## Lockney-Tulia In Cellar Battle Here Friday

The Lockney Longhorns and Tulia Hornets, each playing their last game of the season, will be battling to see who occupies the cellar in District 2-AA Friday night when they tangle on Mitchell-Zimmerman Field here.

The Longhorns are all in good shape with the exception of Denny Quisenberry and he will probably see lots of action in the line, barring further injury. Coach Johnny Truelove said Wednesday. Quisenberry played a good part of the game against Littlefield last week and came through the game in good shape.

### FOOTBALL QUEEN WILL BE CROWNED

Miss Betty Johnson, daughter of Mr. and Mrs. Ike Johnson, will be crowned football queen 10 minutes before game time on Friday evening of this week. She is a senior in high school. Her attendants will be Joan Harris, Junior, Clara Lee Smith, sophomore, and Lynn Jolly, freshman. Escorts will be Co-Captains Denny Quisenberry and Roy Johnston, Don Hollums and Gene Handley.

He suffered a leg injury some six weeks ago that has given him lots of trouble. He will not be used in the backfield, the Coach said, because of danger of reinjury to the leg.

Six senior boys will be playing their last game for Lockney High Friday night. They are Quisenberry, Jimmy Williams, Roy Johnson, Allen Ray Pinner, Billy McCada and Eddie Joe Foster. These boys are all regulars on the team.

The Tulia Hornets, getting seven boys back from their team of last year, were reputed to be really good this year but something happened along the way and they haven't won a game all season while the Longhorns have won one and lost eight. Their district records relative to points scored and given are about the same. The Longhorns have scored 34 and allowed 138 while the Hornets have scored 25 and allowed 127. Comparative scores with other teams indicate the teams are about even also.

Last week Olton defeated Tulia 31-0 while the Mustangs defeated Lockney 46-14 some three weeks ago. Littlefield defeated Lockney 38 to 21 last week while they defeated Tulia 26-13 some weeks ago.

Tulia's attack is built around Shot Hudson, 175 pound half-back, who is a senior on the club.

The game will be called at 8 p. m.

## Joseph R. Riddle Dies Here Sunday

Joseph R. Riddle, 96 years of age, passed away at his home in Southwest Lockney Sunday afternoon at 5:30 o'clock after an illness of three weeks. Mr. and Mrs. Riddle had lived in Lockney the past eight months coming here from Bethlehem, near Farmersville, Texas.

Funeral services were held at the Carter Funeral Chapel in Lockney Monday afternoon at 3:00 o'clock conducted by Elder D. L. Handley of the Primitive Baptist Church. The body was carried to Bethlehem where interment was made at 3 p. m. Tuesday. Grandsons of the deceased were pallbearers.

Mr. Riddle was the father of Mrs. J. B. Howard and Mrs. A. H. Turner, both of Lockney.

The deceased was born in Murray County, Tennessee on August 30, 1857 and came to Texas with his family when he was a young man of 16. He was married to Miss Hettie F. Watson on December 29, 1896 at Texarkana, Arkansas. He had worked as a railroad and farmer most of his life.

He was a member of the Woodman of the World lodge.

Survivors include his wife, the two daughters of Lockney; one son, Ernest J. Riddle of Greenville; one brother, Bob Riddle of Colbert, Okla.

## Some Stores Will Close Thanksgiving

Some Lockney stores will close for Thanksgiving, Thursday of next week but a few will remain open, it was indicated this week in a partial check by The Beacon.

The Beacon will be issued on Wednesday morning next week due to no mail routes running on Thursday and at that time we will attempt to carry a complete list of those who will close for Thanksgiving.

## Methodist Dist. Conference Here

The Lockney Methodist Church was host to the Plainview District Conference of the Methodist Church, Tuesday, November 17. Dr. Martin Boyd, District Superintendent of the Plainview District, presided and Rev. Floyd Dunn, minister of the Sudan Methodist Church acted as secretary. Reports from the churches of the district were given and the various connectional agencies of the Methodist Church had special representatives who spoke on behalf of these institutions. The ladies of the church served the noon meal.

About 250 people were present for this conference which was highlighted by the inspirational message of Rev. Marshall Rhev, District Superintendent of the Stamford District, and the appearance of the Chanters, a fifty voice choral group from McMurry College of Abilene, Texas. Dr. Richard C. Von Ende, directed this choir in the singing of several selections. The Indianaires, a male quartet, were also featured on the program of the McMurry group. The Olton Methodist Church invited the District Conference to convene in their church next year.

## Matt W. Lyles Is Buried Saturday

Matthew W. Lyles, a farmer of the South Plains community for 25 years, was buried in the Lockney cemetery Saturday afternoon following funeral services at the Carter Funeral Chapel at 1:30 p. m. Mr. Lyles passed away about 11 p. m. Wednesday of last week in St. Anthony's Hospital, Amarillo. Alva Johnson of Turkey conducted the services.

Mr. Lyles lived in the South Plains community until 1948 when he moved to a farm near Winneford, Okla. He lived there for several years and then bought a farm near Versailles, Missouri, where he lived for a year before he moved to Amarillo. He had lived at Amarillo about six months when he passed away. He was born June 28, 1875, in Tennessee and was 78 years of age.

Mr. Lyles first wife died in 1943. In 1947 he was married to Mrs. Eula Mae Ballard and she is among survivors.

Other survivors are three sons, Clarence of Oklahoma City, Omer of St. Louis, and Roy of Canyon; six daughters, Mrs. C. W. Hargis of Amarillo, Mrs. Helen Lyles of Amarillo, Mrs. Gayle Hatfield and Mrs. Frank Ellis, St. Louis, Mrs. Audrey Williams and Mrs. Johnnie Williams, of Portales, N. M.

## Physicians Offer Free Diabetes Test

In observance of National Diabetes Week, Nov. 15-21, local physicians are offering a free check for diabetes. Any person may see their family physician and secure the test without cost, according to local physicians.

The local observance is part of a national movement to detect diabetes in the early stages. A urine check is used to detect the disease. Saturday is the last day local physicians are offering the check.

Visitors in the home of Mr. and Mrs. F. U. Payne during last week end were Mrs. Payne's sister, Mrs. L. Bowen and Mr. Bowen from Dallas, and Mrs. John Berry and Mr. Berry from Greenville.

## Floyd Huff Dies Suddenly Mon.

Stricken while driving a tractor on his farm just west of town Monday afternoon, Floyd Huff passed away soon afterward. He was rushed in a Carter ambulance to the Lockney General Hospital where efforts were made to revive him but to no avail and he was pronounced dead about 5:15.

Mr. Huff had been driving a tractor with a stripper on it and had been climbing into the trailer to shovel the cotton back. However he called Udell Cunningham, who was working in the same field, to help him and Udell had climbed into the trailer to take care of that part of the work. They had driven only about 50 yards when Mr. Huff stepped the tractor and slumped over the wheel. Udell jumped out of the trailer and went to him. Seeing that something was wrong, he called Mrs. Huff and her father, W. C. Watson, who were in the same field. Mr. Watson went for an ambulance and other men in the field helped lift him off the tractor. He was then rushed to the hospital.

Although medical examinations in the past had revealed he had a "nervous heart" it was not believed to be a serious condition, members of the family said.

Funeral services were held Wednesday afternoon at 2:00 o'clock at the Main Street Church of Christ conducted by Minister Jay Channell of Midland assisted by Minister George DeVoll of Lockney. Interment was in the Lockney cemetery under the direction of Carter Funeral Home. Pallbearers were Henry Ford Jr., Kelson Shaw, Robert Lee Smith, Albert Willis, Francis Montandon, Austin Meriwether, Herman Thornton and Barney Manning.

A large crowd attended the services and a profusion of flowers expressed the regret of a large number of friends.

Floyd Washington Huff was born February 22, 1895 at Manchaca, in Hays County, near Austin. While a young man he moved to Montoya, N. M., and then came to Lockney in 1913 to attend the Lockney Christian College. Later he went to Hollis, Okla., where he worked with his brother on a newspaper. On June 6, 1916 he was married to Miss Madge Watson of Lockney and the couple settled here to make their home.

