

Moving VA Office Dallas To Denver

County service officer Darnell G. Ayres has been advised that the Dallas Veterans Administration office is in process of being moved to Denver, Colorado.

Ayres has been advised that county and post service officers that insurance mail addressed to the Dallas district office Friday, March 26, or later will not be processed but will be forwarded direct to Denver, unopened and in bulk. Similar advice has been received as to letters regarding claims service, Mr. Ayres reports that:

All files in the District Office, and access to the records, will be frozen on Friday, March 26, and all records must be in the hands of the VA not later than Monday, March 29. From March 29 through March 31, the service officers can work on what they already have in their office, and on Tuesday, March 30, the VA will start boxing and preparing all records for shipment to Denver.

The service officers can continue to receive mail, and it will be stamped in, up to and including Thursday, April 15, which mail will then be forwarded to Denver.

After Thursday, April 15, the VA will no longer sort mail, but will forward same to Denver, unopened and unsorted. After Monday, April 22, the Dallas Post Office will forward all mail addressed to the VA district office, direct to the VA district office at Denver, and we are advised by the service officers of the American Legion and Veterans of Foreign Wars in the District Office, that all mail received by them, will be stamped in and forwarded to their offices in Denver after those dates.

RETURNS HOME

Mrs. A. J. Mabry returned home Sunday after spending several months visiting her son in California. She was accompanied home from Lubbock by Mr. and Mrs. Sidney Mudgett who spent the day Sunday visiting in the home of Mr. and Mrs. Geo. Myers and Mrs. Olive Myers and Jimmy.

MRS. PAUL KROPP was the first person to correctly identify this Floyd County mystery farm printed in the First National Bank advertisement last week. It is the E. E. Wilkes place in the Sand Hill community, farmed last year by his brother, Roy Wilkes and this year by Forrest Mickey of Aiken. Occupant of the house at present is a hired hand, Frank

Rocha. Other persons correctly identifying the farm were Mrs. F. R. Jones, Jerry Mickey, Mrs. Vernon Gross and Bert Elam.

The place has 320 acres and two irrigation wells. It was farmed and the house occupied for several years by the Roy Wilkes family. However they sold their equipment to Mr.

Mickey and moved to Oregon early this year.

Recent changes in the place include the removing of the fence and the moving of another small house in at the back of the residence.

Watch for another Floyd County mystery farm in the First National Bank advertisement next week.

Phillips Introduces New Gasoline

A new "high performance" automotive fuel, made possible by the use of aviation gasoline components recently released from government priority, has been developed by Phillips Petroleum Company.

The new gasoline contains Di-isopropyl, a high test ingredient originated by Phillips, which made possible more powerful, higher anti-knock fuels for combat aircraft. Until recently, the use of super aviation gasoline components has been restricted by military authorities for use in high performance aviation gasoline. These have now been released for use in automotive gasoline, and Phillips is able to use not only Di-isopropyl but also HF Alkylate, both originated

and first manufactured by Phillips.

According to Phillips research authorities the new gasoline, designated "Flite-Fuel for your car," offers important performance advantages. It provides increased power, higher anti-knock quality, greater fuel economy, and freedom from stalling.

Equally important, say Phillips authorities, are the clean burning qualities of the new gasoline. Use of natural gas components, which leave scarcely any carbon residue, eliminates the necessity for special gasoline additives to combat engine deposits.

The biggest bombshell to strike the present "special" session of your Legislature has been the tax on "Mrs. Housewife's" trade or merchandise stamps.

An amendment to the Governor's tax bill late Tuesday evening (March 30th) in the House of Representatives started the explosion. It was submitted by Rep. Bill Chambers of May — without warning to anyone — but the House adopted it by an overwhelming vote.

By 9 o'clock next morning thousands of telegrams and phone calls had descended on the Legislature from unhappy merchants, their employees, "stamp" manufacturers and distributors.

Later, "Mrs. Housewife" began to be heard and on the second day after the House of Representatives had acted so hurriedly a considerable number of merchants and citizens who do not like the "trade stamps" began to raise their voices in support of the tax.

The proposed tax bill was sent to a Senate committee. As the House of Representatives had not allowed the "stamp" people to present their arguments as they had other groups being hit in the big tax bill, the Senate committee called for an open public hearing starting on Friday (April 2nd). Many irate merchants and housewives appeared. All the citizens who wanted to be heard spoke their piece.

Committee action is not conclusive but your Senator does not believe the Senate will approve the "stamp" tax.

(By the time you read this the Senate may have acted. At any rate, the "trade stamp" tax idea has caused the most colorful

show of this legislative session).

Apparently your Legislature will not get to consider, during this 30 day session, the proposed Utility Commission plan to regulate the rates gas, phone and electric companies charge in the different towns they serve.

Present conditions prevent a city from being able to successfully fight proposed rate hikes, justified or not. Some cities have spent thousands of dollars and still lost their fight. Others, realizing the hopelessness of the situation, grant the rate hikes with little or no opposition. These at least save taxpayers' money from a losing battle.

The Governor's proposal to spend \$10,500,000 on the prison system, State School for the Deaf, State Dental School, Southwestern Medical School and a pay raise for state employees has passed both the House and the Senate. This is all separate from the teachers pay raise bill.

Money for these projects is supposed to come from a surplus which State Comptroller Robert Calvert says will accumulate by next year.

Remembering that the Comptroller made a \$30,000,000 error in his estimate for the Legislature last year and more than a \$50,000,000 error in 1949, some legislators are worried about these projects being fulfilled.

