Two New Entries In Queen Contest

The past week brought two new entries in the Floyd County Farm Bureau Queen Contest. They are Jimmie Holt of the Erick community, sponsored by the Jolly Stitches Club, and Cecilia Langley of Floydada, sponsored by the Producers Co-operative Elevator of Floydada.

One contestant, Kittie Ford of Lockney, withdrew from the contest, leaving 18 girls entered. The contest committee along with contestants and sponsors met last Thursday in the county court room at Floydada to make final plans. The contest is set for July 15 at 8 o'clock in the High School auditorium at Floydada.

All contestants will meet in Lubbock at 5:30 p. m. Friday of this week where they will appear on Jim Black's "Hospitality Time" television program over KCBD, Channel 11. Sponsors are also urged to be present.

Rehearsal for the contest will be Monday, July 11 at 3 o'clock in the high school auditorium, Floydada. This week The Beacon carries the pictures of six more of the county queen contestants. The remaining six contestants will be run next week.

Pep Squad Girls Select Costumes

In a meeting of the Whoop & Hollow Club, Lockney High pep squad, held Tuesday of this week the costume for the next school term was selected. The girls chose weskits, slacks, blouses and white shoes.

"It is urgent that each girl who plans to be in the pep squad go to Baker Dry Goods before July 10 and order the pattern and material for her weskit and slacks and go by Jack & June Shop by the same date and order her blouse," Shirley Warren, reporter said Tuesday. The pep squad officers are anxious that each girl get her order in so that all costumes will be identical. Kay Golden is president of the club.

Rainfall Totals 15.8 Inches For Year Here

The rainfall at Lockney now totals 15.8 inches for the year, according to Weather Observer Joe Holt. Of this amount 15.18 inches fell during the month of May and June.

This is compared to the total rainfall for 1954 which measured only 13.2. Mr. Holt said.

No rain has fallen here since Tuesday morning of last week and farmers are taking advantage of the "dry spell" to get their crops cleaned of weeds and in good shape. Most crops in this area are late due to heavy rains during the past several weeks.

Local Trackmen In Abilene Meet

Four Lockney High School boys who made outstanding records in junior track last spring will go to Abilene Friday where they will enter the third annual Junior Olympic Track meet, sponsored by the Abilene City Recreation Department. High School Coach Rudy Haile has been training the boys and will accompany them to the meet.

The boys entering the meet will be Clifford Hardy in the 120-yard low hurdles and 440-yard relay, Jerry Williams in the 100-yard dash and the relay, Nelson Wofford in the 220-yard dash and the relay, and James Hall Ferguson in the 220-yard dash and the relay.

The local team will enter the intermediate division, ages 14 and 15. Coach Haile said. The meeting will be held Saturday evening starting at 7 p. m. The group will leave here Friday morning and will be spectators at the girls track meet which will be held Friday. The meets will be held in McMurray College Stadium.

Those who win in the meet or turn in good performances will be eligible to enter the Southern U. S. Junior Olympic Championship meet in Houston on July 22. Suitable medals and awards will be given at the Abilene meet.

The local boys have been working out for the past 2 1/2 weeks and are in good condition, Coach Haile said. They expect to return home Sunday morning.

Bob Groseclouse, Abilene High School track coach is in charge of the meet.

Dodgers Lose One But Still Lead

The Dodgers lost a ball game in the Lockney Little League last week but still are leading the league with a 10-1 record. The up-and-coming Red Sox laid it on the Dodgers, handing them their first defeat of the season. The game was Thursday and the score was 7 to 5. Man- gold and Naylor were the winning pitchers and Belt and Rolling the losers. The Red Sox won two and lost none for the week.

The Yanks also had a good week, winning two and losing none to hold on to their second place position.

A postponed game was played Wednesday afternoon of last week with the Dodgers handing the Cards a 9 to 7 defeat. The Cardinals have improved considerably the past two weeks and have been playing some good games but old lady luck won't smile on them and they have lost some close ones. Belt and Rolling were the winning pitchers and Keller was on the mound for the Cards.

In the Thursday game between the Dodgers and Red Sox, the Dodgers scored five runs in the fifth inning to pull even with the Red Sox but the Sox came back with two in the sixth to win.

Also on Thursday the Yanks handed the Giants a defeat 11 to 3. Kent, Carthel and Ford were pitching for the Yanks while Mosley and Wofford were on the mound for the Giants. On Friday evening the Yanks won another time defeating the Cardinals 12 to 5. The Yanks (Continued on back page)

Seek Members, Voluntary Labor For Fair Assn.

Dick Whiteley, manager of the Floyd County Fair this year, said Tuesday that his office was mailing out several hundred letters this week to residents of this part of the county asking them to become members of the fair association. A drive for members has been made in the Floydada area but none has been made here to date, he said.

Also Mr. Whiteley is seeking some voluntary labor to help prepare the grounds of the Anderson & Clayton estate here for the fair this fall. He spent Monday operating a tractor and scoop on the grounds and said that considerable more work needs to be done. The big need now is filling some holes in the building and on the grounds and if anyone has some dirt they want to give away he will be glad to see that it is used for this purpose, Whiteley said.

Quite a number of windows in the big brick building has been closed up and others remain to be closed.

Mr. Whiteley, manager of the Lockney Chamber of Commerce, was named manager of the Floyd County Fair at a recent meeting of the Fair Association.

S. Plains Keeps Softball Lead

The South Plains softball team kept their lead in the Lockney Softball League this week by splitting two games with Silverton. Meanwhile the Lone Star Golden Spread team crept into second place over Silverton by virtue of their having played more games than Silverton. Silverton has two postponed games yet to play.

On last Thursday night Floydada defeated the Lone Star Co-op 10-0 in one of the few shut-out games of the season. Bishop was on the mound for Floydada and Joe Nance pitched for the Co-op team. On the same night South Plains and Silverton played a close one with Silverton breaking a tie by scoring two runs in the seventh to win 5 to 3. Travis was the winning pitcher and Wilson the loser.

On Friday night the two teams tangled again starting the second round of play. This time the South Plains boys came out on top 7 to 2. Wilson was the winning pitcher and Bunch the loser. Also on Friday night Floydada and the Lone Star Co-op tangled again with the Co-op winning this one, 10 to 9. The Co-op boys scored eight runs in the sixth to win. Floydada's big inning was the second when they scored seven runs.

On Tuesday night the Fire Department defeated Hammond & Co. 10 to 1. Archie Bybee was the winning pitcher and Davis the loser. Also on Tuesday night Golden Spread defeated Gulf Service 12 to 0. Farish was the winning pitcher and Vaughn the loser.

The League standing is:
Team — W L Pct.
South Plains — 6 2 750
Golden Spread — 5 2 715
Silverton — 4 2 668
Gulf Service — 3 3 500
Floydada — 4 4 500
Lone Star Co-op — 3 4 429
Fire Department — 3 4 429
Hammond & Co. — 0 7 000

Schedule for the week:
Thursday — Fire Department vs. Silverton, Gulf Service vs. Floydada.

Friday — Hammond vs. South Plains, Golden Spread vs. Lone Star Co-op.

Tuesday — South Plains vs. Fire Department, Lone Star Co-op vs. Gulf Service.

FROM WHARTON

Mrs. Dan Thornton of Wharton has been here this week to see about and repair the damage to her property by the recent hail storm. She has been visiting with friends in Lockney and Floydada and also with her daughter of Floydada, Mrs. Burt Barker. She returned to Wharton Wednesday afternoon.