Mr. Huff worked as a bookkeeper in the First National Bank here in the early days and later operated a men's clothing store. In 1928 he, W. C. Watson and H. P. Coleman established a Piggly-Wiggly grocery store here, the first in Floyd County. Later he purchased the interest of the other men and changed the name to Huff's Food Store which he and Mrs. Huff operated until 1944 when he sold to W. H. Counts. At that time he bought a farm at the west edge of the city which he has operated since.

Mr. Huff has been a member of the Church of Christ since early manhood and served as an elder and song leader for about 25 years. He held the position of city secretary here when the first brick paving was put down and had always been active in civic and church affairs.

Survivors include his wife, one son, Olin Huff of Austin; one daughter, Mrs. Douglas Dege of Lubbock; his father, A. C. Huff of Plainview; four brothers, Tom of Dallas, Otto of Melrose, N. M., Gus of Henderson, and Leslie of Austin; four sisters, Mrs. Owen Burk of Plainview, Mrs. Pete Fulbright of McLean, Mrs. Clyde Horrell of Temple, and Mrs. E. O. Dennis of Oklahoma City. Four grandchildren also survive.

## Legion Will Have Barbecue Tonight

The Lockney American Legion Post is having a free barbecue on Thursday night (tonight) starting at 8 p. m. at the Legion Hall. All members of the Legion post and their wives are invited. Also an invitation is extended to all veterans and wives who are eligible for membership, members of the post said.

## Board Signs Contract Giving Option To Purchase General Hospital

### Beacon Out Early Next Week

Due to the fact that no mail routes will run out of the local post office on Thursday of next week, which is Thanksgiving Day, The Beacon will be issued on Wednesday morning.

Our correspondents, advertisers and other news contributors are reminded to get us their copy as early as possible.

## Canyon Voted Into District 2-AA

Canyon was voted into Inter-scholastic football District 2-AA and Supt. W. C. Irons of Lockney was elected district committee chairman in a district committee meeting at Olton Monday night of this week.

Canyon was a member of District 1-AA during the 1953 football year but requested admittance to District 2-AA and the committee voted unanimously to admit the school. The 2-AA district next year will be composed of Lockney, Floydada, Canyon, Tulia, Muleshoe and Olton.

F. M. Smith, principal of Lockney High School was named secretary of the district committee.

Other business attended to by the committee included:

Two-way and three-way ties will be settled the same as this year with teams in a two-way tie being declared co-champions and the winner of the game where the two played representing the district. In a three-way tie a flip of the coin will decide the district representative.

The committee voted that four officials would be used in games next year. Admission to district games will be the same as this year, \$1.00 for adults and 50c for children. The band and pep squad from the schools will be admitted free to the games. Each school will contribute \$7 toward cost of the championship trophy. Games will begin at 8 p. m. as they did this year.

All schools in the district were represented at the meeting.

## Longhornettes Win From Floydada

The Lockney High School Longhornettes, girls basketball team, won a game from Floydada High School girls Tuesday night 34 to 27. Coach Dempsey Alexander said that the girls have been working out only one night a week and using the Floydada gym for that since the local gym isn't ready for use yet.

Coach Alexander was scouting around for a large quonset barn or some suitable place where a goal could be put up and workouts could be held. "One workout a week isn't getting the job done," Alexander said. "If anyone has a place we can use we'd sure like to hear about it" he said.

Starters on the Lockney High team were Patsy Poteet, Nell Cunyus and Margaret Holt, forwards; Darla Allison, Rosemary McDonald and Betty Jean Jackson, guards.

## Singing Here At Auditorium Sunday

The regular Fourth Sunday Singing will be held at the City Auditorium in Lockney next Sunday afternoon starting at 2 o'clock. It was announced this week by Joe Reeves, president.

Everyone who enjoys singing is urged to attend, Mr. Reeves said. Some out-of-town singers are expected.

Mr. and Mrs. J. W. Martin of Clovis returned home Sunday after spending ten days here in the George Beedy home. Mrs. Beedy's sister, Mrs. Burgett and Mr. Burgett of Clovis accompanied the Martins to their home.

## 41% Of Cotton Crop Is Pulled

Local gin men agreed with H. R. Garza, TEC representative this week in an estimate that 41% of the current cotton crop has been harvested. Harvesting was going along at a fast clip Wednesday with only one foggy morning this week to hinder operations. Some strippers have been operating and if the predicted freeze comes Thursday it won't be long before a large number of strippers will be operating.

Mr. Garza, who has been here for the past month or six weeks, placing harvest hands, left Wednesday morning returning to South Texas where he will work in the vegetable harvest.

He estimated that there are 2000 transient hands in this area now including Mexican Nationals.

Some farmers lowered their pulling price this week in this area, dropping to \$1.75 per 100 pounds delivered to the gin. The movement started in the Lubbock-Petersburg area last week and apparently is spreading this week.

### Feed 75% In

Despite the fact that a lot of the grain sorghum was still too wet for the loan, elevator men estimate that 75% of it has been harvested. Most of that coming in Wednesday was running between 15% and 16% moisture which is too high for the loan.

Some feed is falling down and for that reason farmers are anxious to get it out. A high wind at this time would cause a great loss to farmers with feed still in the field.

## Annual Boy Scout Drive Friday

The annual Boy Scout fund drive will be made here Friday morning with workers meeting for a kick-off breakfast at the Baker Hotel. About 20 men are expected to participate in the drive and it is expected that it will be completed in a short time.

The breakfast is scheduled for 7 a. m.

Funds secured in the drive will go to support the Boy Scout movement in the South Plains Council, an area composing some 20 counties. Goal for the entire council is \$81,303.99 which includes the salaries of some 15 full time workers with Scouts.

Camping activities are also included in the Council budget as well as a training program for leaders, and numerous other minor items.

No goal has been set for local contributions to the fund but workers are expecting to raise around \$1,000 for the fund.

## Methodists Plan Thanksgiving Service

A special Thanksgiving service will be held at the Lockney Methodist Church on Wednesday evening, November 25, starting at 7:30. It was announced this week by Rev. Burgin Watkins, pastor.

Special music will be furnished by the junior choir and the pastor will deliver the Thanksgiving sermon.

"This service will provide an opportunity for those attending to express their thanks to the Creator for His goodness to them this past year," Rev. Watkins said.

The public is invited to attend.

Lon Wallace of San Angelo spent Monday of last week in Lockney in the interest of some land he owns in the old Rosland community. He was a guest in the Delbert Bybee home. Mr. Wallace is a former resident of this section.

The board of directors of the Lockney General Hospital have signed a contract with Dr. J. W. Mangold, giving him an option to purchase the hospital and clinic, subject to approval of the membership of the hospital association, it was announced this week by Hubert Frizzell, chairman of the board.

A meeting of the membership will probably be held sometime in December, Mr. Frizzell said, and the matter will be presented to them at that time. Details of the contract were not revealed by Mr. Frizzell but will be presented at the membership meeting, he said. The board voted unanimously to enter into the contract.

Dr. Mangold, who has been chief of staff here since January of 1952, recently had been approached with a proposition to move to Floydada and set up a private practice. He said this week that he definitely had decided against the move however.

The hospital was organized as a co-operative and began operations on April 1, 1947. The local hospital has probably been operated more successfully than most co-operatives although many problems have confronted the directors and membership during its period of operation.

Dr. Gene Hardy, who has been on the staff of the hospital most of this year, will continue with the hospital. Contrary to rumors that he would be called into service soon, he said this week that he did not expect to be called soon if at all.

## Thanksgiving To Be Observed At Baptist Church

Thanksgiving will be observed at the First Baptist Church here Sunday with a Thanksgiving service Sunday morning and a basket dinner at the noon hour. Rev. R. E. Wiley, pastor, said that plans include the serving of some wild meat, duck, geese and deer. Those attending the morning service are urged to bring a basket lunch and stay for the noon lunch.