The Senate's second anti-Communist law of this session has been accepted by the House of Representatives. The first one is feared by some to be unconstitutional but the second will cover most Communist loopholes if the first one gets knocked out by the courts.

Hints On High Home Gardening

Transplanting time is here.
The care you take in making transplants will determine the type growth which your plant makes.

First, examine and choose your plants. Tomato plants, for example, should be about eight inches tall with good thick stems, dense foliage and a few blooms, if possible. A dense root system is of prime importance. The rapidity of a transplant's

GOV. ALLAN SHIVERS of Texas joins the fight against cancer by accepting the honorary chairmanship of the 1954 Texas Cancer Crusade from Travis T. The Texas Cancer Crusade will be conducted in April to raise funds to advance the Society's programs of research, education and service.

recovery will depend upon these things.

Plant to cut water loss to a minimum, particularly during the first 24 hours after transplanting. The plant needs to develop new roots in the soil. Transplant when the weather is cool, and just prior to a shower, if possible, since high humidity is desirable. When weather is dry, transplant in the evening.

Take care in lifting the transplant from the soil. Have the soil wet and take as much of the roots as possible. Prepare holes one inch deeper than the hole left by the plant in its growing container. Pour a cup of water into each hole. It is smart to add soluble fertilizer to this water—the same kind you use for potted plants. Place plants carefully, and firm soil around each.

The use of jars over plants to cut down water loss is a good practice when the weather is cool, but the average day in West Texas is too hot for this method and the jars cause more harm than good. The same applies to hot caps. If these are used, break a hole in the top to keep plants from getting too hot.

Your garden crops need commercial fertilizer. If this has not been applied before planting, it is important to do it as soon as possible after the crop is in. However, it is never too late. It is easily done. The cost is low. If you have not used fertilizer before, you will be amazed at the spectacular increase in yield.

A good all-around garden fertilizer in this area, and one especially good for leafy crops, is ammonium phosphate (16-20-0). For a 100-foot row, when the rows are 18 inches apart, use one half pound of the pellets. Apply in trenches, preferably one on either side of the row, about two inches deep (like for planting peas) and when the plant is in the seedling stage, about four inches away from the row. For a larger plant make trenches farther away. Divide fertilizer, putting one-half in each trench. Spread pellets about the same as you would radish seed. Cover. This cost will run about two cents a row.

Tin cans may be used for measuring the pellets. A small frozen juice can hold several ounces of fertilizer and a No. 2 can, 17 ounces.

New 8c Stamp To Be Introduced Today

The Post Office Department will introduce its first regular 8c United States stamp bearing the motto "In God We Trust" and also portraying the Statue of Liberty to a nation-wide television and radio audience on Thursday noon in a program emanating from the Postmaster General's office.

Participating in this historic ceremony President Dwight D. Eisenhower; Secretary of State John Foster Dulles; Postmaster General Arthur E. Summerfield; Bishop William C. Martin, National Council of Churches; Francis Cardinal Spellman, Archbishop of New York; and Dr. Norman Salt, President, Synagogue Council of America.

This ceremony on April 8th from 12:15 to 12:30 p. m., Eastern Standard Time, over television and radio stations commemorates far more than the issue of a new stamp which will be used chiefly for international mail.

The Statue of Liberty, so prominently displayed on this stamp, is a beacon of opportunity and hope today.

The inscription "In God We Trust" sums up the religious faith that has always been and is today the bulwark of this nation — and its greatest source of strength.

GREAT NEW Gasolines!

SHAMROCK'S NEW Blending Formula

1 Adds Premium Qualities to NEW SHAMROCK TRAIL MASTER Giving Users of Regular Gasoline Extra Performance at No Extra Cost

2 Makes NEW SHAMROCK CLOUD MASTER the Finest Premium Gasoline For Superior Performance in High Compression Engines

NEW TRAIL MASTER

Shamrock's New Trail Master is the performance plus motor fuel for users of regular gasoline. It costs no more than regular gasoline yet gives the anti-knock, extra power, maximum mileage features you expect only in a more expensive, premium gasoline. New Trail Master offers the drivers of cars with lower compression engines all the performance advantages of recent gasoline improvements without requiring that they pay for a full premium gasoline.

NEW CLOUD MASTER

Today's powerful, high compression automobile engines make strong demands on the gasoline they use. But one of Shamrock's new blending formula, New Shamrock Cloud Master not only meets these requirements but far exceeds them. Shamrock Cloud Master... octane rating more than enough to positively eliminate even trace knock... octane rating more than enough to assure maximum mileage and the quickest starts, leastest warm-up, the greatest power, smoothest performance your car was designed to deliver.

Regardless of the make or model of your car, one of the two great new Shamrock gasolines will give you MORE POWER... BETTER PERFORMANCE... GREATER ECONOMY... and, for no more than you would pay for any other leading brand of gasoline. The superiority of these new gasolines is the result of Shamrock's new blending formula. This new formula gives both Shamrock Trail Master and Cloud Master higher octane and important additives. Distillation tests carefully check the volatility of the fuels, special knock-test engines prove definitely that the new gasolines are of such high octane rating that there IS NO CHANCE of your engine knocking. Fill up with one of the two... and get the most possible mileage and performance from your car.

Rotarians Win; Lions Get Money

It was somewhat of a divided affair last Thursday night when the grudge game between the Lockney Rotary Club and the Lockney Lions Club came off at the high school gym. The Rotarians won the game but the Lions got the money.

The money, \$73.00 net, went to the Lions Crippled Children fund and will be sent the Lions Crippled Children's home at Kerrville, Texas, according to F. O. Schacht, treasurer.