Fair Catalogues Are To Be Delivered Soon

The printing departments of The Beacon and The Hesperian will begin delivery of the 1955 Floyd County Fair Catalogues probably Monday. The 1955 book is a 53 page affair with a bright yellow cover and is a joint production of the two county newspapers.

Featuring efforts of the fair committee to make this year's fair "bigger and better" the catalogue carries a large list of all the show departments and classes with prizes for each placing. Two thousand of the catalogues are being printed, which is twice as many as were printed last year.

G. T. Meriwether Dies At Plainview

G. T. "Jeeter" Meriwether, a native of Lockney and son of Mrs. Marcia Meriwether, died suddenly Monday morning in Plainview. He had been hospitalized for two weeks for a rest and checkup but his condition was not considered serious. Death was presumably caused by a heart attack, relatives here said. He was only 33 years of age.

Funeral services were held at the 10th and Utica Street Church of Christ in Plainview Tuesday afternoon at 3 o'clock. Mitt McKnight of Hale Center, a Church of Christ minister and college friend of Meriwether, conducted the services. Interment was in the Plainview Memorial Park cemetery.

The services were attended by a large number of friends and acquaintances from Lockney, and the church sanctuary was filled to overflowing.

Meriwether had been manager of the Western Cotton Oil Co. mill in Plainview for the past four years. He began work with Anderson, Clayton & Co. in 1942 and after serving with the Navy during World War II he was promoted rapidly in the company's service. He had previously worked with Anderson & Clayton at Brownfield.

G. T. was born in Lockney on October 30, 1921. He was reared here, graduating from Lockney High School in 1939 and attended Abilene Christian College for two years. He went to work for Anderson & Clayton but was called into service with the Navy.

He was married to Miss Doris Sams, daughter of Mr. and Mrs. Guy Sams, in 1943. The couple have lived in Brownfield and Plainview since his return from service.

Meriwether was very active in civic affairs being a member of the Plainview Lions Club, the Roddeo Association and the Plainview Fat Stock Show. He was instrumental in the recent leasing of the Anderson & Clayton property here to the Lockney Chamber of Commerce. G. T. was always interested in Lockney and kept in touch with civic and community affairs here.

He was a member of the Church of Christ. Survivors include his wife, two children, Susan and George Thomas Meriwether III; his mother, Mrs. Marcia Meriwether of Lockney; three brothers and one sister, Raymond and Austin Meriwether of Lockney, Carl Meriwether, Las Cruces, N. M., and Mrs. L. K. Sherman of Lockney.

Local Residents Visit In Ruidoso

A large number of Lockney people were in Ruidoso, New Mexico, for the Fourth of July weekend. Among them were Mr. and Mrs. Robert Lee Smith and family, Mr. and Mrs. Raymond Rucker and family, the Leroy Durhams, Mr. and Mrs. Oscar Golden and family, the Fred Byrds, Dr. and Mrs. W. J. Mangold, the Raymond Rhodes, Mrs. Walter Merrell, Mrs. R. L. Lackey, Mrs. Fred Merrell, Mr. and Mrs. Pat Stansell, Shirley Warren, Dr. and Mrs. G. A. McClelland and family, Rusty Baccus and family, Charles Vaughn, Buck and Jerry Ford and Don Hollums.

Deposits Are Up Almost 1 Million From Year Ago

Deposits in the First National Bank of Lockney are up almost one million dollars over the same period of last year according to a statement of condition as of June 30, 1955 published in The Beacon this week.

Demand deposits on June 30 this year are \$3,557,007.69 compared to \$2,807,146.99 the same date last year while total deposits this year are \$4,193,120.97 compared to \$3,273,573.60 the same date last year, an increase of \$919,547.37. Total deposits are down some two million dollars from the high on December 31, 1954, reflecting heavy local expenditures in crop plantings and investments in gas lines and farm machinery. Deposits in the local bank on December 31 totalled \$6,351,681.80. Reflecting growth of the local bank, the deposits on June 30, 1949, were \$1,551,419.58.

Other comparative figures show cash on hand this year at \$1,552,698.85 compared to \$1,350,492.92 the same date last year, also an increase.

Loans this year are \$2,195,593.15, which includes \$1,875.90 in CCC paper. The loans as of June 30 last year were \$1,870,802.09. President M. W. Wiley said that the increase in loans this year over last reflected not only the difficulties in planting this year but probably a half million dollars farmers have invested in natural gas lines during the past year.

Total capital accounts as of June 30 this year stood at \$344,570.91 with \$144,570.91 of that amount being undivided profits. Capital accounts on June 30, last year were \$298,290.99.

Another evidence of growth of the local bank is the capital accounts on June 30, 1949. These stood at \$126,459.38 on that date.

School Board Change Date Of Opening

The Lockney schools will begin the 1955-1956 term on Tuesday, August 30, instead of Thursday, Sept. 1st according to action of the board of trustees Monday night.

A review of the school year indicated that the needed 175 days of class room sessions would force the school to extend into another week next spring and the opening date was moved up to avoid extending the school term. Supt. W. C. Irons said.

The faculty meeting will be held Monday, August 29.

The work of re-roofing the various school buildings, damaged in the hail some three weeks ago, is now underway. Mr. Irons said. These buildings, include the city auditorium, which the school has had leased, and the roof has been finished on that building.

Mrs. Norris' Brother Dies At Hobbs, N. M.

Hershel J. (Punk) Burns, brother of Mrs. Alex Norris of Lockney, died June 26 at 6 a. m. in a hospital at Hobbs, N. M. He formerly lived at Lubbock. He was well known in the cattle raising and banking circles throughout the Southwest and was one of the founders of the Lovington National Bank which he served as president from 1948 to 1953.

Survivors include two sons, Joel Burns, Salt Lake City, Utah, and Royce Burns, Lovington; three brothers, Roland of Grand Junction, Colo., T. T. of Holbrook, Ariz., and C. E. of Salt Lake City; three sisters, Mrs. Norris of Lockney, Mrs. J. E. Freeman of Abilene and Mrs. Earl Davis of Acuff.

Funeral services were held Monday, June 27 at 3 p. m. in the Smith-Yarbro Funeral Home Chapel in Lovington and burial was in the Lovington cemetery. Attending the services from Lockney were Mrs. Norris, Mr. and Mrs. Elvin Lyon.

Jay Ed Parsons returned Monday from a visit with relatives and friends at Artesia and Carlsbad, N. M.

Minute Editorials

Let your consideration be without covetousness, and be content with such things as you have, for he hath said, I will never leave thee, or forsake thee. — Hebrews 13:5.

THERE IS STILL a considerable amount of cotton in the area despite the most trying planting season within the memory of man (thinning 1941.) A drive in the rural areas will reveal that Northwest Floyd county still has considerable cotton acreage, although most of it is late and small. In the area northeast of Lockney the cotton looks good for the most part. However no cotton that we have seen in this area compares with the crops just north of Petersburg along the farm-to-market road. Even that around Lubbock is not as good.

IT IS CERTAIN that Floyd County or the Lockney area will not make as much cotton as we did last year but we will still make a considerable amount of cotton, if nothing further happens to the crop, and we will still need lots of hands in here this fall to gather the crop. If the vegetable crop develops as we hope it will still many

more harvest hands will be needed to take care of this part of the harvest. Perhaps we won't have the best crop year but we'll probably have a better one than some we've seen in the past.

GOOD NEWS for farmers: The economists say that the decline in farm prices is at an end. In fact some expect farm prices to re-act and start going up again. We don't know if the experts can accurately foretell such things but we do know a few farmers in this area who are in favor of it.