The morning service will emphasize Thanksgiving with the music and sermon on that theme.

A high attendance goal of 404 has been set for the Sunday school and workers are striving this week to reach that mark. Each department of the Sunday school has a goal of 71% of their enrollment which will make an attendance of 404.

The church will take a special offering Sunday morning at the conclusion of the service to retire an indebtedness of \$4,000 incurred last spring in a redecorating program.

## Shorthorns Will Play Last Game Tonight

The Lockney Shorthorns, eighth grade football team will play their last game of the season tonight (Thursday) at Floydada with the Floydada eighth grade, Coach Dempsey Alexander said Wednesday.

The Shorthorns have had a very successful season winning five games thus far and losing none. They defeated Floydada on the local field 20-0 last week.

The game tonight will begin at 7:30. There is a possibility that the 7th grade will play a game also and if they do that game will begin at 6:30.

| Fumbles lost     |  | 4       | 3           |

The Longhorns lost their third district game of the season last Friday night to the Littlefield Wildcats 38 to 21. The score might have been closer since the Longhorns had the ball on the Whirlwinds 1 yard line when the final whistle blew. It was a rough game with two Littlefield players being banished for slugging and the Wildcats getting an even 100 yards in penalties. The Longhorns 50 yards in penalties included three for 15 yards each.

Coach Johnny Truelove's boys were again outstanding on offense but had plenty of trouble defensively. They especially had trouble stopping the end runs, but looked improved on pass defense in spite of the Wildcats 110 yards passing.

Billy McAda, fullback, made two of the touchdowns for the locals, one from the one yard line and the other right up the middle from 22 yards out. The other touchdown for the locals was made on a pass from Jimmy Williams to Mickey Jones, end, and covered about 25 yards. Jimmy Williams made all three extra points by running the ball over.

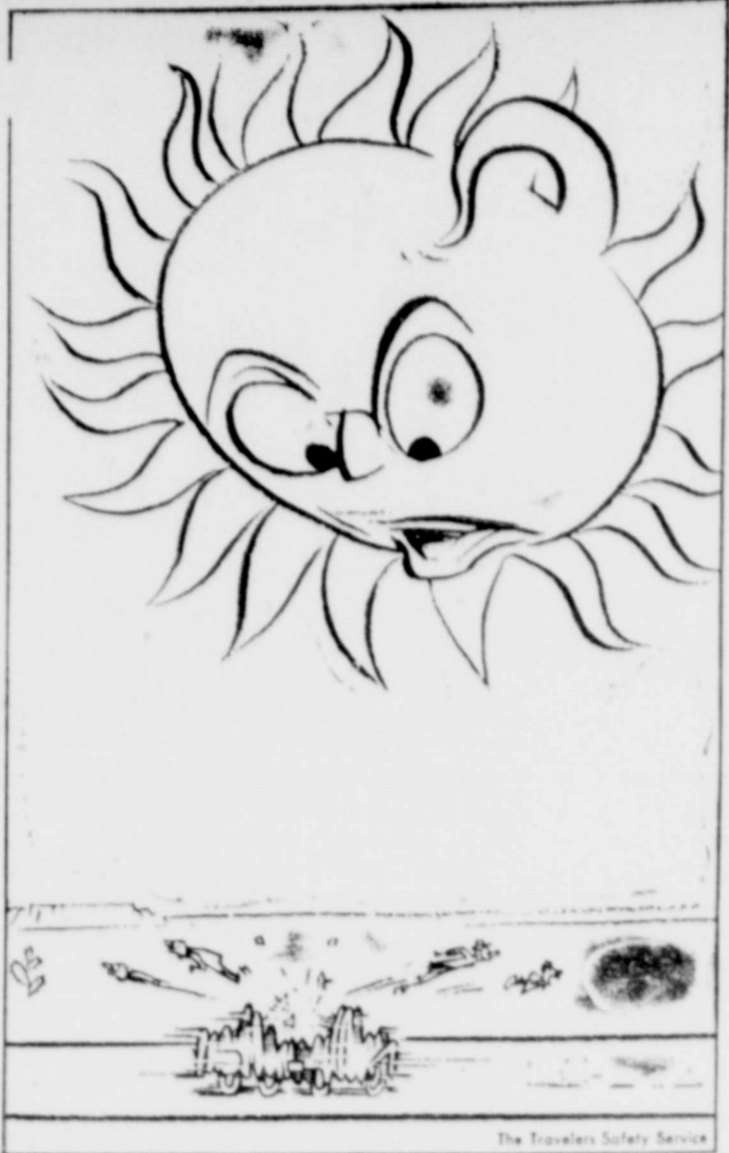

Here is an account of the game:

Littlefield received the opening kick off and returned to their own 37. They fumbled on the first play with Jimmy Rankin recovering for the Longhorns on the 37. The Wildcats were penalized 5, the Longhorns were penalized five, made 2, fumbled the ball and Littlefield recovered on the 29. The Wildcats drove for a first down on the 43, passed for another first down on the Lockney 43, made a first on the 33, on the 11 and then drove over for the score. They converted with a kick and the score was 7-0, Littlefield.

The Longhorns returned the kick to the 30, made 3 and then Scott carried to the Lockney 49 for a first down. The Longhorns made 2 and the Wildcats re-

ceived two successive 5 yard penalties, giving the Longhorns a first down on the Littlefield 38. Williams carried to a first down on the 26, the locals made 3 and on the next play Williams broke through to the Littlefield 6 but fumbled on the play with the Wildcats recovering. The Littlefield team drove for successive first downs on their 19, 33, the Lockney 41, the 21, the 9 and then swept end for the score. Try for point wasn't good. Score 13-0, Wildcats.

The Longhorns returned the kick to their 16 but were penalized back to their own 8 on a clipping penalty. They made 6 and then kicked with the Wildcats bringing the ball back to the Longhorn 30. They made 3, were penalized 5, had a pass incomplete and then swept end for the score. Try for point wasn't good and the score was 19-0.

The Longhorns returned the kick-off back to their 36. Jimmy Williams, quarterback, kept the ball and ran to the Littlefield 22 for a first down. The Longhorns made 5. Littlefield was penalized 5 for a first on the 12, the Longhorns made 3, had a pass incomplete, made a first

down on the 1. Littlefield was penalized 1/2 yard for offside, the Longhorns made nothing and then lost 9 1/2 attempting to circle the end. Two passes were incomplete and the Wildcats took the ball on their own 10. On an attempted pass the Longhorn line swarmed the passer and he fumbled with the Longhorns recovering on the 6. A Longhorn pass was incomplete, then they made 4, 1 and McAda drove over for the score on the next play. Williams faked a kick and ran the end for the extra point. Score Littlefield 19, Lockney 7.

The Wildcats took the kick-off back to their own 37, a pass was incomplete and the Wildcats made 9 as the halftime whistle blew. The Longhorns received to begin the third quarter but a fumble stopped them on the 18. They made 9 and then a first down on the 33. They made 1, nothing and a third down pass was intercepted giving the Wildcats the ball on the Lockney 29. They made a first down on the 18 and then drove over for the score. Try for point failed and the score was 25-7. The Wildcats tried an onside

kick but the Longhorns covered it on their own 48. However a fumble gave the Wildcats the ball on the Lockney 47 on the next play. The Wildcats made 1 and then a first down on the Lockney 33, another on the 15 and then passed for a touchdown. Try for conversion wasn't good and the score was 31-7.

The Longhorns returned the kick to their own 27, but Williams fumbled on the play with Littlefield recovering on the 29. The Wildcats were penalized 15 yards, they made 10, were penalized 5, made 2, had a incomplete pass and the Longhorns took over on the 27. The locals made 3 and then a first down on the 38, made 7 and another first down on the 47, the Wildcats were penalized 5, the Longhorns made a first down on the Wildcat 32, made 7, had a pass incomplete, the Longhorns were penalized 5, and then Jimmy Williams passed to Mickey Jones who was in the clear and he carried over for the score. Williams ran the point to make the score 31-14.