The Rotarians won the game 44 to 40 and it was a hotly contested game all the way with the lead changing hands several times. Bill Birdwell, star for the Rotary Club team, was high point man for the night sinking 19 points. Bob Miller, the Rotary's pivot man, made 8 points, Weldon Snodgrass made 8 and C. W. Bradford 6 for the Rotarians. Art Barker Jr. made 2 and Claude Brown 1 to round out the scoring.

The Lions' scoring was more divided with "Whitey" Baccus getting 8 points, R. E. Wiley getting 9 points, Dr. Gene Hardy getting 7 points, Revis Harris 6 points and "Rusty" Baccus 7 points. R. C. Mitchell made 2 and Wallace Allen 1 to complete their scoring.

The Lions held a lead in the third period but the Lions "old men" couldn't maintain the pace set by the younger Rotarians and tired in the fourth quarter.

School Enrollment Dates For Veterans Given By Abbott

N. S. Abbott, coordinator of the Floyd County Veterans Vocational School, has announced the following dates for veterans enrollment:

Veterans with active military service between June 27, 1950 and August 2, 1952, that are discharged, and plan to take advantage of the education and training under P. L. No. 550, must enroll in a course before August 20, 1954, or lose eligibility. Veterans discharged after August 20, 1952, have two years after discharge to begin.

A course is being taught in institutional on-farm training, which is a combination of classroom instruction and actual experience on the farm, in the county. A veteran desiring to enroll in this course should be farming under a written lease contract or ownership of the farm, or be able to get a lease contract covering the time of training allowed him. The farm must be of such size and character that, with his school work, it will require the veteran's full time, permit instruction in all necessary aspects of farm management, and assure him of a satisfactory income at least by the end of his course.

Our advice to veterans that can meet the above requirements would be to investigate the possibilities of such training and satisfy yourself before your eligibility expires. If you are interested in checking into this matter, contact the Floyd Co. Vocational School, Room 113 or 112, Court House, Mrs. Virgel Shaw or N. S. Abbott, for information.

If there are other veterans that desire training in various fields of education offered by the VA, you are invited to contact the above personnel and make your wishes known so the school may help you. There should be sufficient number desiring the same course that the VA offers, the school will do everything possible to get it approved.

Kindergarten Plans Graduation, Trip

Parents of kindergarten pupils met Friday night at "Mother Goose" school for a business and social meeting.

Mrs. J. D. Wood, teacher, had charge and discussed plans for the 16 member senior class graduation at the close of school. It was decided to hold kindergarten graduation at the high school auditorium on May 21 at 8 o'clock. There will be a program with all pupils taking part preceding the award of diplomas to the 16 seniors. Last years graduates will be asked to usher. Charlie Smith will be head usher and assist the youngsters. The public is cordially invited to attend the program.

For the senior trip the young graduates will be taken to Lubbock where they will appear in caps and gowns for a 50 minute broadcast on the television program, "Johnny on the Spot," KDUB, Thursday, May 13 at 6 o'clock. Following the program they will enjoy a picnic supper at MacKenzie Park.

Games of "42" were played according to peculiar rules after the

business meeting. Refreshments of pie and coffee were served to Mr. and Mrs. Thomas Chatham, Mr. and Mrs. H. P. Frizzell, Mr. and Mrs. Edgar Hays, Mr. and Mrs. Connie Reed, Mr. and Mrs. Charlie Smith, Mrs. W. D. Reese, Mr. and Mrs. Frank Brown, Mr. and Mrs. Derrell Wood.

City's Irrigation Rate Now On

The City Water Department's irrigation rate is now in effect and will be reflected in the next meter reading, according to Harmon Mills, water superintendent. The special rate is for the purpose of encouraging the watering of lawns and gardens, and will extend through the summer. The rates are quoted in an advertisement in this issue of The Beacon.

Mr. and Mrs. Dean H. Burger, Connie and Kenneth of Pampa spent Thursday visiting her parents, Mr. and Mrs. G. M. Brunner.

Brunner Heads Local Methodist Men

A new organization of Methodist Men in First Methodist Church, Lockney, has been chartered by Methodism's General Board of Lay Activities in Chicago.

President of the local organization is G. M. Brunner, vice president and secretary are Barry Barker and Richard Patterson. The Rev. Burgin Watkins is pastor.

The local group is one of nearly 7,000 Methodist Men organizations out of a total goal of 10,000 clubs which the board plans to charter by 1956.

It is estimated that 2,000,000 men in The Methodist Church are prospective members of the Methodist Men clubs.

Robert G. Mayfield, executive secretary of the board, states that, "We seek to mobilize through Methodist Men the tremendous power and enthusiasm of the men of the church. Our purpose is to give strength to the program of Christ and His Church through consecrated service of men in every local church of Methodism."

County Fair Set For Sept. 16-18

The directors of the Floyd County Fair Association cleared the way for action at their meeting last Thursday and made definite plans for a fair in Floyd county next September.

The directors, who represent eleven areas in Floyd county, adopted a constitution and By-Laws and voted to incorporate the non profit association. E. L. Turner of Harmony community was elected president of the board of directors for a one year term. Turner has been temporary chairman since the association was first organized several months ago.

Other offices filled at Thursday's board meeting were Chester Mitchell, vice president, and O. M. Watson Jr., secretary and treasurer. The president was directed to appoint an assistant secretary at a later date.