SOME CITIES boast of their street paving and none can boast more than Lockney about this. Size of town considered, but now Lockney has something additional to boast about and that is the curb and gutter paving that has been going on here for the past two months. We have no figures from the paving contractor but we do know that he has been busy on this phase of paving every day weather has permitted and we would estimate that probably 15 or 20 blocks of gutter and shoulders have been paved with a good part of this also including the concrete curb. Lockney can soon claim the crown as being the "most paved" city in the west.

ALREADY WE ARE hearing rumblings about the governor's race for next year. Various candidates are being suggested ranging from Bob Anderson, recently resigned assistant secretary of the Navy to Price Daniel, present junior senator from Texas. Many others are apparently looking for encouragement to run including John C. White, secretary of agriculture, John Ben Shepherd, attorney general, and others. We're supposing that Mr. Shivers will not seek another term but if he should decide to run of course it would adversely affect the races of some of these candidates. We hardly expect Ralph Yarborough to make another race, with probably John C. White wearing the mantle of the liberals. At any rate we will have another Liberal-conservative fight and the faction who puts up the best man will win because Texas voters have turned from the "I-love-the-Democratic-party-better-than-anything-in-the-world" attitude and are now expecting their party to nominate a man who can and will command the respect of the people and demonstrate his ability to handle the office in a respectable way regardless of the desires of the PAC and the national Democratic party.

IN HOMETOWN AMERICA

With Our EXCHANGES

A CANDIDATE IN '36! We do not pretend to know whether or not Robert B. Anderson resigned as Deputy Secretary of Defense in order to clear the way for a 1936 campaign for Governor of Texas, but we do know that he possesses all the qualifications a gubernatorial candidate should have.

Bob Anderson, who took leave of absence as manager of the far-flung Waggoner Estates to become Secretary of the Navy under President Eisenhower, is a man of tremendous ability. A cracking good financier, he has had Federal Reserve Board ex-

perience. A fine administrator in private life, he has proven himself equally able as No. 2 man in the Defense department. He is still young—45; physically fit, smart as a whip and as down-to-earth as a pair of well-worn bedroom slippers. Further, he has many close and powerful friends in both of the Democratic factions in this State—including many who did not join him in the support of the Eisenhower Presidential candidacy in 1952. While the latter remember that he went for Eisenhower three years ago—along with a majority of Texas voters—they also remember that when he took the Navy Secretaryship it was with the public statement that he was a Democrat and expected to remain

a Democrat. Clean-cut, clean-living, personable Bob Anderson may not share with many of his friends and admirers the thought that he should make a try for the Governor's office next year. But, if he does, he will be a formidable candidate; and if he is elected, he will take office much better equipped in every way than the vast majority of the men who reach such positions—or have reached them—in the family of States.

The Vernon citizen on loan to Washington is quite a fellow, anyway you look at him—Lubbock Avalanche.

NO INVESTIGATION

Not to be stealing any of McCarthy's thunder last winter, but writing some interesting and allusive words, Mr. Spivey of Wynnboro wrote the Dallas News "demanding" the release and publication of the Mayflower Compact. He stated that the people have a right to know the remarks of the Pilgrim Fathers as they signed the document. Also he demanded to know who promoted Miles Standish to the rank of captain and if he were honorably discharged. Likewise he questioned whether the Plymouth Rockers violated the Supreme Court's ruling against segregation when they refused to wigwam up with the Indians. Good questions all of them, but so far no Congressional investigations have ensued. — You Be The Judge in Crosbyton Review.

CAN'T UNDERSTAND

"I can't understand why you failed in business," remarked the genius to his friend. "Too much advertising did it," his friend replied. "What do you mean — too much advertising? You never spent a cent in your life on advertising." "That's true," his friend replied, "but my competitors did." — Eddie Warren in Post Dispatch.

A CLEAN CITY IS A SAFE CITY.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

July 9, 1925

At a meeting of the business men of Lockney in the directors room at First National Bank Wednesday morning considerable business concerning the right of way of the Denver line was accomplished. The Denver people want the right of way to be completed July 15 and the committees are very busy at work on the proposition.

The Security State Bank of Lockney was granted a charter by the State Bank Department Tuesday according to a telegram received by Carl McAdams this week.

A move has been set on foot by local citizens to erect a Sanitarium in Lockney and two people have said they were willing to take \$3,500 worth of stock in the new institution.

D. E. Sullivan and Dewey Floyd have opened a cafe in the new building just completed by Middleton and Byington on South Main street to be known as the C. and D. cafe. These gentlemen will also conduct an automobile filling station and store cars in the same building with the cafe.

July 9, 1931

According to information received this week from County School Superintendent Price Scott, funds to the amount of \$4,302 were received during the week by the Floyd County School Board for tuition on local high school students for school year 1929-30.

We have been informed by the elevator men that a large number of the farmers in this section are holding their wheat this year and that the wheat is slow in coming to the elevator. The price

has 30 cents per bushel this week.
Mrs. Mary Lamm, 76, died at her home in Lockney Tuesday, July 6, 30 of a stroke of the heart.
Robert Luther died at Plainview following an operation for appendicitis which was performed July 2.
Dr. C. J. McCollister, practitioner, was found in charges of practicing in two cases tried Tuesday. Four others at the local man by the court. The charges against a state of chiropractors in this section.

July 9, 1931
A delegation of agriculture teachers in this section headed by King of Lubbock, Lockney Defense School plant Wednesday for gathering information to start similar schools in communities represented.

Combines were getting some areas of Floyd county men estimated about 90 per cent of had been cut.

Deposits for the First National Bank increased three the same period last year.

The following names have been sold by Collier, county clerk:
July 6 — J. W. Best, Edith Shelton.
July 29 — Ewell E. Ogden, Fay Taylor.

Insect Report

(Note: Following is a report on a cotton insect survey for the South Plains as released by Walton H. Jones, district extension agent, of Lubbock. The report was compiled by G. T. Davis Jr. and W. L. Owens Jr., both connected with the Extension Service.)

Scattered showers to heavy rains fell over part of the area during the past week. The heaviest falls were recorded in Castro, Crosby, Floyd, Hale, Hockley, Lamb and Swisher counties, with amounts ranging from 2 to 8 inches. Hail damaged crops in a number of localities. Temperatures ranged higher during the week, bringing about more favorable conditions for plant growth and fruiting of cotton.

Early planted cotton showed a marked increase in squaring, with scattered blooming in a few fields. In areas where stands were recently destroyed by hail, replanting was common through June 26.

Aphid infestations decreased in a majority of fields which had earlier medium to heavy populations. Blowing rains and increased beneficial insect activity accounted for the reductions in infestations. Scattered fields throughout the area continued to show damaging infestations. Cotton growers in a few localities have applied insecticides for control of insects.

Thrips infestations continued light in a majority of fields in all of the counties. Occasional planting of cotton had medium to heavy population of the insects, indicating a need for control. The heavier infestations were generally found on cotton near other plants which supported large populations of the insects.

Fleahoppers were found in larger numbers than during the previous week. As cotton reached the fruiting stage, plants became more attractive to the insects. At least small numbers of fleahoppers were generally found on plants which had begun to sit squares. While a majority of fields had low infestations, a

good number of fields had sufficient numbers of the insects to warrant control. One group of early planted fields in Lubbock County 45 per cent of the planting had infestations which ranged from 15 to 27 fleahoppers per 100 terminal buds, while in the remaining 55 per cent of the fields counts ranged from 0 to 14 per 100 terminal buds. Although none of the infestations have been of sufficient duration to cause any serious damage, fields should be watched closely for the insects and their damage. Lack of fruit or the show of sizeable numbers of small dead squares would indicate damage by either or both thrip and fleahoppers. Any necessary control may be effected by proper application of any of the materials recommended in the "GUIDE."