The Wildcats returned the kick-off to their own 40, made a first down on the Lockney 41, another on the 27 and then fumbled with Mickey Jones recovering on the Lockney 24. The Longhorns made 5 and 1 and then Williams passed to End Eddie Joe Foster for a first down on the Wildcats 41. Fullback Billy McAda broke through to the Wildcat 10 but the play was nullified by a 15 yard penalty against the Longhorns. The Wildcats were penalized 5, the Longhorns made 12 and 1, a pass was incomplete and the Wildcats were penalized another 5 yards. Here Fullback Billy McAda took the ball on a delayed buck right up the middle for 22 yards and the score. Williams ran the point to make the score 31-21.

The Wildcats fumbled the kick but recovered on their own 9 1/2 yard line. They made a first

down on the 46 in three plays, another first on the Lockney 43, passed for a first down on the Longhorn 2 and then drove over for the score. A pass for the point was good and the score was 38-21.

The Wildcats tried another onside kick but the Longhorns recovered on the Lockney 45. They made a first down on the 21 with a pass, had two passes incomplete, the Wildcats were penalized 15 giving the Longhorns a first down on the 7. A pass was incomplete, they made 4 and then 2 but the final whistle caught them on the 1 yard line.

### Social Security Tax Goes Up To 2% On January 1

The social security tax rate for persons whose work counts toward old-age and survivors insurance is scheduled to increase on the first of January, John G. Hutton, manager of the Lubbock social security office, reminded employers, employees and self-employed people today.

This scheduled increase in tax contribution is in accordance with the 1950 amendments to the social security law, and was enacted by Congress in anticipation of future obligations of the program.

Employees in jobs covered by the law will have 2 percent instead of the present 1½ per cent deducted from their pay beginning with the first of January up to earnings of \$3600 a year; their employers will contribute an equal amount. The new rates will apply to all taxable wages paid after December 31, 1953, regardless of when earned.

The social security tax for the self-employed is scheduled to increase from the present 2½ per cent to 3 percent, for the period commencing January 1, 1954. Since the self-employed whose work is covered by the law pay their tax just once yearly at the time of filing their Federal income tax return, they will pay the present 2½ per cent social security tax on their 1953 income that counts toward social security. This will be due not later than March 15, 1954. Their first payments at the increased rate of 3 percent will be due March 15, 1955, for the calendar year 1954.

In the meantime the Internal Revenue Service reports that employers will be furnished late this year with income tax withholding tables and Federal Insurance Contribution Act (social security taxes) tables reflecting rates applicable next year.

The next scheduled increase, six years from now, in 1960, will be to 2½ percent each for employer and employee, and to 3 3/4 percent for the self-employed.

To answer all inquiries concerning social security, a representative of the Lubbock Social Security field office will be in Lockney on November 24th at 2:00 p. m. at the Post office.

### September Business Up From August

Austin, Texas. — Merchants in many Texas localities are expecting record holiday trade although sales tapered off some in September after record summer business activity, the University of Texas Bureau of Business Research reports.

September incomes in nine of 12 Texas crop-reporting districts topped August returns by 2-to-14 per cent, with Southern High Plains and Red Bed Plains in the lead. Six districts bettered September, 1952, totals with 1-to-9 per cent increases and with the Western Cross Timbers and East Texas Timbers Plains regions making the best showings.

By city-size groups, however, towns under 2,500 population registered decreases in business activity during September — 6 per cent less than both September, 1952, and August. Activity for the first nine months of 1953 in those towns was 8 per cent less than the same period last year.

Words cannot express our thanks for all the acts of kindness and thoughtfulness shown us during my illness.

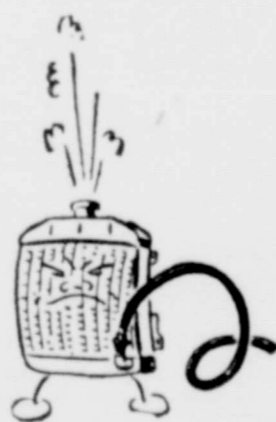

We appreciate the kind words, visits, the many cards and letters, the beautiful flowers, gifts, and food that we received while in the hospital at Dallas and at home too. These things will always be remembered.

### Beacon Installs Automatic Press

An automatic feed Chandler & Price craftsman job press with a Rice feeder was installed in The Beacon office this week to better enable us to handle your commercial printing.

The press is known as a 10x15 jobber and facilitates the production of commercial printing because of its automatic feed feature. The printer puts the job on the press, sets it and then the press feeds it off without further help.

The Beacon installed a new addressing machine in the mailing department in January. Probably most of our subscribers have noticed a difference in the type used to stamp the name on the paper. With this change the practice of carrying the expiration on the paper with the name was dropped but The Beacon maintains a card file which shows the address and expiration date of each subscriber and can quickly quote the expiration date on any subscription.

### Remember When You Had to Shout?

RY RURAL TELEPHONES used to be connected to a single line instead of a pair. As a result, you often had to shout to yourself heard. Now practically every Southwestern rural telephone in Texas is on an all-metallic circuit — you can depend on clear, distinct transmission. That's one of many ways we are working to improve our service to our customers — at the same time we are working to extend service to more and more farm homes. This year alone we are spending \$4½ million in Texas for more and better rural telephone service. SOUTHWESTERN BELL... A TEAM OF 28,000 TELEPHONE PEOPLE... AT YOUR SERVICE.

## Thomas-Kenady Vows Exchanged

Mr. and Mrs. Dee Thomas of Lockney announce the marriage of their daughter, Barbara to Horton Kenady, son of Mr. and Mrs. Boyce Kenady of Lockney. The double ring ceremony was performed by a Justice of the Peace in New Mexico, Friday, November 13 at 6 o'clock.

The bride was dressed in a grey suit with black accessories and wore a rhinestone necklace and matching earrings. She was attended by her sister, Mrs. Clifford Jameson of Whitfield community.

Mr. Jameson attended the groom.

The couple attended Lockney High School. They plan to make Lockney their home.

## GETS ARM RESET

Janice Boedecker, 10-year-old daughter of Mr. and Mrs. Charlie Boedecker had her arm broken and reset by a bone specialist at the Plains Hospital in Lubbock Monday. Janice fell and broke her arm about three weeks ago but had fallen on it since that time and caused the original set to slip with the bone starting to knit crooked. She was expected to be able to come home the latter part of the week.

## HD Club Meets In Tierce Home

Lockney Home Demonstration Club met Thursday, November 12 in the home of Mrs. J. E. Tierce. Roll call was answered with beautiful Christmas wrapped packages, which were auctioned off at the close of the meeting.

"Christmas Decorations for the Living Room" was the subject for the program. Mrs. J. H. Cooper gave a discussion with several displays. Mrs. J. D. Copeland, a guest, gave an interesting talk on the use of our library and also displayed a variety of books available at the library.

Following a lively auction conducted by Mrs. J. H. Cooper, auctioneer, and Mrs. Fred Anderson, treasurer, refreshments were served to Mmes. Copeland, Ike Johnson, W. F. Anderson, Henry Bollman, J. H. Cooper, Ross Cooper, Thomas Marr, Garland Sams, Raymond Watson, W. E. Marr, Bob Bolding, W. T. Kelly, Lavon Johnson and the honoree.

Next meeting will be held Monday, Nov. 23 at 10:30 a. m. with a covered dish luncheon in the home of Mrs. Carl Ferguson. Miss Leila Petty will have the demonstration on "Variety Meats."

Mrs. John Stapleton and children of Floydada visited Mrs. Lula Woodburn Monday.

## Announcement Tea Honors Bride-Elect

The engagement and approaching marriage of Pat Dean was announced at a tea given by her mother, Mrs. Bud Dean in Aiken community Tuesday evening from 5 to 7 o'clock. In the receiving line were Mrs. Dean, the honoree and Mrs. O. M. Reese, mother of the prospective bridegroom.