Mrs. M. J. McNeill, Floydada, will head the committee to plan the women's division of the fair and will be assisted by Mrs. R. H. Tinsley, Sterley, and Miss Leila Petty, Floyd County home demonstration agent. Dean Walls was appointed chairman of the livestock division and will be assisted by Bill Rodgers, Floyd County agriculture agent, Bill Norman, Dougherty, and Bill Beedy, South Plains, will have charge of the fair's carnival and entertainment. Pat Stansell, Lockney, will direct the sale of outdoor exhibit space. D. T. Mayo of Floydada heads the committee for commercial exhibits.

The fair date was officially set for September 16, 17, and 18.

Mrs. Sam Harvey Dies In Florida

Mrs. Sam Harvey, 46, died Sunday at 10:30 p. m. at Jacksonville, Florida. She had been seriously ill for the past two months.

Funeral services were scheduled at Jacksonville Tuesday.

Mrs. Harvey was the former Leota Guest, daughter of the late Dr. and Mrs. Guest of Plainview. Dr. Guest was a pioneer physician at Lockney. Leota was born in Plainview, July 4, 1907, and attended public schools there.

She was married to Sam Harvey, who operated a shoe store in Plainview. Later he became associated with the Hugh Tull machinery enterprises, leaving for employment with a similar concern in the southeast.

Mrs. Harvey is survived by her husband and three children, Sam Jr., Mrs. Jack Avery and Posey, all of Jacksonville. A sister, Mrs. Hugh Tull of Amarillo, also survives.

Pioneers Called Saturday, April 10

Claud Fawver, president of the Floyd County Pioneers Association, issued a call for a meeting of his officers and directors to meet on Saturday, April 10 to start plans to rolling for the annual reunion. The meeting will be held at the county court room at 2 o'clock p. m.

The county was organized and began to function on May 28, 1890, and May 28 is the date usually set for the re-union.

Mr. Fawver is anxious to have all members of the board and the officers present at the April 10th meeting, together with any others who would like to be present and help in the plans.

MANY SCHOOL ACTIVITIES now scheduled remind us that the end of this school year is near at hand. Plays, athletic events, parties, etc., are indicative of the days preceding the closing of the school term. They are busy days but interesting ones not only for students but also for parents and others interested in the school. A voice from the school of experience would advise students to take advantage of all the learning and all the good times available. All too soon the opportunity will pass, care-free days will be gone and the serious business of living will confront every student. It, too, is interesting but the good times are not so frequent and troubles arise more frequently. Better enjoy it while you can.

SHERIFF EARL COOPER and his deputies are due considerable credit for their work in solving the series of burglaries here the past two weeks. Through long hours, hard work and the co-operation of some local citizens the Sheriff's department was able to solve the crimes within a comparatively short time. Sometimes, it seems that police officers have a sixth sense or some sort of intuition which puts them on the right track even before they have evidence to substantiate their suspicion. Let it be said to the credit of Cooper and his deputies that they guessed who the culprits were right off. The only job they had was finding them. That took some time but they got the job done.

IT HAS LONG BEEN a Communist hope that the capitalist nations, most particularly the United States, would be ravaged from within by economic upheavals and the resulting social unrest. Now evidence is appearing that the shoe may be on the other foot — and that the Soviet Union and her satellites are facing very serious internal problems of an economic and social nature. The U. S. News says that "ruined fields, short crops, shortages of foods, clothing and housing, famine and general misery" are facing the people of Russia due to the USSR's efforts to develop heavy industry and their neglect of their economic welfare. Perhaps this nation will, through the providence of God, avoid a catastrophic war with the Reds and that the vast Red empire will succumb to internal collapse.

FACTS FORUM, a somewhat controversial political news service, has released a recent report in which they say that 76% of the population of the nation favor Eisenhower over any probable Democratic nominee. This seems high to us, yet it is 1% less than the poll showed in December and 13% less than the poll of January, 1953 showed. With attacks hitting him from all sides, it would appear that Eisenhower's popularity would dwindle rapidly. To some he apparently can do nothing right. His continued popularity seems to indicate that the American people are very adept at seeing through the attacks of selfish interests and discovering the real issues facing the present national administration.

THE LOCKNEY CHAMBER OF COMMERCE and Board of Development needs more members. Naturally the more members the better the organization can function. The Chamber offers the people of this community an opportunity to co-ordinate efforts and do something for their home town. Other towns with similar organizations are working at the job of making their town more attractive, more desirable, more livable, larger and better. If we don't do the same we'll find ourselves behind our neighbors in every way. Petty differences, jealousness and stubbornness shouldn't be allowed to disrupt the work of an organization whose function is to benefit everyone. Let's get in and get to work. It will be good for all of us.

BOLD THINKING

Rep. George Mahon of Lubbock came up with some bold thinking when he suggested the Bureau of Reclamation should investigate the feasibility of diverting enough water from the Missouri River basin to meet the needs of the High Plains in Texas.

But the problem of sufficient water has reached the point here and elsewhere that cannot be solved by any little plans.

That's why the Amarillo city commission has been reluctant

to submit any proposition to the voters until complete and thorough research of all resources has been made.

In the past Amarillo's water problems have not been too difficult, now or soon a stupendous step must be taken to prevent recurrent shortages year after year.

Whatever the city does may not be sufficient. The city's effort must be augmented by the Canadian River project, mandatory restrictions on what any individual landowner can do with the soil in this watershed and, perhaps, Mahon's mammoth scheme to transport water hundreds of miles. — Amarillo Daily News.