Grasshoppers in Briscoe, Floyd, Swisher and Yoakum counties continued to cause damage to cotton which bordered grasslands. Control was necessary in a few localities.

False wireworms damaged stands of replanted cotton in Howard, Lynn and Mitchell counties.

We would like for all reports to indicate infestations on poisoned as well as unpoisoned fields. This would indicate the effectiveness of the control. The Guide usually shows a choice of controls, but we know that conditions such as temperatures, humidity, etc. cause some variations.

Information contained in the cotton insect situation release has been compiled from reports received from county agents, vo-

Lions Elect International President

Humberto Valenzuela of Santiago, Chile was elected International President of Lions International at the association's 38th Annual Convention in Atlantic City. Lions International, with more than 523,000 members in 11,580 clubs in 69 countries and geographical locations is the world's largest service club organization.

ational agricultural teachers, personnel of the Texas A&M College System, various branches of the U. S. Department of Agriculture Commercial cotton inspectors, chemical companies and others.

STUFFED CELERY

Instead of cheese, home economists suggest stuffing celery with chopped chicken, ham or smoked turkey, using savory pate as a binder. It's different, and it's delicious.

LETTERS TO THE EDITOR

U. S. Soldiers Home Hospital
Washington 25, D. C.

Dear Sir:
Two years ago last Christmas a friend of mine, Leonard Brewster, gave me a year's subscription to The Beacon. Much as I appreciated his gift I was never able to read a line in the paper. I thought many times in justice to you and myself I would ask you for a statement. A lady who could read a little better than I can read the account of the hail storm in the last issue.

I spent 30 years of my time in that western country and eight years of that time in Lockney. No man was ever treated more kindly than I was by the people in Lockney. Men, women and children alike seemed to love me. I was seldom denied a favor. I did not intend to do all this moralizing.

With thanks I am yours truly,
J. S. Leonard.
(Dictated by J. S. Leonard, written by G. E. Tillery, S. R. C.)

GAL DECEIVER

Paint is a gay deceiver that can work miracles in a tiny kitchen. A very light gray or off-white shade for the walls and woodwork in an unbroken line, from ceiling to floor. Your range and refrigerator will blend right into this cool, light background and contribute to the total effect of more space.

GO TO CHURCH SUNDAY.

Fall Home Repair Supplies

DO IT YOURSELF...

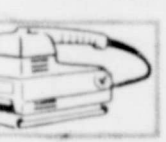

and measure your SAVINGS!

item-of-the-month

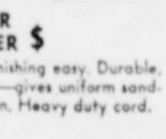

4 FT. STEEL RULE
Easy to read—inside and outside measure. Graduated in 1/16ths. Compact steel case.

PORTABLE SAW
Finest saw for home workshop. Converts to table saw, sander, shaper. With necessary kit.

PUSH DRILL
Quick, easy drilling. Steel chuck — 8 drill points — 1/16" to 1 1/4".

POWER SANDER
Makes finishing easy. Durable, powerful—gives uniform sanding action. Heavy duty cord.

LIQUID GAS TORCH
Makes home or shop repairs a snap. For paint burning or soldering. Lights instantly.

ONE PIECE HAMMER
New type, balanced hammer. No split ends. No pin. Non-slip grip. "Unbreakable."

HAND SAW
High-carbon steel with proper teeth set. Balanced — with shaped grip. Rip or crosscut.

Your Handy Helpful Hardware Man suggests: HOW TO MAKE A CALIPER

A folding rule, once broken, is generally considered useless and simply thrown out of the home workshop. However, here is a handy comparative caliper, useful for taking both inside and outside rough measurements, made from just such a broken folding rule. Two 6-in. sections are easily cut to the shape shown in the sketch by cutting on a jigsaw or by filing. Fine sandpaper can be used to smooth off any remaining rough edges.

Carthels Announce Daughter's Marriage

Mr. and Mrs. John T. Carthel of Lockney announce the marriage of their daughter, June Marie, to Arnold Jerome Leonard on June 26 at Taos, New Mexico. Attending the ceremony were cousins of the groom, Mr. and Mrs. Arnold Press of Santa Fe, and friends of the groom, Mr. and Mrs. Jack Roth of Albuquerque.

The bride attended Texas Tech and received her Bachelor of Science degree in 1948 and her Master of Education degree in 1952. She has taught seven years in the public schools of Whiteface, Denver City, and Midland. She is now choral director in Midland High School and also a member of the Midland Symphony Orchestra.

The groom served three years in the armed forces as staff sergeant in Military Police in the European and Pacific theatres. He received his Bachelor of Science degree from Columbia University, New York, in 1951 and his Master of Arts degree from the University of New Mexico at Albuquerque in 1954. He served as head of Roswell Museum School of Fine Arts in 1952 and 1953 and is now director of the Art Department of Odessa College and resident artist with the Midland Summer Painters Art Group. He is the son of Mrs. Rose Leonard Lilienfeld of New York. The couple are now living at 3604 Gaston Drive in Midland.

Jack Applewhite, grandson of Mr. and Mrs. G. C. Applewhite, spent last week here with them. He lives in Pampa.

T. Callaway Weds Plainview Girl

Miss Doris Luper, daughter of Mrs. Maggie Luper of Plainview, became the bride of Tommy Callaway, son of Harold Callaway of Lockney, in a double ring ceremony read at 6 p. m. Saturday, July 2 at the home of the bride's mother in Plainview.

The bride attended school at Valliant, Okla., and the groom attended the Lockney schools. Both are employed in Plainview where they will make their home.

Jolly Stitchers Meet In W. O. Stuart Home

Mrs. W. O. Stuart was hostess Friday afternoon, July 1, to the Jolly Stitchers Club. An interesting afternoon was spent in copper tooling. The club is sponsoring Miss Jimmie Holt in the Texas Farm Bureau Queen Contest.

Refreshments of cake and frosted punch were served to Mmes. W. A. Jolly, K. E. Probasco, Oliver Holmes, L. F. Duvall, H. V. Kellison, C. Kellison, E. T. Pigg, A. L. Holt, Royce Hillman, Miss Anna Schacht, and one visitor, Mrs. M. W. Raley.

COOPER VISITERS

Guests last weekend in the home of Mr. and Mrs. Howard Cooper and Carol were Mr. and Mrs. R. L. Hearne and Richard of Dallas.

Mr. and Mrs. J. D. Webb and children went to Lubbock on Thursday where they had a check up at the doctors for their baby Stephen Jay.

Mavis Tate, Donald Reecer Are Wed

In a double-ring ceremony read at 8 p. m. Friday in the Gordon Downing home in Floydada, Miss Mavis Tate, daughter of Mr. and Mrs. D. D. Tate of Lockney, became the bride of Donald Reecer, son of Mr. and Mrs. L. L. Reecer of Lockney.

Gordon Downing, minister of the Floydada Church of Christ officiated for the exchange of vows.

The bride was attired in a pale blue two piece street-length dress fashioned of silk and cotton and designed with a tucked, fitted bodice. Her accessories were white and she wore a corsage of white carnations.

In traditional style the bride wore for something old an 1817 penny in her shoe; new was her attire; borrowed was a string of pearls from the groom's mother and a pair of pearl ear screws from her mother; and something blue was the traditional blue garter.