Covered with a lace cloth over blue, the refreshment table was centered with a miniature bride and groom at an altar on a satin platform surrounded with gold chrysanthemums and fern. Satin streamers bearing the names of "Pat" and "Bennett" lettered in gold and flecked with pearls extended from one corner of the altar amid miniature lillies of the valley. Blue napkins lettered in gold also bore the names of the betrothed and their wedding date, November 25. Orange punch and cookies were served by Mrs. O. C. Halle and Mrs. Dale Scott.

Edna Mae Morris secured names for the register. Guests included Carolyn Cooper, Edna Mae Morris, Carolyn Campbell, Gail Kellison, Willa Dean Rushing, Billie Coleman, Buddy Elam, Loy O'Brien, Fayrene Harden, Jane Ann Hubbard, Peggy Williams, Betty Gale Cox, Mrs. Delores Martin, Crystalle Cox, Frances Halle and the honoree.

## Mrs. Jack Taylor Study Club Hostess

El Progreso Study Club met in regular session in the home of Mrs. Jack Taylor on Armistice Day.

Seventeen members answered roll call with "My Favorite Hero." During the business, over which the president, Mrs. Leslie Ferguson presided, two amendments to the club concerning associate membership were passed.

Mrs. Dee Copeland gave a talk on "What Patriotism Means" and Mrs. Ewald Quebe talked on "American Shrines."

Names were drawn for exchange of Christmas gifts. The remainder of dues were collected.

The collect was read and refreshments were served to members and one guest, Mrs. James Taylor.

## Wesley Fellowship Class Has Social

Members of the Wesley Fellowship Sunday School Class of the Methodist Church held their regular monthly business and social meeting in the church basement Tuesday night at 7 o'clock.

Present were Mr. and Mrs. M. S. Johnson, Mr. and Mrs. F. L. Brown, Mr. and Mrs. W. O. Stuart, Mr. and Mrs. Frank Dodson, Mr. and Mrs. Buck Sams, Mr. and Mrs. A. P. Barker, Mr. and Mrs. C. H. Rose, Mrs. Henry Ford, Mrs. R. E. Patterson, Mrs. W. L. Thomas Sr., and Rev. Burgin Watkins, pastor.

## OES Thanksgiving Dinner Held Monday

Monday night at 7:00 o'clock the Order of Eastern Stars celebrated Thanksgiving with a turkey dinner with all the trimmings. Among the 30 persons present were six candidates who were initiated into the order later in the evening.

On December 1 at 2:30 there will be a call meeting for the purpose of practice before the visit of the Grand Officers at the next regular meeting night. You are urged to attend.

Recently the local chapter held Friendship night and those who missed this missed a rare treat. Members from all over the district were present for the lovely affair. The Rainbow Girls from Floydada Chapter provided some very fine entertainment. They were beautifully dressed in pastel colored evening gowns. About 80 members and guests were present.

"Worthy Matron Myrtle Messimer is certainly putting a lot of effort and talent into the chapter work, and we hope the members are benefitting from it." Mrs. Jewell Kenady, reporter said.

## Training Meeting Held For HD Clubs

Recreation is a regular activity on Home Demonstration Club programs. To help with recreation at club meetings and give help on parties during the holidays a recreation training meeting was held Saturday afternoon in the Council room of the Court House. Mrs. Thomas Marr, president of the Lockney Home Demonstration Club and Chairman of the Recreation Committee of the Home Demonstration Council, directed the games which were enjoyed by all. Mrs. Marr was assisted by Miss Leila Petty, County Home Demonstration Agent.

Club recreation committee members attending were Mmes. Hoyette Hodges and C. L. King, Lone Star; L. T. Wood, Grigsby Milton, R. G. Dunlap, and John K. West, South Plains; R. H. Tinsley, Sterley; A. M. Dorsey and Weldon Smith, Pleasant Valley; W. W. Trapp, Homebuilders; C. W. Denison and S. J. Latta, Sunnyside; Verlon Wright and Jim Owens, Lakeview; W. E. Grimes and Sam Green, Friendship; and Raymond Watson, Lockney.

## Peggy Epperson Party Honoree

Mr. and Mrs. Buster Epperson honored their daughter, Peggy, with a birthday party Tuesday, November 10 at 7:30 o'clock. Guests arrive in costumes of the "Gay Nineties."

Games included "Wink'em," "Fishing For Love," "Thunder and Lightning" and "Knocking for Love." Jimmy Williams and Luther Williams presented a skit, "The Villain."

Sandwiches, cake, hot chocolate and candy were served to Ernestine Spradlin, Jimmy Myers, Eldora Boone, Leland Lewis, Barbara Hanks, Eldon Fortenberry, Frankie Hardy, Wilbur Adams, Patsy Pierce, Carolyn Campbell, Luther Williams, Peggy Williams, Deanne Arterburn, Franklin Spruell, Bobby Johnson, Clara Lee Smith, Jimmy Williams, Larry McCormick, Gail Kellison, Mary Ann Marble and the honoree.

## Minute Editorials

For the law was given by Moses but grace and truth came by Jesus Christ. — John 1:17.

Is the Boy Scout movement worth while? Does the training the boys receive in this 45 year old organization prove to be worth while in later life or is it wasted effort? Ask any man who was once a member of a Boy Scout troop for any length of time and he will tell you that he is still benefiting from his Boy Scout training. But any organization of this kind has to have money to operate on. This week a group of local men interested in keeping the Scout movement going will make a drive for funds in Lockney and the community seeking to raise Lockney's share of the area council's funds for next year. If you want to invest in boys, you can do it through this organization. Open your purse to help assure the future of Boy Scouts when you are called upon.

The Lockney school district administration and school board apparently have done a good job in planning the new buildings

now under construction at the high school. The Beacon carries a picture-review of the construction progress in this issue. The new addition will give the school some badly needed room at both schools since the Junior High will be housed in the new building and probably some grades will be moved from the present grade school building into the Junior High section. In addition to class rooms there is the beautiful new auditorium, the well arranged and commodious cafeteria, the new gymnasium, administration offices and other rooms it is a well-planned and welcome addition to the Lockney school system buildings.

Justice of the Peace J. J. Harris has collected more than \$450 in fines the first 15 days of this month on cases filed by members of the Sheriff's department or the Highway Patrol. Most of the cases are for drunkenness or traffic violations. It seems that Highway Patrolmen are working this area more thoroughly than in the past and most of us are apt to disobey some traffic law at one time or another. However at \$14.20 or more per shot it behooves us all to watch for stop signs and stay within the speed limit.

What's wrong with the present farm policy? We hear a lot of criticism of the farm policy and of Secretary of Agriculture Benson. But whatever else you can say for the present Secretary of Agriculture you must admit that he is in no way responsible for the present farm policy since it was conceived and instituted under a Democratic administration and has until the end of 1954 to run. President Eisenhower has promised that he would carry out the program until it expires, and that includes price supports at 90 percent of parity. If the policy is bad, it isn't Mr. Benson's fault. He has carried out the program of the Democratic administration to the letter — even extending the price support program to new products.

Why is it the present administration's fault that farm prices are dropping? If our memory serves us correct they are no lower now than they were for most of the years of the Truman administration. And we don't know of much the present administration can do about it if foreign countries have reached the point where they can raise their own products and no longer want to buy ours. A decrease in exports is probably one big cause of falling farm prices. Maybe the government could buy the surplus and give it to foreign countries. Is that what we want?

#### PRESS HAS RESPONSIBILITY

Carl W. Hale says: Any newspaper is faced with three responsibilities — one to its owner, one to the public, and one to good journalism.

Before any newspaper can fulfill its debt to the public it must first meet its obligation to its owner. It must make money.

A newspaper is a business as well as a public service. It must be a business which pays its own way without government subsidy or gifts from class or industry. It must put out material worth the price of subscription and advertising.

If it does this and maintains its self respect, in that it prints the news as it happens with respect to its importance, it is a public service. Otherwise it might become a private service sold to the highest bidder. The greatest shame here is the ignorant will accept its front page as the truth, and the informed will lose respect for all honest journalism. Because of this, truth is the greatest virtue of journalism. Truth in newspaper writing is not an idealistic goal, but a thing which must be attained and kept.