RIGHT OR WRONG

I am inclined to agree with Secretary of State Dulles that the free world should take "united action" to prevent conquest by the Communists of Indochina and all Southeast Asia. Most of the people of the United States will probably agree also — at this time. But if this "united action" should lead us into war or even a police action, there will be great numbers here in America now agreeing with him who will curse him and all his works forever as a warmonger and one who feared the Communists to attack us. Just as you can find some today charging that FDR forced the Japanese to attack Pearl Harbor. People in authority must make decisions as long as there is authority. Only history can prove which ones were right or wrong — You Be The Judge in Ralls Banner.

WHO'S AFRAID?

Quoting from our favorite columnist, "Effem" in Duluth (Minn.) Publicity:

A radio commentator says he thinks the trouble with present-day school systems is the teachers are afraid of the principals, the principals are afraid of the superintendent, he is afraid of the school board, they are afraid of the parents, the parents are afraid of the children, and the children are afraid of nobody.—Pied Pipers in Matador Tribune.

FOOLING 'EM

In the dark of night two safe-breakers from Aspermont entered a bank. One approached the safe, sat down on the floor, took off his shoes and socks, and started to turn the dial of the safe with his toes.

"What's the matter with you?" asked his pal. "Let's open this thing and get out of here."

"Naw, it'll take only a minute longer this way, and we'll drive them fingerprint experts nuts!" —Hamiln Herald.

THE LOCKNEY BEACON, LOCKNEY, TEXAS, APRIL 8, 1954

Texas Needs More Egg Production

College Station. — More commercial production and fewer backyard flocks are needed to stabilize Texas' fluctuating egg market.

When poultrymen make favorable returns one year there's a tendency for backyard flock owners to jump into the business next year. This causes a slight upsurge in production and a mild drop in prices, says John G. McHaney, extension economist.

Although this "in-and-out" of the business trend might seem insignificant, it's enough to keep egg production in Texas on an unstable keel.

More commercial flock owners are needed — producers with say 1,000 hens or more. Although there has been a

trend toward large-scale production in Texas in recent years, producers in areas of the United States with a higher degree of commercial production consistently receive higher prices for their product.

RECUPERATING

Word was received by friends here this week that Mrs. W. W. Brown of Culver City, California is recuperating from a serious illness and is now at home at 3811 Goldwyn Terrace. She is anxious to hear from her old-time friends of Lockney and would appreciate cards and letters as she regains her strength. Mrs. Brown and the late Mr. Brown lived here in the 1920's while he was connected with the Cotton Oil Mill.

Bridal Shower Given Deanne Arterburn

The home of Mrs. Milton Ashton was the scene for a miscellaneous bridal shower honoring Miss Deanne Arterburn, bride-elect of Roger Conner, on Saturday, April 3. Calling hours were from 3 to 5 p. m.

Corsages of pink carnations were presented to the honoree, her mother, Mrs. M. D. Arterburn and Mrs. J. R. Conner, mother of the prospective bridegroom.

The refreshment table was covered with white linen cut-work over blue centered with a white stock arrangement in a blue basket tied with blue satin ribbon bearing the names of Deanne and Roger, lettered in gold. In the flower arrangement were two love birds and in front of the basket stood a miniature bride and groom. The Easter motif was carried out in decorations throughout the entertaining rooms.

Ernestine Spradlin and Gail Kellison presented piano music during the calling hours. Assisting in the hospitalities were Patsy Pierce, Clare Lee Smith, Peggy Williams, Foince Boedeker, Mae Beth McLaughlin, Betty June Jackson, Sue Harper, La

Dora Ayres, Mary Myers and Eddie Lynn Hammond.

Hostesses for the occasion were Mmes. Opal Ashton, Gladys Hammond, Eleanor Schacht, Ethel Harrison, Effie Smith, Lorene Dorman, I. V. McClaskey, Mamie McGhee, Nora Ayres, Alvis Spradlin, Vada Webster, Martha Chatham, Elizabeth Myers and Maureen Hammond.

86 guests called or sent gifts. Out-of-town guests included the following from Amarillo, Mrs. J. N. Brewer, grandmother and Mrs. Howard Brewer, aunt of the bride-elect; Mrs. Charlie Ross and Barbara and Audie Glover.

Easter Egg Hunt At Kindergarden

The Easter egg hunt for kindergarden pupils and their younger brothers and sisters will be held at the school, Wednesday, morning at 9 o'clock, April 14. Each child is asked to bring either 12 candy eggs or 6 hen eggs colored and his own basket. Following the Easter egg hunt school will be dismissed for the holidays until Monday, April 19.

The mole is thought to be unable to see or hear.

MRS. PAT FRIZZELL

Farish-Frizzell Nuptials Are Read In Methodist Church

Flowers in shades of pink were artistically used in the First Methodist Church, Lockney, for the nuptial services conducted Sunday afternoon, April 4 at 4:30 o'clock uniting Miss Betty Sue Farish and Billy Pat Frizzell, both of Lone Star community. The bride is the daughter of Mr. and Mrs. C. H. Farish and Mr. A. E. Frizzell is the father of the groom.

The flowers were maroon daisies and gladioli arranged in tall white baskets. Sunburst palm arrangement of commodore fern backed the flowers and the cathedral candelabra bearing lighted pink tapers. Aisles were marked with pink maroon daisies in a cluster of huckleberry and lighted with pink cathedral tapers.

Rev. Burgin Watkins, pastor of the church, read the vows for the double ring ceremony and musical selections were presented by Mrs. C. L. Record, organist, and Marvin Glenn Marshall, soloist, uncle of the bride. "Lieberstraume" was played during the ceremony. Other organ numbers were "Serenade," "Indian Love Call" and "Traumerel." Vocal selections included "At Dawning," "Through The Years" and "The Lord's Prayer."