Miss June Ware of Floydada attended the bride as maid of honor. She wore a street length dress of pink linen with white accessories and a corsage of pale green carnations.

Lloyd Paul Reecer served his brother as best man.

Mrs. Tate, mother of the bride, wore a pink printed silk dress with navy accessories and a pink carnation corsage. Mrs. Reecer, mother of the bridegroom, chose a beige princess style dress of silk and cotton. Her accessories and corsage were pink.

For a wedding trip to Ruidoso, New Mexico, the bride wore a beige linen dress with avocado accessories and a white carnation corsage. The couple is at home in Lockney.

The bride is a 1953 graduate of Lockney High School, and is employed by the Southwestern Bell Telephone Company here. The bridegroom is also a Lockney High School graduate, and is associated with his parents in the operation of Master Cleaners in Lockney.

Guests at the wedding included Mr. and Mrs. Kenneth Tate, Mrs. Pike Hanna, all of Floydada; Vicki Teuton, Doug Meriwether, Ben Reecer, Mr. and Mrs. D. D. Tate, Mr. and Mrs. L. L. Reecer and Benny, and Mrs. Lloyd Paul Reecer, all of Lockney.

TO GLORIETA

Miss Frankie Sparkman, daughter of Mr. and Mrs. H. B. Sparkman, left Monday morning for Glorieta Baptist Assembly, Glorieta, New Mexico, where she will work this summer. Frankie is a very active member of the First Baptist Church here and she graduated from Lockney High School in May. She has been awarded the National Honor Society Scholarship and she plans to attend Wayland College in Plainview this fall.

TED LUNDGREN HERE

Ted Lundgren of Amarillo spent last weekend here with his grandmother, Mrs. Conde Davis.

WE HAVE sufficient help to repair window screens and screen doors. We will pick them up for repairs. Brunner Lumber Co. Itc.

Designed to "go places"—this flower-sprinkled print dress mated to a rib-hugging bolero jacket. The long-torso line bodice of the dress tops a full gathered skirt, and there's a narrow belt for those who like their waistlines outlined. The jacket is cut in rayon hopsacking linen that picks up the predominating color in the floral print—by Marcy Lee.

VISIT COLORADO CAMP

Mr. and Mrs. L. L. Rhodes spent the holiday weekend visiting their daughter, Janie at the Long Scraggy Mountain Ranch Camp for Girls near Buffalo Creek, Colo. Other Lockney girls who are attending the camp are Jo Readhimer, Dixie Ford and Carolyn Belt.

FROM CALIFORNIA

Mrs. R. B. Rees of Temple City, California, has been a guest for the past two weeks in the home of Mr. and Mrs. T. B. Mitchell. She is Mrs. Mitchell's sister. During Mrs. Rees' visit, she and Mrs. Mitchell attended two reunions, one at Ballinger and one at Cisco. They also visited friends and relatives in Winters, Coleman, Eastman, Breckenridge and Ft. Worth. They returned to Lockney Tuesday.

McCARTOR VISITORS

Guests the past weekend in the home of Mr. and Mrs. James P. McCartor and family were Mrs. McCartor's sister and family, the Marvin Reecer's of Hooker, Oklahoma. They arrived Friday and left Monday. Also visiting in the McCartor home were Mr. and Mrs. Wilson Ansley and family of Plainview. They also visited in the home of Mr. and Mrs. Henry Ansley and family.

BARKERS, SHAW'S ON VACATION

Mr. and Mrs. Barry Barker and Mr. and Mrs. Kelton Shaw left by plane from Lubbock Monday for Nassau, a British island off the coast of Florida, where they will spend about ten days vacationing and sight-seeing.

FROM ABILENE

Guests over the holiday weekend in the home of Mr. and Mrs. Fae Pinner were Mr. Pinner's brother and his wife, Mr. and Mrs. Harvey Pinner of Abilene. Also visiting were friends from Odessa, Mr. and Mrs. Lee.

Mrs. Sid Thomas and Mrs. Harmon Handley traveled to Lubbock Wednesday to take Mrs. Nonnie Benfro of Milano and Mrs. L. L. F. Parker of Muldoon to catch a plane for their return trip home. They are both sisters of Mr. Thomas and have been visiting with the Thomas' for the last week.

Low-Cost Fertilizer In Prospect For Texas
 Texas farmers may soon be growing crops on tired, overworked soil by using a revolutionary new fertilizer. If the formula proves successful, it could be produced 80 per cent cheaper than present commercial fertilizers.
 Now in experimental stages, the fertilizer is said to be unique in its ability to extract nitrogen from the air and place it in the soil. This would enrich soil vitally, since all crops with the exception of legumes extract nitrogen, essential to plant growth, from the soil.
 Much of our land has become practically barren through a vicious cycle of planting and re-planting of nitrogen-draining crops. Resultant deficient crops then pass on the nitrogen deficiency to animals and humans consuming the plants.
 The actual formula contains no nitrogen itself. It extracts nitrogen from the air by use of a chemical compound which includes cobalt, a tough, metallic element similar to nickel. The fertilizer is spread over the ground where fertilizer is needed. From there the chemical action begins which attracts the nitrogen to the ground where it is utilized by plant roots.
 The compound of the formula, chemist P. W. Mader, says he discovered the fertilizer through accident when an overdose of cobalt and barium, a non-volatile element, got mixed into another formula. A small amount of this mixture was spilled on a glass and within 72 hours nitrogen crystals had formed.
 The chemist explained his formula works somewhat on the reverse principle of the nitrogen bomb.
 All research on the project is being done in Texas, where experimental stations are being set up in the Panhandle, the Rio Grande Valley, near Houston and in Central Texas.

Ship Christening Honore Floyd County
 Floydada. — Floyd County was one of six of that name in the United States honored by the renaming of the USS LST 762.
 The ceremony in which the boat was officially redesignated as the USS Floyd County was held July 2, with the renaming ceremony at 9 a. m. aboard the craft in San Diego Bay.
 Notice of the honor and the invitation were made in a letter from Lt. John O. Bachert, USN, commanding officer. Other counties will be Floyd County in Georgia, Indiana, Iowa, Kentucky and Virginia.

Farm Safety Week Is July 24-30
 College Station. — "More accidental deaths occur in farming than in any other major industry in the nation. Texas, with its widespread farming and ranching operations, is in a position to help reduce the toll taken by such accidents," said Governor Allan Shivers in his proclamation designating the week of July 24-30 as Farm Safety Week.
 Earlier President Eisenhower had proclaimed the same period as National Farm Safety Week. He requested organizations and leaders interested in farm life to join in the continuing drive to reduce needless injuries and deaths to farm people.
 The week is sponsored jointly by the National Safety Council and the U. S. Department of Agriculture and has been observed each year since 1944. The Texas Farm and Ranch Safety Committee working with the sponsors and farm organizations and leaders of the state report much progress during the past several years. The committee has called on farm organizations and rural youth groups to assist with carrying the message on safe rural living to farm and ranch families. Four-H club members not only conduct individual demonstrations involving farm safety but compete as teams for county, district and state honors in a farm and home safety demonstration contest.
 It is the hope of the Texas Committee that farm families in every community will participate in activities which may be planned for their protection. The theme of the 1955 week is "Your Safety is in Your Hands — Be Careful Avoid Accidents."

TO LAKE MURRY
 Mr. and Mrs. Bob Miller and children, Bobby and Debra Kay and Mr. and Mrs. Claude Brown and Ann spent a few days last week at Lake Murry near Ardmore, Oklahoma. They returned home Thursday of last week.

Here's a check for your loss

When you really like us

You buy insurance because you're smart — not because you get a kick out of it at the time.