The newspaper must print all the news, not what appeals to the majority or slights the minority. For this is prejudice, and the shame of a public service. Creation is not the responsibility of the newspaper. Reproduction is. A good newspaper contains a full, unbiased account of what happened.

If it is written in a manner which will induce thinking, it approaches literature. If it is written in a clear style, bringing action to the reader, making him feel the situation, and written so that all who subscribe to it can understand, it is literature. And

it is fulfilling its responsibilities to its owner, public and itself. — The Denver City Press.

#### HE WORKS AT HIS JOB

Whatever his detractors may say about him, Agriculture Secretary Ezra Taft Benson must be credited with constantly going to the grassroots in an effort to do his extremely hard job. The gentleman from Utah, who is scheduled to be in Lubbock and environs today, is not a swivel-chair executive who thinks he can accomplish whatever needs to be done by pushing buttons and/or sending subordinates out into the field.

Whether Mr. Benson will wind up as a really great Secretary of Agriculture — whether his program is good, or bad — is not yet known by anybody, includ-

ing his loudest critics and defenders. Time, alone, will tell the whole story. But this much must be said: Ezra Taft Benson is an honest, hardworking, decent American public official, dedicated to his job and letting nothing stand in his way in his efforts to perform a service to all the people, especially those engaged in, and connected with agriculture.

Even if time proves Mr. Benson's agriculture program wrong, the country will still need more men of his high moral and intellectual standards. And if he fails to perform miracles in untying the Gordian Knot of agriculture's problems, he will not be by himself in that failure. None of his predecessors as yet has been able to bring to the problems anything more than occasional and temporary lessening of pressure. — Lubbock Avalanche.

#### THE PROPER SPIRIT

One reason for the high cost of government is that too many of us want economy for the other fellow only, and never in matters that affect us.

But there are exceptions which deserve recognition. Recently the Forest Service merged its Hailey Idaho, office with that of Twin Falls in order to save \$15,000 annually. Howls of protest would have been the normal reaction from Hailey people. But the Hailey Times said: "Naturally we don't like to lose our Forest Service headquarters . . . but the high cost of government can't be lowered without some sacrifices. If our sacrifice were multiplied over and over again, we could see some hope for a cut in taxes."

We need more — a lot more — of that spirit. — Lubbock Avalanche.

A gas room heater will take care of hard-to-heat rooms or make an unheated attic room comfortable, says the Gas Appliance Manufacturers Association. A wide range of sizes and models makes it possible to select a gas heater for any room even when space is at a premium.

### The Alert Poultryman

ANSWERS YOUR QUESTIONS

Q. There is fowl cholera in the area. How can I protect my flock?

A. Strict sanitation and isolation help most in preventing fowl cholera. And keep Dr. Salsbury's Sulquin handy in case of an outbreak. Sulquin reduces mortality and keeps losses low from cholera. Also effective for coccidiosis. Sulquin Liquid is convenient to use in the drinking water. Or, use Sulquin Soluble Powder in feed or drinking water.

## Mrs. Buck Kellison Is Circle Hostess

Mrs. Buck Kellison was hostess to the Aiken Friendship Circle Tuesday afternoon.

After the regular business meeting the social hour was spent in playing "42".

Attending were Mmes. Lloyd Collis, Gene Collis, Frances Carlton, Jimmy Crawford and Diann, Raymond Hargrove, Robert Kellison, Martin Bradley and three children, and the hostess.

Next meeting will be held in the home of Mrs. C. W. Tannahill on December 15 at 1:45 p. m.

MR. AND MRS. GARY SANDLIN

## Patsy Martin Bride Of Gary Sandlin

In impressive church rites performed at the Main Street Church of Christ Sunday afternoon, November 8 at 3 p. m. Patsy Martin, daughter of Mr. and Mrs. Raymond Martin became the bride of Gary Sandlin, son of Mr. and Mrs. Roland Sandlin.

The wedding chorus from Broadway Church of Christ, Lubbock sang "O Promise Me," "Because," "I Love You Truly," "Through the Years," "Bridal Chorus" and as a benediction, "Be With Us Lord."

A. B. Watkins of Lubbock performed the double ring ceremony as the couple stood before an altar marked with satin rope, centered with a wrought iron arch decorated with blue tinted white carnations and greenery. Two standards of cathedral candleabra bearing white tapers flanked each side of the arch. The decorative background was formed with arrangements of white and blue mums and palm leaves.

The bride, entering on the arm of her father who gave her in marriage, was gowned in lace and nylon net fashioned with a full skirt, fitted bodice with a high neckline and Peter Pan collar. Self covered buttons down the back were repeated on the long sleeves which ended in points over the hand. Her finger tip veil of illusion was attached to a crown of open-work satin flecked with seed pearls and orange blossoms. She carried a white Bible topped with a bouquet of lilies of the valley and orange blossoms showered with satin streamers.

For something old she wore a pearl necklace, new was her pearl earrings, borrowed was a Bible belonging to Mrs. Cecil Brown, and for something blue she carried a blue handkerchief. In her shoe she wore a penny for luck.

Mrs. Gwendolyn Mathis, matron of honor, and Miss Lajuan Sandlin, maid of honor, are both sisters of the groom. They wore

floor length gowns of pastel pink and blue fashioned with strapless bodices topped with matching stoles. They carried bouquets of roses.

Flower girls were Kay Lynn Martin, sister of the bride, and Coralus Sandlin, sister of the groom. They wore ballerina length dresses of net over taffeta. Kay's dress was blue and Coralus' was pink. They carried rose petals in baskets decorated with ribbon matching their dresses. Wynette Sandlin, sister of the groom, carried the rings on a satin pillow. She wore a dress of pink ruffled organdy.

Mr. and Mrs. Rayford Martin, brother and sister-in-law of the bride, were candlelighters.

Norman Grant of Petersburg, cousin of the groom, was best man.

Ushers were J. T. Livesay of Plainview and Wendelle Sims of Lockney.

Mrs. Martin, mother of the bride, wore a grey suit, black accessories and an orchid corsage. Mrs. Sandlin, mother of the groom, was dressed in a tan suit with black accessories and an orchid corsage.

### Reception

Following the ceremony a reception was held in the educational department of the church. The bride's table was covered with an imported white linen cloth centered with a bride doll on a white styrofoam base backed with a blue net fan and flanked with blue candles and the bride's and her attendants' bouquets. The three-tiered wedding cake was topped with a miniature bride and groom. Mrs. Gwendolyn Mathis, Mrs. Rayford Martin and Lajuan Sandlin served. Mrs. Aubrey Cox pre-

sided at the register.

Assisting with the hospitalities at the reception were Mmes. Hershel Carthel, J. W. Franklin, Brooks Jones and J. C. Simpson of Plainview.

For a wedding trip to New Mexico the bride chose a blue knitted suit, white hat, black shoes and bag. Her corsage was of white mums.

Both Mr. and Mrs. Sandlin attended Lockney High School. Mr. Sandlin was a member of the 1953 senior class. He is employed in the County road work. The couple is at home on West College Street in Lockney.

## W. Rhine Named Honoree At Shower

Miss Wanda Rhine, daughter of Mr. and Mrs. L. G. Rhine, was complimented at a bridal tea-shower held Saturday, November 14 from 3 to 5 o'clock in the home of Mrs. Sid Thomas. Miss Rhine is the bride-elect of Mr. Clyde Bearden of Spur.

Laid with an imported Damaskas silk cloth, the table was centered with an arrangement of bronze chrysanthemums surrounding a miniature bride and groom. Wide streamers of leaf green satin bore the names of Wanda and Clyde, lettered in gold. Hot spiced tea was served from a silver service. Presiding at the table were Bobbye Lu Casey and Gail Kellison.

Audrine Rhine secured names for the register and Mrs. Mark Fairman presided in the gift room.

Hostesses for the occasion were Mmes. Guy Saml, Homer Bartram, Georgia Hanst, Frank Brown, V. H. Kellison, Edgar Hays, Leslie Ferguson, Hilburn Casey, Zach Cummings, E. A. McLeod, W. J. Casey, Sid Thomas, Mark Fairman, Ben McGhee, W. S. Rexrode and Harmon Handley.