Given in marriage by her father, the bride was attired in a white satin dress featuring a closely fitted bodice with pleated cap sleeves. Scalloped ruffled lace outlined the off-the-shoulder effect and the sweetheart neckline was accented with pearls and tiny covered buttons. The waltz-length hoop skirt was of satin featuring a fan-shaped overskirt of scalloped lace flecked with seed pearls. She wore lace mits and carried a cascade of pink sweetheart roses and lily-of-the-valley. Her shoulder-length veil of illusion was attached to a

pearl and rhinestone tiara. For something old the bride carried her great-grandmother's wedding ring tied in her bouquet, new was her wedding attire, borrowed was the hoop in her skirt and blue was a garter.

Attendants

Maid of honor was Mary Jo Bonner and bridesmaids were Mrs. Bobby McCormick, June Wiley, Mrs. Charles Crawford, and Mrs. Deanie Henderson. They were dressed identical in waltz-length dresses of pink antique taffeta featuring basque waists with scooped necklines and full gathered skirts. They wore coolie type pink satin hats trimmed with lace and matching mits. They carried an arrangement of pink maroon daisies with satin loops forming the outside petals of the daisy effect.

Flower girls were Nancy Long and Mary Amber Frizzell, nieces of the bridegroom. They were dressed in pink antique satin with fitted waists and full tiered skirts accented with cord. They wore matching mits, tiny hats of lace straw and carried daisy shaped baskets looped with satin from which they strewed daisy petals.

Bill Sherman was best man and ushers were Bobby Baxter, Deanie Henderson, Charles Crawford and Orland Gilbert. Candlelighters were Donald Farish, brother to the bride and David Frizzell, nephew of the bridegroom.

Mrs. Farish chose to wear for her daughter's wedding a beige wool suit with beige and brown accessories. Her corsage was of pink carnations.

Reception

At a reception held in fellowship hall of the church following the ceremony the bride's table was laid with white and caught along the sides with pink satin ribbon accented with bows. The attendants bouquets, pink tapers in crystal holders and the three-

Given Sat. Night

A rehearsal dinner was given in fellowship hall of the First Methodist Church Saturday night at 7:00 o'clock for members of the Farish-Frizzell wedding party.

Tables were covered with white linen and decorated with arrangements of pink gladioli and pink tapers in crystal candelabra.

Wiley D. Nance Jr., entertained with piano music.

Places were laid for Susie Farish, Pat Frizzell, the betrothed couple; Mary Jo Bonner, Bill Sherman, June Wiley, Bobby Baxter, La Vonne Pretty of Lubbock; Mr. and Mrs. Bobby McCormick, Mr. and Mrs. Deanie Henderson, Mr. and Mrs. Charles Crawford, Orland Gilbert, Betty Johnson, Mr. and Mrs. Marvin Glenn Marshall, Mr. and Mrs. C. L. Record, Rev. and Mrs. Burgin Watkins, Mr. and Mrs. Clyde Farish, Mrs. Denzil Boyter, A. E. Frizzell, Donald Farish, David Frizzell, Nancy Kay Long and Mary Amber Frizzell.

Hosts for the occasion were A. E. Frizzell, father of the prospective bridegroom, Mr. and Mrs. H. E. Frizzell, Mr. and Mrs. Jack Frizzell, Mr. and Mrs. Milton Frizzell of Happy; Mr. and Mrs. Denzil Boyter, Amarillo; Mr. and Mrs. George Long, Silverton.

Jeff Fowler left Wednesday for his home in Pasadena, Texas after spending the past ten days here visiting his father, J. H. Fowler.

Wedding cake topped with a miniature bride and groom completed the table decor. Serving were Mmes. H. E. Frizzell, Milton Frizzell, Happy; and L. D. Marshall, Sterley.

Mrs. J. S. Marshall presided at the register and Mrs. C. L. Record played piano selections.

Both the bride and groom are graduates of Lockney High School, the bride finishing in 1953 and the bridegroom in 1951. Pat attended Wayland College two years.

After a wedding trip to Colorado Springs, Colo., the couple will be at home on a farm in Lone Star community where they have built a new home. They plan to return Friday of this week.

For traveling the bride wore a brown linen suit with brown lizard accessories. Her hat and gloves were beige and her corsage was pink sweetheart roses.

Party Honoree

Vikkee Carole Hammit, daughter of Mr. and Mrs. Charles Hammit, was honored with a party on her fourth birthday, Friday afternoon, April 1.

Refreshments of cake, ice cream and punch were served to Rodney and Lynn Murphey, Melinda Ellis, Patti Jo Cunningham, Danny Darcus, Jackie Rhodes, Larry and Nancy Mitchell, Johnny Patterson, Judy and Terry Turner, Carol Davis, Jerry and Jolene Barber, Ricky and Tommy Quisenberry, Sandra

Ricky Kellison, Dara Bybee, David and Doyle McClain, Randy Alford, Carol Cooper and the honoree.

Mothers attending included Mmes. Dean McCallum, Deland Patterson, Myrl Dorcas, Homer Ellis, Raymond Rhodes, Udell Cunningham, Yari Turner, W. M. Alford, Bill Quisenberry, Earl Kellison, Donnie Bybee, Wayne McClain, Fred Huggins, Bobby Carthel, Bob Davis and Charles Hammit.

Favors of horns and plastic lambs laden with candy around their necks were presented each little guest on departure.

The irrigation rate on city water will be effective with the next meter readings and you may now come to the City Hall and make application for this special rate if you desire to take advantage of it.