When we deliver an insurance policy, nobody ever says: "Oh boy, what a beautiful policy!"

But when somebody has a fire or a robbery or a lawsuit or a loss of some other kind, and we deliver a check from the insurance company —

— THAT is when people really like us. It happens frequently.

Bear with us when we try to get you to carry the insurance you should—but love us when we help you meet your loss. That's all we ask.

Here's a check for your loss

When you really like us

You buy insurance because you're smart — not because you get a kick out of it at the time.

When we deliver an insurance policy, nobody ever says: "Oh boy, what a beautiful policy!"

But when somebody has a fire or a robbery or a lawsuit or a loss of some other kind, and we deliver a check from the insurance company —

— THAT is when people really like us. It happens frequently.

Bear with us when we try to get you to carry the insurance you should—but love us when we help you meet your loss. That's all we ask.

LAUNDRY HINT

Avoid overdrying in your clothes dryer. It may cause deep-set wrinkles that are hard to iron out. Overdrying may also damage the fabric, so remember to remove clothes that require ironing at the proper stage of dampness. Remove those that do not need to be ironed while there is still a trace of steam in the dryer.

Ed Shearer Dies At Plainview

Funeral services for Ed Shearer, 68, former member of the Plainview police force, were conducted at 4 o'clock Thursday afternoon.

Dr. J. H. Crawford, pastor of the Plainview First Methodist Church officiated.

Shearer died at 7:10 Wednesday morning at the Medical Center. He had been in poor health for several months and critically ill the past seven weeks.

Edwin Julius Shearer was born Sept. 11, 1891, at Bentonville, Ark. He moved with his parents at the age of two years to east Texas.

He was a veteran of World War I.

In 1924 the family moved to the Irick community east of Plainview and Shearer farmed there until 1942 when the family moved to Plainview.

Shearer joined the Plainview police force in 1943 and served with the force until his fatal illness.

He was a member of the Plainview First Methodist Church.

He was third of the Shearer brothers to die within recent months.

Survivors are his wife, two daughters, Mrs. Mildred Tuttle and Mrs. Lorene Moon, and one son, Clyde Shearer, all of Plainview; five brothers, Olen and Elbert Shearer, both of Plainview; Fred Shearer, Lockney; Clarence Shearer, Vernon, and Ernest Shearer, Houston; two sisters, Mrs. Beulah Matton, Lovington, N. M., and Miss Lillian Shearer, Seminole, and his mother, Mrs. S. A. Shearer, Plainview. Five grandchildren survive. A son, Orville Shearer, died in 1929.

Interment was in Plainview Memorial Park.

A CLEAN CITY IS A SAFE CITY.

THE OLD TIMER

"Some men with big ideas about how to run our ship of state can't even paddle their own canoe."

Hale-Floyd Show Steady Increase In Factory Jobs

Austin. — Floyd and Hale Counties, along with 130 other counties of West Texas, are showing a steady increase in manufacturing jobs, a study of the Texas Employment Commission covering a four-year period shows.

Hale employment in manufacturing jobs increased from 650 in 1950 to 850 in 1954, while Floyd increased its factory employment from 78 to 125 in the same year.

The TEC reported that the study was made at the request of the West Texas Chamber of Commerce, which designated the counties.

Such factory employment increased almost a third during the years studied, the TEC reported.

In 1950 factory workers made up 7 per cent of the area's non-agricultural employment. In 1954, the ration had risen to 9 per cent.

West Texas Counties which showed noticeable gains included: Andrews, 100 to 125; Carson, 150 to 285; Cooke, 650 to 1,050; Deaf Smith, 100 to 300; Denton, 1,100 to 1,300; Eastland, 715 to 900; Floyd, 78 to 125; Gray, 880 to 1,180; Hale, 650 to 850; Hood, 70 to 175; Howard, 775 to 850; Jack, 60 to 120; Johnson, 900 to 1,050; Lubbock, 2,750 to 3,850; McCulloch, 180 to 53; Moore, 1,550 to 2,500; Nolan, 1,000 to 1,540; Parker, 550 to 675; Reeves, 150 to 350; Scurry, 170 to 500; Taylor, 2,375 to 3,110; Val Verde, 100 to 175; Ward, 320 to 400; and Winkler, 210 to 500.

The TEC said that the West Texas Chamber of Commerce designated the counties as "West Texas" in the request for the study.

Two From Lockney At West Texas State

Canyon. — Two persons from Lockney have been attending West Texas State College the first summer term which closes July 8. Second six-weeks term opens July 12.

They are Mrs. Ermine I. Johnson and Mrs. Glenda Rhoten. Mrs. Johnson, a graduate, is an elementary education major; Mrs. Rhoten is a junior, majoring in secondary education.

STAINLESS STEEL IDEAL

Stainless steel is now recognized by countless homemakers as ideal for service, both in utensils and flatware. It will not tarnish, stain, or discolor and can be cleaned easily with hot water and soapsuds.

Barbara Carthel On Tech Honor Roll

Miss Barbara Carthel, now Mrs. Warren Mathis, daughter of Mr. and Mrs. Hershel Carthel of Lockney, was one of the 268 students listed on the honor roll at Texas Tech for the spring semester.

The list includes those students who maintained a grade average of 2.48 or better. Barbara's average for the semester was 2.60. Only 34 students maintained the maximum grade of 3.0 average.

F. B. Scholarship Winners Announced

College Station. — The Texas Farm Bureau each year recognizes an outstanding 4-H boy and girl by presenting to them a \$250 college scholarship. The 1955 winners were announced today by Floyd Lynch, state 4-H club leader. They are James Kellers of Fayette county and Ruth Haswell of Dallas county.

James is the son of Mr. and Mrs. W. G. Kellers of Fayetteville. Over a nine year period he has completed many demonstrations with crops and livestock; however, his specialty is dairy cattle. He now owns ten head and got his start with a heifer won in a judging contest. He is a Gold Star boy; a junior leader; an active worker in his church and community and was in the upper level of his high school graduating class. Round Top-Carmine. He plans to study dairying at Texas A. and M.

Miss Haswell is the daughter of Mr. and Mrs. H. M. Haswell of 8612 Files Street, Dallas. She is completing her seventh year of 4-H work and has conducted demonstrations which involved just about all phases of homemaking. She is a Gold Star girl and last year was a National 4-H Club Congress delegate. For four years she has been a member of the county shrub identification team which has placed no lower than fifth in three statewide contests. She graduated from Pleasant Grove high school in June where she participated in many activities. She is a leader in her church and community. Her college plans have not been announced.

Alternates for the scholarships are James R. Taylor of Tarrant county and Alby Ann Kuehler of Randall county. Lynch said formal presentation of the scholarships will be made in the near future.

Hale Voters Okay \$750,000 Road Bond Plan, Tax Proposal

Plainview — Hale County voters Saturday approved a \$750,000 bond issue for road and highway improvement with a resounding 801 votes for the proposition to only 207 opposed.

At the same time they approved an ad valorem tax of up to 15 cents on \$100 valuation to pay off the bonds. The tax carried 826 to 182.

Eleven of the 12 precincts had reported results late Saturday. Lakeview, with only a handful of votes, had not reported.

County commissioners have earmarked part of the bond money to buy right-of-way for a four-lane divided highway from Hale Center to the Lubbock County line along the present route of U. S. Hwy. 87.

It is part of the commissioners court's plan to make possible a

highway improvement program in Hale County; state and federal funds will be used to construct the highway.

While most of the rural areas

voted against both the vote in Plainview Center more than 300 edge gained by them.