Henry Purcell, English composer is buried beneath the organ in Washington Abbey.

THE CLASS ROOMS and a building. Eight new class rooms will be provided in on the left are shown in this view of Lockney's new school which the Junior High School will be housed.

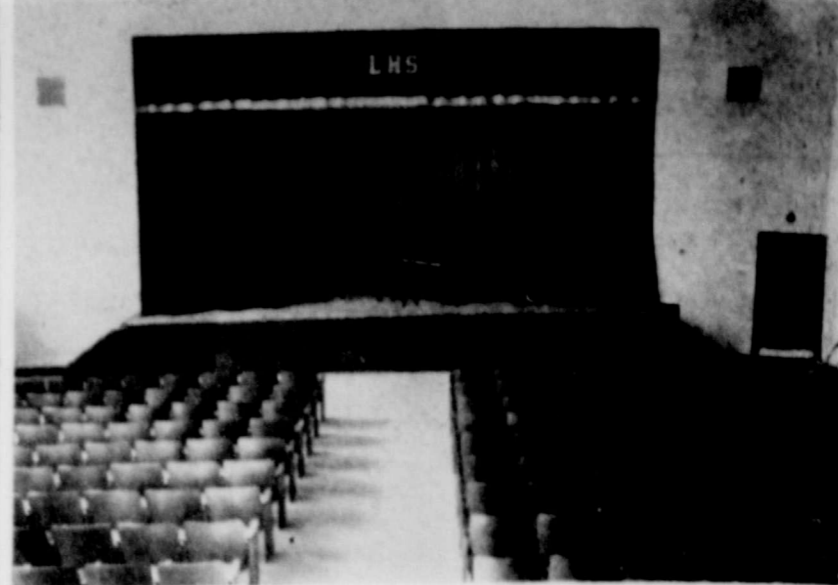

This is a part of the spacious new cafeteria which will seat 180 at one time. The partition to the right separates the cafeteria proper and the kitchen.

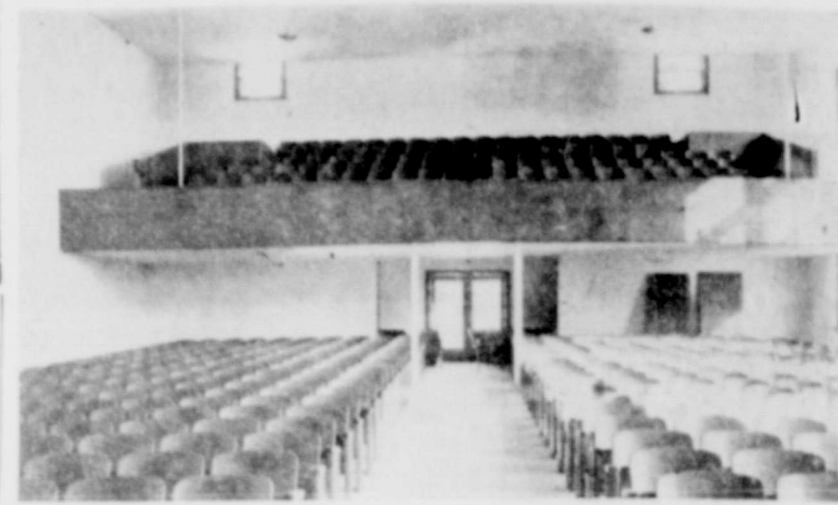

Here is a view of the long hall which connects the classrooms, the gymnasium, rest rooms, cafeteria and administrative offices in the new building to the old building. The tile wainscoting just beginning here is now complete through the entire hall but the plastering above the wainscoting is yet to be done.

This view of the gymnasium was made about two weeks ago but the roof is now on the gym and framework for the bleachers is up. School officials hope that the contractor will have the gym ready for occupancy by the contract completion date, January 20. However the date is uncertain as yet.

This is a front view of the recently completed auditorium showing the stage and part of the seating. The auditorium proper will seat 440 and there is room between the front seats and the stage to seat the High School Band.

A view looking to the rear of the auditorium and showing the balcony. The balcony will seat 120 people making total seating for the auditorium 660. Entrance to the balcony is located on each side of the double doors at the rear of the auditorium.

### Spur-Tahoka Clash Will Determine 5-AA District Title

The football battle between Spur and Tahoka at Spur on Friday night of this week will probably determine the championship of District 5-AA with an outside chance that it will throw the district into a 3-way tie.

Spur is leading the district with four wins and no losses while Floydada has four wins and one loss and Tahoka has three wins and one loss, that to Floydada last Friday night. If Tahoka defeats the Spur Bulldogs the three teams will be tied but Spur is due to take the game and win the district.

The Whirlwinds surprised everyone by trouncing the Tahoka team 39-6 last Friday night at Tahoka, while Spur beat Post 39 to 14 and Slaton defeated Abernathy 26 to 12.

Post, Abernathy and Slaton have wound up the season each with a four lost, one won record. Floydada has also completed their play for the season unless the district lead is thrown into a tie and they win the toss to represent the district.

The winner of 5-AA will play probably Levelland in 6-AA in the bi-district clash.

## Speech Class Gives Assembly Program

The Speech Class gave the Assembly program Friday, Nov. 13th. That week was National Education week and the first half of the program was devoted to that. A panel discussion was presented with the topic "Good Schools are your Responsibility." Harleen Workman was chairman and other panel members were; Johnnie Bonner, Donald Allison, Willa Dean Rushing, Pat Poteet, Charles Huffman and Ruth Jones.

The second half of the program the students were transported to Nashville, Tennessee where they attended the "Grand Ole Opry." Other members of the Speech Class gave pantomimes on famous western singers. There were several of the "Grand Ole Opry" stars. Lefty Frizzell (Jimmy Williams) was master of ceremonies, and also gave us several good numbers. Other western stars were: Webb Pierce (Billy McAda), Sunshine Ruby (June Pigg), Eddie Arnold (Denny Quisenberry), Kitty Wells (Patty Adams), Rose Maddox (Sue Wofford), Sue Thompson (Ravanel Turner). Members who accompanied them were: Lefty Frizzell (Jimmy Williams), Montana Slim (Bobby Johnson), Arthur "Guitar Boogie" Smith (Jimmy Scott) Del Woods (Betty Johnson), Hoot Raines (Peanut).

The students enjoyed this program very much and we thought it was one of the best to be presented in our new auditorium. We know that Coach Truelove spent much time in working this up.

## Report On Junior Class Sale

The 1953-54 Junior class of Lockney High School grossed \$973.90 in their annual magazine sale for the Curtis Publishing Co. Jimmy Rankin was the high salesman for the class and for this the class voted to give him \$20. This year's Junior class was a little below last year's Junior class but still netted \$341.29. The girls stuck their necks out and told the boys that if they won the most sales they would give them a chicken fry. Watch out girls, the boys are determined to get that chicken fry.

## WHOZIT

Since the "Whozit" was not guessed last week two more passes will be given this week to the one who can guess it. Another hint is that she is a Senior girl.

## Lotta Bull

by Little Willy

Well this week we scouted around to see how the boys are coming along with their current flames. Football season being over after this week, everyone will be looking forward to the football banquet which we hope to have before Christmas. The senior boys won't have to look far with Harleen, Ann, Johnnie and Delores on the prowl.

Boy were some people surprised when we dropped in on the party Saturday night; some of the boys are real singers that sound like Webb Pierce, Lefty Frizzell, Eddie Arnold and Arthur "Guitar Boogie" Smith. These names originated in assembly. Clifton have you read your book on How To Play Football?

The boys are disappointed over the season, but we want the world to know that it was not the Coaches fault. We think we have the most wonderful and the best Coaches in the United States and Tullia had better watch out because we are aiming to beat them for the Coaches.

Well until next week I will get on my knees and ride into the night. "I shall return".

Hailey's comet will reappear in 1985.