The rate is as follows:

Minimum Charge — \$4.00 for first 10,000 gallons

15c per 1,000 gallons for next 50,000 gallons

10c per 1,000 gallons for all over 60,000 gallons per month

EDITORIAL

Spring is here. No doubt you've noticed — everyone drags into the school house every morning as if he will never make it up those stairs! The windows are all up as far as they will go and students thoughts stray from the preamble of the Constitution to the newly green trees and from the mechanics of English to Linguish Falls.

The girls are blossoming out in crisp cottons and big flower earrings. The male counterpart is not far behind with bright short sleeved shirts and loud socks.

They all look bright with these pretty clothes on, but not mentally bright. If you look closely, you will notice a blank where a look of reasonable intelligence is supposed to be.

I know all these things because I am a student. There's only seven weeks of school left, so let's try to keep up on our toes until then! There is no known cure for spring fever if the victim doesn't want to be cured. If you do, you will work hard and really keep those grades going.

Oh well, who wants to be cured? I'm going to sleep! Bye now.

What this country really needs is a good five-cent nickel.

Fine feathers

-- may not make the bird, but they sure help! Look at these new ones of mine. They're early and they're even -- helped, no doubt, by the Ren-O-Sal I've had right from the start. You see, Ren-O-Sal provides faster feathering as well as faster growth and earlier laying. Helps make more good layers sooner. Wouldn't you think that every chick should have Ren-O-Sal in the water right from the start? For genuine Ren-O-Sal, say --

Methodists Entertain Senior Class

by Ann Belt
The Women's Society of Christian Service and the Wesleyan Service Guild of the Methodist Church entertained the Senior Class Friday night, April 2, with an ice cream supper held in the recreation room of the Methodist Church. Delicious home-made ice cream and cake were served. The motto was "Eat all you can."
The speaker of the evening was Rev. Cecil Matthews, director of the Methodist Student Center and Bible instructor at Texas Tech. He spoke to the seniors on the importance of choosing the correct college for ones personal needs.
All the seniors enjoyed the occasion very much.

Movie Star Look-Alikes

By Cope and Frenchie
We two little birds were scouting around the L. H. S. campus and found some look-alikes to several of the famous movie stars.

We think Roy Johnston resembles Stewart Granger.
Donald Allison is like Fernando Lamos in almost every respect . . . including the part of the lover.

Yvonne De Carlo has a twin in Sibyl Childers.
Barbara Carthel's beautiful hair equals Doris Day's.

Jimmie Holt possesses Patrice Wymore's eyes, mouth, and dancing ability.

Mr. Bradford has John Derek's eyes, hair and complexion.

Jack "Dagnet" Webb and Mr. Snodgrass could pass for each other.

Charles Vaughn has Rock Hudson's physique.

Joan Harris has Liz Taylor's beautiful hair.

Pat Pierce looks like Leslie Caron in her eyes, lips and cheeks.

Jerry Holt—Peppy Davis eyes, hair, nose and lips.

Mrs. Cope — Rita Hayworth's hair.

Cleon Wylie has Vic Matures mouth and eyes.

Leland Lewis — Tony Curtis—Wow!

If you notice anymore look-alikes roaming the halls, inform the Lariat staff. We may have a star in disguise, you never can tell.

Senior Class Meeting

Ann Belt
The Senior Class met Monday, March 28th at noon to discuss the senior trip. The seniors were told to bring their money for tickets to the Louisiana Hayride. They discussed leaving about 10:00 on graduation night on the senior trip.

The seniors met again Thursday, April 1 at noon. They discussed plans for going to Wayland College for senior day sponsored by the College for high school seniors. This was held April 2.

B. V. D.'s were named for the firm of Bradley, Voorhees and Day.

QUESTION OF THE WEEK

What would you do if you got caught by a namaycush?

Wendelle Sims — Depends on whether it was a male or female.

Weldon Pickens — Ask it for its phone number.

Darla Allison — Not much telling what I'd do.

Buck Ford — I'll tell you sometime.

Joan Harris — Hide it in my locker.

Barbara Hays — Look it straight in the face for a sure way of getting rid of it.

David Hartman — Pickle it in a jar.

Franklin Spruiell — Call Nedda.

Frankie Sparkman — Run for the dictionary.

A namaycush is a large trout.

Attention '53 Seniors

Several seniors of 1953 requested a copy of the picture, taken in Washington D. C. during the senior trip. Coach Lyon requests that you cooperate in an effort to get these distributed by picking yours up at J. Edd Parson's studio.

John D. Logan and Thomas Sterne established the Victoria Advocate in 1846. It was the first newspaper published west of the Colorado River.

Seniors Spend Day At Wayland College

On Friday, April 2 the Seniors boarded a school bus and went to Plainview to be the guests of Wayland College. We registered about 9:30. The theme of the day was Indian Pow-Wow. At 10:00 we assembled in the auditorium and were welcomed by J. L. Hardin. After the welcome the student body characterized a typical day at Wayland. After seeing how college students live, the International Choir sang. Then a salad lunch was served in the dining hall. The seniors were all taken on a tour of the campus and the dorms. The afternoon session included a variety program made up of the B. S. U. Choir, pantomimes and individual singing. At 2:00 everyone went over to the gymnasium and were introduced to the members of the girls and boys basketball teams. At 3:30 we began our journey back to L. H. S.

Juan S. Hart, publisher of The El Paso Times, was elected president of the Texas Press Association at a convention in 1890 at Houston. After the meeting, the members toured Galveston and went on special train to visit Fort Worth.