Twin Pipes that play sweet music!

Chevrolet's "Super Turbo-Fire V8" with 180 hp.

You can spot this one by the twin tailpipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

... Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super scats? Chevrolet's superb valve-in-head V8, with the shortest stroke in the in-

dustry, the most power per pound, and the only 12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

*Optional at extra cost.
†Station wagon models have single exhaust pipes.

with Julie Harris, James Dean
See description above.

South Plains

By Mrs. Murray Julian

Fourth of July was a busy day for most of our community, who after a week of dry weather was again able to get into their fields. Most of the lakes have threatened to go across roads and many are across normally dry fields. Many fields washed badly in the last hard rain of four inches. Windy days then caused many fields to blow, so most are busy trying to cultivate or work fields over the holiday weekend.

Tuesday, July 5th will be South Plains day at the County Library and Mrs. Sylvia Kinnibrugh and Mrs. L. T. Wood are taking their G. A. girls with Beth and Marilyn. Mrs. Arby Mulder is taking her children, Nathan and Katherine and Mrs. R. G. Dunlap with Johnny and Becky will be present as will many others from here. Mrs. Wood and Mrs. Dunlap are in charge of the stories and amusement from ten until eleven this Tuesday.

Mr. and Mrs. George Weast left last Wednesday with their house guest, Mrs. Minnie Bell Montague from Amarillo, went to their cabin in Ruidoso, N. M. where they spent the week and Saturday and Sunday, arriving home Sunday night. They reported many thousands in Ruidoso over the Fourth weekend for the festivities and horse races held there.

Mr. and Mrs. Sylvan Kinnibrugh and girls spent the past weekend in Roaring Springs where Mrs. Kinnibrugh's mother, Mrs. Spivey, with all her family of the Bates from Truscott held a reunion. They packed lunch baskets and spent Saturday and Sunday at the resort and about fifty members of the family were present.

Mr. and Mrs. Grigsby Milton Jr. are fast getting their new home built. The shingles are going on this week and the new home faces the highway, southwest of their present home.

Mr. and Mrs. Arby Mulder, Nathan and Katherine and Mr. and Mrs. Raymond Upton and Jimmie left early Sunday morning for Roaring Springs where they took a picnic dinner to spread at noon and the children swam during the day.

Thursday night at Lockney, Silverton and South Plains, who were tied for first place in the Softball League played and South Plains lost, then Friday night they were again in the field and this time South Plains won 7-1. They are again tied for first place, and our next game will be July 8 in the first game, playing Hammond.

Mrs. Vernon Youngquist from Stamford was visiting her parents, Mr. and Mrs. Harry Hartman last week and on Wednesday she returned home taking with her from here Virginia Taylor, Juanel Wood, June Marble and Bonnie Upton, who spent the week and the fourth of July with her as house guests. They enjoyed the rodeo and boat rides and many other interesting things. The girls are expected home this Wednesday.

Mrs. Leighton Teeple, Sherlene and baby accompanied Mrs. Hack Redd from Floydada to Pampa on a business trip last Wednesday. On the way home they

"Who Says I Can't Make The Team?"

"JUST WAIT AND SEE!" — Tiny Timmie Lee Brashear, three-week-old patient at the Texas Scottish Rite Hospital for Crippled Children at Dallas, looks confident he will be on the "first string." Children at Dallas, Mrs. and Mrs. Billie Ray Brashear of Sadler, Texas, he was The son of Mr. and Mrs. Billie Ray Brashear of Sadler, Texas, he was born with congenital club feet but the crippling condition will soon be corrected and he will be able to lead a normal boy's life. Holding him above is Mrs. Lucille Covington, a nurse's aid at the hospital. Timmie, like thousands of other Texas children, will be a member of the Scottish Rite Hospital until he is 15 years old and will be eligible for treatment until that time.

stopped in Amarillo where they visited a sister and got Dwight Teeple, who had been spending a week visiting there.

Community Club Has Hobo Picnic

The Community Club of South Plains held a hobo picnic on Friday evening at the church grounds in South Plains and with fine weather, a big bonfire, everybody had a good time. Many young couples and their children, as well as the regular members were present and almost everyone was dressed in hobo attire. The judges had a hard time picking winners for best tramps, but the winners were named as Yvonne Karr, Louise Pritchett, Kendis Julian, and Mrs. Raymond Upton. The club was grateful to H. L. Marble and sons who erected lights for the picnic. Mr. and Mrs. L. T. Wood arranged the seating and John Smitherman arranged the bonfire. Thanks to each one on the committee, Mrs. Roy Bledsoe, Arby Mulder, Junior Calahan, Kenneth Bean, Ernest Smitherman, Early Pritchett, Mr. and Mrs. L. T. Wood, Mr. and Mrs. John Smitherman, J. P. Taylor, H. L. Marble and Mr. and Mrs. R. G. Dunlap and many others who helped. Mrs. Wood and Mrs. Dunlap were in charge of the games and the millionaire

couple turned out to be Mr. and Mrs. Junior Calahan. About 80 were present at the picnic. Weiners were roasted, then topped off with huge pots of beans, potato salad and other hobo food, with coffee and cookies at the close of the meal. The name plates are now at the Upton Grocery and please get yours there, so Roy Bledsoe and Harry Hartman can get the new billboard finished with the names and addresses of everyone around and in South Plains. This will be the last Community Club party until Friday, September 30.

Mr. and Mrs. George Weast and their guest, Mrs. Minnie Montague visited in the Silverton area Monday morning. They went to see Mrs. Ed Davis and others and Mrs. Montague returned to her home in Amarillo that evening.

Mr. and Mrs. Murray Julian, Bruce and Kendis spent Sunday in Roaring Springs where they enjoyed a picnic dinner and swimming during the afternoon.

Mrs. Bryan Karr was co-hostess, Mrs. Leighton Teeple will be hostess at the South Plains Home Demonstration Club meeting at the Karr home in South Plains on July 20 at 9:30 in the morning. The 4-H girls will put on the program and serve refreshments this day. Each mem-

ber be present and bring someone with you.

Mr. and Mrs. Cecil McCain and children from Tulla spent Tuesday with his sister, Mrs. Fred Fortenberry and family. Their mother, Mrs. N. C. McCain who had been visiting here the past week with the Fortenberrys went back to Tulla to her home with her son and family. Mrs. Fortenberry reported that their son, Elmo, who is in the navy at San Diego, Calif., has been very ill with spinal meningitis. We hope he is fine by now.

Rev. and Mrs. Larry raus, Vassie Beth and Bobby Faus returned from San Antonio and New Braunfels Saturday and on Monday they spent the day at the Baptist Encampment where the General Camp was in session. July 11-13 is the intermediate G. A. camp, then on July 18-20 the Juniors will have their R. A. camp with the Intermediate R. A. camp on July 20-22.

Drive the car that gives you MORE of everything... Take

CHRYSLER'S "100-Million-Dollar Ride!"