## Littlefield Squeeze Longhorns 38-21

by Little Willy

The Littlefield Wildcats won a hard earned victory over the Lockney Longhorns last Friday night. The Longhorns came slashing back after the half with a vicious running attack and added some nice passing yardage to this, but could not overcome the powerful Wildcats.

The Longhorns offensive machine rolled smoothly, but was marred from scoring by fumbles and penalties. The Longhorn scoring was led by Fullback Bill McAda with 12, Mickey Jones 5, Jimmy Williams 2 and Scott 1. Bill's two touchdowns came on a two yard and twenty-two yard runs. Jones' touchdown came on a thirty seven yard pass from Williams who converted twice with Scott adding the third.

Outstanding in the line were Roy Johnston and Weldon Jones who were aided by Cross and Quisenberry.

## Candid Camera

This week our camera turns to the new eighth grade teacher, Mrs. Seiwert. She taught near Post for a few months before moving to Lockney and at Falls before that, where she taught History and Freshman English.

She is the mother of two small children, Sherry, six years old, and Kerry, four and one-half months.

Her husband is engaged in farming here.

Her favorite color is red; her favorite movie star is Claudette Colbert; her hobby is "Just taking care of my children," and she likes Lockney just fine.

## Senior Athletics

by Jim Williams

There are six senior boys playing football this year with a seventh out on account of a knee injury. Here is a brief account of the athletic life in the senior class.

Denny Quisenberry, a 180 lb. senior boy, is very popular in school. He has been a Longhorn for four years, lettering three, and is captain this year. His football career was cut short this year on account of his knee. He also participated in track.

Roy Johnston, a 160 lb. senior boy, is also popular in school. He was co-captain this year after four years in football. He has three letters in football and one in track.

Allen Pinner is a 150 lb. senior who has lettered three years out of the four he has played football. Allen also has two letters in track.

Billy McAda is also a 150 lb. senior who has three football letters in four years of playing. Bill has played basketball one year and is rated one of the top 440 yard dash men in track, where he has lettered two years.

Jimmy Myers football career was over just after it got started when he had knee trouble, but Jimmy has lettered three years in basketball and lettered two years in tennis at which he stars. Jimmy Williams has played football four years, lettering three. He is a 145 lb. senior quarterback Jim has lettered two years in track and two years in basketball.

Eddie Foster has played football only one year and made an offensive end. In addition to this Eddie has lettered one year in basketball being knocked out of the season by sickness and three years of tennis.

Next week there will be an account of the Senior girls' activities.

## Senior Rings Are Here

by Sandra Myers

At long last the rings have come in; that is most of them are here. One box did not arrive Friday and hasn't yet, but maybe they will be here real soon. The box that didn't come in contained eleven girls' rings and one boys' ring. They are:

Patty Adams  
 Jayne Adredge  
 Fayrene Harden  
 Jerry Bob  
 Betty Johnson  
 Sandra Myers  
 June Pigg  
 Pat Poteet  
 Willa Dean Rushing  
 Ravanel Turner  
 Wendell Sims

Here's hoping that these will come in within a day or two.

## Band Show

The band presented another good show "Western Style" Friday night at the half time.

Led by Barbara Carthel, the drum major, they marched snappily down the field and did a counter-march. On the fifty yard line they formed a big heart and played "Deep in the Heart of Texas." They then formed a cowboy with his revolving lasso and played "I'm an Old Cowboy." Next they formed a boot and played "Boots and Saddle." From there they made a fence and climaxed the show by playing "Don't Fence Me In." They went into band formation and marched off and back on a gain to form the traditional aisle for the football boys to run through.

**Mrs. R. L. Kelley Dies At Lubbock**

Mrs. R. L. Kelley, mother of Mrs. Harmon Handley, passed away in the Taylor Hospital at Lubbock at 9:30 p. m. Sunday after suffering a stroke just four days previous. Mrs. Kelley's home was at Beeton, southwest of Petersburg. Funeral services were held at the Beeton Baptist Church Tuesday at 2:30 p. m. and burial was in the Idalou cemetery. Mrs. Kelley, who was 65 years of age, had been in poor health lately but was not confined to her bed until last week when she underwent a minor operation at the hospital. She was still in the hospital when the stroke came.

Surviving are her husband, three sons, Raymond of Richland, Wash., H. G. of Petersburg, and Billy Rex of Lubbock; five daughters, Mrs. Harmon Handley of Lockney, Mrs. Ralph Wiese of Lorenzo, Mrs. Eloise Goebel of Lubbock, Mrs. Bill Dickson of Milton, Ore., and Mrs. W. R. Sexton, Denison. Also three sisters, two brothers and 11 grandchildren are surviving.

**Charlie L. Holcomb Dies Early Monday**

Charlie L. Holcomb, 62, father of Mrs. Claude Brown of Lockney, passed away at his home in Tulla at 1:15 Monday morning. A heart attack was believed to be the cause of his death. He had been ill for several days but was thought to be improving.

Mr. Holcomb and other members of the family had spent Sunday in the Brown home here. He visited here often and was known by a number of Lockney people. He had lived in Tulla 25 years.

Funeral services were held at the First Baptist Church in Tulla Tuesday afternoon at 3 o'clock conducted by Rev. Record, pastor of the church. Interment was in Rose Hill Cemetery at Tulla.

Survivors include his wife, four children, Mrs. Brown of Lockney, Mrs. Russell Smoot of Tulla, Norman Holcomb of Tulla and Pvt. Eddie Holcomb, now stationed at Fort Hood, Texas. Five grandchildren, three sisters and one brother also survive.

A number of friends from Lockney attended the funeral services.

**ATTENDS CONFERENCE**

Mrs. Roy Hollar, county librarian, of Floydada and Lockney, attended a conference on Community Education at Amarillo College in Amarillo Saturday, November 14. The program was related to the Test Regional Program for Adult Education sponsored by the Department of Education of Texas Technological College, Lubbock.

**NEW ARRIVAL**

Mr. and Mrs. Dave Willis of Floydada are proud parents of a son, Bobby Dale born Saturday, November 14 in People's Hospital in Floydada. Bobby Dale who weighed 8 lbs., 1 oz., has a sister, Donna Gayle, two years old. Grandparents are Mr. and Mrs. R. E. Marr of Lockney and Mr. and Mrs. Clifford Willis of Floydada.

**CARD OF THANKS**

We find words inadequate to express our deepest appreciation for the many kindnesses of our friends during the time of our bereavement. Your comforting expressions of sympathy and thoughtfulness will always be remembered. We will ever be grateful for the beautiful floral offering and for everyone that contributed in any way to a loving remembrance to our loved one. May God's richest blessings be with each of you. Early, Virgel and Gordon Joiner.

Visitors in the home of Mrs. Lula Stapleton Tuesday were Mrs. Harvey Cash of Canyon, Mrs. Ralph Stapleton of Flomot, Micheal and Greg Stapleton of Midland.

**Rotary District Governors Here**

The Rotary Club of Lockney was host Thursday and Friday of last week to Herschel Coffee, Governor of the 183rd District of Rotary International, who is making his annual official visit to each of the 37 Rotary Clubs in Northwest Texas.

The district governor conferred in assembly Thursday night with officers and members of the Lockney club, and addressed the regular meeting of the group Friday.

Mr. Coffee is professor and head of the department of economics and government at West Texas State College in Canyon and is a member of Canyon's Rotary Club. He is a past president of the club, a director, and has been program chairman. He is also a commissioner of the city.

He was elected District Governor of Rotary International for the 1953-54 fiscal year at the annual Rotary Convention in Paris, France, last May. He is one of the 212 District Governors supervising the activities of some 8,000 Rotary Clubs which have a membership of 372,000 business and professional executives in 86 countries and geographical regions of the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Lockney, because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the people of the earth.

Mrs. R. E. Patterson returned Sunday after spending five days visiting her mother, Mrs. A. H. Knox at Crum, Texas and sister, Mrs. Ralph Ashworth and Mr. Ashworth at Forney, Texas.