Guess Who's Locker

by Eddie Foster
While strolling down the hall I noticed a locker door open. I pecked in to see what I could find in this one locker I found:

- 2 notebooks
- 1 pocket dictionary
- 3 typing books
- 2 shorthand books
- 2 speech books
- 1 library book "Young Bess"
- 3 English IV books
- 1 Everyday Foods
- 1 General Catalog for Texas Tech
- 1 Lockney Beacon
- 1 Future Homemaker
- 1 spool of black thread
- 1 crochet needle

WHOZIT

This is another whozit like the one we had last week and is in the form of a crossword puzzle. When it is completely filled in you will have spelled a certain lively school girls name. The whozit last week was Duane Visage and when the words were filled in, it was like this:

- DUANE VISAGE
- INPOG OLENOQ
- NPIPG ILAKOU
- EQLS C LDA
- UEEY E EL
- 1. Sixth month of year
- 2. Veaved or received unfavorable by the public
- 3. Any monkey
- 4. A worker who attached necks to bodies
- 5. Blockhead or a booby
- 6. Collection of 3
- 7. To cut off or lop off.

- 1. Means of transportation
- 2. Mixture of Nitrogen and Oxygen
- 3. A rodent
- 4. An Indian dwelling
- 5. A man's _____ is his castle
- 6. What we receive at L. H. S.
- 7. Something you do with your eyes.

GO TO CHURCH SUNDAY.

- 3 memo books
 - 1 billfold
 - 1 bottle of ink
 - 1 shorthand manual
 - 1 book on sterling
 - 1 package of typing paper
 - 1 lot of scrap paper.
- The locker number is 138.
Guess whose locker it is?

C. C. Huckabee in Race For County Tax Collector

TO THE VOTERS OF FLOYD COUNTY, TEXAS:

I have decided to ask you for the office of assessor-collector of taxes for Floyd county, and want to ask your vote and influence as I begin the race for the job.

I will make an active campaign and will contact all the voters I can between this date and election day.

My race will be subject to the Democratic primary.

A good many of the voters know me as I have been a resident of the county since 1920, and have worked in business as well as on the farm.

I think my business experience qualifies me for this important post and I can make you a good man for the job. If you think so, too, I will appreciate your help and will try my best not to disappoint you.

Respectfully,
Charles C. Huckabee

Three Charged—

(Continued from page 1)

statement implicating the others. Charged in the burglary are Carl Neal, Merle Dean Keen, Bill Reed and Foster Presley, all of Plainview. They are all in jail at Plainview where they are also charged with burglary and car theft.

Liquor Seized In Raid

Eight 5ths of whiskey and a case of beer were seized last Saturday night when members of the Sheriff's department raided a farm house 2 1/2 miles northeast of Lockney. Two colored men, Clarence Tyler and W. W. Ross, were charged with possession for purpose of sale. Tyler pleaded guilty in county court Monday and was fined \$125 and costs. Ross pleaded not guilty and bond was set at \$1,000.

Charged With Assault With Intent To Murder

R. V. Hall, a Floydada negro, was charged with assault with intent to murder this week after two negroes were cut in a knife affray Saturday night in Floydada. Neither of the negroes were hurt seriously.

Lone Star Road

Contractors are expected to complete the topping of six miles of farm-to-market road north of Lone Star today. Commissioner Hugh Counts said Tuesday that workmen were putting down the asphalt top at that time and probably would be through by Thursday. This is the last step in closing a gap in the road north from Lone Star to the Rock Creek Store where it intersects with the Silverton-Tulla pavement. Three miles of the new road is in Floyd County and three miles are in Briscoe County.

The road from Lockney north to Lone Star is due to be seal coated if plans of the Highway Department are carried out. A seal coat will also be put on the road from Floydada to Cedar Hill in the same project. Contract on these jobs is due to come up within the next month.

FOR QUICK SALE — Nice 5 room brick home, completely air conditioned, real buy. J. H. Cooper Agency, Phone 2131.

Plan Box Supper

An old fashioned box supper will be held at the City Auditorium Friday evening starting at 7:30, according to announcement by Mrs. Donnie Bybee this week. The affair is sponsored by the women's softball team and money derived from the supper will be used to purchase equipment and suits for the women's team.

The public is invited to attend and all the women are urged to bring boxes.

Lockney HD Club Meets Today

Lockney Home Demonstration Club will meet today (Thursday) at 2:45 in the home of Mrs. E. L. Stapp.

The meeting previously was scheduled to be in the M. S. Johnson home.

2:45 At High School

The C. N. Townsend Parent-Teacher Association will meet Tuesday afternoon, April 13 at 2:45 at the high school auditorium for its regular meeting. Meetings this year have previously been held at night and patrons are asked to remember this change of time to the afternoon for this program.

Following the PTA prayer Rev. Burgin Watkins will speak on "For Every Child Spiritual and Moral Training."

Students of the third grade will present a program.

We can finance your car for you. J. H. Cooper Agency, phone 2131.

OFFICE SUPPLIES at The Beacon Office

the Lockney General Hospital in a serious condition, was reported slightly better Wednesday morning. Mr. Norris is suffering from a heart ailment and complications. His condition became worse Monday, relatives said, but improved by Wednesday morning.

Mrs. John Chandler accompanied her daughter, Mrs. C. W. Herd to her home in Wichita Falls Wednesday after a short visit here.

ation for your votes and confidence expressed in me at the city election Tuesday. I will fill the office to the best of my ability.

Lloyd Readhimer.

Mr. and Mrs. Harry Reeves of Canyon visited her parents, Mr. and Mrs. J. B. Seale during last week end.

GO TO CHURCH SUNDAY.