- All this, and more, is yours in a Chrysler!
- World-famous FirePower V-8 engine, the most powerful type V-8 on the road today—up to 300 hp! Airplane-type design provides unequalled safety reserve power.
 - PowerFlite Fully-automatic Drive, the smoothest and most automatic no-clutch transmission in any car! New dash panel shift lever—an important milestone in convenient car control!
 - Exclusive Full-time Power Steering, the only power steering that works all the time without effort. You can turn and park with just a single finger on the wheel, and still maintain a constant, secure "feel of the road."
 - Extra-large, extra-safe Power Brakes bring you to swift, sure stops with much less effort. A double-width foot pedal enables you to brake easily and safely with either foot.
 - Double-strength Oriflow shock absorbers provide twice the cushioning power of ordinary kinds, giving you smooth, comfortable rides over even the roughest roads!
 - Super-Scenic sweptback windshield is wrapped around both top and bottom, giving you greater vision, greater safety. Swept-back design enhances car's look of forward motion.
- Here is the car that literally does everything for you—and does it so easily! Chrysler's Full-time Power Steering is the only power steering that gives you a full-time feel of the road. Chrysler's airplane-type V-8 engines (up to 300 horsepower!) are the only ones that give you a new measure of safety reserve power. Chrysler's brand-new PowerFlite Transmission is the only fully-automatic drive with handy dash panel control and "smooth flowing" surge of power. There's plenty more that will amaze you when you slip behind the wheel of a new Chrysler. See or phone your Chrysler Dealer today for an unforgettable demonstration!

LAUGH

CLOWN

LAUGH

The circus brings excitement for young and old alike—the animals, the thrilling acts, the funny clowns. Perhaps we like the clowns best of all with their antics and their grinning faces.

But the jolly face of a clown is not necessarily what it seems to be. A mask of humor might very well conceal a sad heart, and the jester could easily be living in a world of self-doubt.

Many people know this dilemma. To the world they show a countenance of false gaiety, but within there is disquiet. Why? It may be that these people have found no basis for genuine peace and contentment. And no amount of banter or pretense can heal a bruised spirit.

A basic faith is essential to the soul of every individual. To attain this faith turn to the Church, which for countless generations has given new life and hope to millions. Then, with a heart full of love and confidence, know the joy of genuine, heartfelt laughter.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

C. A. Tomme's Move To Plainview

Mr. and Mrs. C. A. Tomme and their daughter, Louise, moved to Plainview last Friday where Louise plans to enter business school in the near future. She graduated from Lockney High School in May. The Tomme family has lived in Lockney for the past 16 years. Mr. Tomme has been employed by the Aiken Blacksmith Shop for the past several months and he will continue his work there. They are at home at 508 Raleigh Street in Plainview.

HODGES VISITORS

Mr. and Mrs. Tommie K. Kepler and children, Tommie Jr. and Ada Jean, of Ft. Worth, visited last weekend in the home of Mr. and Mrs. Hoyette Hodges.

Dodgers Lose One—

(Continued from page 1) scored nine runs in the 5th while the Cards scored 3 in the sixth. The Yank pitchers were the same and on the mound for the Cards were Walek, Kellar and Davis.

Also on Friday the Giants defeated the Indians 14 to 4. Giant pitchers were Mosley and Wofford while the Indians used Holland and Rigby.

Tuesday evening brought two very close and well-played games. The Dodgers defeated the Giants 2 to 0 in one game. The Dodgers scored one in the second and one in the fifth. The Giants got only two men on base all evening. Rolling and Belt were the winning pitchers and Mosley and Wofford the losers.

In the other game Tuesday the Red Sox defeated the Cardinals 3 to 2. The game was all tied up through the fifth inning. The Cardinals scored one in the top of the sixth but the Red Sox came back to score two and win the game. Bill Mangold stole from first around to home on over throws to tie the score up in the sixth and Willie Nuncio scored on Rudy Naylor's hit to put the Red Sox ahead. Naylor and Mangold were on the mound for the Red Sox while Walek went the entire six innings for the Cards.

The league standing:

Team	W	L	Pct
Dodgers	10	1	.910
Yankees	8	2	.800
Red Sox	7	4	.631
Giants	4	7	.360
Indians	2	8	.200
Cardinals	1	10	.090

Schedule for the week:
Thursday — Giants vs. Cardinals.
Friday — Dodgers vs. Indians.
Saturday — Red Sox vs. Yankees.
Sunday — Red Sox vs. Indians.
Monday — Dodgers vs. Yankees.

INGRAMS VISITING

Mr. and Mrs. Troy Ingram were back in Lockney last weekend for a short visit. She is attending school at East Texas State at Commerce and he is working in Denver, Colorado. While here they had guests from Denver, Mr. and Mrs. Ralph Ingram, and from Commerce, Mrs. Nancy Baumbartner and son, Stevy, of Commerce. Mr. and Mrs. Ingram are both employed in the Lockney Public Schools.

P. L. Hargis Dies At Lubbock Sat.

P. L. Hargis, father-in-law of both Bill and Robert Canon of Lockney, died Saturday afternoon in the Lubbock Memorial Hospital at Lubbock. A heart attack was the cause of death, relatives said.

Funeral services were held at 10 a. m. Tuesday at Ford Memorial Chapel in Lubbock with interment in the Lubbock cemetery.

Survivors include his wife, five daughters including Mrs. Bill Canon of Lockney and Mrs. Robert Canon of Lubbock, and three sons, Garland of Fort Worth, Weldon of Lubbock and Bob, who is stationed in Japan. Also in Japan at the time of his death was a daughter and his son-in-law, Robert Canon.

Attending the services from Lockney were Mr. and Mrs. Bill Canon, Mr. and Mrs. Ray Canon, Mr. and Mrs. John Lee Carthel, John T. Carthel, James and Janis Carthel, Mr. and Mrs. Pete Musley.

Mr. Hargis formerly lived at Floydada and Leonard, Texas.

Robert McCollum To Direct Kids, Inc.

Robert W. McCollum, a native of Lockney and son of Mrs. J. H. Widener, assumed his duties on June 1 as director of Kids, Inc., a youth program in Amarillo. He served as superintendent of the Alameda Schools last term and previously was principal of schools at Edmiston. He is a graduate of Lockney High School and Texas Technological College and attended the University of Colorado a year before completing work for a Masters Degree at West Texas State College, Canyon. He served overseas with the Navy during World War II.

HERE FROM EL PASO

Pvt. and Mrs. John Alvin Dorman were in Lockney last weekend visiting with their parents and friends. John Alvin is stationed in El Paso now and his wife, Rochelle, is there with him. Their parents are Mr. and Mrs. Bill Rigdon and Mr. and Mrs. Fred Dorman.

Mr. and Mrs. W. A. Taylor and Jovonne went to Paducah Monday to visit with Mr. Taylor's parents, Mr. and Mrs. H. T. Tay-

Ben Wood Opens Repair Shop

Ben Wood has opened a repair shop in the Baker tin building just across the street east of Webster's Service Station. He will repair cars, trucks, tractors and irrigation motors, either butane, natural gas or gasoline driven he said this week.

Mrs. Lee R. Vial and Kenny of Willington, N. D., left for their home Saturday after spending two weeks here with her parents, Mr. and Mrs. Walter Beall. Mr. Vial came for them, spending a short time here in the Beall home.

TO LAKE KEMP

Mr. and Mrs. J. H. Chandler and Johnny and Mr. and Mrs. Frank Hardy and children spent the holiday weekend at Lake Kemp fishing.

KILLS FLIES LIKE MAGIC!

PURINA FLY BAIT (DRY KILLER)
ATTRACTS AND KILLS PURSUE

We've never seen anything like it! This new Purina Fly Bait kills flies while you watch—and keeps it up for weeks on end. You just scatter the little dry particles where flies congregate—in barns, feed rooms, poultry houses, even outside—and Purina Fly Bait does the rest.

Before you buy any fly control, stop by the store and see this brand new product kill flies while you watch. It comes in handy 2-lb. shaker-top cans or in 10- and 25-lb. bags. And say, you'll like the low, low price tag on Fly Bait. Stop by the first chance you get.
