompanying the pupils were Mrs. Clark Harris, Mrs. Wallace Allen, Mr. and Mrs. C. L. Record and Donna Lyn.

### BELINDA HARTLEY

Mr. and Mrs. Edgar Hartley have named their first child, a daughter, Belinda Susan. Arriving Thursday night, October 29 about 10:45 in the Medical & Surgical Hospital, little Belinda weighed 7 pounds. Her grandparents are Mr. and Mrs. W. R. Hartley of Lockney and Mr. and Mrs. W. C. Singer of Brownwood, formerly of Lockney. The Edgar Hartley's live on the Singer farm south of town.

### Council Opposes Phone Rate Hike

Mayor J. E. Cox said this week that the Lockney City Council, or at least all he had talked to, were opposed to any raise in telephone rates here and would never consent to giving the telephone company permission to raise the rates.

Last week Southwestern Bell Telephone Co. filed a request with the City Secretary for permission to raise local rates. Permission must be granted by the Council before the raise can be put into effect, however.

"The telephone company has had four rate raises in four years here and we're not going to give them another one if there is anyway we can avoid it," Mayor Cox said.

### Lockney High Will Observe American Education Week

A special program in assembly on Friday morning of next week will mark the Lockney High School's observance of National Education Week November 8-14. National Education Week is sponsored by the National Education Association, the American Legion, the U. S. Office of Education and the National Congress of Parents and Teachers.

The assembly program on Friday morning of next week will be presented by the Speech Class under the direction of Johnny Truelove. Principal F. M. Smith said that the public is especially invited to attend the assembly program and to visit school during the week.

Central theme of this year's observance is addressed to the individual citizen, "Good Schools Are Your Responsibility." The daily topics relate to various aspects of the modern school program and to some of the school's most urgent needs. They are "Moral and Spiritual Foundations," "Learning the Fundamentals," "Building the National Strength," "Preparing for Loyal Citizenship," "The School Board In Action," "Your Child's Teacher," and "Parent and Teacher Teamwork."

"Good schools do not just happen," Mr. Smith pointed out. "In each community and state schools are what we make them. They must have our interest and support — during American Education Week and during every week of the year."

### Charlie Cross Hurt When Trailer Falls

Charlie Cross narrowly escaped death Sunday of last week when a jacked-up trailer fell on his back while he was underneath doing some repair work. Mr. Cross was taken to Lockney General Hospital where it was found that he had received two broken bones in his back and several vertebrae had been jammed.

Mr. Cross was taken to a Plainview hospital Monday where he was placed in a complete waist cast. He was returned home Wednesday morning and although still weak, he was able to be up some. He will have to remain in the cast for three months, Mrs. Cross said.

### Larry Lynn Carter Is Improved

Larry Lynn Carter, 7, son of Mr. and Mrs. J. M. Carter of the Whitfield community, is improved although he is still in the polio ward at the Plainview Hospital. Larry Lynn became ill two weeks ago and entered the hospital October 24. He has some paralysis in the left arm. The family live on Route 1 out of Lockney and the boy attends the Kress school.

### NEW ARRIVAL

Mr. and Mrs. Gene Rodgers are parents of a baby son born Wednesday morning, November 4 at 2:00 a. m. at the Medical Center in Plainview. The young man, who weighed 7 pounds has not been named yet. Grandparents are Mr. and Mrs. E. J. Rodgers of Lockney and Mr. and Mrs. J. E. Copas of Santa Barbara, California. Mrs. W. A. (Sylvia) Taylor, aunt of the new baby has been spending some time in Plainview visiting the new relative.

### CARD OF THANKS

We are deeply grateful to our friends and acquaintances for the many cards, letters, phone calls and flowers received while Mr. Lawson was in the hospital. We appreciate every one and we thank you for your interest.

Mr. and Mrs. E. M. Lawson.

GO TO CHURCH SUNDAY.

### Baby Is Run Over By Car Friday

The 3-year-old daughter of Mr. and Mrs. Carl Brewer of Sterley was run over by the family car in an accident at the home Friday of last week. The baby sustained head injuries but was released from the Medical-Surgical Hospital here Tuesday after treatment.

Mrs. Brewer was backing the car out of the drive-way when the door came open and the little girl fell under the car, a wheel passing over her head before the car could be stopped. She is doing fine now, friends reported.

### CATCH FISH

M. D. Lynn and sons, Bruce and Sam, went fishing on Lake Kemp last Saturday and brought home 30 sand bass. They reported this week. The fishing was very good, Mr. Lynn said.

### BYBEE VISITORS

Visitors during last week end in the home of Mr. and Mrs. Delbert Bybee included their daughter, Freda Bybee who is employed in Dallas, Mr. and Mrs. Jerry Mudgett of Slaton, a Mr. and Mrs. Wendell Eddins of Sudan.

Mr. and Mrs. T. B. Cox of Hereford, Mr. and Mrs. Everett Cox of Plainview visited Mrs. Ella Casey, Mrs. W. L. Thomas and Mrs. G. C. Fairley Friday afternoon. T. B. Cox is a nephew to the local women.

Those from Lockney attending the kick-off dinner of the Community Concerts Association in Floydada Monday night were Mrs. Chester Mitchell, Mrs. Edgar Hays and Barbara.

Visitors during last week end in the home of Mr. and Mrs. H. A. Kiser in Lockney were Mr. and Mrs. E. A. Miller of Vernon and Charles Cook, student at Texas Tech, Lubbock.

Mr. and Mrs. Jesse Harris and children visited in Fort Worth and Dallas over the week end and attended the Texas University-S. M. U. football game Saturday.

### Farm Bureau To Meet Nov. 9-11

Waco. — The 20th annual state convention of the Texas Farm Bureau Federation will be held Nov. 9-11 at the Baker Hotel in Mineral Wells, according to President J. Walter Hammond.

This will be the most important meeting of the year for the state Farm Bureau — when resolutions will be adopted that will spell the organization's official policy for the ensuing year. To be decided at the convention will be the Texas Farm Bureau's policy on various state issues and its recommendations for a national farm program.

State issues likely to be considered are water problems, rural roads, sales tax, tractor gas refund, funds for increased research and a host of others. National issues which probably will receive much attention are support price on cattle, flexible vs. rigid support prices, acreage control and many others.

The state resolutions committee will convene in Mineral Wells Nov. 4 to assimilate the county resolutions according to subject. Registration for the convention will get underway Sunday afternoon, Nov. 8. Vesper services will be held that night.

Monday morning will be devoted to an open hearing on resolutions. Commodity and special conferences will be held that afternoon.

Monday night is recognition

night. County leaders made outstanding contributions to the organization past year will be honored.

The highlight of the night's activities will be the state-wide auction Queen Contest. A queen will be chosen from among contestants from all counties.
